HISTORY

The Personality Club was organized in the summer of 1937, by Mrs. Mariam Mackay. It was because Mrs. Mackay saw a great need for an organization of persons who were interested in youth, the social and personal problems, that she herself, sponsored by the Worthington P.T.A., called a meeting at the Worthington Library and presented her ideas to a small group of women.

Among Mrs. Mackay's many proposals one of the first attempted, was the remodeling of formals for girls who were in need of them. There was always a demand by girls for guidance concerning proper dress, manners and hostess etiquette. These demands were fulfilled by the best authority obtainable within the club's means.

One of the first projects was a sty show. Other interesting projects such as, talks on manners and charm, also several teas where the girls themselves served as hostesses, were well received.

As the boys became interested, they were also included in many programs.

Later, because of the broadening interest of both students and club

members, the club was reorganized and it was then renamed "The Activity Club"

Membership has grown from a few to our present membership of thirty active members. Due to the capacity of most of the members homes the membership remains limited to thirty actives, who still meet once every month.

With complete co-operation of the school administration and all their departments, the club has been able to present many worth while projects. To mention a few of the out-standing ones are: the social dancing classes for all boys and girls from the fourth grade to the twelfth. This always is high-lighted by the annual Christmas parties and dances at the conclusion of the lessons.

In the spring our Tes honoring the Senior Class, as well as Open House for the seniors and their parents, after Commencement, have been a fine success.

When funds are available they are used to purchase records, radios and various equipment for any department in need. This is done upon request, recommendation or suggestion of the school administration.

Today we still find Vocational Guidance, Scholarships and advice on every day living of utmost importance to the students and club members.

At the present time there are three charter members who are still active in the club. They are ; Mrs. H.C. McCord, Mrs. Lester Griffith and Mrs. Ellis Halley.

Those who have served as our past presidents are:

Mrs. Mariam Mackay	1937-1940
Mrs. Edwin Johnson	1940-1943
Mrs. Wm. Hoag	1943-1946
Mrs. W.J. McKibben	1946-1948
Mrs. Ellis Halley	1948-1949
Mrs. Clyde Haager	1949-

The club has had thirteen years of continuous service to the students and the schools. Looking back over these years, they have been fruitful ones, rich in experience and service.
