ARTICLE I - NAME

This organization shall be known as
The Activity Club.

ARTICLE II - PURPOSE

The purpose of this club shall be to
assist the children of Worthington
schools in social development and to
sponsor ballroom dancing.

ARTICLE III - MEMBERSHIP

Section I. Active membership shall be
limited to thirty members. No member may
miss over three consecutive meetings
without a legitimate excuse and remain a
member of the club.

Section II. Any member must signify
in writing by or at the February meeting
if she wishes to withdraw from the club
or she may petition for a leave of ab-
sence of one year. Resignations would
be effective the following September.

Section III New Membership:

A. New members may be considered only when a vacancy exists in the active roll.

B. The name of a prospective member, together with the names of the two active members sponsoring her, shall be submitted to the membership chairman on forms provided for that purpose by November meeting.

C. No member may sponsor more than two persons per year for membership. First year members are not eligible to sponsor a prospective member.

D. A list of the names of those sponsored for membership, along with the respective sponsors, shall be prepared by the membership chairman and her committee to be read at the February meeting.

E. Election of new members shall be held at the March meeting by secret ballot. Absentee ballots shall be accepted by the membership chairman up to the time of the meeting.

F. Vacancies in membership shall be filled by a preferential voting in

which all members shall have an opportunity to participate by the means herein described:

Candidates' names shall be listed by each voting member in order of preference to a total number equal to the number of vacancies to be filled. The candidate most preferred by the voting number is given a numerical value equal to the number of vacancies to be filled, and each candidate thereafter is given a numerical value of one less than that of the next most preferred candidate. The numerical values for each candidate shall be totaled by the tellers assigned and the candidate(s) with the highest total numerical value will be elected. In case of a tie vote for the last vacancy to be filled, voting for only those candidates involved in the tie vote will be repeated in the same manner until one candidate is elected by virtue of a higher total numerical value.

In case of refusal, the person with the next highest number of votes be offered membership until all vacancies are filled.

G. Three tellers shall be appointed by the President to count the ballots.

ARTICLE IV - DUES

The annual dues for club members shall be \$1.00, payable in September. All members whose dues are unpaid at the close of the December meeting shall then be notified by the Treasurer. Members failing to pay dues for any current year shall be dropped from the list.

ARTICLE V - OFFICERS AND DUTIES

The officers of this club shall be a President, Vice President, Secretary, and Treasurer. These officers shall perform the usual functions of their respective offices.

The President shall preside at all the meetings.

The Vice President shall preside in the absence of the President and shall serve as chairman of the hostess committee.

The Secretary shall keep complete records of all regular meetings. She shall also take care of all correspondence.

The Treasurer shall keep a complete record of all receipts and expenditures and present a report at each regular meeting.

ARTICLE VI - ELECTIONS

Section I. At the March meeting of the election year, the nominating committee, appointed by the President at the February meeting, shall present a list of candidates for the offices to be filled.

Section II. A majority of those voting shall elect.

Section III. The official term of office shall be for two years.

Section IV. New officers shall take office at the May meeting.

Section V. In the event of loss of an officer, the executive board shall be empowered to appoint a substitute.

ARTICLE VII - MEETINGS

Meetings shall be held on the fourth Monday of the month. Three members shall be hostesses at each of the meetings.

One member to furnish the home and beverage, the other two members are to furnish light refreshments. The list of hostesses shall be made at the April meeting.

ARTICAL VIII - AMENDMENTS

These bylaws may be amended at any regular meeting by a two-thirds vote of the membership, provided that the proposed amendment has been read at the previous meeting.

school girls submitted questions and suggestions for discussion for the meetings. The best obtainable authorities within the means of the club were provided to conduct these discussions. Among the many speakers have been Mark Russell, Dr. Samuel Shellabarger, Dr. W. H. Licklider and Mrs. John Bricker.

Members of the club, along with volunteers, had teas for small groups of high school girls where they served as hostesses as well as guests.

Both girls and boys needed to learn and improve their ballroom dancing. Kathryn Simonds of Columbus School for Girls was paid \$25.00 an evening to teach dancing and each pupil paid a fee of 25¢. This was a new experience for both Miss Simonds and Activity Club. Unfortunately, the first venture did not meet expenses and the deficit was made up by benefit parties. Later the dance class expenses were estimated, and pupils were

charged accordingly. As the first of its kind in the country, the dancing program steadily grew in popularity and was imitated in many schools in this area.

The original "Personality Club" met at the library or school with no refreshments or social aspect. Later, because of the broadening interests, the group was renamed "The Activity Club"; to create enthusiasm and interest, meetings were held in the homes of members and a more closely knit group came into being.

The present purposes of the club remain practically the same as the original ones, although the school has now taken over many of the former services of the group.

Much of the success of the club can be attributed to the fact that through the years it has become a tradition that a member never answers "no" when asked to do a job.

McCall's Magazine and Successful Farming have carried articles telling about the interesting work of the Club.
