Handbook of Worthington High School

Worthington, Ohio

1946

WORTHINGTON HIGH SCHOOL
GRANVILLE ROAD
WORTHINGTON, OHIO

Worthington High School Phone No. 5195

Worthington Grade School Phone No. 5373

FOREWORD

We are happy to present the first edition of the Worthington High School handbook. It is designed to acquaint all students with pertinent information concerning their school. It should be especially helpful to new students who enroll during the school year and to each new tenth grade class which enters the senior high school.

We are indebted to Mrs. Gertrude Mayall and her English IV class, to Miss Mabel Blume and to Mrs. Mary Bergman for the publication of the handbook. Through their efforts the cost of printing was met, articles were prepared and the final editing done.

The faculty of Worthington Senior High School invites each student to participate in the activities of our school to as great an extent as is possible. We seek to provide opportunities for all; may you make the most of them during your high school career.

Mr. R. C. Heischman
Principal of Worthington High School.

HISTORY OF WORTHINGTON SCHOOLS

The early settlers of Worthington came from a place in which a good education was offered. They were determined to provide the same opportunities for their children as they themselves had.

It is significant in the development of the schools of this community that a school building was the first public building erected in Worthington. This school, a large log structure which stood approximately where the library stands today, was erected in 1803. The building was used also for Episcopal church services and all other public gatherings. Two large sections of ground on the western edge of the settlement were designated respectively as school and church lands. It is on this school property that the present high school building stands.

In the year 1808 the log school building was torn down and a two story brick building built in its place, directly opposite the site of St. John's Church. Classes were held on the first floor and Episcopalian church services on the second floor. The first school held in this building was known as the Worthington Academy. Philander Chase, then rector of the Episcopal church was its first master. Later when he became first bishop of the Ohio Diocese he was succeeded in his teaching position by his son, Philander Chase, Jr.

In 1843 a medical college was started in the building previously occupied by the academy. This college seemed to prosper until the townspeople were aroused by the belief that students of the school had robbed several graves. When those beliefs were substantiated they marked the down-

fall of the Medical School which later moved to Cincinnati. After the closing of the medical school the building was used for a college known as the Worthington College.

In 1856 the Town Hall was built for the public school use. After some time it was realized that a larger building was needed. Therefore in 1871 the Town Hall was sold to the township. While plans for a new building were being made and such a building erected the public schools occupied the old Worthington Academy building. The new building, the West grade school building was built in 1873. In 1876 the old academy building was torn down. The East grade building was built in 1893. These two buildings remained until December 1937 when they were razed and the present building erected.

The first class to graduate from Worthington High School was in 1880. There were two girls in the class. Since that time over 1256 boys and girls have graduated from W. H. S. Our present high school building was built on the school lands in 1915.

The school bell which was bought from the East when the old academy building was first built is now in the belfry of the present grade school building. It seems that it is the living representative of a group of pioneers who had a vision.

BOARD OF EDUCATION

39 W. Stafford Ave. 5718

STANDING OF SCHOOL

Worthington High School is accredited by the State Department of Education and by the North Central Association of Secondary Schools and Colleges. From approximately 1150 high schools in Ohio only 410 are members of the North Central Association. Franklin County has four members: Worthington, Groveport, Canal Winchester, and Mifflin.

District-State Tests

District State Tests in individual subjects are taken by pupils chosen for outstanding work by the teachers of each subject. Ninth grade and senior high school students take the tests in April. Certificates are awarded the 25 persons in the district with the highest scores in each subject.

Senior Scholarship Test

Senior Scholarship Tests are held the last part of March each year. The test covers five subject matter areas: Math, science, English, reading, and history. The persons with the highest scores are rewarded by scholarships to various colleges for a period of one to four years. These scholarships go to the upper ten persons. Certificates are given to runners-up.

Dr. Charles E. Jefferson Award

Dr. Charles E. Jefferson, an early teacher in the Worthington schools, bequeathed to the Worthington Board of Education \$5000. to be placed in a trust fund, the income of which is to go to the two highest ranking graduates. The award is in the form of a check for \$62.50, which each high ranking graduate receives.

Reader's Digest Award

The Reader's Digest presents each year one year's subscription to the valedictorian of the senior class.

HONOR SOCIETY

The purpose of the Franklin Honor Society, as stated in its constitution, is to create an enthusiasm for scholarship, stimulate the desire to render service, promote leadership, and develop character in the boys and girls of the secondary schools of Franklin County.

In order to be eligible for membership the pupil is required to have attended the recommending school at least one semester. Membership for any one year shall not exceed one-fourth of the enrollment of either grade eleven or twelve. Members selected shall be chosen by the faculty from the upper third of the class in scholarship rating.

STUDENT GOVERNMENT

Each class has its own government, the officers of which are elected at the beginning of the year.

The officers are: president, vice president, secretary, and treasurer.

The student council consists of members elected from each home room and the class presidents. Hall monitors are elected in the council to enforce school rules.

A student council play, hayride, and other types of entertainment are sponsored to pay for certain school improvements.

VOLUNTEER SECRETARIES

In order to be eligible to be an office secretary, one must have good grades and be well acquainted with his fellow students. The office secretaries take telephone messages, check attendance, type schedule cards and attend to the other duties of an office assistant.

ATHLETICS

Worthington High School points with pride to a number of trophies won by our athletic teams in football, basketball, golf, and track. We regard as even more important, however, the spirit of good sportsmanship that prevails both on our teams and among our spectators, whether we are winning or losing. Worthington is a member of the Franklin County League in which our teams compete for football and basketball championships. We also play several non-league games each season.

Football

The football season opens for the players with the first practice about August 20. After that time practice is held daily from 4-6 p. m. Any boy in the high school may try out. Eight games are scheduled each season, six league games and two non-league. The county league consists of Gahanna, Hilliards, Groveport, Grove City, Mifflin, Hamilton, and Worthington. The non-league games are with Marysville and Westerville. All home games are at night and are played on the high school field.

Basketball

The Varsity Basketball team is made up of the best players in the high school. Boys in the sophomore and junior classes who have not the experience and skill to play varsity basketball may play on the reserve team. Practice is held every afternoon after school at the elementary building gymnasium.

The basketball team plays in the Franklin County League which consists of eleven teams. These teams are Worthington,

Gahanna Lincoln, Grove City, Groveport, Hamilton, Hilliards, Mifflin, New Albany, Reynoldsburg, Canal Winchester and Dublin. They also play five non-league games with Westerville, Marysville, Upper Arlington, Granville, and Delaware. The team participates in the Franklin County Tournament held at Westerville at the close of the season. If our boys are successful they continue in the district and regional tournaments.

Golf Team

Those who are interested in golf may try out for it in the early spring. After 36 holes (two rounds) the eight lowest scores are chosen. The team of four members is then selected on the basis of those scores. The team plays several schools during the year. It goes to central and state tournaments if it is successful in earlier meets.

Track

The track team participates in several dual meets and relays (meets in which more than two schools compete) as well as in the district meet at Ohio Wesleyan. Each individual who places first or second in any event in the district may compete in the state meet. Track includes such events as dashes, half mile, mile, relays, hurdles, broad jump, high jump, pole vault, shot put, and discus.

Drum Major

The drum major is chosen each year by competitive tryouts. There are usually several assistants. The drum major and his assistants practice and perform with the band until the end of the football season.

Cheerleaders

Tryouts for cheerleaders are held in the fall before the basketball season starts. Those who are successful serve as reserve cheerleaders in basketball. The following year, they serve as varsity cheerleaders in both football and basketball.

ATHLETIC LETTERS AND CERTIFICATES

Varsity letters are awarded only to junior or senior boys with two years of playing experience. Boys must have participated in half of the quarters played in football and basketball to qualify for letters. All players serving on the team an entire season receive certificates. A track man must average three points in dual meets, two points in triangular meets, and one point in major meets to obtain a letter. Golf letters are awarded to the four members of the team.

INTRAMURAL SPORTS

The student council sponsors a program of noontime activities for the students during the winter months. Competition is held between the home rooms. Such games as basketball, volleyball, and pingpong are played. There are both boys' and girls' teams.

GIRLS' BASKETBALL TOURNAMENT

Each year a girls' basketball tournament is held. Three games are played: Seniors vs. Juniors, Sophomores vs. Freshman, and a final game between the two winners. Awards are made to members of the victorious team.

CLUBS

Hi-Y

The Worthington High School Hi-Y, a branch of the Y. M. C. A., is open to any boy in the senior high school. To gain entrance to the club, he must have three references and must be accepted by the club as a whole. After being recognized as a member, he must live up to certain ideals.

The club is not strictly a social or religious club, but both. It sponsors social events throughout the school year. It also carries out constructive or helpful projects of various natures. Above all, the purpose of the Hi-Y is to create and maintain throughout the school and community a high standard of Christian character.

Girl Reserves

Girl Reserves is an organization affiliated with the Y. W. C. A. of Franklin County. It is open to all high school girls willing to support its aims. During the year they try to cultivate understanding, tolerance, and kindness toward other people. It is their aim to achieve a higher standard of womanhood. They plan numerous activities, two of which are sponsoring the Spring Dance and helping the Hi-Y with its Christmas Dance. At the end of the school year, the girls gather for their formal banquet, at which time they elect the next year's officers. They have two advisers from the school faculty.

Science Club

The Science Club is an extra curricular activity for those interested in science. Anyone taking chemistry, biology, or physics is

eligible. Those desiring to become members must have a scientific project in mind.

The Science Fair, which is held in the spring, is the group project for the year. It is a display of each member's project. Outside speakers are often obtained and several scientific trips are taken during the year.

The Club meets every other Tuesday at 7:30 P. M. unless otherwise announced.

F. H. A. Club

F. H. A. stands for "Future Homemakers of America" which is a club organized by the home economics classes in the nation. Worthington's club was organized in the year 1944, and follows the rules of the State F. H. A. Throughout the year we plan parties; have outside speakers, panel discussions, and social activities; study careers for girls; serve others in hospitals, and welfare organizations; and also study projects which contribute to our homes. The club meets the first Wednesday of every month at 7:30. p. m. Any member enrolled in home economics or who has had at least one year of home economics may join.

Varsity W

The Varsity W club is open to all boys in high school who have earned varsity letters in sports. Its purpose is to develop fellowship and sportsmanship among the boys.

ANNOUNCEMENTS

All announcements of interest to the student body are made once daily over the public address system.

MUSIC

The music department is an active part of the school. Its different sections perform at various times for the student body and the public.

Girls' Chorus

The Girls' Chorus consists of all the girls in high school interested in vocal music. This chorus meets twice a week. The girls sing folk music, two and three part choruses, and rehearse parts for mixed chorus numbers.

Boys' Chorus

High school boys interested in vocal music may sing in the boys' chorus, which meets twice a week. They sing three part choruses and do other part work. They also sing rounds and folk music.

Mixed Chorus

The mixed chorus is composed of students chosen from the girls' and boys' choruses on the basis of ability and cooperation. The music teacher holds competitive try outs for membership in this chorus at the beginning of each year. This group sings sacred and secular choral music. They usually provide choral music for devotional assemblies.

Girls' Ensemble

The girls' ensemble is composed of about fifteen girls chosen from the chorus. These girls meet about once every two weeks. They sing all types of music. They often perform for outside groups throughout the community.

Band and Orchestra

Band is open to all pupils in the Worthington schools. Ordinarily the band practices twice a week at the elementary building. During football season, band members often rehearse every day on the football field. The band plays for football games, assemblies, the Memorial Day parade, and sometimes for pep meetings.

The orchestra is open to students in the Junior and Senior High Schools. They rehearse three times a week. The orchestra plays for assemblies, and many other school activities.

Instruments and individual instruction are provided by the school when necessary.

Certificates of excellence and letters are awarded to students who have been in band or orchestra for at least two years and who have an average of C or above.

Operetta

Each year an operetta is presented for the entire community by the music department. Leads are chosen in competitive try-outs. The chorus parts are taken by members of the mixed chorus. The school orchestra accompanies the operettas. The scenery is made by the art and industrial arts departments. Members of the music classes work together on publicity. Proceeds from operettas are used to provide sheet music and other supplies for the music department.

DANCING SCHOOL

Dancing classes are held at the elementary building for all boys and girls interested in learning how to become better dancers. Elementary grades meet in the afternoon. Junior and senior high meet in the evening.

These classes are sponsored by the activity club. There is a small admission charge.

DEBATE

The Debate team of Worthington High School is open to anyone from the ninth to the twelfth grades. In order to join, one must be interested enough to do work outside of school, since none of it is done during school time.

The debaters may also enter extemporaneous speeches. There are officers elected by the members of the team. A teacher acts as trainer and advisor.

Worthington Debate team belongs to the O. H. S. S. L. (Ohio High School Speech League) and the N. F. L. (National Forensic League.)

DRAMATICS

Junior and Senior Class Plays

Two of the most important events at Worthington High are the Junior and Senior Class Plays which occur annually in the fall and spring respectively.

The classes look forward to the many evenings of rehearsals spent with their friends and the director, the speech teacher. The weeks preceding the presentation are always crammed with rehearsals at which stage directors, sound effect workers, stage, property and costume committees all work diligently to make their play a success.

School Performances

Many clubs and classes, such as the Hi-Y, English, music, and speech classes produce plays which are performed during school hours for student audiences. Skits and radio productions are frequently presented over the school public address system.

PUBLICATIONS

— Short Circuit —

The school magazine, the **SHORT CIRCUIT**, is published monthly by the students. This paper gives information about school events, student opinion, student literary work and school gossip. Cartoons and covers are made by students interested in art. Students who desire to be on the staff try out in the fall. The staff is selected by the editors and the advisor with the advice of the English teachers.

— Oracle —

A section in the weekly village newspaper, **THE WORTHINGTON NEWS**, is set aside for school news. This section is known as the "Oracle." It consists of news of class activities, social events, sport, etc. Tryouts are held in the fall for the staff which is chosen from the junior and senior high schools. A teacher acts as advisor.

— CARDINAL —

The annual known as the **CARDINAL** is a record of the events and happenings of a school year. The editor and the rest of the staff are seniors. From the first day of school, students are busy taking pictures and recording events to put in the **CARDINAL** which is published in the late spring.

CHAPEL AND ASSEMBLIES

All assemblies, except for extra events, are held on Wednesdays in the auditorium of the elementary building. On the first Wednesday of each month special assemblies

center around the Hi-Y, Girl Reserves, movies, debates, and any other occurrence of educational interest or amusement.

Chapel services at which a minister of our own community usually speaks, are held the third Wednesday of each month. This service is conducted by a special committee. Throughout the year some extra assemblies are held in order to cover unusual happenings.

Recognition Assemblies

The last assembly of each school year is a recognition assembly. In this assembly, awards are presented to students who have distinguished themselves in scholarship, athletics, debates, instrumental music, or attendance. At the close of this program pupils receive their final reports for the year and school is officially dismissed for summer vacation.

Home Rooms

Home Room meetings are held alternate Wednesday afternoons for the purpose of group discussion. They are arranged according to classes: There are three sophomores, three juniors, and two senior home rooms.

TRADITIONS

Certain traditions at Worthington High School have grown up through the years. They are events to which the student body eagerly looks forward each year as well as symbols, songs, and yells which embody the spirit of the school.

Worthington's school colors are red and blue. Our school symbol is the cardinal.

Worthington High School Building

SCHOOL SONGS

Red and Blue

By Charles Carter

It's the red and blue that fly together
It's the red and blue that wave above
They're the colors born to be together
It's the zip and the pep that we all love,
It's our high school banners waving glory
For that glory we united won
They're the colors that will tell the story
They're the Red and Blue of Worthington.

Stand Up and Cheer

Stand up and cheer
Cheer loud and long for dear old Worthington
For today we raise
The red and blue above the rest
Rah! Rah! Rah!
Our boys will fight
And they are bound to win the fray
We've got the team
We've got the steam
For this is Worthington's day-ay-ay.

SCHOOL YELLS

- I. W-W-W-O-R
R-R-R-T-H
H-H-I-N-G
G-G-T-O-N
That's the way to spell it
Here's the way to yell it
WORTHINGTON!
- II. V-I-C-T-O-R-Y
VICTORY!
- III. Victory! Victory Is our cry
Victory! Victory! Is our cry
Are we in it?
Well, I guess
Will we win it?
Yes: Yes! Yes!

BANQUETS

Football Banquet

The football banquet is the climax of the football season. The players, in whose honor the banquet is held, attend together with their fathers and certain invited guests. An evening of fellowship and entertainment is topped by the election of the football captain for the ensuing year. This banquet is usually served by the members of the F. H. A.

Basketball Banquet

The crowning event of each basketball season is the banquet held at its close to honor the team. Fathers of the players and certain invited guests attend the banquet as well as the players themselves. A guest speaker talks on some phase of sports. The F. H. A. usually serves the banquet.

G. R. Banquet

The final event of the year for the Girl Reserves is a formal banquet held each spring. It is attended by members and advisors of the club. Senior members are honored guests. Officers for the following year are elected at this banquet.

Junior-Senior Banquet

At the end of each year the Junior class entertains the Senior class with a Junior-Senior Banquet and Dance. This is one of the most memorable of graduation activities for every senior. The event is always formal. Only juniors, seniors and faculty members are invited.

Hi-Y Banquet

Each fall the members of the Hi-Y honor their fathers with a father and son banquet. This is a potluck affair.

DANCES

Homecoming Dance

The Homecoming Dance follows one of the last home football games of the season. It is sponsored by the Hi-Y. At the dance, the Homecoming Queen and her attendants hold the places of honor. The queen is a senior girl chosen by popular vote, while her attendants are selected one from each high school class, and the freshman class.

Christmas Dance

The Christmas Dance is a semi-formal sponsored by the Hi-Y and G. R. It is held during the holiday season. This dance gives students and alumni an opportunity to have a festive evening together. Dancing continues from nine to twelve to the music of a good band. The dance is held in the Elementary Gym which is appropriately decorated.

Spring Dance

A high point in the year's social calendar comes with the Spring Dance, usually held in early April. The Girl Reserves are responsible for the dance, a semi-formal to which all Worthington High School students are invited. The dance is held at the Elementary Gym. Dancing begins at nine and closes at twelve.

Teen Canteen

The Teen Canteen was formed for the entertainment of high schoolers by the students themselves. The Canteens are held after all home football and basketball games. There are dancing, games, refreshments, and lots of fun. Special programs are held at holiday canteens, such as those at Thanksgiving and Christmas.

Cast Parties

Following most major dramatic presentations, parties are planned for the cast and those closely associated with the play.

Class Picnics

A day is set aside at the end of the school year for each class to have a picnic.

The members of the classes decide where they will go for their picnic and provide the entertainment and food.

CAFETERIA

The school cafeteria is located in the elementary building. The elementary school children are served previous to 12 o'clock so that the lunch room will be clear at 12 o'clock for the junior and senior high school students.

High School Lunch

High school pupils who bring their lunch eat in room 1. Milk, potato chips, ice cream, and candy, may be purchased in the custodian's rooms in the basement.

LOST AND FOUND

Lost and found articles may be claimed or turned in at the office.

LIBRARY

All students have access to the Kilbourne Memorial Library located beside the grade school. The library which employs three full time librarians has twelve thousand books. The library is open six days a week from 12 to 9 p. m.

Reference Room

The high school reference room is located in the study hall. It contains reference materials, newspapers, magazines, and books which are available to the students for use in preparing assignments. The reference room is manned by volunteer librarians from the student body. Materials taken out during any period should be returned at the end of that period. Material may be taken out at the end of the eighth period for overnight use and must be returned at the beginning of the first period the following day. Pupils should go to the reference room one at a time.

HEALTH OF SCHOOL

A nurse is employed full time to take care of the health of the student body. Her office is located at the elementary building. Any student who becomes ill during school should report to the principal's office. He will then be sent to the nurse or she will come to see him.

REPORT CARDS

- 1—Report cards will be issued the week following the close of each six weeks' period. These should be taken to the parents or guardians for their signatures, and returned promptly.
- 2—For cards not returned, a new card will be issued with a ten cent fine assessed for the loss.

Following are grades and their respective points:

A	—	Excellent	4
B	—	Good	3
C	—	Average	2
D	—	Poor	1
F	—	Failure	0

Honor Roll

The honor roll of Worthington High School consists of the names of all students who maintain an average of 3.5 or above for each six weeks period. There are semester and annual honor rolls figured on the basis of semester averages.

Eligibility For School Activities

1. Pupils must be passing in all work during the present semester before taking part in any school activity. All work taken the previous semester must be passing.
2. A pupil who has become ineligible by failing one subject the previous semester may regain his eligibility by maintaining an average of "c" during the first six-week grade period of the following semester.
3. A pupil who fails more than one subject during a semester is ineligible for all school activities during the following semester.

Requirements for Graduation

Sixteen units, not including credit received for physical education are required for graduation. Not more than one unit within the sixteen may consist of quarter-units.

The sixteen units must include:

English—3 units.

Social studies — 2 units.

Mathematics — 1 unit.

Two majors (a major consists of 3 units in one area).

Two minors (a minor consists of 2 units in one area).

RULES AND REGULATIONS

Attendance

Resolutions adopted by the Worthington Board of Education relative to pupils enrolled in the Worthington High School:

- 1 Pupils are expected to commence their attendance promptly at the beginning of the school term and attend regularly and punctually.
2. When a pupil returns to school after an absence he shall bring with him a written excuse from his parents or guardian, stating the cause of the absence. The written excuse is taken to the principal who will issue an absence slip permitting the pupil to attend classes. Pupils absent from school shall make up all work in written form, which must be checked by the teacher who will then sign the absence slip. All absence slips must be turned into office on date indicated by principal.
3. Any pupil who shall leave the school before the hour of dismissal without the consent of the principal, thereby suspends himself and cannot enter class until reinstated by the principal.
4. Any pupil who is absent from school without consent of his parents or guardian or who finds himself tardy and returns home or elsewhere instead of reporting to school shall be considered truant.

Hall Passes

A hall pass is obtained from the teacher in charge of a room, permitting a pupil to leave the room. This pass must be shown to hall monitors.

Authority Of School

Pupils are subject to the rules and regulations of the school while coming to or going from school to their homes.

Use Of Tobacco

The use of tobacco in any form by pupils while at school or under immediate jurisdiction of the school is prohibited.

Habitual Neglect Of School Work

Pupils habitually neglectful of their school work or the rules of the school may be suspended by the principal and reported to the Board for expulsion to the Juvenile Court of the County.

Use Of Phone

No pupils shall be called to the telephone or be permitted to use the phone during school hours except in cases of urgent necessity. The high school phone number is 5195.

Contagious Disease

No pupils infected with any contagious disease will be permitted in school

Care Of School Property

Any pupil who injures any school property, including books, will be liable for the repair of such damage and shall pay for it in full.

Injuries To Pupils

The Board or school is not financially responsible for injuries which may occur to pupils in school or while a member of an athletic squad.

Detention After School Hours

Pupils may be detained after school for disciplinary measures or to make up work. Such pupils are to remain with the teacher making the assignment.

Assembly

Students should walk quietly to and from the other building. Drivers of cars are not permitted to take riders.

The seats in the auditorium are numbered and each student will be given an assigned seat. As soon as you arrive, go to your assigned seat and remain there quietly until the program begins.

Tardiness

Any student who is not in his scheduled class by the last bell is considered tardy. He must obtain an excuse from the principal before entering class.

Fire Drills

Fire drills are given to familiarize the student body with safety measures to be practiced in the case of fire or other emergencies. Rooms 5, 9 and 4 use west front exit. Rooms 3, 8 and 7 use east front exit. Rooms 1 and 2 use rear exits.

Tuition

For students living outside of the Worthington, Sharon, and North Perry School Districts a tuition fee is charged.

Authority Of Custodians

The custodian of the school has at all times the same authority as the teachers.

Use Of Automobiles

Automobiles should be driven at a reasonable speed at all times. Cars should be parked at the sides of the building, leaving the front driveway clear.

Schedule Changes

Pupils desiring schedule changes must see the principal during the first two weeks of school.

Part Time Work

Pupils desiring part time work must have permission from their parents or guardians. They must do work satisfactory to the principal.

Vacations

Three vacations are scheduled for the school year. They come at Thanksgiving, Christmas, and Easter time. The Thanksgiving recess consists of Thanksgiving Thursday and Friday.—Christmas vacation usually begins a week before Christmas and continues until the day after New Year's. Easter vacation includes the Thursday and Friday before Easter and the Monday after it.

Home Visits

During the school year teachers make a minimum of thirty-six home visits. We endeavor to maintain a close contact between parents and the faculty in order that we may approach the fullest development of the student.

THE DAILY TIME SCHEDULE
