Leadership Worthington's Mission

Leadership Worthington seeks to identify individuals from all sectors of the community and inspire in them an appreciation of our past, our present and our potential. Its mission is to expand the horizons of today's leaders and to provide opportunity and training for tomorrow's leaders. Only by fully developing our human resources can we expect the community to grow and prosper for the benefit of all.

Leadership Worthington's fifth graduating class is pictured within this directory. Many of these emerging community leaders—and the 80 program alumni from 1991-1994—already are well established as volunteers, mentors and officers of community organizations. If your organization needs enthusiastic, experienced leaders, contact an alumnus of Leadership Worthington through the alumni phone directory on page 15, or by contacting Executive Director Judy Barnhart for a referral.

WORTHINGTON COMMUNITY LIBRARY,

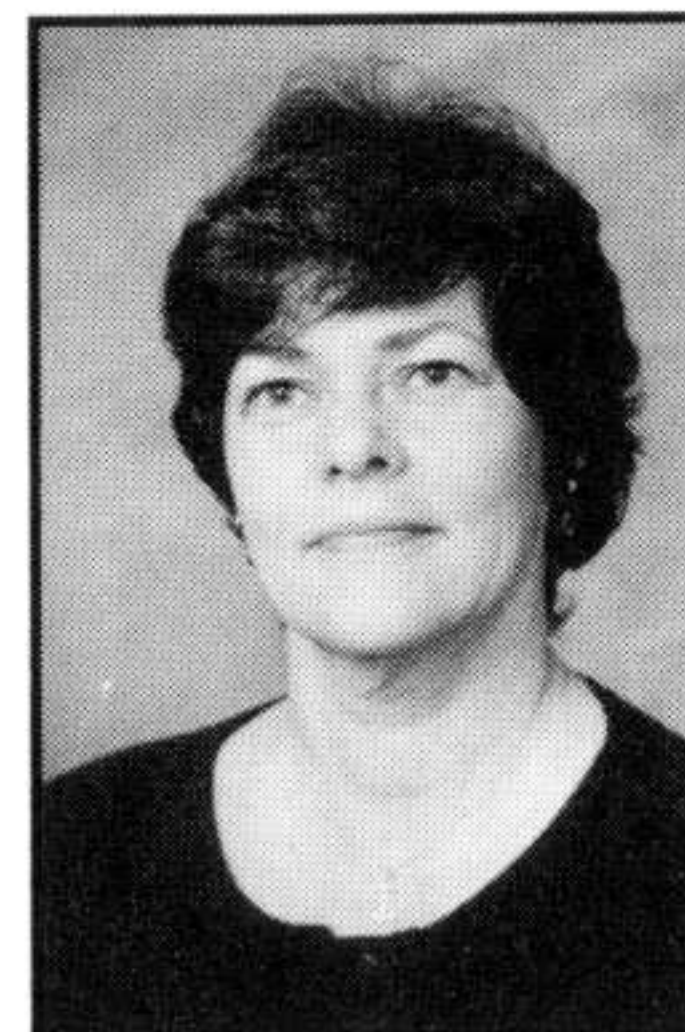

Leadership Worthington ... Where "People Make the Difference"

A welcome from Executive Director Judy Barnhart

Welcome to a program where some exemplary people truly do "make the difference." As directed by our mission (on the facing page), Leadership Worthington looks to all sectors of our community to identify these individuals, and through a nine-month program works to inspire in them an appreciation of our past, our present and our potential.

Leadership Worthington strives to:

- be a partner with community organizations;
- build leaders through development of leadership styles and an understanding of skills;
- provide Worthington with a strong volunteer base for the community's future;
- broaden each participant's knowledge of Worthington's activities, needs and growth;
- provide a network of existing and emerging leaders; and
- ensure an understanding of the issues and resources specific to the Worthington area.

A member of the Ohio Association for Community Leadership, Leadership Worthington was established in 1989 as a cooperative venture of the Worthington Schools/Business/Community Partnership Council and the Worthington Area Chamber of Commerce. Each graduating class is represented on the board of trustees, along with a broad representation of community leaders.

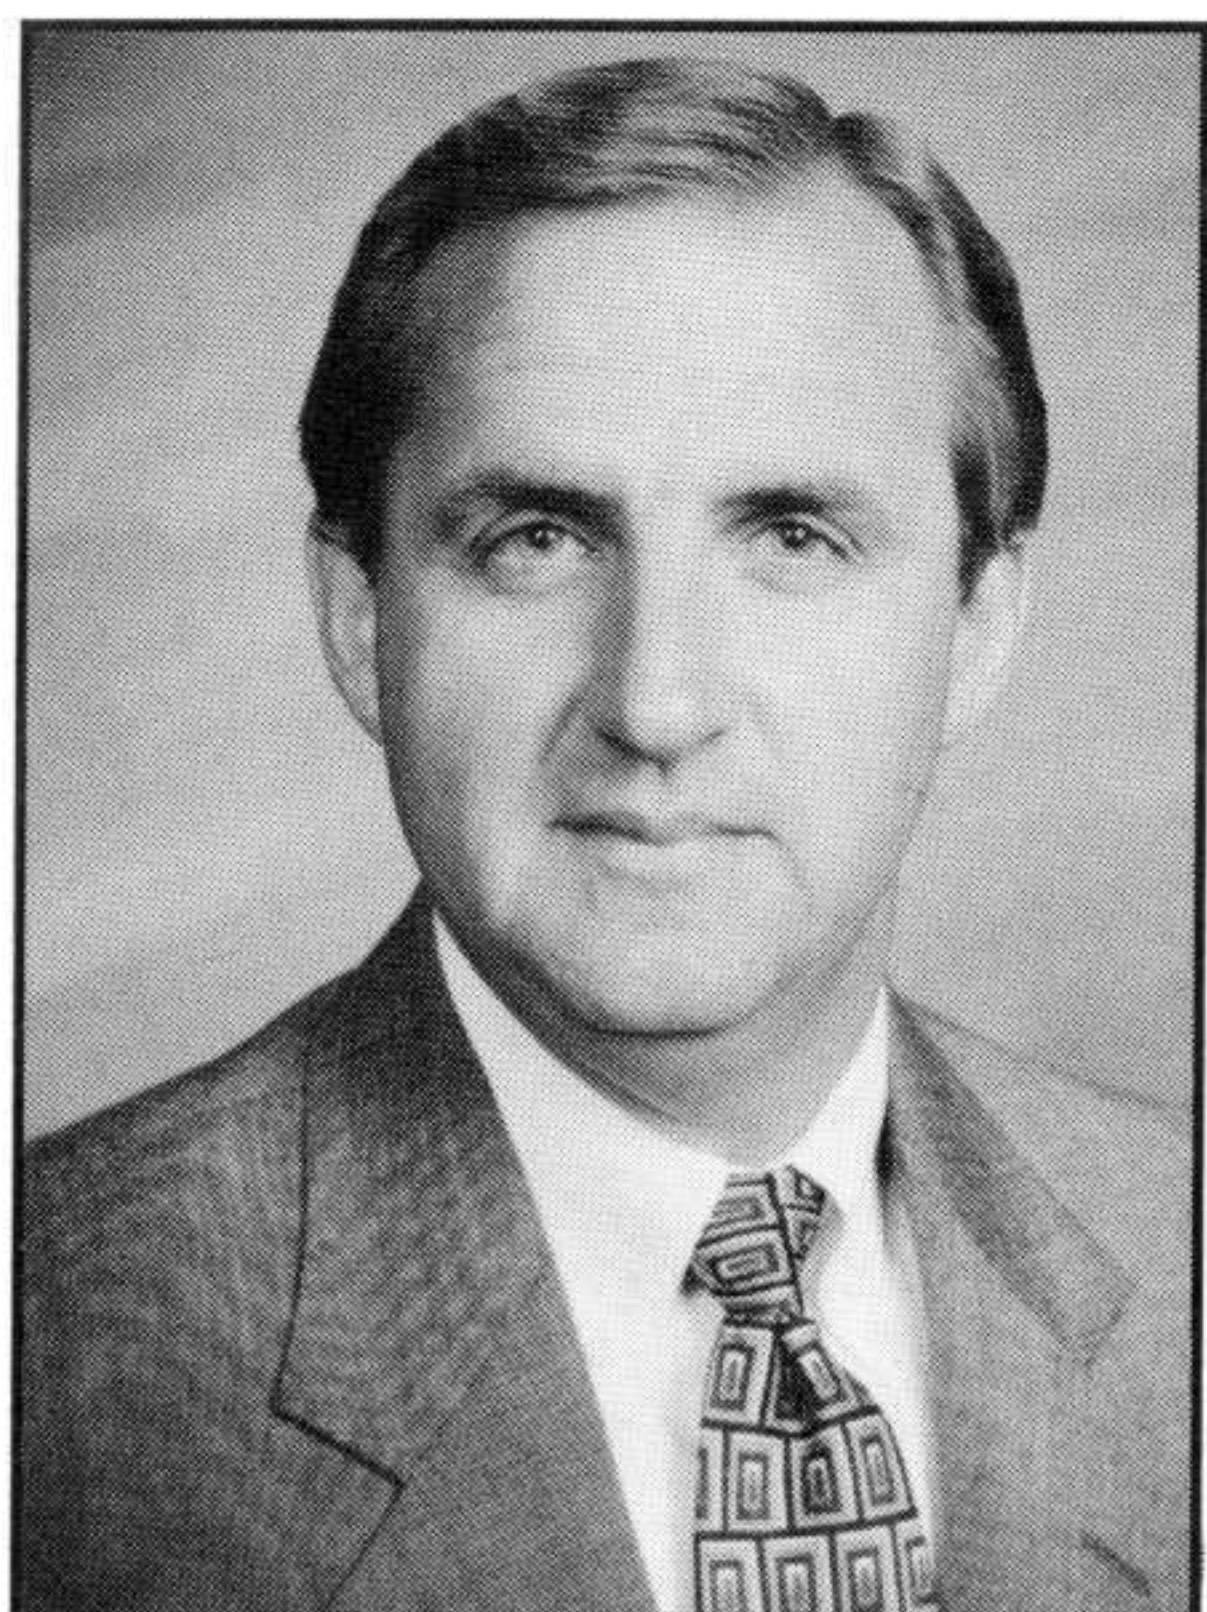

The program's carefully designed classes address:

- personal leadership skill development, including self-assessments, effective small group communication, public speaking and team-building;
- Worthington history and cultural heritage;
- municipal structure and issues;
- the Worthington public school system;
- human services and community volunteerism;
- multi-cultural issues; and
- the business community.

Nearly 100 graduates of the course have developed 28 group projects which directly benefit the community. One ongoing project is Service Day. Hundreds of volunteers take part in this annual community service event each April. Teams of alumni and class members, service clubs, corporations and students paint, pick up trash, run errands and do other odd jobs to assist needy residents and beautify the community. Individuals who volunteer their services collect pledges from family members, friends and co-workers.

You, too, can help "make a difference." Please write to me at 752 High St., Worthington, OH 43085, or phone 898-2390, for more information about:

- participating in a Leadership Worthington class;
- sponsoring a candidate;
- providing in-kind services, or lending facilities for a class session;
- making a donation; or
- participating in Service Day.
