Leadership Worthington's sixth graduating class is pictured within this directory. Many of these emerging community leaders—and the 101 program alumni from 1991-1995—already are well established as volunteers, mentors and officers of community organizations. If your organization needs enthusiastic, experienced leaders, contact an alumnus of Leadership Worthington through the alumni phone directory on pages 21-22, or by contacting Executive Director Judy Barnhart for a referral.

"People Make the Difference" in Forging the Leadership Worthington Tradition

In a community rich with history and heritage, an exemplary group of individuals has forged a new Worthington tradition during the past six years.

Each spring as the Village Green and other "signature" areas of Worthington are revitalized and renewed by nature, an emerging group of leaders — graduates of the nine-month Leadership Worthington program — does the same thing for the character of our community. To date, the program has groomed 130 women and men who live and/or work in the Worthington area to continually replenish our supply of community leaders by assuming current and future leadership positions.

Just before graduation — typically, during National Volunteer Week — this group and other volunteers complete another restoring and renewing activity: Leadership Worthington Service Day. Encouraged to join Leadership Worthington alumni and class members for a day of volunteer work, students and adults from service clubs and corporations pool their resources to clean and paint, assist elderly residents with household chores and errands, pick up trash, and tackle a variety of tasks to beautify the community and serve those in need. Volunteers collect pledges from family members, friends and co-workers.

Both activities advance the mission of Leadership Worthington (above), set by its founding board of trustees in fall 1989, when the program was launched as a

Our Mission

Leadership Worthington seeks to identify individuals from all sectors of the community and inspire in them an appreciation of our past, our present and our potential. Its mission is to expand the horizons of today's leaders and to provide opportunity and training for tomorrow's leaders. Only by fully developing our human resources can we expect the community to grow and prosper for the benefit of all.

Adults and students team up as volunteers in the annual Leadership Worthington Service Day.

cooperative venture of the Worthington Schools/Business/Community Partnership and the Worthington Area Chamber of Commerce. The current board of 30 has representation from each of the past Leadership Worthington classes, as well as leadership from the community at large.

The Program: Honing Personal & Partnership Skills

Coordinating the Leadership Worthington program and its related activities is Executive Director Judy Barnhart, a professional consultant experienced in training and development, fund raising and organizational management. Judy represents Leadership Worthington on the Ohio Association of Community Leadership and facilitates our partnership with other community organizations.

Participants in Leadership Worthington attend a series of carefully designed classes which address such topics as:

- *personal leadership skill development, including self-assessments, effective small group communication, public speaking and team-building;*
- *Worthington history and cultural heritage;*
- *municipal structure and issues;*
- *the Worthington public school system;*
- *human services and community volunteerism;*
- *multicultural issues; and*
- *the business community.*

Leadership for a Lifetime Award winners ride in Worthington's annual Memorial Day Parade as part of their recognition. The 1994 winners are pictured here. 1996 winners are announced on page 15.

Class projects are lasting and meaningful contributions to the community. Here four 1995 Leadership Worthington graduates promote the senior health fair they planned as their class project. This year's class projects are detailed on pages 16 and 17.

Class Projects: Legacies of Leadership

As part of their Leadership Worthington experience, program participants develop group projects which directly benefit the community. Leaving lasting legacies, many develop informative publications, examine community problems, or launch ongoing programs. Leadership Worthington Service Day began as a class project and has continued as a tradition of leadership.

Another ongoing project developed by class members is the annual Leadership for a Lifetime Awards program, in its third year. With the sponsorship of Leadership Worthington, the Worthington community annually recognizes two adults, a senior high student, a middle school student and an elementary school student for exemplary community, school and organizational leadership. Awards are conferred at Leadership Worthington's Service Day. Each honoree's name is engraved in a brick which paves the walkway to Worthington's Municipal Building, giving lasting recognition to special individuals who are committed to a lifetime of leadership.

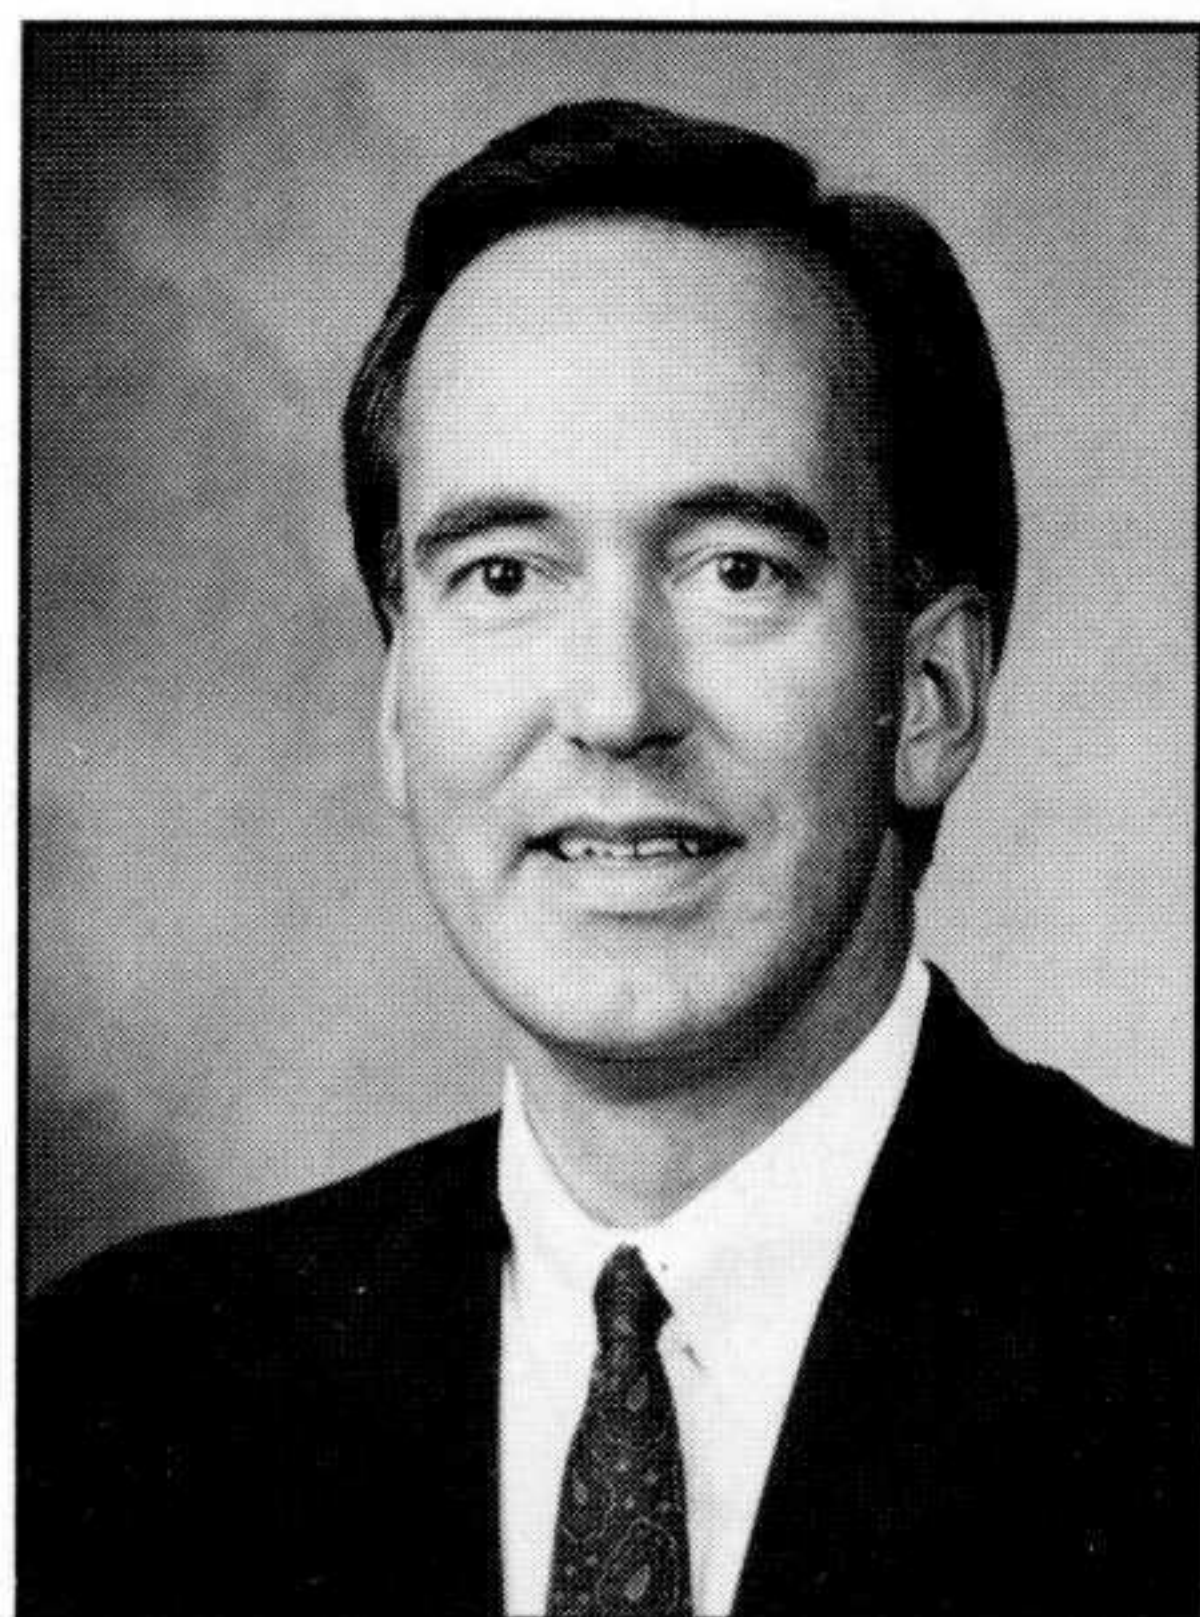

You, Too, Can Make a Difference. Here's How:

You can be one of the people who "make a difference," by:

- participating in a Leadership Worthington class;
- sponsoring a candidate;
- providing in-kind services, or lending facilities for a class session;
- making a donation; or
- participating in Service Day.

For more information, contact Leadership Worthington's executive director, Judy Barnhart, at 752 High St., Worthington, OH 43085, or phone 898-2390.

Class Projects • 1996 Graduating Class

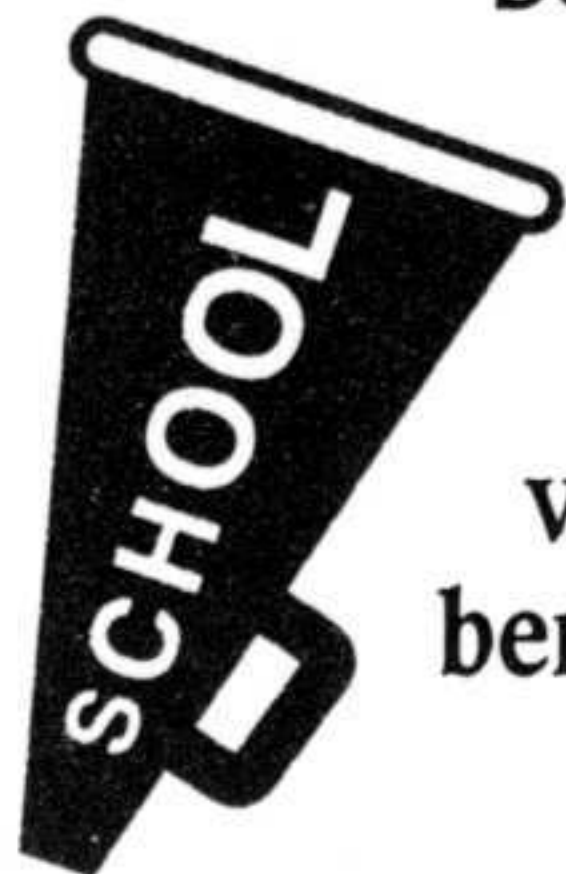

Class projects were presented to the community, Leadership Worthington alumni and trustees, and fellow class members on April 17, 1996.

Outlines and documentation of 1996 and prior class projects are on file in the Community Resource Center at the Worthington Public Library.

Cardinal Pride Day at TWHS

One group of Leadership Worthington class members designed a special day of activities and service projects at Thomas Worthington High School to build team spirit and pride, encourage diversity awareness, foster leadership skills, enhance communication between educators and students, and instill a sense of responsibility. More than 350 students, educators and volunteers are expected to participate in the event in September 1996.

Planning this event are: *Paul George, Kathy Hancock, Larry Klabunde, Mary Landers and Jordy Ventresca.*

Volunteer Resource & Interest Guide

To aid the community in the spirit of voluntarism, project participants in this group outlined specific and viable options for involvement. Civic, educational, cultural and recreational volunteer opportunities will be included in a volunteer resource guide for distribution to the community.

Overseeing production of the guide are: *Rich Anda, Cynthia Dykes, Brenda Hastedt, Veronica Knuth and Jim Sauer.*

Class Projects • 1996 Graduating Class

Grand-Friends Day

Adding to the intergenerational tradition of past Leadership Worthington projects, this activity was scheduled in collaboration with Care After School (CAS), Inc., a nationally acclaimed latchkey program developed and based in the Worthington area. As a prototype for future volunteer activities, project members planned an afternoon linking senior citizens with children in CAS facilities at Worthington's elementary schools.

Completing this project were: *Scott Hrabcak, Diana Lantz, Steve Walter, Katherine Weislogel and Amy Wentz.*

A Rainbow of New Friends

"Pen pals" of different cultures and school systems are now corresponding between Worthington's Liberty Elementary School and Cranbrook Elementary, a Columbus school. Their letters are part of a class project developed as a cultural exchange. As part of this project, students from the two school systems also visited each others' schools for a day. The exchange was designed to help students to understand their similarities and differences.

Designing the exchange were: *Veronica Baldwin, Heather McCauley, Art Richey, Becky Rogers, Magda VanFossen and Steve Weislogel.*

Worthington Home Page

Worthington, welcome to Cyberspace — thanks to a Leadership Worthington project group which sparked the development of a World Wide Web home page for Worthington, as a collaboration with other community organizations.

Launching this effort were: *Jane Chapman, Karen Garvin, Karl Schneider, Jordana Shakoor and Kelly Wegley.*
