NEXT WEEK'S PROGRAM: Yet to be determined!

Ron Pizzuti mailed out a list of program assignments for each member. It is suggested that one start scheduling a speaker well in advance and certainly don't wait until the week before. This practice has been known to cause tension, anxiety, high blood pressure, and other emotional disorders. This week Dwight Moody is suffering through this experience.

The object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST. The development of acquaintance as an opportunity for service;

SECOND. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations, and the dignifying by each Rotarian of his occupation as an opportunity to serve society;

THIRD. The application of the ideal of service by every Rotarian to his personal, business, and community life;

FOURTH. The advancement of international understanding, good will, and peace through a world fellowship of business and professional men united in the ideal of service.
