## LAST WEEK'S MEETING

August 5, 1992

President Dave King opened the 908<sup>th</sup> meeting of the Dublin-Worthington Club. Frank Poston offered the invocation and Wynn Wiksell led the pledge. Vice-President Alan Zink introduced visiting Rotarians and guests. The club welcomed Rotarians from El Paso, Texas, and Studio City, California. Greg Offenburger won the weekly raffle worth \$25; Paul Lydens was the first member to draw for the Big kitty which was worth \$25. The card to match is the Ace [club]. Paul drew the 10 [diamond]. Under the new rules for the raffle, the 10 [diamond] is thrown out of the deck and each week someone draws a new card until some lucky member matches the Ace [club]. The kitty continues to build in the meantime.

### Announcements

Dave King thanked Mike Moulton for his great job on the Rose Sale and reminded members that payments should be turned into Mike immediately to close out the books. Sign-up sheets were passed around for the first time for the September 5 OSU game vs. Louisville. Thirty tickets are available. Cost is about \$22 to include the tailgate party.

### Sergeant-At-Arms

John Bader fined Jerry Tanner for news clippings about him appearing in Business First and The Dispatch; all the doctors in the club for not being included in Columbus Monthly's "Top Doctors" article;

and all August birthday members were asked to share their personal Olympic fantasy and were duly fined.

## Program

Chip Lothes introduced Steve Romaniw who talked about the Kroger Company's efforts to promote recycling. Kroger spends about \$500,000 net annually on its consumer recycling program in Mr. Romaniw's district which covers the area from Toledo to Wheeling, W.Va. He stressed a need to create greater demand for recycled products to continue the progress in this area.
