My fellow Rotarians:

On June 5th, at a special district meeting, our club received a total of 10 awards for the current rotary year, including the district's best club, the best Rotarian ladies' performance, a recognition by The Rotary Foundation and the sister club award, shared with your club. Raimundo, Aymara and Pedro Genaro also received other awards.

We wish to share our joy with all of you and also wish to express our gratitude to the Dublin-Worthington RC for our partnership. We firmly believe that these recognitions are a consequence of our mutual interest in the Barrio Lindo project and the steadily increasing friendship developed over the last years. We hope that our relationship will keep growing in the future.

Rotariamente,

Cesar

Humberto and Jeanlis Arvelo

In addition to being The Club President for 2004-2005, Raimundo was elected District Governor for the year 2007-2008. The newly elected Governor represents the third generation of Governors in the Alvarez family, starting with Raimundo's grandfather Federico C. Alvarez Perello (1953-1954) and following with his father Federico C. Alvarez hijo (1975-1976).
