

WORTHINGTON PUBLIC SCHOOLS

Worthington, Ohio
Kindergarten Report
for
Clyde Riggle

School Year 1961-62

Teacher Mrs. Anadele Krebs

School Evening Street

Dear Parent:

This is the first of many evaluations you will receive from school in years to come concerning your child's progress. These evaluations are intended to be helpful to you in your relationship with the child, as well as to keep you informed regarding the child's adjustment to the school situation.

As you can well realize, it is highly impractical to attempt to evaluate kindergarten progress in the same terms we use in later years. For this reason we use a simplified reporting system.

If you have any question regarding these evaluations, or any other phase of your child's school life, please feel free to contact us.
