Dear Diary,

Well, this morning was the last time I'll ever start an other school year at Worthington High. God run't it? Mother took my picture — how do you like it? I went after Jean Weiler. Mr. Howard was coming after her dad so we rode down with them.

I thought it sure I'd have Mr. Shepherd for home room but I don't — I have Miss Frye.

Bathy, Kitty, Gene, Sis, Bunny are all in there with me. More fun. A new boy, Mack Howard is also in our home room.

I've seen him several times in the library — He seems very nice — I hope I get to know him better. I like all the teachers. Even Mr.
