WHRC SPONSORING PUBLIC FORUM WITH SCHOOL BOARD CANDIDATES

WHRC members and friends will have the opportunity to hear and talk with five of the six candidates for the Worthington School Board on October 8, 1975.

This month's meeting will be held at the State Savings Bank, 6895 N. High (Caren and High), at

DR. GLATT MOURNED

WHRC members were especially saddened by the death Sept. 19, 1975, of Dr. Charles Glatt.

Dr. Glatt, who was a professor of Educational Development at OSU, was slain in Dayton while working on a desegregation plan for the Dayton public schools.

Dr. Glatt, a compassionate and committed man, worked on behalf of deprived and disadvantaged children.

Dr. Glatt spoke before WHRC on January 31, 1973. In his

The five candidates have agreed to present their concerns about Worthington Schools and education in general and to answer questions.

The five who are scheduled to appear are Boyd Ferris, Mark Foley, David Hornbeck, James Lane, and Mark Weidman. A sixth candidate, Abramo Ottolenghi, is unable to appear. Two of the candidates will be elected. Ferris and Hornbeck are attorneys, Foley, Lane, and Weidman are businessmen, and Ottolenghi is a Prof. and OSU.

--FROM YOUR PRESIDENT--

Dear Members,

I will again be serving as your President of WHRC for the coming year, and Richard Macer as Vice-President. We, your board members, hope that you will more actively join with us in the forthcoming programs and endeavors. Your attendance as well as your dues are needed. Our mailing and Post Office box charges continue to rise.

Indeed our hearts have been saddened by the news of the past weeks - the senseless killing of Dr. Glatt, the integration of schools and bussing problems. The many people who are out of work and their need for help also concern us. One of our projects for the year should be helping the Worthington Area Community Service Committee. Don't be one to think that all of our problems here in Worthington have been solved.

I strongly urge you to come to the School Board Candidates' Night. Bring a neighbor or friend with you. Voting is a privilege to choose the people you feel can best do the job that needs to be done - that can best help to accomplish the needs of most people. Be an informed voter.

Hope to see you soon.

Juanita Jones, WHRC Pres.

HELP TRAIN LEADERS

If you can spare some dollars for the United Negro College Fund, you will be helping a grand cause and work. Graduates of UNCF schools are serving in communities all across the country. They are sitting on the highest courts in the land, at the bedsides of sick and forgotten men, in the halls of Harvard, in every walk of life, striving to pass on the fruits of education.
