History and Purpose

Members of the Worthington Circle of the Child Conservation League founded The Worthington Women's Club on May 24, 1932. The objectives of the new club were to promote friendship among members, provide opportunities to participate in organized interest groups and in the social, intellectual and civic affairs of the community.

These objectives continue today. Even though the roles of women are more varied than in 1932, women still need and enjoy a place to relax with friends and pursue interests outside their home and work. Worthington Women's Club offers a wide variety of interest groups to meet that need.

Interest Groups meet monthly. Included are: Art Study, Bowling, two Bridge Groups, Bird Watching, two Book Clubs, Computer Study, Current Events, Golf, Investment Study, Creative Needlework, Evening Group and several luncheon groups.

General Meetings are held at the Worthington United Methodist Church the fourth Tuesday of September, January, February, March and April. These meetings include a guest speaker, a business meeting and a dessert.

The Dedication Ceremony, The Holiday Brunch and the Spring Luncheon / Style Show will be at a location other than the Church.
