You wanted to know what cause to give Miss M—give her the reason that we gave you if you please which you know was that we had a good school to go to. It [unclear word] as good as Miss M—’s seminary and we would be very much pleased to see anyone from W—to come and visit our school, as I have told you all I believe about our leaving school which I can asure [*sic*] you very trifles thing to talk so much about I hope Miss M—and all the rest will be satisfied and hush up about it if they are not father will write to her. tell her if you please.
