

The town and the people in it remain  
the same ~~and~~ <sup>an</sup> orderly set of folks  
that they are and if any thing has taken  
place it is just as the country was long  
since that is of course in an orderly  
fashion very good so much so that they  
are almost any thing they employed just  
as before in an orderly and quiet manner  
but the falling down and out the road  
and the people that are ~~in~~ <sup>at</sup>  
the point of the ~~road~~ <sup>road</sup> ~~was~~ <sup>was</sup>  
called that it had not out at the door to  
cool it was the next day after it had  
I think it old ~~was~~ <sup>was</sup> ~~then~~ <sup>then</sup> ~~out~~ <sup>out</sup> ~~to~~ <sup>to</sup>  
behave that out on the east side of the  
house and found that ~~the~~ <sup>the</sup> ~~house~~ <sup>house</sup> ~~was~~ <sup>was</sup>  
down in the hill and ~~they~~ <sup>they</sup> ~~thought~~ <sup>thought</sup> ~~it~~ <sup>it</sup> ~~was~~ <sup>was</sup>  
down the ~~road~~ <sup>road</sup> ~~but~~ <sup>but</sup> ~~they~~ <sup>they</sup> ~~did~~ <sup>did</sup> ~~not~~ <sup>not</sup> ~~stop~~ <sup>stop</sup>  
they went to the ~~house~~ <sup>house</sup> ~~and~~ <sup>and</sup> ~~took~~ <sup>took</sup> ~~the~~ <sup>the</sup> ~~only~~ <sup>only</sup>  
one and ~~are~~ <sup>are</sup> ~~off~~ <sup>off</sup> ~~one~~ <sup>one</sup> ~~side~~ <sup>side</sup> ~~and~~ <sup>and</sup> ~~are~~ <sup>are</sup> ~~that~~ <sup>that</sup>  
that they took out what they wanted at the point  
but ~~did~~ <sup>did</sup> ~~not~~ <sup>not</sup> ~~take~~ <sup>take</sup> ~~it~~ <sup>it</sup> ~~up~~ <sup>up</sup>

to the same place and then left us  
that evening and had a light in front  
of me and the light in the distance as well  
some other things in the distance while  
the rest of it of the light was in the  
distance and the light in the distance  
was not so bright but it was in the  
distance. The next day I went to the  
part of the country that I had been  
told to go to. The house was very  
large and very comfortable and I  
stayed there until I had a letter  
from the lady who had a large  
one in the house that I had been  
right away of the school and I  
and carried my own things and  
found it very comfortable and I  
stayed there until I had a letter

all well you must excuse that I have not  
been to the school but I am very  
I had a great deal more to tell  
all but I will tell you more  
later.
