INTRODUCTION

We take pleasure in presenting this new Directory, in which we have listed the name of every man, woman and child in Worthington, Riverlea, Park Highlands, and other residents in the immediate vicinity of Worthington.

We have also listed the occupation of the head of each household, the street, and mail address.

* The asterisk denotes those residing outside of the corporation limit of Worthington.

For the benefit of those seeking information we have compiled on another page a directory of all the streets in Worthington, Riverlea, Park Highlands, and Colonial Hills.

The population of Worthington, within the corporation limits, on August 1, 1939 as the census for the Directory was completed was 1420, and for Worthington including the names of 355 citizens listed in the book, who live in the very immediate vicinity of Worthington, and which vicinity may rightfully be called Worthington proper, the population is 1775.
