The students of WHS know that the education they receive is one of the best for preparation of life after high school. The administration and faculty, headed by Principal John W. Hoeffler, apply their wisdom and technique in order that the students may benefit from their years of teaching.

The students can choose their required and elective courses from the broad curriculum provided by the administration. It not only provides for the college bound student, but also helps the student who wants to learn a skill or trade and begin working immediately after graduation.

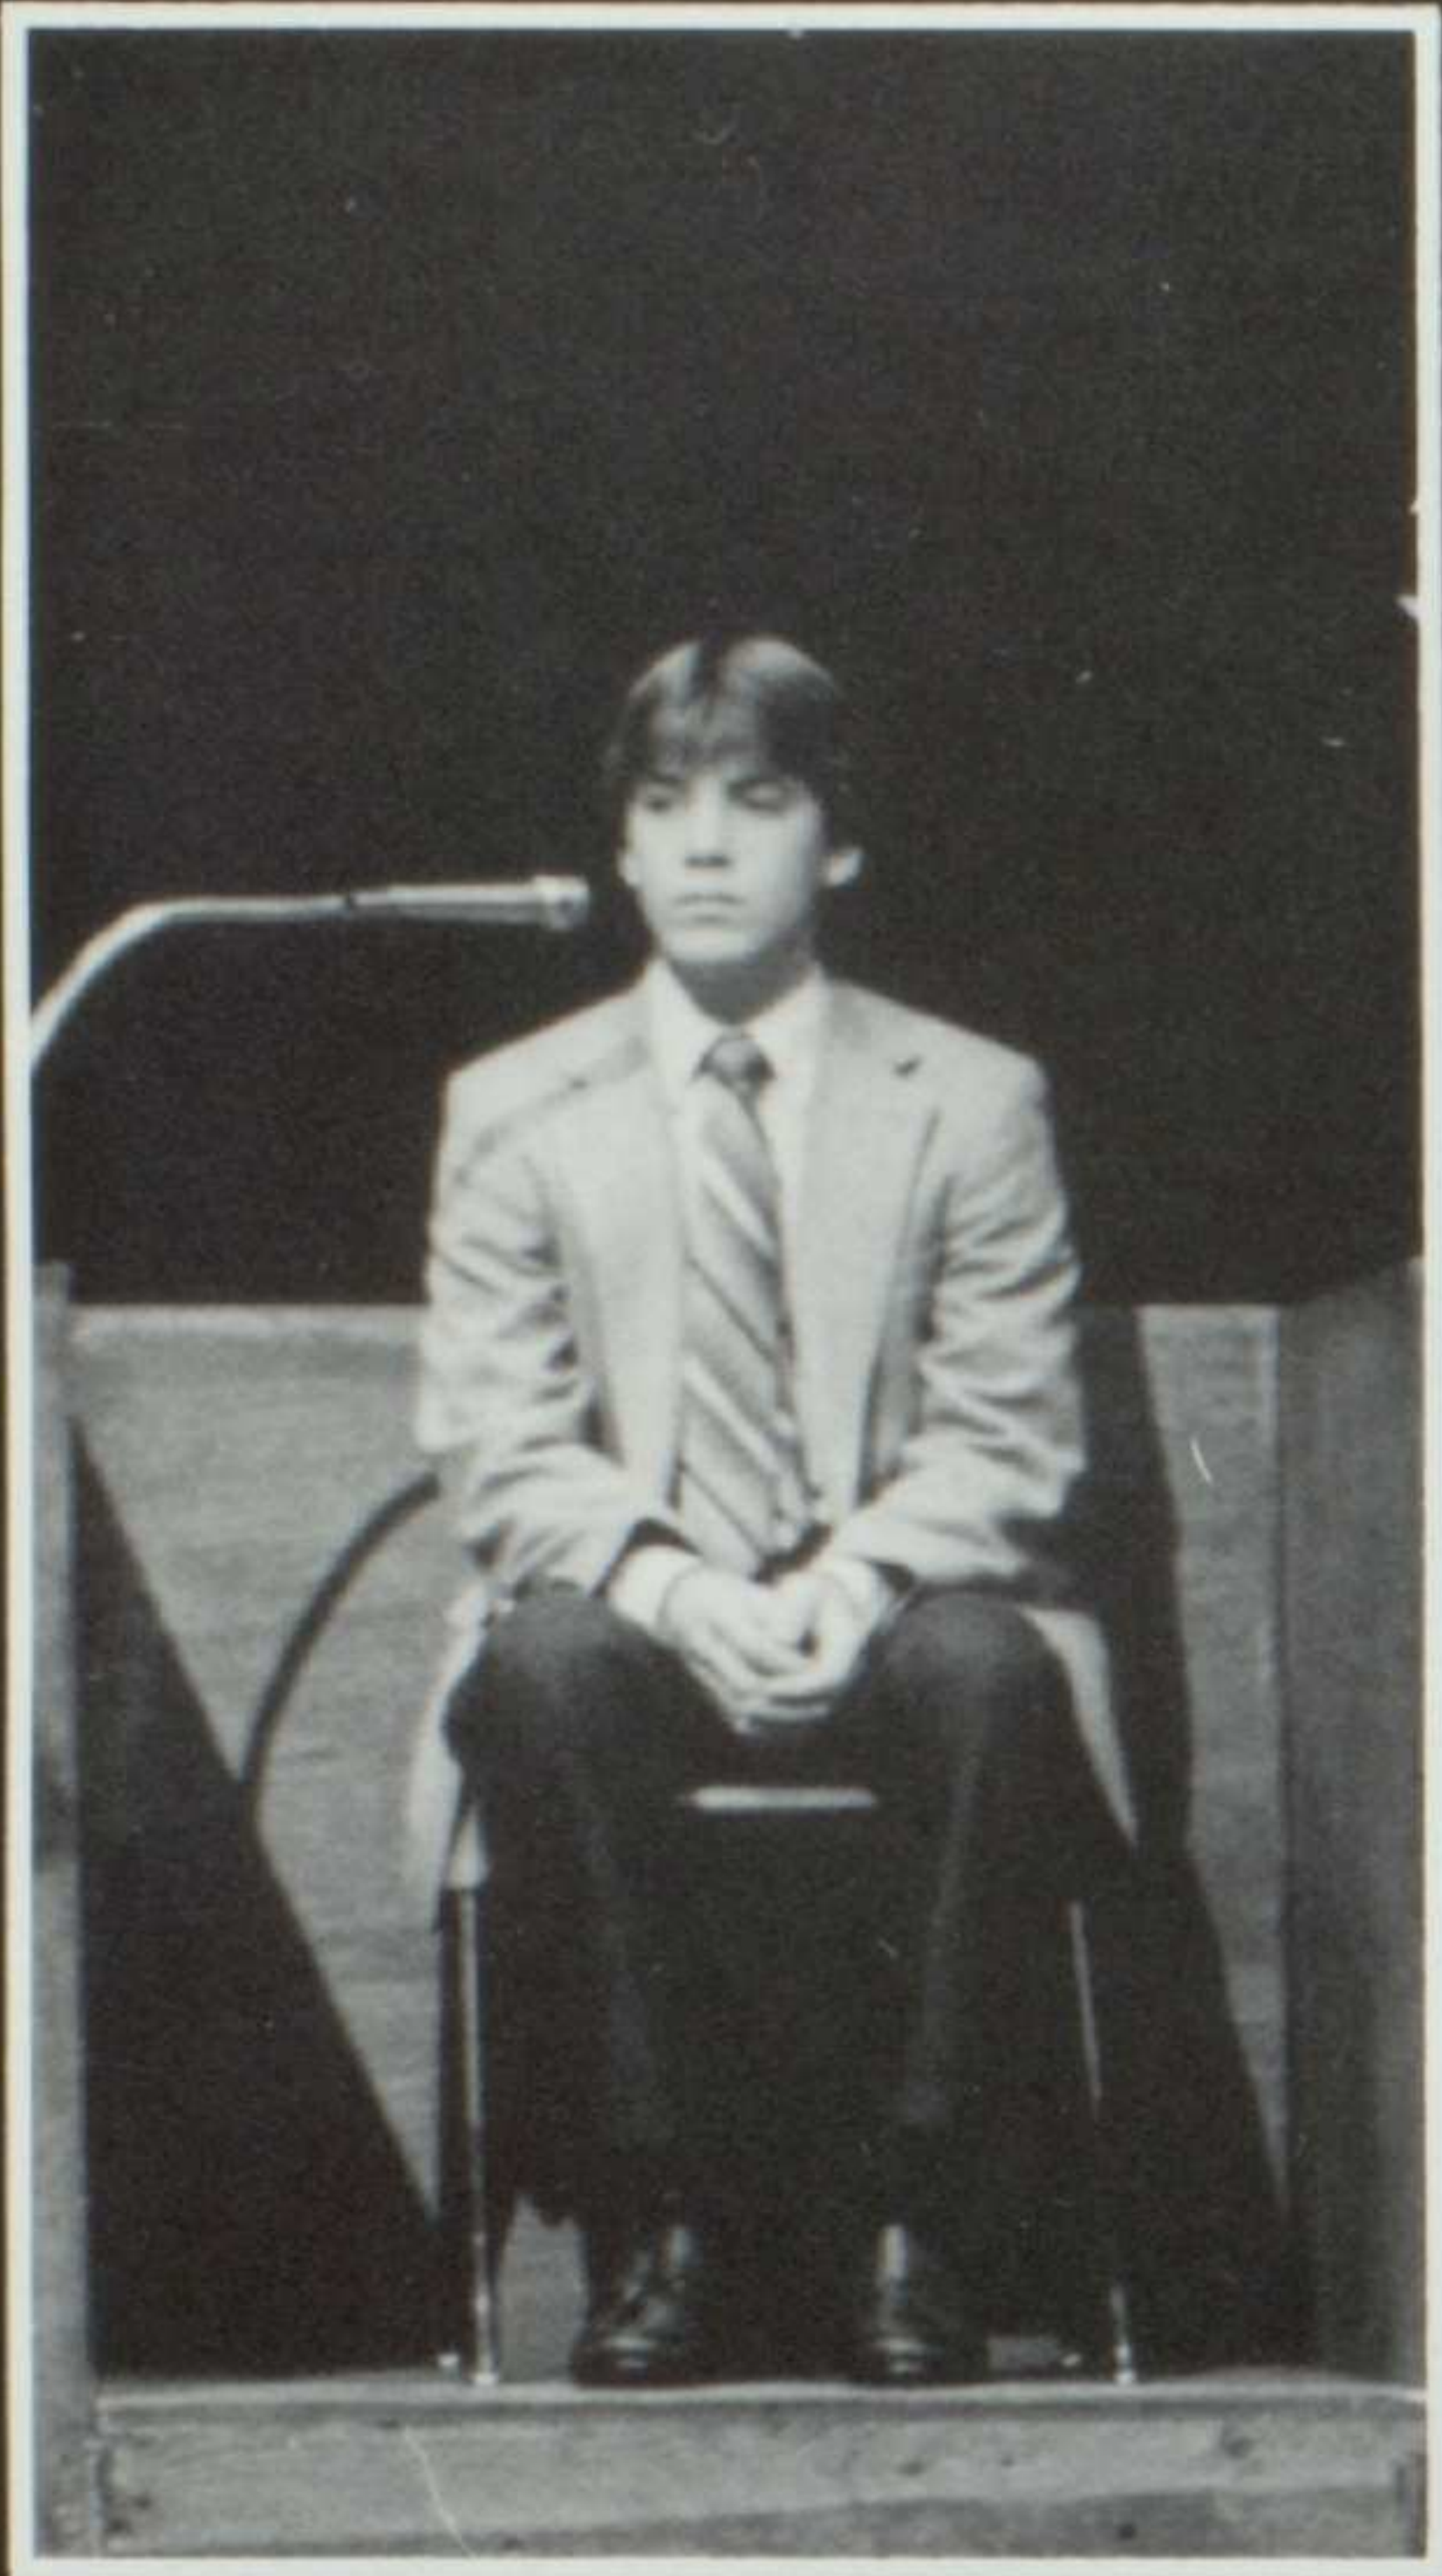

Many students participate in one or more clubs or sports. There is a wide variety of clubs ranging from those that support the athletes to those that study foreign languages. Some students earn awards and are elected to be officers. The tradition of quality at Worthington High School will continue in its students and faculty.

EVENTS

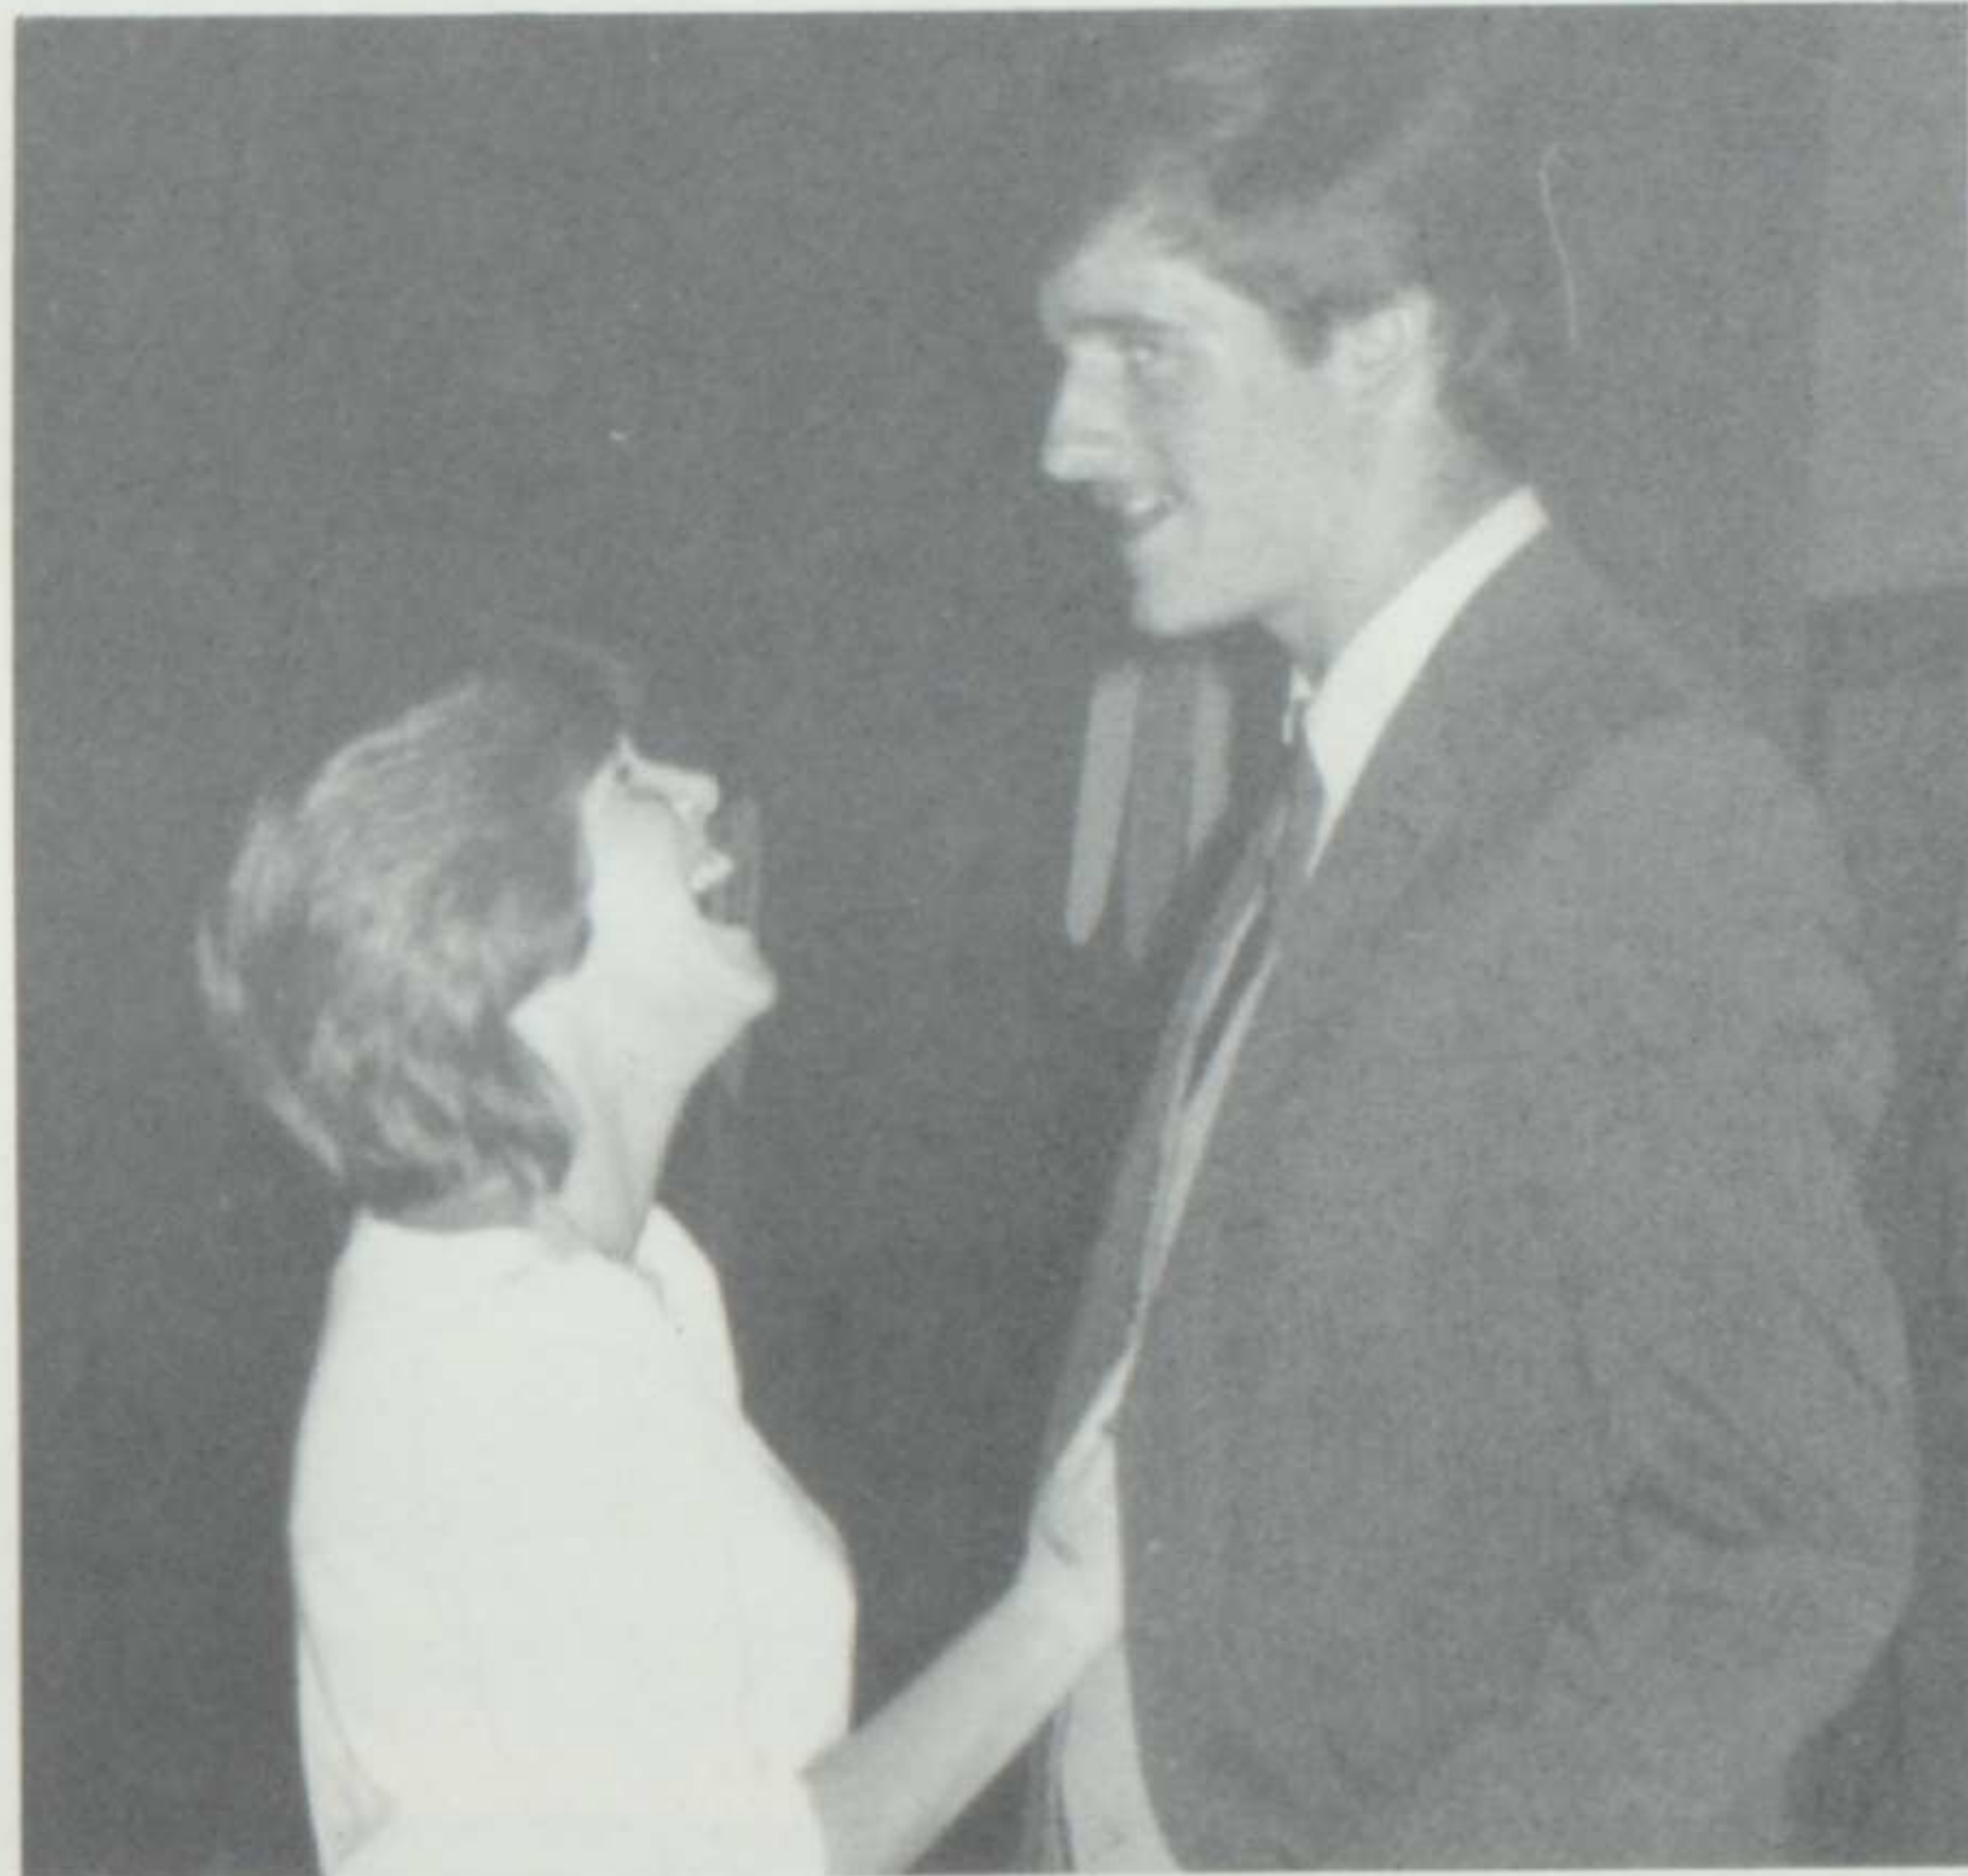

"Cards go out on the Town ..." The theme was evident as the student body lived it up homecoming weekend. It all started Thursday night at the bonfire with the pep rally and announcement of the queen and her court. The reigning queen was Kellie Frederick. Her court consisted of Junior Sandy Jarret, Sophomore Amy Handley, and Freshman

ue their winning streak. The walking parade was a success from the A.P.'s big red lobster to the winning cardinal knight presented by the Juniors. Saturday the stage was set with the annual homecoming dance that evening. Alumni Mark Sutherland of WNCI was the D.J. for the evening. The hard work paid off and homecoming 1983 provided to be a fun-filled weekend for all involved.

Friday night our football team defeated Groveport to contin-

On November 7, 1983, the Junior and Senior girls met on the football field to play the sixth annual gridiron clash known as the Powder Puff game. Junior captains Stephanie Schupp and Vanessa Hastings and Senior captains Deanna Sunday and Megan Demko organized their teams. With the aid of football players as coaches, they practiced for the event, which was probably the roughest Powder Puff game in W.H.S. history.

The day of the game created a

great deal of excitement and vengeance between the two classes. The Seniors harassed Junior players and coaches as they arrived at school, while the Juniors tore down a few Senior banners. This hostility was soon taken out on the field. Both teams inflicted numerous bruises on each other, as well as a few more serious injuries. When the game was finally over, the scoreboard showed an unprecedented fact: The Juniors had surprised the Seniors and pulled off a tie, with each side

having fourteen points. Jill Hitt scored all the Senior points; Venessa Hastings and Denny Duff accumulated the Junior points.

Traditionally, the proceeds from the gate are donated to a charity chosen by the players, and so the American Cancer Society received \$918.91, the most ever raised by a Powder Puff game.

Once again the thespian fall play was a resounding success. This year's production of "You Can't Take It With You" was full of good times for everyone.

This eccentric play not only displayed the talent of the actors, but the knowledge and skill of the technical crews and directors. Much thanks should go to Mrs. Hopton, Mr. Scowden, Mr. Haney, Miss Hottenroth, Marianne Hyland, and Soni Weagle. Their time and effort made this production a success.

Approximately a month before the Mock Trials, students in Miss Shirley Nault's personal law classes take a day out from their normal lessons to decide who will be the members on each of the many committees needed to prepare for the Trials. Everyone participates in one committee or another. From then on it is, "You're on your own kid!" Miss Nault provides some assistance but for the most part,

all the work comes from the students themselves.

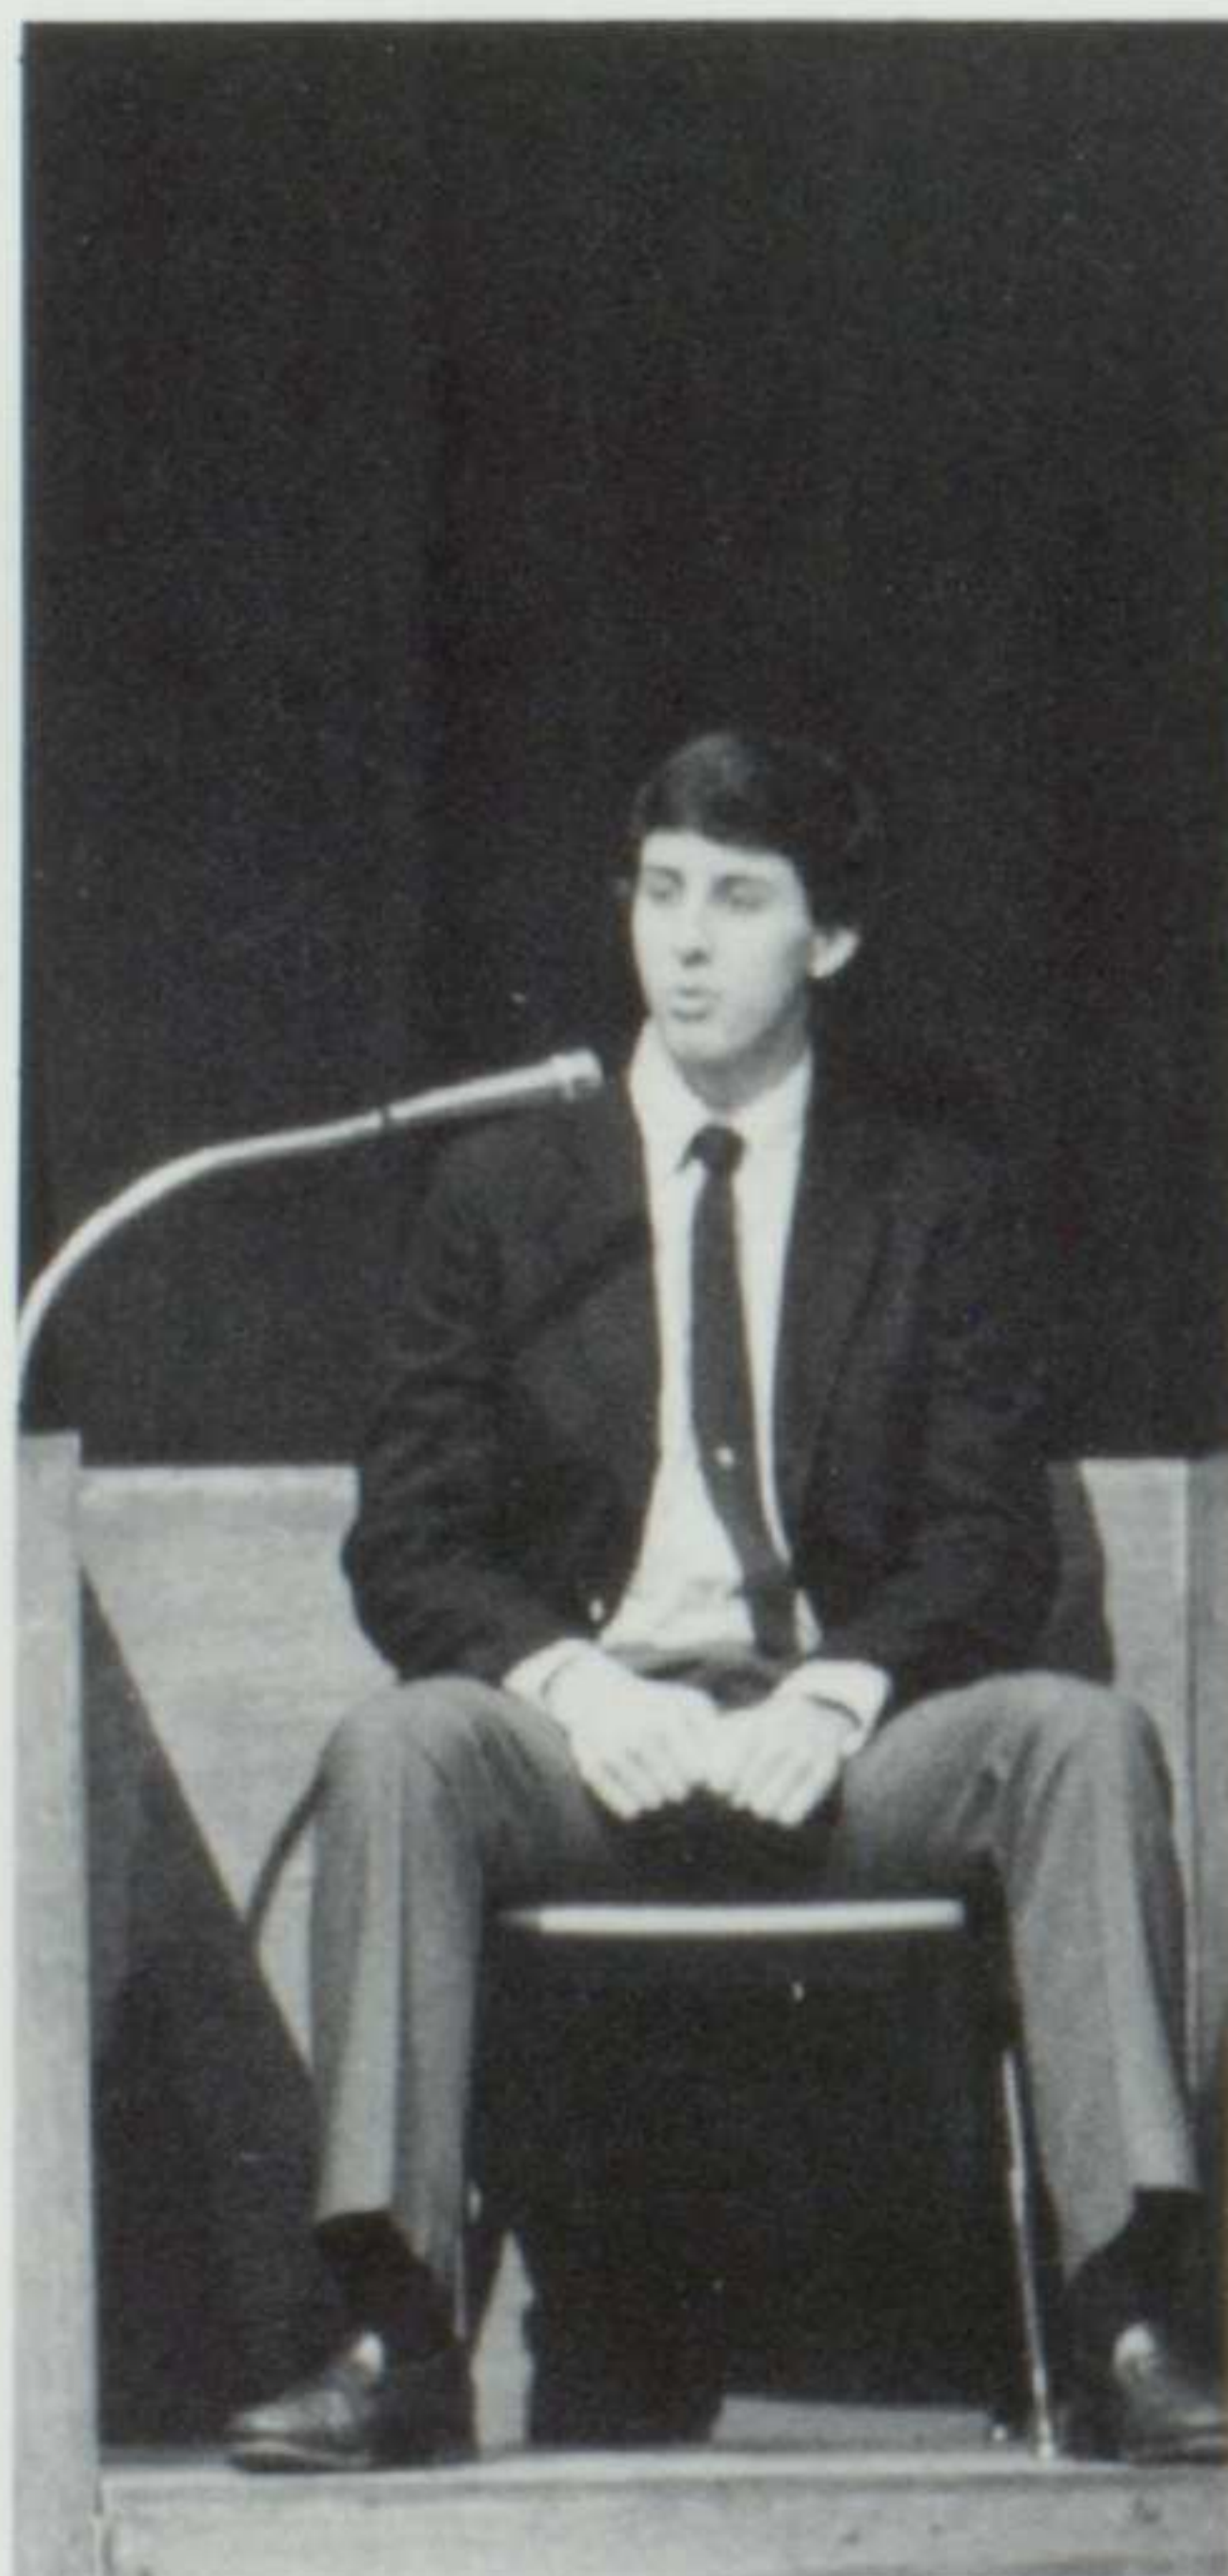

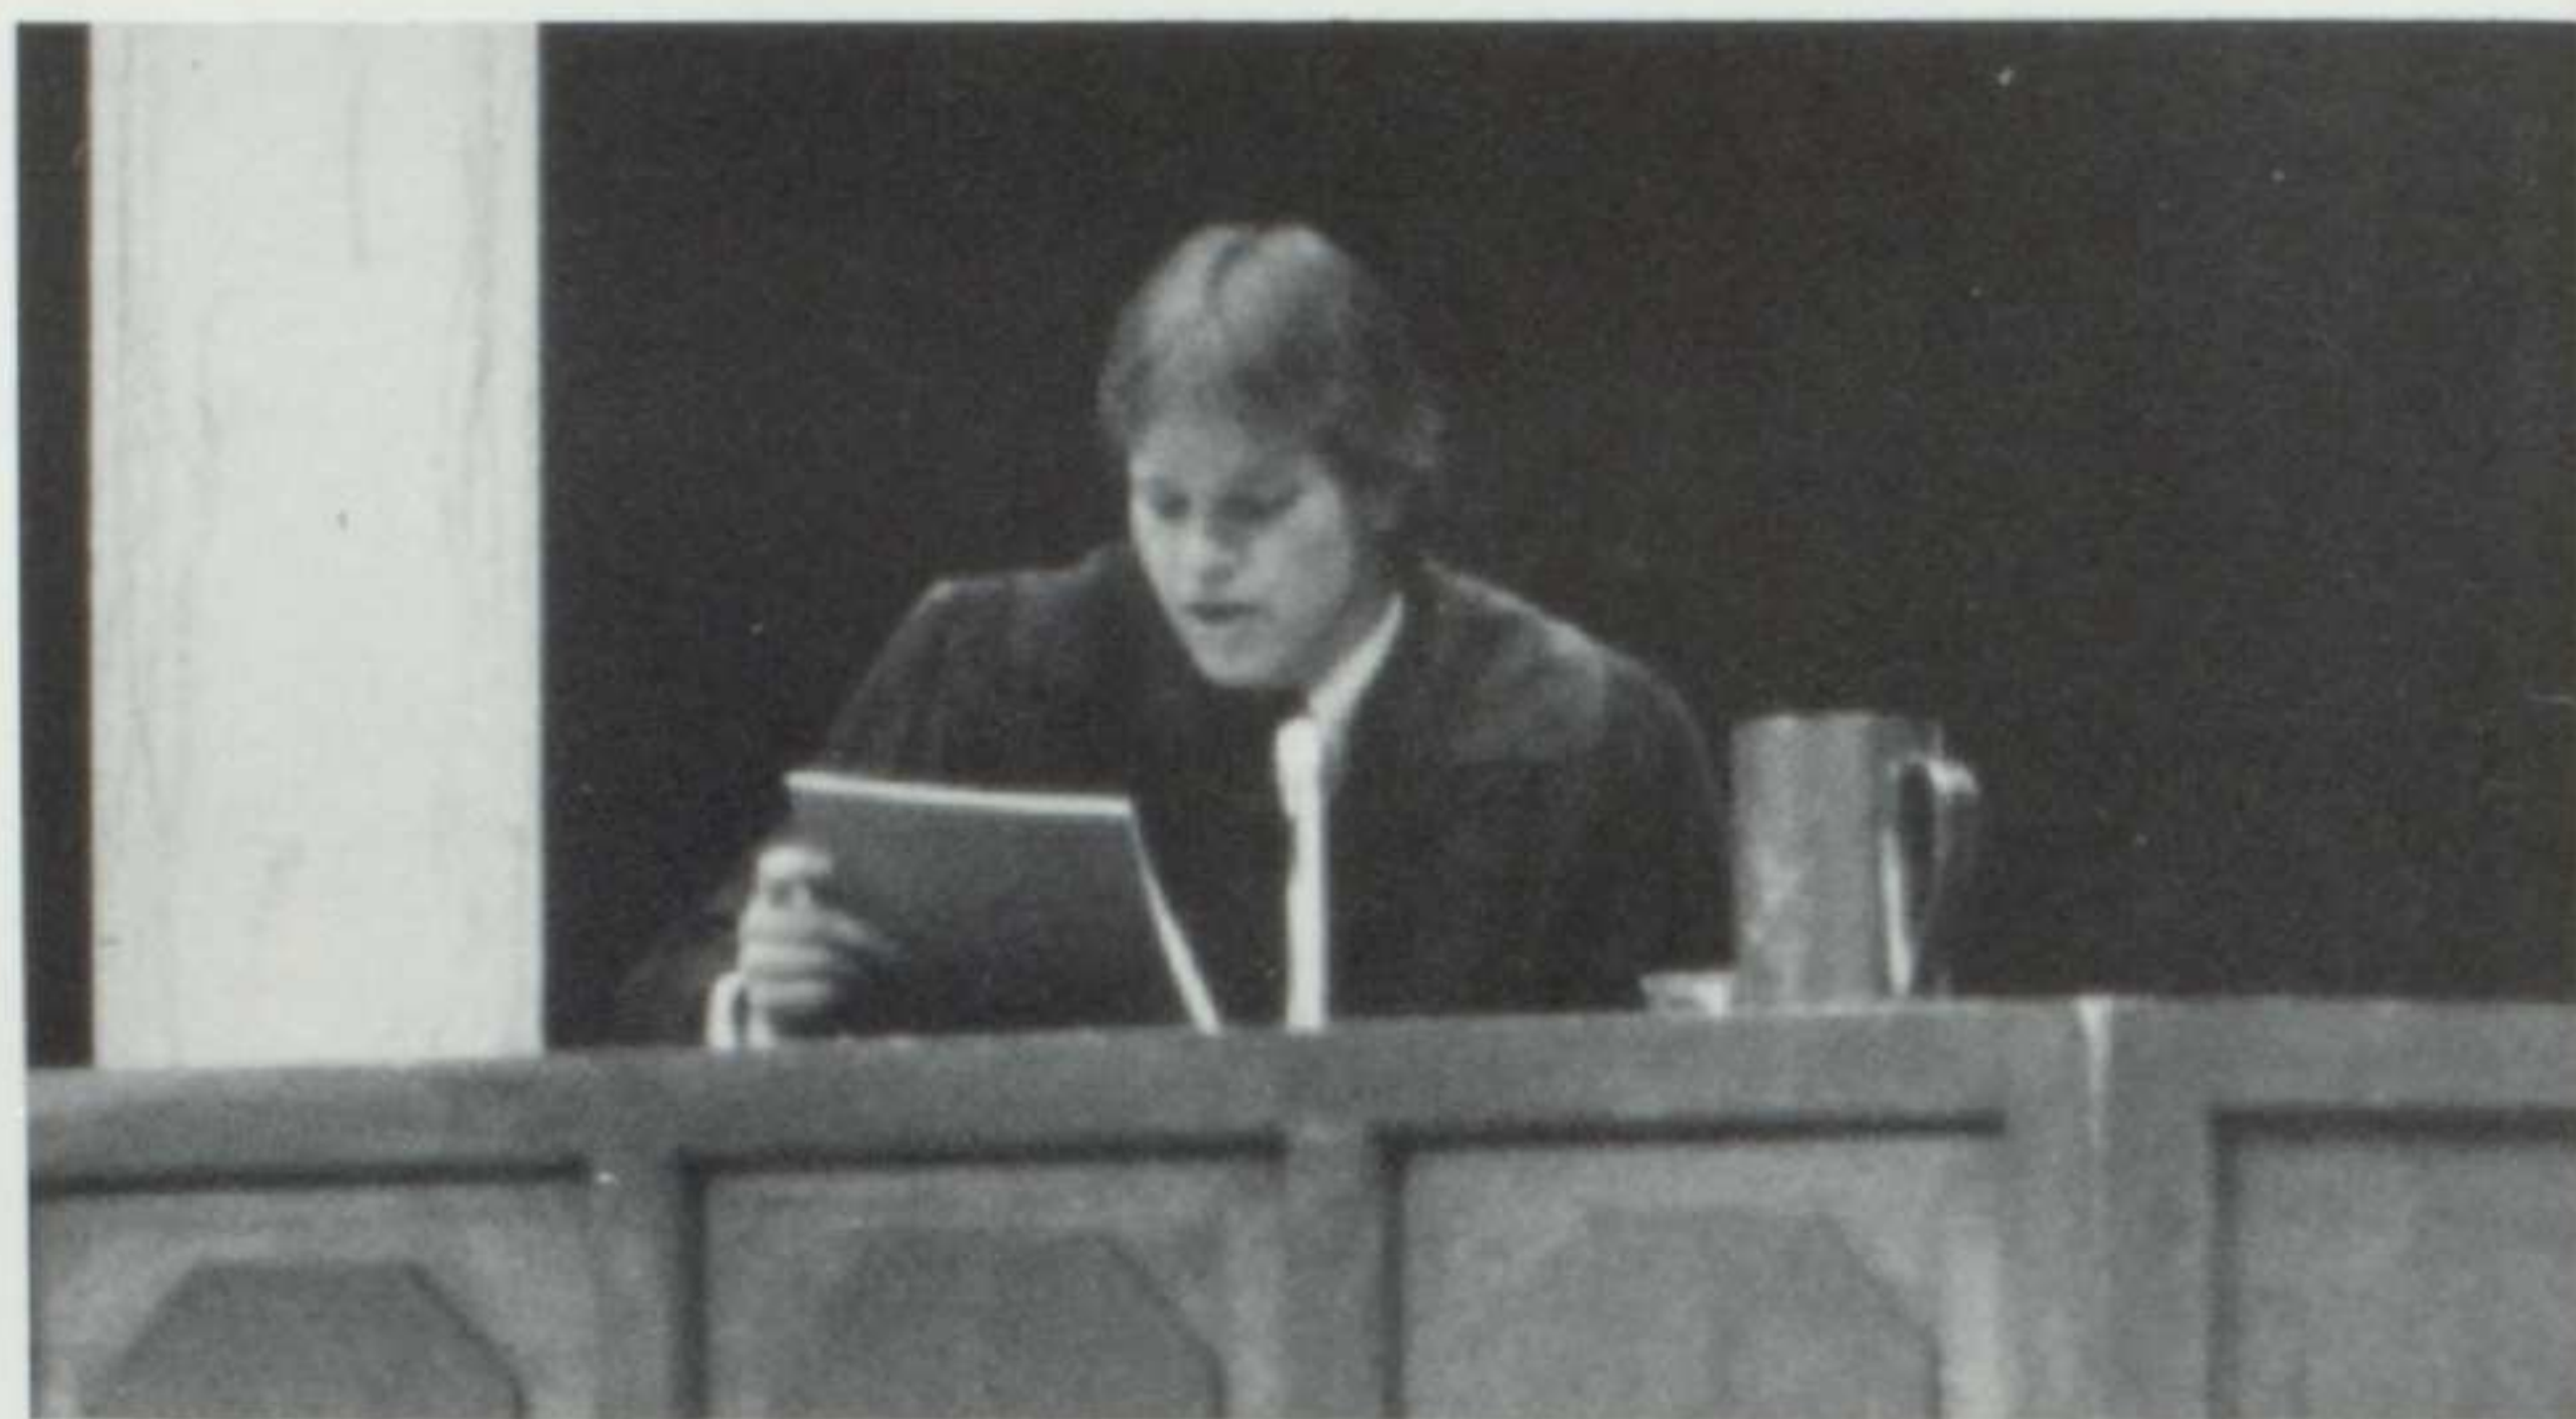

First, students nominated each other for positions in the 1983-1984 Mock Trials. After the election committee spent a busy night organizing the nominations into some semblance of order, the students elected those whom they thought would do the best job.

Next Miss Nault handed out

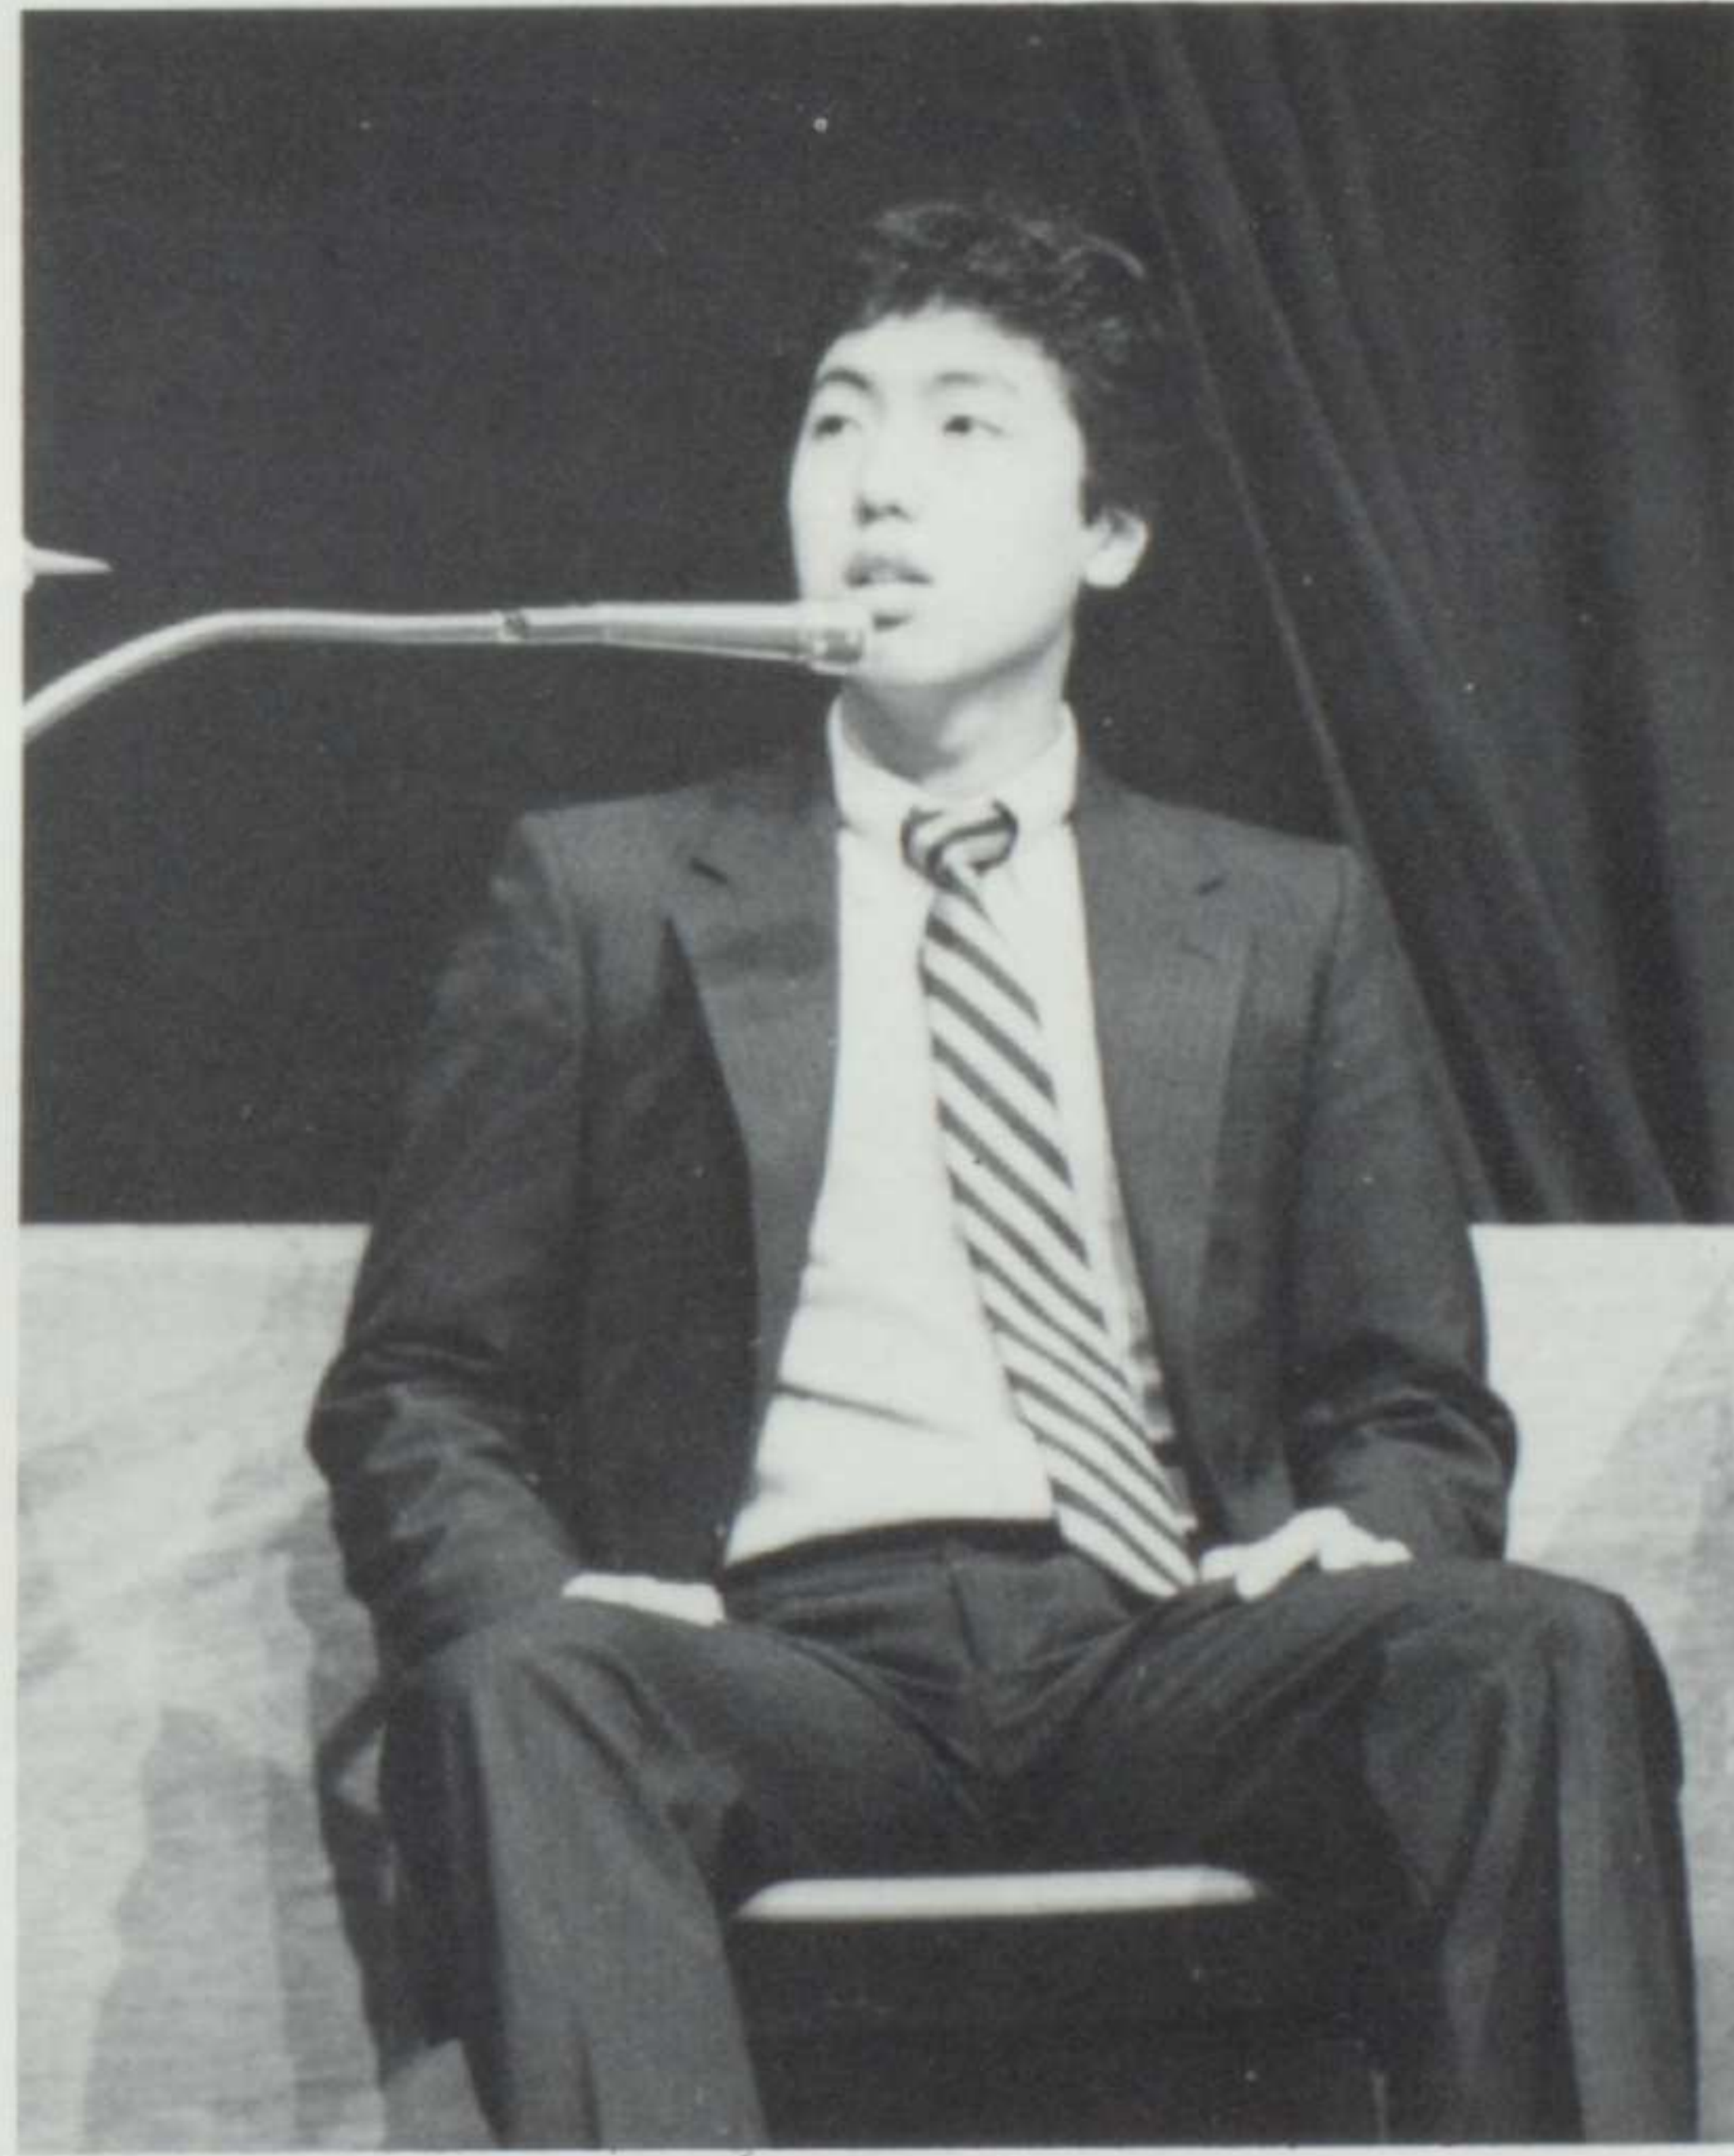

the sealed cases, not to be shown to or discussed with anyone outside their period or with legal council, under penalty of removal from participation in the Mock Trials. The attorneys, judges, and witnesses then had one week in which to prepare their arguments and decide the crucial issues of the case. During that week, no law student was allowed to cut, miss, or be late for any reason to any class. This also was un-

der penalty of removal from the Trials.

The students of Miss Nault's classes deserve congratulations for the monumental amount of work they had to accomplish. An additional congratulations are due to Miss Nault, for her excellent teaching amply prepared her students to succeed in this endeavor.

Press Your Luck At The Winter Carnival

Years' ago the different clubs and organizations of WHS came together to think of a great money making event that would be a good service project at the same time. What they came up with was the Winter Carnival. This event would be filled with games and prizes for the youngsters of Worthington.

nival, which was held February 4, was a success. Many of the WHS clubs and organizations participated. Such events as the M.G.A.'s obstacle course, the yearbook's ping pong toss for gold fish, and the junior class' pie throw were big money makers. It was fun and excitement for the children as well as the clubs and organizations present.

Again this year the Winter Car-

For the fifth consecutive year, WHS has participated in an exchange program with the city of Caen, located in the Normandie region of France. This program, open to upper level French students, provides a three and one half week stay in France, during which the Americans learn to live in a country different than their own.

Leaving in early February and accompanied this year by French teacher Miss Armitage, the Americans arrived in Paris.

Four days of sight seeing in and around Paris was the debut. Afterwards, the Americans boarded the train for a two and one half hour ride to Caen whereupon they met their French families. During the next three weeks the Americans learn to live like French, attend a French high school, and see many interesting sights including the WWII D-Day beaches and the American Military Cemetery in nearby St. Laurent.

In April, the French students

arrive in New York City for several days and then continue to Worthington to live like Americans. Many activities in and out of the high school are held for the French.

The Worthington co-ordinator Mr. Ballinger and his counterpart in Caen, Madame Laurent both believe that this program has helped to create a vital bridge between the two countries and at the same time lasting friendships and memories have been established.

WHS Goes Hawaiian

The 1983 Winter Dance was a smashing success. WHS students traded in their suits and ties and dresses and heels, for shorts, sunglasses, Hawaiian shirts, and wild hats. The gym was transformed into a wild beach as the partiers rocked on. The Winter King and Queen were Scott David and Tracy Ritter. The King's Court consisted of Chip Brooks, Scott Collins Mike DeMuth, and Lars Schmidt. The Queen's Court was Sally Blackford, Bethany Jones, Sherry Schlater, Laura Scott, and Mona Sullivan.

Top Middle: Dave and his date have a quiet dance.

Top Right: Two WHS students dance the night away.

Bottom: Beth keeps watch over the dance.

February is often thought of as a girl's dream come true at least here at WHS! Because the Valentine's Dance is Sadie Hawkins, the girls get their chance to ask that special guy. Judging by the huge turnout, many of the girls did just that. Couples arrived ready to dance to the music of Magnum, the band. This year's King of Hearts was Sean Allen. The high school gym was decorated with red hearts, each bearing the name of a couple at the dance.

This year's production of "Guys and Dolls" was a resounding success. The talent displayed by the actors and actresses was truly professional. The large cast was lead by Judy Blackmore who played Miss Adelaide, John Ward (Nathan Detroit), Rich Greene (Sky Masterson), and Diane Boring (Sarah Brown).

The story revolved around Miss Adelaide and Nathan De-

troit trying to pick a wedding date after being engaged for 14 years. The other plot was a bet that took place with Sky Masterson. The bet stated that he couldn't find a "doll" to take to Havana, Cuba. He found one and that "doll" just happened to be Sarah Brown.

The other major parts were played by Phil Haney (Nicely-Nicely Johnson) and Keenan Blanke (Benny Southstreet).

The rest of the cast was made up of the Mission Band, Hot Box Dancers, and the acting chorus.

A big special thanks should go to Joel Haney, Elaine Hottenroth, Bronwynn Hopton, James Scowden, John Fryer, Linda Hopper, Jennifer Clement, Sharon Myers, Beth Haney who spent many weeks working with the operetta.

The National Honor Society members were chosen from among the top third of the junior and senior classes. The induction ceremony was held May 21, 1984. Teachers voted for these students on the basis of leadership, scholarship, service, and character. This year 56 juniors and 33 seniors

joined the 54 previously se-

lected members. National Honor Society strives to recognize deserving students. Unfortunately in WHS it is difficult to choose among so many outstanding people. NHS, on the whole, encourages the development of character in students of Worthington High School.

WHS Shows Their Talent

The 1984 Variety Show was one of the best that there has been in its history. Mr. Fuller and Mr. Riegel put together an incredible mix of acts, from the rock band Blind Ambition, to the classical guitar of Eric Brunskill. In addition were the Alumni Breakers and the infamous Sam Camode and the Four Flushers. The example set by this year's talent will be hard to match in future years.

Above Left: Blind Ambition gives the show a little rock.

Above Right: Michelle Leverenz adds her contribution to the Variety Show.

The Academic Honors Program is a way of recognizing good students. To qualify for academic honors, one must have maintained at least a 3.5 grade point average each semester. Seniors are awarded the gold key; juniors, the silver key; sophomores, the bronze key. This year the banquet was held on April 11, 1984, in the East Ballroom of the Ohio Union. A total of 108 seniors, 75 juniors, and 97 sophomores earned keys.

This year's Children's Play was the "Fabulous Fable Factory". It was about a fable factory that went out of business because they did not have a moral maker. A young girl, Mary (Jill Earhart, Karen Outz), came strolling in one day to the factory and was hired as the moral maker. She and Mr. Aesop (Bob O'Dair, Jack Plotnick) made morals for the ant and the grasshopper, the farmer and the don-

key, and many others. At the end Mary had to decide if she wanted to stay with the factory or go back home. She decided to go home.

This double cast, which consisted of 30 members each, performed this play at each elementary school. The student directors were Susan Booth and Michelle Devine. The piano players were Jill Anderson and Paul Peuffer.

WHS has many traditions, and prom is probably the most popular tradition of all. As advisor Sunny Spung and Co-chairmen Jan Lewis and Stephanie Schupp can attest, the prom takes much planning and support, but the work doesn't get done by itself. Forming ideas and attending

meetings take much time, effort, and enthusiasm. It is obvious that those working on prom committees were highly dedicated because this year's prom was one of the best in recent years.

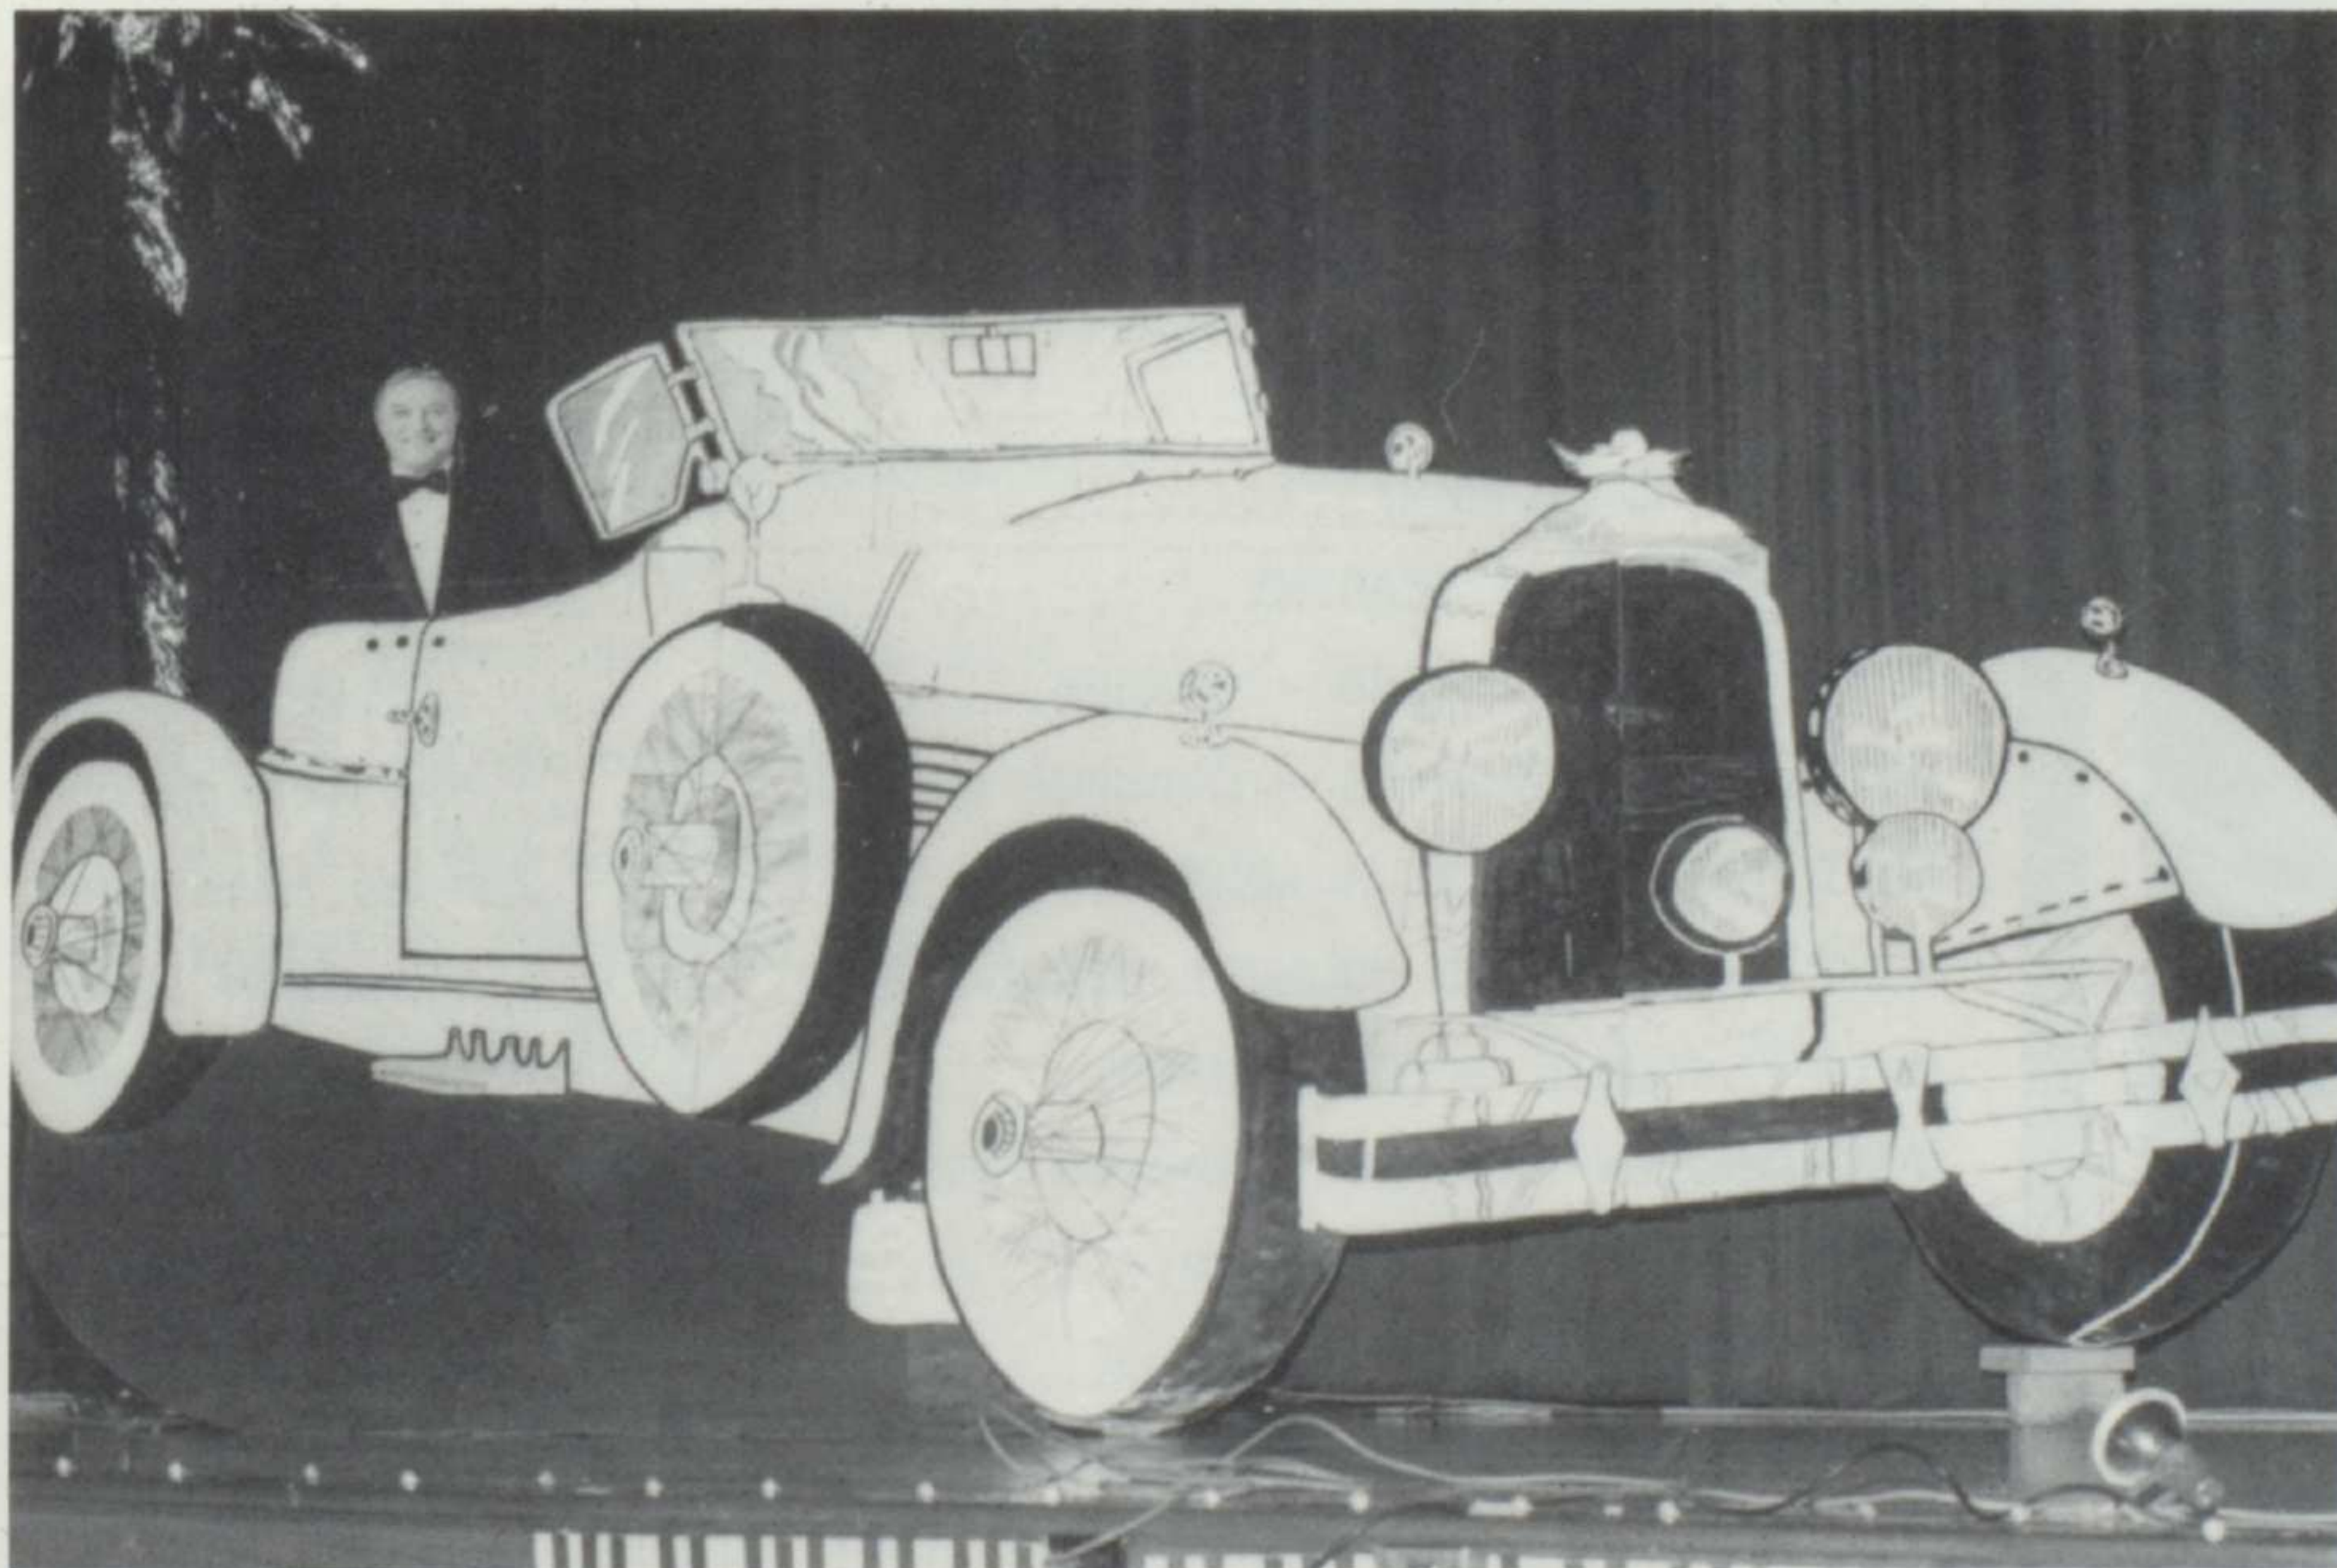

The Junior-Senior Prom, held at the Aladdin Temple Shrine on May 5, was attended by a large percentage of the stu-

dent body. The theme was "Putting on the Ritz." Phil Dirt and the Dozers played music from the 50's and 60's to the delight of their audience.

This year's prom included one unplanned event: a bomb threat! The building was temporarily cleaned so students talked and danced in the parking lot until allowed to re-enter.

Refreshments following the program in the Cafeteria

"The Future Is Now" was the theme of this year's graduation ceremony held on June 5, 1984 at Mershon. The skit performed by the four-points portrayed many incidents that have happened during the senior year. Although it was amusing, it also emphasized the value of high school memories.

The hard work endured through twelve long years, the two early morning graduation practices, and the anticipation while waiting outside were all well worth the time spent, because the 1984 commencement showed the excellence of the senior class.

CLUBS

Student Council

Worthington High School has its own student government. Every year each class elects students of their class to hold offices of President, Vice-President, Secretary and Treasurer. There is also an election held for officers of Student Council. The elections are held in the spring of the previous year. Representatives for each class are also elected by the students.

Elaine Hottenroth, the Activities Director, is the head advisor to Student Council. Many other teachers help as advisors to the four classes.

Student Council provides democracy within the school. They represent the student body. They are the link between the school administration and the students. In addition to making and reviewing rules and regulations, they sponsor dances and activities, and help inform the students of administration concerns.

Student Council Officers: Lisa Lydens, Recorder; Eric Kuwana, Vice President; Patti Miskinis, Treasurer; Claire Fleming, President; Susan Smith, Secretary.

Senior Class Officers: Andrew Picken, President; Scott David, Secretary; (top) Heidi Orrick, Treasurer; Libby Harding, Vice President.

Junior Class Officers: (kneeling) — Tammy Jones, Secretary; Betsy Patchen, Vice President; (standing) — Vanessa Hastings, Treasurer; Rick Righi, President.

Sophomore Class Officers: (front) — Amy Brennan, Treasurer; (kneeling) — Amy Tatman, Secretary; (standing) — Greg Pogan, President; Kristin Davidson, Vice President.

Half-time

The Worthington High School Marching Band is one of the largest in Central Ohio. They are a group of students under the direction of Mr. Moyer with a lot of talent. They march along with the Majorettes and the Cardinal Cadettes during half-time on Friday night football games and in parades.

Band practice begins in August with a camp and early morning drills in the parking lot. During the school year in the fall, they practice after school in the same parking lot whether there are cars in it or not. The band members have been known to walk on the cars while marching.

Try-outs for the Majorettes and Cadettes are held in the spring for the following year team. This years Cadettes competed in various competitions and in March took first place in the State Competition.

Instrumental Groups

The high school has a multitude of different music groups including Stage Band, Symphonic Band, Concert Band, and the Orchestra to name just a few.

The Stage Band, open by audition, is directed by Mr. Tschieg. This year, they played at the Sheraton, Marriott, at a local festival, and the annual dance to raise money for the music department.

The Symphonic Band is open to those in their junior and senior years. They played this year in two concerts in February and May. The Concert Band is open to sophomores while the Orchestra is open to all levels of the high school. The Orchestra plays in several concerts throughout the year.

Choral Groups

Worthington High School has several different singing groups, each special and each following a different schedule of events.

To join choir requires an audition. Sophomores, juniors, and seniors may tryout. The choir has a winter and spring concert, sings in the Memorial Day Parade, and performs at the graduation ceremony. The Treble Choir is composed primarily of sophomore girls.

The Treble Ensemble is composed of junior and senior girls. Membership is acquired through auditions. This year, the girls performed at the Breakfast with Santa and the Mother-Daughter Banquet held for the congregation of the Linworth United Methodist Church.

The Mixed Ensemble is made up of senior girls and junior and senior guys by audition. This group sings mainly throughout the holiday season at banquets and company dinners. They also tour some of the elementary schools and visit area retirement centers.

It is obvious by the endless list of events under the guidance of Mr. Haney and Mr. Moyer that the WHS choir groups are very active in the community.

Mixed Ensemble: Row 1: Beth Pozzini, Steve Grunklemeyer, Lisa Martin, Dave Alexander, Kristin Baker, John Ward, Allison Helmrath, Steve Thompson, Claire Fleming. Kilbourne Klubs

Kilbourne, the school up the hill, is remembered by everyone who went there as the get away for ninth graders. They don't have to listen to the complaints made by upperclassmen until their sophomore year. Kilbourne provides many groups for the Freshmen to join. They have their own Student Council, Bands, and Choir. The Freshman sports have their own cheerleaders, too. Many of the students join these groups and go on to join the ones at Main Campus the following year.

Sports Clubs

Worthington High School has a wide variety of sports for the students to participate in. But who are the women behind the men of these sports? On this page, they are the Cardinal Club, Basketball Club, Soccer Club, Wrestling Club, and Gymnastics Club.

The girls work hard through the season making locker signs, decorating locker rooms, setting up banquets, arranging bake sales, and, of course, the most important thing to the athlete's stomach, the "Spirit Boxes" which contain all the sweets.

Many of the clubs also include the making of Senior scrapbooks. These include pictures of the senior playing and all articles put in newspapers about his particular team and its success.

A-Power

The Phoenix is a news magazine published by Worthington High School students once a month. The staff is chosen by J.R. Mansfield on the basis of his classes in Journalism. The Phoenix reports on everything from the beginning of school to the end of school, including some things that may go on during the summer. It is popular for its sports articles and stories breaking around the school. They also publish the Senior Wills at the end of the school year along with its famous Senior Issue.

The Archaeology Club is a small club at the high school, but it is also very exciting. They go on field trips to places around Ohio to look for Indian artifacts. The club advisor is Mr. Bob Hill.

Worthington High School is very fortunate to have its own darkroom. Because of this, the students may join Photography Club. The advisor is Mr. Larry Kincaid and he helps the students learn how to use the equipment to develop their rolls of film and make prints of the negatives. The club is open to anyone who wants to make pictures.

A-Power is a club for those at WHS who like things a bit late. They know the true meaning of "fashionably late". The club name stands for the Angelic Procrastinators of Worthington's Elite Regions. The group procrastinates so much that their fall picnic is in February and the spring picnic is in September.

Cheerleaders

The students of WHS are always at the games to support the sports teams. At the Friday night football games, there are a group of girls there to help the students get rowdy and cheer the teams to victory.

The fall and winter cheerleaders practice long hours their routines to cheer at the games. The Varsity Cheerleaders for the 1983 football season competed at OSU for a second place award for their pompom routine and at UCA for a third place award in the chant competition.

The girls often hold fund raisers to raise the money to pay for their uniforms and jackets. Bake sales contribute to the fund. During the seasons, the cheerleaders are very busy with practices and games and, of course, school work. The cheerleaders must keep up their grades and are included in the eligibility.

Library & Office Aides

Each semester students who have a free period or study hall may request to become an office worker or library aide. Students volunteering may receive a quarter of credit per semester. Office workers assist the secretaries in the East and West Unit Offices. They fill our passes, answer the telephones, college attendance cards, deliver messages and, of course, those lovely point notices. Library aides also have special jobs that they do to help the librarians. They file books and cards, work at the front desk, check books in and out, and anything else that may have to be done to help run the library. These students are much appreciated by the staff and help Worthington High School function more efficiently.

West Office Workers: Row 1: Tim Mattox, Cheryl Scott, Todd Alexander, Sarah Bowers, Lisa Fowler, Christi Stevens, Lars Schmidt, Sheila Ruda. Library Aides: Colin Derth, Doug Savage, Holly Dutchess, Mike Huff, Hayden Humphrey, Mike Blackburn, Peggy Welch, Anne Coning, Paula Rojo, Mike Pille.

Thespians

Thespians are a group of students at Worthington High School that are involved in school activities for more than 100 hours. It's true. To become a thespian one must work on the production of the plays at the high school. These hours add up and may be received by working either backstage, props, costumes, make-up stage crew, lights, or set construction. On stage acting and student directing can also help earn these hours. When a student has received enough points, he must, on a day in May, act like a fool—dress and act out a song or character — to anyone possessing a yellow International Thespian Society Membership Card. The student's goal is to obtain one of those cards.

Thespians: Erik Ficas, Sam Meyers, Dave Alexander, Rich Greene, Liz Davis, Darren Hawkins, Andrew Strom, Judy Blackmore, Troy McDonald, Kelly Lowe.

International Club

Having the opportunity to have students from many lands, Worthington has an International Club. The club members learn about the cultures of many countries besides their own. Food and games are exchanged from country to country and the experience is worth while.

Language Clubs

Worthington High School offers a variety of foreign languages. Among them are German, French, Russian, and Spanish. In addition, each language has its own club. The clubs need to raise money throughout the year for activities, and they do this by having bake sales and other money makers. The most interesting fund raiser this year was held by the French Club. After finding sponsors, they held a spaghetti dinner in the Kilbourne cafeteria. Most of the clubs meet twice a month, but they don't stop there. Many of the groups dine at elegant restaurants that serve food from their respective countries. In addition to the language clubs, there is also the Spanish National Honor Society. This club is for those having an "A" average in the class. They often tutor other Spanish students.

The In The Know Team was brought back this year, because WOSU picked up the program after it was dropped last year. These students, under the advising of Mrs. Pyron, each study a separate area of facts. Sometimes the areas cross. Then they go against other schools in competition for points received for correct questions. This is a good experience and the students learn some things that might have been skipped over in classes.

Although a small group, the Chess Club learns the fundamentals and rules of chess through playing games amongst themselves and sometimes with other schools.

Newcomers' Club is for students new to Worthington School System. They have picnics, banquets and parties so that they can get to know people in the school and the administration. The advisor is the guidance counselor Ms. White. Although there are not many people in the picture, there are almost forty members.

MGA, Minority Groups in Action, was a group created by Mrs. Macer to help the minorities in our school enrich not only themselves, but the entire student body by the activities of minorities in our area. This year, the club invited East High School students for a presentation concerning their culture. The assembly was very educational and very entertaining with some of the acts being the reading of Martin Luther King's speech "I Have A Dream", gospel singing, and break dancing.

Backpacking Club's goal under the direction of Jerry Baker is to enjoy the outdoors. Members go on overnights and longer trips. This year trips were taken to Lake Vesuvius, Shawnee, Buckeye Trails, and Zaleski.

Yearbook

The CARDINAL yearbook staff is always a very busy group here at the high school. Long before the school year begins, the CARDINAL is in the planning stages. Staff members meet in early August to begin to solicit advertisements from local businesses which help pay for such things as color and the cover of the CARDINAL. The staff continues to work with ads until December. During this time the editors-in-chief work with the CARDINAL advisor, Mrs. Schoenhoff, to lay out the general design of the book sections.

The staff has four major deadlines to make before the book is complete. Along the road there are many headaches and problems; however, by working together, we get things done. Although the hours spent are many, the yearbook staff has a great time along the way with pizza parties, a Christmas party, and a Sunday brunch at the end of the year at the James Tavern.

This year's staff has worked long and hard to provide our students with a book of memories. We hope the book will mean as much to WHS students as it does for us.

Yearbook Staff: row 1: Kevin Herrick, Lauri Dillon, Mark Brown, Wendy Wahtola, Jenny Hooper. Row 2: Jason Weisgerber, Carolyn O'Leary, Noreen Nelson, Lanie Justice.

Writerspatch

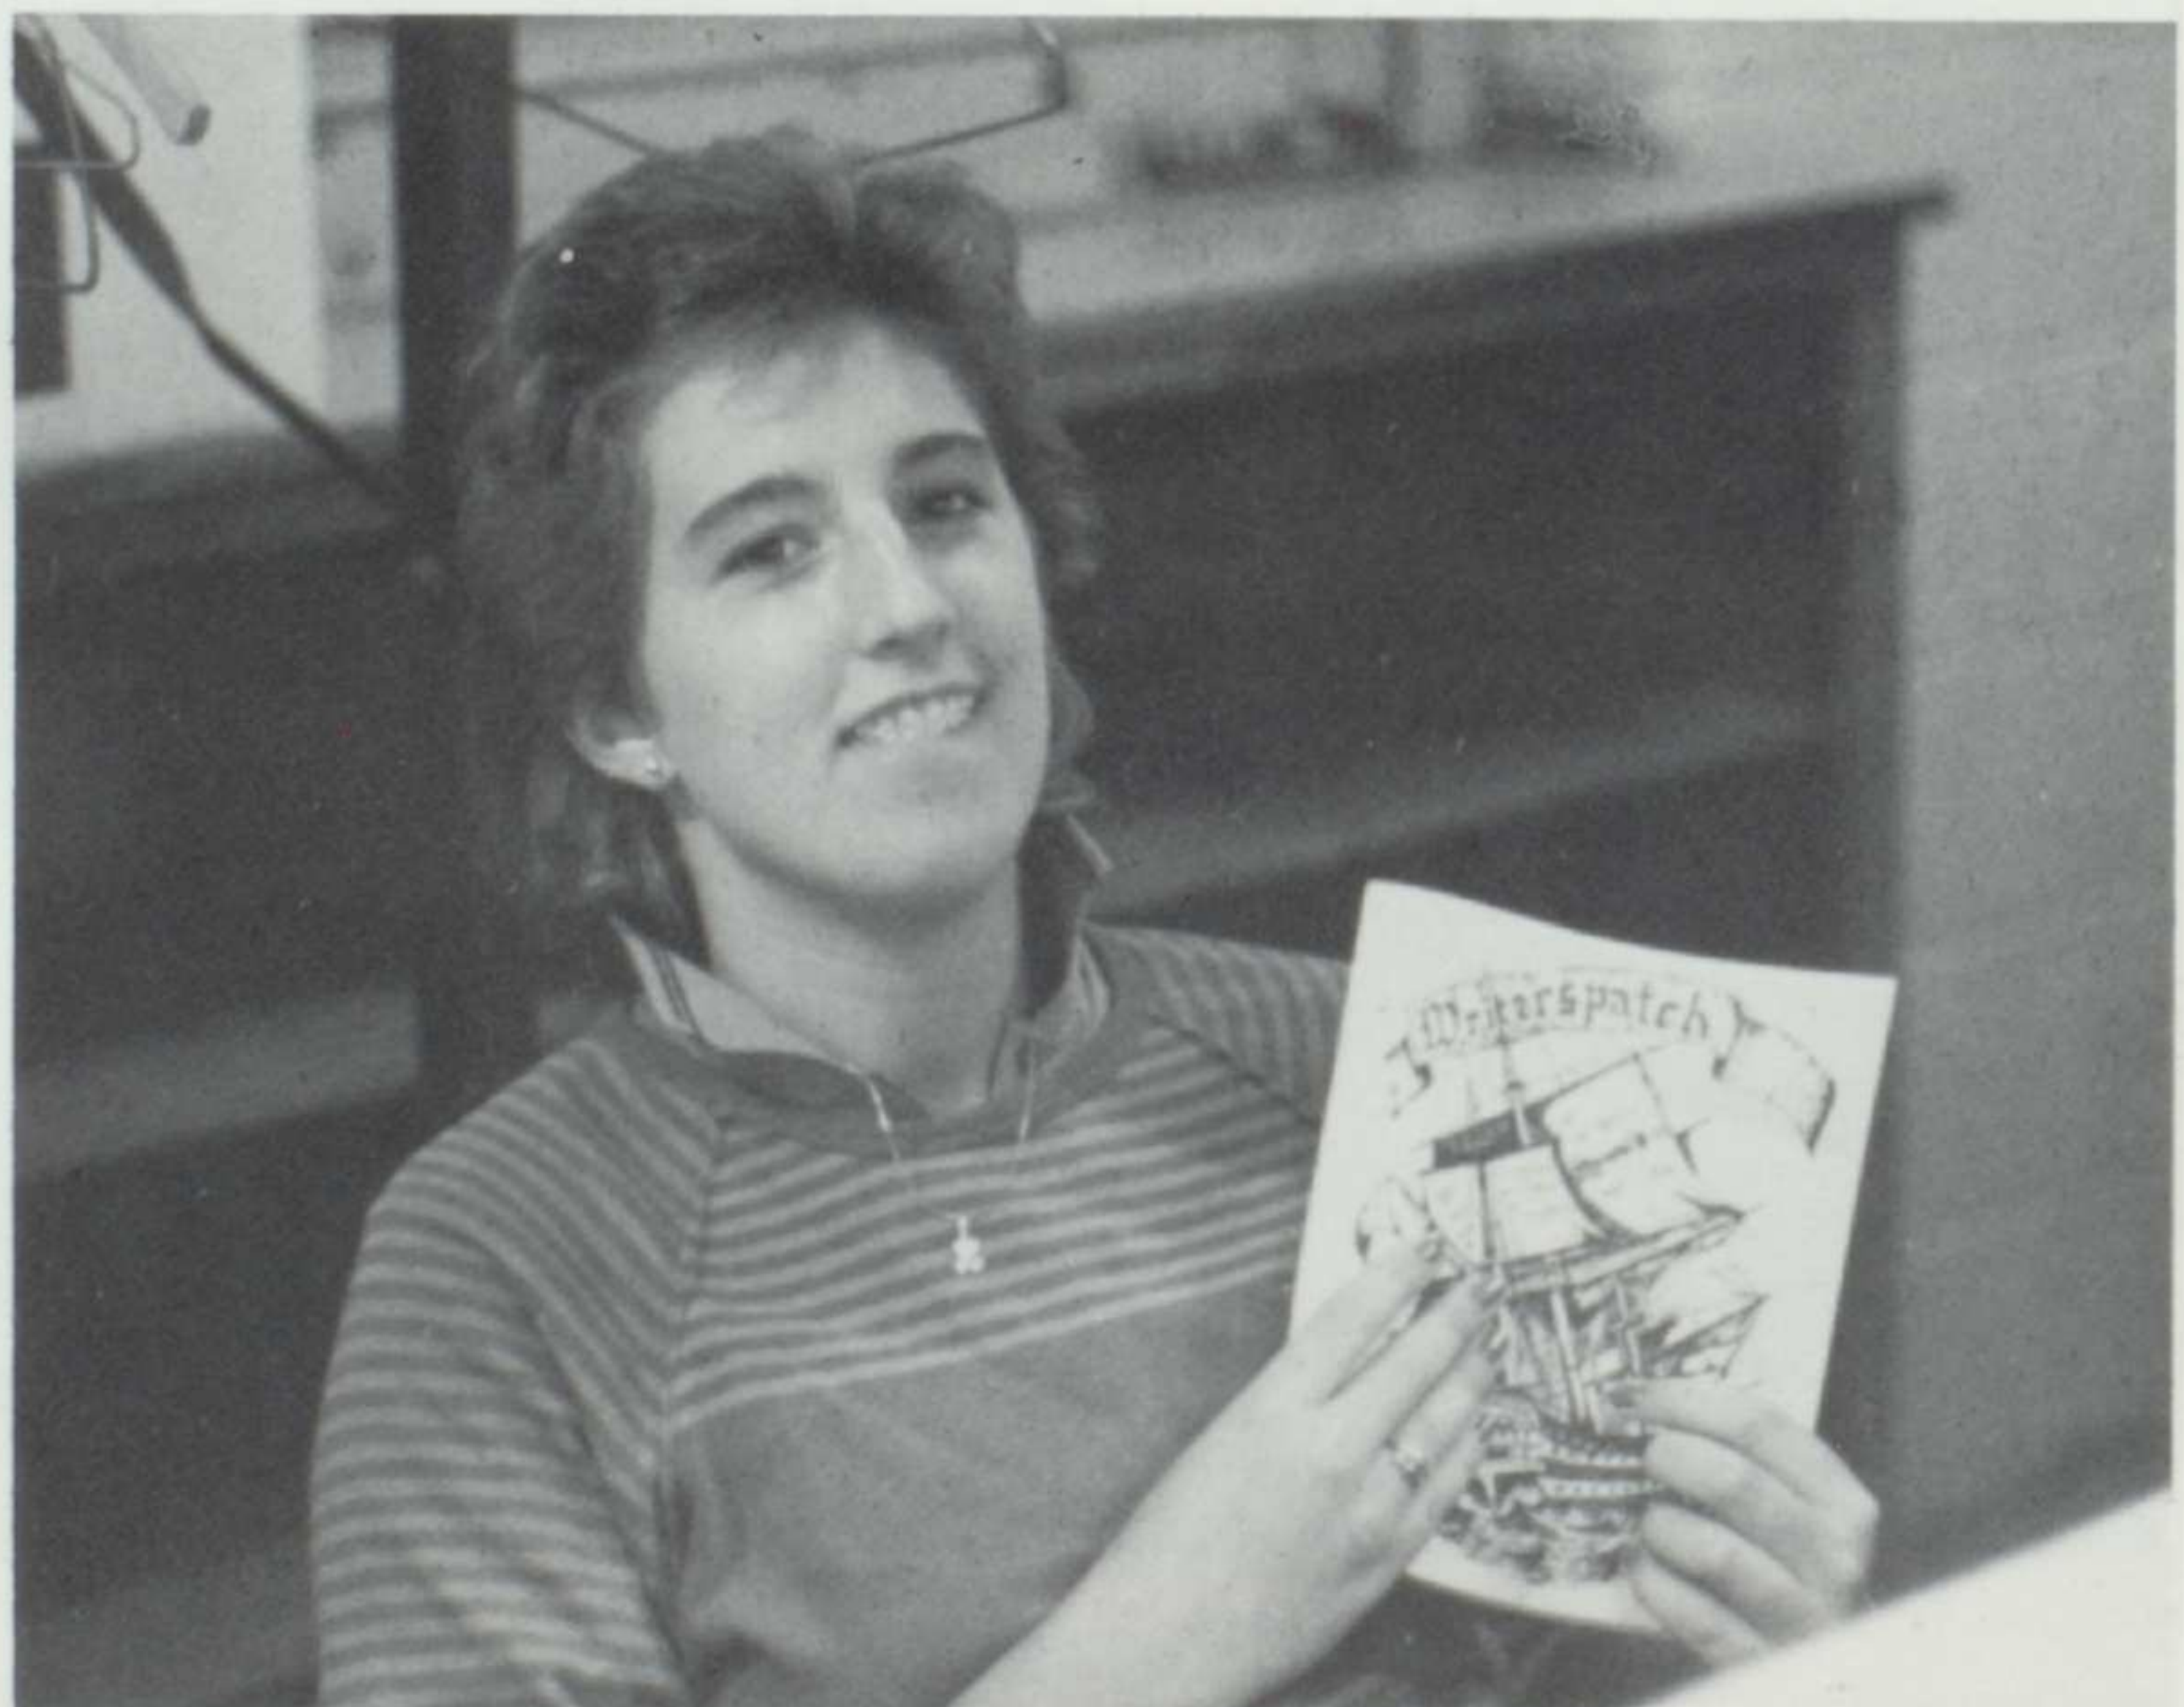

WRITERSPATCH, headed by advisor Mrs. McDonald, is Worthington High School's literary magazine. The WRITERSPATCH is a collection of the student's short stories, poems, and artwork. The staff is responsible for all aspects of production including collecting student contributions, soliciting advertising to finance the magazine, and selling the WRITERSPATCH. In addition, students on the staff do all editing for mistakes. This is a very long and tedious task. Money makers for this year's staff included bake sales and participation in the Winter Carnival.

Writerspatch: Mrs. McDonald, Sara Driskel, Gale Hallowell, Shahnaz Joarder, Judy Blumgardner, Stella Sung, Mark Major, Blythe Tomson.

We're passing out Yearbooks not PEPSI.

WFSI

WFSI, Worthington Field Studies Incorporated, is a club advised by Mr. Robert McBurney. The students sign an application to go on one of the three trips: Northwest, Southwest, or this year's Grand Cayman Island trip. The trip to the Northwest is held every summer. The Southwest trip is taken every odd year, and the Grand Cayman Island trip was taken during spring break.

The trips last approximately one month with the exception of the trip over spring break, which lasts one week. The trips use the famous "never fails to break down" WFSI bus. The trips are very educational, exciting, and adventuresome.

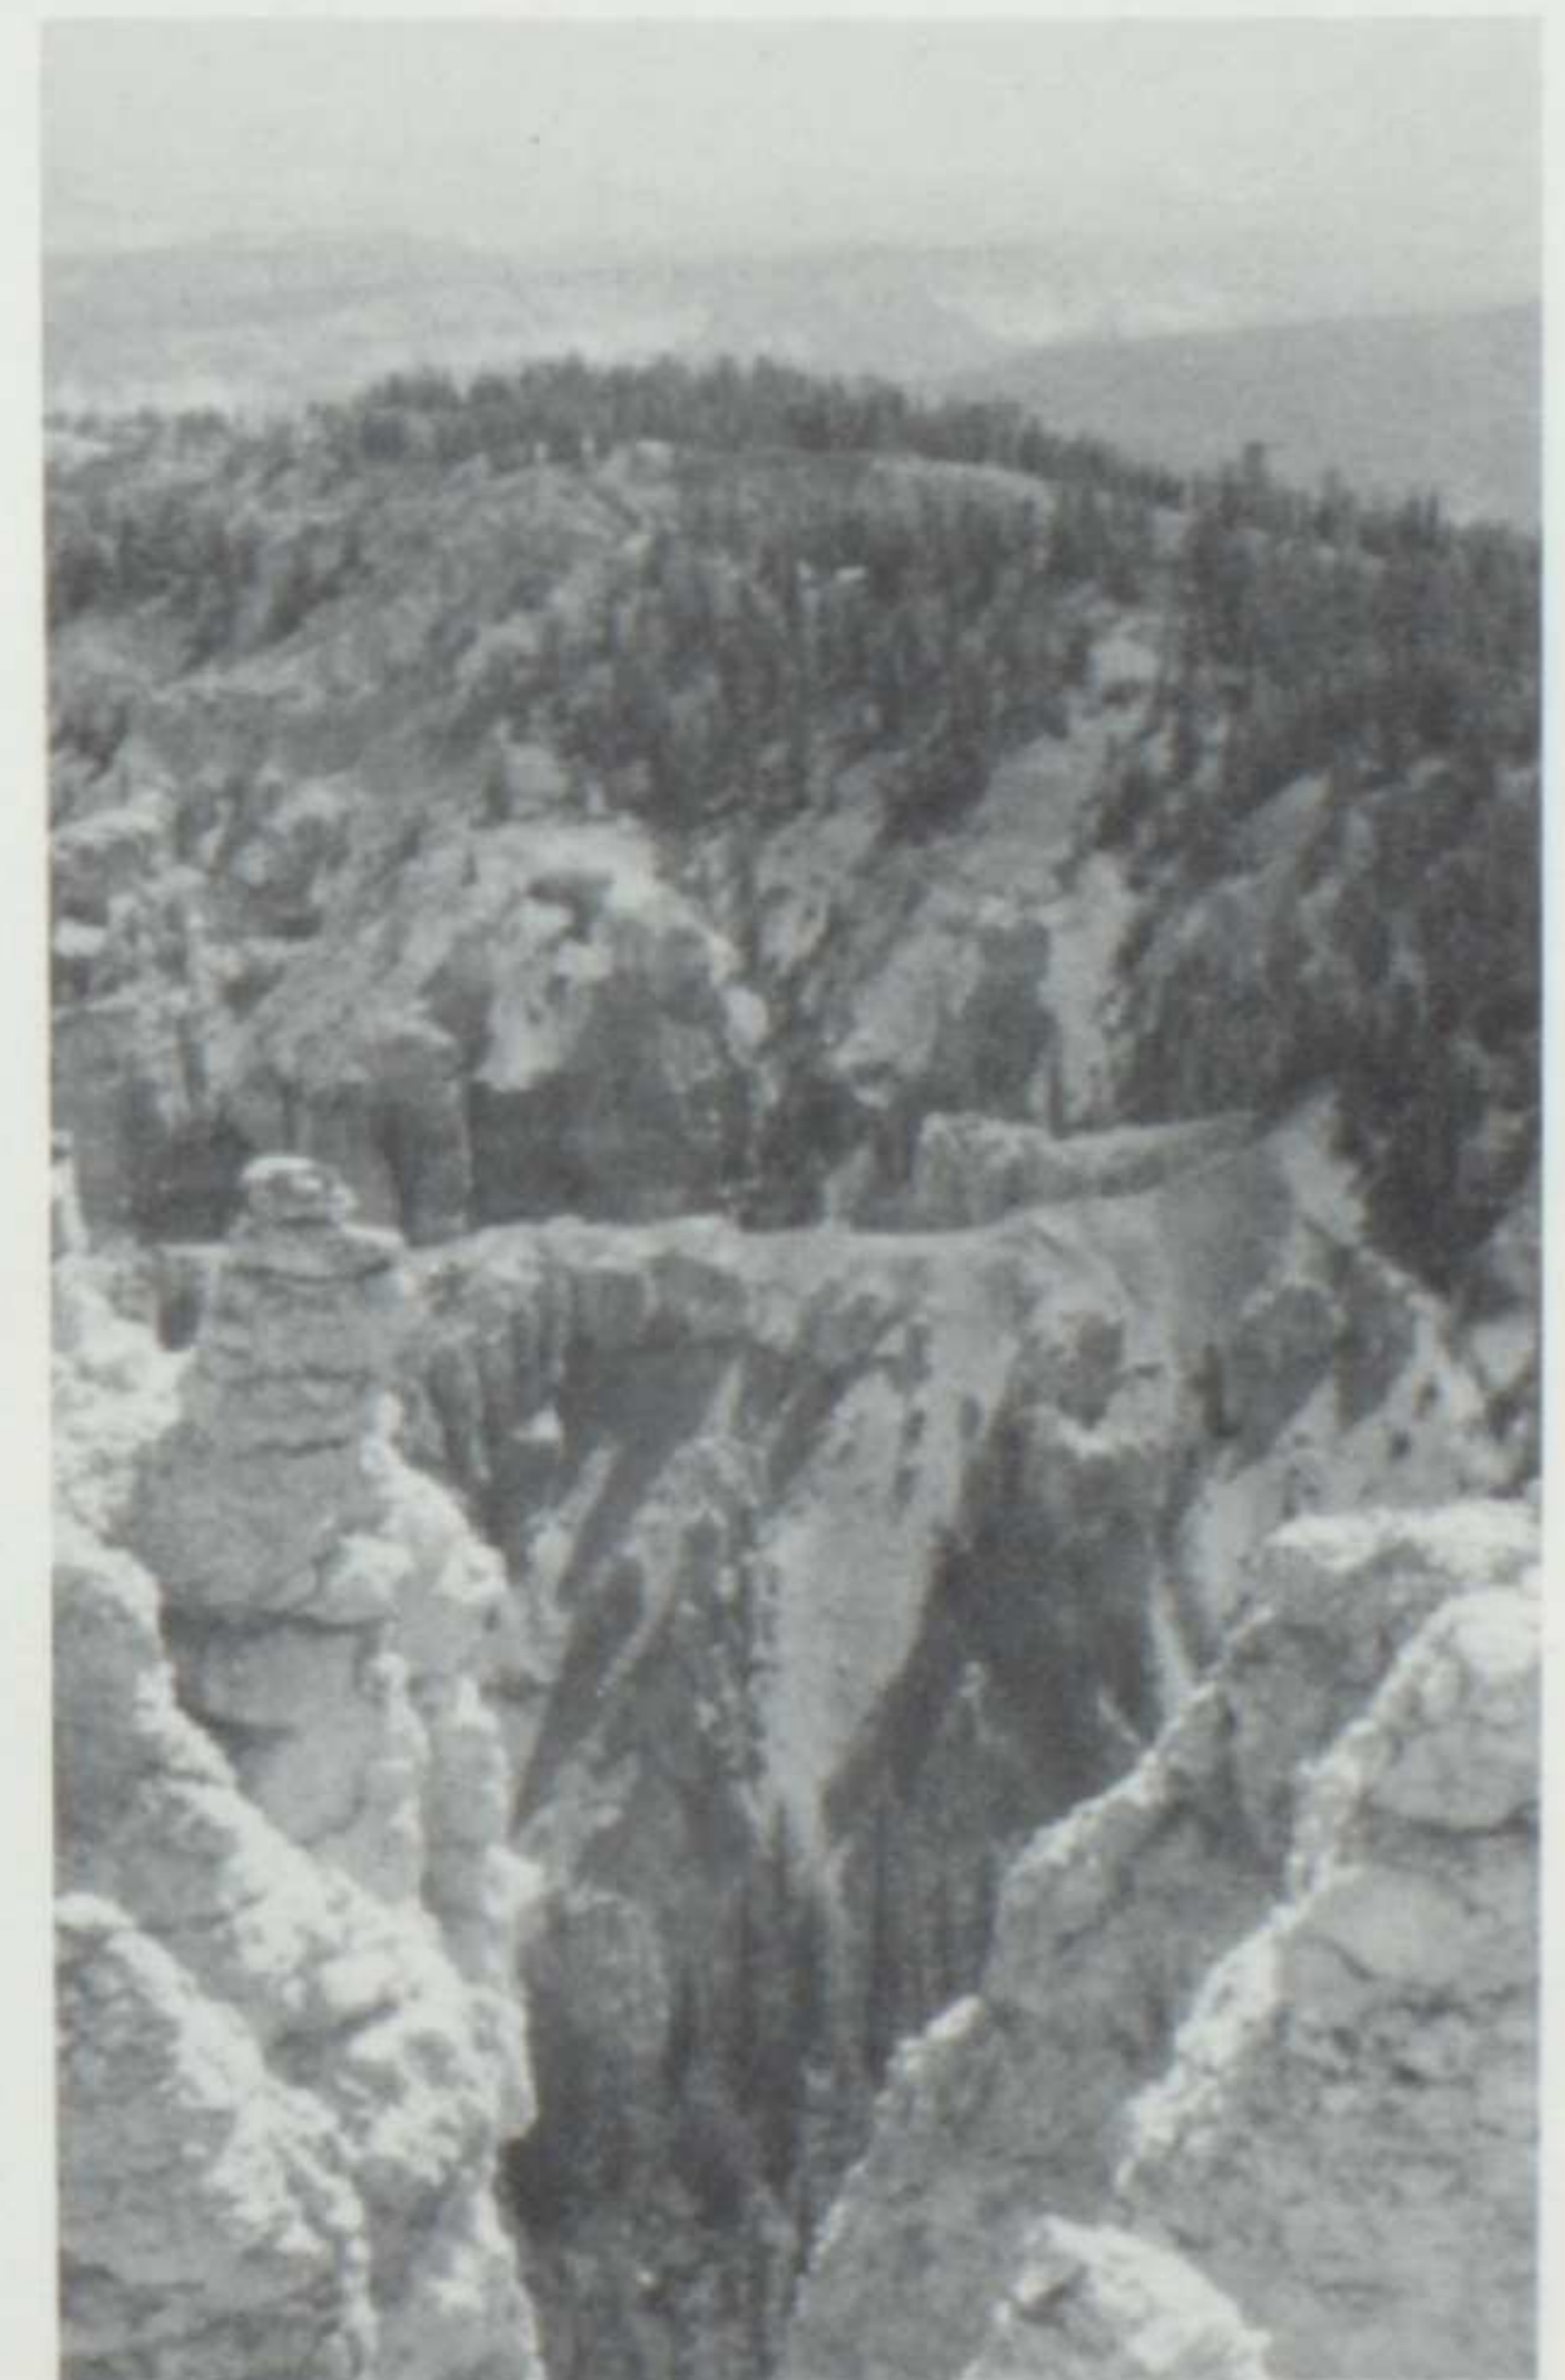

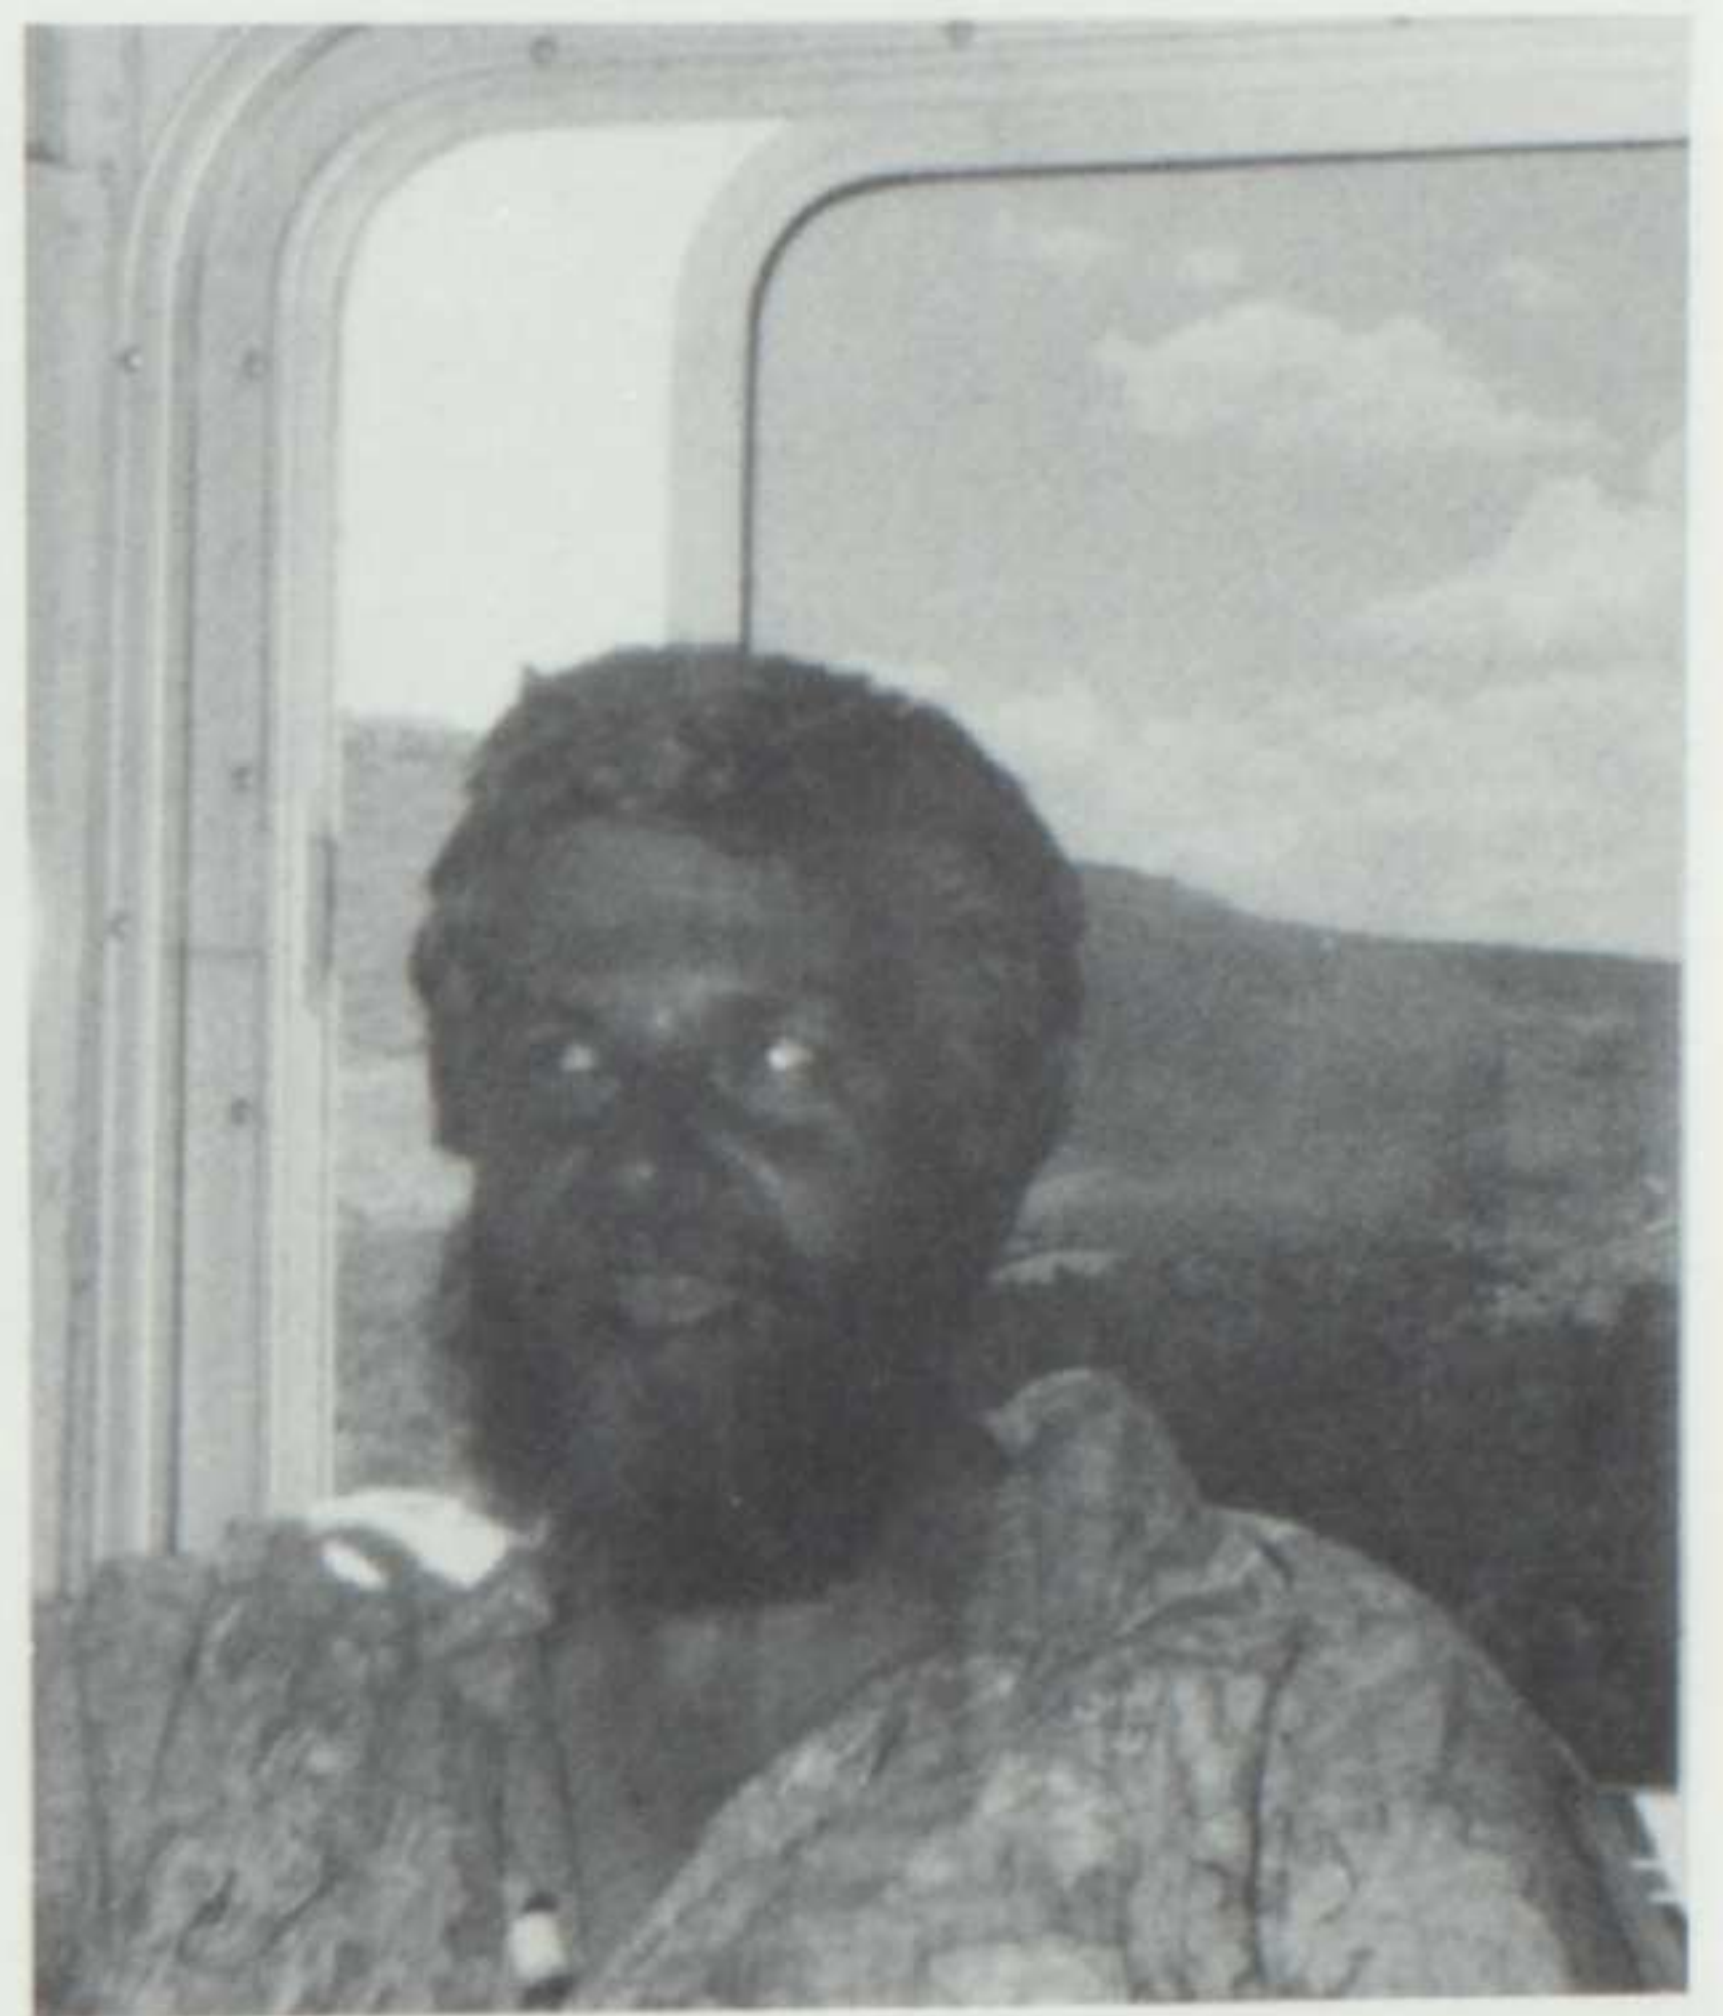

When the trips are over, you are considered a WFSI member only if you have survived the getting up at 7 a.m. every morning and the long drives across the country. This membership entitles you to sell flowers in the spring, and pointsettias during Christmas.

All in all, if you want to have a good time and meet new people, WFSI is your kind of people.

Working Clubs

Worthington High School is very lucky to have a program for students who wish to learn a type of business while in high school. These clubs are: DECA, OWA, OWE, COE, and VICA. The students go to classes in the morning and go to work in the afternoon. Some of them also go to state and national competitions like Trevor Ramey who took first place at both and is now the national champ.

National Honor Society

National Honor Society is a selected group of students whose main function after being elected into the club is to tutor other students in specialty areas. Juniors are elected for their following senior year. Seniors are also elected, but their work is minimal as the school year is almost over and so is their high school career.

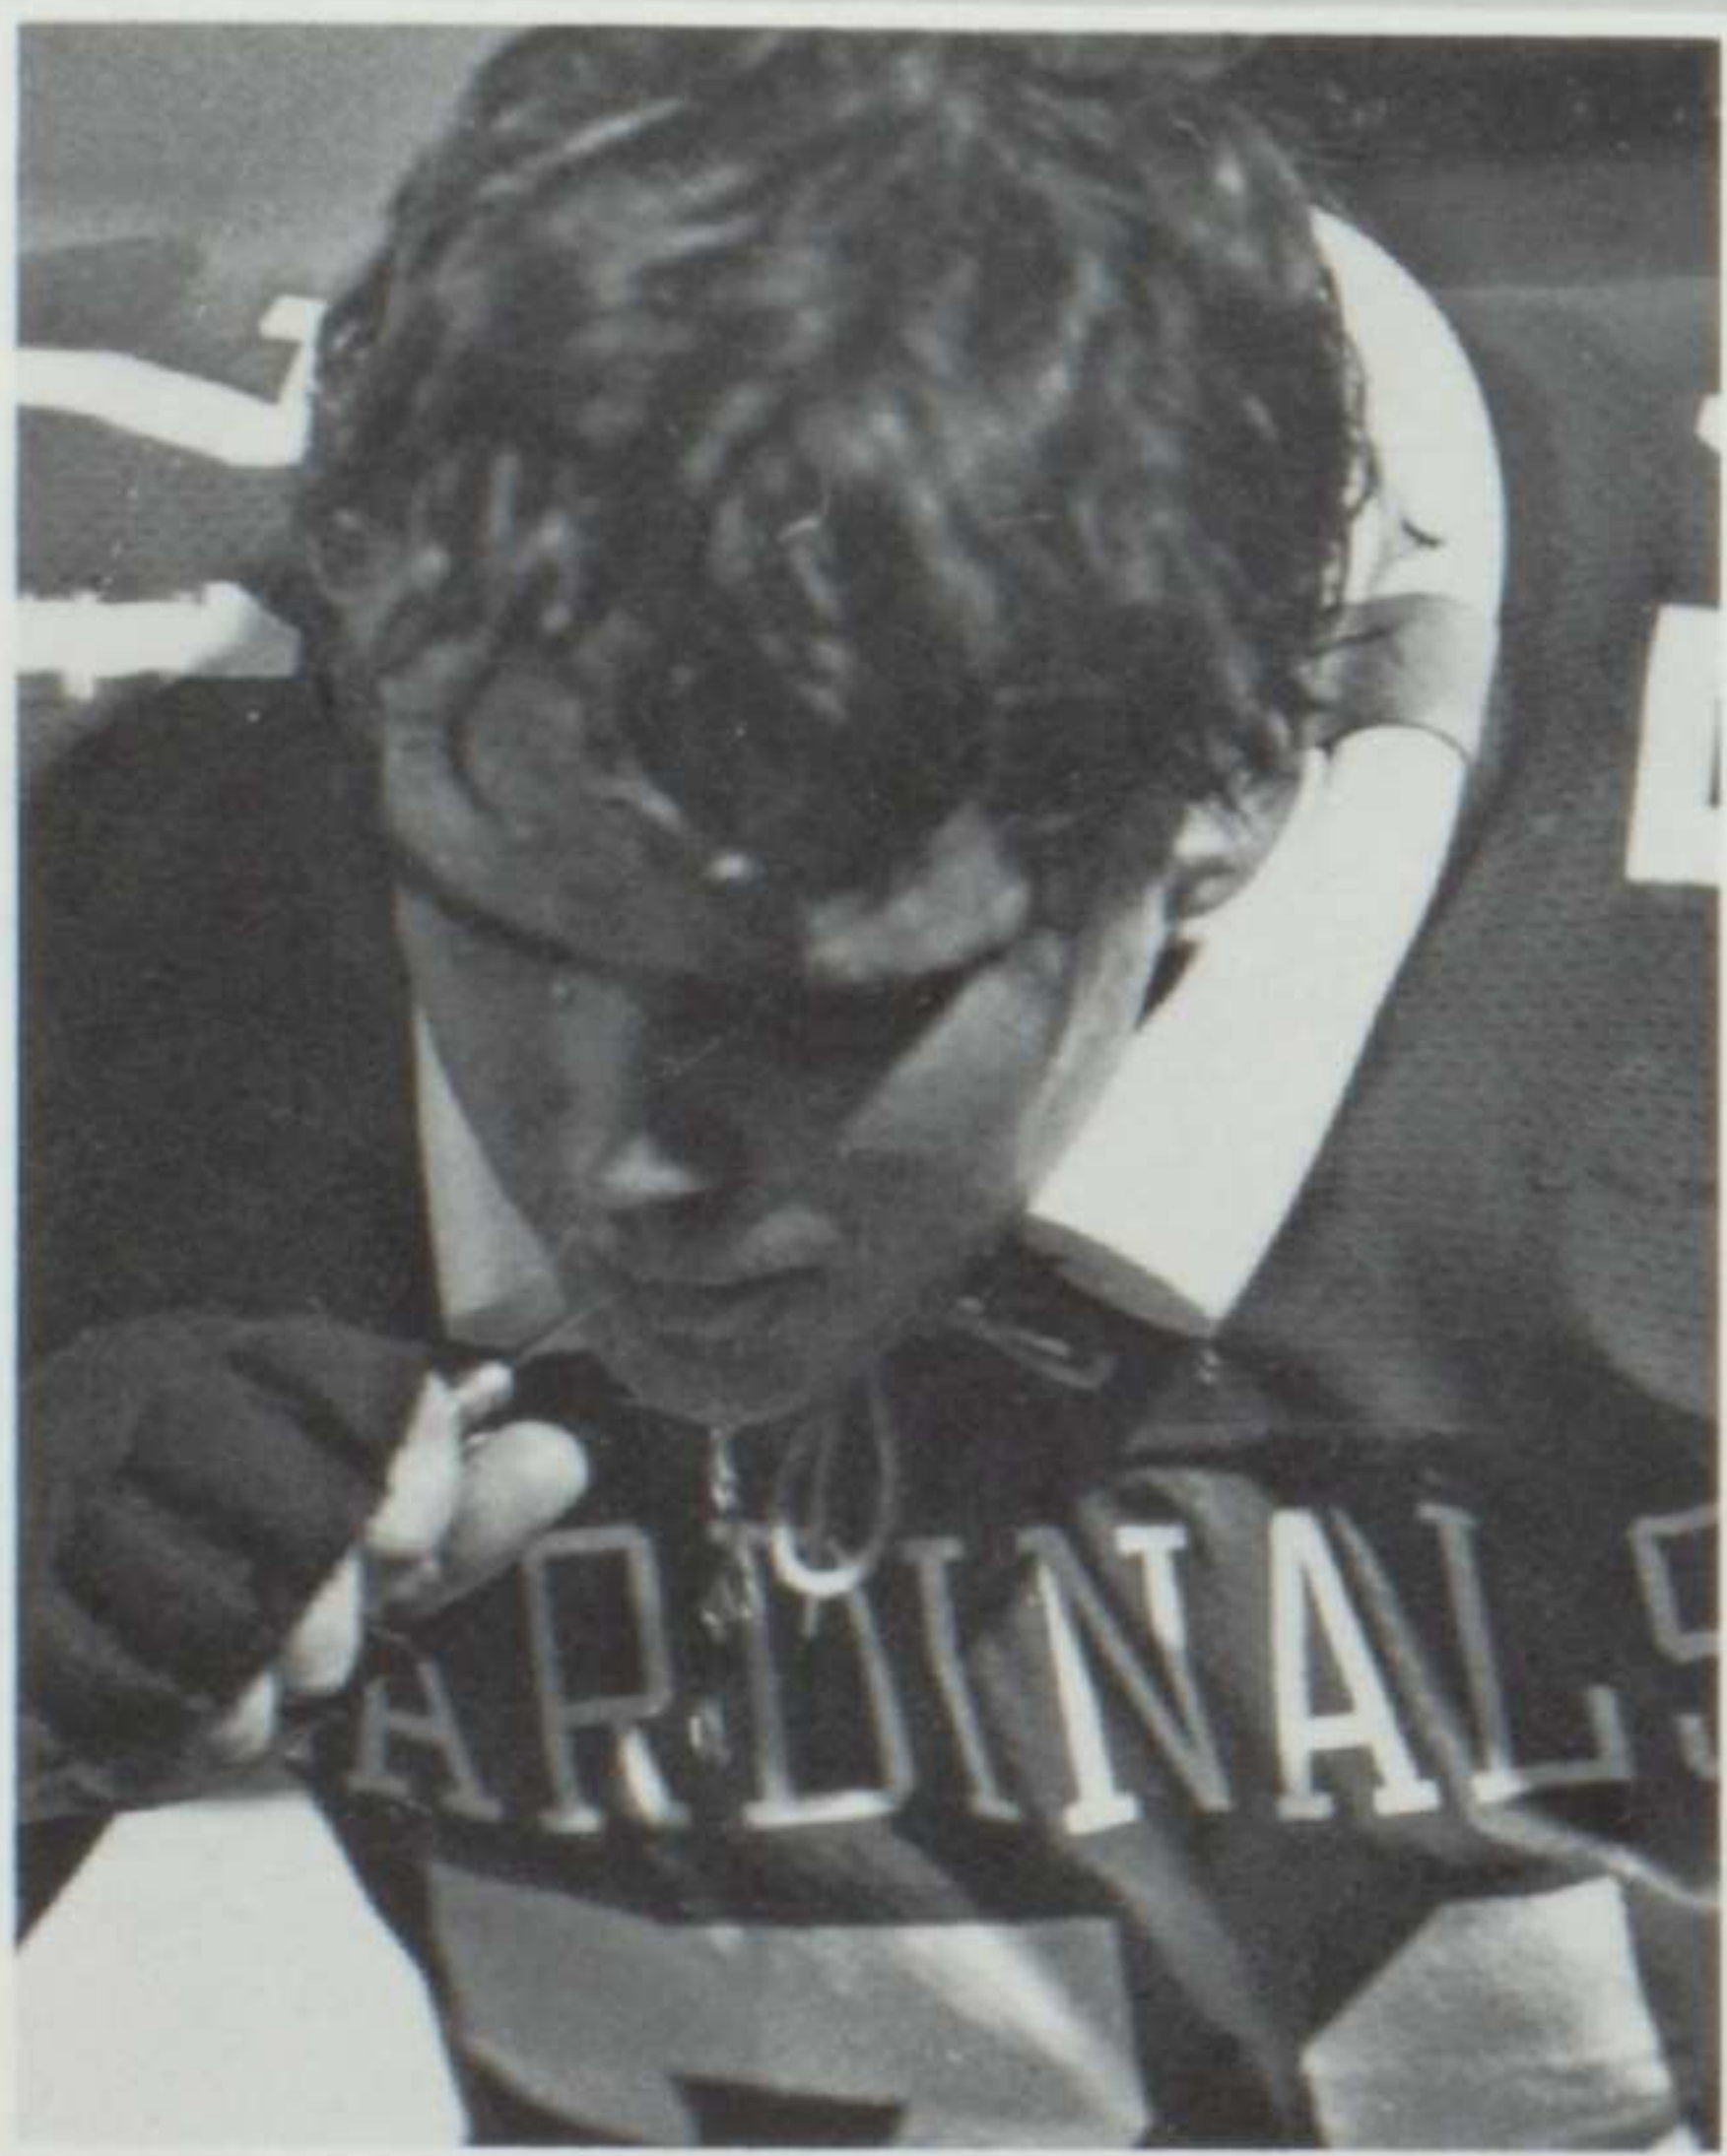

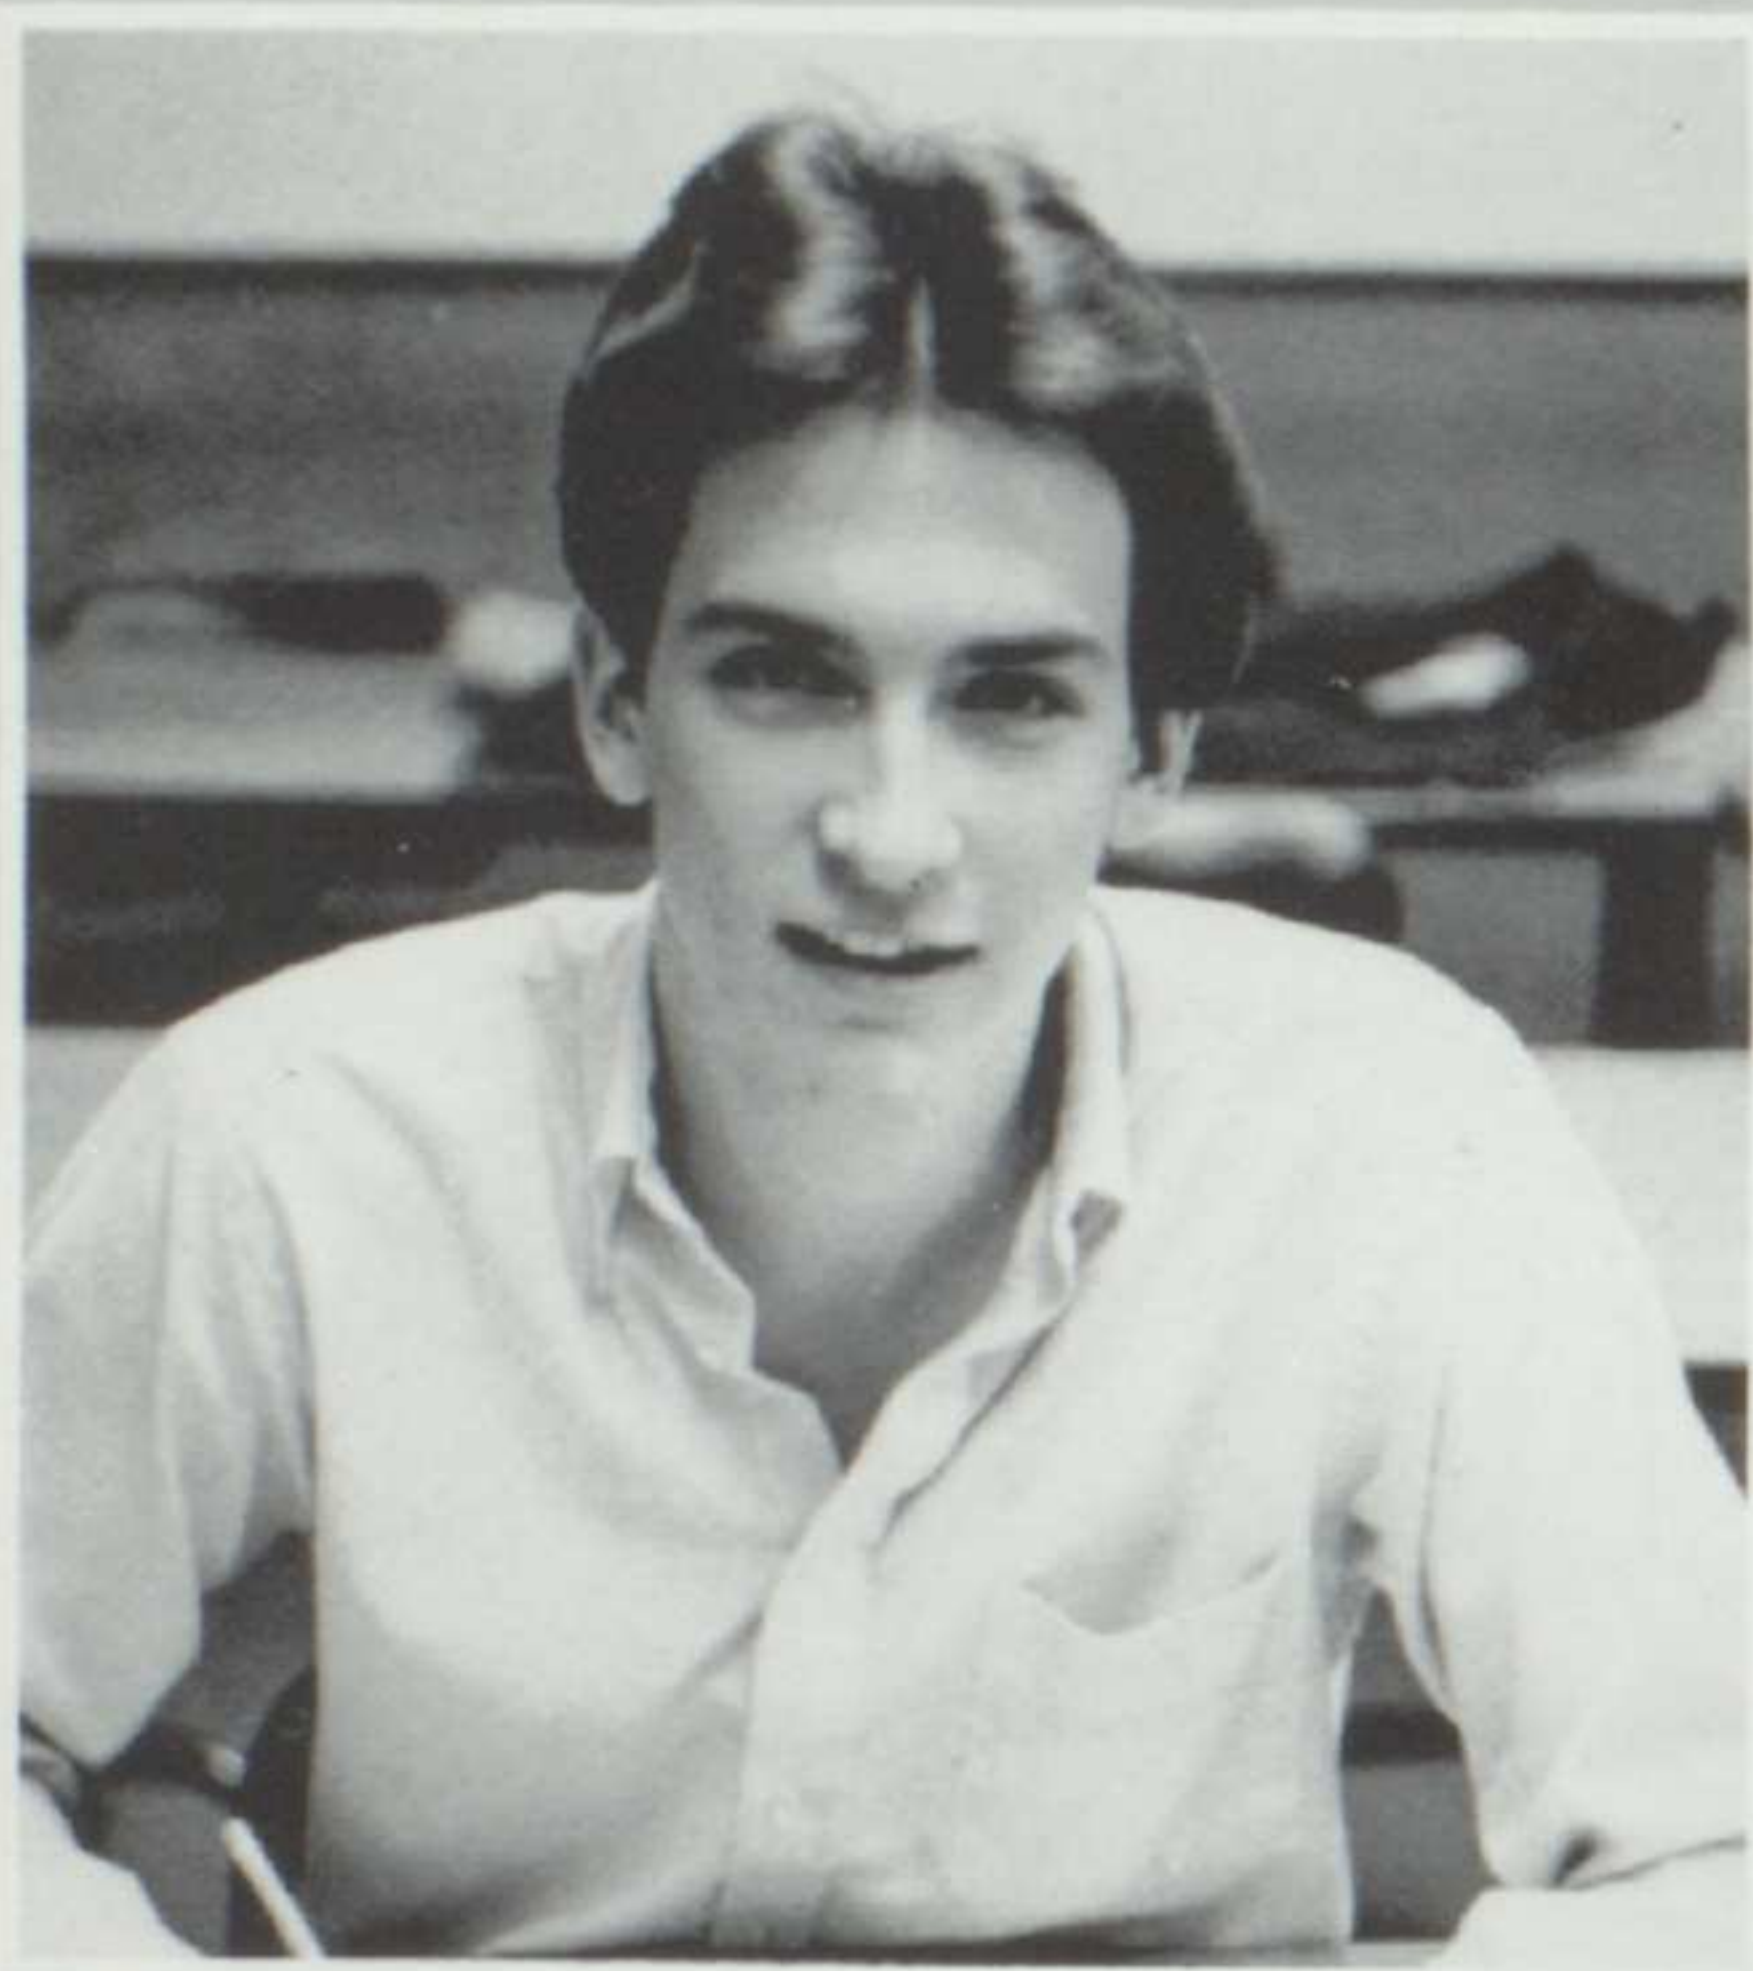

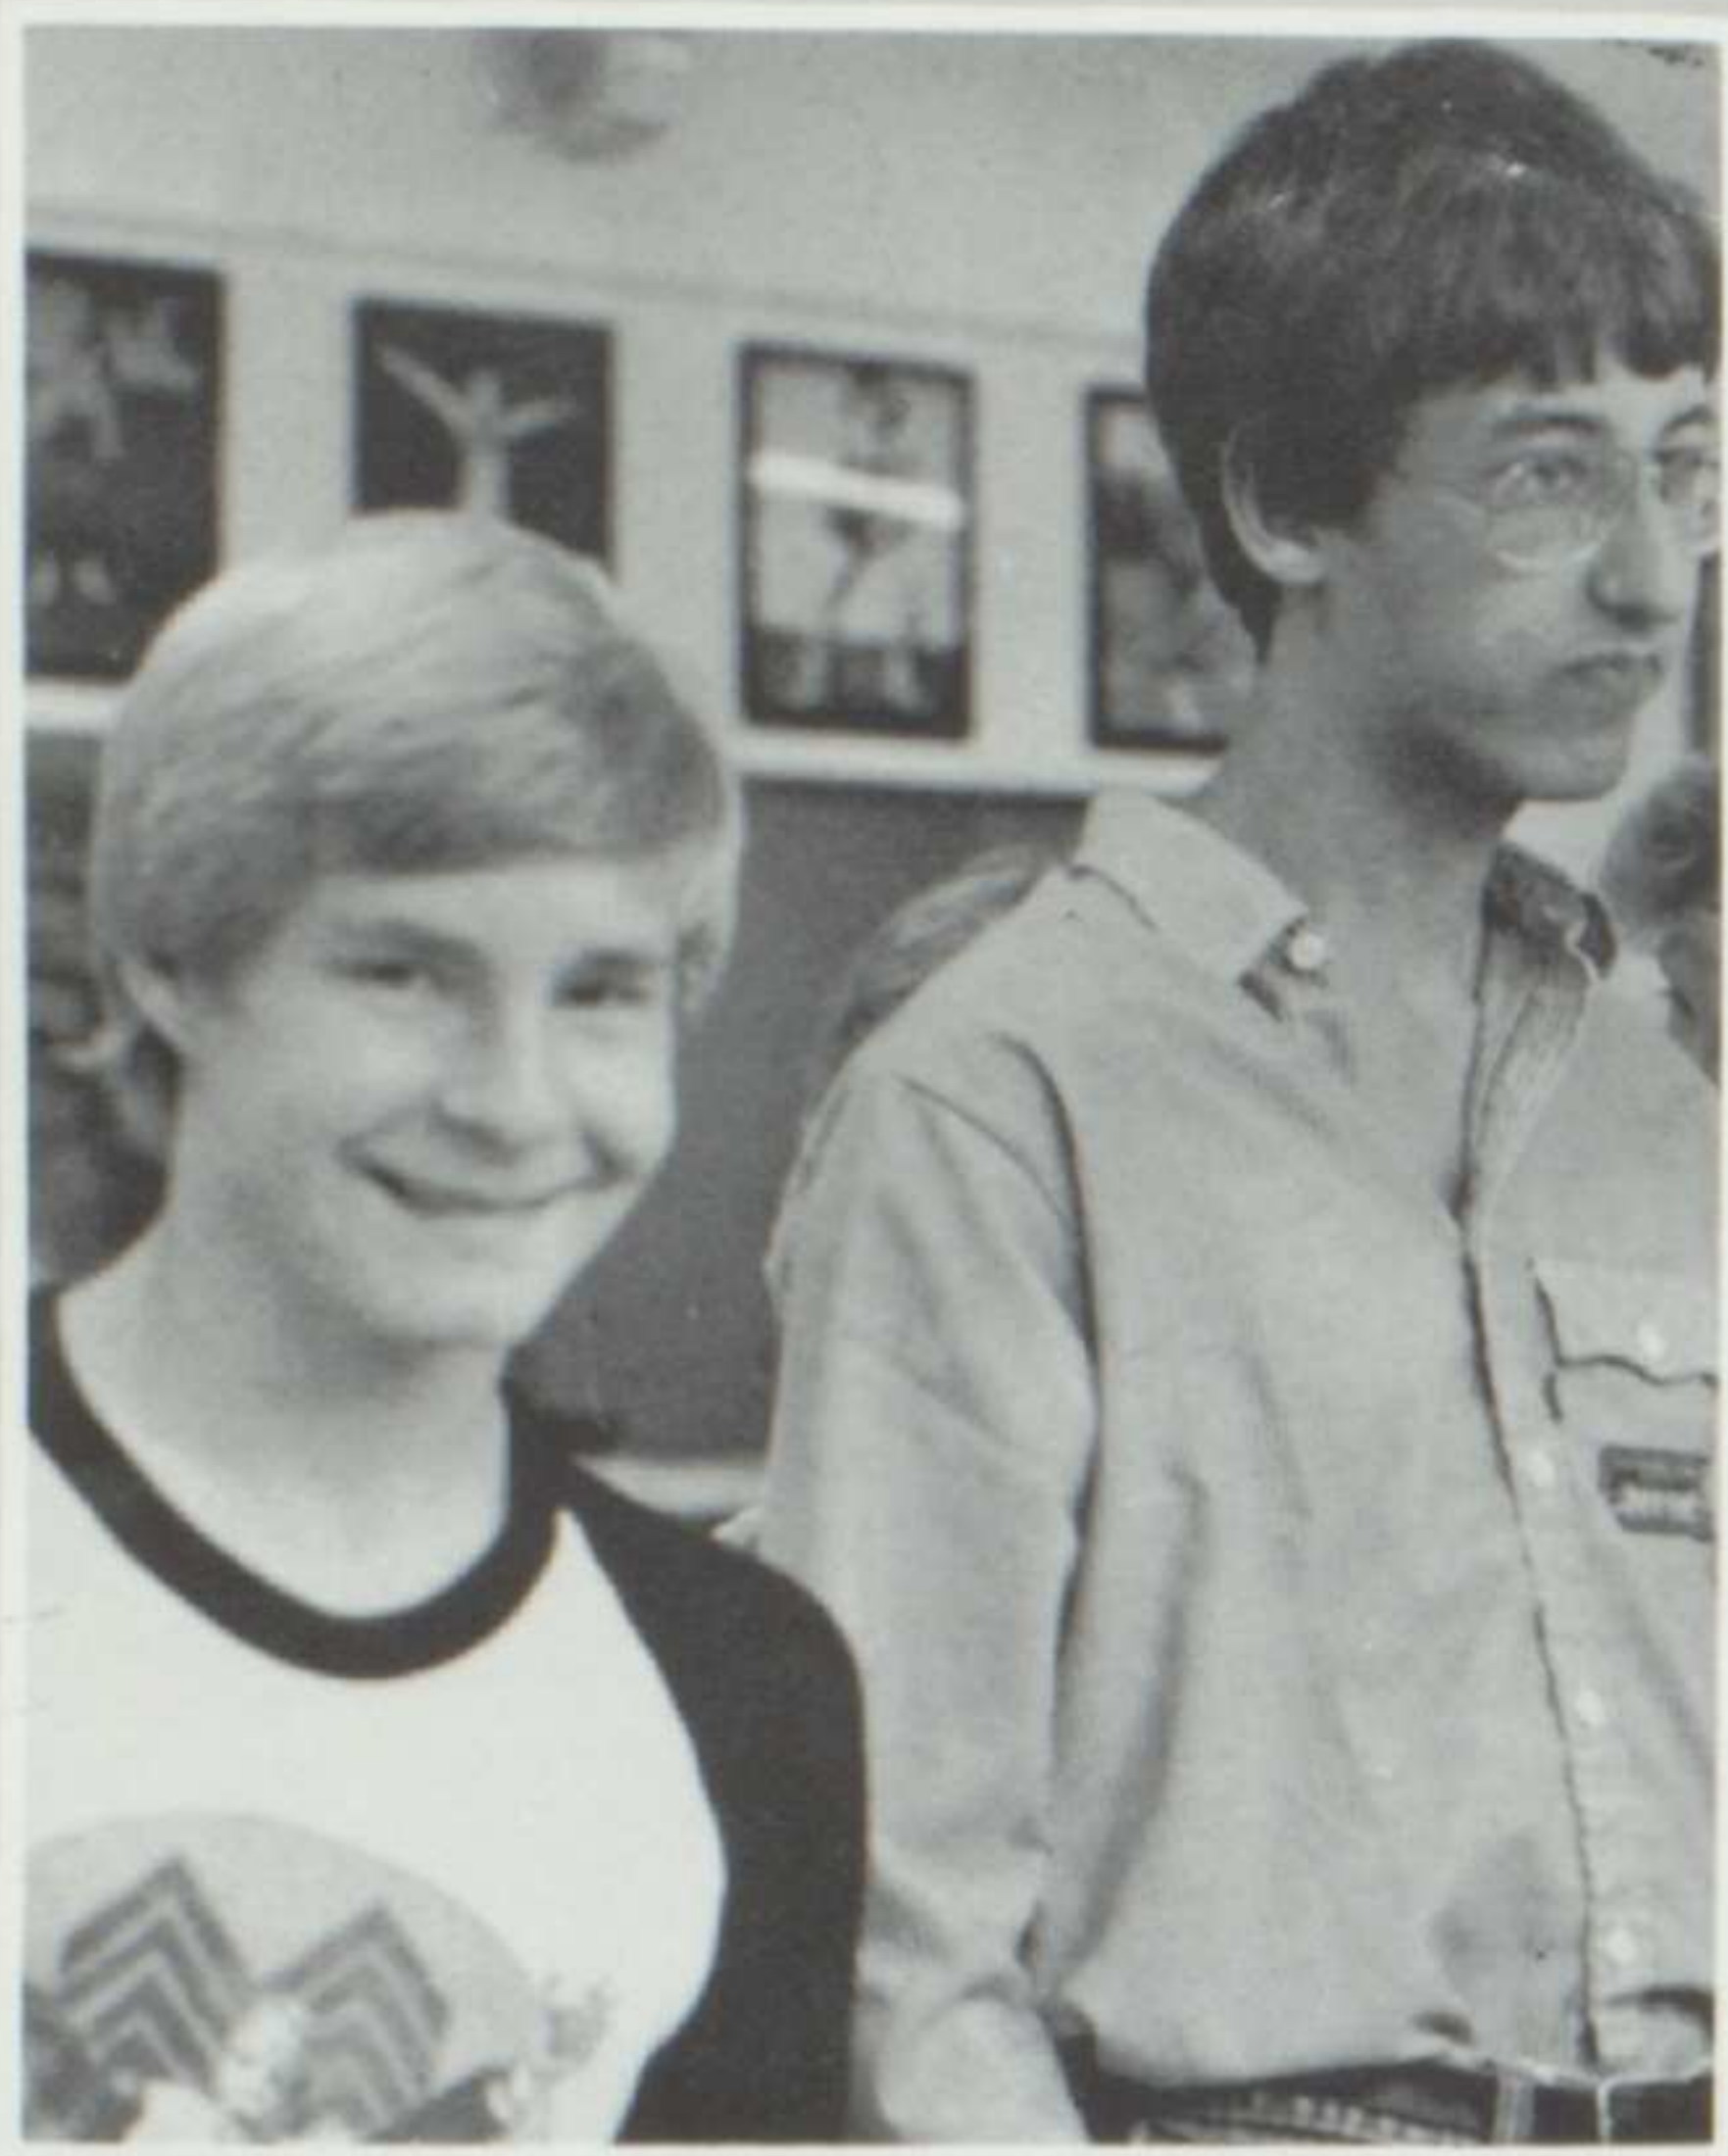

To be elected into the National Honor Society, the students must be a Junior or a Senior and be in the top third of their class. They must also be voted in by their teachers.

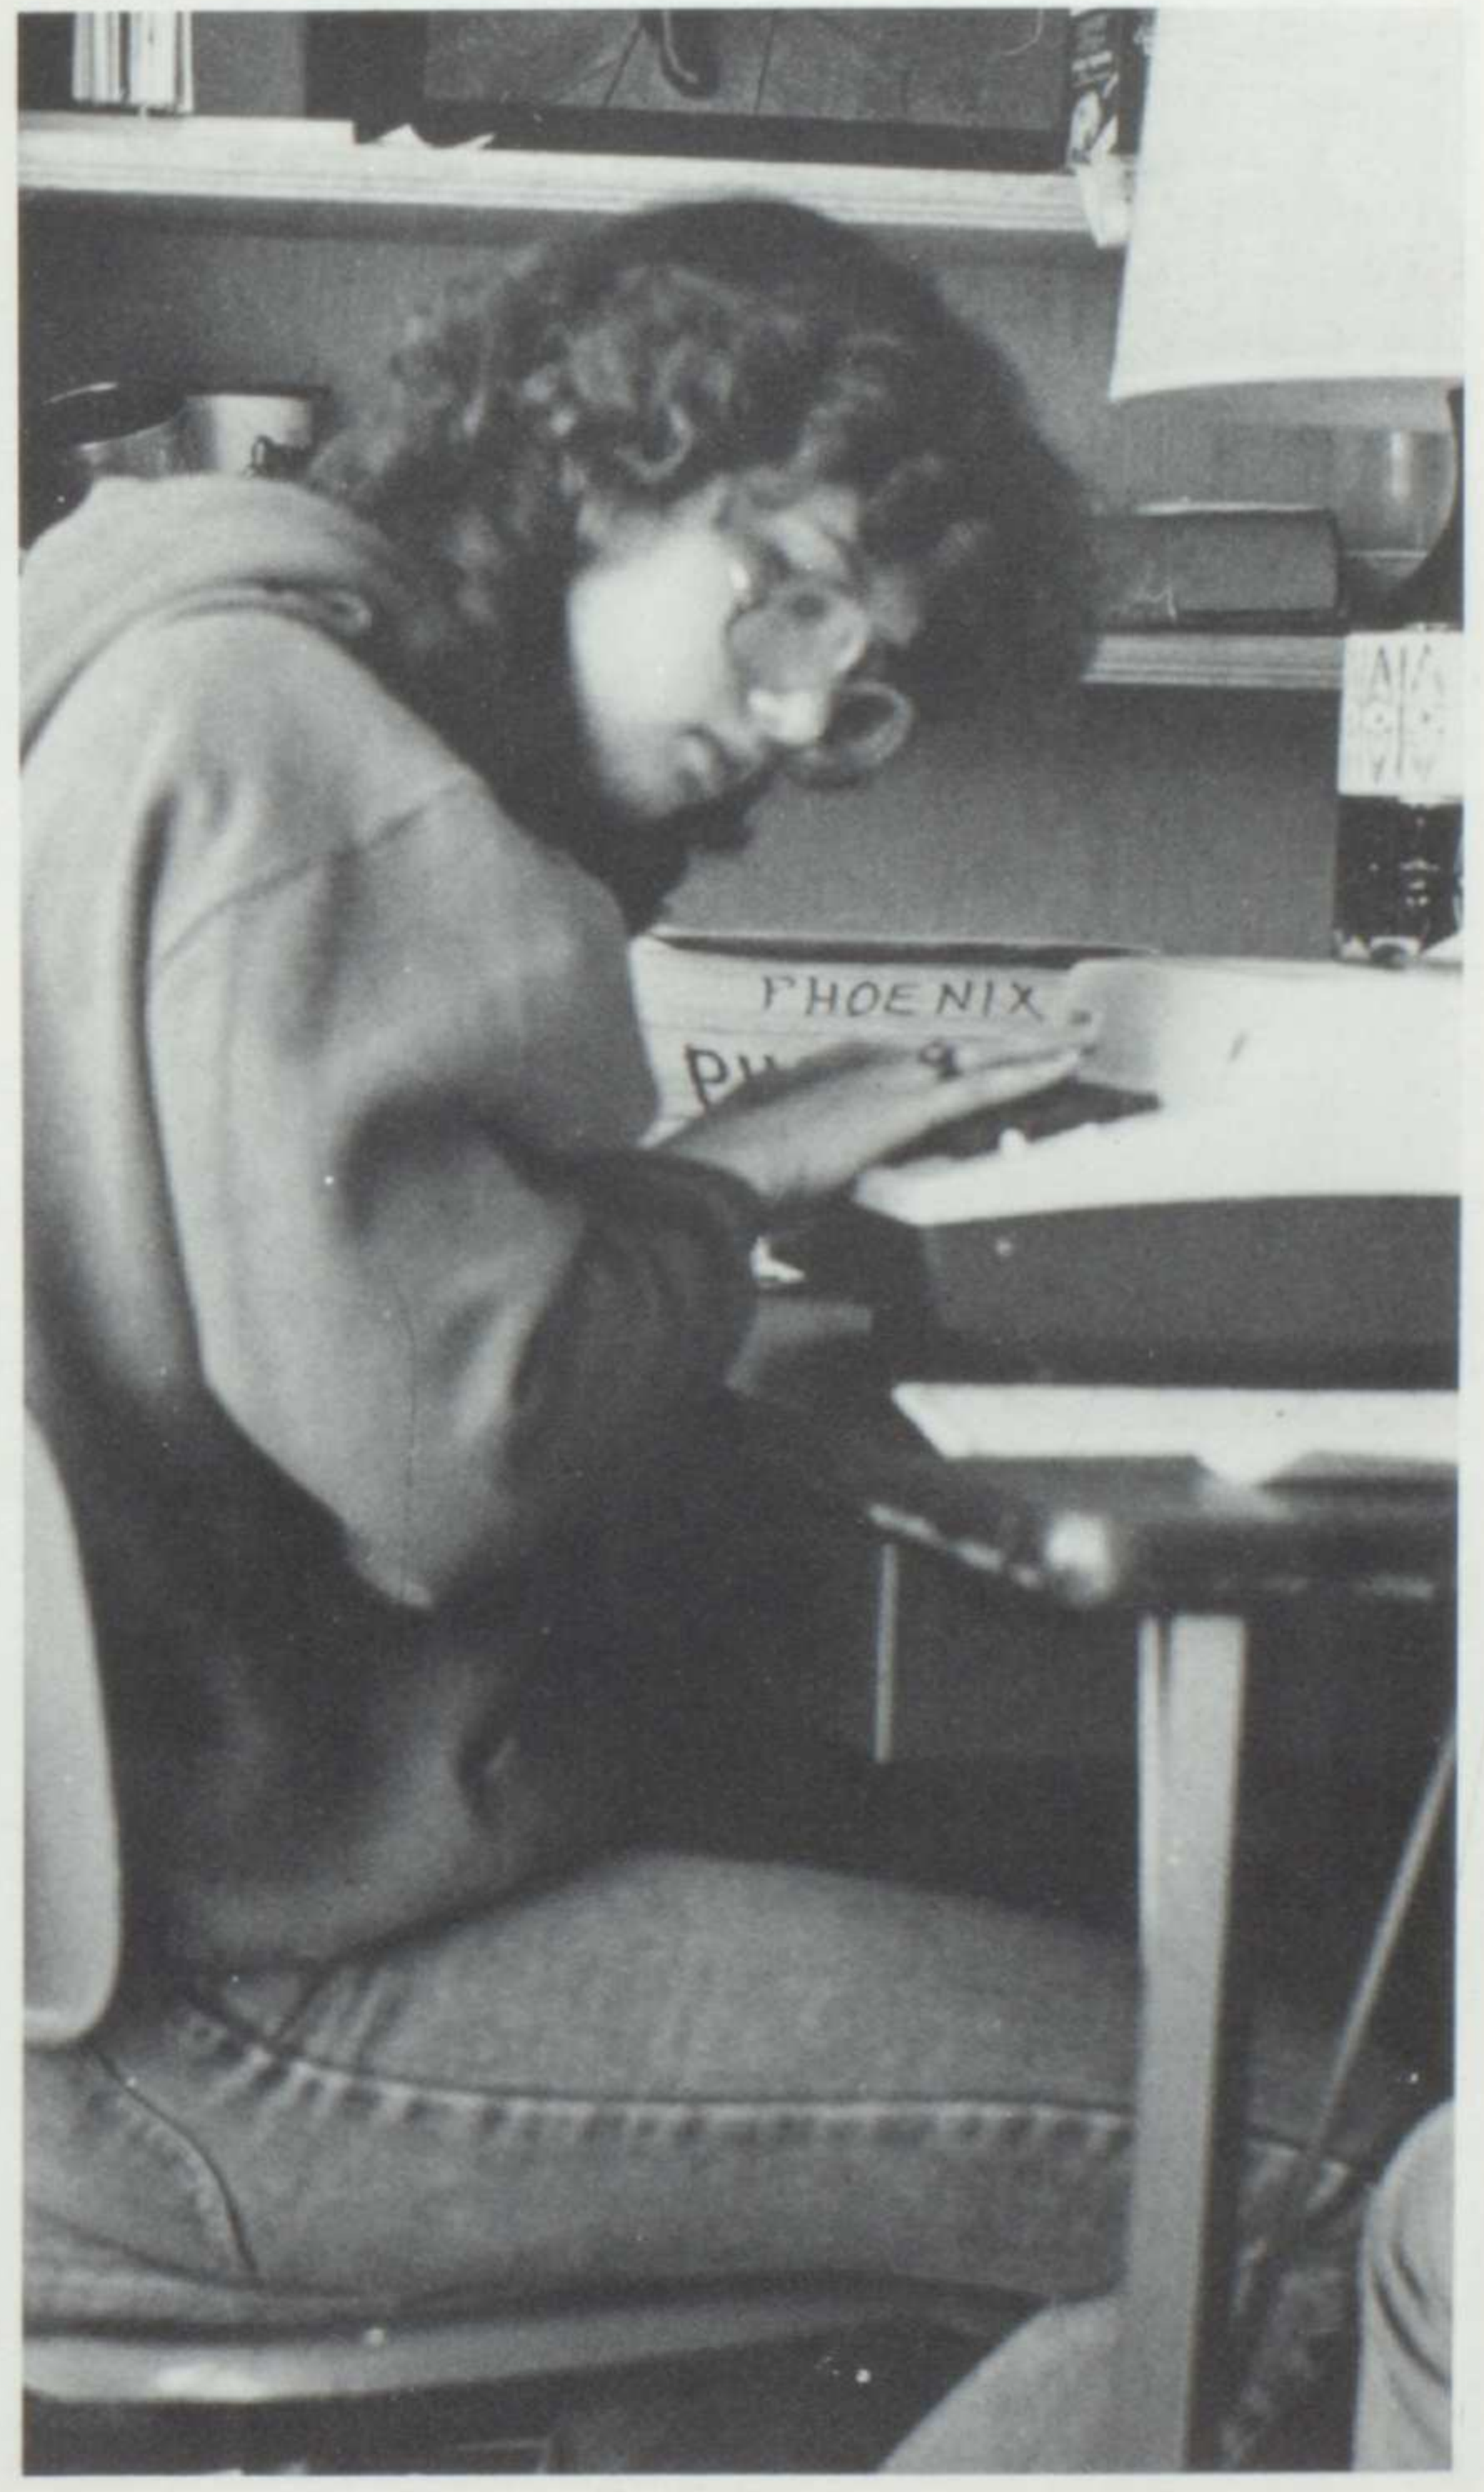

National Honor Society tapping and induction is held in the spring of every year.

The Boys' Lacrosse Team had a winning season in 1984. Although they traveled East to almost every tourney they participated in, they displayed a special flair out on the field. Super senior members contributed greatly to their many victories.

Goalie Jeff Kramer, an all-American lacrosse player, was named All-League for the Cardinals. Mike Bassani led the team with the most points scored. Dave Jurkowitz was awarded a lacrosse scholarship in honor of his ability. Bill Stephenitch was named the Most Valuable Player.

The Lacrosse men defeated this year such rivals as Upper Arlington, and Catholic Central. Although the team will lose a few men to graduation, the 1985 team will "stick it" to their opponents next year.

The 1983 Worthington Football team, along with first year head coach Bob Seaman, finished their season undefeated with an 8-0-2 record, with ties coming from games with Newark and rival Upper Arlington. The Cards were named O.C.C. Co-Champions along with Arlington. Led by strong leadership from Senior Co-captains Lars Schmidt and Paul Dolan, the Cardinals were almost invincible.

Through the guidance of All-Conference Senior Defensive men Paul Linder, Shawn Lockett, Matt Cahall and Conference Player-of-the-Year Judd Rupp, the defense displayed tremendous ability and power on the field. The offense, as well, dominated with All-Conference Honorable Mention Senior Quarterback Lars Schmidt and All-Conference Senior Hayden Humphrey, a running back.

The student body made their presence known on the field and in the stands with their overwhelming spirit and enthusiasm. This year the football team fired up the students with a new cheer started by Coach Seaman. This cheer summed up the team's season with "Win, Win, Win!"

The 1984 Boys' Soccer team, coached by Ed Shay, had a fine season this year with an 11-4-3 record. Captain Matt Sobolewski, a senior fullback, led the team with his usual spirit and strong play.

Although senior Mike Jones, the goalie on the squad, fell to injury mid-season, a competent freshman, Matt Brown, took over the position and made the transition well.

The Cards were Sectional Champions with victories over such schools as Pickerington and Northland. Despite losing in the Districts, the Boys' Soccer team seems to improve every year.

Despite a slow start, due in part to injuries to the team, the 1983 Girls' Soccer team, led by coach Herb Hoffmannbeck, had a commendable season with an 11-5-0 record. Michele St. Pierre, a senior on the Varsity squad, made the first team for All-Ohio, a tremendous honor. The Cards were runners-up at the Worthington Invitational Tournament, with wins against Westerville South and DeSales.

Michele St. Pierre, Kristi Demaree, Glenda Oury, Jenny Duff, and Katie Heitman were named All-Tournament Valuable Players.

The 1983 Boys' Cross Country team, under the guidance of Coach Gary Smith, had a very successful season with an undefeated league record of 7-0-0. Seniors Dave Riebel and Paul Turner and Junior Brett Sanborn obtained All-League and All-District honors for the Cardinals.

In addition to the individual honors the Worthington Boys Cross Country team received, the team itself earned many titles. They were OCC District Champions and winners in the Newark and Worthington Invitational. The Cards placed first in the Sectionals, and although they were the District runner-up, they went on to the State finals and attained the highest finish of any team in Central Ohio.

Captains Brett Sanborn and Paul Turner are credited for leading their team to once again another fine season.

The 1983 Worthington Girls' Cross Country team, as well as the Boys, had a super year with a league record of 5-2-0. Led by Junior captains Ann Fisher and Anne Arsenault and Sophomore captain Missy Furnas, the Cards were runner-up in the OCC. At the Worthington Invitational, the lady Cards placed second out of a field of eleven teams. They placed fourth in the district finals with Missy Furnas and Anne Fisher going on to the state championships. They both finished 31st and 41st respectively. Both Missy and Anne were elected to the All-District Cross Country team. With these letter winners returning next year, the Lady Cards look forward to another great year in 1984.

Mud-covered field hockey girls strike a winning pose!

This years WHS Girls' Field Hockey team finished the regular season with a stunning 12-2-1 record and a chance at the state championship. With victories against Upper Arlington and Hartley in the Sectionals, and a win against Bexley in the Districts, the state title was only a step away. Unfortunately, none other than the Lady Cards' nemesis, Hudson and Fairmont, were their opponents for the championship. Although they lost to Hudson, the mere fact that they had the opportunity to go to State made WHS proud.

Tri-captains Libby Harding, Claire Fleming, and Val Owen displayed strong leadership and spirit, and guided their fellow teammates through one of the most exciting field hockey seasons yet. Despite the fact that many seniors are leaving, they will be replaced by very capable Juniors. With their enthusiasms and abilities, the Lady Cards will be almost unbeatable next year.

This year's Girls' Tennis team, along with Coach Jeri Stephan, completed the 1983 season successfully with a 17-3 overall record, 6-1 in the O.C.C. Although they suffered losses to Upper Arlington and Centerville, they placed second in the O.C.C. team standings with an impressive second on all five courts.

Freshman Jennie Young was outstanding this year with a second place victory in the Singles State Tournament after a loss to Liz Alexander, the State Champion from Upper Arlington. Junior Ann Fisher once again was a strong doubles and singles player for the Cards.

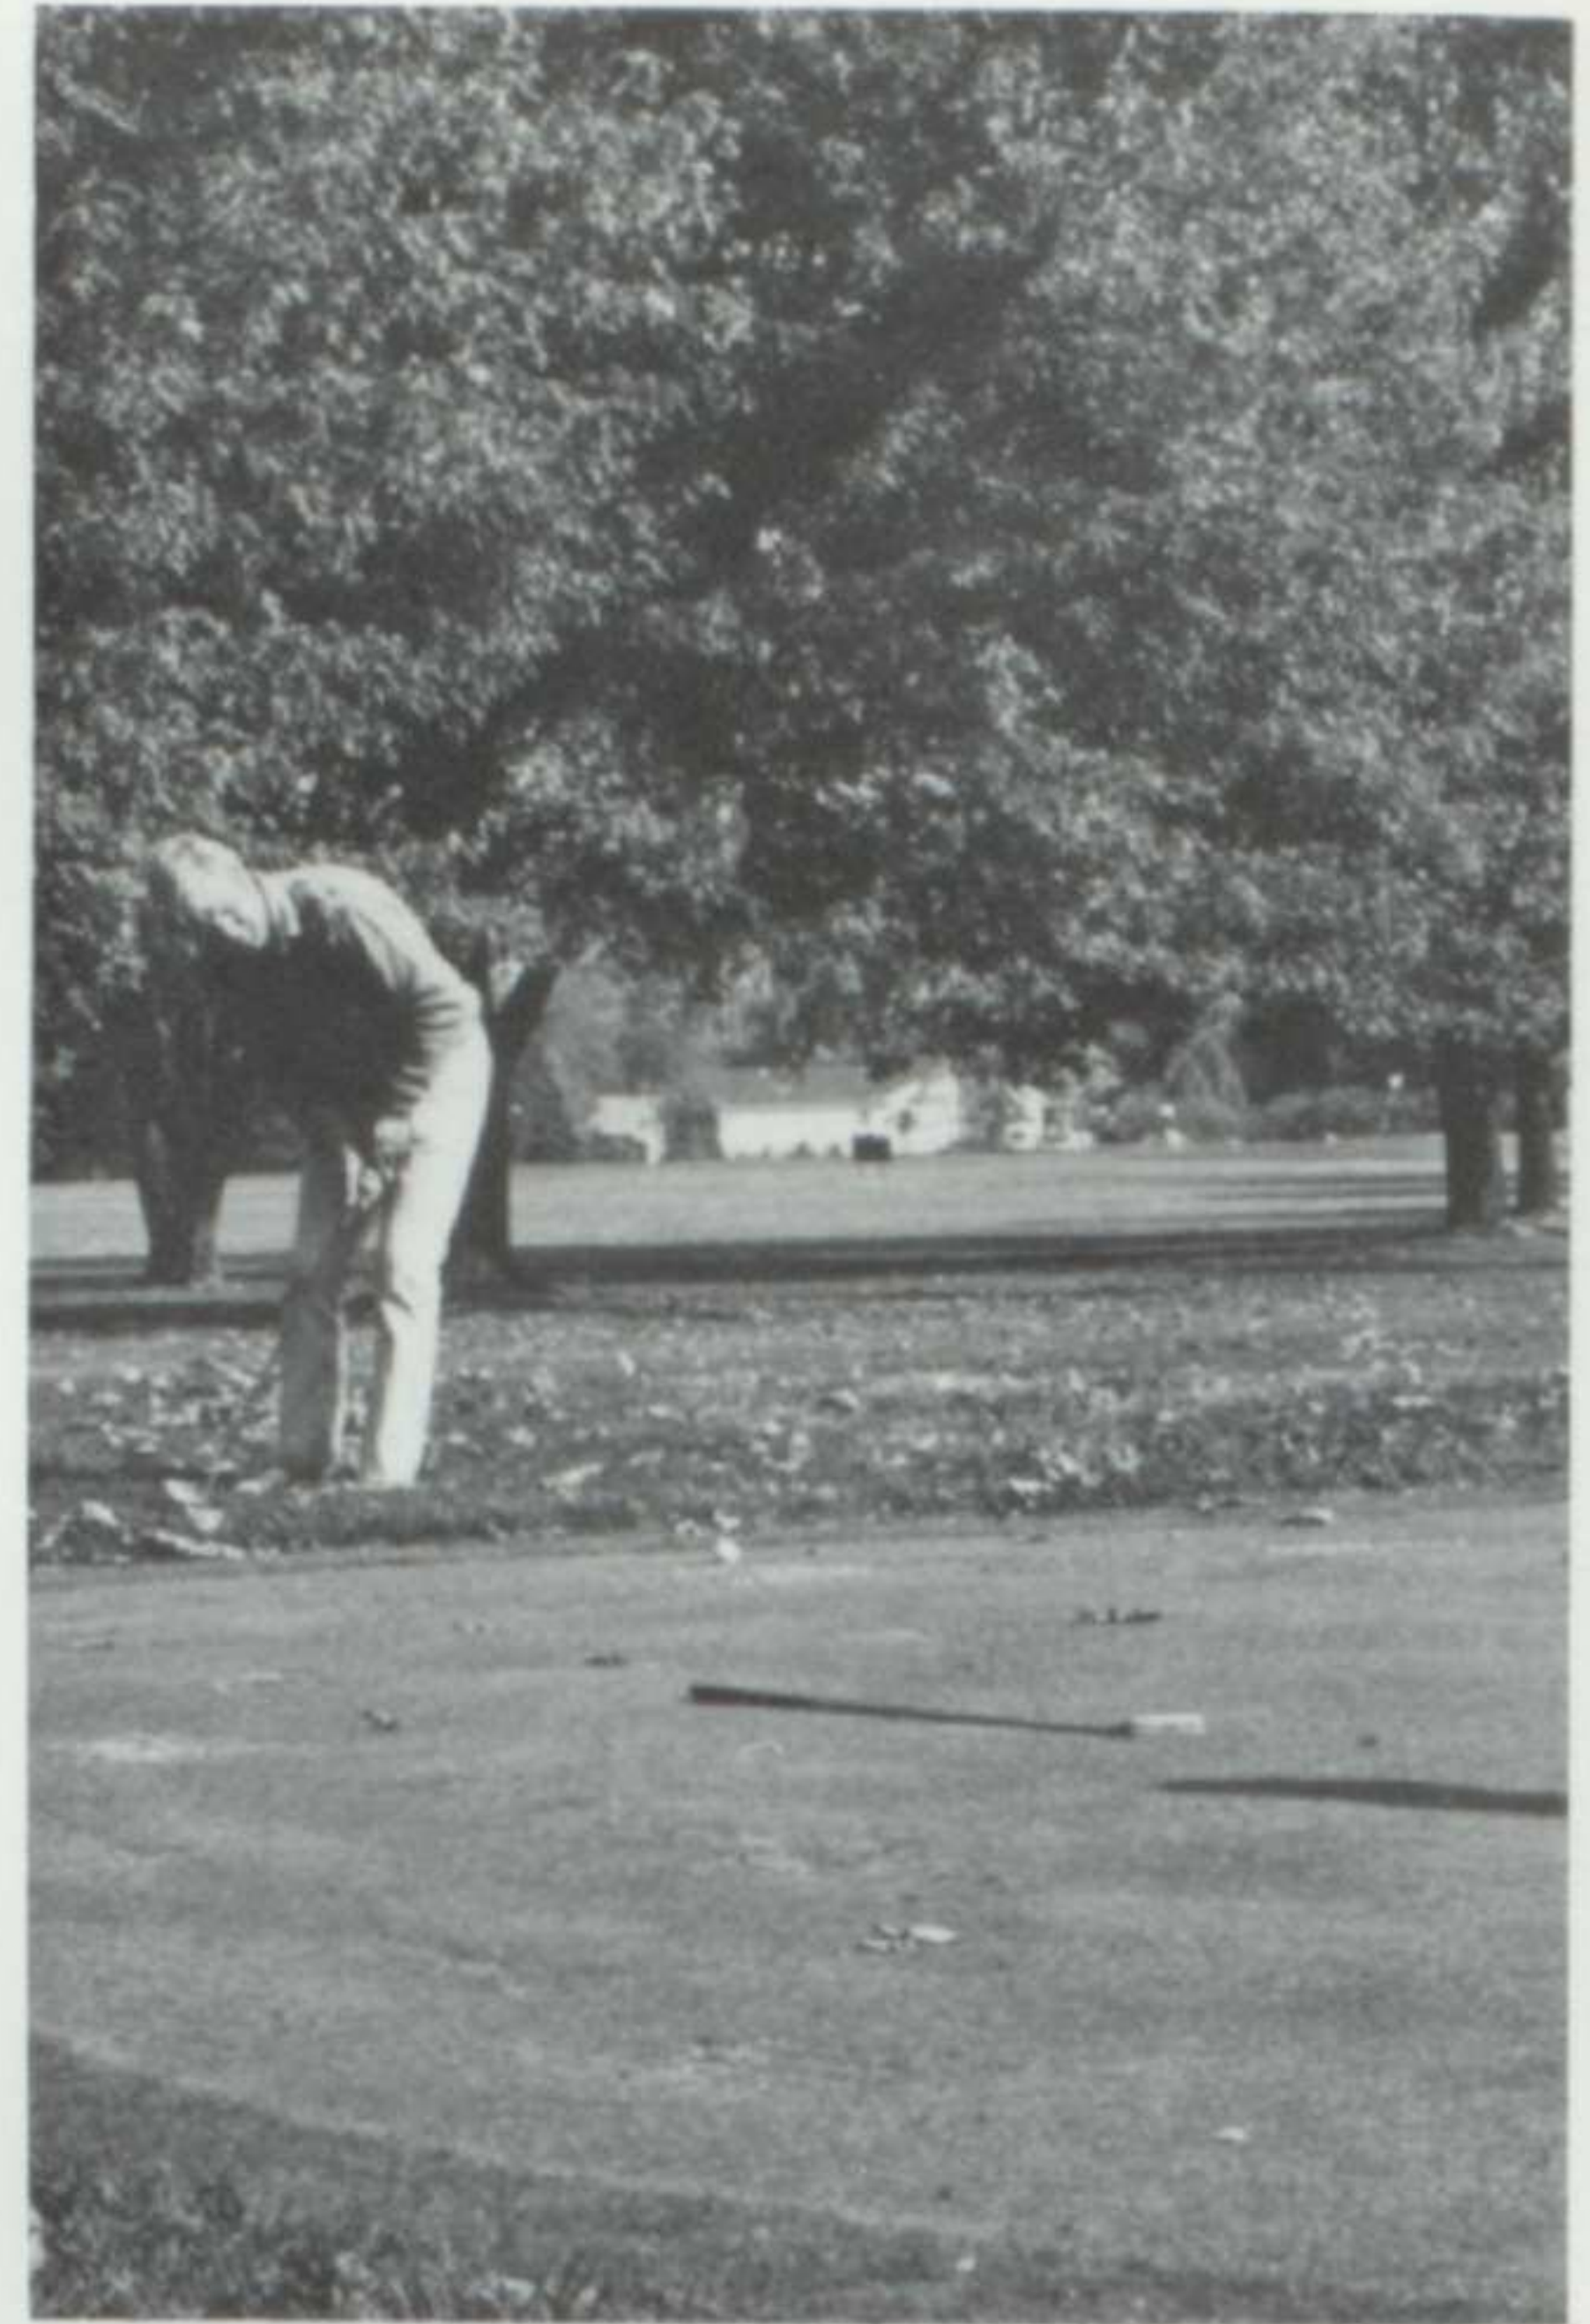

The Lady Tennis Cards possessed skill and confidence this year on the courts and will be an almost sure favorite for the state title next year.

Even Cards can't say out of the traps all of the time!

The Worthington High School Golf team made the school proud this season with a stunning victory at the State Championships at OSU. They beat a strong Kettering Alter team by the score of 655-644 during the two day tourney.

Dave Riegel and his team of seven had an individual team average of 78.5 overall this season. Senior Jeff Walton had a low OCC average of 72.2 as did Juniors Brad Flinders and John Gasper with OCC averages of 76.9 and 77.9 respectively. Senior Pat Scott also had a satisfying season with an OCC average of 78.1.

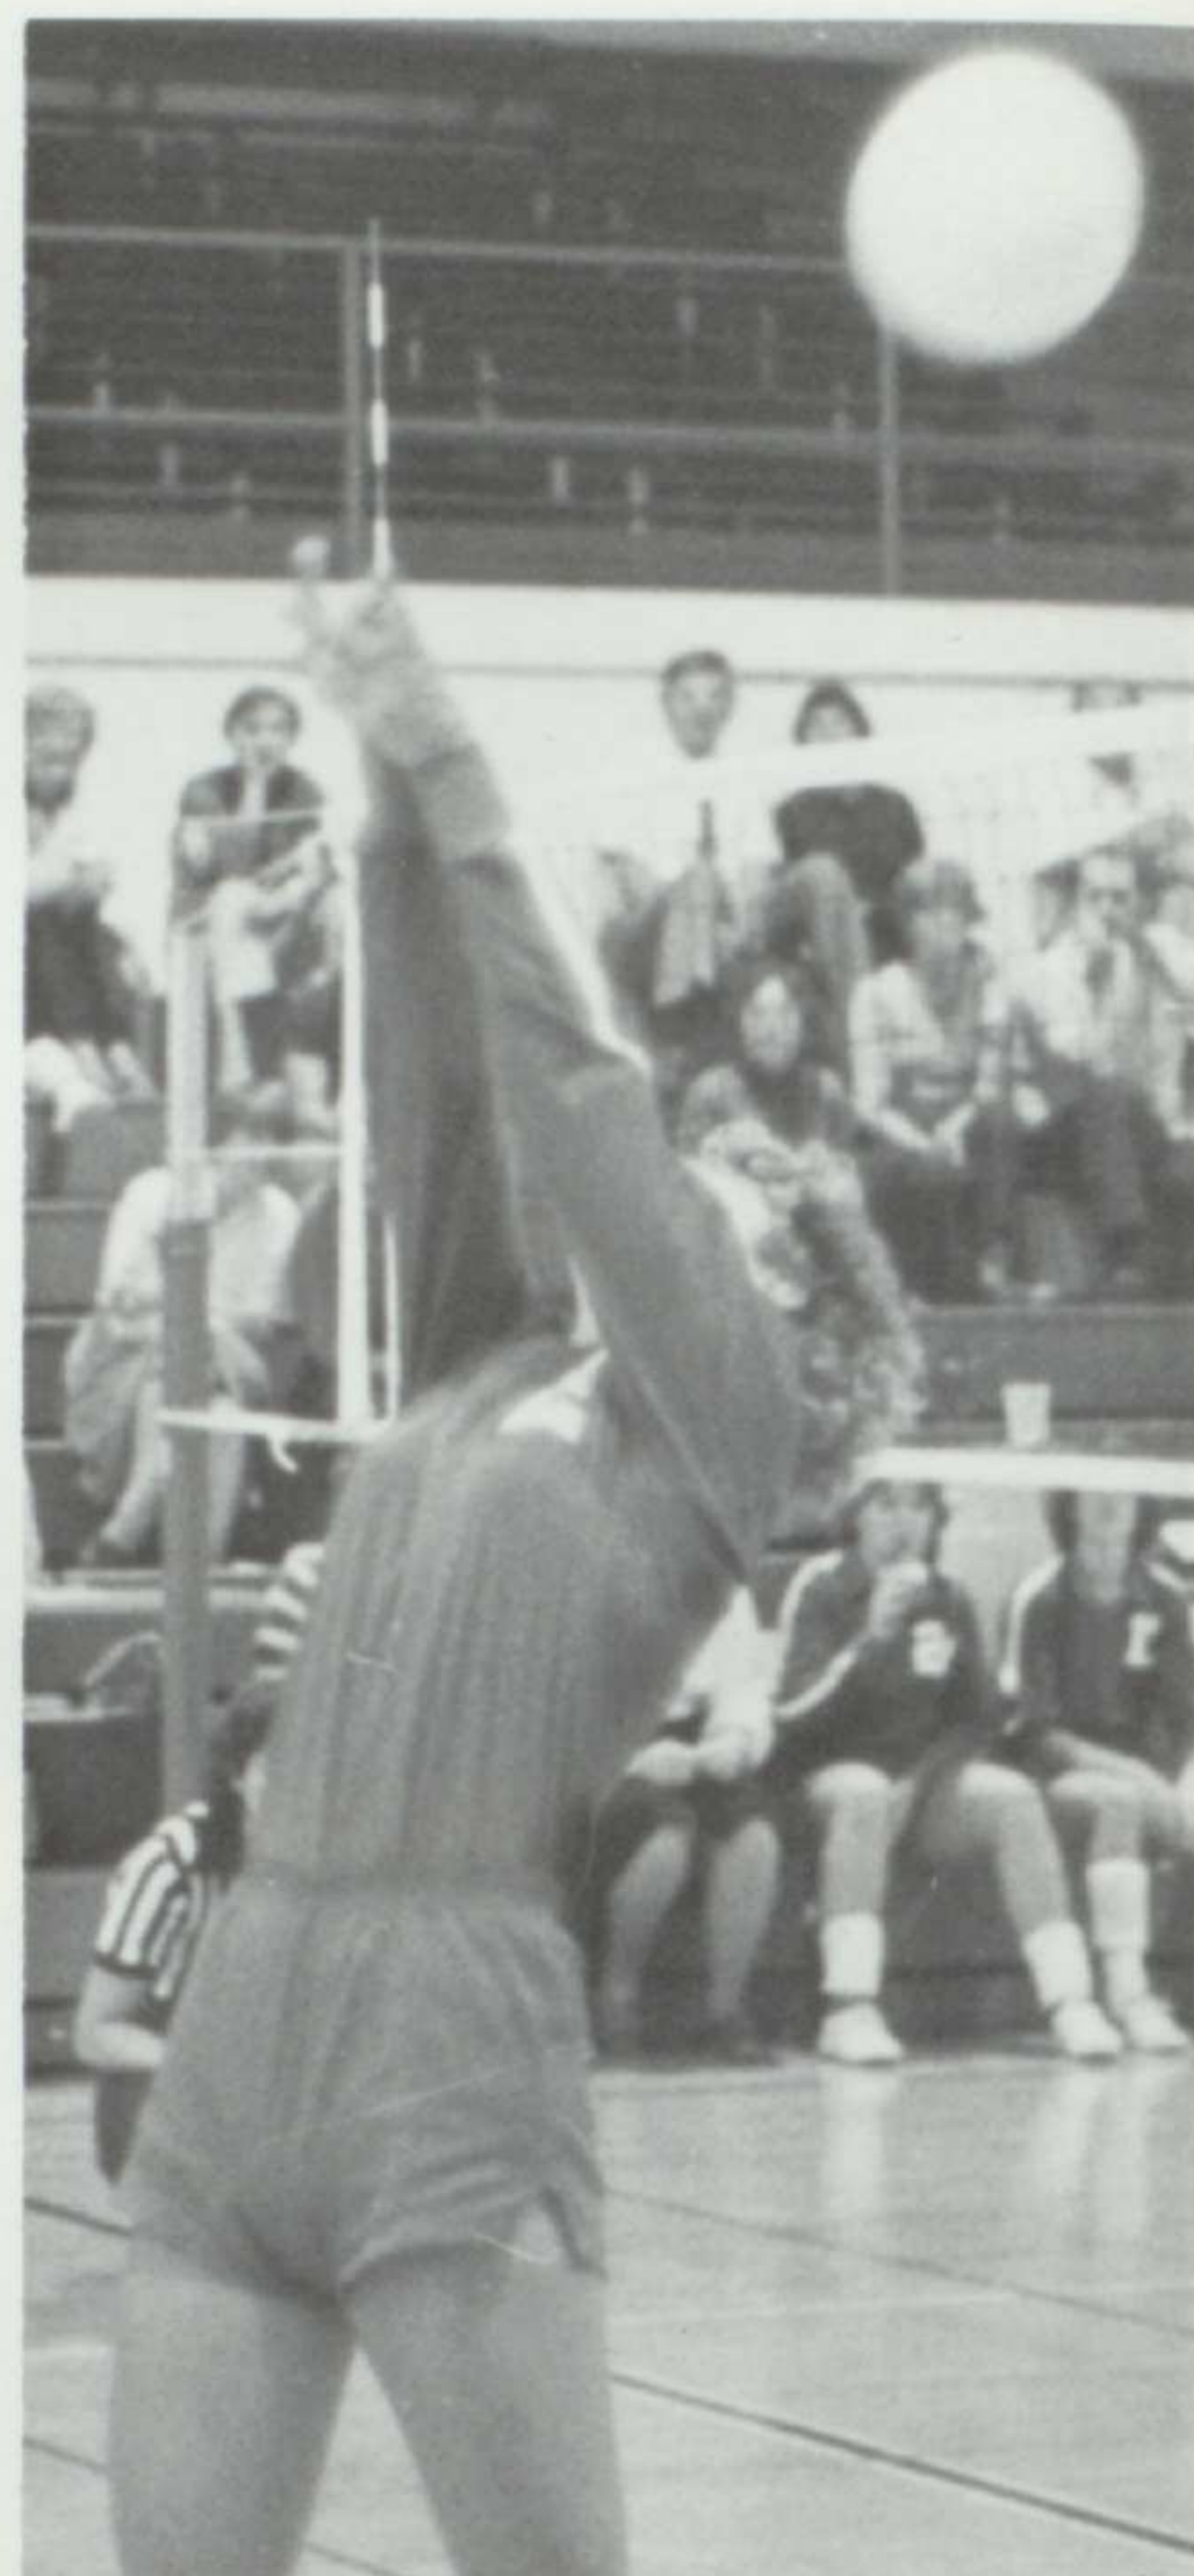

Their overall record this year was 25-5. They won the Shawnee Fall Classic and were district champs before reaching the State Championships. At the districts, only one school in Worthington's division was allowed to compete for the state title and both Worthington and Upper Arlington were trying to acquire the position. It came down to sudden death but Worthington came up on top. Coach Riegel said, "We knew we had an excellent chance to win." And the Cardinal golfers did just that! Senior Pat Scott was low for the tournament, with a 158 for the two days. Coach Riegel summed up the season in one word: "GREAT!"

The 1983 Girls' Volleyball team had a season of improvement, despite their 7-15 record. Head Coach Jennifer Elin instated a new program of practices this year. This plan was designed to get the team in top physical form and to build endurance.

With excellent setting from All-O.C.C. Debbie Cotter, strong offense from O.C.C. Honorable Mentions Lynn Speelman and Sheila Ruda and sharp defense from Amy Parsons, the Cards were a formidable opponent. Juniors Tracy Nagel, Cathy Cron, Lori Harris, and Sophomores Jill Haunty and Danielle Brown also were on the Varsity team.

Beth Haunty and Andy Moyer, former graduates of WHS, have been very helpful to Ms. Elin and the girls. Beth coached the JV squad, and Andy practiced techniques with the Varsity team.

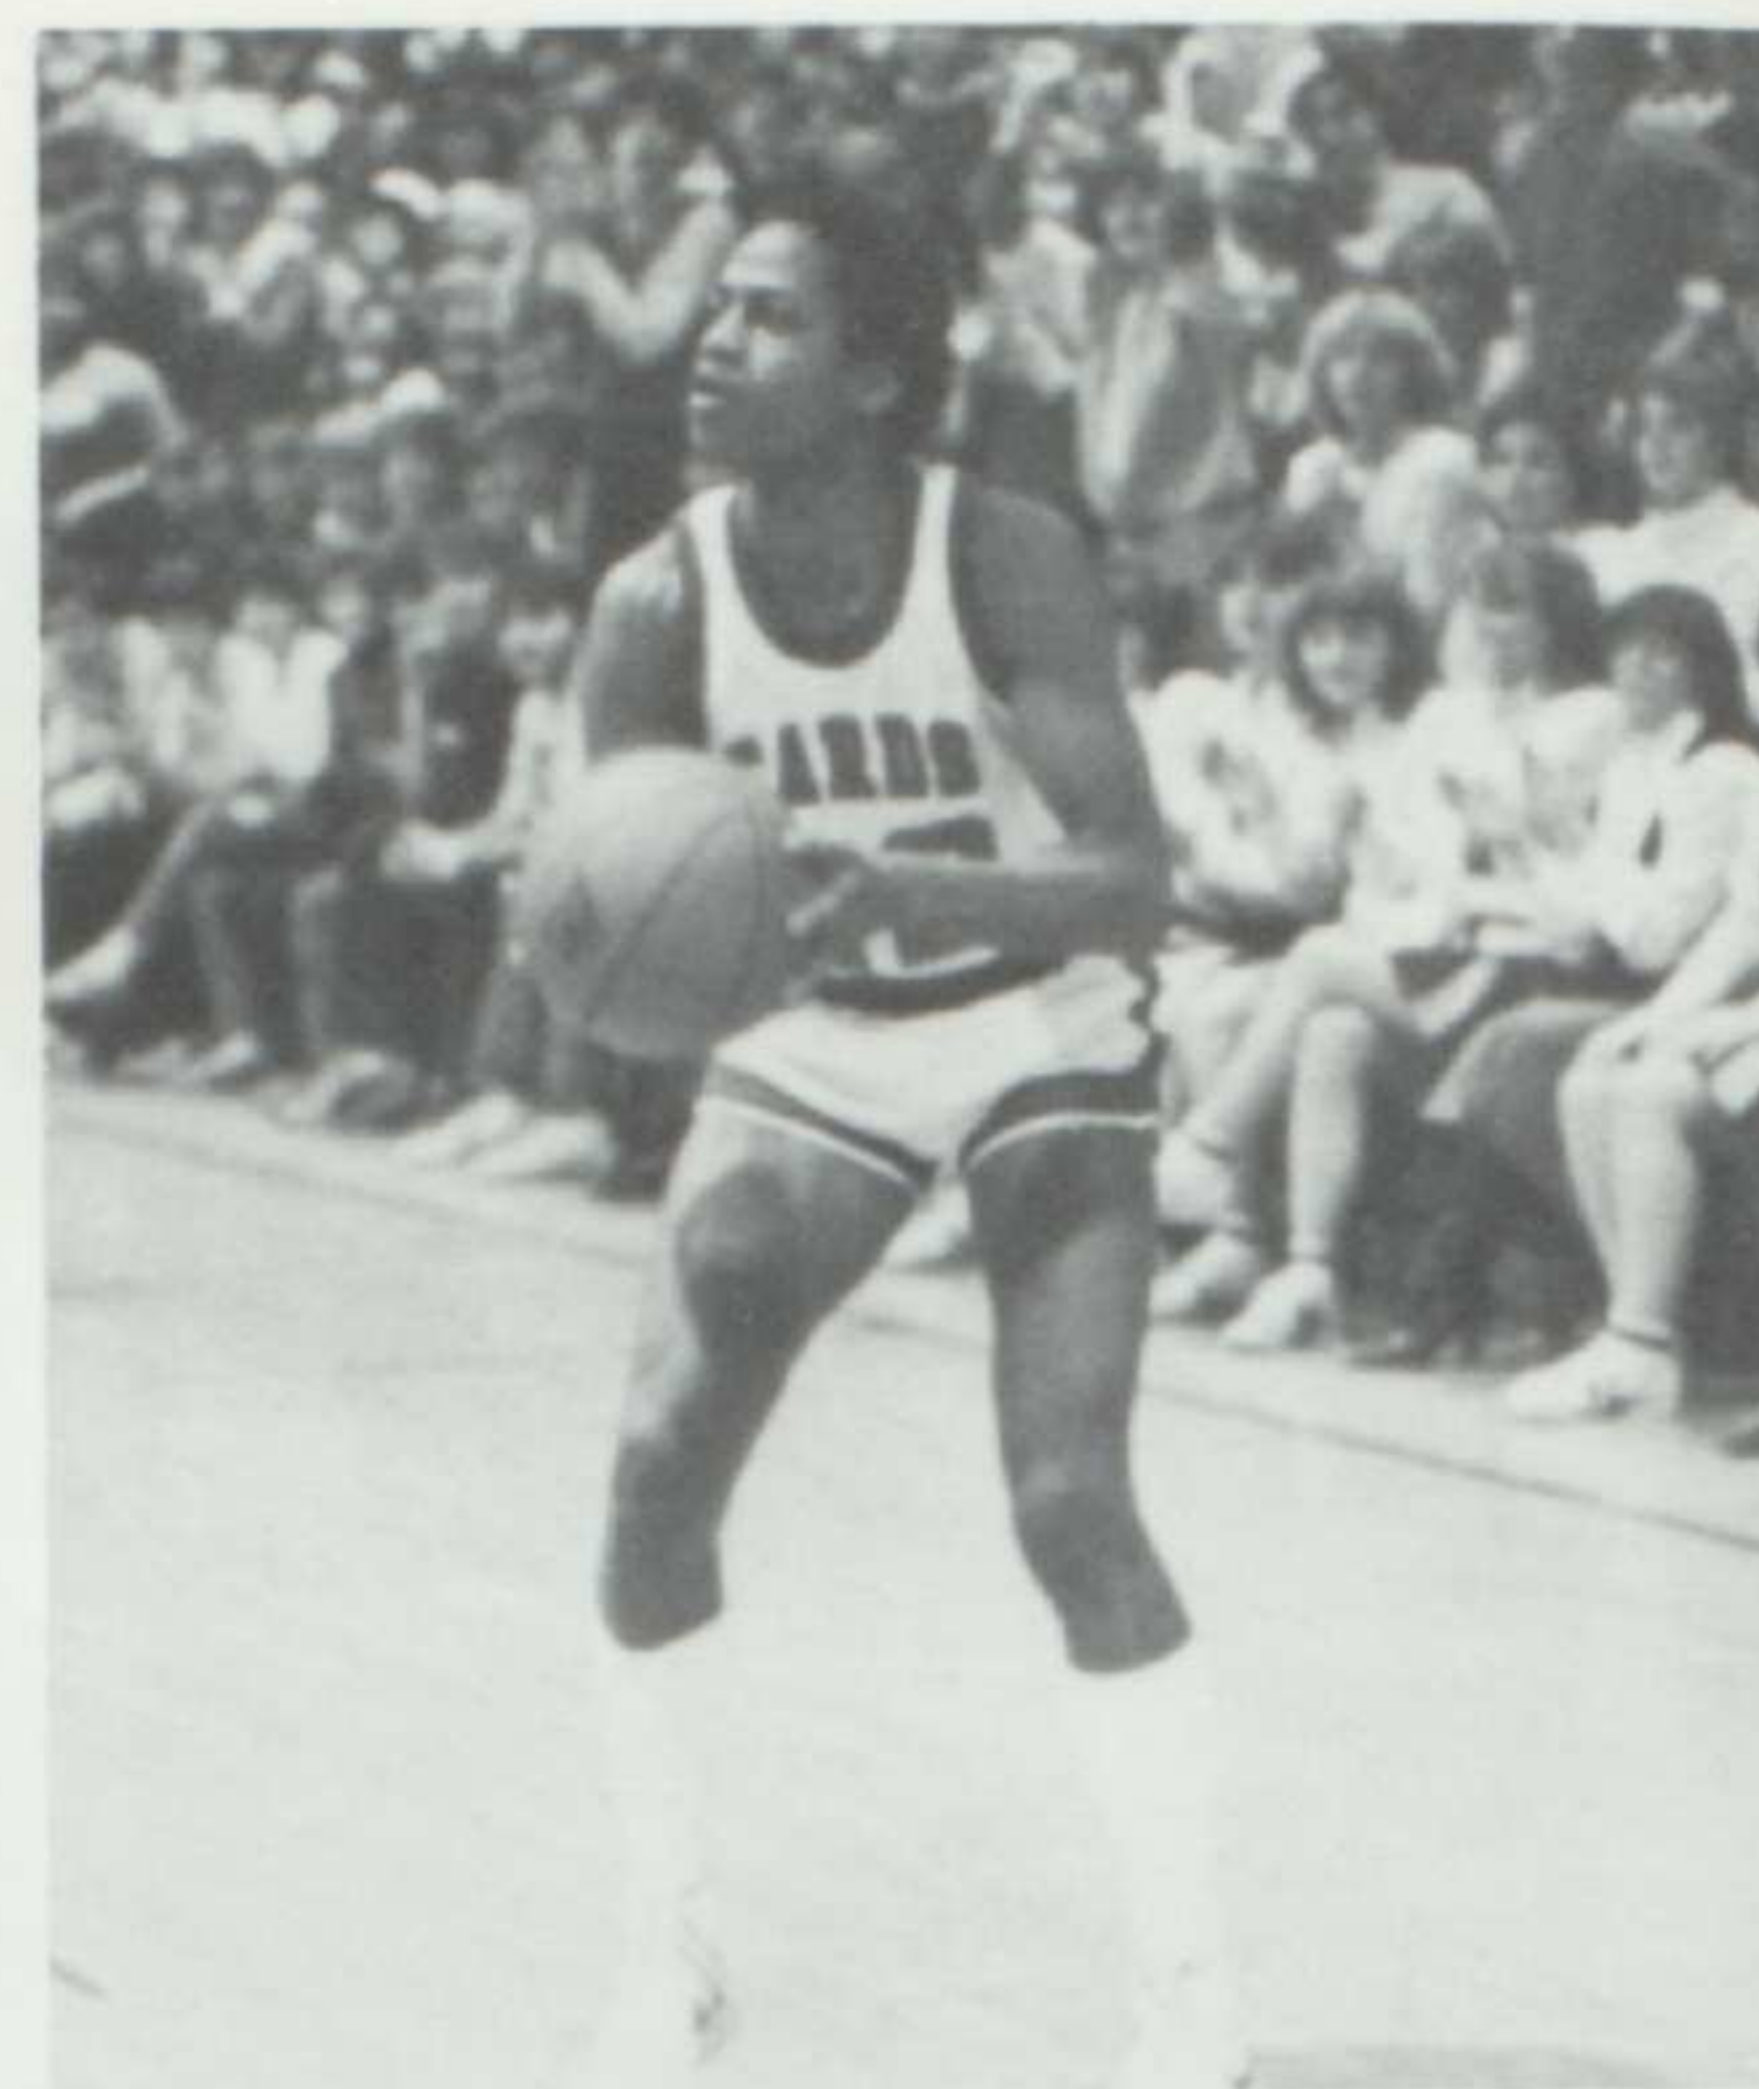

All in all, the Cards had a fun season.

The Worthington High School Boys' Basketball program has undergone some important changes this season. Leading the Cards this year was a new coach, Bob Miller. The Cards under their new head coach were O.C.C. Champions for the third year in a row and finished the season with a 20-5 record. They were also district champions with their stunning overtime defeat of Linden-McKinley.

Matt Sobolewski, the captain of the squad, was a definite asset to the team. He was a strong center as well as a spirit builder for the Cards, and he earned many honors including All O.C.C.

In addition to Sobolewski, there were many other competent ball players. Junior Derek Fields, an outside shooter, played exquisite basketball and had the best scoring average for the Cards. Seniors Jim Letizia, Art Varner, Brad Wentz, and Bill Routzong along with Juniors Dave Dowling and John Fastrich rounded out the Varsity Team.

With a new head coach, and up-coming Varsity members, the Cards will dominate the floor in 1985.

The Worthington Girls' Basketball team had a super 1984 season. They had a final record of 17-7 and were runners-up in the O.C.C. They were Sectional Champions before advancing to the District final, where they lost to Watterson.

With strong, determined seniors and Coach Wallace Chandler, the Cards were victorious over such rivals as Grove City and Upper Arlington. Jill Hitt, a senior, was the dominate scorer with an average of 16 points per game. She also was named All-District and All-O.C.C. for the Lady Cards. In addition to Hitt, other seniors have proven their worth on the court: Michelle St. Pierre, Glenda Oury, and Martha Schmidt.

The Lady Card gymnasts of 1984 had a terrific season with an overall record of 15-2-0 and a league record of 12-0-0. Under the coaching of Marti McLain and her assistants: Shelly Arger, Marcie and Laurie Arsenault, and Scott Willson, Worthington was second in the Class II Districts, and second in the State.

Super gymnasts abounded this season. First, year high school gymnast Kim Klunk placed second in the vault and fifth all-around. Colleen Yakam had yet another fine year as she placed sixth on the floor and eighth all-around.

The captains this year were seniors Kathi Pfreim, and Krista Ford. They were an important factor to the team. Lisa Nadrah, Suzie Klisares, Karen Placeway, and Alyson Poirier were also valuable as well as many others. Although they did not defeat their biggest rivals this year, the lady gymnasts will be back next year to give it their best shot.

In addition, many new school records were set this season. Ned Skinner, Dave Greenlee, Jim Fischer, and James Allen accomplished this in the 200 I.M., 50 free, succession of six dives, and the 500 free respectively.

With the abundance of new coaches to Worthington this year comes the new head swim coach Jim Callahan. He has been an important factor in getting the results the Boys' Swim Team have had.

Special honors were given this year for the efforts of some of the swimmers. Most Valuable Swimmer and Most Valuable Diver consisted of Ned Skinner and Jim Fischer. Most Improved Swimmer and Diver were awarded to Brian Peticolas and Mike Deagle.

With the loss of many fine ball players last year, the 1984 Worthington Boys' Baseball Team had to undergo some extensive rebuilding. Under the fine direction of Coach Frank Cozze and the dedication of the players, the team went on this year to prove that this feat could be accomplished.

Despite a very slow start due in part to the poor shape of the home field and in the inability to play on one, the Cards proved to be a threat. Brad Wentz, Joe and Jeff Ford, Jim Letizia, and other fine seniors led the younger members in spirit and in sharing their skills. Sophomore Pat Kelly had the chance this season to prove his worth as a pitcher, and he did with a final win loss record of 2-2.

The Cardinal Boys' Baseball team of 1985 will follow in the foot steps of previous teams and will continue the tradition of excellence.

The 1984 Girls' Softball Team got off to a slow start this year, but did end up winning seven games this season. Headed by Coach Wallace Chandler and Coach Sunny Spung, the girls put forth good effort and had a lot of fun doing so.

There were five seniors on the team this year. They were: Jill Hitt, Carolyn O'Leary, Glenda Oury, Martha Schmidt, and Debbie Noel. These girls have been playing together since their sophomore year, and the team will miss them.

Next year will bring back many other valuable players, Freshman Holly Pappas was the starting pitcher for the team and will grow with them. Even though the team will lose five seniors to graduation, there is much talent left behind. We should expect some good ball from the team of 1985.

Paul Linder puts the shot.

Hayden Humphrey uses his arms for extra length in his jump attempt.

The Boys' Track Team had a fine year and a winning season. Although plagued by injuries, they still sent three students to the state meet.

Paul Linder went to the meet and threw the discus over 170 feet. Hayden Humphrey also went to the meet. His event was the long jump. Finally, Len Kemp, although on the sidelines for most of the season with a leg injury, went to the meet to compete in the pole vault. Humphrey also competed in the high jump.

The team will lose these three fine athletes to graduation, but next years team is coming up with a lot of talent.

Sue Kemp puts top effort into the full follow through of her toss.

Lynnette Humphrey lifts off for her jump.

The 1984 Girls' Track Team had an excellent season this year with an 5-1-1 record in dual meets. Headed by Coach Jennifer Elin and her assistant coaches, the team had an abundance of talent.

The team was second in the OCC League. Upper Arlington was in first place, but only beat Worthington by eight points. The team was first in the Worthington Relays and in the Hilliard Invitational. They were also second in the Districts. Seven girls went to the State meet. The 800 and 1600 meter relay team of Anne Arsenault, Juli Justice, Kristin Daum, and Michele St. Pierre had some of the best times in the state, but on the night before the meet, one of the members was injured in an accident. Kristin Daum participated in the 400 meter and her time got her 8th place in the semifinals. Sara Wilson received sixth place in the shot put and set a new school record. Finally, Allison Brewton received sixth place in the high jump. She jumped 5' 5".

The team will lose only four seniors, but they were important ones. Next year's team, though, will have plenty of talent left to carry on the winning tradition.

Tom Stephenitch questions a line call.

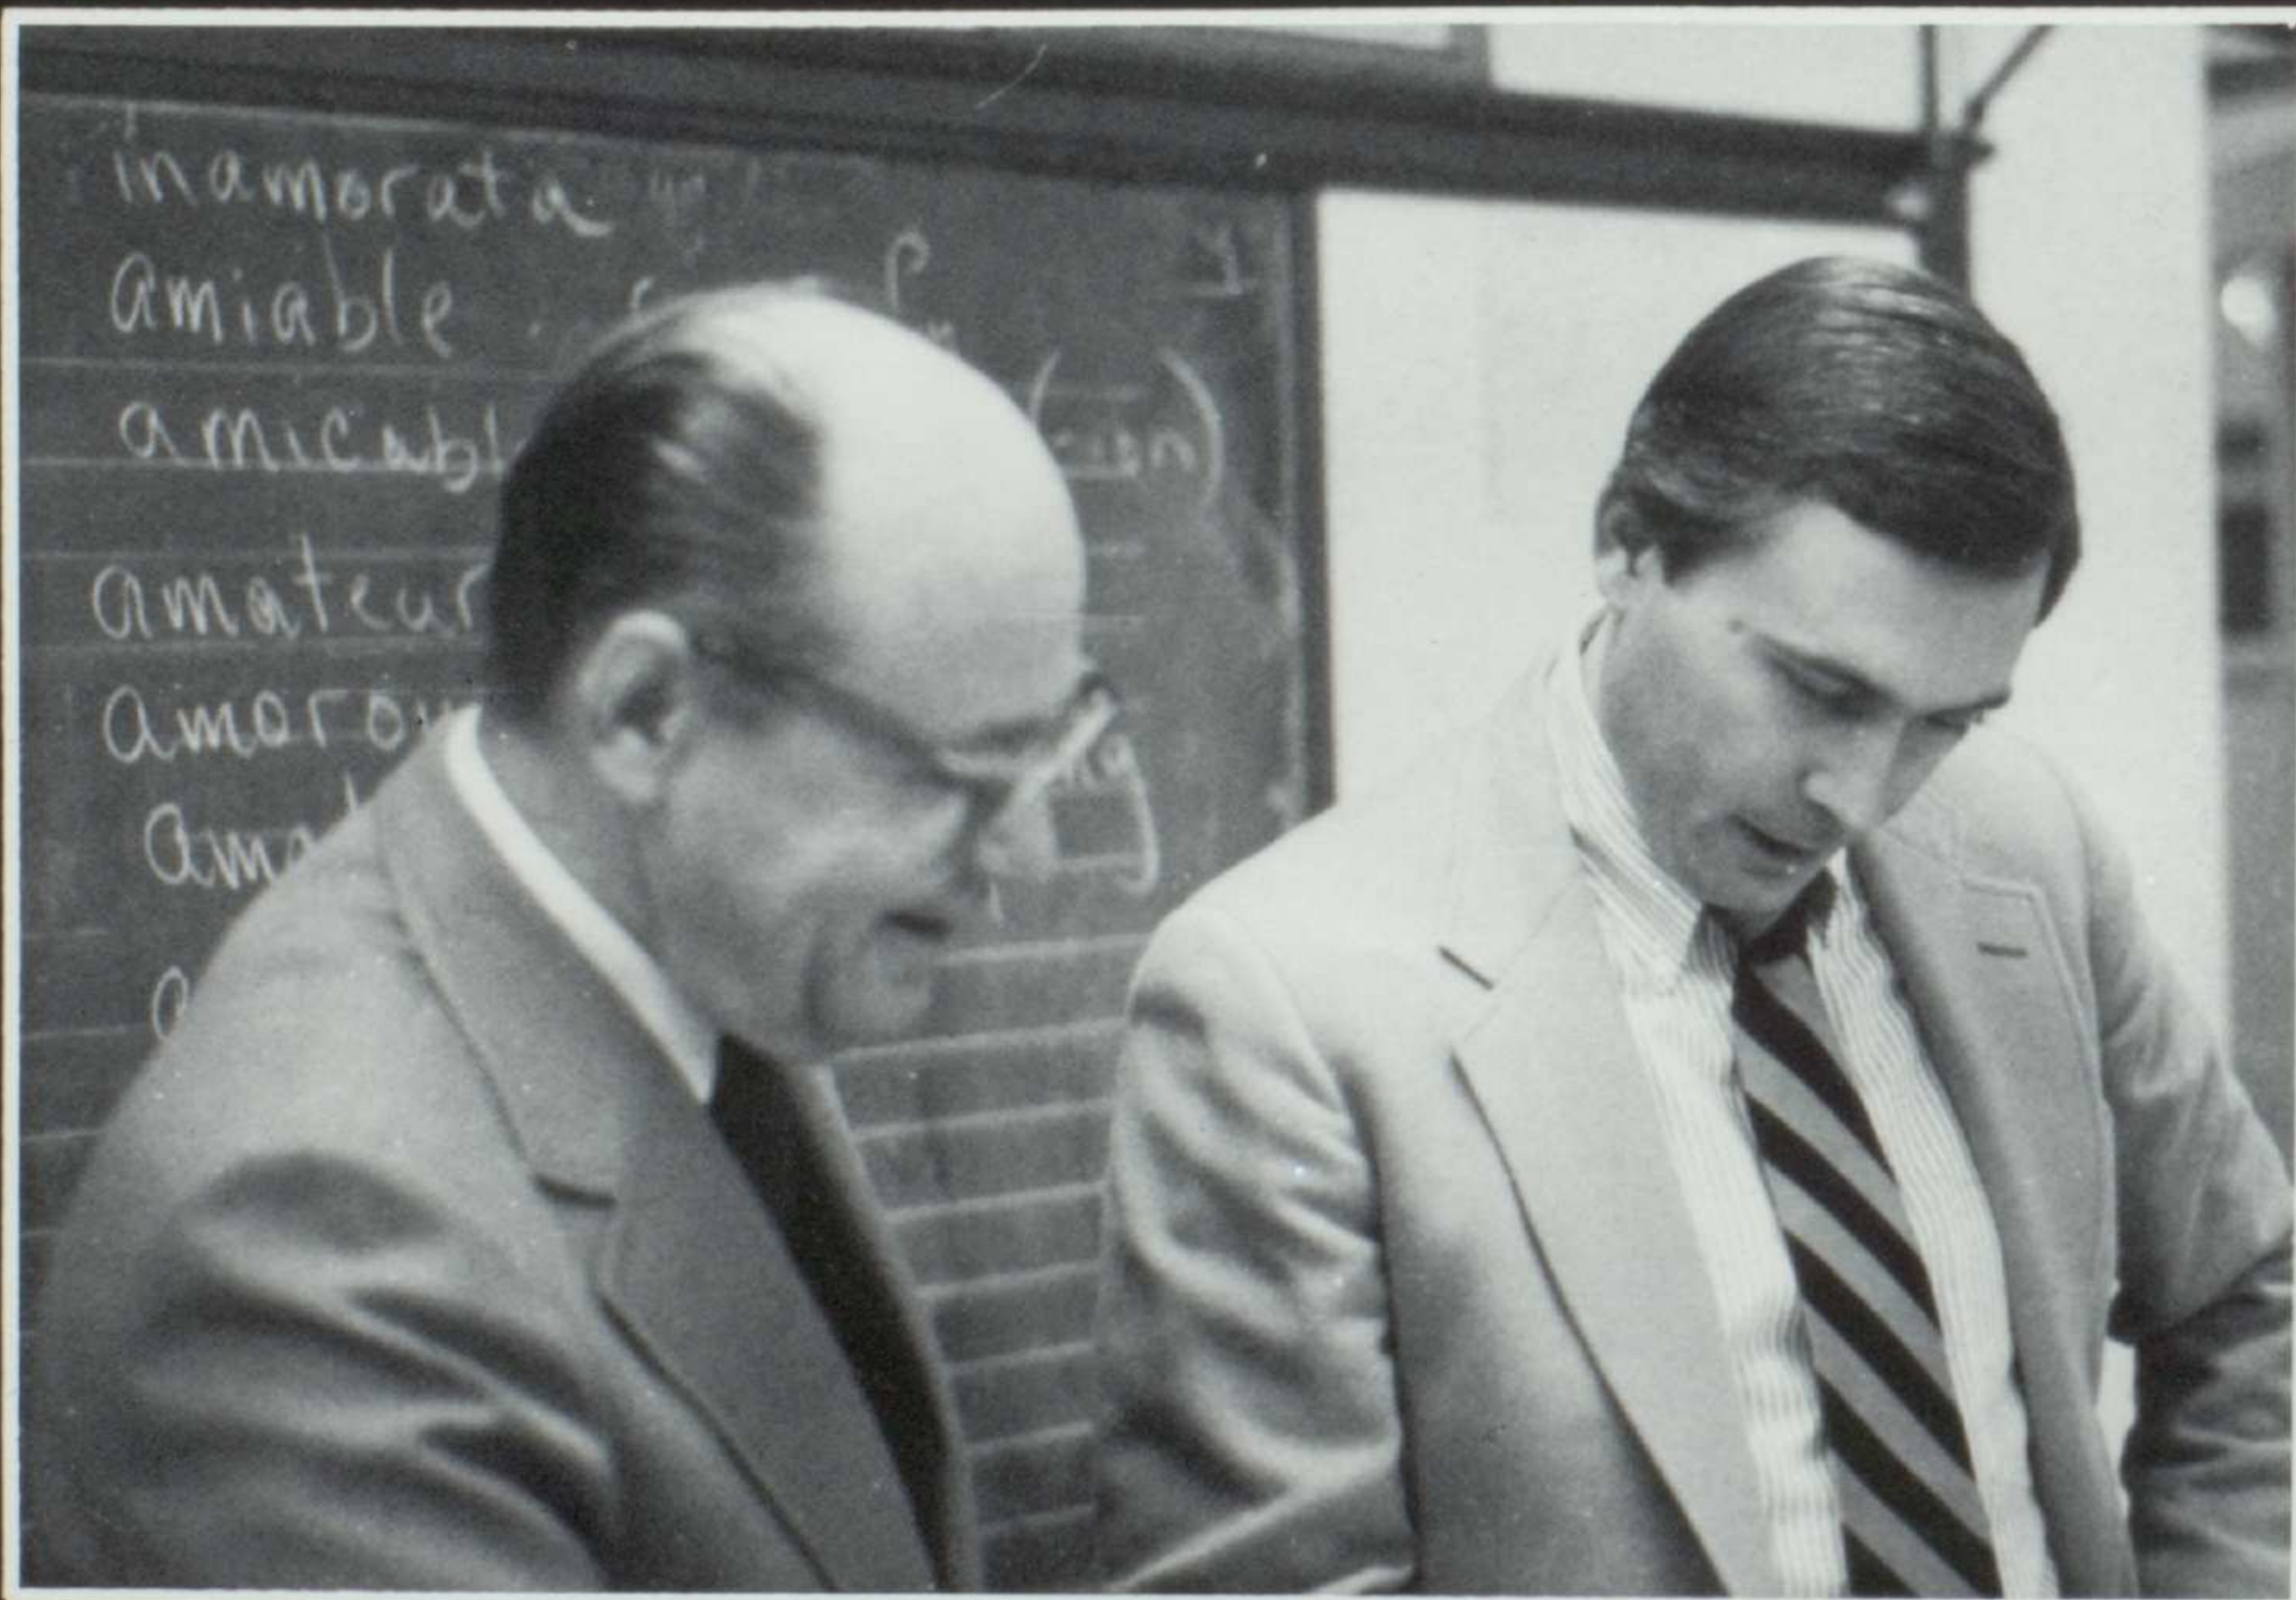

The 1984 Boys' Varsity Tennis team had an excellent season this year. Although the team is very young, it had a strong foundation of talent and it showed in the way they played. Headed by Coach Rick Redman, the team did very well in state competition.

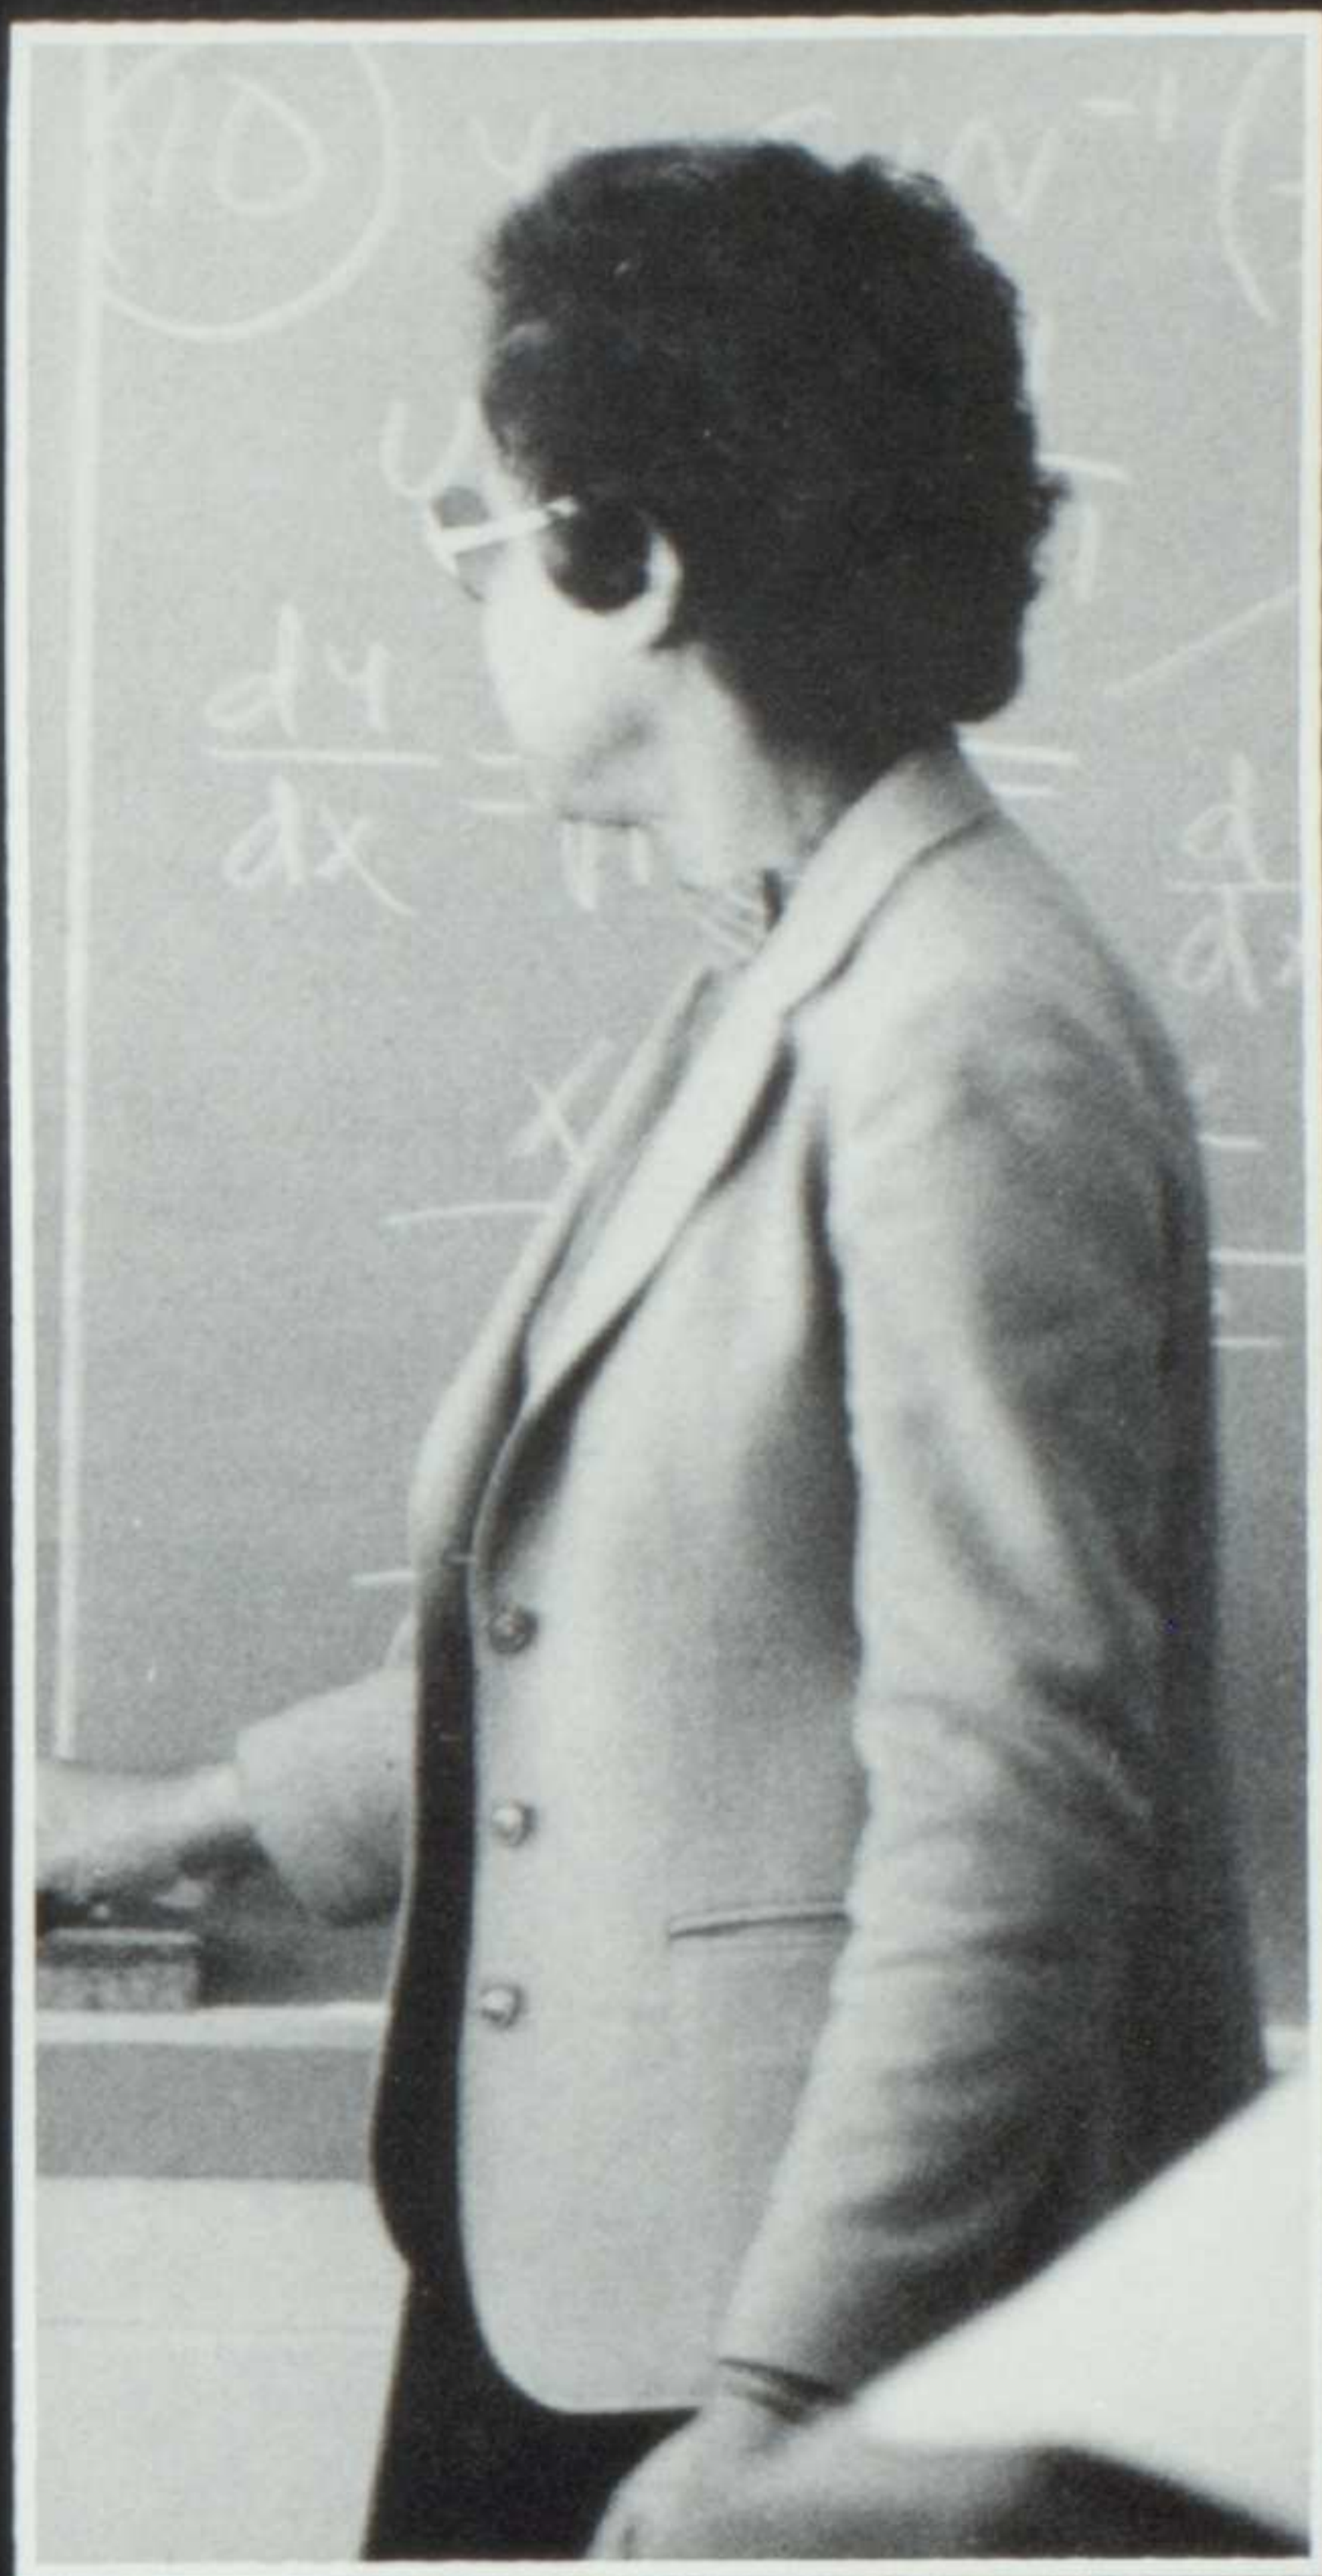

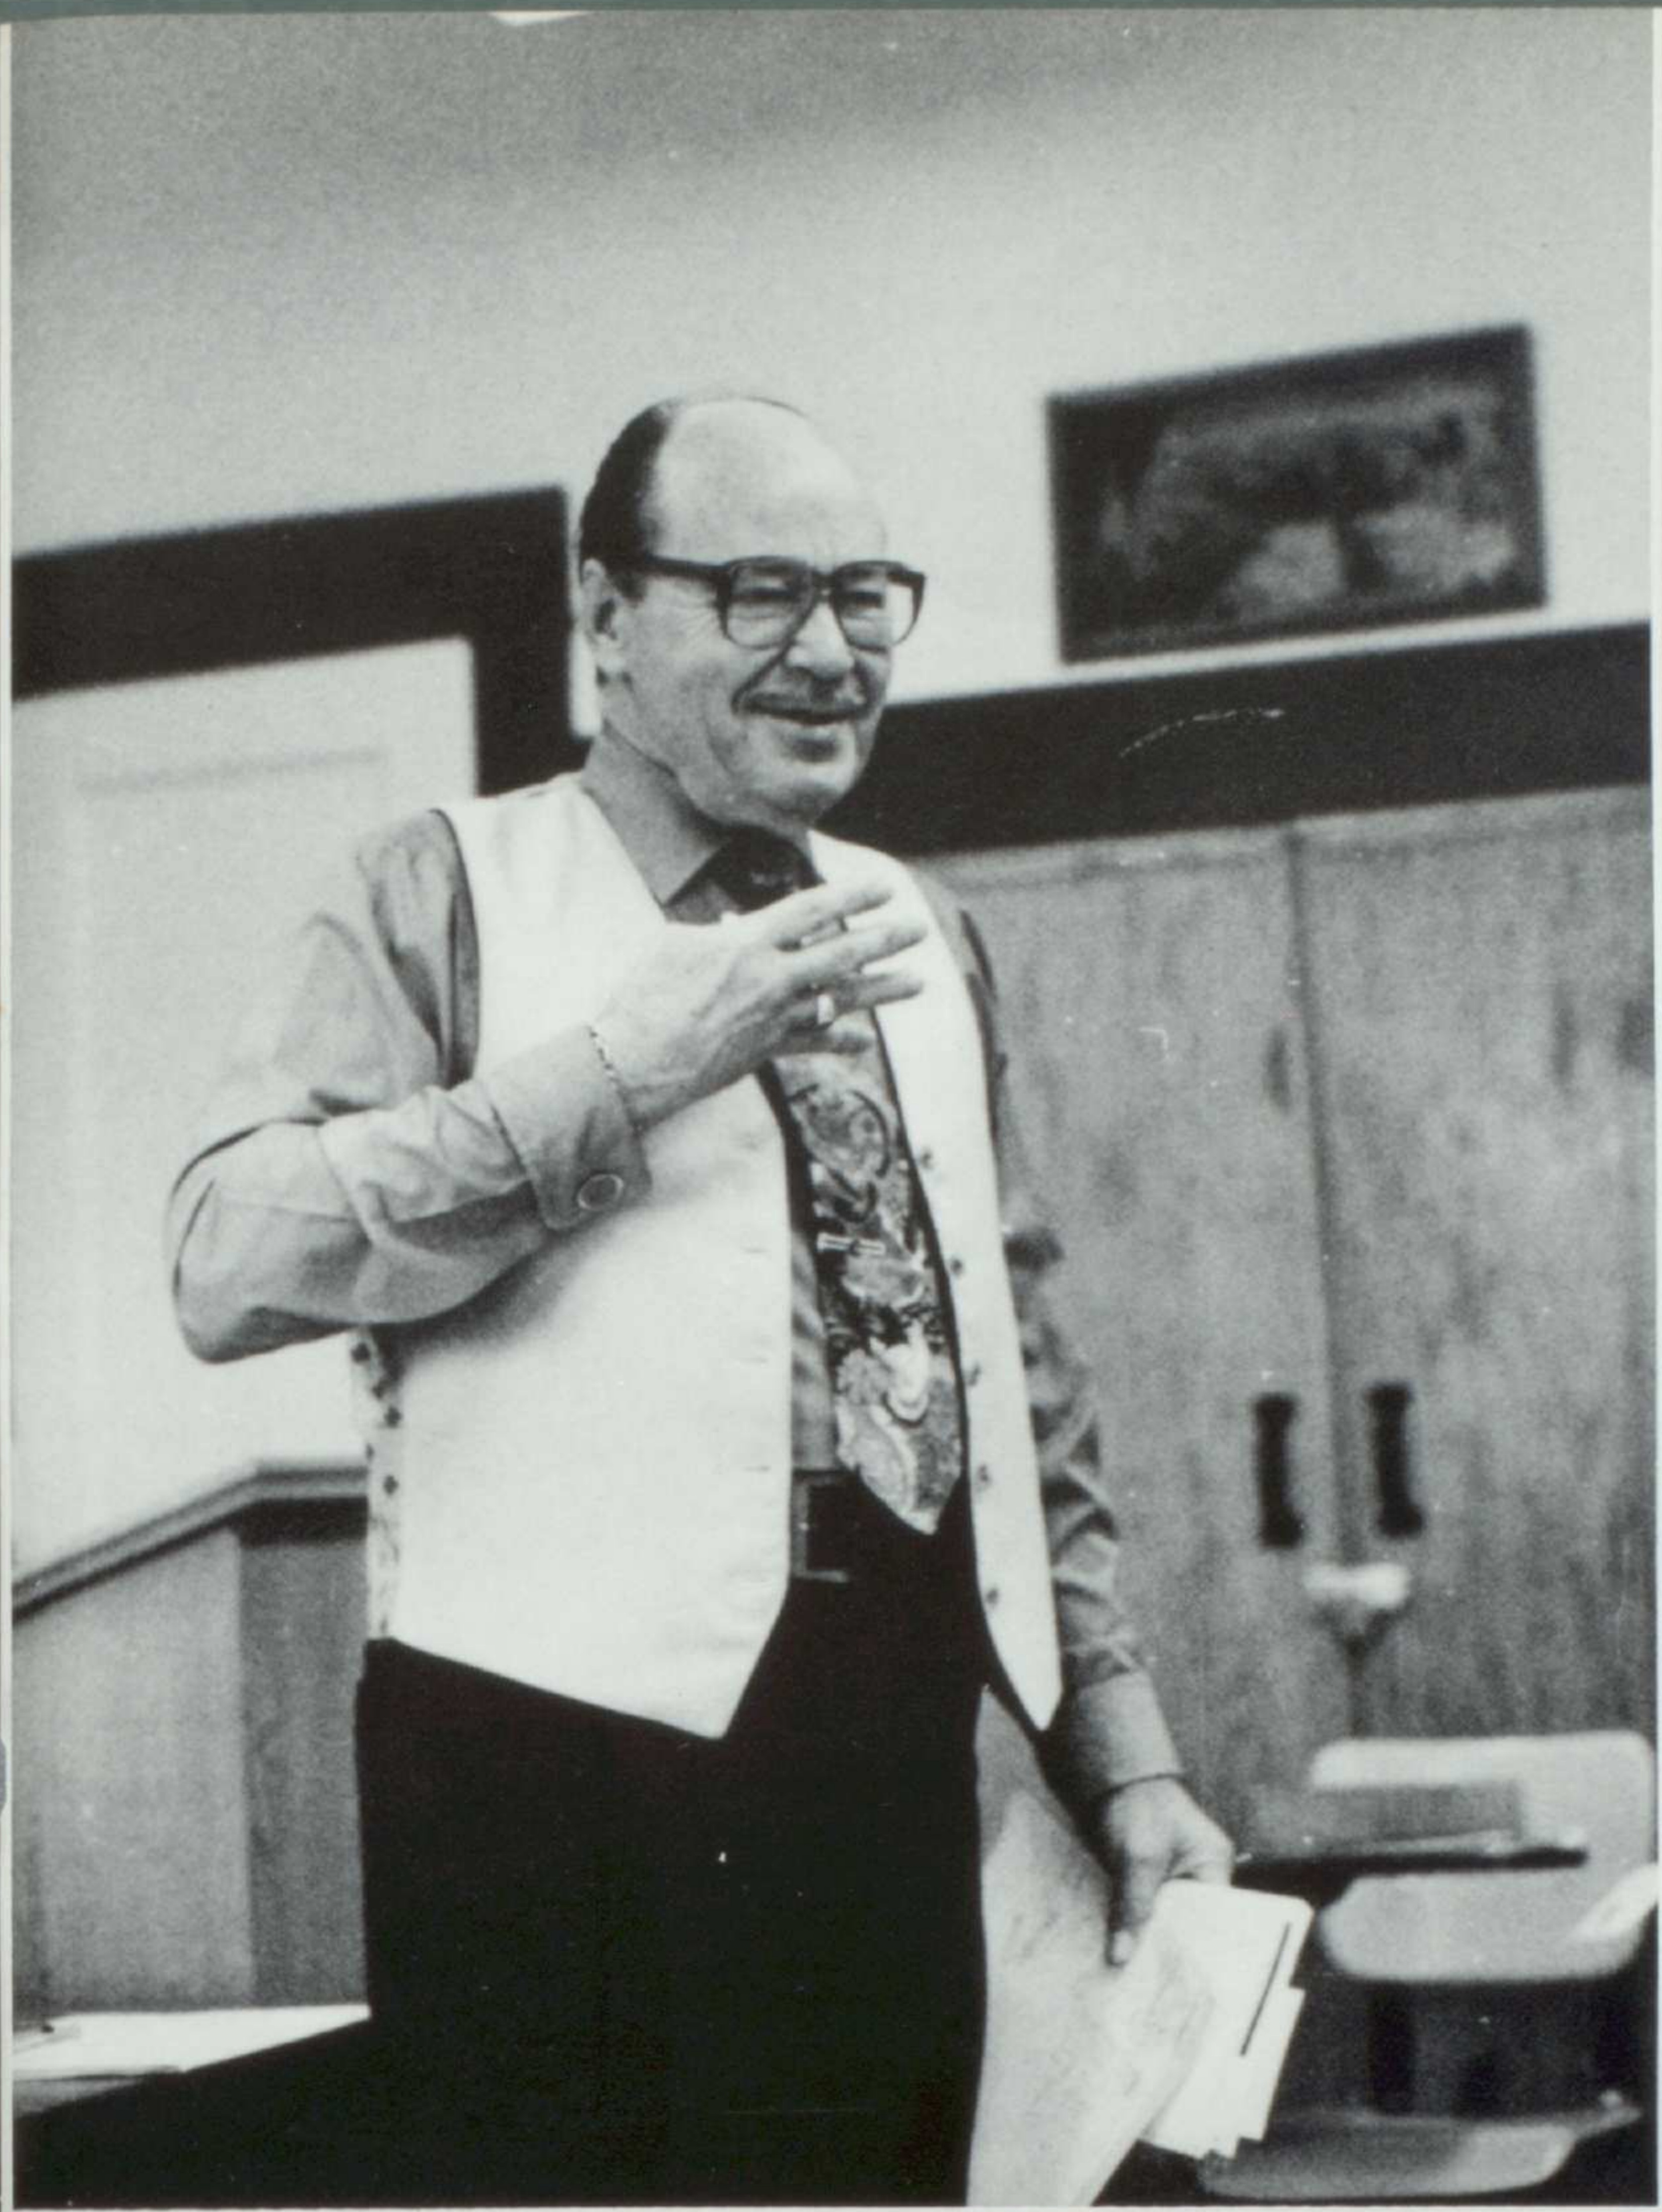

Lance Thompson played #1 singles; John Rice played #2 singles; and Jeff Borel played #3 singles. The #1 doubles team consisted of Tom Stephenitch and Jim Culver.

The team has many of its players coming back next year and the fans will see another winning season.

Walkabout

The A.P. provides many types of learning experiences. Walkabout is one of them. Walkabout is an optional program primarily for seniors who have completed all, or almost all, of their graduation requirements by the end of first semester. It is a period when seniors may investigate possible career interests or pursue experiences unattainable in a regular high school setting. These seniors locate placements where they may work daily in place of the usual school day. Thus they gain a unique experience and perspective on their interest. Seniors do not observe on Walkabout; instead, they actively take part in their chosen subject. Walkabout illustrates the A.P.'s ability to provide students with varied learning environments.

Senior Rec Ends The Year

Senior Rec is a term given to a host of activities that fill an afternoon and evening in early June. Students display projects accomplished during "interim," a one to two-week period devoted to independent pursuits. Seniors who participated in the Walkabout program share their experiences with students, parents, and the community through a symposium that features lectures, slideshows, and demonstrations. The evening also includes a potluck meal, talent show, slide program, and presentation of a rose and gift to each senior from the junior class.

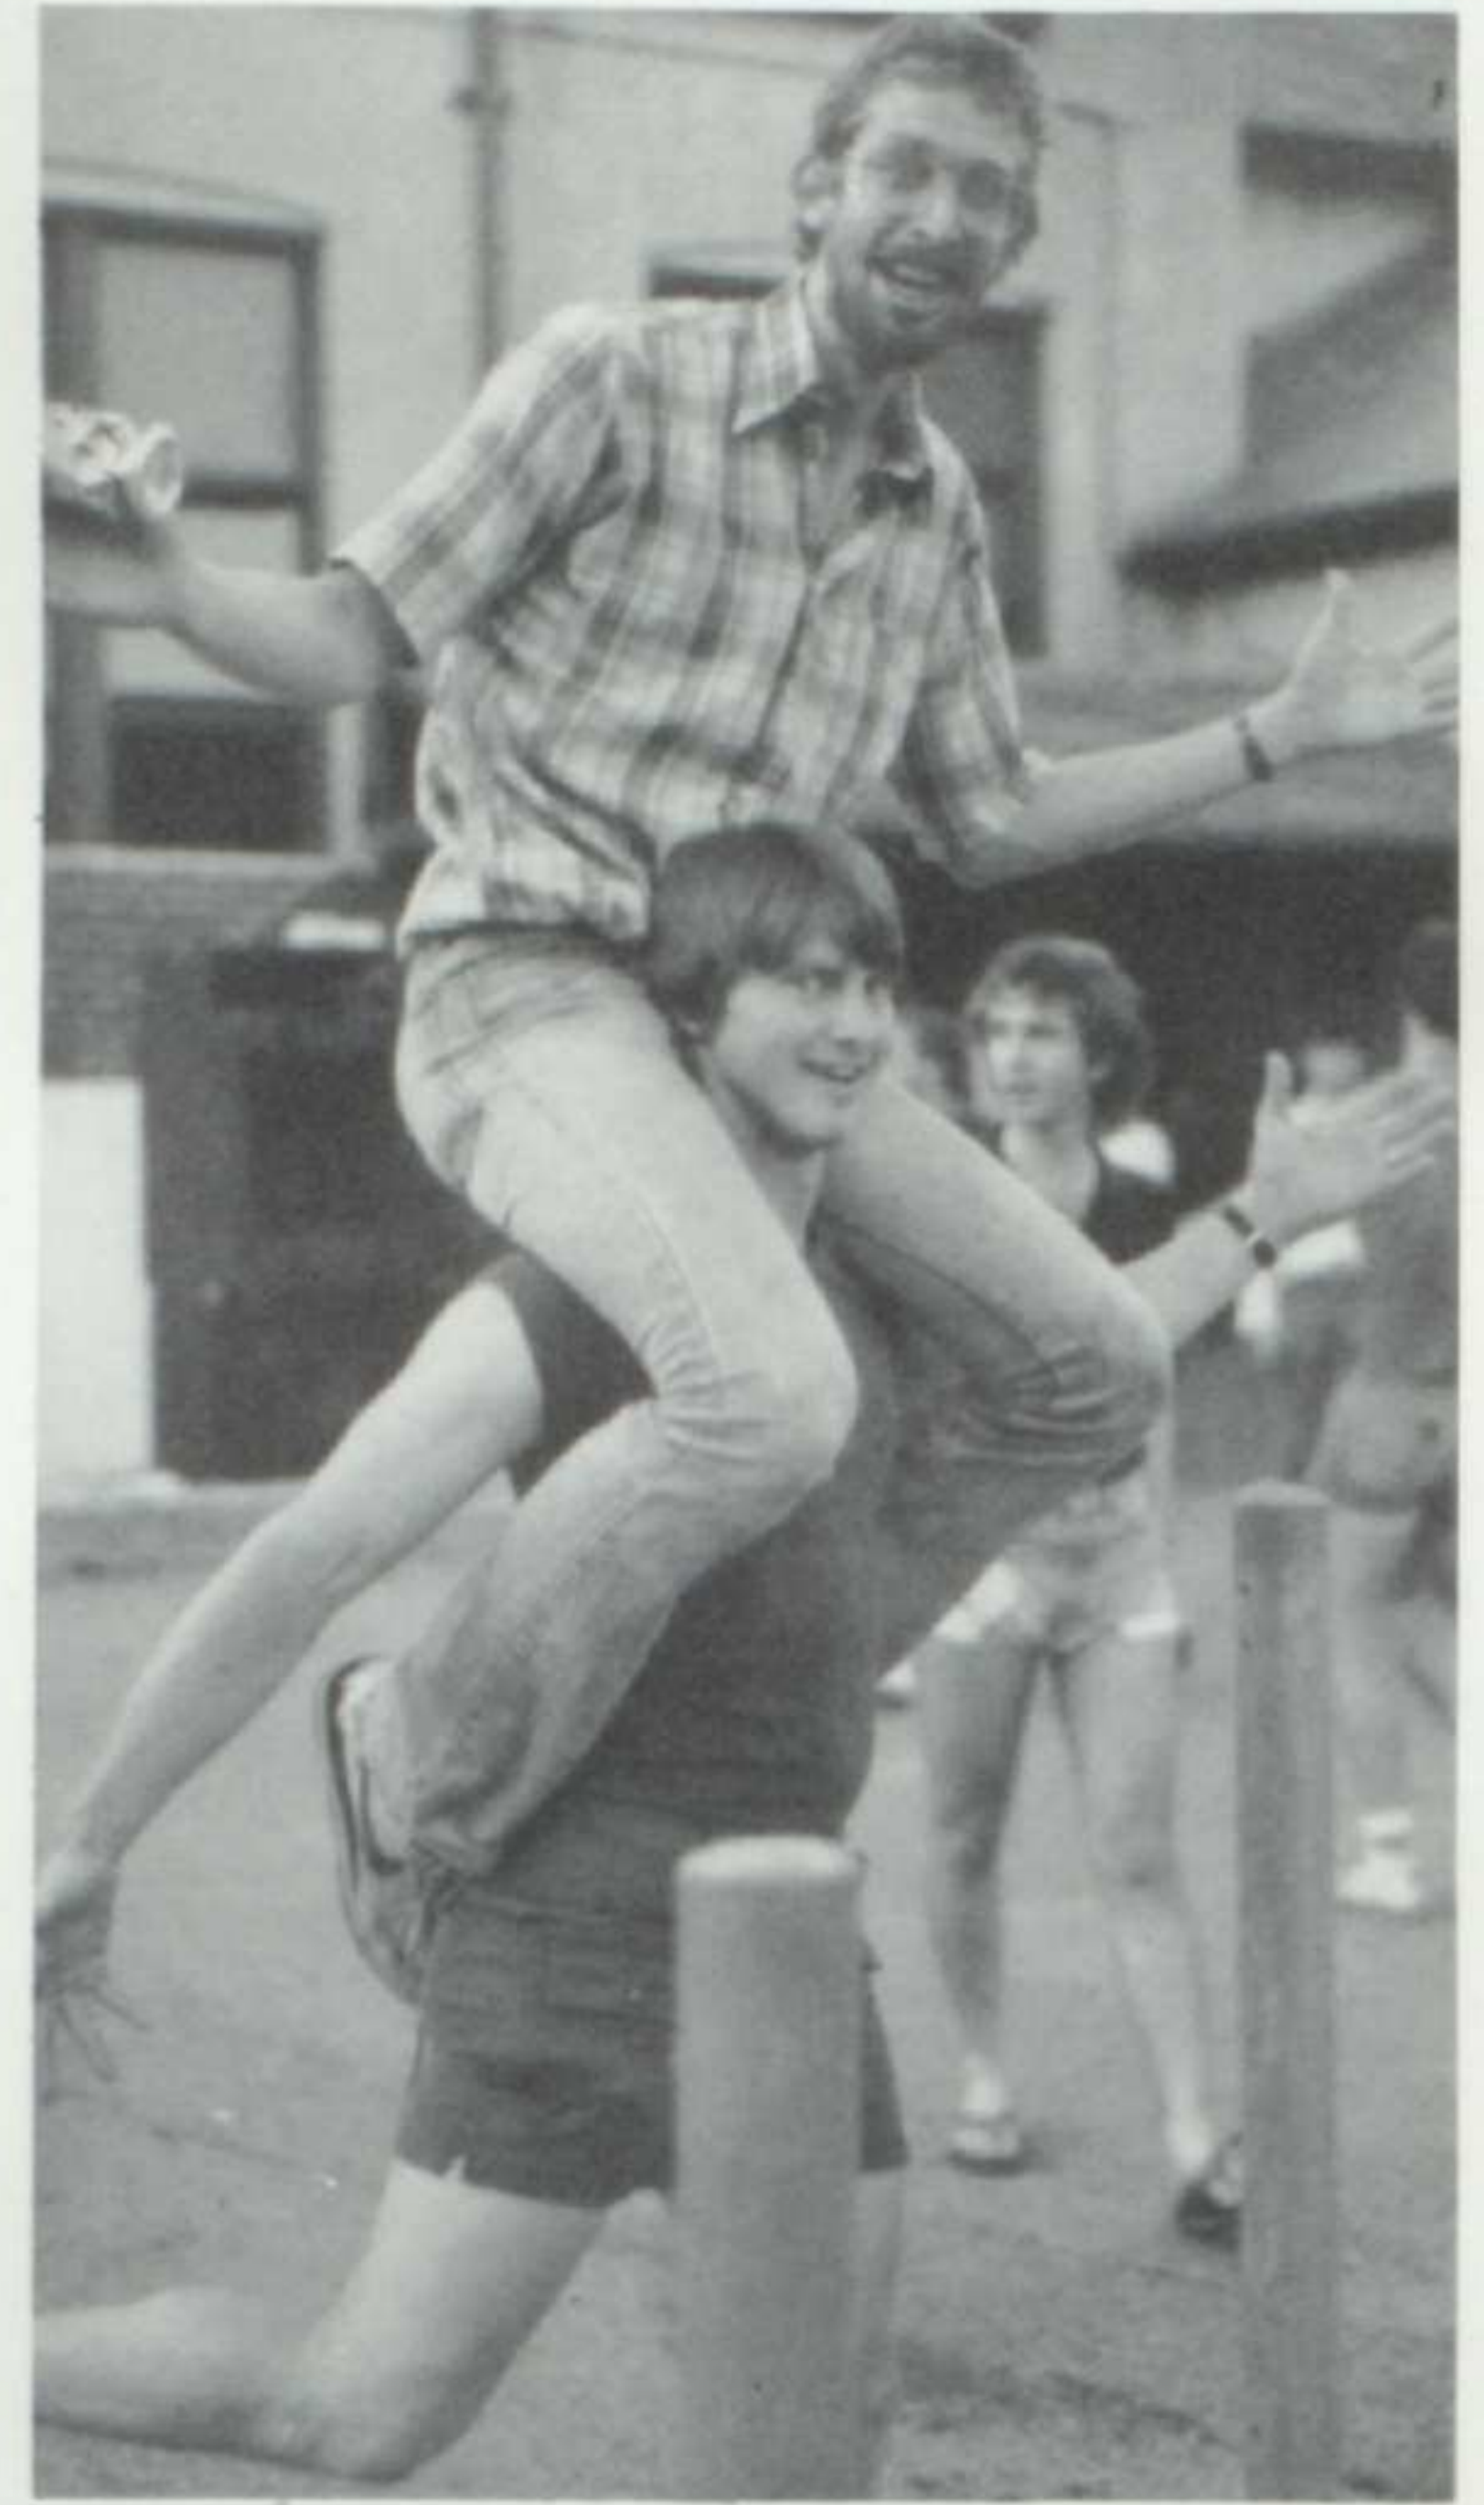

This year was very special because the tenth anniversary of the A.P. was celebrated with a reunion of A.P. alumni. May the Senior Rec tradition continue for the next ten years so we can realize a 20th year anniversary!

Chris's emotional voice sings to the A.P.

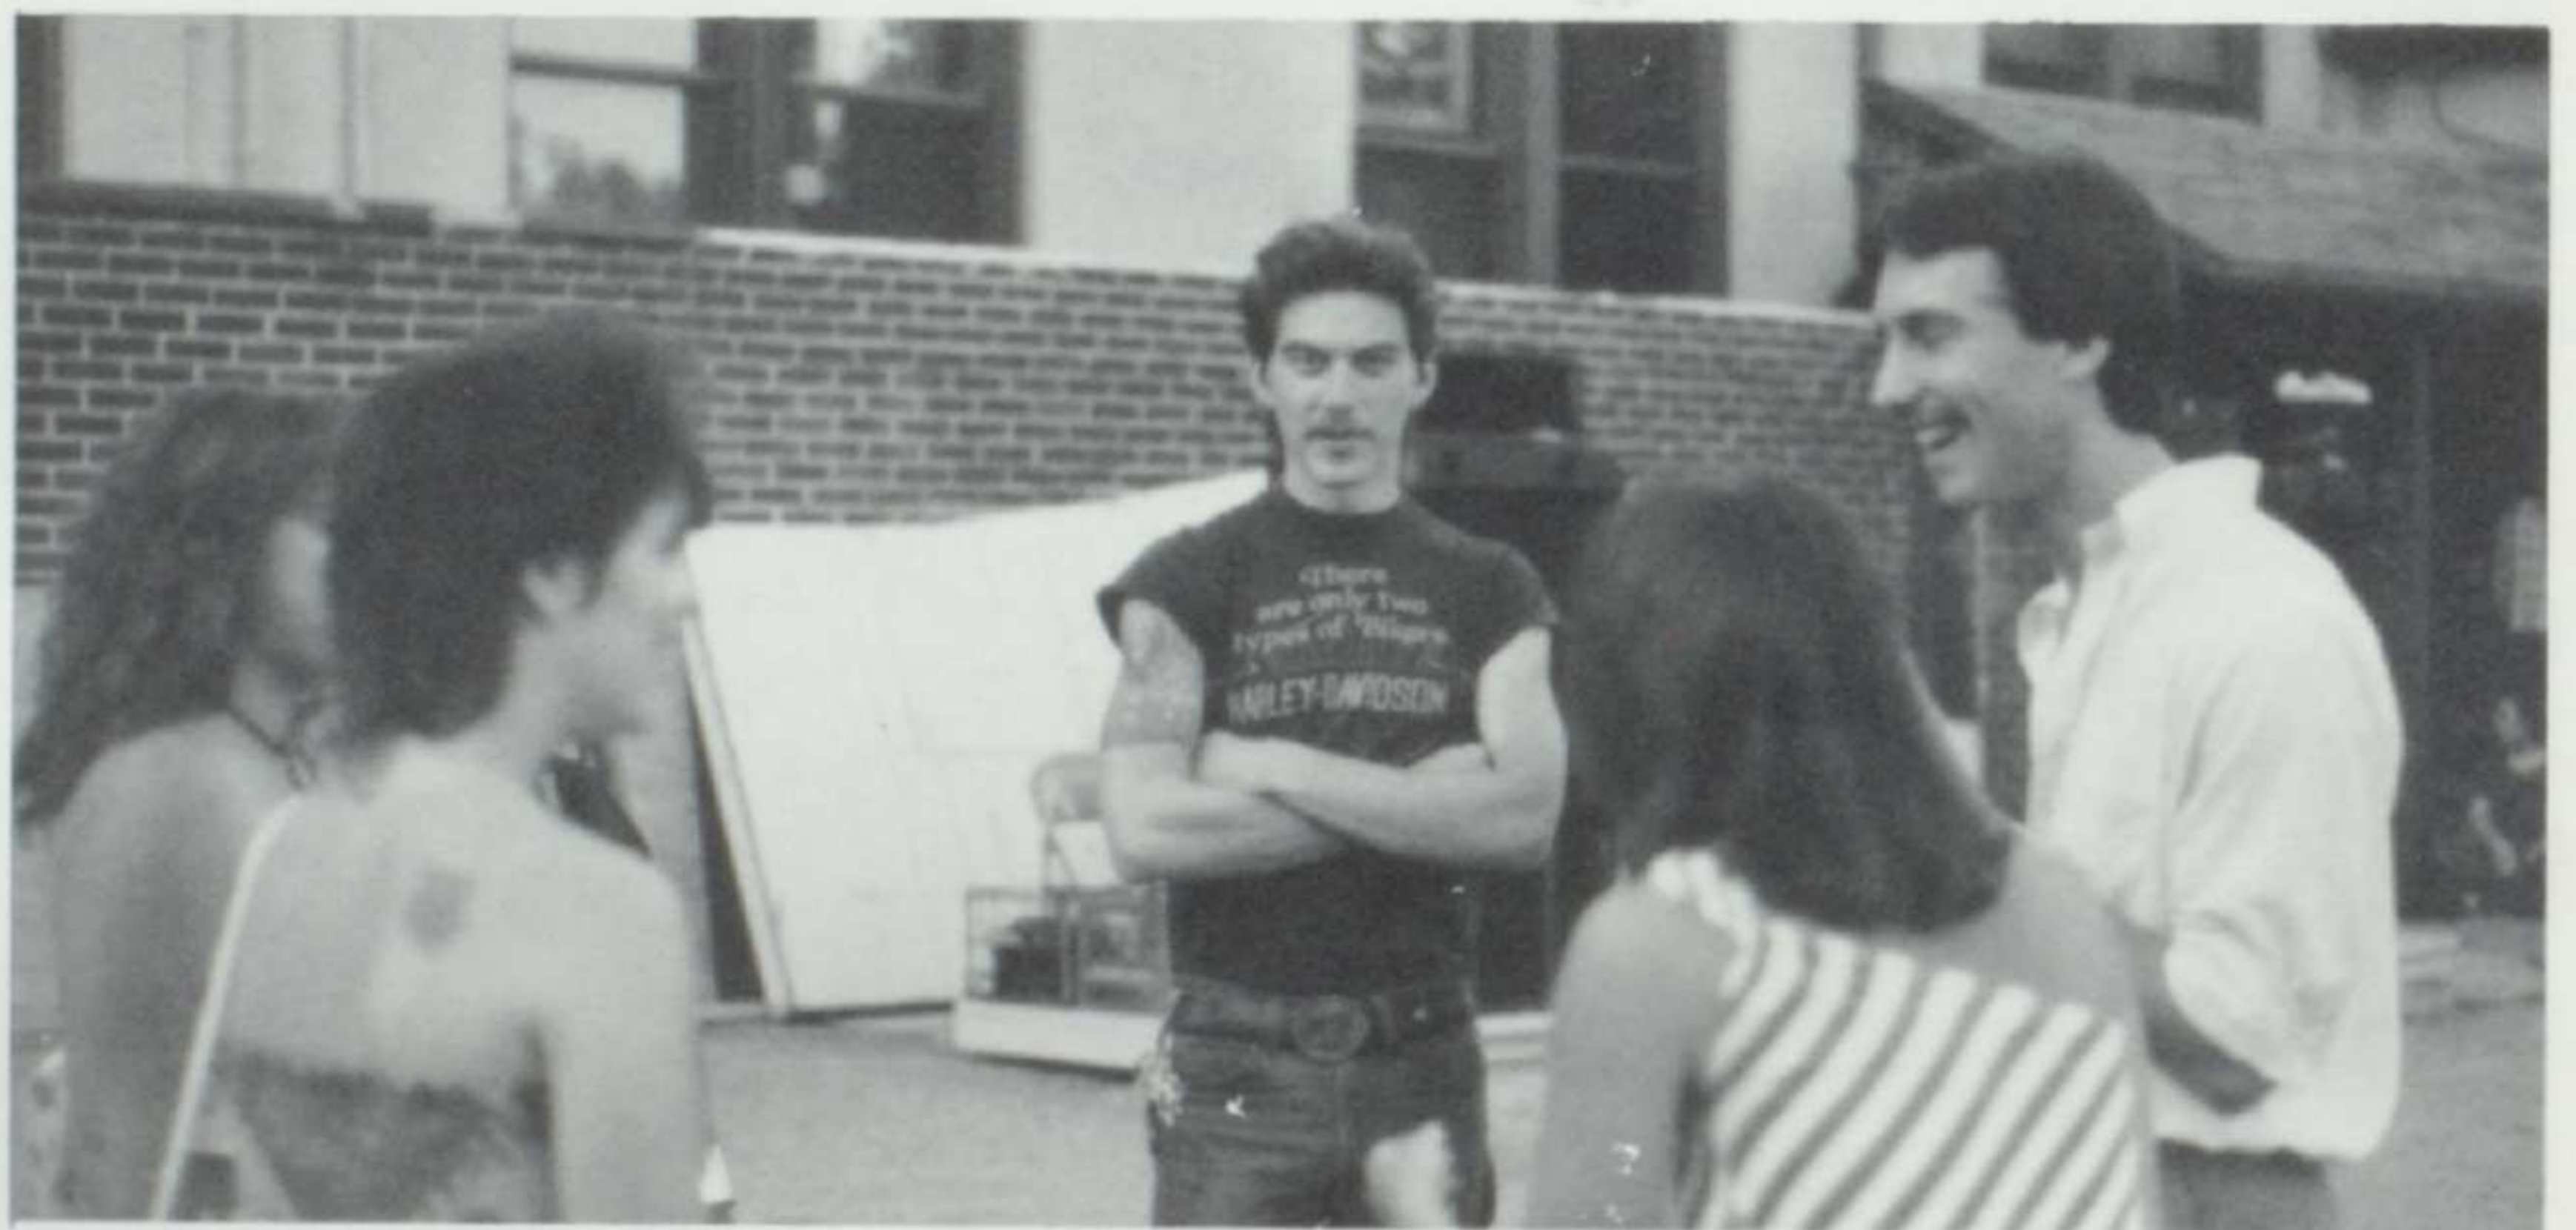

A dance from Clairissa to Charlie.

Reunions are a blast!

Ellen Fiorentino solos.

Alumni catch up on each other.

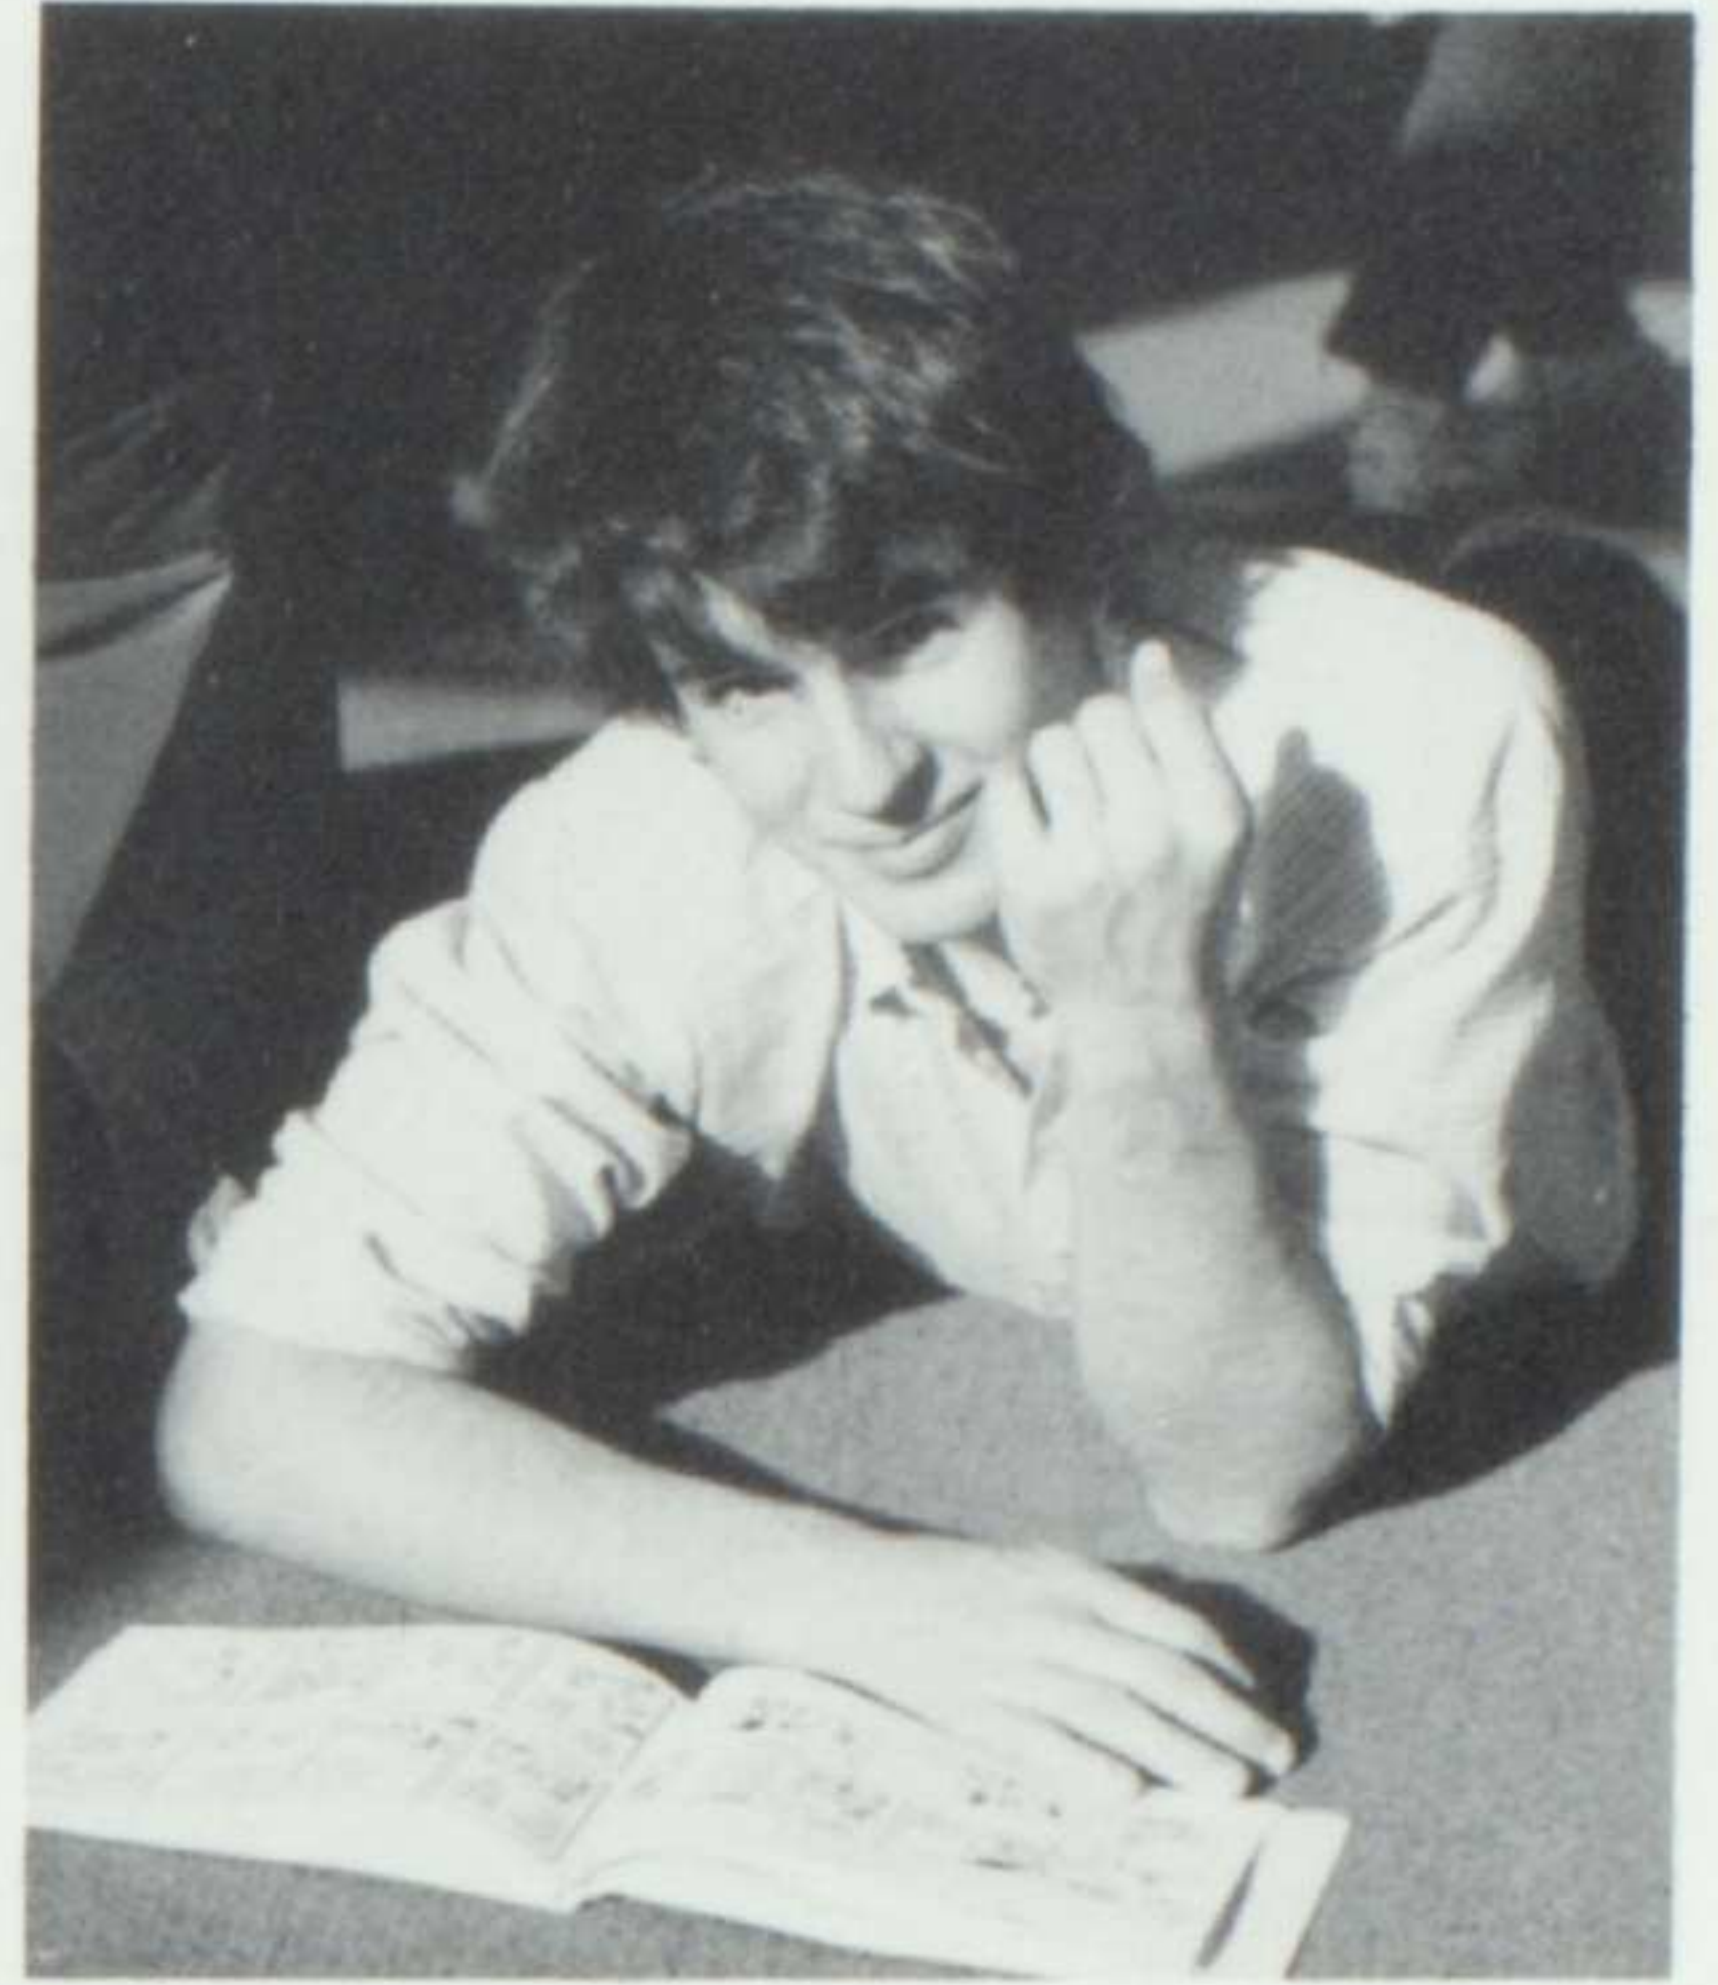

People Are People At The A.P.

Troy McDonald explains his philosophy of life.

Barb Hill gets tough.

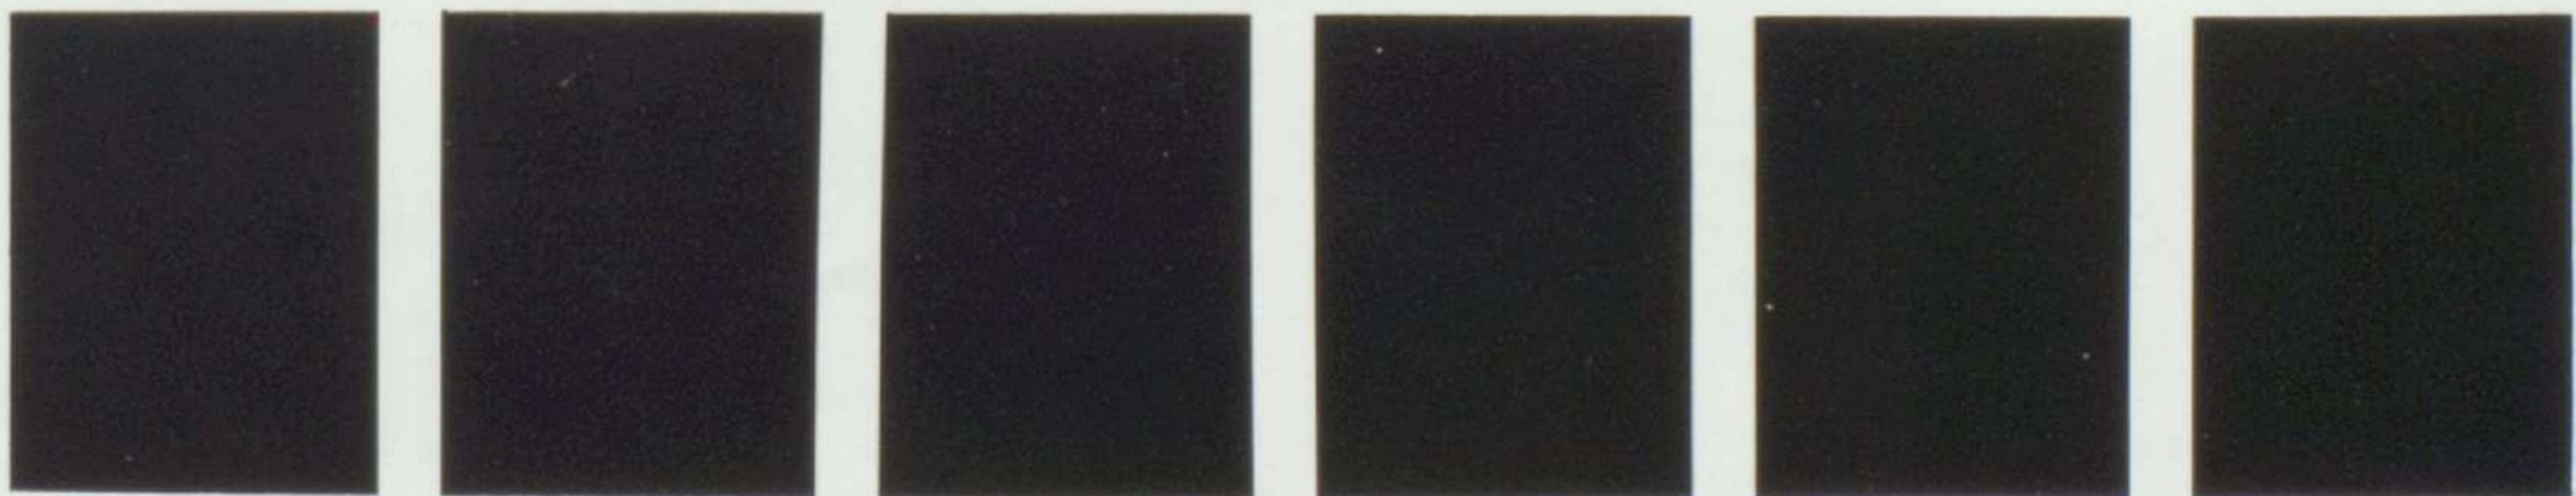

John Ward enjoys his sunbeam and comicbook in the morning.

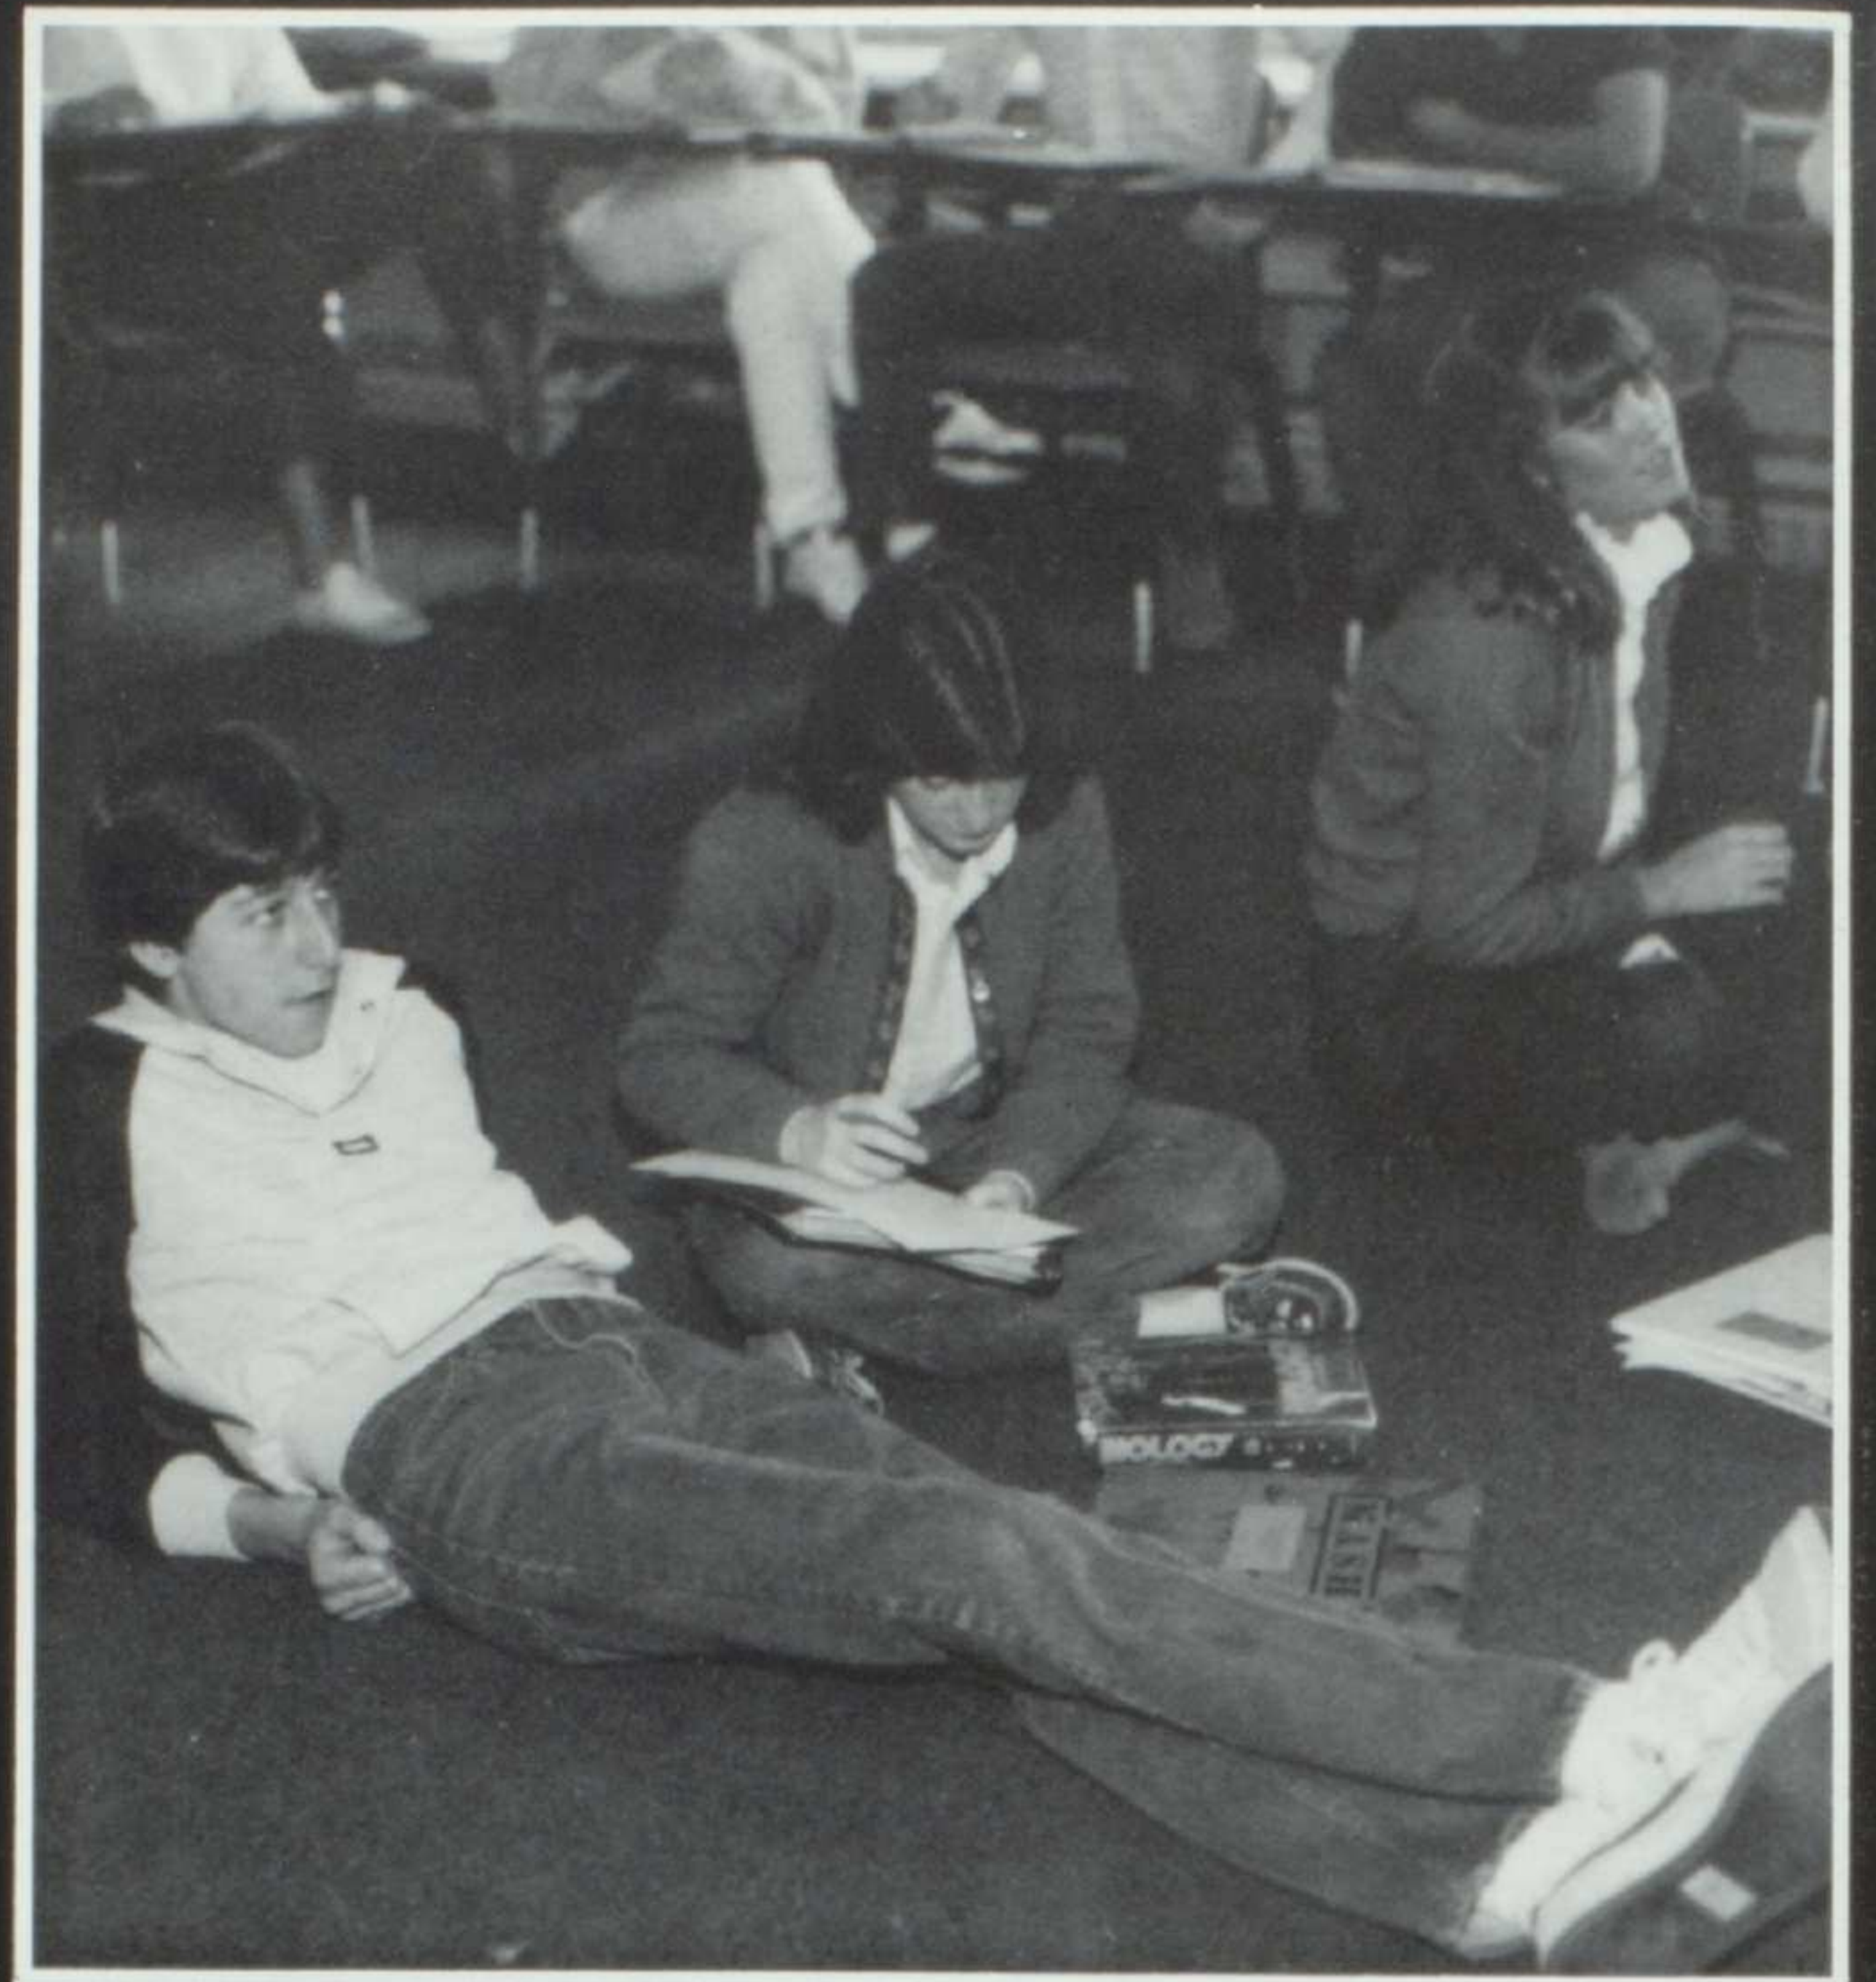

Jeff Davis is ready for lunch.

See you later, Beth Miyashiro and Debbie Gorney

The Mad Hungarian understands . . .
You need printing that looks good.
You have a deadline, and you have a budget.
We're #1 because we meet demands like yours everyday.
We can do it because we offer you a full range of pre-press, printing and bindery services.
Our equipment, experience & efficiency add up to savings of time and money on your order.
To us, our customer is #1.
We are available whenever you need us, even if you are not placing an order.
Some of our nicest customers are people other printers might call unreasonable, impossible or #8%*\$!!
Bring us your printing. We care.

Congratulations

Nineteen eighty-four has been a year of memories. The CARDINAL has tried to capture these memories through both pictures and writing. It has been an excellent year, and with the CARDINAL, these memories will never fade.
