Since 1803, Worthington has come a long way and so has its school system. Walking down the halls of WHS today makes it hard for a student to appreciate the many changes that occurred to create this school. It does make each student feel pride in being a part of such a fine institution. Whether this student realizes it or not, he, along with his 2600 peers and the many thousands that have come before him, is what makes the difference. Worthington's consistent support of education is what, in 1803, helped create that first log cabin that became a school on weekdays and a church of Sundays. This support is what built, in 1810, the Worthington Academy. More recently, this support built both the annex and the present high school.

Opposite top: Fans show that Cardinal spirit.
Opposite bottom left: A few students DO study in the library.
Opposite bottom right: Heather Reese pals around with a friend.

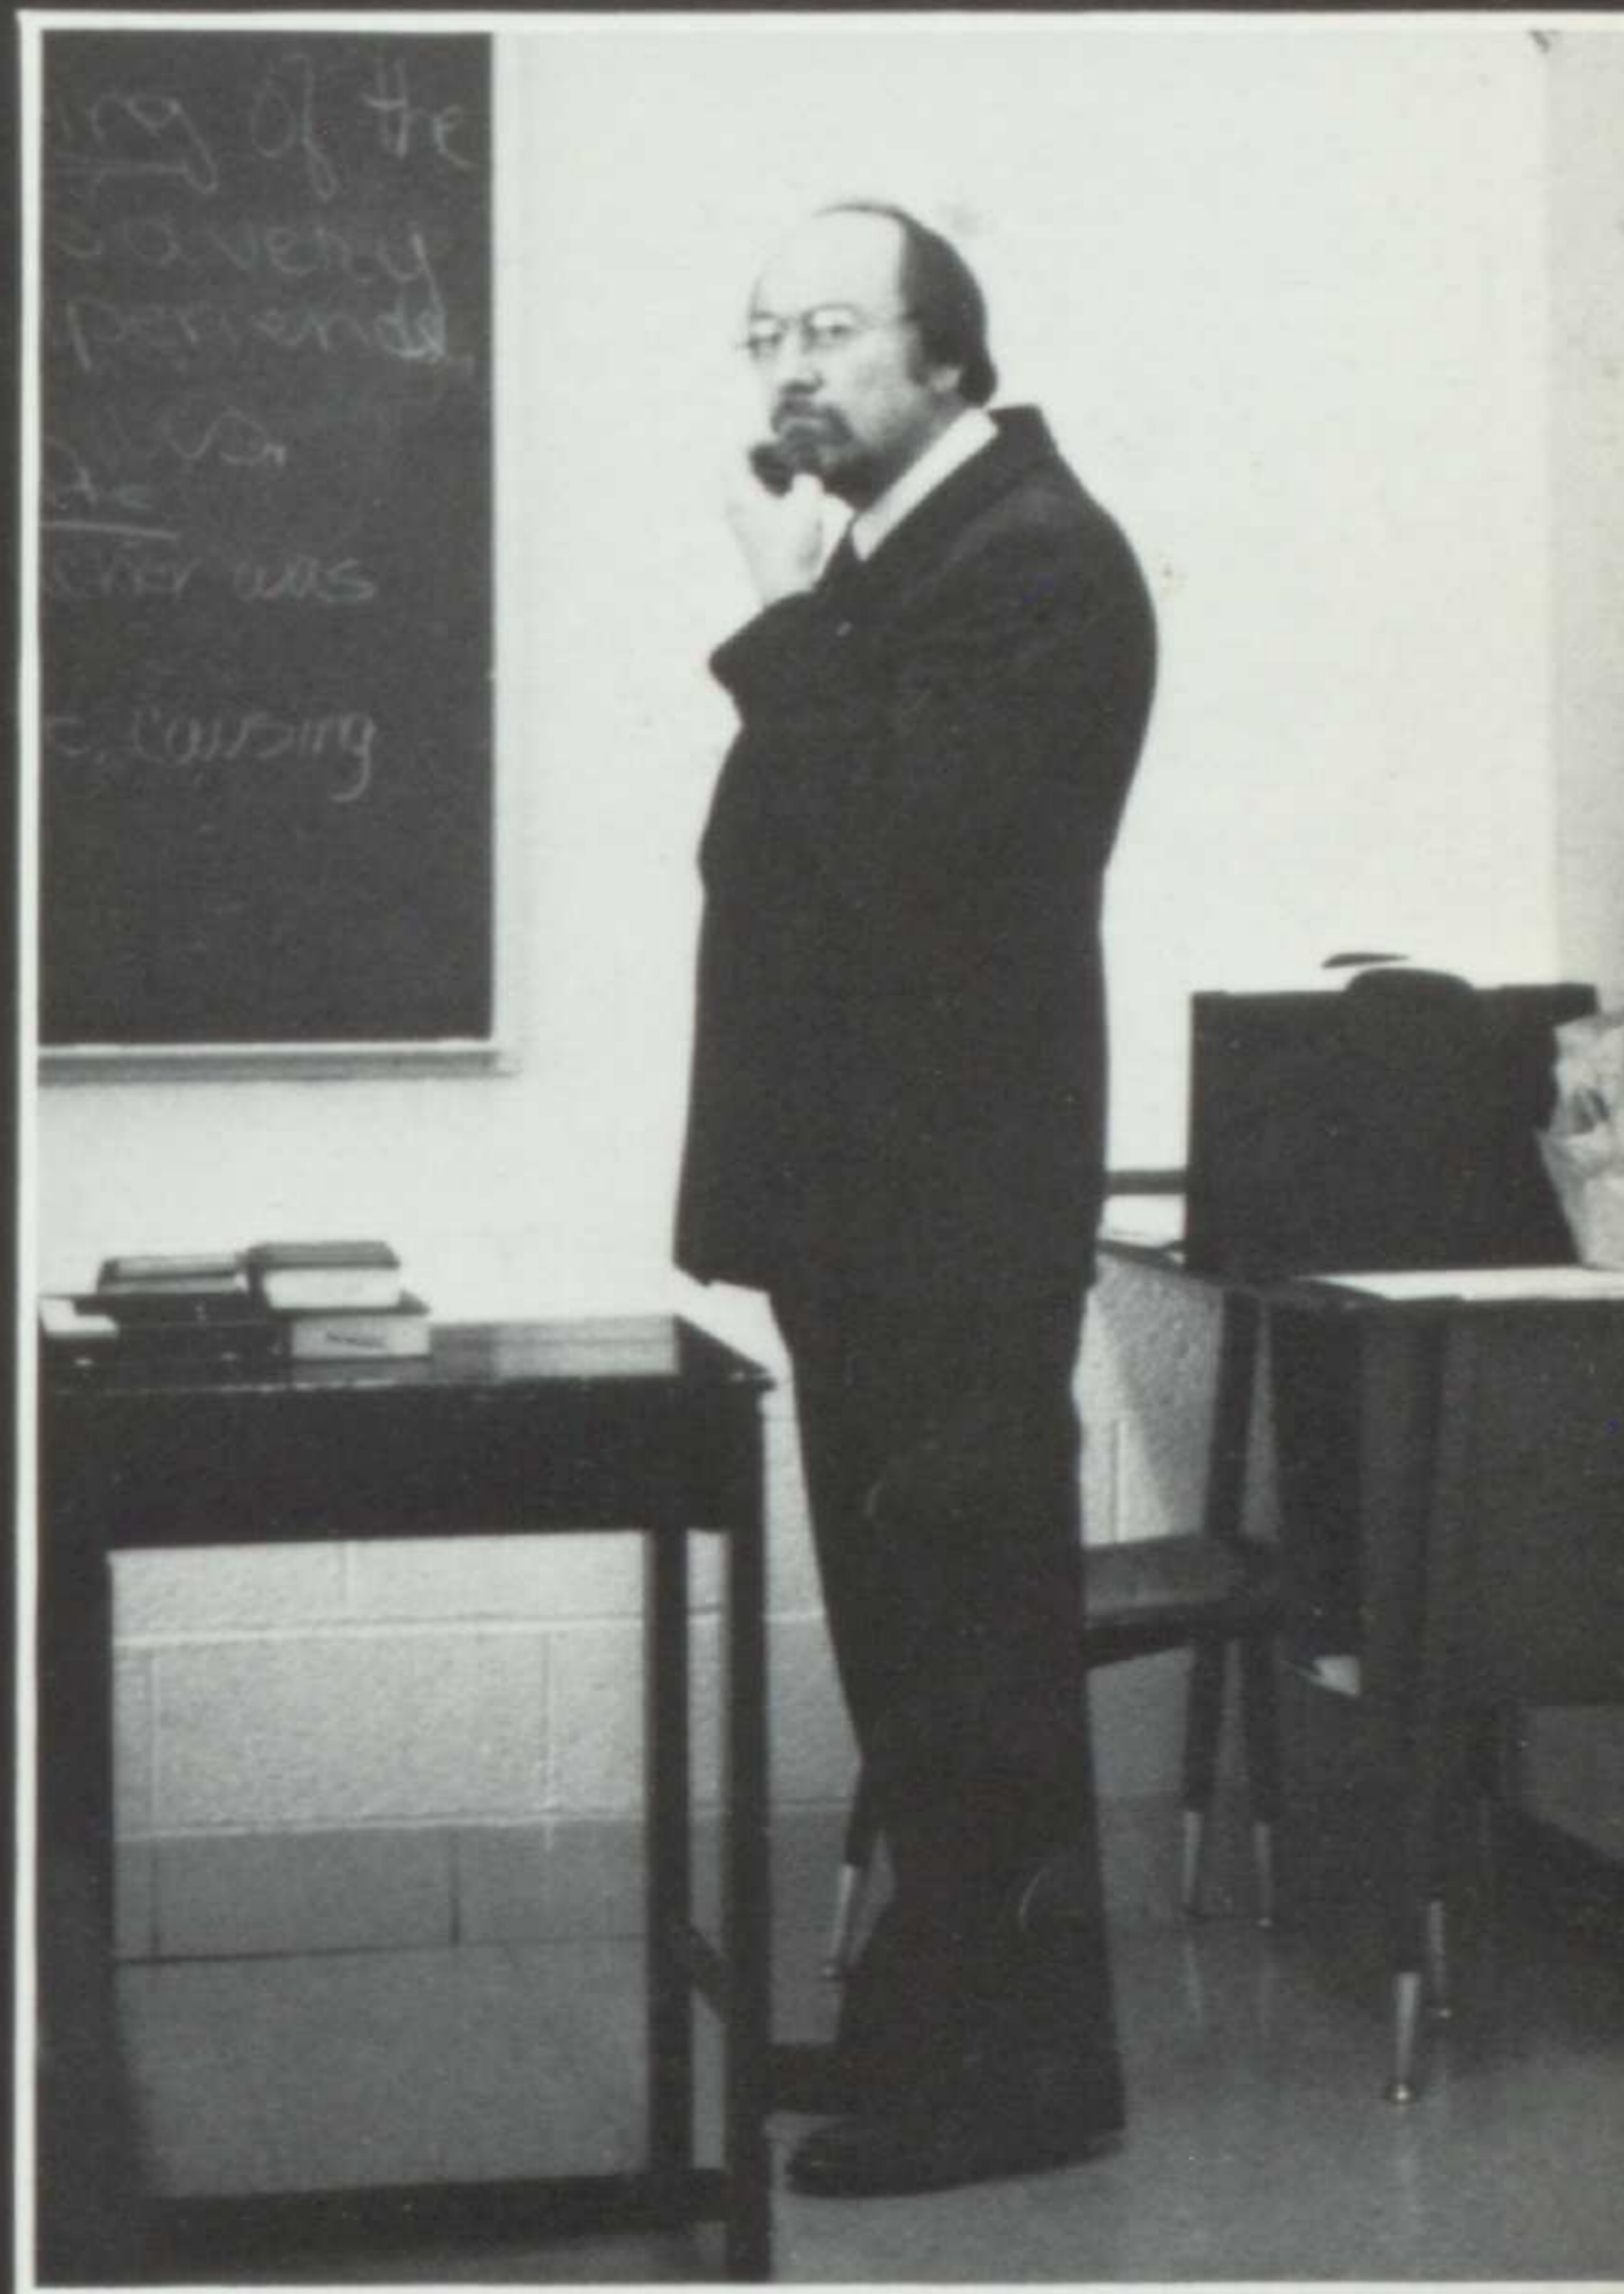

Along with its buildings, the programs that the students enjoy have changed also. Students appreciate many advantages, such as the performing arts program and the athletic program, that round out their education. Through the vocational program, many students opt for a different type of education other than the normal college preparatory program offered at WHS. This college prep education is greatly enhanced by the varied and challenging courses offered. Students here at WHS are allowed many diverse chances to creatively express themselves.

Considering the many varied aspects that make up Worthington High School, each and every student that walks down the halls should feel proud to be a part of WHS. Worthington's history is one of many great accomplishments and ever-changing improvements. These improvements are what makes it easy for every student, from freshman to senior, to face the future.

Homecoming Homecoming Homecoming Homecoming

On Friday, October 19, 1984, hundreds of Worthington High School students headed to the movies. They didn't go to the Continent, though. They went to the football stadium for the annual homecoming parade and football game. This year's theme "Cards Go To The Movies" was very appropriate as it is one activity that Worthington High School students do often.

The festivities began on Thursday with the traditional pep rally and bonfire. The band and cheerleaders lead the student body in the fight song, while the seniors shouted their own victory cry for winning the spirit link competition. The sophomores prevailed on Friday night, though, for their class won the float competition. Our football team also won and added to the excitement of the crowning of queen Betsy Patchen and her court: Deana Howes (senior attendant), Krisan Oberliesen (junior attendant), Michelle Mechling (sophomore attendant), and Jenny DuVall (freshman attendant). The festivities concluded on Saturday night with a semi-formal dance in the high school gym. The band "N-V" provided the music and all enjoyed themselves.

This year's fall play, Jabberwock, presented on November 9 & 10, had a special interest to many residents of Columbus. The comedy is an autobiographical sketch of Columbus native James Thurber and is set in the capitol city. It was especially appropriate to the students since they have studied Thurber in their American Literature courses and could understand his style of writing. The play was chosen not only for these reasons, but also because there are a lot of opportunities for students to perform on stage in the production. This is especially important when more than 100 actors try out for a production, as was the case with Jabberwock.

Jon Westguard was cast as James Thurber and Paul Wilkenson and Sara Johnston as his parents. Other important roles included: Rachel Harris portraying Georgiana Littlefield, Andy Reed as her father, and Mark Taylor and Brian Zumhagen as Thurber's brothers. Jack Plotnick portrayed Grandpa Fisher, who added many laughs to the play.

Under the direction of Bronwynn Hopton, the performers, as well as the back stage crew, made the Thespians' performance of Jabberwock a huge success.

Mock Trials Mock Trials Mock Trials

Once again, the WHS auditorium was converted into a courtroom and students of Ms. Nault's personal law classes became the characters of a trial. The participants were elected by their classmates for the various positions of defense attorney, plaintiff attorney, baliff, judge, witness, or jury member. Other jury members were summoned from the student body. After the participants received the case, they were first sworn to secrecy and were then on their own to prepare for the trial. Many hours were spent at the OSU law library, as well as other area libraries. No participant was allowed to cut, miss, or be late for any reason to any class during the preceeding week. On the day of the trial many distinguished guests were present. This year Ohio Supreme Court Judge Frank Celebrezze was among them. As the courtroom became silent and the trial began, an abundance of hard work became apparent to all. When the jury retired to reach a verdict, the floor was opened to questions from the audience. When the jury returned, the courtroom once again became silent as the verdict was read. Then the court came to adjournment and another year of hardwork came to a close.

The WHS auditorium was filled with music on March 7, 8, 15, 16 — music from "Fiddler on the Roof." Over 50 students were involved in this year's musical including actors, musicians, and technicians. Susan Bunte lead the musicians as the soloist on the violin, while Jill Earhart lead the cast in the role of the fiddler. David Alexander played the role of Tevye and Diane Boring was Golde. Jenny Jackson, Rachael Harris, Christa Richardson, Karen Brown, and Mary Beth Scot played the five daughters. Pam Chapman was the matchmaker who helped Jack Plotnick (Motel, the Tailor) and Fritz Wiese (Perchik, the student) find the perfect match. The rest of the cast consisted of townsmen, relatives, mamas, papas, daughters, and sons. The musical was choreographed by Bronwyn Hopton, dramatically directed by Elaine Hottenroth, and musically directed by Joel Haney. James Scowden was the technical director, and with the help of many student volunteers, the 1985 spring musical was entertaining and successful.

Talent Show Talent Show Talent Show Talent Show

Again this year, the annual WHS Talent Show was a huge success. The audience was treated with the return performance of Blind Ambition and the infamous Sam Commode and the Four Flushers. This was just one in the series of farewell performances in Sam Commode's "Toilet Tour '85." This unique band will be missed in the future. Those attending the show were delighted by many other musical groups and acts. The Cardigan Dolls sang humorous songs and limericks and the audience had the pleasure of hearing the Stage Band and the outstanding Linworth Blues Band, led by Paul Wilkinson. Also among the acts were duet performances. Kim Horn and Bob O'Dair sang a wonderful rendition of the song "Up Where We Belong." Julie Murr and Liz Haefele, accompanied by Joe Crabtree, performed their version of "Hey Big Spender." The performance of "Cat's in the Cradle," sung by Fritz Wiese and Darren Hawkins was enjoyed by all. Solo acts were also in the program. Mrs. France, the student music teacher, sang and played the piano, and Darren Hawkins, one of the Four Flushers, sang two solos, "Starry, Starry Night" and "American Pie." There were many other terrific performances. Each year, the Talent Show seems to be better than the preceding year, but this will be a hard show to top. The Talent Shows truly exemplify the wealth of talent that can be found in Worthington High School

N.H.S. Induction N.H.S. Induction N.H.S. Induction

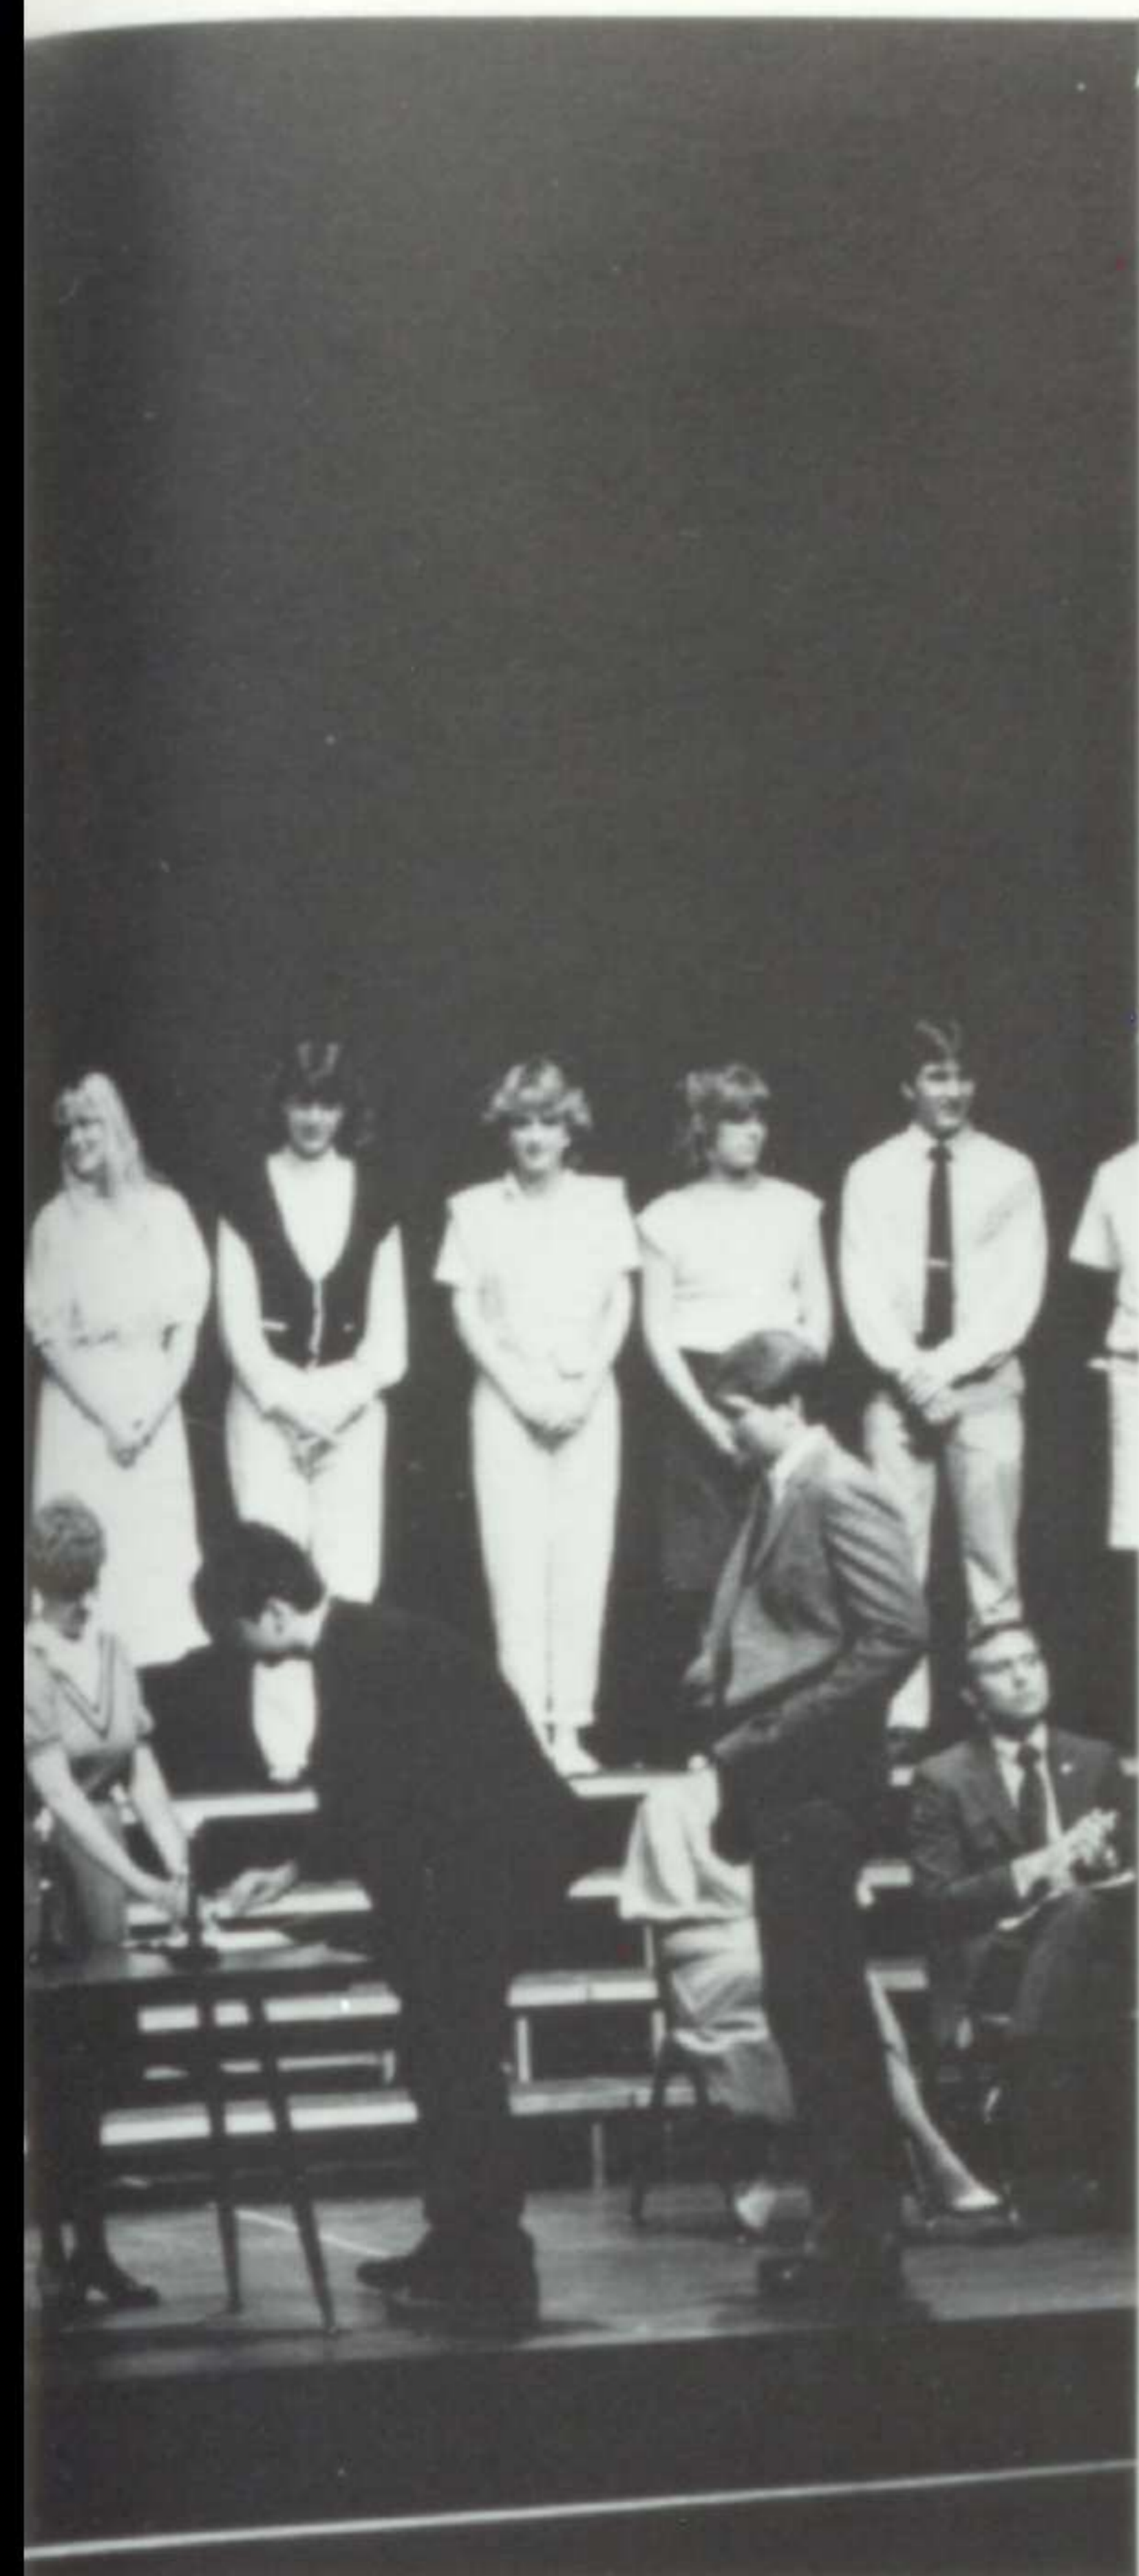

The National Honor Society recognizes students who demonstrate leadership and academic excellence, are of service to others, and possess a strong character. On April 23, thirty-four seniors and fifty-one juniors were inducted into the WHS chapter. They were selected by their teachers and reviewed by a membership committee. Through this membership they have become part of a tradition of excellence.

Children's Play Children's Play Children's Play

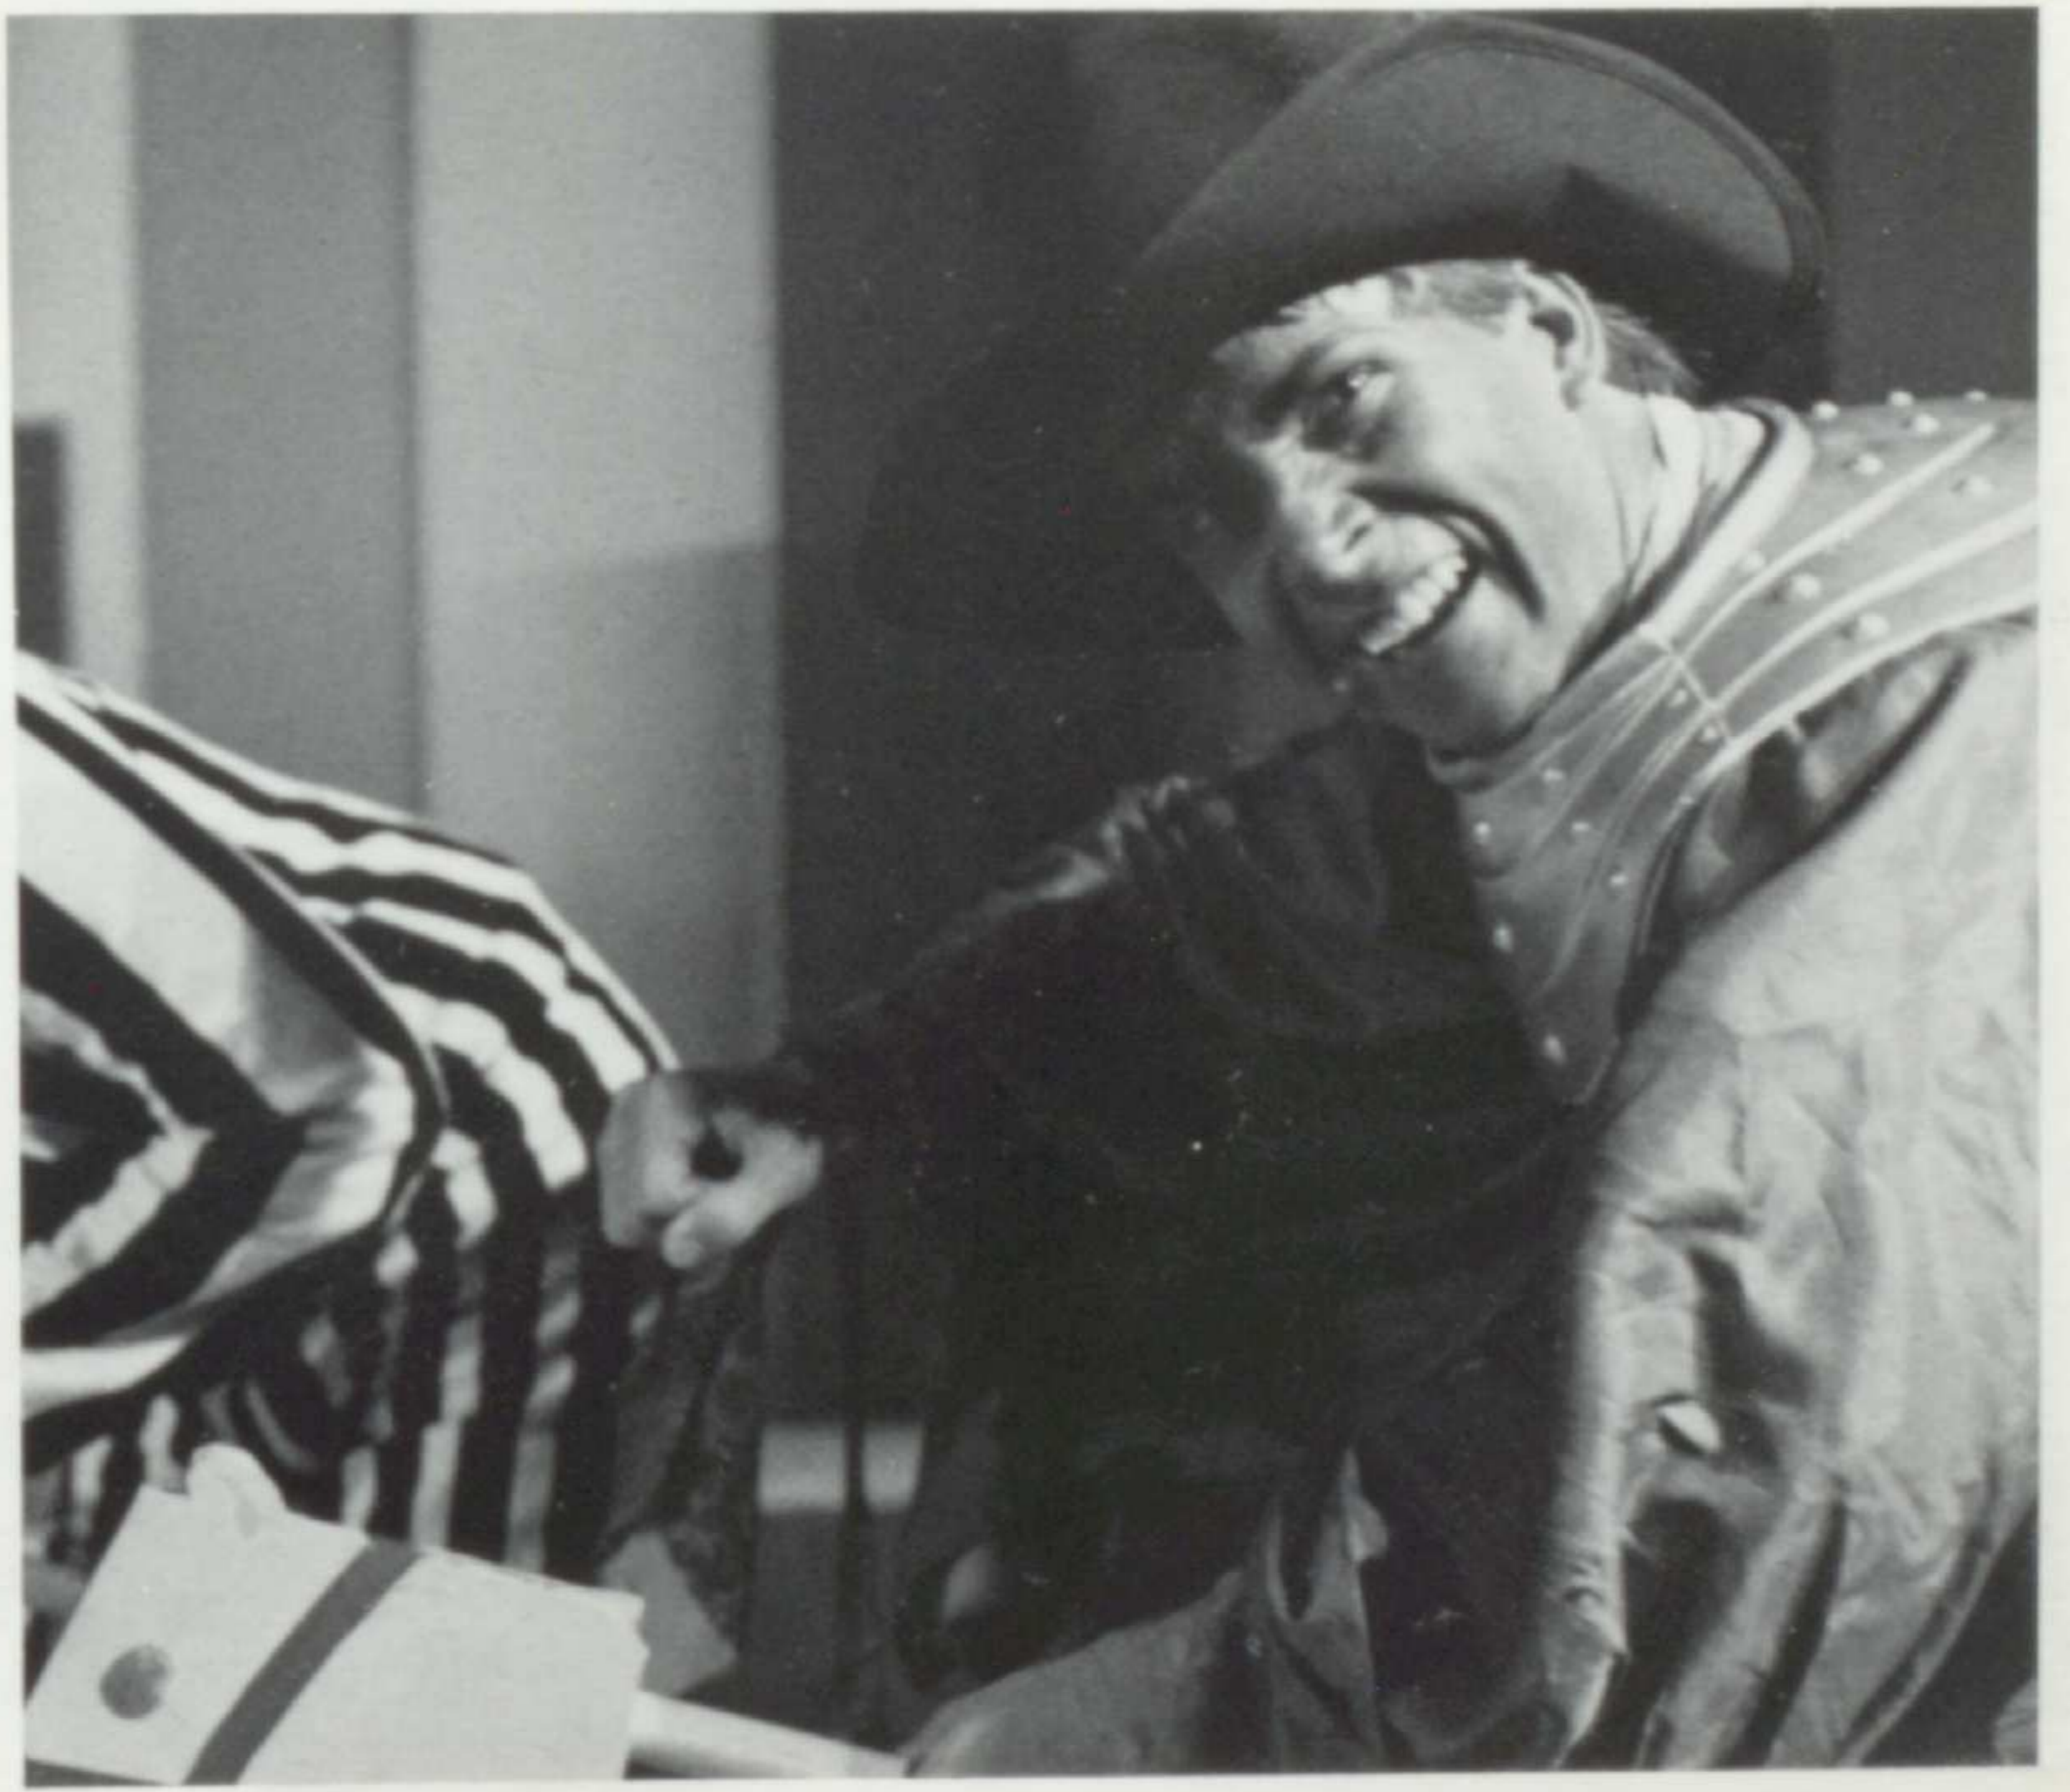

The Thespians of Worthington High School worked long and hard to practice this year's Children's Play, "Raggedy Ann and Andy." Although it was not easy to work with two casts, the actors and actresses found it all worthwhile in awed looks and shy requests for autographs made by children at each elementary school.

The story consisted of the brave rescue made by Raggedy Ann (Christa Richardson, Susan Sanborn), and her brother Andy (Brent Ries, Richie Ellinger). To rescue her, for she was stolen away by Prince Leonard the Looney Hearted (Ric Severance, Mark Horstmeyer) to be his Looney bride, the Raggedy's must overcome the Tatty Monster (Don Snyder, Darren Hawkins), the Wicked Witch (Amy Yates, Kris Kersteter), and the Wicked Wizard (Chris Niermann, Chad Owens). It all turns out well in the end with Marcella, the Raggedy's little girl, receiving her French doll as a birthday gift, as well as an extra friend the Raggedy's picked up, the camel with the wrinkled knees, (Brian Zumhagen, Geoff Scott).

The children who viewed the play, as well as the students who participated in it, will long remember the magical world created by an imaginative mind and a cast of versatile actors.

Graduation Graduation Graduation

The one hundred and sixth annual Commencement was held on Wednesday evening, June 5, 1985, at 8 PM at Mershon Auditorium. After the traditional prelude and procession, the invocation was given by Dr. Marshall Hayden. Rick Righi, as Senior Class President, gave the Class Welcome. Then the WHS choir sang three songs "The National Anthem", "Maybe Someday" and "My Wish for You." The three valedictorians, Nancy Brigner, Lori Harris, and Dan Troutner, gave inspiring speeches after Mrs. Hummels' greetings. Mrs. Young accepted the class from Dr. Hoeffler and then came the part all seniors had strived for twelve years — the awarding of diplomas. "A Tradition of Excellence" was the theme, but "85 Strives" was the feeling of the class.

The Freshman Spring Party was again a great success. This year's theme was "Surfun Safari '88 — A Tropical Holiday." Over 200 parents worked through the winter months planning this year's big event. A record turnout of 500 students danced to the Music King on the tropical beach (gym), dined in the fancy Polynesian restaurant (cafeteria) or at the informal cookout (courtyard). A whole roast pig highlighted the dinner fare. Games, elaborate decorations, a computer arcade, many prizes, a tropical jungle with a fish pond, and a visit by Sam Commode and the Four Flushers added to the party spirit. It was a great time for all who attended!

For the Card linksters, 1984 will be remembered as a bittersweet season. As the defending "AAA" state champs, the Cards were the team to beat. Nevertheless, the Cards had 98 wins opposed to only 3 defeats. The Cards will be losing fifth man Rob Chrisman, third man Chip Coman (District Medalist, State Co-Medalist, Second Team All-O.C.C.), and first man Brad Flinders (Shawnee Classic Medalist, Lancaster Invitational Medalist, and First Team All-O.C.C.). Riegel's linksters will be young in 1985 but will not be short of talent, headed by returning letterman Joe Podolski (First Team All-O.C.C.).

The 1984 girls' field hockey season began with many of the girls attending Saux Valley Camp during the summer. They returned home to start practice with a new coach, Susan Hieser. After many grueling practices the hockey players were ready to begin league games. The 1984 hockey team was facing the high expectations left from the previous year's winning team. With the combination of hard work and new drills, the Cards strived to reach their highest potential. Coach Hieser and assistant coach Diane Snoufer supported the team through a season of many disappointments, but the team played well as a whole and exhibited team loyalty and unity. Although the team experienced numerous ties, the hockey players gave one hundred percent of their time and dedication. Senior Tri-Captains Tracey Hummer, Betsy Patchen, and Molly Anderson led their team to a second place finish in the District Tournament. Betsy Patchen and Tracey Hummer were honored as All-OCC players.

From camp to the very last game, the 1984 season was filled with many wild and unforgettable moments. Memories such as the long bus trips and the Bexley games make the hockey team truly a family. The girls support and stand behind each other through the wins and losses (and ties!), through the easy and hard practices, and even through the good and bad drills!

Football

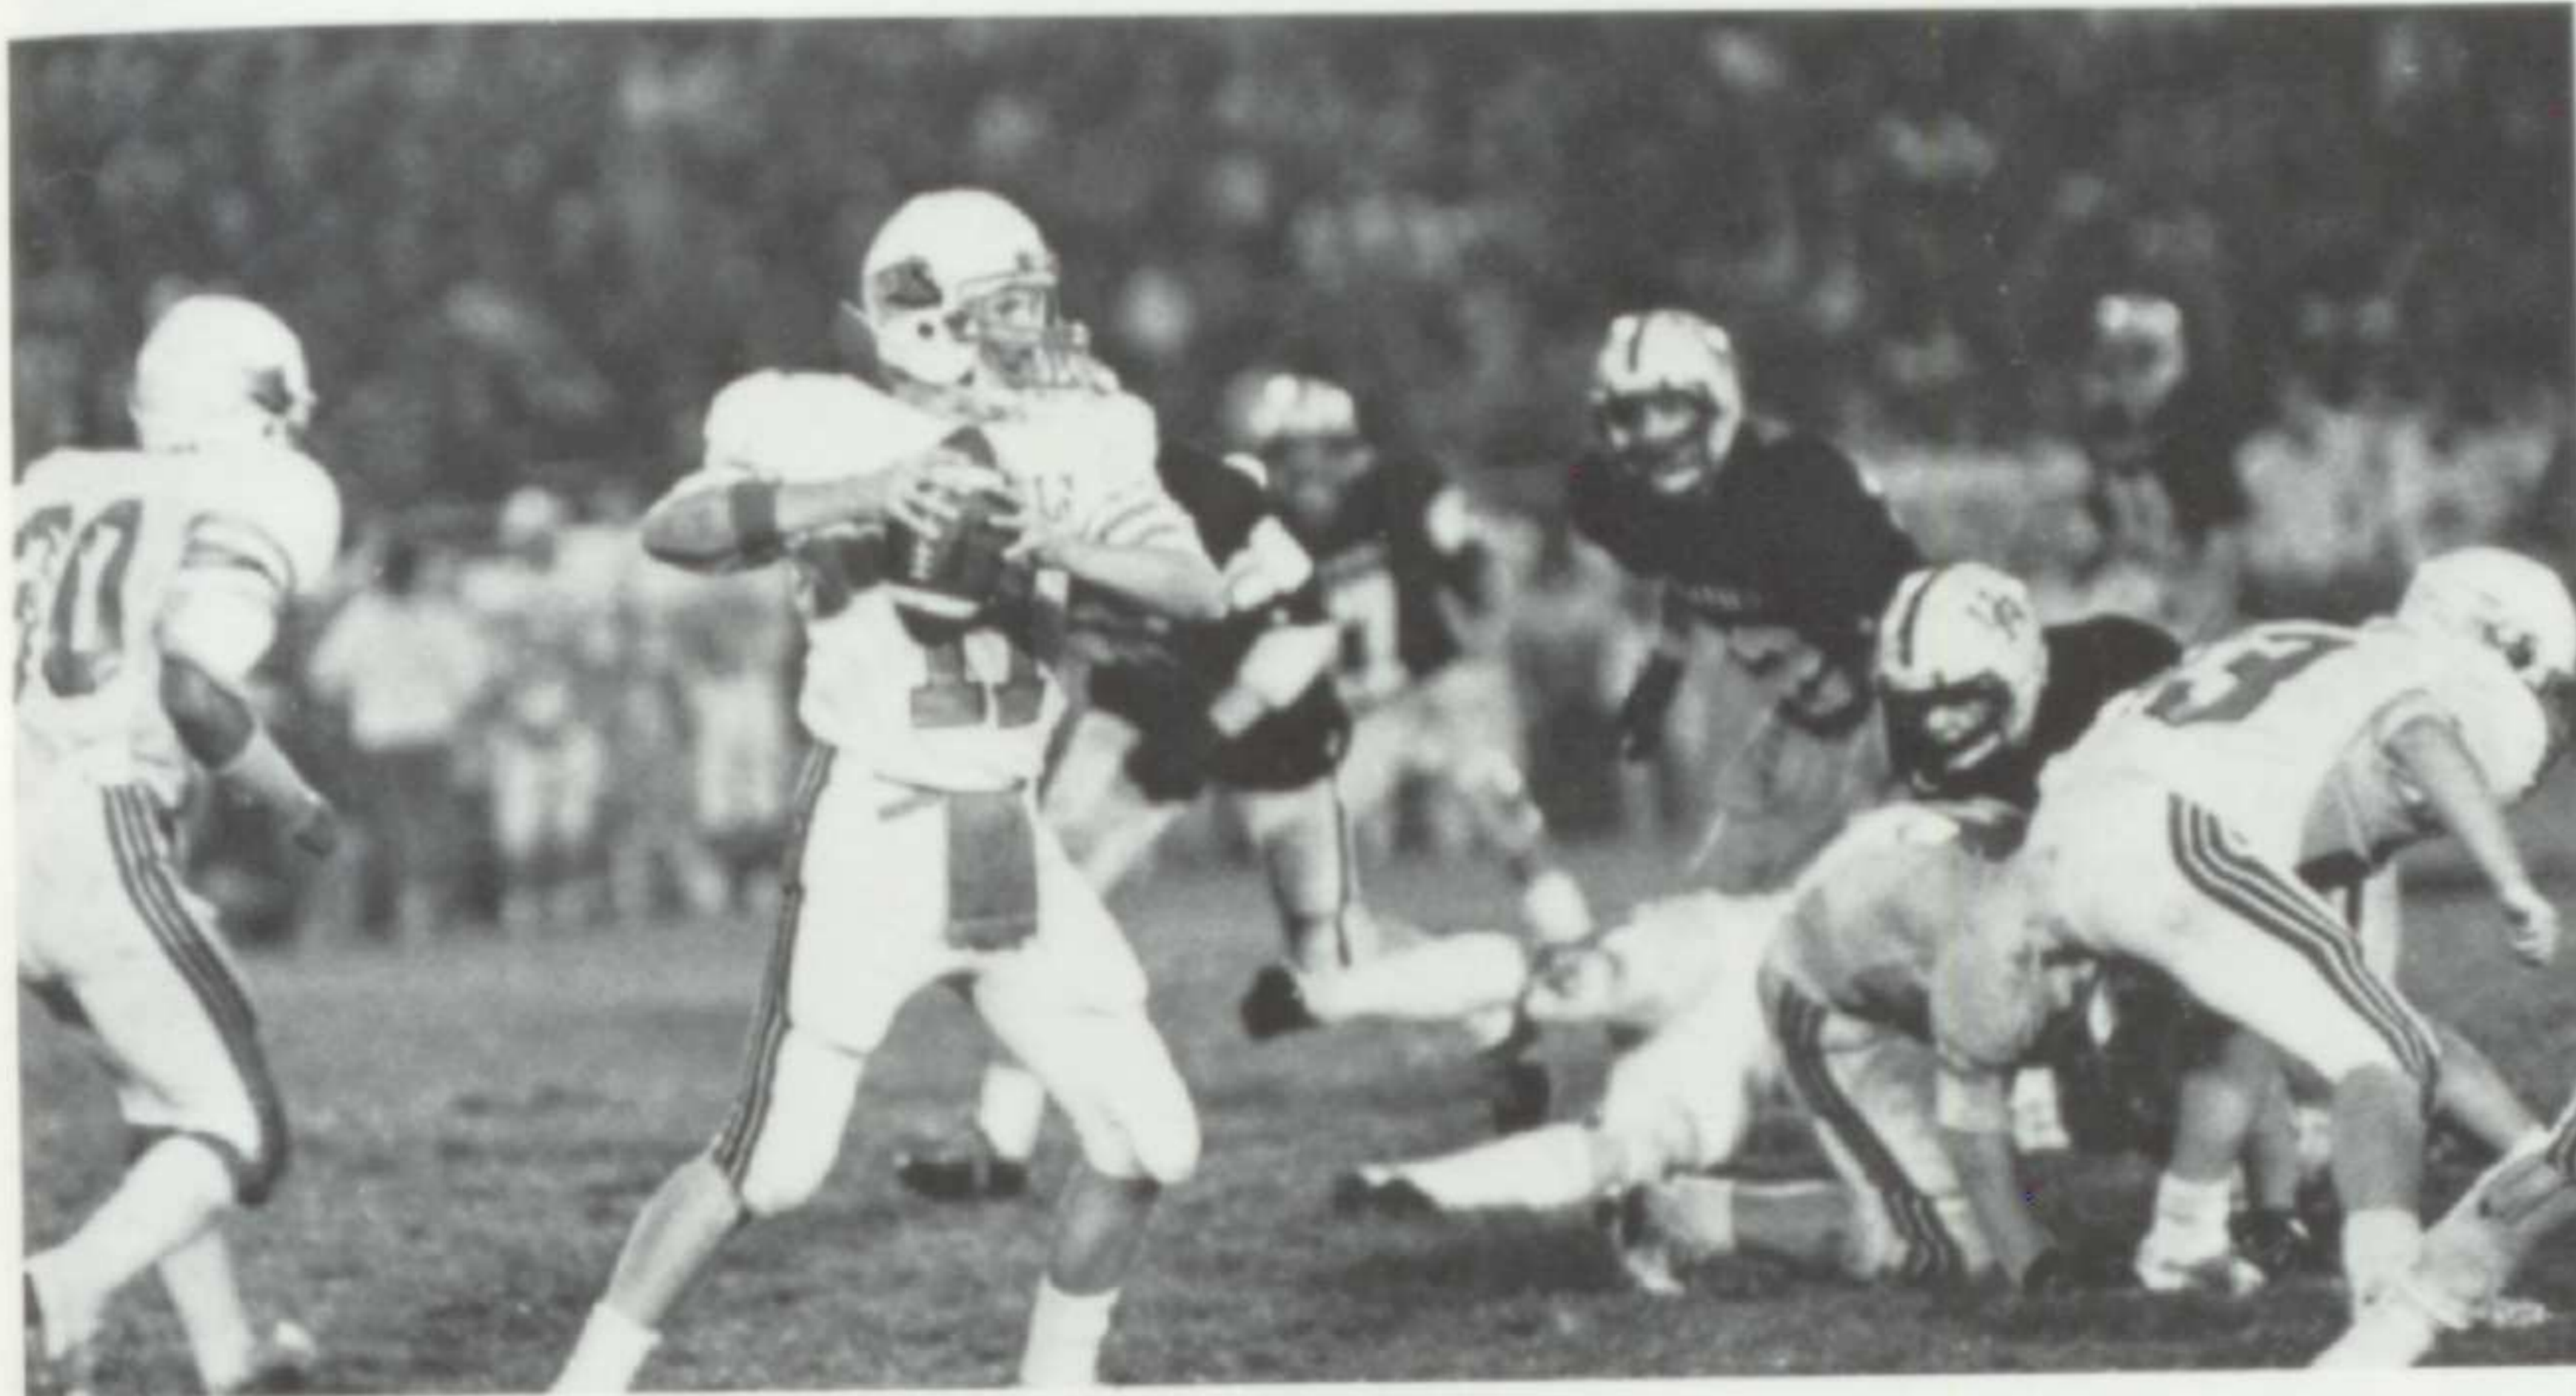

The 1984 Worthington football team continued its dominance over the Ohio Capital Conference — Ohio Division. The Cardinals were league champions for the second consecutive year, winning the O.C.C. title outright for the first time in Worthington history.

The Cardinals were led by senior co-captains Dave Alexander, Toby Brown, Mike Keegan, Barry Sharp, and Greg Ubert. The Cards were highly impressive showing their dominance of central Ohio high school football. The 1984 team helped to instill the new tradition of success in Worthington football. This success should carry over for several years because the Cardinals are now viewed as the team to beat in central Ohio football.

The Worthington High School volleyball team, under the direction of Coach Jennifer Elin, had a super season this year. They were named Sectional Champions with the defeat of both Mount Vernon and long-time rival Gahanna. Despite losing to Franklin Heights in the first round at the Districts, the Lady Cards finished the season with a feeling of accomplishment, for the team hadn't made it to the Districts in two years.

Leading the team this year were the three seniors: setters Lori Harris and Cathy Cron, and hitter Tracy Nagel. Rounding out the starting line-up were juniors Danielle Brown, Corinne Busby, and Jill Haunty. Susan Bugher, Susan Sanborn, and Kyla White alternated for the starting team and proved to be a great asset.

As well as great team accomplishments, some individuals on the squad earned special recognition for their fine play. Junior Jill Haunty was named All-District and All-OCC. In addition, senior Lori Harris was named honorable mention for the OCC.

The girls' volleyball team had a tremendous year in 1984, and hopefully 1985 will be even better!

BOYS' CROSS COUNTRY

The Boys' Cross Country team just finished a season that was to be a rebuilding one. The team, however, lost only one dual meet, was second in the OCC, Sectional champions, District runners-up, and equalled the 1983 squad's finish of sixteenth in the state. In addition to the team's accomplishments, many individuals achieved honors. Named to First Team All-OCC was the team captain and league champion Brett Sanborn. Freshman Todd Anderson earned Second Team All-OCC honors, and Jim Schilder earned All-OCC Honorable Mention. Both Brett Sanborn and Todd Anderson were also named to the All-District team. The team will graduate senior Bryan Gissiner and team co-captains Scott Berg and Brett Sanborn, but with the expected continued improvements of the team's younger runners, the team will be very strong next year.

Girls' Cross Country

The Girls' Cross Country team had its best season this past fall. Under the coaching of Nancy Beattie and Gary Smith and the leadership of tri-captains Ann Fisher, Anne Arsenault, and Missy Furnas, the girls placed second in the district to qualify for the state finals for the first time in the team's five-year history. They finished the season with a 6-1 league record and placed second in the OCC-championships, and four runners achieved All-OCC honors. Sharon Young earned All-OCC Honorable Mention, Debbie Cosley and Patty Voight were second team All-OCC, and Missy Furnas was first team All-OCC as well as an All-District selection. The 1984 squad won the Malone Invitational, the first major invitational championship of any Worthington Girls' CC team. The team also won the Worthington Invitational and finished eighteenth in the state. The team will lose its two senior captains, but with its strong contingent of young and experienced runners, the team is looking forward to a successful season in 1985.

Coach Ian Hamilton in his first year at the reins of Worthington High School's soccer program led the team into one of their better efforts with an overall 14-3-2— record. They began the season with a bang, although adapting to the European style of play was difficult for the team. By their sixth game against Grove City, the team had really pulled together. In this classic game, Doug Sunshine, the teams starting goalie, made three crucial saves that kept Worthington in the game. Scott Helgeson and Michael Finn did a fantastic job by ably covering every inch of the field. Goals by Tony Soboleski, John Joseph, Ted Christman and Mark Jacobsen insured a well earned win for Worthington. This game was representative of the many well played games that helped the team to win sectionals, come in second in Districts and runners up in the OCC. Every player did his best and gave it his all. As Coach Hamilton aptly put it, "We could not have asked for more."

The Worthington High School girls' soccer team experienced one of their best seasons ever this year. The Lady Cardinals, coached by newcomer Richard Proietti finished the season with a record of 16-2-3. Among their accomplishments, they became the first girls' soccer team to win the Ohio Capital Conference. Later, they went on to defeat Grove City for the third consecutive time and won the Worthington Invitational. The depth of the team's talent was exhibited by the numerous individual awards that were presented to the Cardinals. Seniors Katie Heitman and Morgan Downing, along with junior Mary Ann Olgoetz and sophomore Tammy Demaree were named Second Team All-OCC. Senior Tri-Captains Kelly Kirwan, Jenny Duff, and Allison Brewton won First Team All-OCC honors, senior Sara Wilson was named Honorable Mention, and Jenny Duff went on to capture First Team All-State and was named to the All-Midwest Team.

Because of all the talented players on this year's girls' tennis team, the Varsity was split into a Red and Blue squad. The Red team, coached by Jeri Stephan, successfully completed the season with a record of 16-1, losing only to Indian Hills. The O.C.C. Co-Championship, sectional title, district title, and third place in the State Coaches' Team championship were honors won by the Red team. Stephanie Schupp was named Honorable Mention in the O.C.C. The doubles team of Ann Fisher and Nancy Brigner were named to Second Team O.C.C. Singles players Jennie Young, Joanie Eakins, and Deidra Murphy were named to the First Team O.C.C. Sophomore Jennie Young had an outstanding season and became the Singles State Champion. The Blue team, also coached by Karla Young, completed the season with an outstanding record of 11-2. Also coached by Karla Young was the junior varsity, who had a smashing season too. The 1984 tennis team built experience, skills, and confidence and next year's team will be even stronger and will aim for the State title!

The WHS Boys' Basketball team had another successful season. For the fourth year in a row they captured the O.C.C. title. Second year Coach Bob Miller received his second title as a Cardinal coach. The Cards finished the season with a 14-5 record. Unfortunately they suffered a stunning upset in the first game of the sectionals, losing to Westerville North.

The Cards were led by Senior Derek Fields, the shooting guard for the team. Seniors John Fastrich, Mike Pille, and Dave Dowling, and Pete Engles also proved to be an important part of the squad. Chad Amato and Todd Dean were the strong substitutes for the Cards.

Twelve seniors graduate this year, leaving the next year up to the returning juniors and the sophomore class. It should prove to be an exciting year for the Cardinal hoopsters.

Girls' Basketball

The 1985 Girls' Basketball team experienced somewhat of a disappointing season with a record of 5-15. Although they didn't enjoy their best season, the season high came when the Lady Cards defeated the Groveport Cruisers, who were leading in the league standings. Coach Wallace Chandler took his team to the Tournament and was victorious over Grove City in their first game. The team advanced to the second round but was defeated by South High School's Lady Bulldogs. The Cards put up a good fight even though South was ranked number 1 in the State. The Lady Cards were led by captains Allison Brewton and Amy Miller. Sophomore Karen Herman led the team in high scoring and was also named Second Team All-OCC. Amy Miller was named Honorable Mention All-OCC. Coach Chandler will be looking forward to next season with his returning underclassmen.

Boys' Swimming

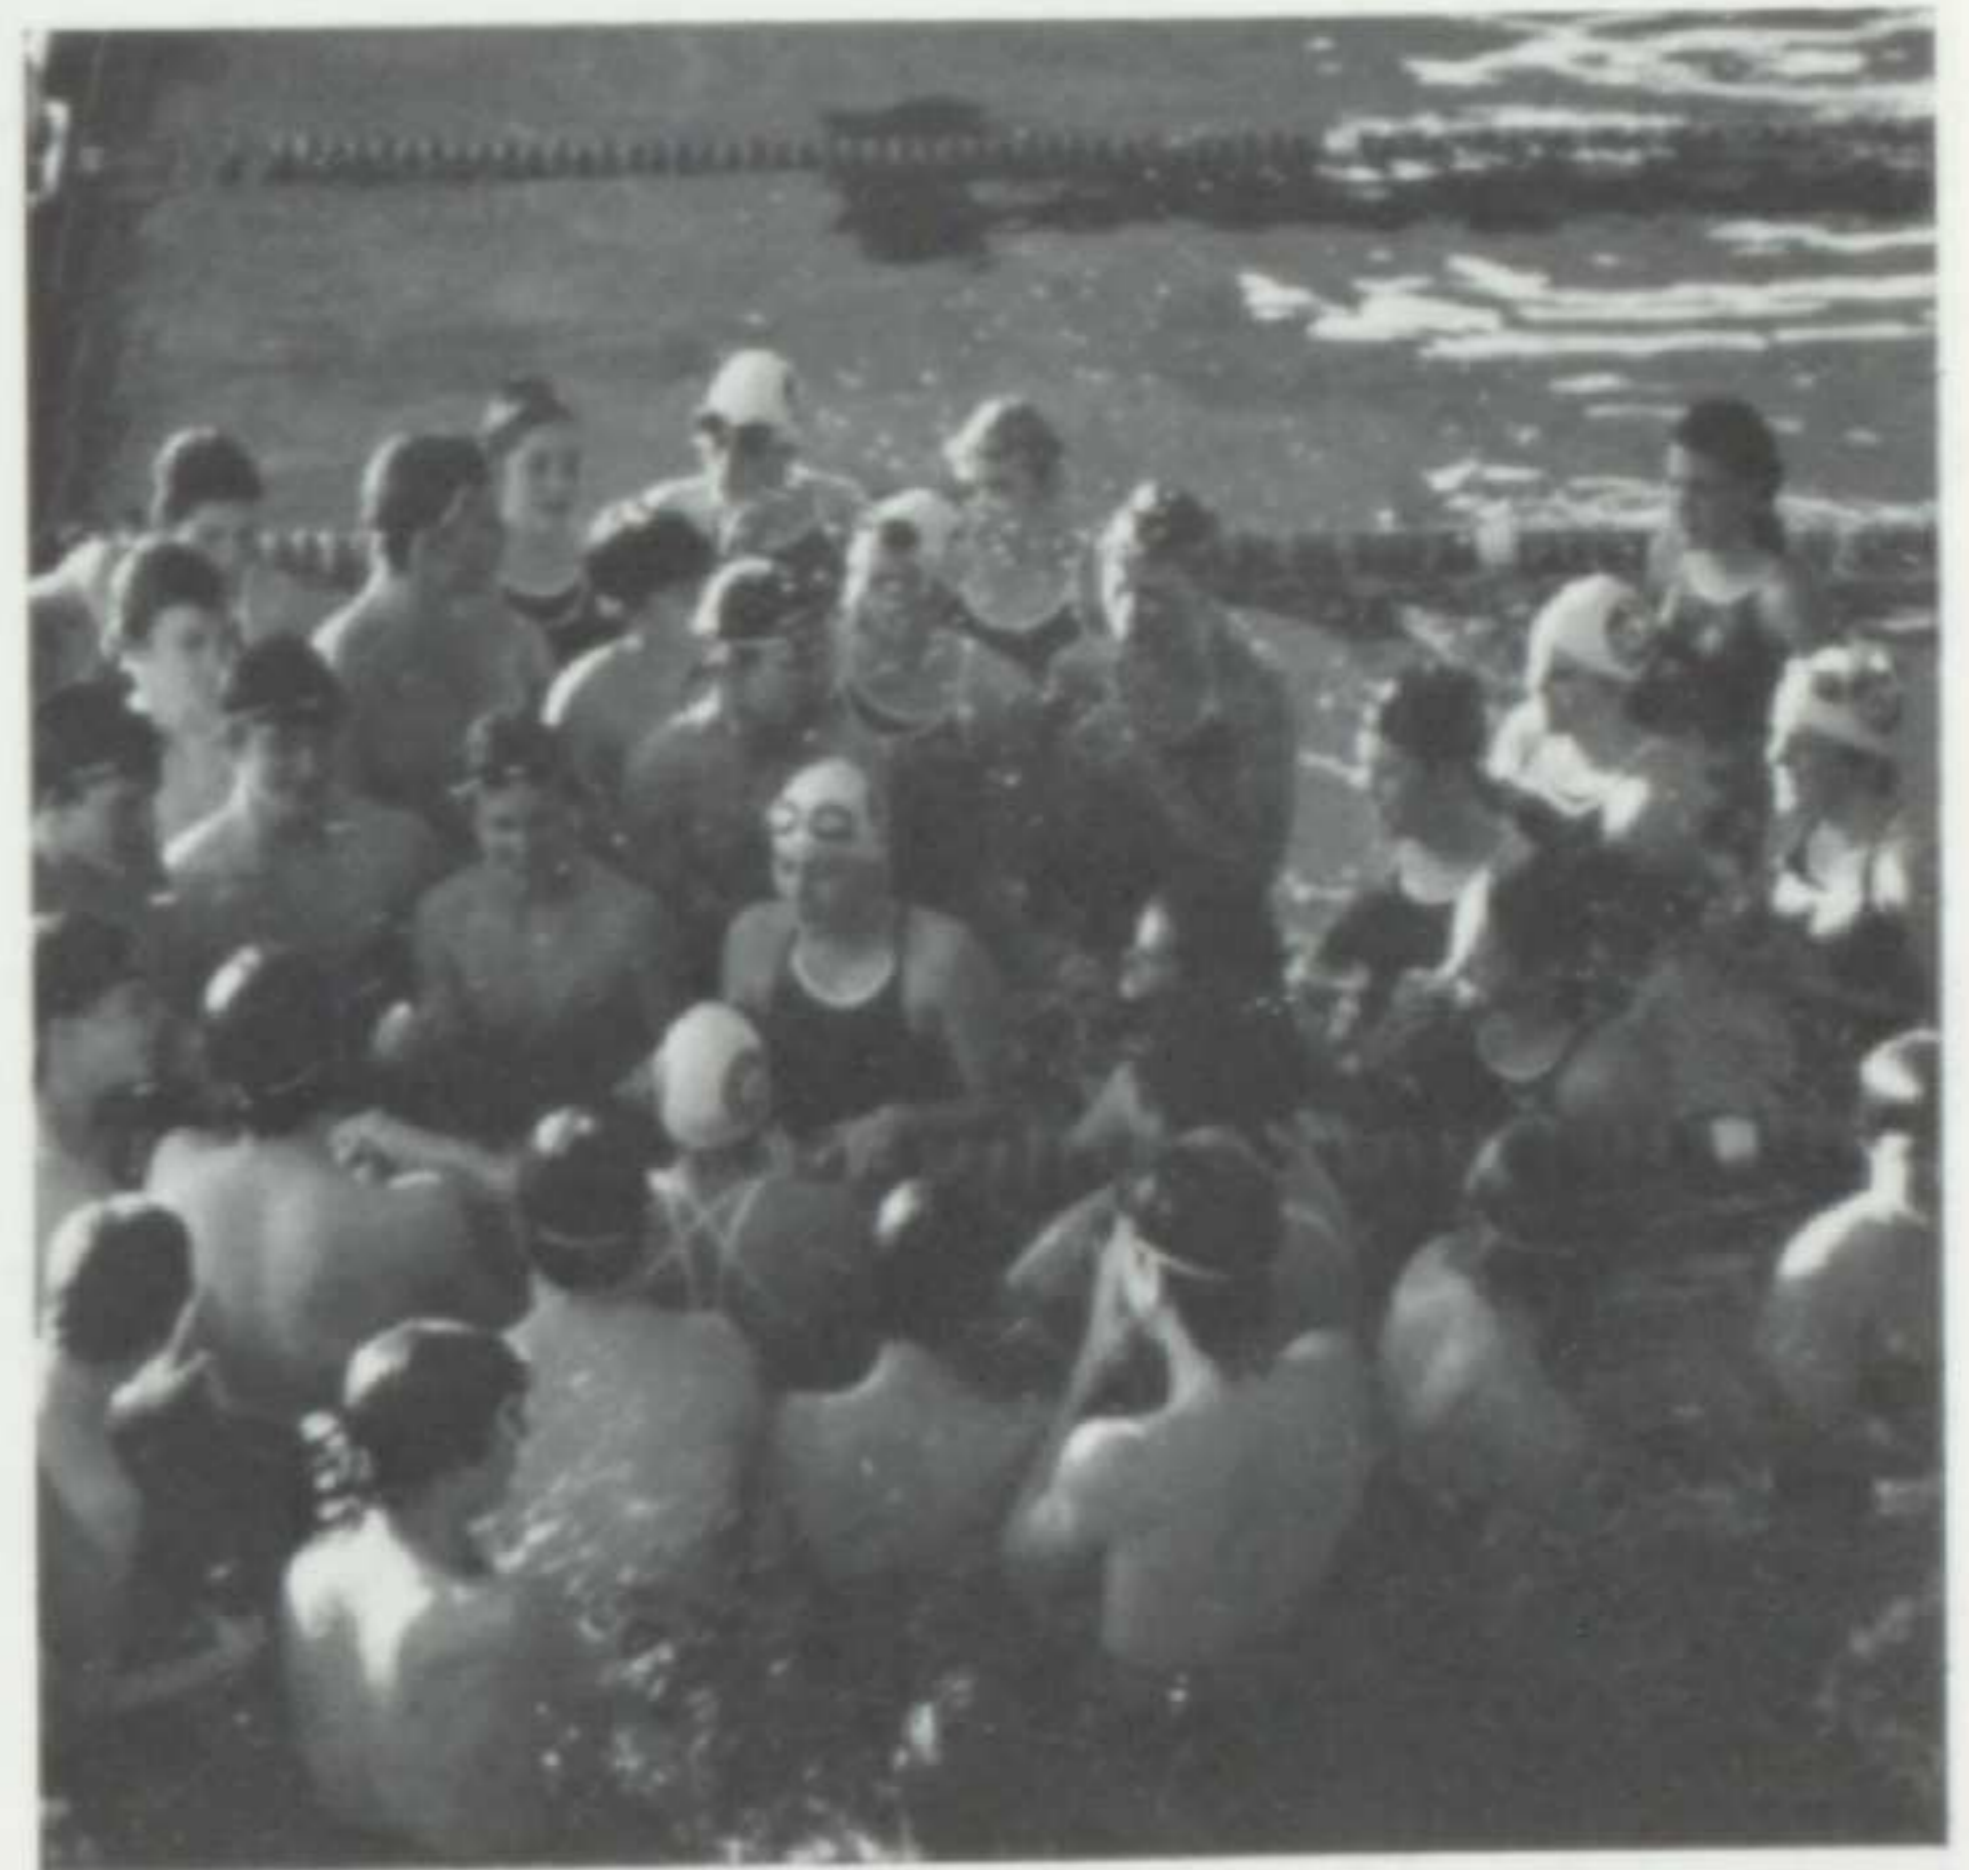

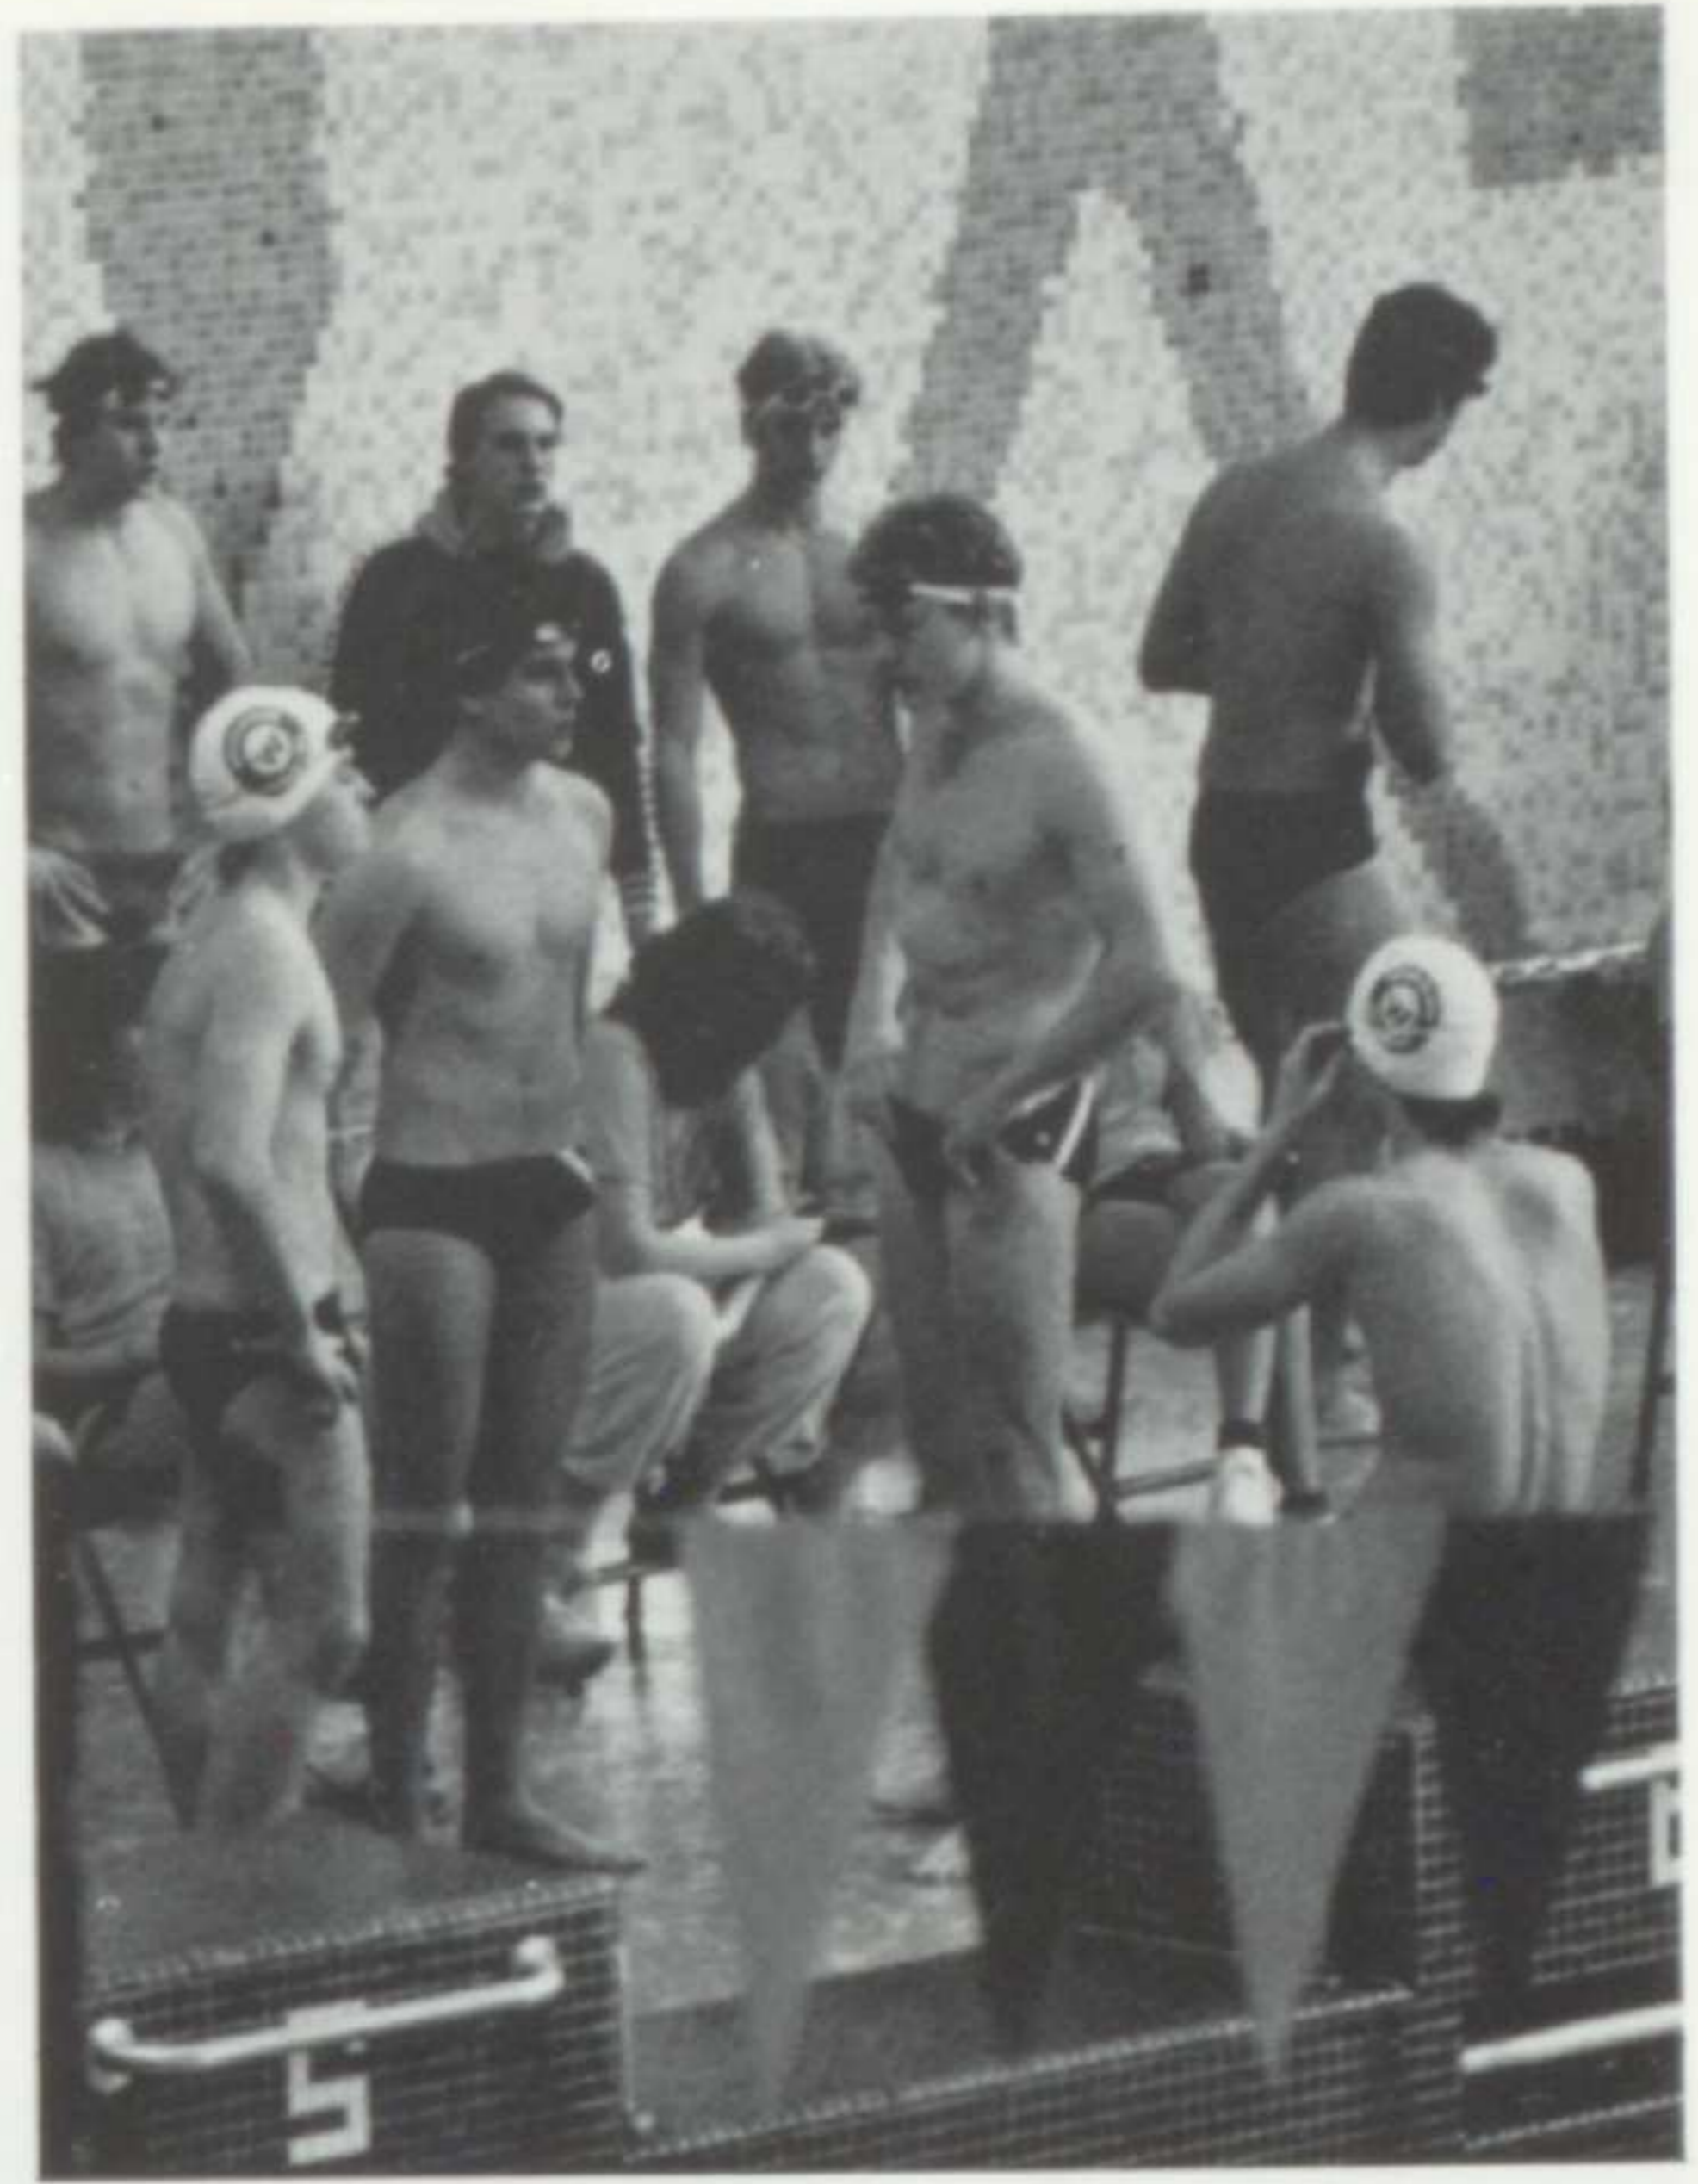

The 1985 Boys' Swimming and Diving teams did very well this year. It was said to be a major re-building year for the boys. To the delight of everyone, the team placed second at Districts and fifth at State. Individually, David Greenlee and Mark Lang tied for fourth all around. David Greenlee also set a new school record for the 50 freestyle 21.5, by beating his own old record which was 21.8.

Special awards were given this year to swimmers and divers for their hard work and high level of competition. Most Valuable Swimmer went to team captains Dave Greenlee and Mark Lang, and Most Valuable Diver went to Rick Severance. Most Improved Swimmer and Diver went to Mark Minister and Eric Immelt respectively.

The Girls' Swim team, led by co-captains Beth Csillag and Laurie Huff, led the girls to a 14-1 record during the 1984-1985 season. The swim season will be remembered as one of hard work, determination, and success.

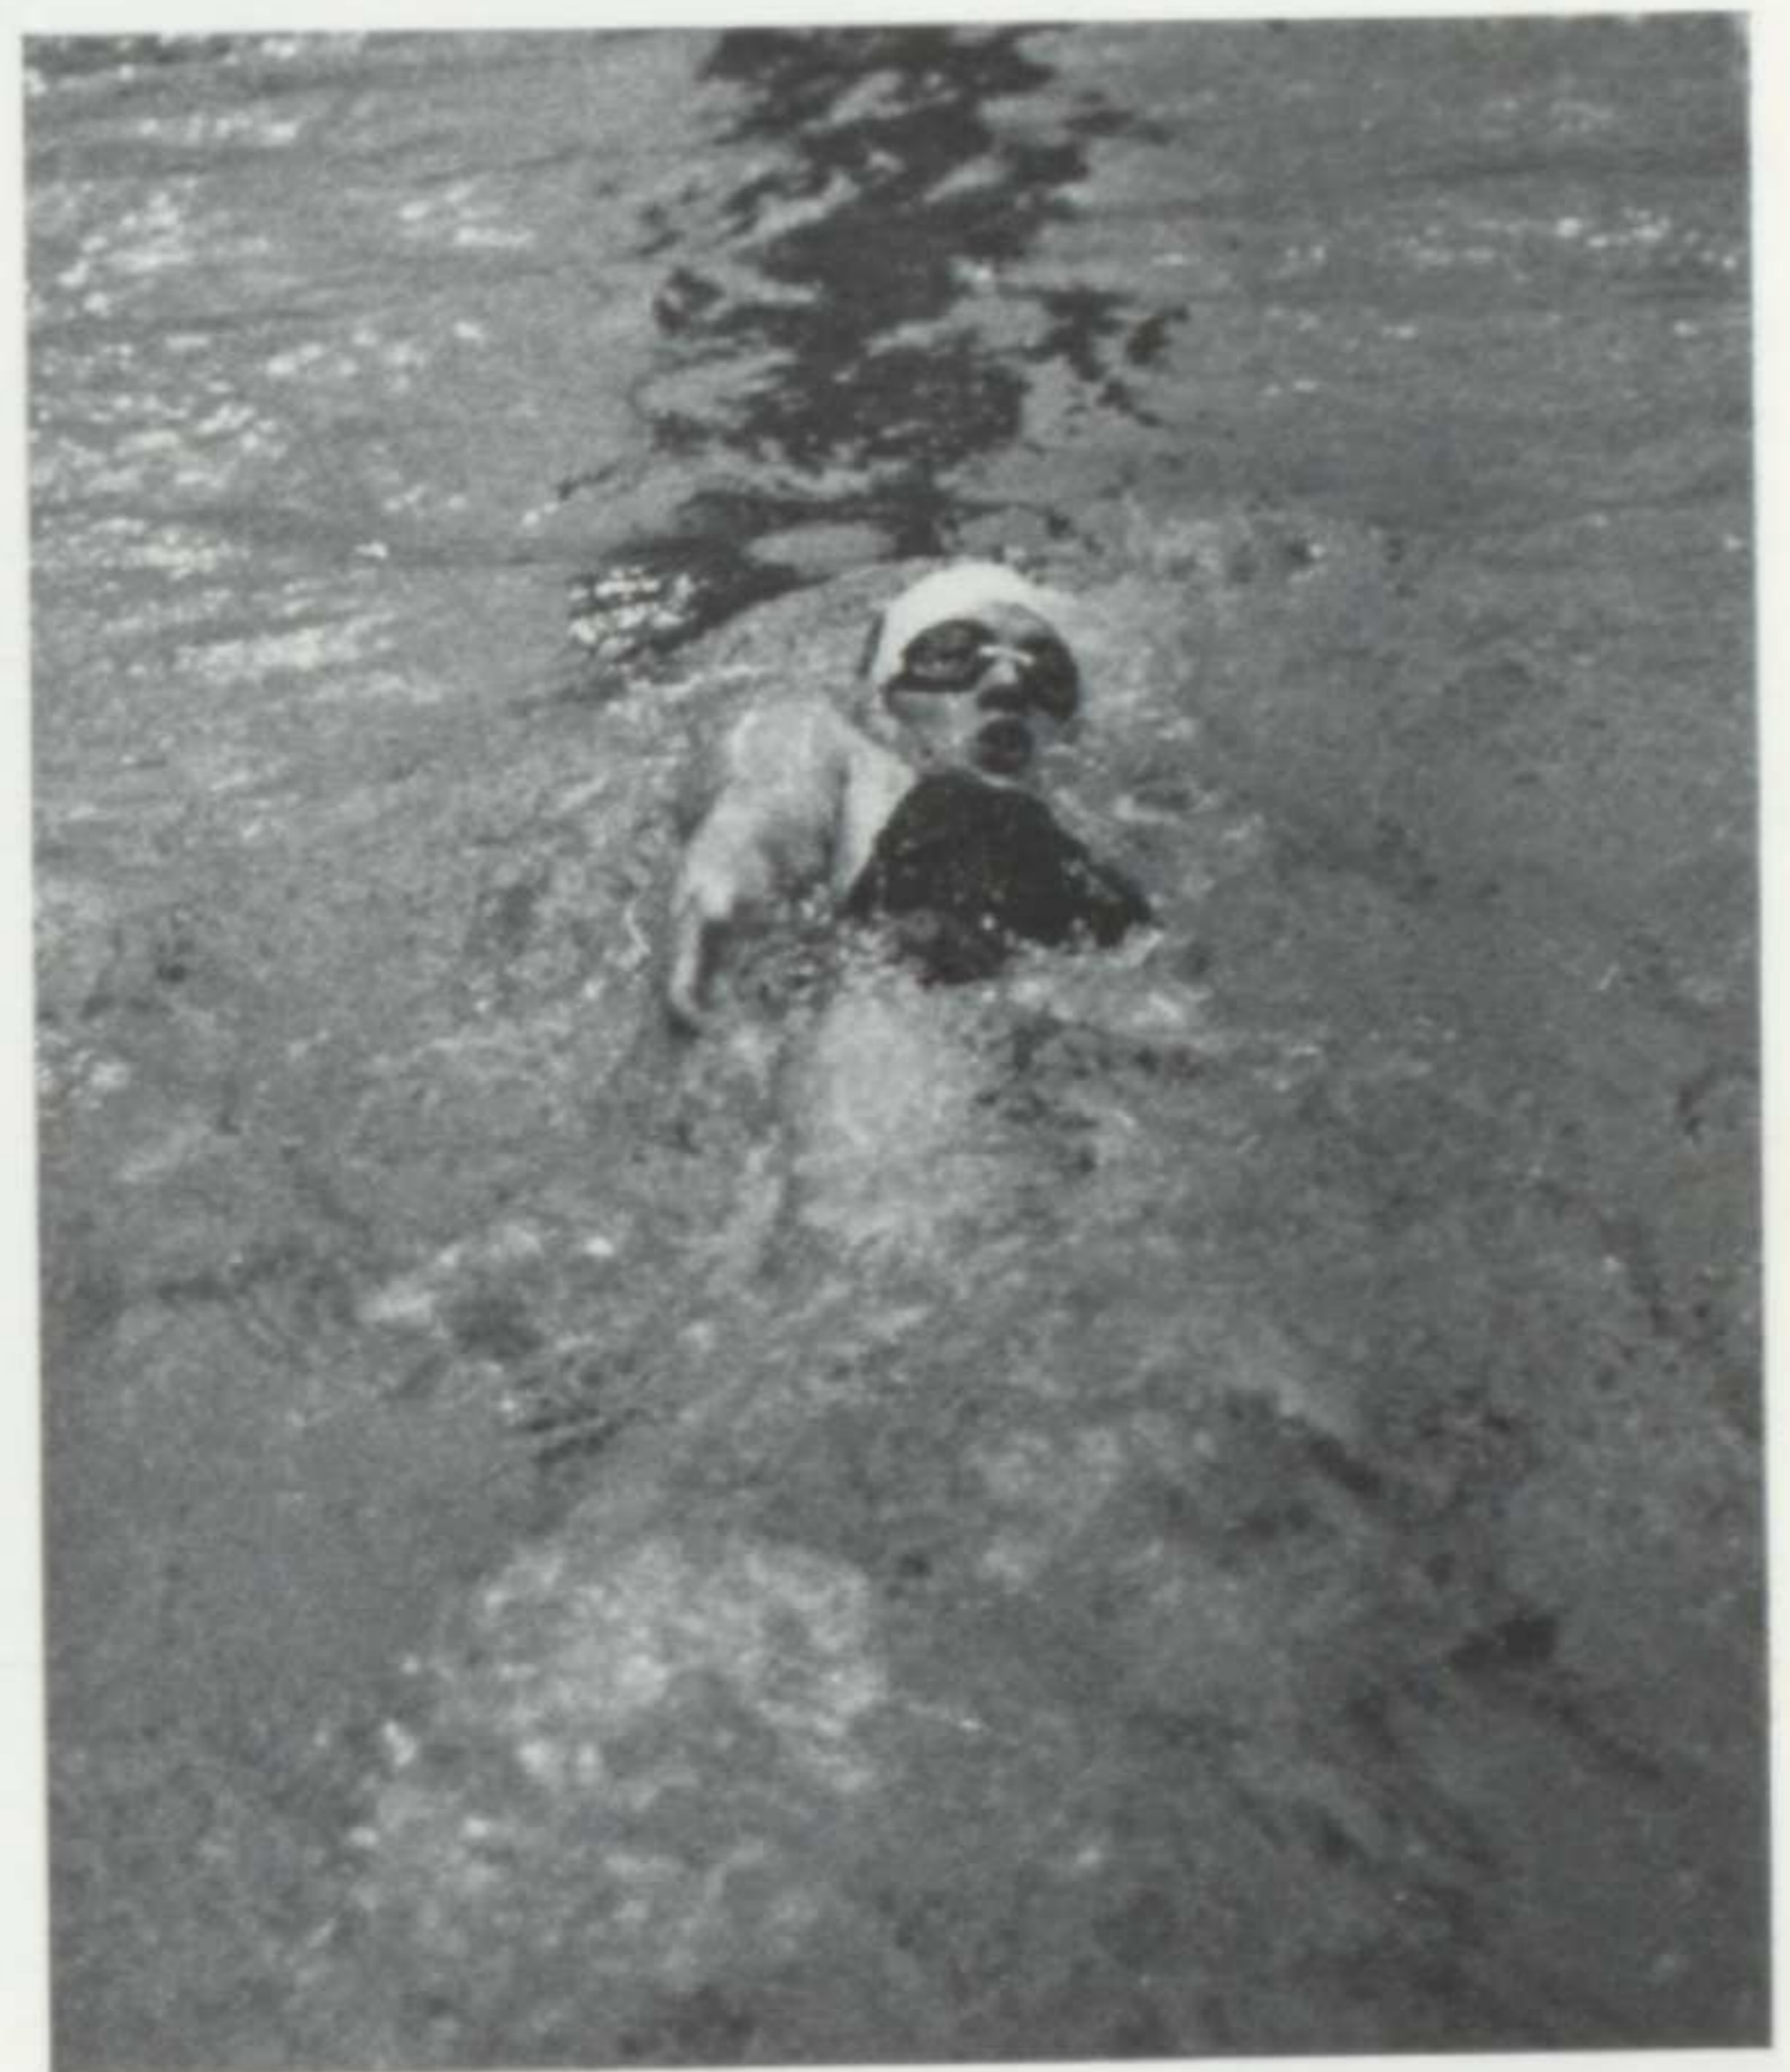

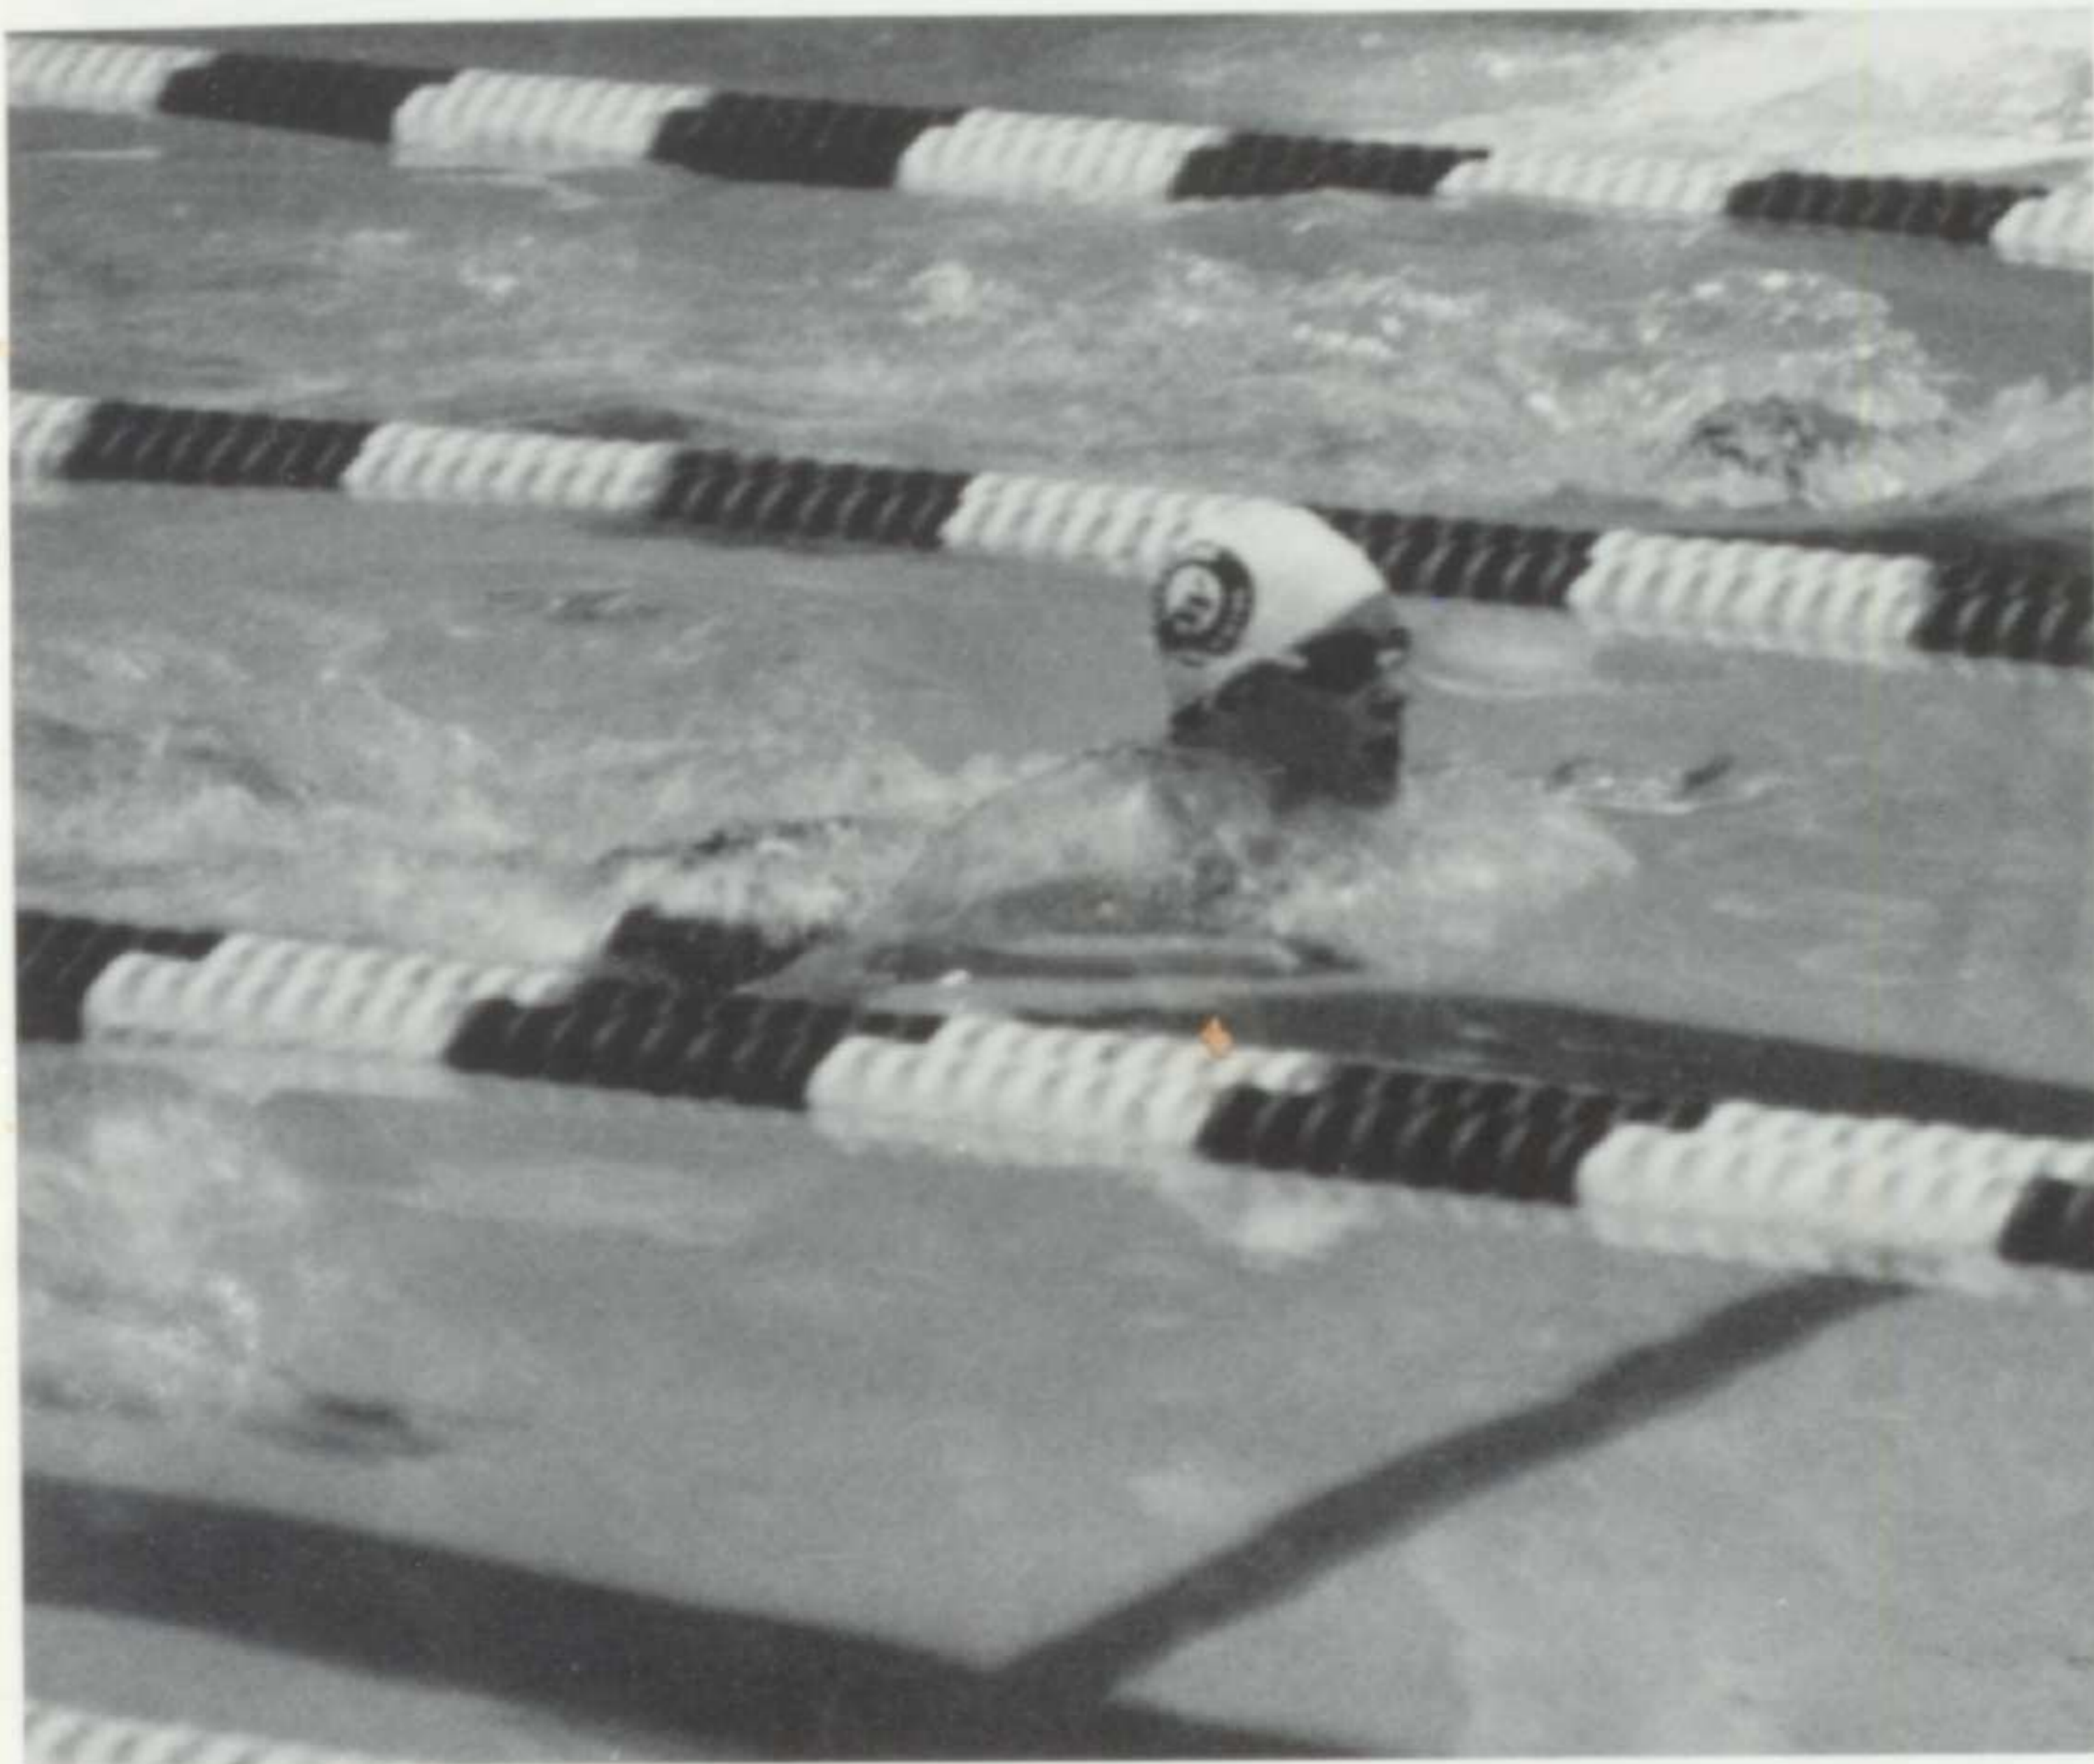

Coach Jim Callahan and assistant coach Jeff DeVille led the Lady Cardinals in their march to Districts, State Championships, and finally to Junior Nationals in Syracuse, New York.

The team had many outstanding victories particularly over Toledo Ursila and Akron Firestone. They also placed second in the Orange Relays in Cleveland. They then went on to place second in Districts and fifth in the State Championships.

The season was successful for many individuals on the team. Two individual varsity records were set — Jennifer Jones 100 Freestyle: 53.58 and Kathy Littig 100 Backstroke: 1:00.27. The 400 yard freestyle relay team consisting of Kathy Littig, Kristi Huffman, Laurie Huff, and Jennifer Jones placed fourth in the state meet and qualified for the Junior National meet in Syracuse, New York. With seventeen sophomores and juniors, and ten freshman returning, the team will have depth and leadership during the 1985-1986 season.

Boys' Gymnastics

The Boy's Gymnastics team was looking at their 1984 season as a rebuilding one. Under the direction of Coach Marc Small, a Worthington graduate, the team managed to pull out a fifth place finish at the state meet. With a 7-3 dual meet record and a season high of 130-10, the team can be proud of its performance. Not only will the Cardinals lose seniors Mike Poss and Captain Joe Moss, but also their coach of two years, Marc Small. With the abundance of very talented sophomores and juniors returning, the squad expects to be a power house in the near future.

The Worthington Girls' Gymnastics team, under the skill of coaches Marty McClain, Dave Holcomb, and Marcie Chandler, enjoyed their most successful season ever in their history at W.H.S. Their rigorous pre-season workout and difficult practice schedule undoubtedly contributed to their excellent season. Led by co-captains Betsy Patchen and Lisa Nadrah, the team had an undefeated record of 11-0. Their defeat of long standing rival Dublin, was only the first in a string of victories. Individual members of the team placed very high in the OCC meet. Kim Klunk, Natalie Long, and Colleen Yakum were three of the teams most outstanding gymnasts. All the girls, however, contributed to the team, allowing them to place second in class III and IV Districts and first in class II Districts. The season highlight, however, came with the winning of the State Championship. The senior members of the team, Mary Ellen Foley, Lisa Nadrah, Betsy Patchen, Allyson Poirier, and Sally Swartzmiller will be missed. Coach McClain can look forward, however, to a large number of dedicated and talented underclassmen to fill their shoes.

Wrestling

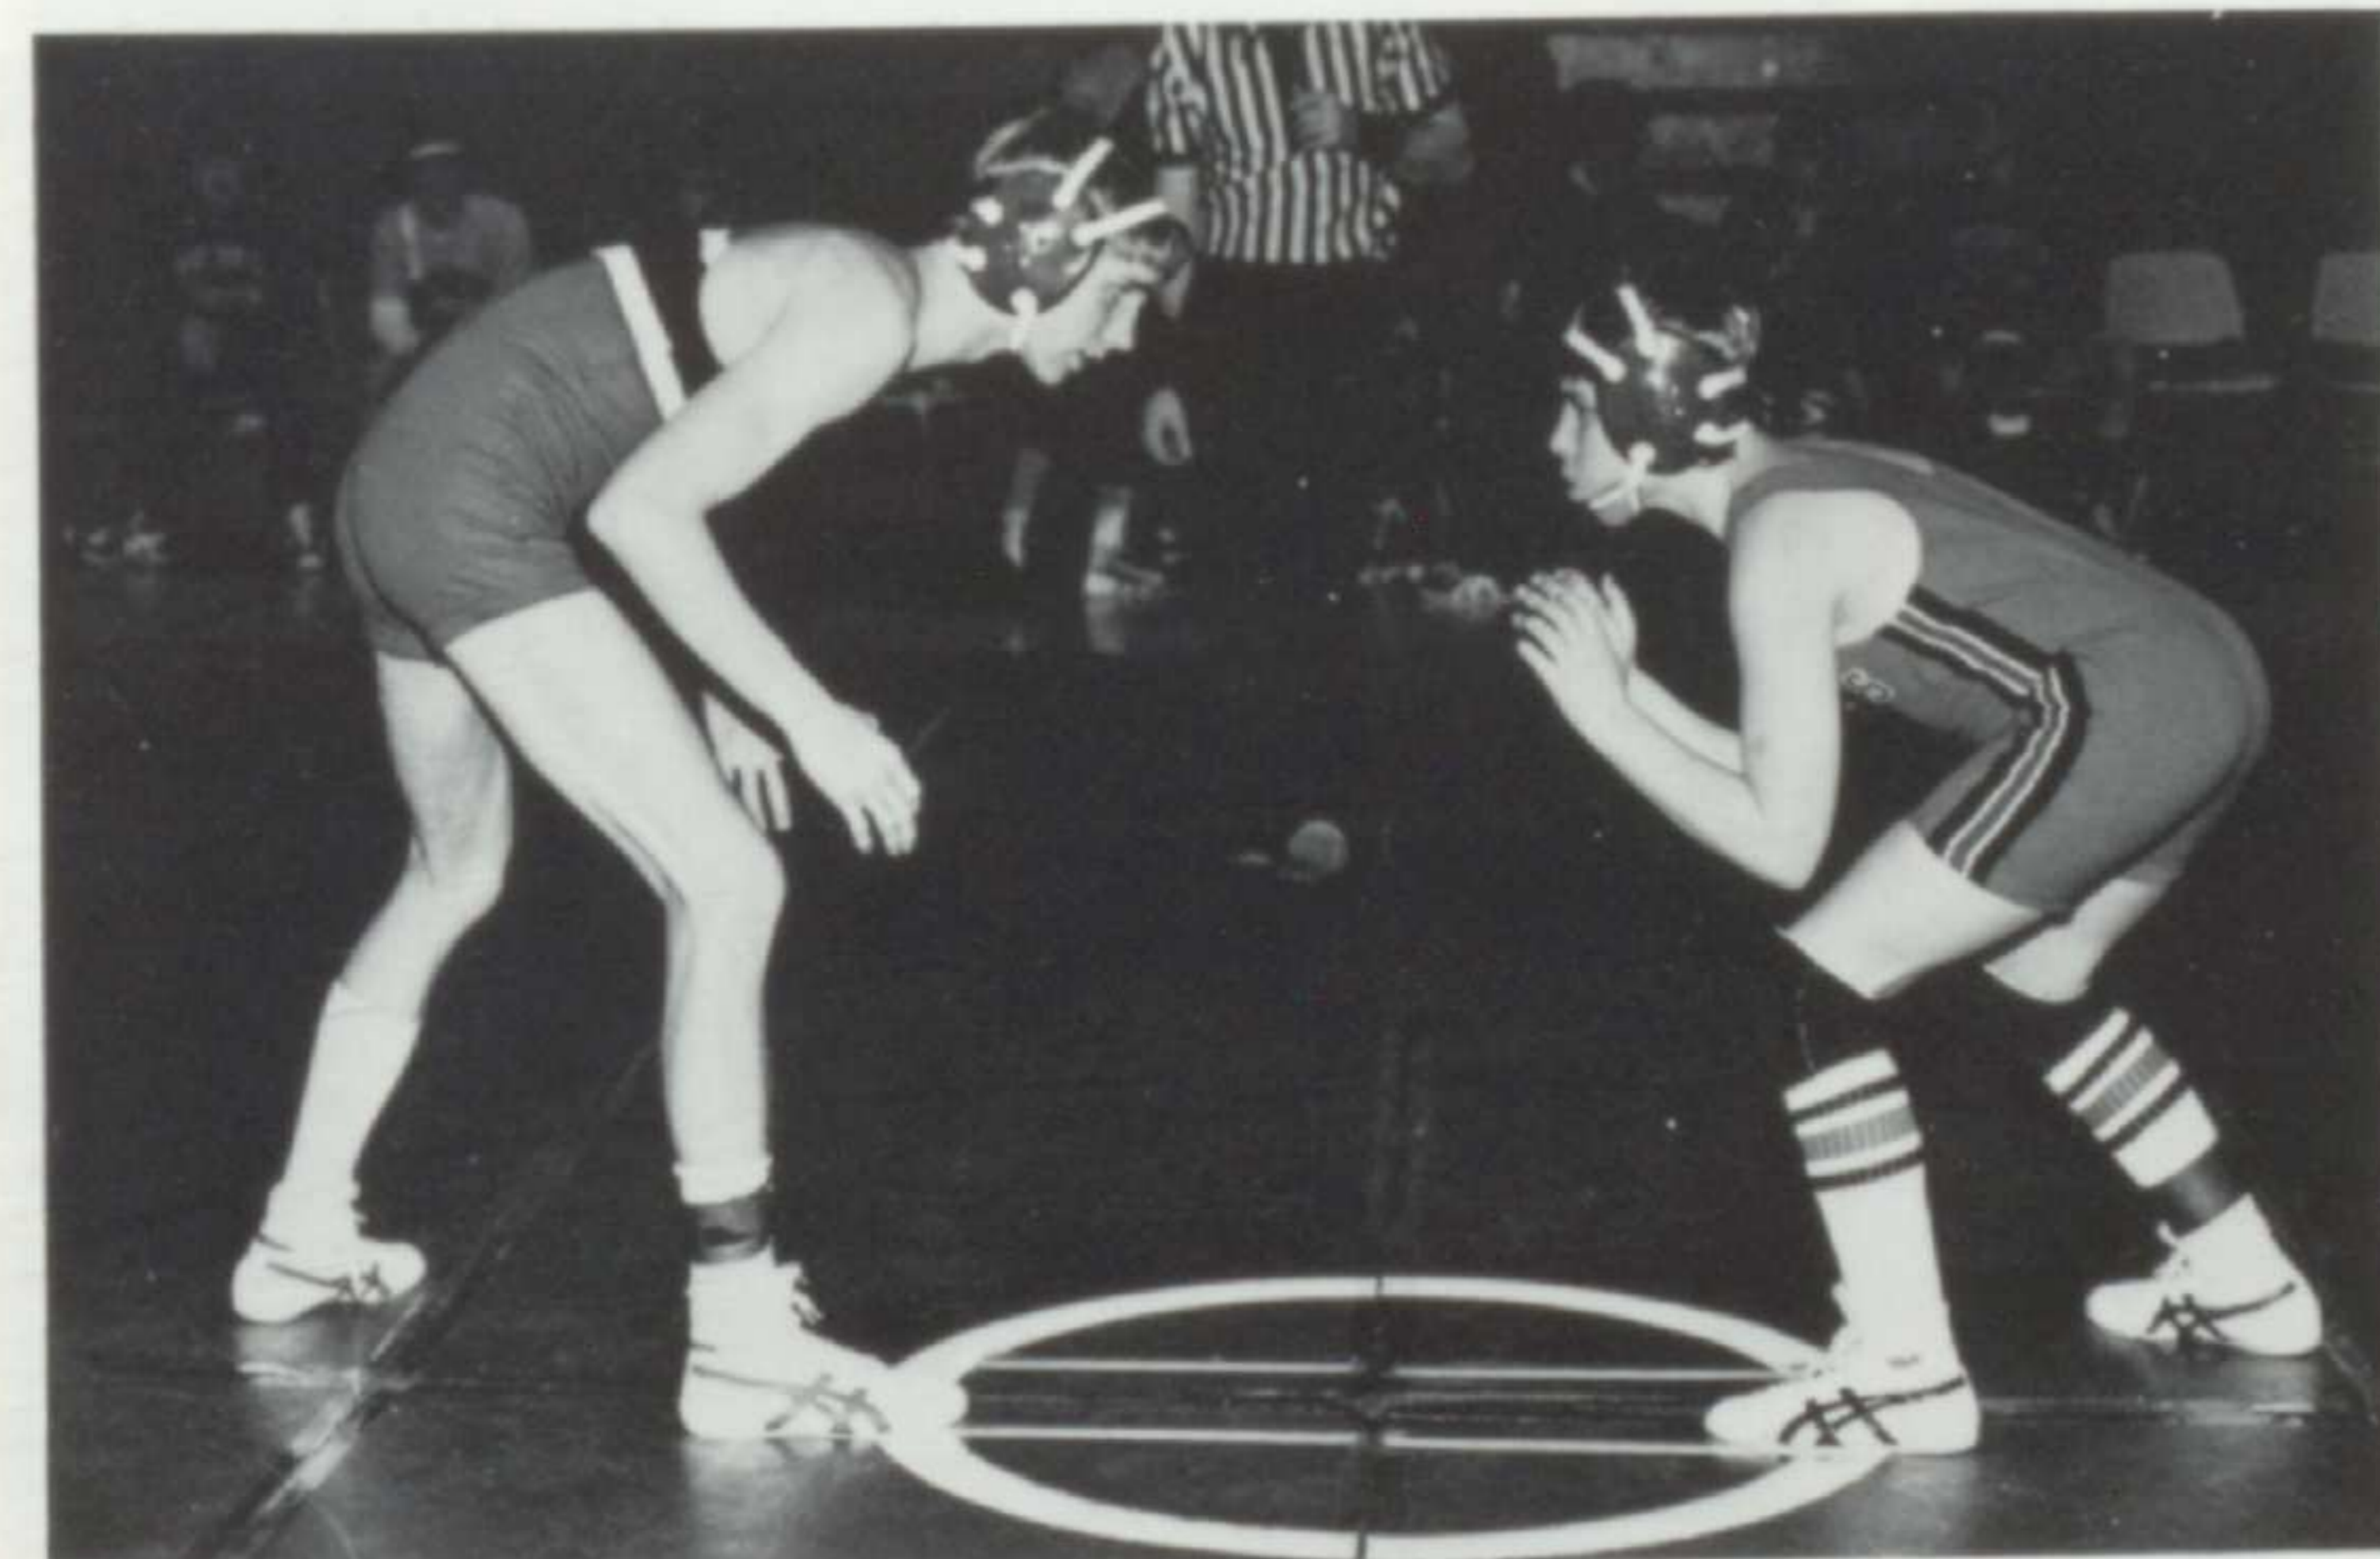

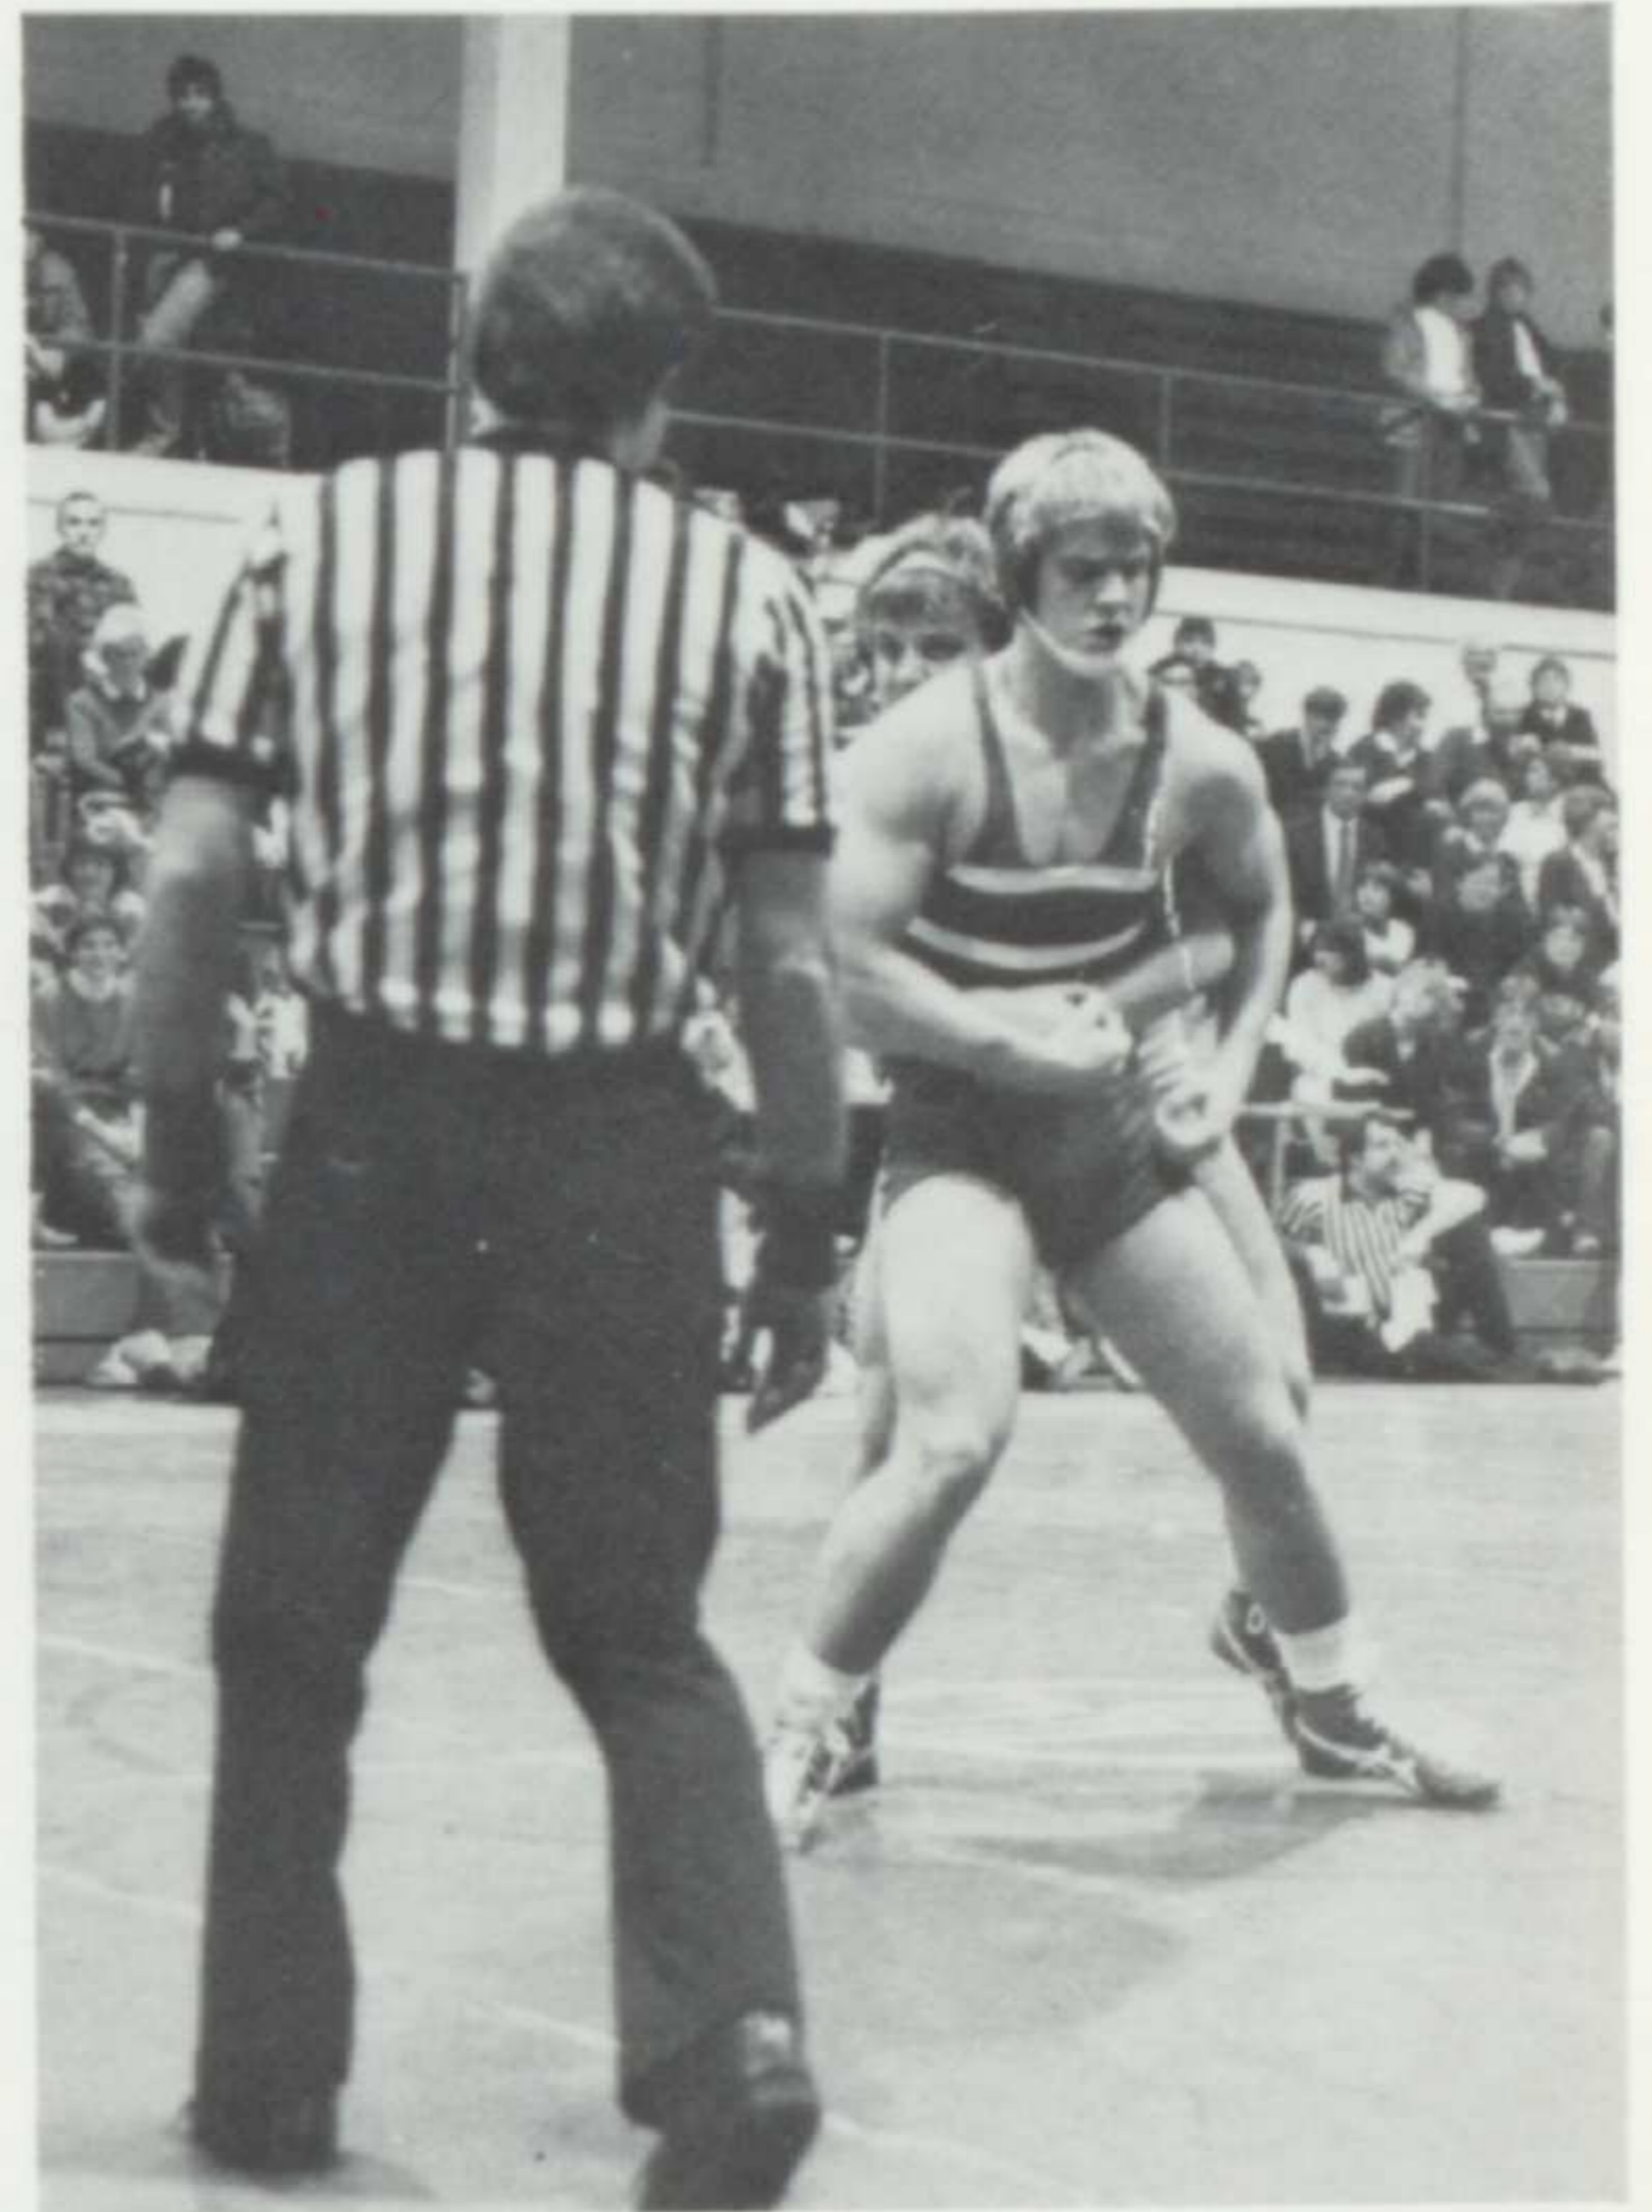

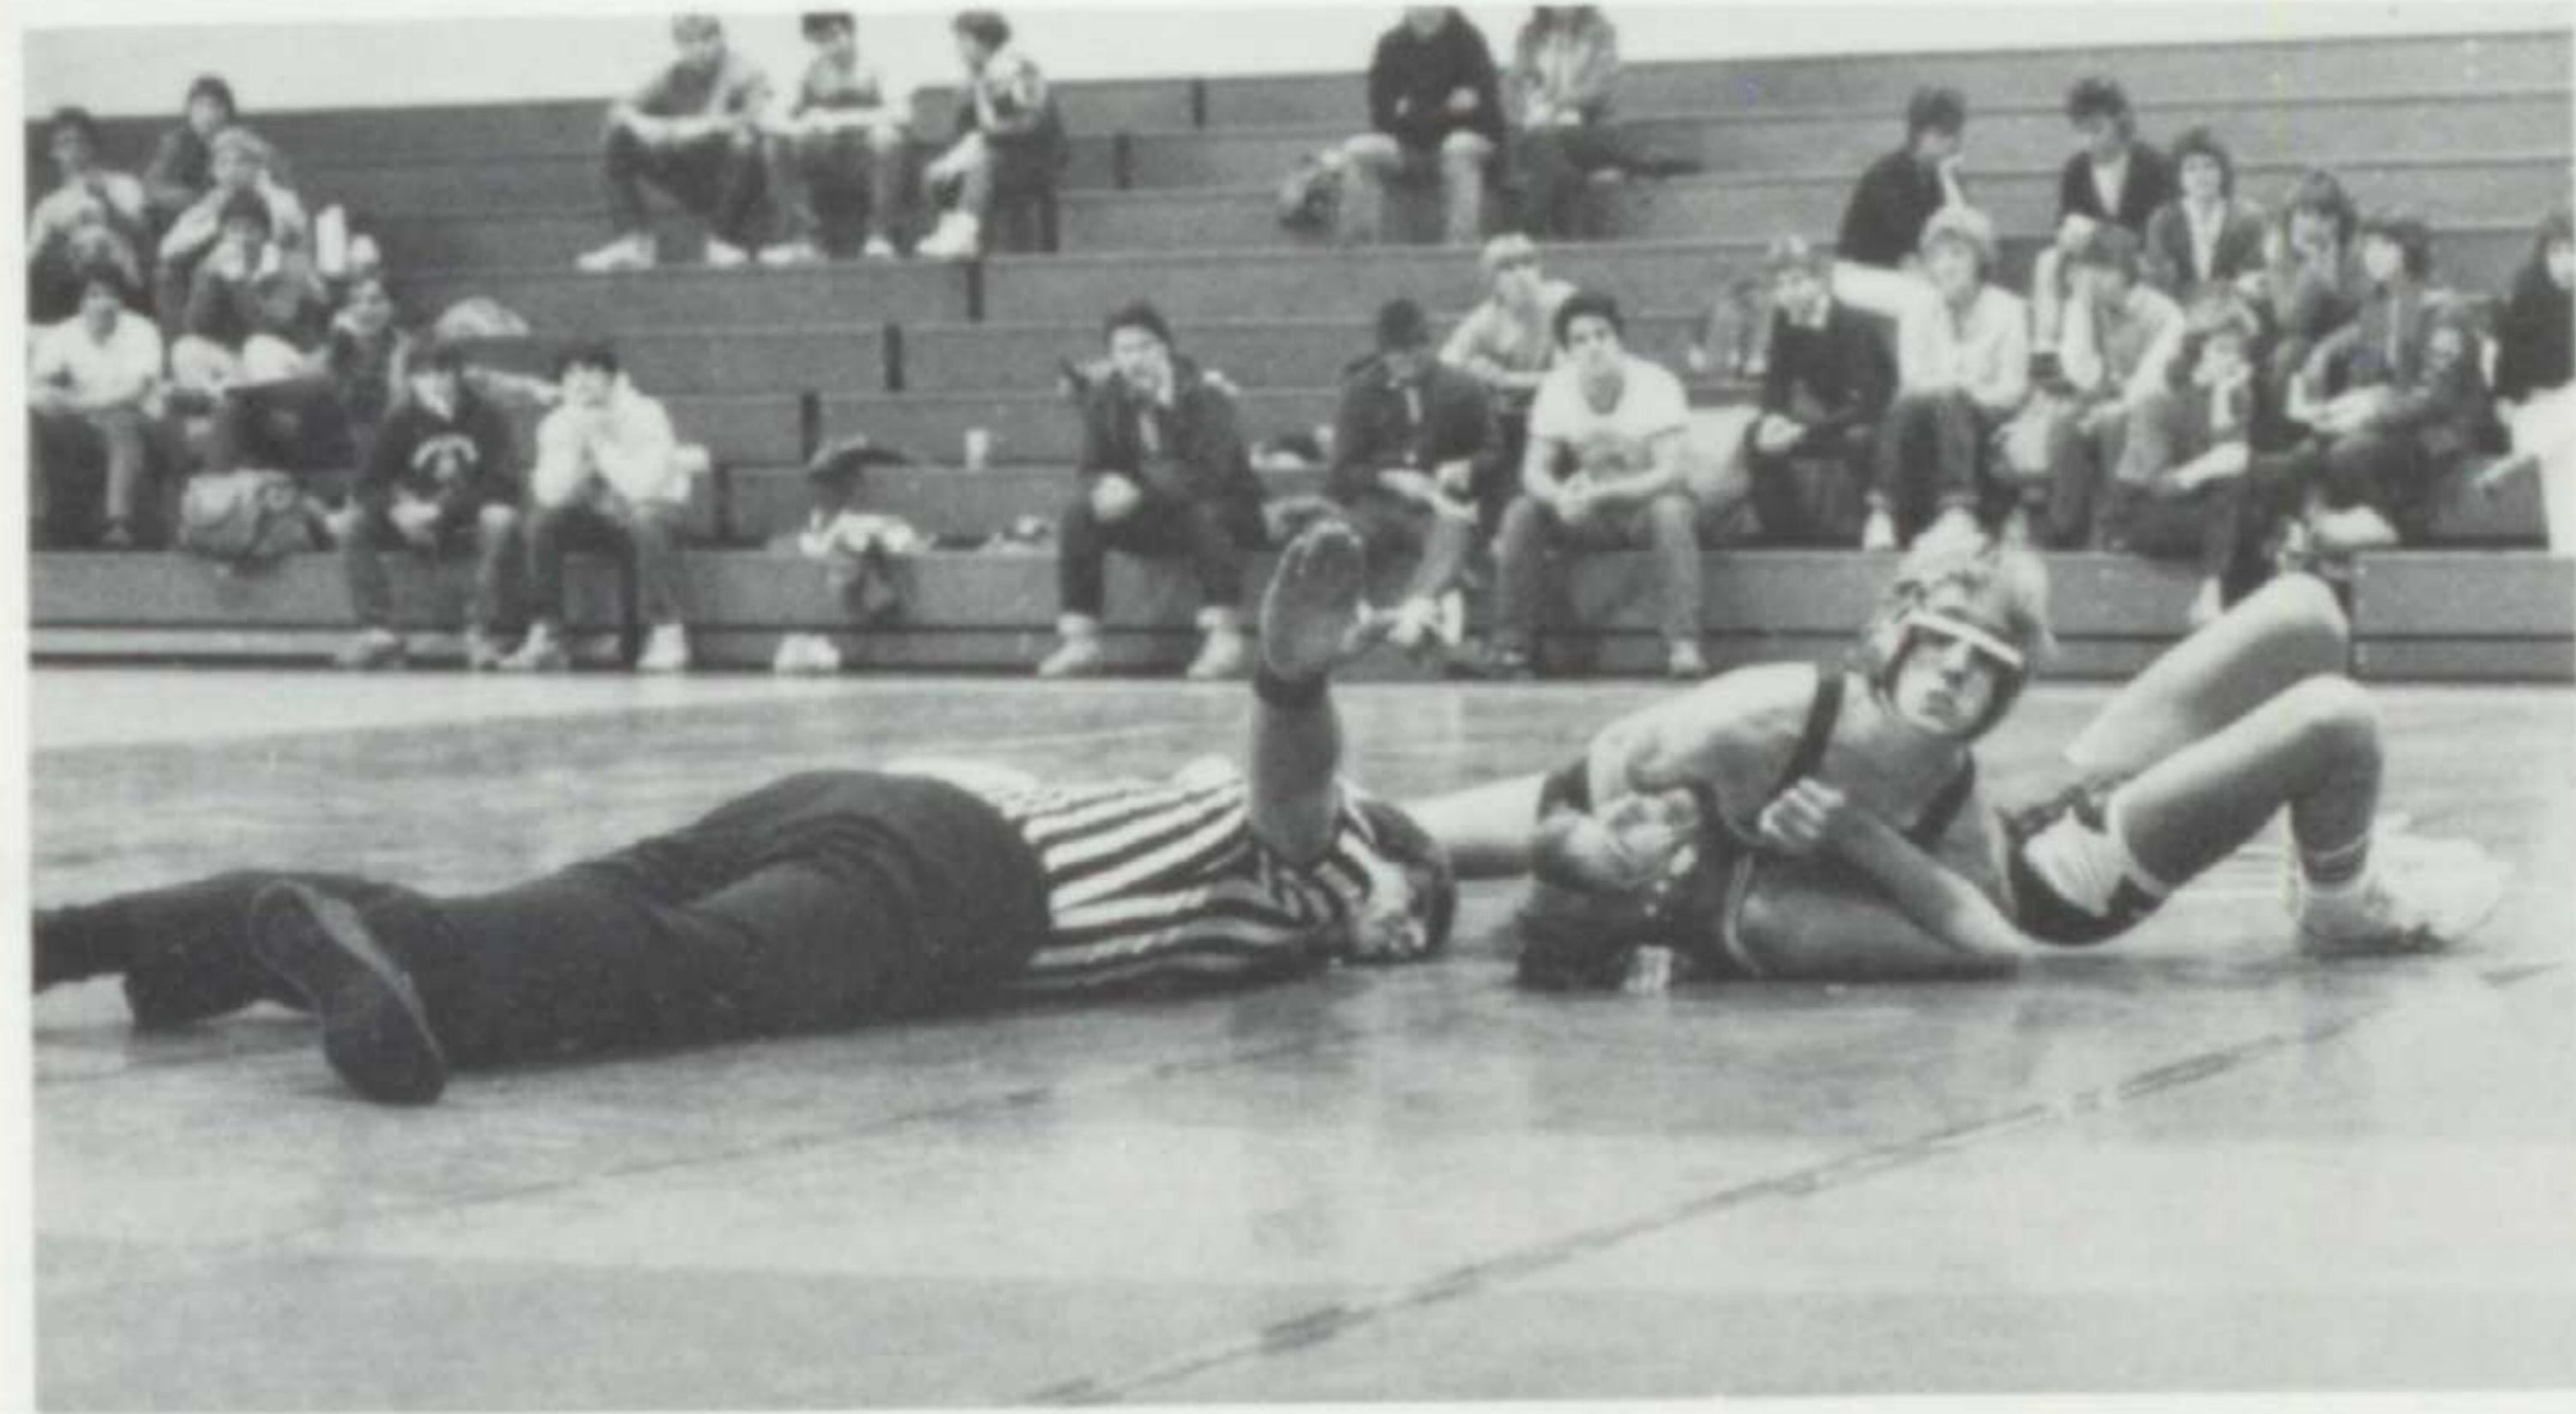

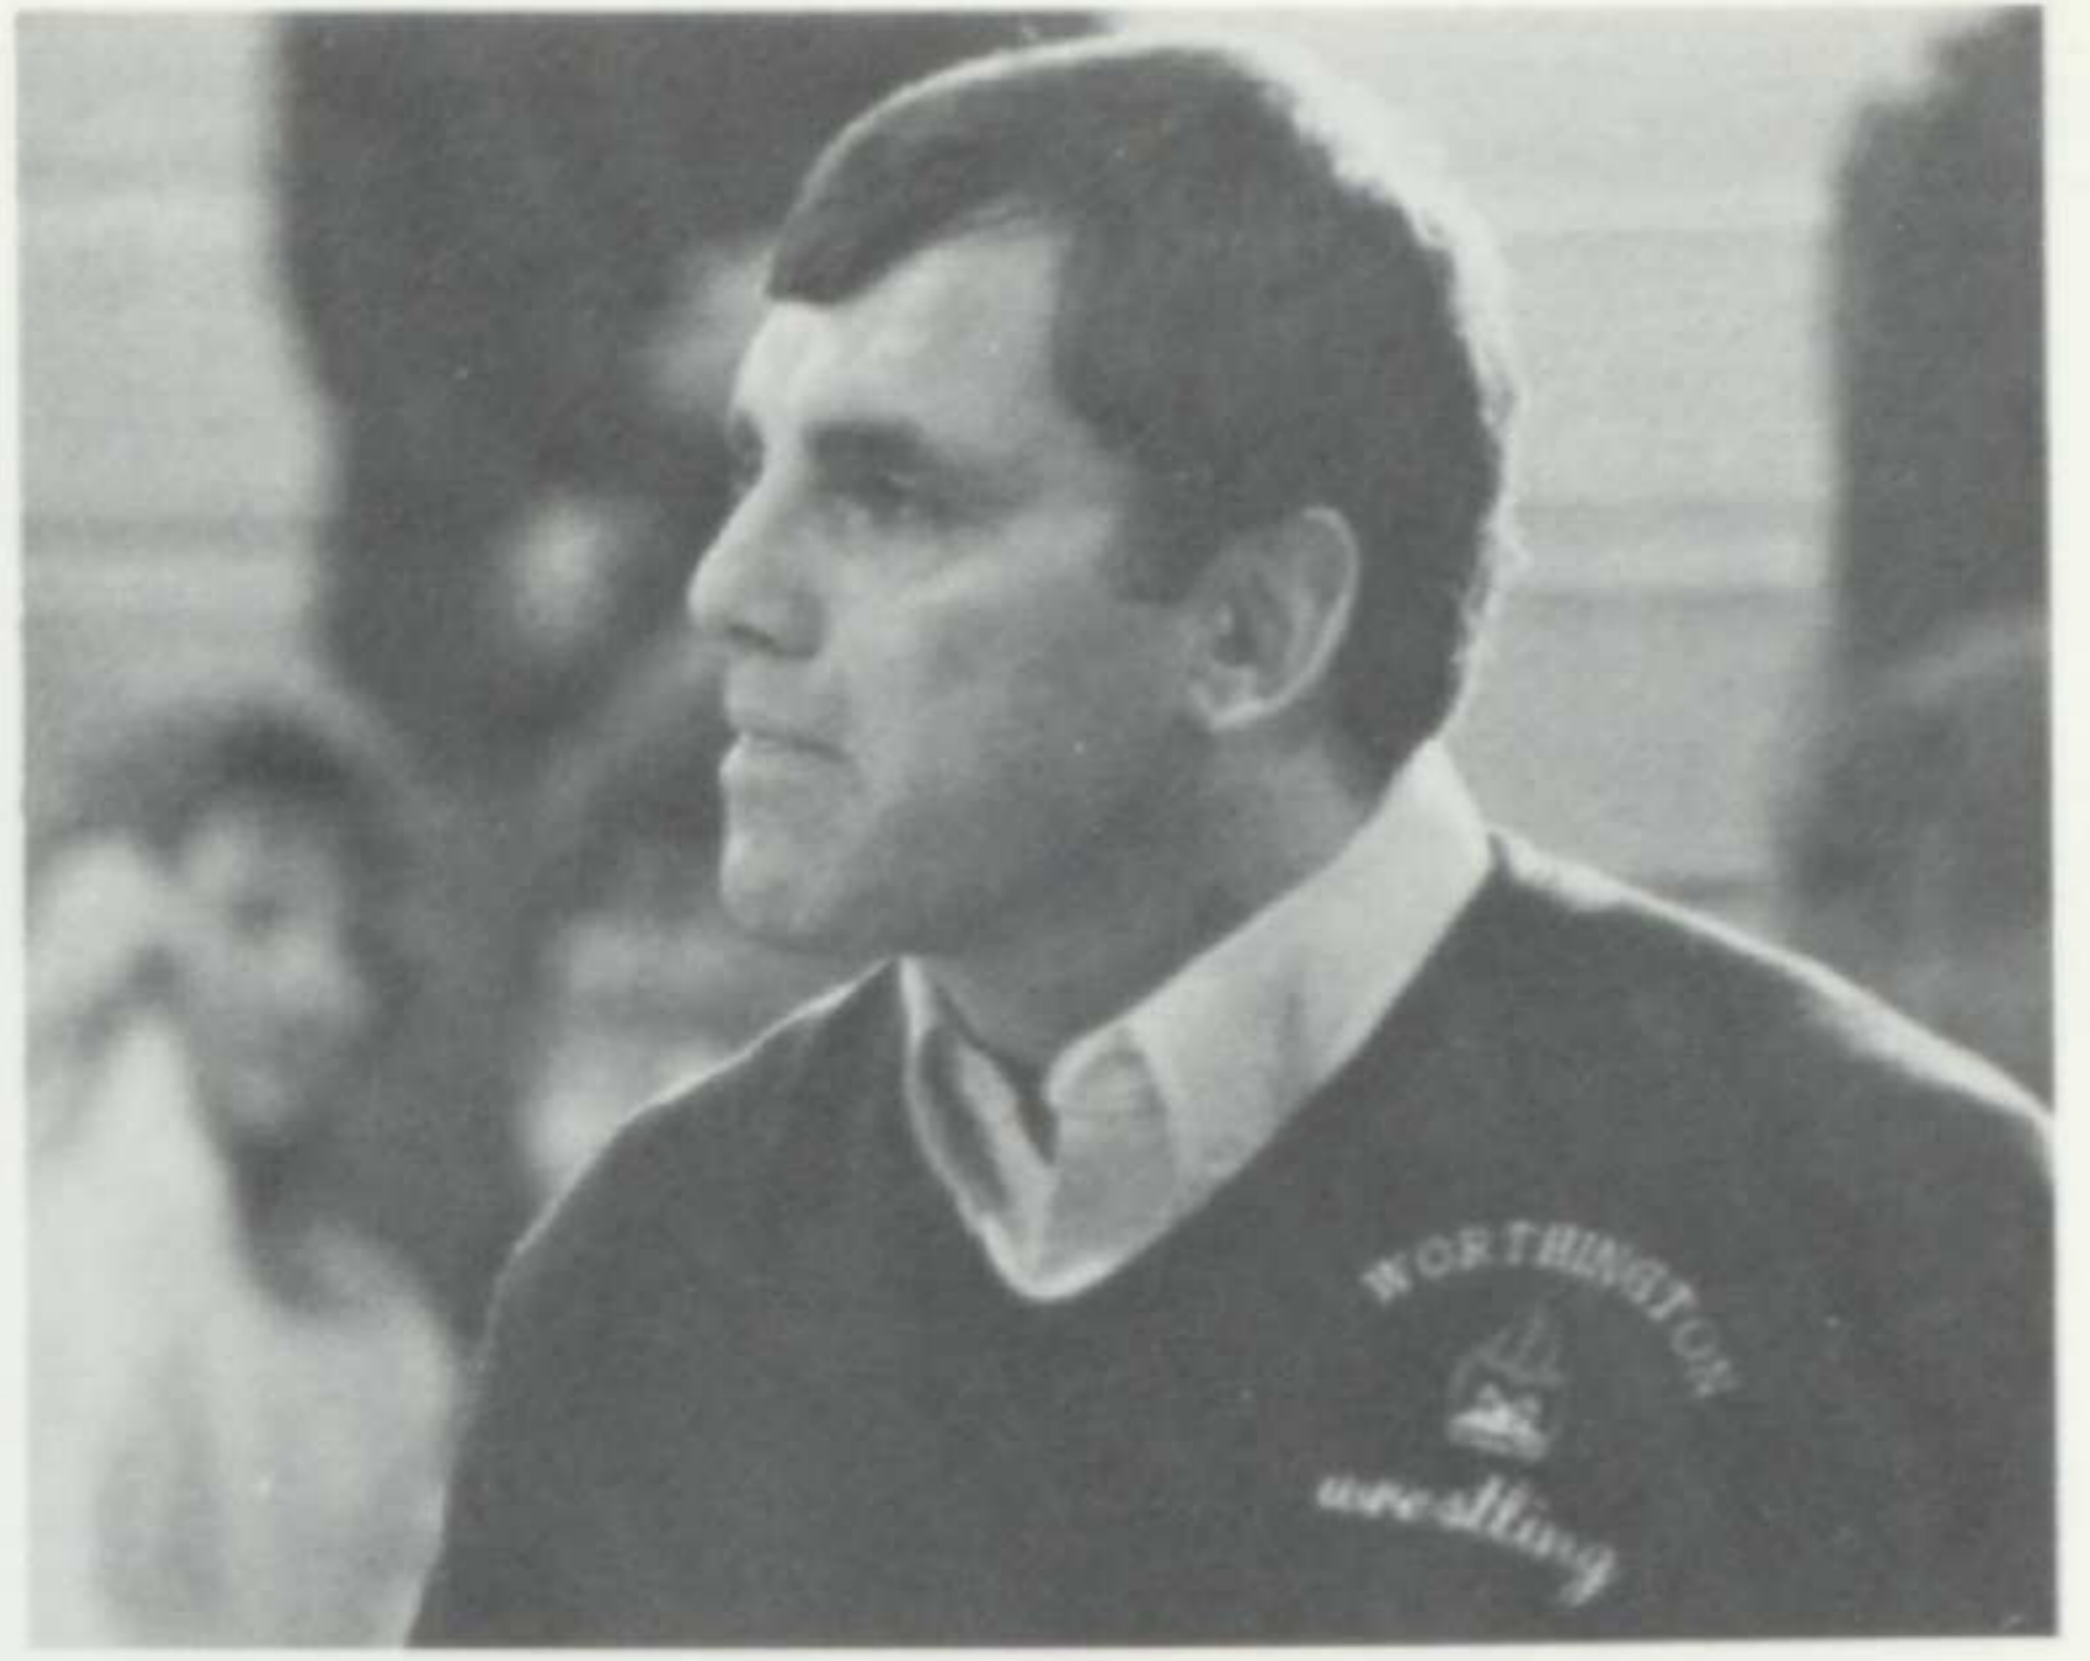

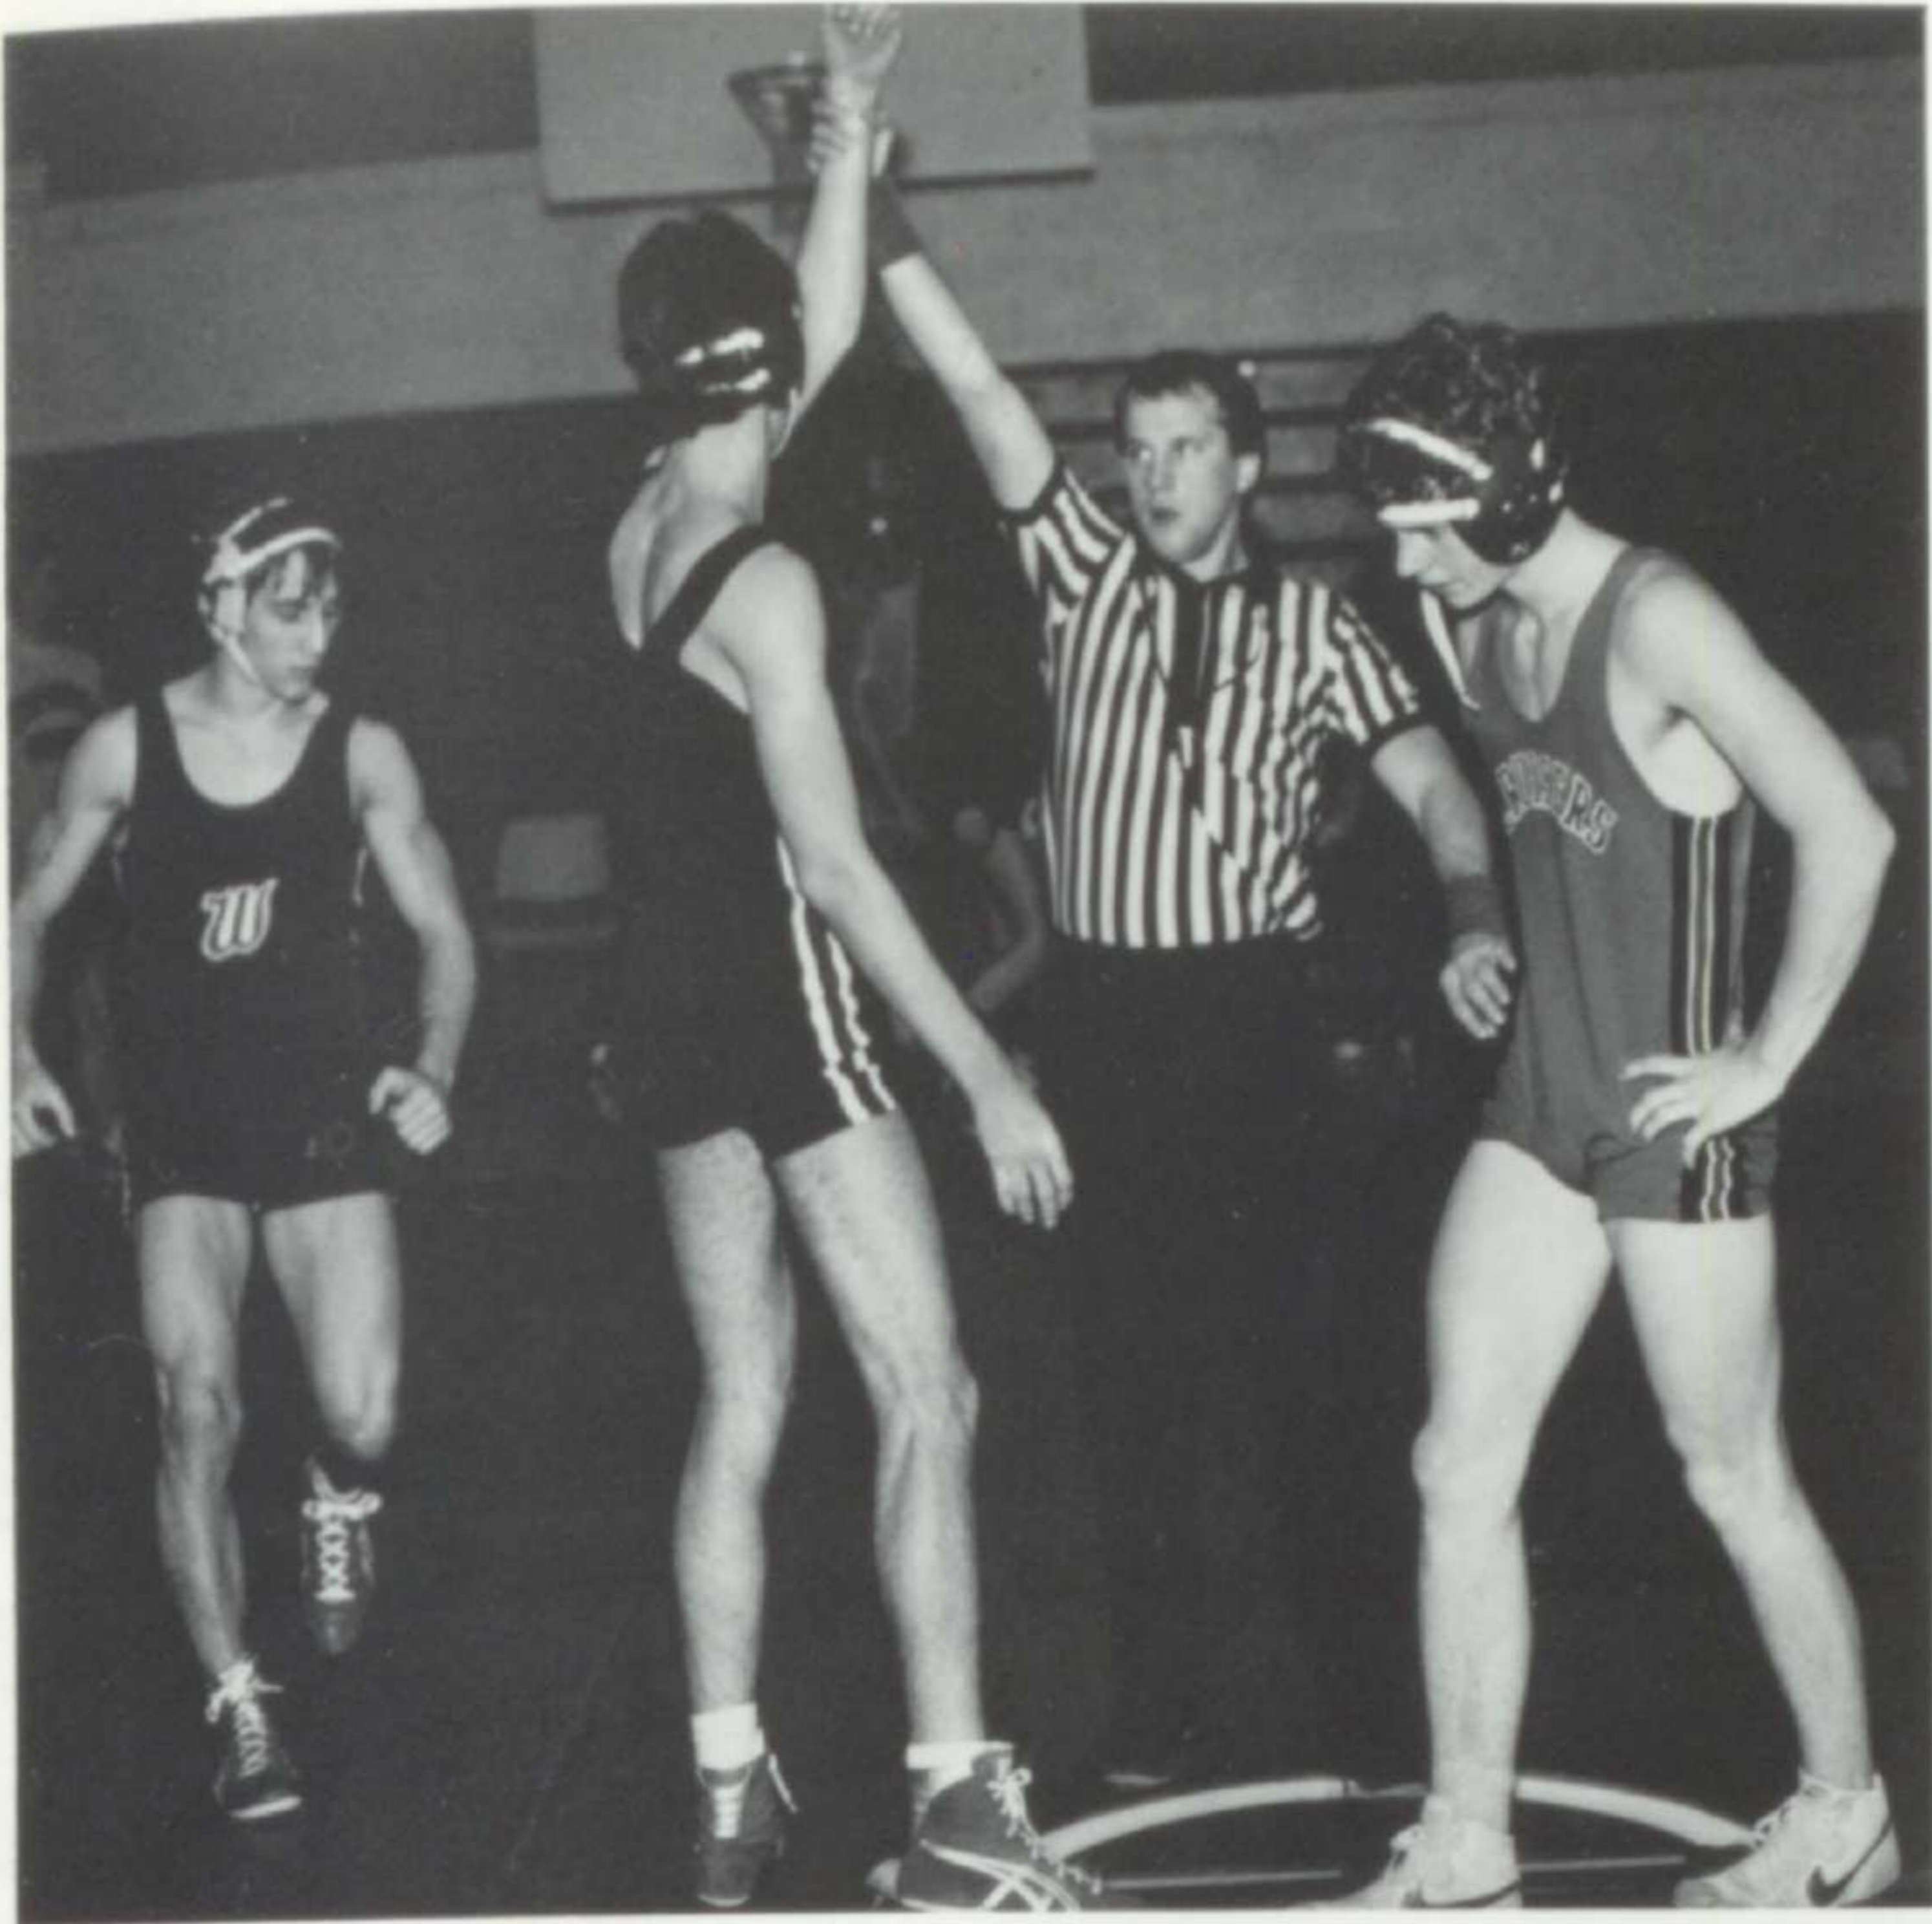

The 1985 Wrestling season was a successful one under Coach Bukky and a strong, dedicated team. Seniors Eric Reisch, Todd Hanks, Dan James, Scott Milhoan, and especially state participant Sean Hart all demonstrated exceptional ability out on the mat. Juniors Paul Wright, Chuck Hale, and Geoff Stobart as well as sophomore Bob Hart contributed fine performances also.

Although most of the varsity team went to the districts and regionals, only Sean Hart continued on to states. Despite a tough fight by Sean, his opponent won the championship.

The Cardinal wrestlers look forward to a winning season next year under the guidance and spirit of the upcoming seniors.

Boy's Track

This year's Boys' Track season was a phenomenal tribute to first year head coach Chuck Clark. The team sent four qualifiers to the State meet. Bryan Gissinger, Bruce Whittaker, Brett Sanborn, and John Sprunger went to the meet in the 3200m relay. Sanborn also qualified to run in the open 3200m. Coach Clark, with the aid of Coach Gary Smith, led the team to a fine season. This year's team was very strong with younger talent. For the first time in several years, the team travelled out of state and competed successfully in Indiana and West Virginia. With a lot of young blood on the team, hopes for next year are very high.

Girls' Track

The Girls' Track team experienced a very rewarding season this year. As a team they accomplished quite a lot. They won first place in the Worthington Relay Meet, then went on to capture second in Districts and reach second place in Regionals. It has been a while since the track team has done that well. More on an individual level, the 3200m. relay team set the new school record by running 9:32:47. Missy Furnas also set a new record for the 800m. run. Coach Jennifer Elin was very proud to send many of her girls to the State meet. The 3200m. relay team, consisting of Allison Brewton, Missy Furnas, Laurel Tommas, and Debbie Cosley, finished 6th in the State. Connie LeGrand, Juli Justice, Mona Sullivan, and Tammy Demaree reached the semi-finals in the 800m. relay. Anne Arsenault also reached the semi-finals in the 300m. low hurdles. Sara Wilson competed in the shotput division and earned 9th in the State. Allison Brewton high jumped a height of 5'7" to be awarded 2nd in the State. She also went on to the Midwest Meet and captured 1st in the Midwest. Although many seniors are leaving the team, next year will be strong because of all the talent returning.

Boys' Tennis

The 1985 Boys' Tennis team accomplished a great deal during their spring season. They attained the rank of second in the OCC. This year they won the Worthington Cup with Jon Rice winning his backdraw singles match and Jeff Borel and Lance Thompson winning their doubles match. The Cards also qualified for Districts. Throughout the season Lance Thompson, Jeff Borel and Jon Rice rotated playing the first single position. Tom Stephenitch and Brad Yakam, plus Scott Willis and Karl Feldman played outstanding doubles for WHS. Coach Rick Redman will have to say goodbye to his four seniors, Jeff Borel, Lance Thompson, Jon Rice and Scott Willis, but he can look forward to another super season next year with the returning underclassmen, Brad Yakam, Tom Stephenitch and Carl Feldman.

Girls' Softball

Though the 1985 Girls' Softball team's record doesn't show it, it was a winning season. The girls improved individually and emotionally grew stronger. For the fifth year, Wallace Chandler coached the Girls' Softball team. Coach Chandler, along with the team, is looking towards the upcoming seasons as promising ones. With all but seniors Katie Heitman and Vanessa Nunez returning, the team should be a powerhouse. Young talents Kim Fields and Jennifer Allen, who were tremendous assets to this year's team, will be the base of future success.

The 1985 Boys' Baseball team had an outstanding season. Sophomore powerhouse Phil Dauphin lead the team in batting averages with a .446 and was one of the youngest M.V.P.'s ever. Phil Dauphin also was named onto First League and District teams. Juniors Pat Kelly and David Nebraska were named onto Second Team League and Greg Ubert was named Honorable Mention. Coach Frank Cozze says "This year's team was great. I'm anticipating an even better and more successful season next year."

Student Council

The 1984-85 WHS Student Council, led by president Jan Lewis and Vice president Fritz Wiese, accomplished many things for the entire student body. Acting as usual as the liaison between the administration and the students, the Council continued to bridge the gap by re-establishing many committees set up to benefit the school.

This year's Cabinet members appointed by the president were: Elections: Katie Vierow and Andy Quillin; Projects: Lesley Breech and Kristen Davidson; Publicity: Julie Murr, and Amy Peery; Service: Susan Luke and Eric Reisch. These chairpersons, along with the entire committees, should be commended for their hard work, dedication and great results.

Among the many traditional projects worked on by Student Council were Homecoming activities, dances, the very successful Bloodmobile, canned food drive, and the school beautification project. Also, this year the Council held an Ugly Teacher contest, won by Mr. Heaps, to raise money for charity. The Council sponsored a Cake Walk booth at this year's Ox Roast.

A very special thank you must go to Miss Elaine Hottenroth, the Activities Director and head advisor to Student Council.

This year's Student Council wishes next year's Council the best of luck, and leaves with hopes that they will continue to provide democracy within WHS.

Half-Timers

The many athletic games and contests in Worthington are more than just sports. They are spectacles to entertain. The Marching Band, Majorettes, and Cardinal Cadettes all play an important part in the show, and this year they outdid themselves in quality. After their successful season the Marching Band and Majorettes usually rest, but this year they got together one more week at Disney World and played with other bands from all over the nation. The Cardinal Cadettes also had an exciting year competing with other drill teams from the state to finally emerge as the best giving them the title of State Champions.

Instrumental Groups

The four instrumental groups for the musically talented of WHS consist of Orchestra, led by John Frayer, Stage Band, under the leadership of Dave Tschiegg, Concert and Symphonic Band, both led by Jay Moyer.

Orchestra is open to all grade levels. Stage Band, the most difficult to get into, is made up of upperclassmen that have passed a strenuous audition. Other upperclassmen go into the Symphonic Band, and are rewarded in the annual award banquet. Concert Band is composed entirely of sophomores.

The many concerts offered at WHS are invitations for all to enjoy the fruits of these talented musicians' hard work.

Choral Groups

WHS has many activities in which the students are offered an opportunity to excel. Among these are four choral groups that are not only academic courses, but are also chances for students to perfect their abilities to sing.

Mixed Choir is open to all students who wish to learn to sing and to participate in a choral group. The only requirement needed is a willingness to work hard. All of this hard work culminates in a spring and winter concert with the Treble Choir. The Treble Choir is composed of girls who tryout and sing basically the same music as the Treble Ensemble.

Treble Ensemble is made up of junior and senior girls. They are often asked to perform for women's clubs and breakfasts. The last, and most prestigious, group of WHS is the Mixed Ensemble. Usually juniors and seniors, this group is constantly asked to sing at country clubs and hotels.

Choral groups in Worthington High School are proud of their singing abilities. Those who have participated can attest that they, under the guidance of Mr. Joel Haney, have worked hard to achieve the excellence they are famed for.

Sports Clubs

Worthington High School has many sport clubs that help inspire the great school spirit it's famous for. Their hard work is appreciated by the many athletes who are the recipients of their delicious spirit boxes, colorful locker signs, and fantastic parties. The senior athletes not only get these wonderful attentions, but are also given an especially thoughtful gift of senior scrap books, telling of their season with pictures. The members of these clubs have a lot of fun doing things like decorating the athletes' rooms, but many of them also work hard doing the less thrilling jobs of taking stats and planning end-of-the-year banquets. These clubs should be commended and recognized for getting so much work done with such big groups. The organizational skills that must be developed by the president of these clubs, as well as all the other members, will serve them well in the future.

Sports Clubs II

A few of Worthington High School's sport clubs are designed to allow the students to participate in the sport rather than cheering on those already playing. These consist of Volleyball Club and Boys' and Girls' Lacrosse Clubs. These clubs have games and compete with other schools in the same manner as other sports at WHS. Near the end of the 1984-85 school year the Lacrosse Clubs were accepted by the administration as an official school sport, although the many difficult games already won by them had made it obvious for a long while that they were. The Lacrosse Clubs worked hard to attain the recognition they were given, to the heartfelt appreciation of all of their future participants.

The Thinkers

The National Honor Society is a group of juniors and seniors who are in the top third of their class and are chosen by the staff to be good representatives of scholarship, leadership, character, and service at Worthington High School. Juniors who are admitted organize the club their senior year and aid students who need help in their studies. Seniors have the honor of wearing a golden cord at graduation.

The In-The-Know team is a group of people who wish to represent the school in competition. They all practice and prepare themselves in a particular area, such as the arts or sciences, and learn as much as possible about it. Although only a few of them get to actually compete, working together helps to keep the experience fun.

The Chess Club at Worthington High School is dedicated to teaching new players the fundamental skills of chess and helping better players by polishing their style through group competition.

Speech and debate are noble forms of communication and at Worthington the National Forensics League helps those who wish to use these skills as well as possible. Students from all grades have competed at regional and state levels and done quite well this year.

Office Helpers

There are many ways to get involved in Worthington High School besides joining clubs, athletics or vocational education programs. One of the most useful is becoming an office worker or library aide. Office workers have many responsibilities. If they are working in Guidance, they answer phones and help schedule appointments for students who need to see their counselors. If they work in the regular offices, they help answer students' and, occasionally, visitors' questions, as well as helping to hand out absence or tardy slips for students who need them. All of these office workers help to get messages to the proper students and are a very important part of keeping this school running smoothly.

Library Aides help Mrs. White and Mrs. Agnew with many tasks. Although they receive one-quarter credit for each semester they work, the students must learn to do many tasks well before earning it. Throughout the year, the students help by handing out new magazines and getting old ones from reference, as well as other jobs, such as checking in books, giving fines and shelving books. To earn their credit the students must do one other thing. They have to put up a display somewhere in the library to help interest students in reading. At the end of the year, when the library is closed to everyone else, the aides help to make an inventory of the books and repair those that have been damaged during the year.

Fellowship of Christian Athletes is an organization that is open to all students of Worthington High School. These young men and women get together to help and support each other as well as to have fun. They often have speakers and other activities that help to bring them together and help them to grow and learn about themselves and others.

Cheerleaders

Many girls vie for the title of Worthington High School cheerleader. Tryouts for Football Cheerleaders are held in March, and for Basketball Cheerleaders in early November. The summer and fall months bring many long hours of practice which consists of formations, mounts, jumps, routines, along with bruises, sore muscles, and strained voices. But it's all worthwhile in the end.

The cheerleaders participated in many training sessions and competitions this year. The Varsity and J.V. Football Cheerleaders competed at Miami University (UCA) and O.S.U. and brought home first place trophies from each competition. The Varsity Football Squad also had the honor of participating at the Ohio State Fair.

The squads felt very privileged to cheer Worthington High School on to a winning football and basketball season. Homecoming was great and cheering at the tournament game, sharing fun and food at the Upper Arlington spread, and wearing sweatshirts at the Gahanna game the night before Regional Competition will long live in the memories of these dedicated girls.

The squad which participated in National Competition in February of 1985 at Sea World in Florida, a first for Worthington High School, was made-up of the Football Varsity and J.V. Cheerleaders. The girls made a fine showing and finished as one of the top twenty squads in the United States.

Working Clubs

Vocational education programs at Worthington High School represent another aspect that helps to make it great. Cooperative Office Education (COE) is one of the fine programs. It is open only to seniors who wish to learn better skills while working in an office environment. Mrs. Schmidt is well loved by her students for her fine teaching ability as well as her help in finding each student a job. In Distributive Education Clubs of America (DECA) Mr. Arent also helps his students to find a job. DECA is open to any student who takes Marketing Education and has a job. These students are responsible for taking care of the school store in addition to their other responsibilities. Many students went to San Francisco for DECA's national convention after qualifying in local and state competitions.

The Worthington chapter of the International Thespian Society is a very active group. They are responsible for putting on the Fall Play and for the Children's Play from financing to advertising. To become a Thespian, students must work a total of one-hundred hours on the shows and go through initiation in the spring.

Minority Groups in Action is a club put together by Mrs. Macer to help minorities in the High School feel a comfortable pride in their heritage. They help keep students aware by putting on displays and sometimes doing extra projects like bringing in performers to teach students to appreciate cultural differences.

Students at WHS have many culturally enriching experiences in which to participate. Some of the most popular are the language clubs. These clubs consist of students who take German, Russian, Spanish, or French, and would like to get together with other students that have similar interests.

These clubs consist of much more than just groups who have bake sales. They are groups that, when motivated, can get together and learn to appreciate the different cultures they are exposed to. Whether they listen to Spanish music, eat at a German restaurant, or visit a French museum, they enjoy each other's company while they open up their minds more and prepare themselves for future encounters with the rest of the world.

The Spanish National Honor Society is another group of Spanish students. To join a student must express an interest as well as have an overall 3.0 and a 3.5 in Spanish. These members are often asked to tutor Spanish.

The Writers

The opportunity for writing in Worthington High School is limited to three high quality publications. The *Writerspatch*, a magazine for the students who wish to express themselves through creative writing of artwork, is put together by its fine editors, Sarah Driscoll and Dan Troutner. The *Writerspatch* staff works hard to get the magazine put together, financed, and sold to its supporters. Their efforts and hard work are well-appreciated by students when the magazine comes out.

The *Phoenix Staff*, Worthington's newspaper, is published once a month by its able staff, headed by editors Aria Ala-U-Dini and Jim Merritt. The staff, chosen by Mr. Mansfield from his journalism classes, works hard and often on their own time to get the paper's variety of articles out. Their concluding Senior Issue is the most difficult since it includes the Senior Wills as well as several other senior articles.

The *Cardinal Yearbook Staff* works hard throughout the year to produce the best yearbook possible. Each editor is in charge of a particular section from events to sports to the junior class. In the fall, the staff works hard to sell advertising in order to have color senior pictures and color in the introduction. They have to meet several deadlines later in the year, as well as having to design, caption, and schedule pictures for each page. The staff's efforts are incredible, especially since they must work after school lets out to get some of the last pages mailed. Although they have so much to do, the yearbook staff becomes close as they learn to depend on each other for support. In the end they must admit that they owe much to the wise guidance of their capable and cheerful advisor, Ms. Cyndee Schoenhoff.

The Travelers

Since Worthington has such a big high school, there are many organizations within it dedicated to travel, welcoming new people and learning about other cultures. Worthington Field Studies Incorporated (WFSI) is one of the travel groups. Advised by Mr. McBurney, these students share experiences with each other on the Southwest, Northeast, and spring break trips. These students also get together in an effort to sell flowers in the spring and pointsettias at Christmas.

International Club is a club with only one requirement for membership. It is the honest desire to learn about other cultures through their best representatives, their people. These students do more than just throw parties; they also help coordinate meetings with other exchange students and participate in the U.N. International Festival.

Anyone faced with a strange place feels uncomfortable at first, but for new people at Worthington there's a Newcomers Club to help them get through the hard part. New students get together for parties and to go to different school sponsored activities so that it becomes easier to make new friends. Soon they don't need the club to feel comfortable anymore, but there is always another student who is apprehensive at his first day in a new school.

Worthington is very lucky to be able to participate in a French-American Exchange with other students from Caen, Normandy. Students from Worthington go for three weeks with stops in Paris and other places, to see how the French live. Then, students from Caen come here to learn the same things for three weeks. All students live in homes of other students to help them get to know the place better.

Bottom: The epitome of the perfect high school principal.

Worthington High School will be losing a fine principal this year. John Hoeffler has been the Main Campus principal for four years, and has done an excellent job for the school and its students. Dr. Hoeffler will still be in the Worthington system; however, he will be the Superintendent of our schools. Students will still see Dr. Hoeffler in the halls once in a while, but not as frequently as we have in the past. Dr. Hoeffler has said that he will greatly miss the daily contact he has with the student body. Obviously he feels very comfortable among students, as evidenced by his presence in the halls so often. Although he is nervous about the big move up to superintendent, and the responsibilities which will follow, he welcomes the opportunity for advancement while still staying in Worthington. Dr. Hoeffler has enjoyed seeing students learning and achieving their goals. A student's progress, he said, can be seen immediately in the school, while progress at the administrative offices is much slower. As superintendent, Dr. Hoeffler will be dealing with matters of a much larger scale. He must work with the Board of Education, staff members, parents and students. Next year his first priorities will be the building of two new schools, dealing with the overcrowded conditions in the high school, and re-negotiating teacher and classified personnel contracts. Dr. Hoeffler faces an exciting and challenging career next year, and we at the high school face a new principal. We want to wish Dr. Hoeffler the best of luck next year and continued success.

Charlie Retires

Charlie's style was never to force people to learn. He helped people discover tools that let them learn. His classes were not lessons of words, rules, and essays; his classes were lessons in thought, how to clarify thoughts, and how to most effectively express thoughts. Charlie gave himself through his classes, and his students responded in kind.

The A.P. section of the 1985 yearbook is dedicated to Charles G. Rousculp, lifetime teacher and student.

Top: Courtney Thompson, Amy Miller, Sara Wilson and Allison Brewton are the seniors on the 1985 Girls' Basketball team.
Middle left: Anne Arsenault is carried away by these senior guys!
Middle right: Mr. Smith stops in the hall to chat with a fellow teacher.
Left: Tracy Nagel, Ms. Schoenhoff and Susan Luke celebrate the end of a super year on the Cardinal staff.

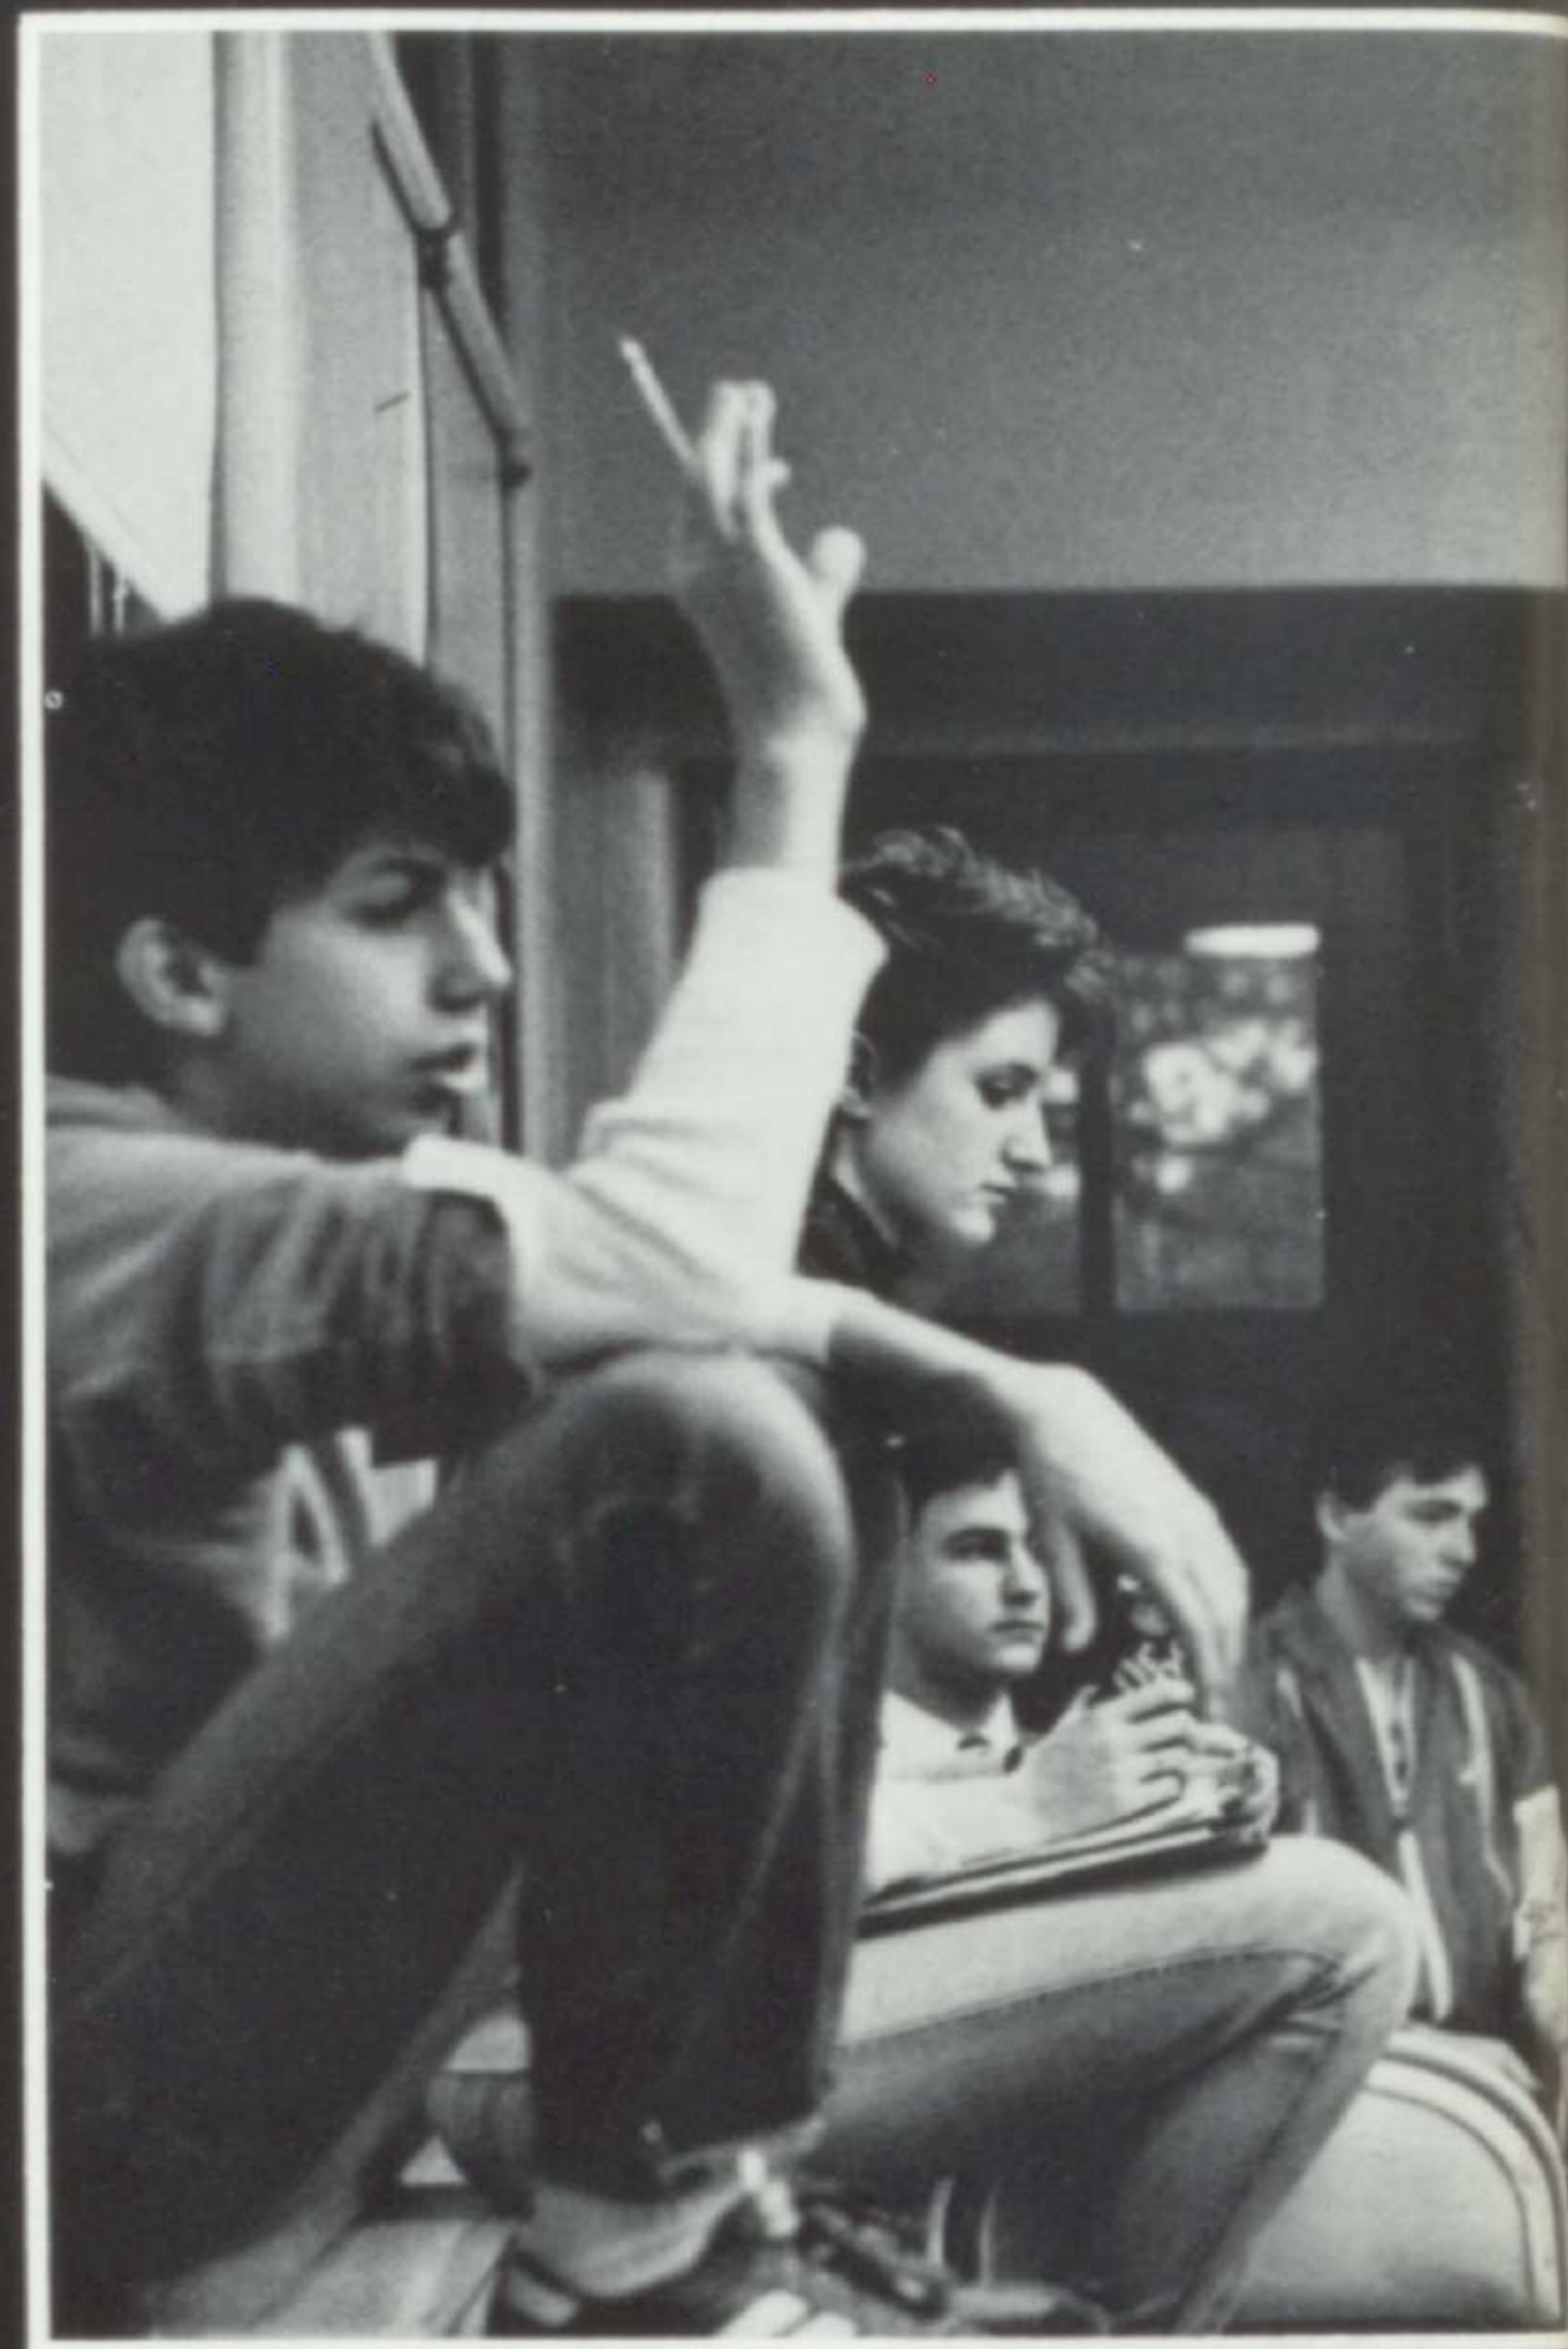

Nineteen eighty-five has been a year of tradition and excellence. Homecoming, the numerous plays, mock trials, the holiday dances, as well as the prom have provided a sense of unity throughout the classes. Worthington High School has also shown excellence in athletics, scholarship, and spirit. Through the Cardinal, memories of these traditions and excellence will last forever.

Opposite top: Tammy McBrayer and Susan Sanborn test the Pledge shine.
 Opposite Bottom left: The Worthington cheerleaders perform at the National Championships.
 Opposite bottom right: Coach Chandler gives a pre-game pep talk.
 Top: Lynne Oldsen and Lesley Breech flash their big smiles.
 Middle left: Susan Luke falls in the snow!
 Middle right: Tracey Hummer and Gretchen Snediker post the '85 sign at the Senior Dinner.

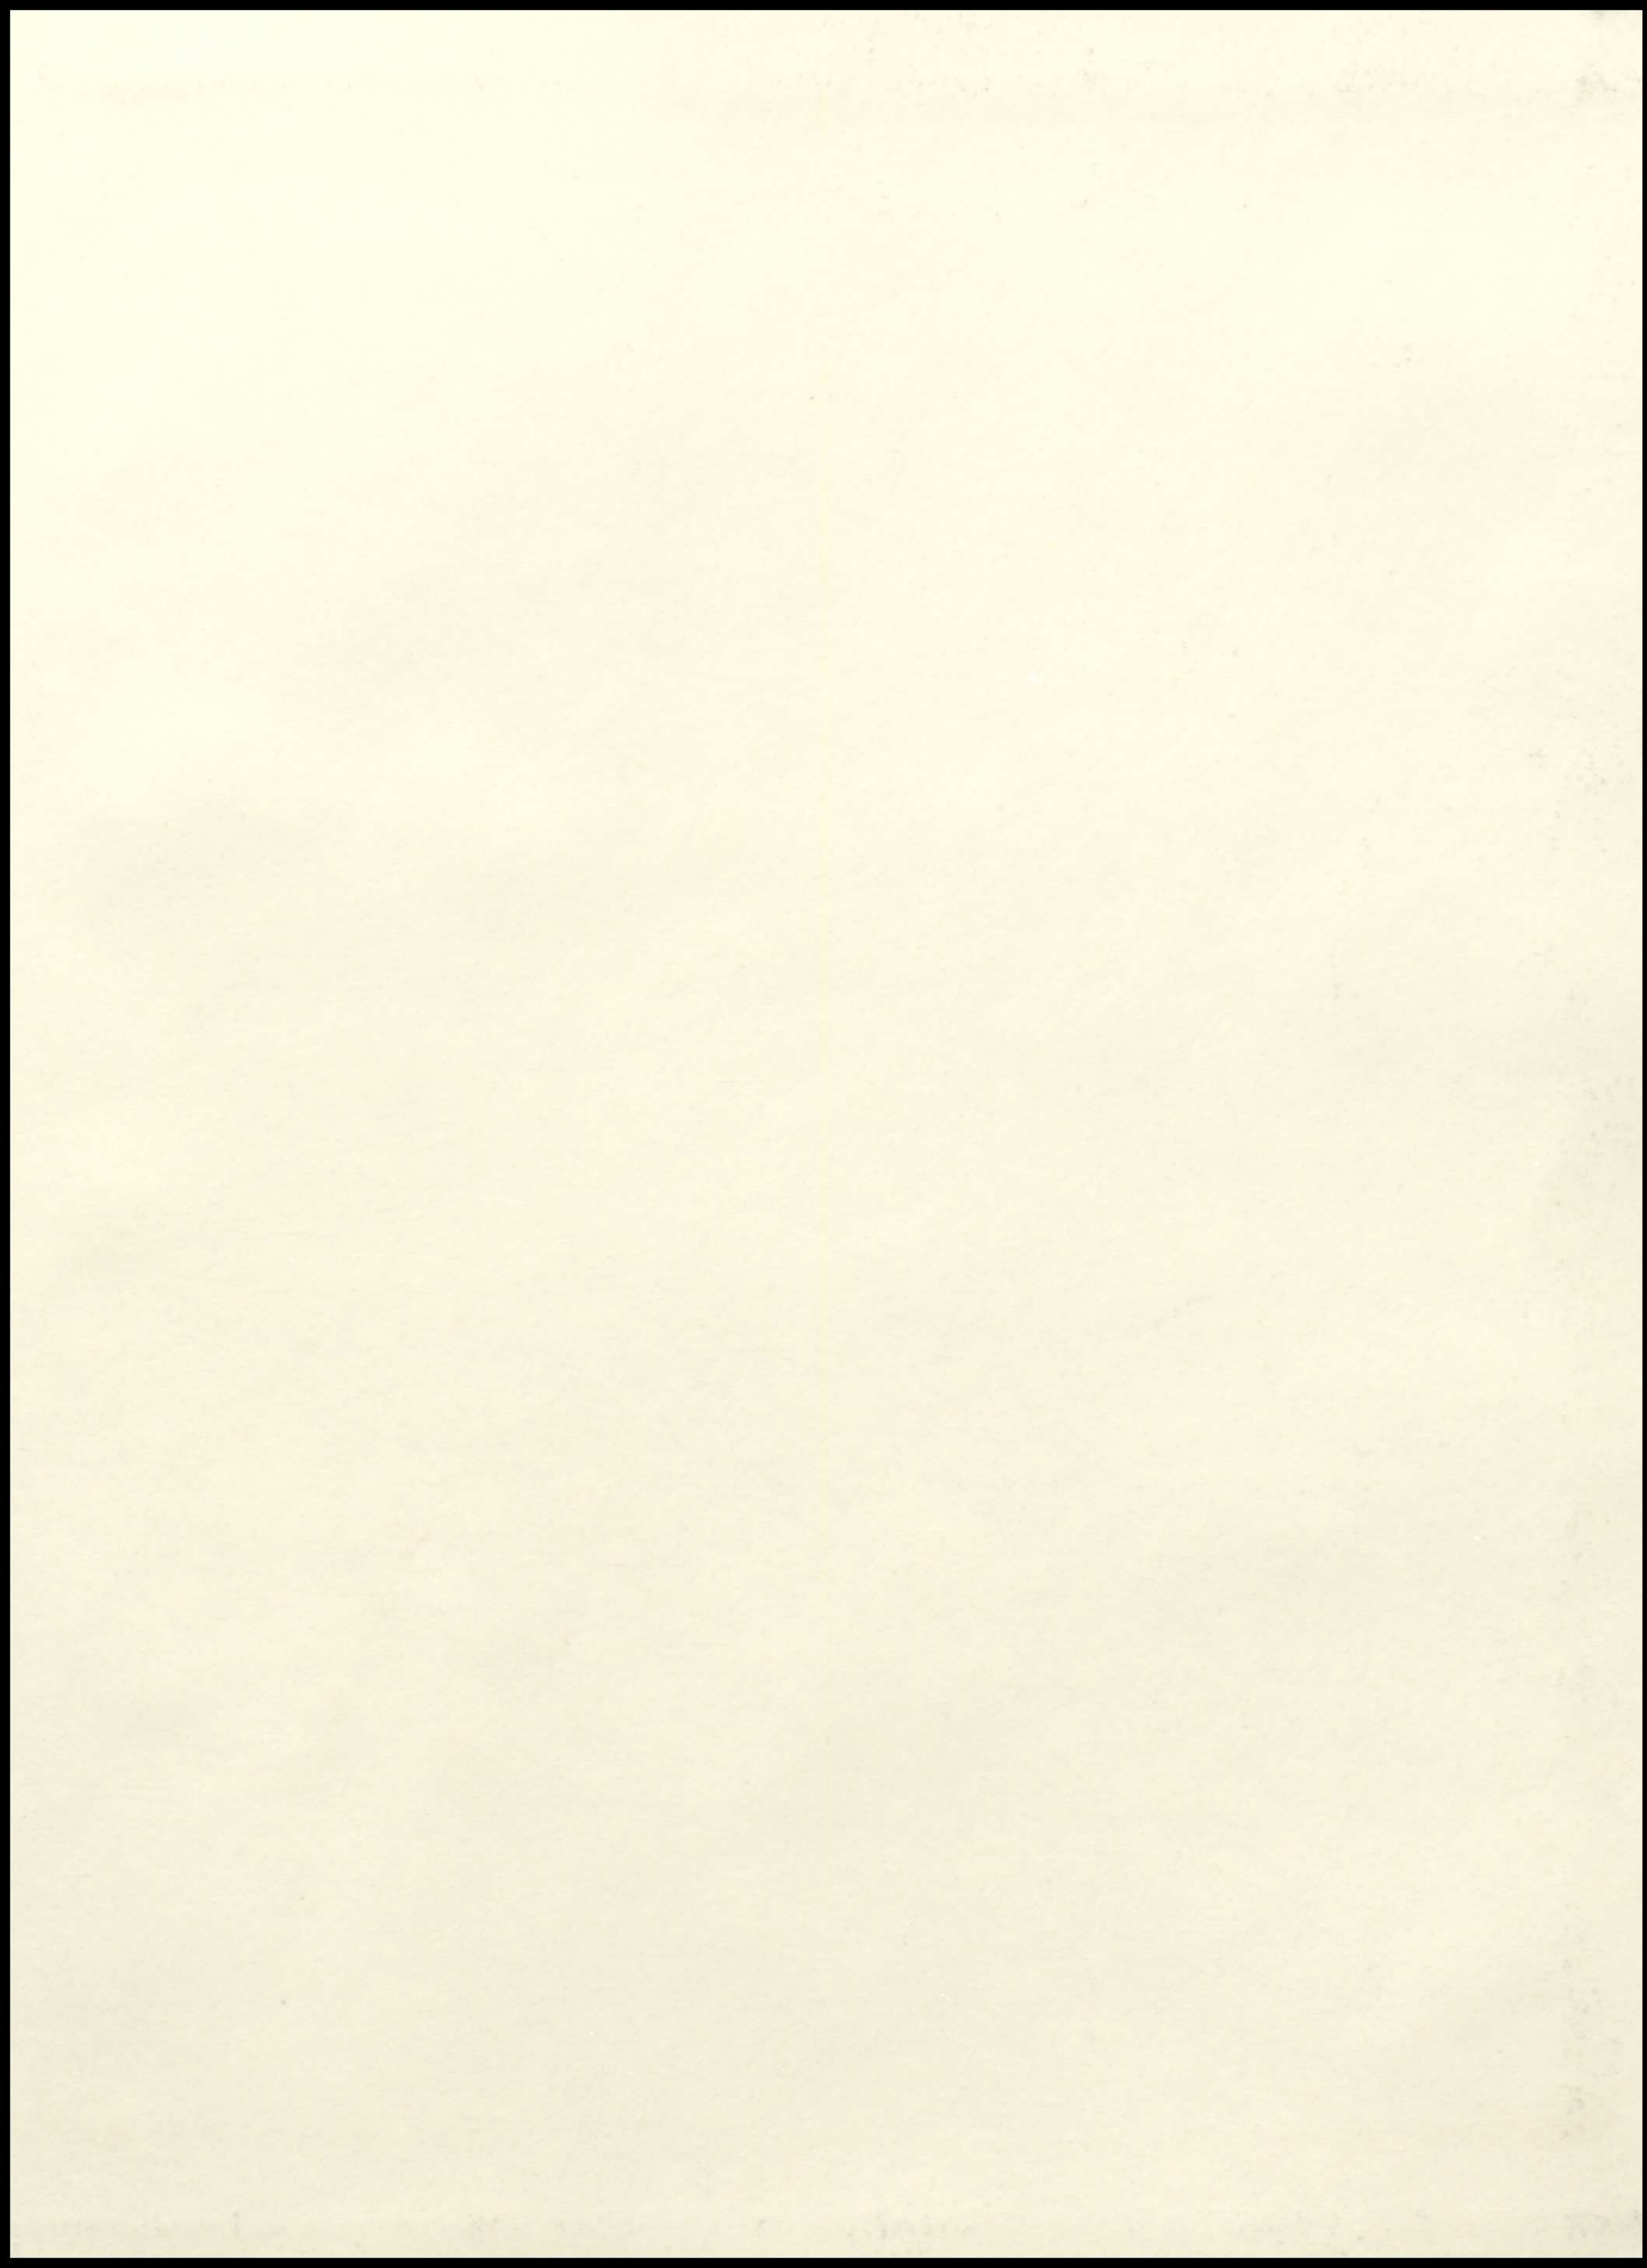

Top left: Mike Luczaj looks slyly at the camera.
Top right: Victoria Dickinson and Elizabeth Clark spend the last day of school at Alum Creek.
Above: The senior members of the football team are recognized at the Homecoming Pep Rally.
Right: Scott Frost and Karen Ouzts dance at Homecoming.
Opposite top: Dave Panazzo, Tom Pillar and Doug Sunshine chat.
Opposite bottom left: The Worthington Field Studies have a reunion for the Southwest 1983 members.
Opposite bottom right: Lesley Breech wears her sunglasses in class.

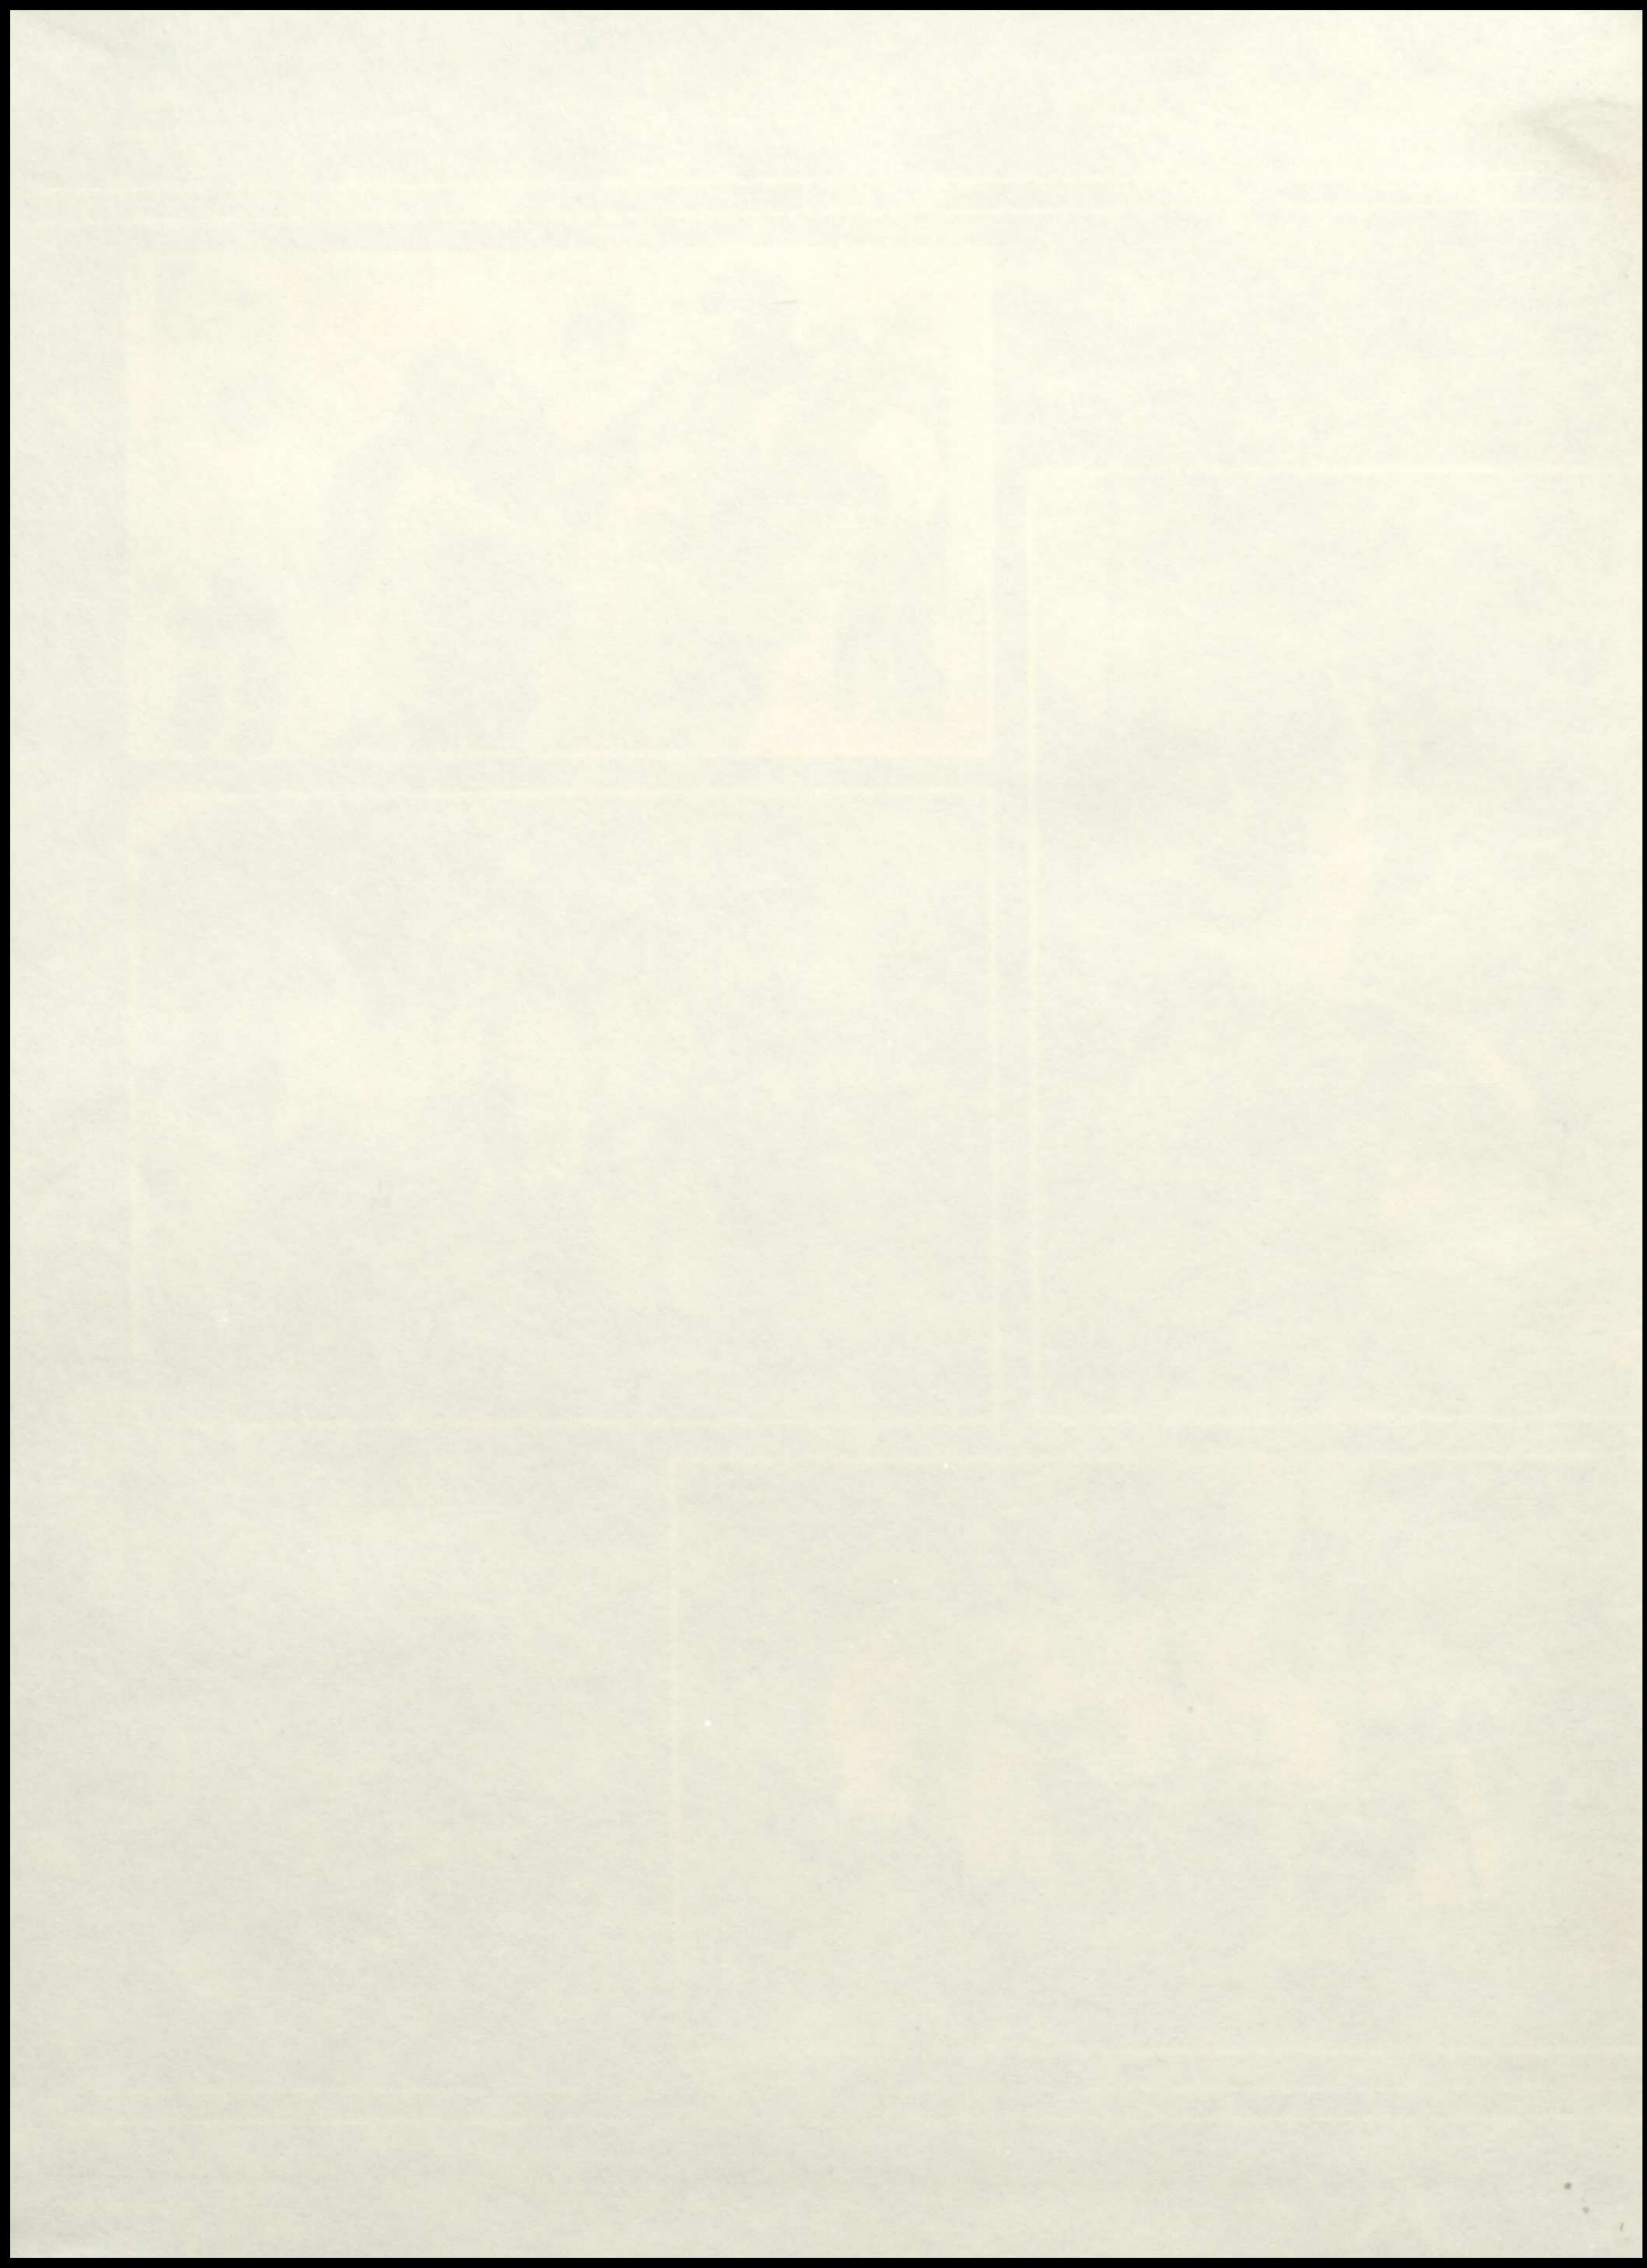

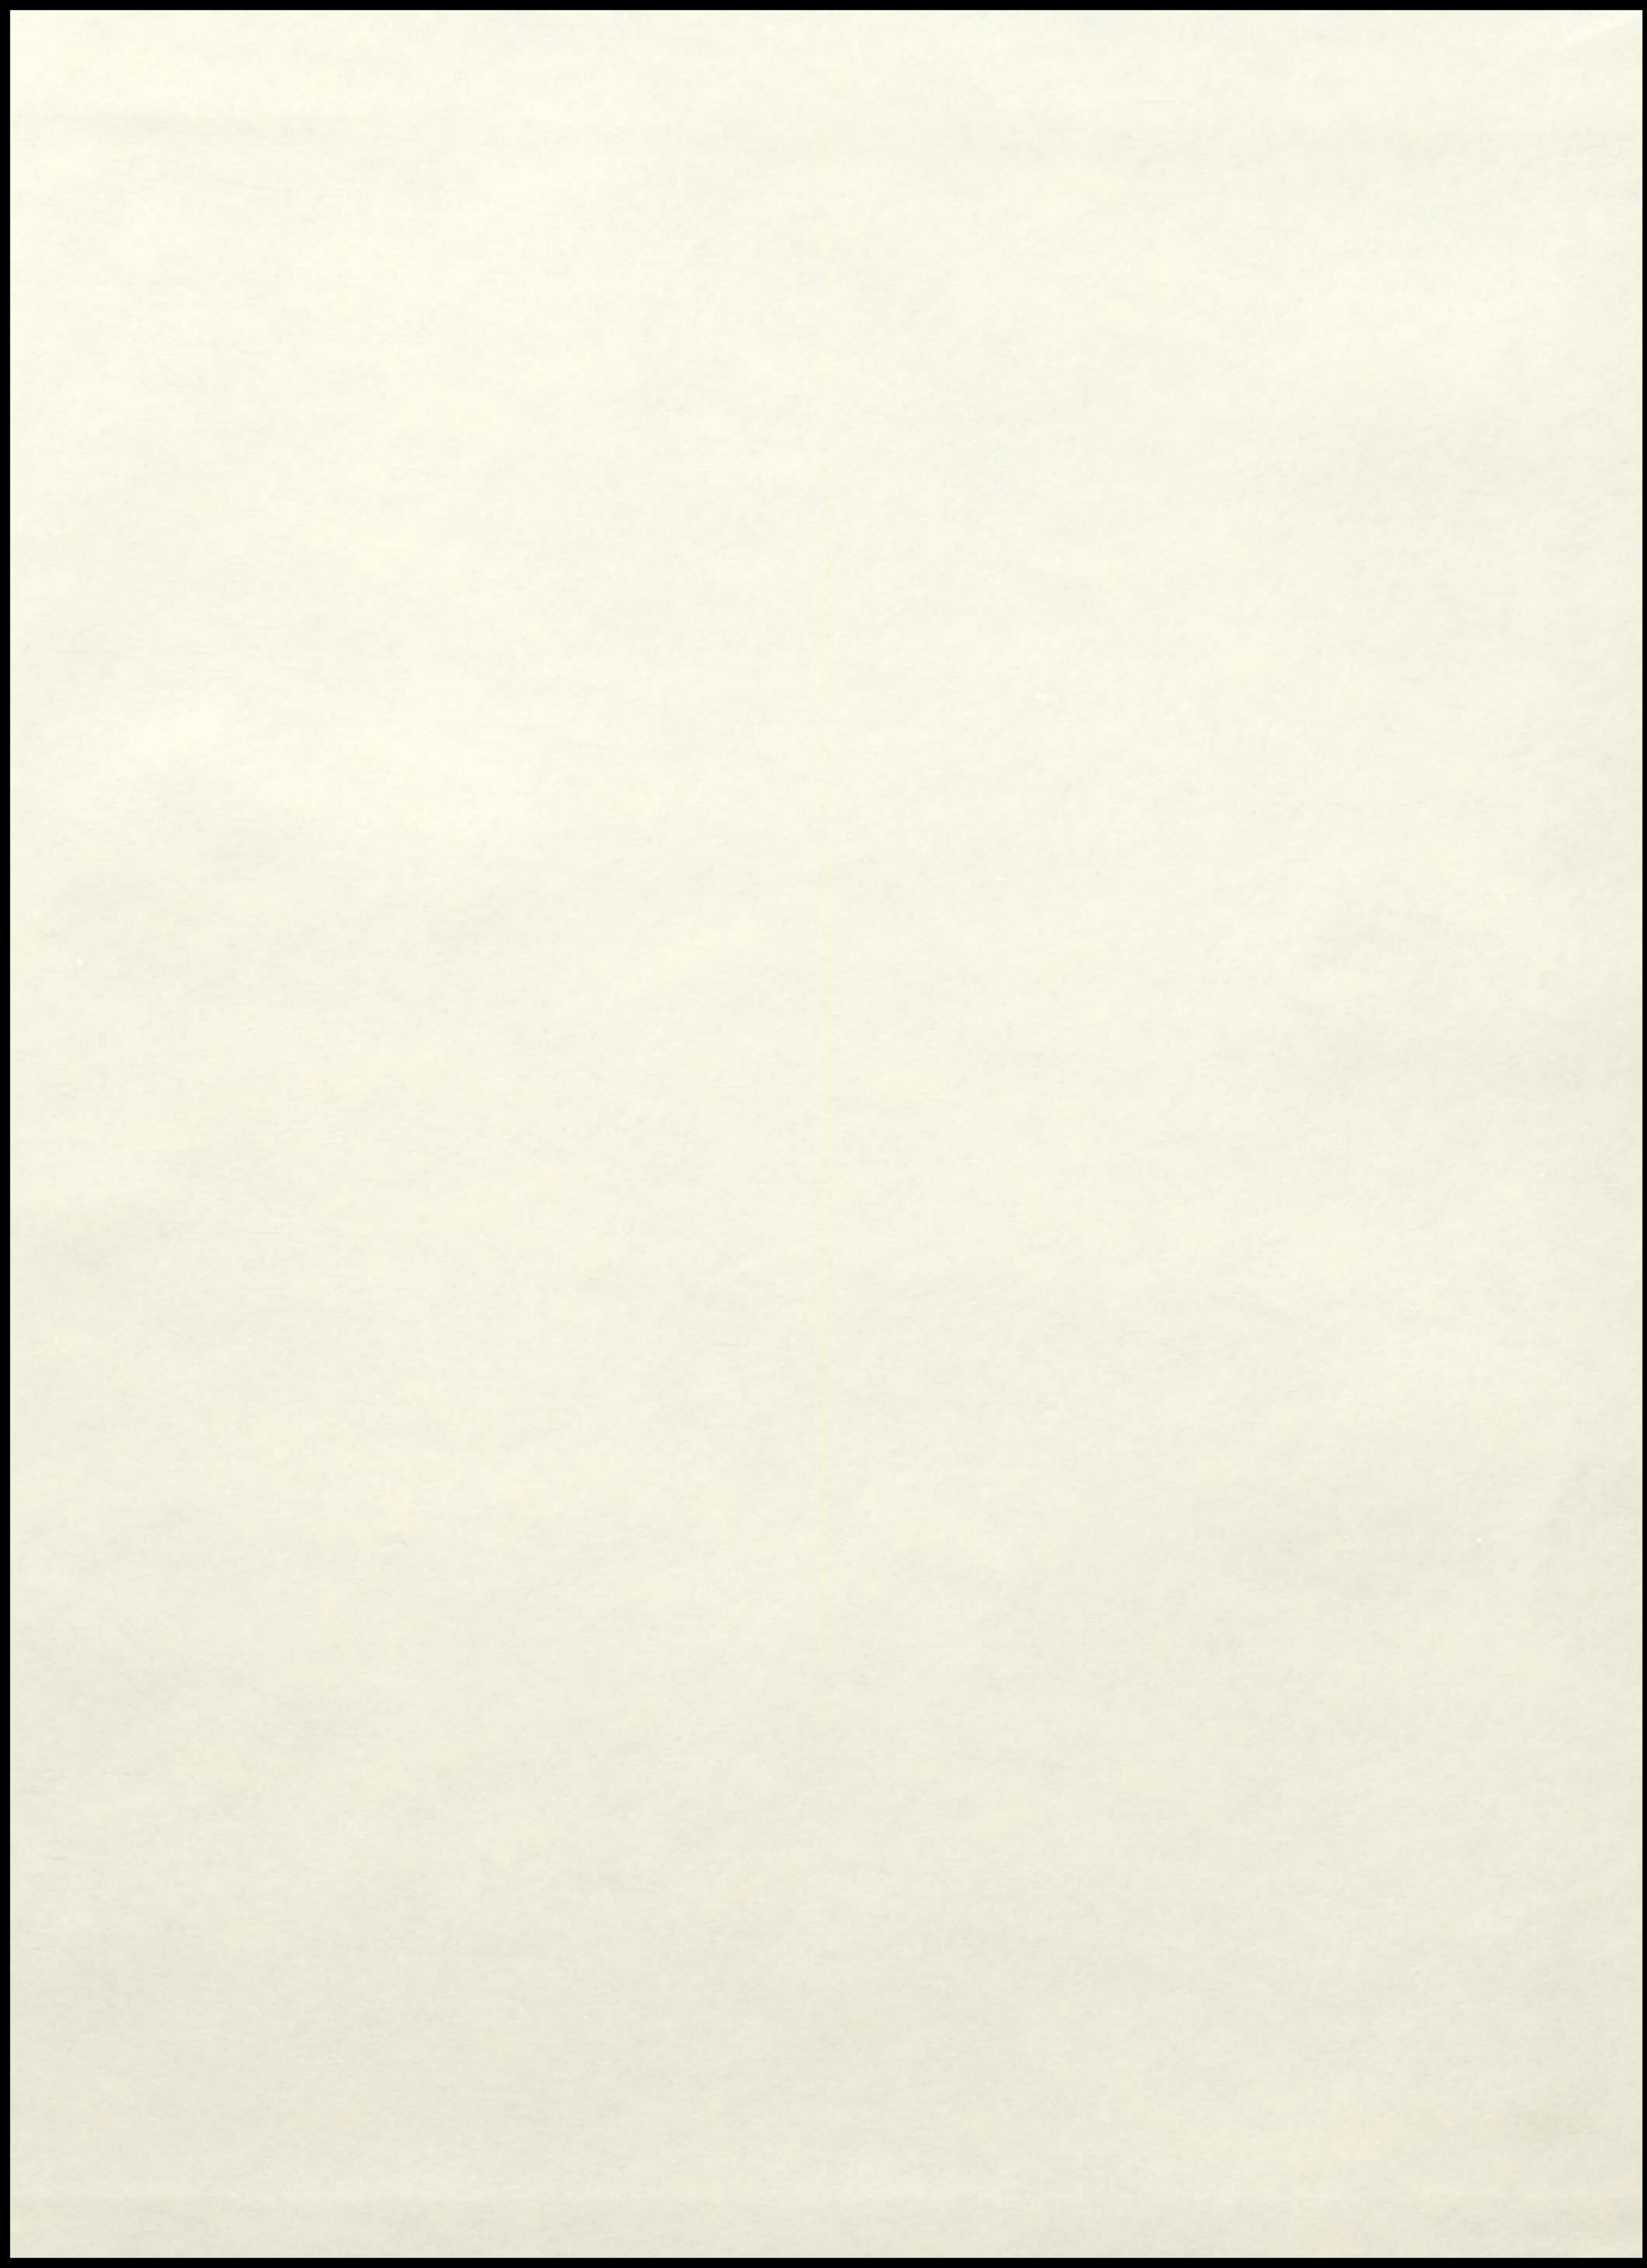

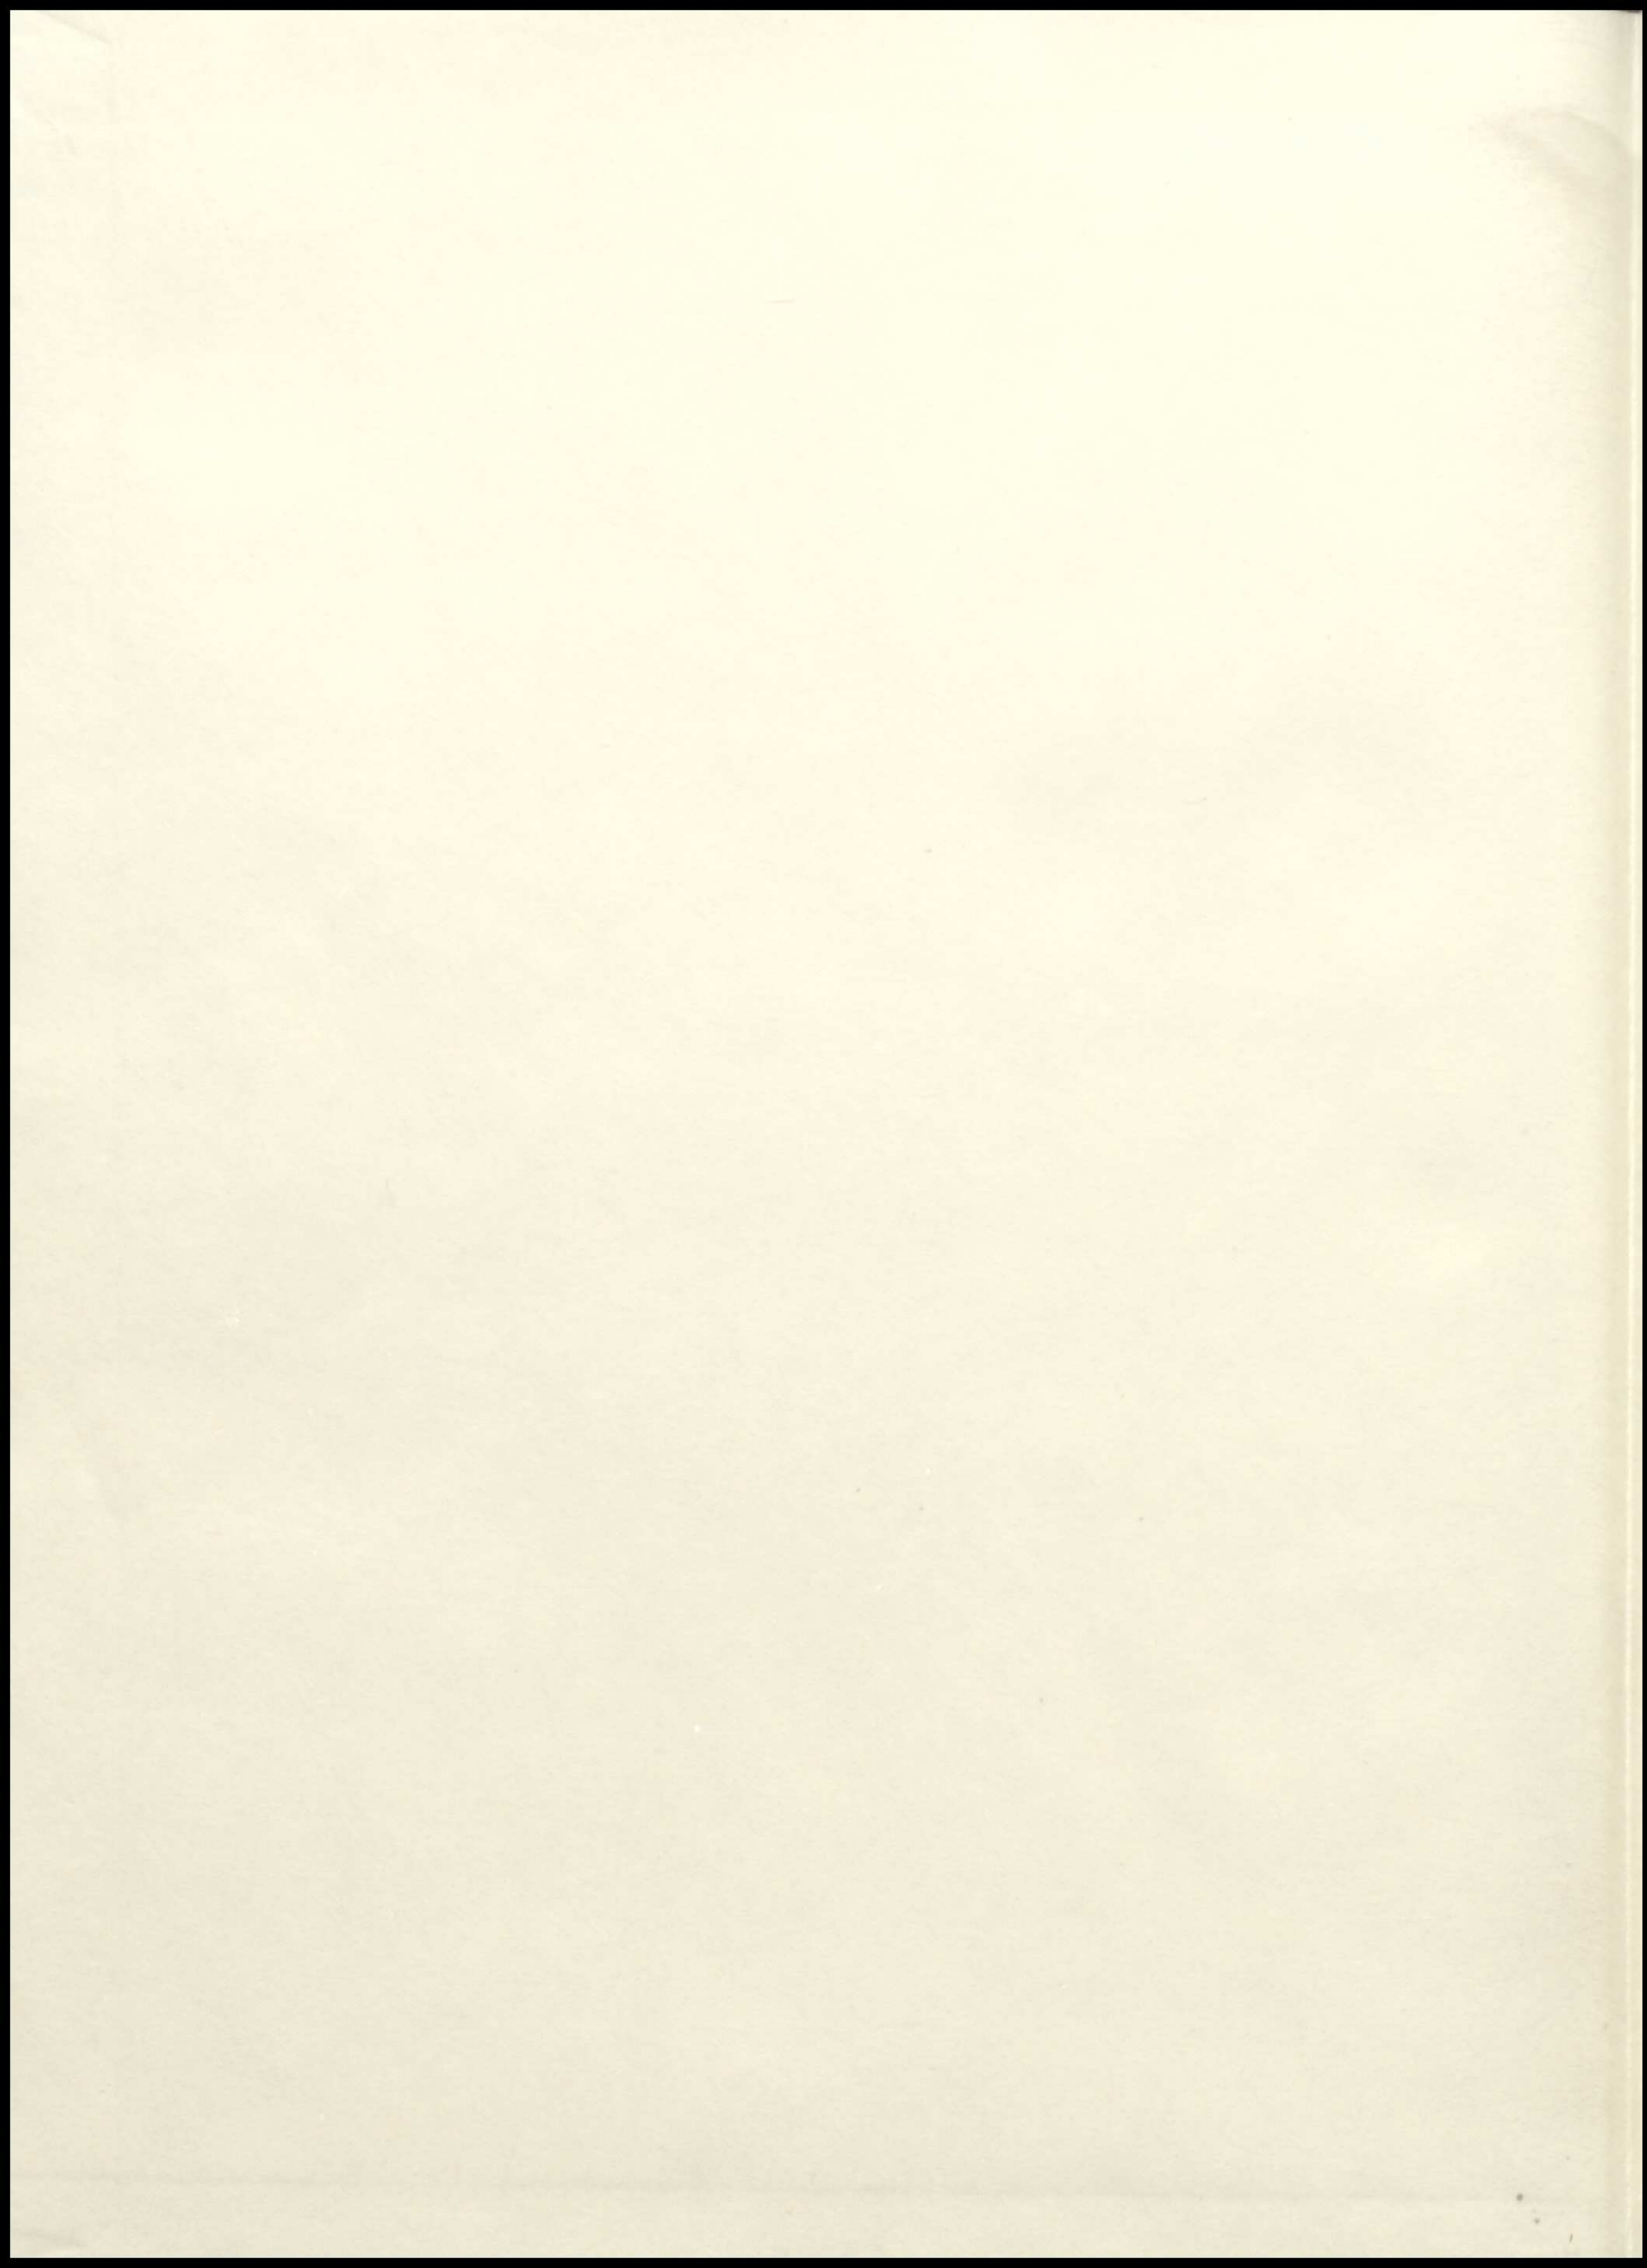

Top: Brian Murphy, Scot Hindall, and Dave Del Riesgo clown around in the hall.
Middle left: Amy Anker, Illi Mathews and Lisa Cook are the "babies" on the yearbook staff.
Middle right: A.P. students participate in a discussion.
Right: The Cardinal staff says farewell.
