SENIOR CLASS HISTORY

The Class of 1946 began its high school career with a party — yes, it was the Freshman Mixer. Our president, Joe Neds, presided, and all the freshmen got acquainted. Several other important events of that year were the box social, magazine sale, and skating party. At the close of our freshman year, we enjoyed a class picnic at York Country Club.

Our introduction to the senior high school came with the G. A. A. and Hi-Y initiation. George Harding, our president-elect, met with several of the members of the class to arrange for the coming hayride. This was one of the most important outings of the year and proved a tremendous success. Another of the magazine sales for the sophomores was given, and a rather large sum was collected. At the close of the term, the annual class picnic was held at Eckle's Lake with swimming and entertainment for all.

The president of the junior class was Don Russell. A committee was selected to choose class rings. Later in the year, we opened our football concession stand with Mrs. Mayall as advisor. The class play was given in November, and in the late spring we sponsored the Junior-Senior Prom at the Beechwold Tavern with Don Crawford and his orchestra. Due to the war and insufficient transportation facilities, we had our annual picnic on the grounds around the school.

This being our last year, and feeling so superior, we decided to enjoy the activities of the other classes and not to sponsor many of our own. We, however, did something that had never been done before in publishing a school handbook, "Cardinal Notes." Activities were the Senior Class Play, under the direction of Miss Eleanor Baum, and the class picnic.

We feel that our greatest achievement, not only in our senior year, but in our entire high school career is "The Cardinal." Leaving these records behind us, we end this, our school year of 1946 with pleasant recollections of days gone by.

"To create, maintain and extend throughout the school and community high standards of Christian character."

Building its program around this motto, the Hi-Y has made itself one of the most important organizations in the school. Advised by Mr. Dow Nelson, the Hi-Y is open to all boys who are willing to respect its creed. The club has had an active year in 1945-46, sponsoring among other things the annual Homecoming Dance on October 25 and also Citizenship Day on March 6. County officers sent this year were Carl Clements as Health Officer and Bill Chadeayne as Sheriff.

We hope the future members will hold high the standards which have been set by former members.

The over-all purpose of our organization is to provide a source at which every girl can secure companionship and a new outlook on her position in school activities. A girl can make no better decision than to become a member of the club. She may combine a new-found friendship, with practical lessons in culture and moral ideals.

To become a member an applicant's conduct must be above reproach. This guarantees every member a wholesome extra-curricular activity which broadens the outlook toward other people.

Included in our many activities were the Christmas Tea, the Basketball Tournament, and the Spring Dance.

"To be devoted to the furtherance of knowledge" — that's the motto of the Science Club which was formed in the fall of 1942 under the direction of Mrs. Mayall. Membership is open to any student interested in science who is taking or has taken either biology, chemistry, or physics. The highlight of the club's year is its Science Fair which takes place each spring. The purpose of this event is to give members a chance to display their projects and to acquaint the school with their work.

THE JUNIOR CLASS PLAY

"The WHOLE TOWN'S TALKING," which was this year's Junior Class Play, won the approval of both the school and community. The play, a fast moving, three-act farce, was presented on November 21, 1945, before a capacity audience at the elementary auditorium.

The Cast is as follows:

COACHES

On the athletic field, Mr. Heischman seems to have excelled in everything. During his high school career, he was a New Albany letterman in football, basketball and baseball. He then attended Capital University, winning letters in the same. He captained the basketball team there for two years.

The Heischman-coached basketball squads, over an eight-year period, have a record which is hard to match.

Soon after the basketball season is over, Mr. Heischman starts grooming his golf team. The golf team has placed second, third, and fourth in the State Golf Tournament finals.

Mr. Heischman

After three years in the Coast Guard, Mr. Hittepole has come to Worthington as physical education instructor. Before entering the Coast Guard, Mr. Hittepole taught and coached at Canal Winchester for seven years.

The Wapakoneta High School records show that Mr. Hittepole lettered in football and track. He then attended Ohio State University and graduated in 1930.

This year Mr. Hittepole coached the Freshman basketball team and in the spring he took over the job of track coach.

Mr. Hittepole

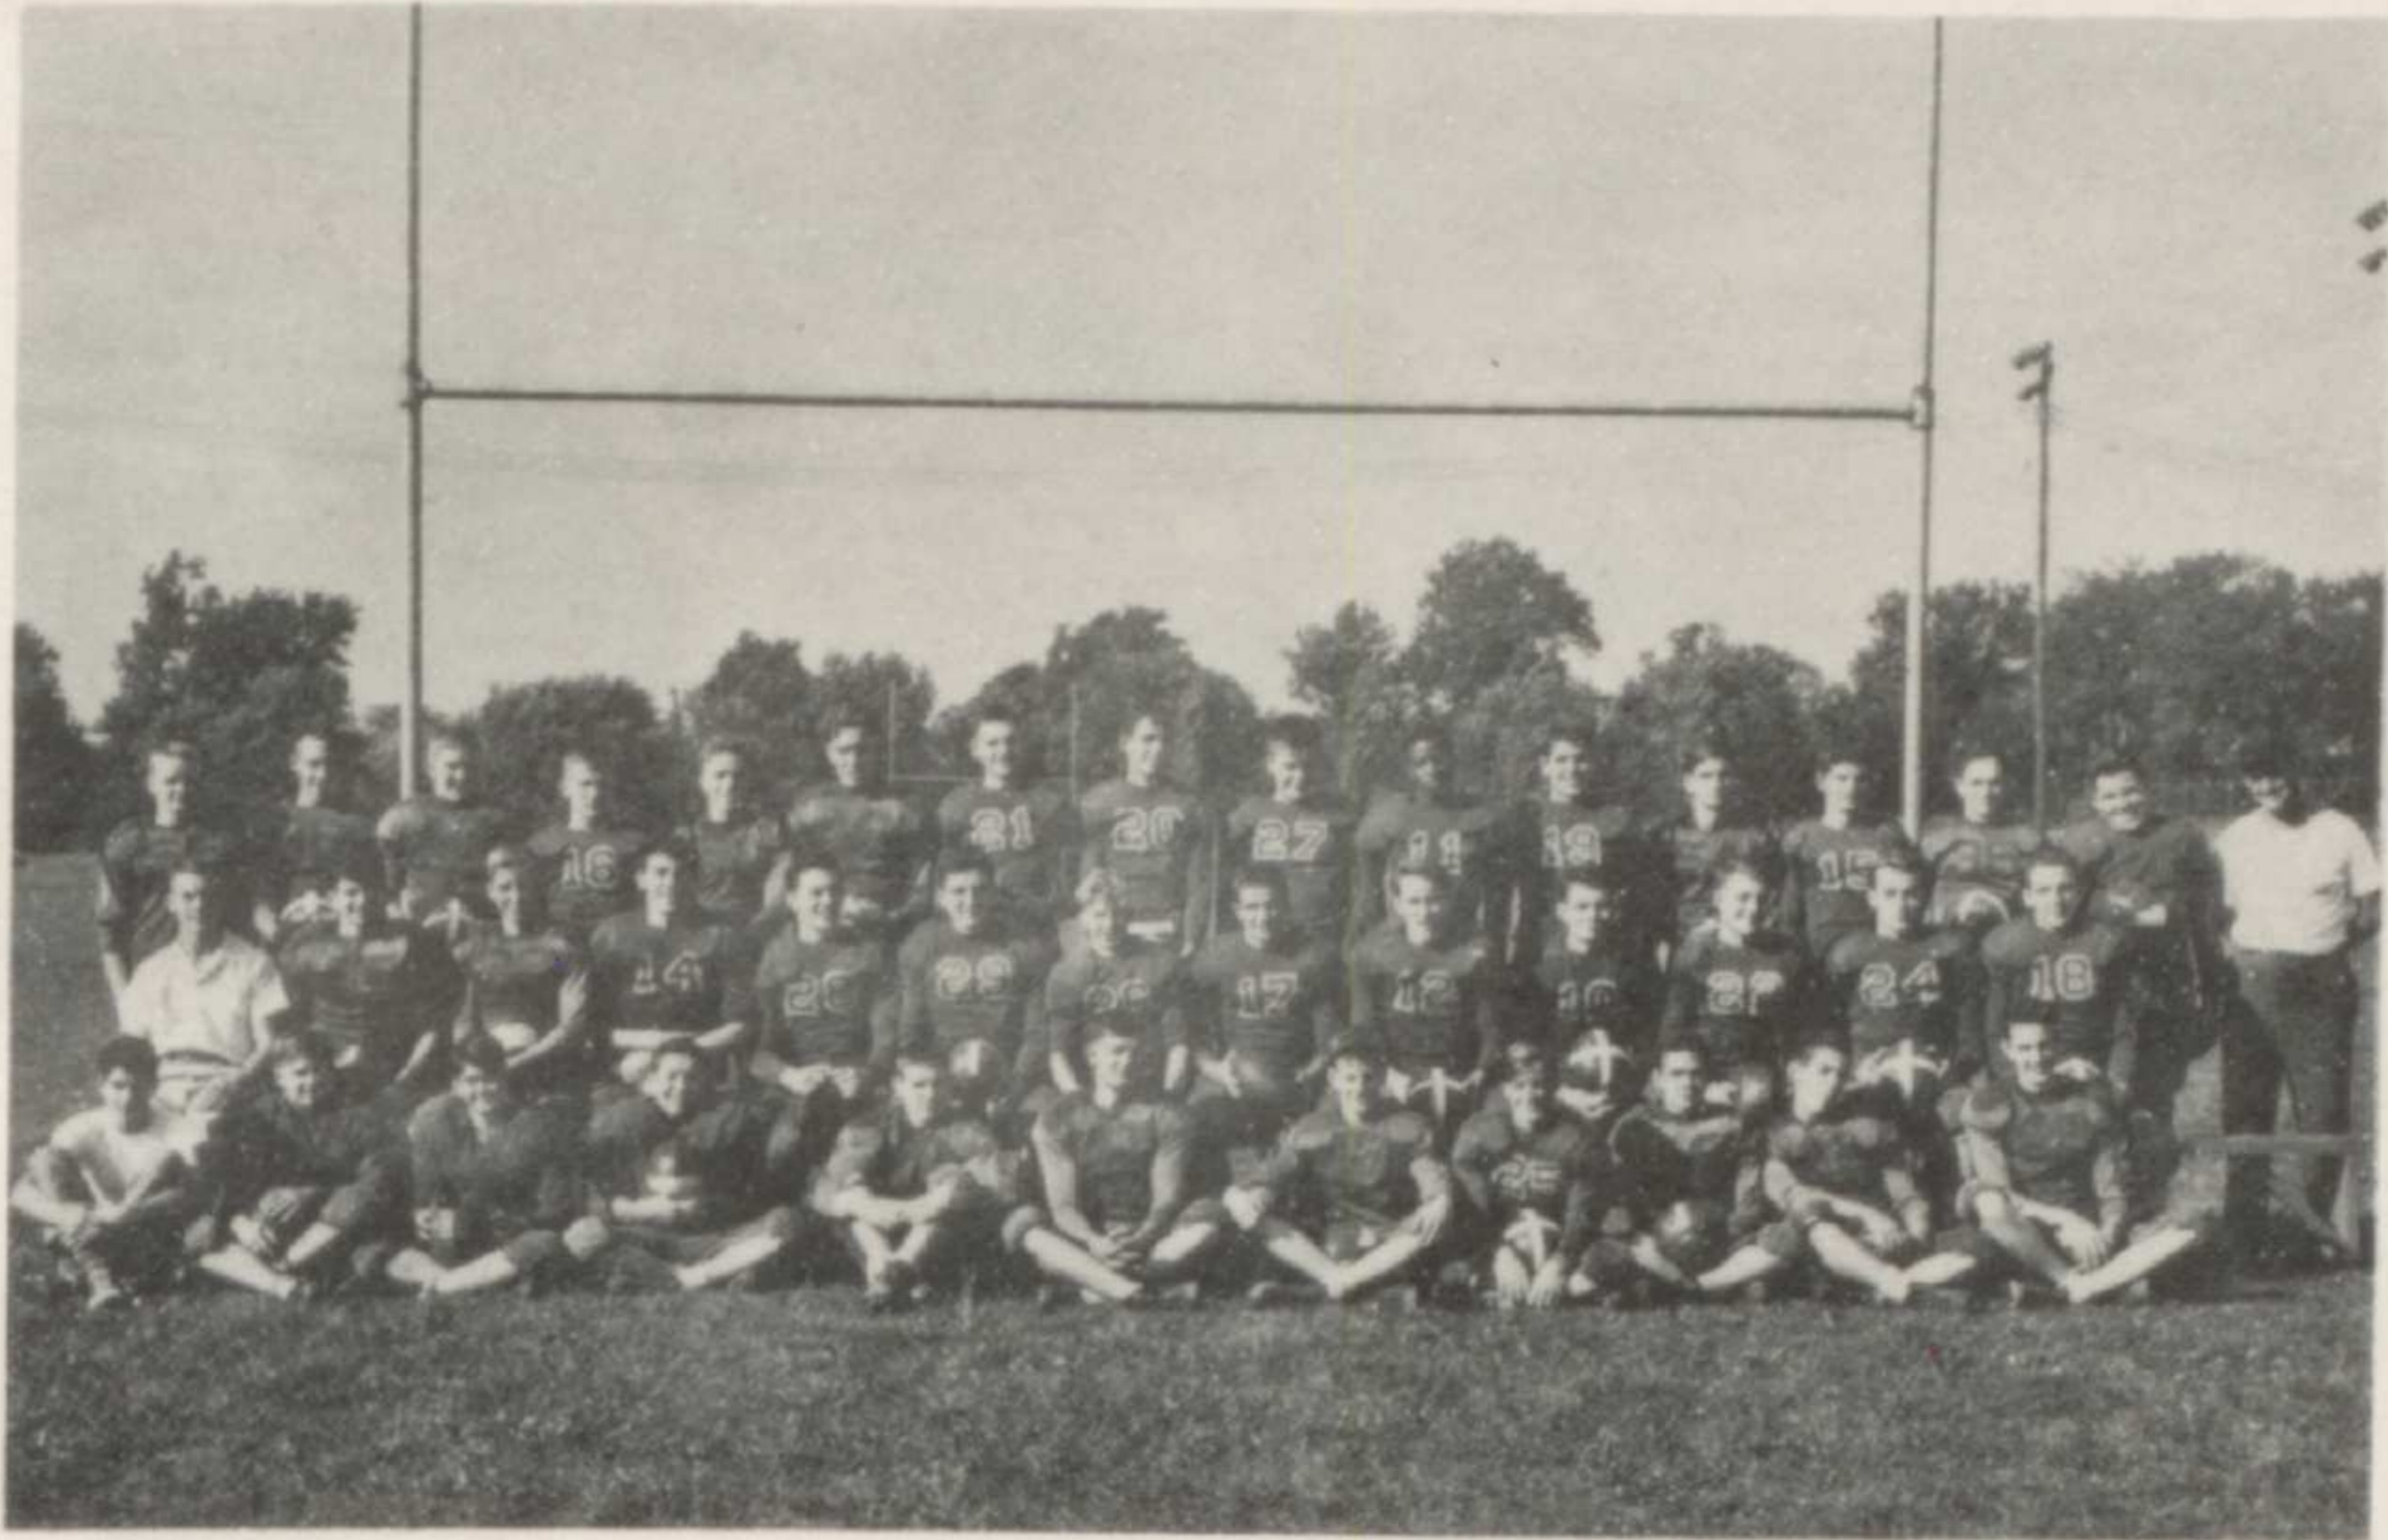

Besides being a first class athletic instructor, Mr. Nelson excelled in athletics in high school and college. During his inter-scholastic career at Plains High School, he received a total of eleven letters in football, basketball, and baseball. At Ohio University he lettered in basketball and baseball for three years.

As a football coach at W. H. S. Mr. Nelson has a .500 average over a three-year period. The Nelson-coached grid team of "45" had the best record of any Worthington football team since 1938.

After football season, Mr. Nelson begins working with the Reserve Basketball Squad. He has maintained a very fine record with these teams, 41 wins and 7 losses. His first year at Worthington he coached an undefeated five.

This year instead of coaching track as in the past two years, he will turn his wares to baseball.

Mr. Nelson

1945 FOOTBALL SQUAD

Second Row: Weaver, Brooks, Wardwell, Ziegler, Brown, D. Norman, Russell, Capt. Neds, Lindimore, Strickland, Harsh, Cop-Capt. T. Hartman, Hamilton.

Third Row: Leiland, H. Hartman, Plummer, Owens, Arthur, Quick, Haggerty, Sheaf, Thingulstad, Nash, Mills, Nelson, Reynolds, Lewis, Keenan, Coach Nelson.

This year the Worthington Cardinals enjoyed their most successful season since 1938. While compiling a record of six wins, one tie and one loss, the Cardinals had an offensive average of 21.75 points per game, at the same time holding their opposition to an average of 4.75 points per game. The 13-13 tie with Grove City resulted in Worthington's being co-champs of the County League with Grove City. Each team won four games and tied one.

STATE CLASS "B" RUNNER-UP "46"

Second Row: Coach Heischman, Snouffer, Lindimore, Sheaf, Arthur, Weaver.

First Row: Nash, Neds, Hartman, Hamilton, Kayner, Wardwell.

The record of the Cardinals of "46" will go down in the athletic annals of W. H. S. as the most successful in the history of the school. The team finished the regular season with a record of 15 wins and 3 losses and the County Co-Championship with Grove City.

From here on the Cardinals, playing a much improved brand of ball, won the Franklin County Tourney, thereby earning the right to go to the District Tournament at Westerville. After defeating Granville, University, Bremen, and Grove City for the District Championship, they traveled to Athens for the Regional Tourney. Here again the team came through by defeating Glenford, and previously undefeated Strasburg. These two wins entitled Worthington to enter the State Class "B" Finals at Springfield. The Cardinals beat undefeated Waynesburg in the semi-finals and lost to Farmer in the Championship game by the score of 36-32.

GLIMPSES INTO THE FUTURE

The old school building on West Granville and Evening Streets is being wrecked and a new one is being built now. Many of the people who went there are standing around watching the old school go down. All are glad that a new building is being built for their children, but at the same time they have many memories of the ancient school house. Jack Denkewalter is the head of the wrecking crew. (Now he can complete the job he tried to do all through his high school years.) Among the wreckage an old ink bottle lies neglected, covered with the dust of ages. Mary Raymond, one of the bystanders, picks it up and rubs some of the dirt off of it, whereupon, lo and behold, a genie appears. Barbara Newell, who is standing beside Mary, asks the genie to tell her what has happened to all their classmates, and so the genie begins:

Joan Bellows is now painting stripes on barber poles in Scissors, Iowa. Pat Arquette is a firecracker in the Rocketts of New York. Henry Blake is a professional basketball player in Buckets Wemakem's Squad. Waneta Bowers is a needle pusher for Hattie Carnegie. Ruthanne Brady is a tight-rope walker in Toni East's four-ring circus, while Wanda Buck is a trapeze acrobat in it. Bob Brooks is the sheik of the 20th Century. Phil Brown howls (sings?) on Blue Beard's River Boat. Barbara Buell is the well-known author of the famous book, "Deep Are the Inkwells." Bob Burwell is a United States Senator (and his hobby is raising bigger and better hogs). Gary Carle is a successful shoe shiner at Hollywood and Vine. Ruth Carlton is a successful homemaker (or carpenter). Oh, no, genie, please don't stop. Tell us more, or better yet, take us around to see all of these people. Where are we going now, genie? Oh, there's Betty Denig. She has been crowned "Sweetheart of the Navy." And Donna Diercks is on Jack Hall's soap opera radio program. (She's pinch-hitting for Chicita Banana.) Donna Dildine is a reporter for the "New York Gillette." (Sharp!!!) She is interviewing the registrar at Alcatraz, Wanita Egelhoff. Bob Dominy is working in Wardwell's Toy Shop on Fifth Avenue as a domino dotter.

Betty Ellyson is the well-known bubble dancer in Tom Snouffer's Vanities. Ann Fraas has achieved what she has always wanted. She is now an architect designing those beautiful half moon houses. Elmer Gausman salts the pretzels for all the shindigs that Ken Grubb, the Golden Glove champ, slings. Bill Hamilton has received the appointment that everyone in town wants: "Street Cleaner." Tom Hartman, the town bum, has been appointed Hamilton's inspector. Sam Harsh is the owner, maker, salesman and buyer of Harsh Soap. Bob Henry is the Chief Petty Officer in "Queenie's" Navy. Virginia Hetrick, we hear, is the top-notch "dill" pickle pickler. Jane Hoag is washing dishes in Joe's (Neds) Hashery. Dona Johnson is Queen of the "Squeeze Box" in Bill Lindimore's well-known swing band. Jane Joseph is successfully running a chicken farm, raising all varieties. Ken Kayner, Broadway's star leg make-up artist, is now confined to the (Ada) Mayall Mental Institute. And have you heard, Patricia Kerry (Kerr), the newest Broadway hit of the season, recently acclaimed motion picture's most promising star. Ada Lloyd struck higher stakes; she recently won the great Kentucky Derby. Morgan, Morgan, and McPherson, are now supplying U. S. hardwares. Joe puts curls on pot scourers, Molly places heads on nails, and Lena weaves tea strainers. (Sally) Loos and (Bill) Chadeayne are the nation's leading matchmakers. "You strike 'em, we like 'em." Phyllis Moench, can you imagine, now spends her days crawling in ice boxes to test lights! George Harding still claims the title of "Wrong-Way Corrigan."

Genie, please take a deep breath and continue onward. We've only half begun! One of the more surprising things is that Rev. (Perry) Strickland is now officiating in the Worthington M. E. Church. Jeannie Moore, dressed in a lion's skin, dances in Flanigan's Joint. Wayne Jewett went to Africa and he's polka-dotting leopards. Jo Nesser is a waitress on rollerskates at the Cliff House, and Norma Notestone goes around after Jo picking up the broken dishes. Dave Norman (and all those muscles) is a chocolate dipper for Dutch Chocolate Company. David O'Brien is Worthington's prize baby sitter. Just phone 2-5392. Betty Pfefferle has reached a very high position in Wardwell's Top Shop, making springs for Jack-in-the-boxes. Dona Tarbutton is the wife of some poor preacher. Jack Pruden manufactures umbrellas for rainy days and pink parasols for sunny days. Glenn Reed went to the North Pole to swat the mosquitoes there to keep down yellow fever. Charlene Shuster works in the Podunk Bakery. She puts the holes in the doughnuts. Raymond Sunderland, well, he's one of those men you'd rather not know. His racket is baby-snatching. Gwen Turner is a Hollywood artist's model. Ted Turner is the head of the Whitey-didee Laundry. Jack Way is one of those fellows that makes all the kids in the neighborhood cry. He's a dog catcher.

Fred Weaver is a billboard painter (he paints whiskers and mustaches on all of them). Pat Blakesley designs umbrellas and parasols. Doris Wood chisels dates on tombstones. (Make me one right quick, I'll need one when this annual comes out.) Dean Wright owns a stationery store. His slogan is "Write right with Wright's stationery." Don is his competitor. He sells pencils on the corner. Barbara Bender is painting china at the Buckeye China Company, now managed by Louie Francis. Carl Clements is chasing poor butterflies all over Africa. Annabelle Davidson is the head nurse at Wallow Hollow Hospital. (She doctors head colds.) Francis Zeigler aids Don Russell in his balloon business. He blows them up for the kiddies and Russell collects the money. Eleanor Rowland is touring the country with Humphrey Bogart's fifth cousin on his mother's side. Ila Lyons is working in cahoots with Don and Francis. She stands down at the next corner with a pin. Ardie Hamilton is the button-maker in Clarice Guden's dress shop. Judy Necker (typographical error, "Nocker") is selling Baum Ben-Gay (liniment for stiff necks). Margie Call is painting match sticks in the Loos, Chadeayne Match Co.

"Be carewith with that ink bottle, Mary—look out!!!" Oh, my, 'it's broken. Marilyn Christian's little son, Mergatroid, just knocked it out of Mary's hand. There was so many things we wanted to ask but there is nothing left to do but remove the child's ink spattered shoes and leave the rest to your imagination.

LAST WILL AND TESTAMENT

We of the Senior Class of 1946, in this our last will and testament, bequeath to the Class of 1947 and all succeeding classes our most prized and valuable possessions.

To the class of 1947 we bequeath reluctantly our place as seniors in Worthington High School. May they take the most possible advantage of their opportunities as high school seniors. May they profit by our mistakes as well as by our successes so that the 1946-1947 school year will be the most successful year ever enjoyed by a senior class at W. H. S.

To every class we bequeath our teamwork and our ability to get things done. We feel that we have been successful in many things. We might have been more so if we had taken full advantage of all the talent and willingness to work that might have been found in members of our class.

To the Class of 1947 we bequeath the school handbook, "Cardinal Notes," errors and all. We are proud to be the first class to produce a W. H. S. handbook and we hope the Class of 1947 will have an even better handbook. To them also we bequeath this annual, the second printed annual Worthington High School has ever had and the first in five years.

To the faculty we bequeath our sincere thanks for their untiring efforts to teach us when we often seemed unwilling to learn. If we haven't seemed to appreciate those efforts before, we are beginning to now. And we know that our appreciation will grow deeper in the future. We hope that in their memory unpleasant occurrences will be overshadowed by thoughts of good times and wholesome companionships we have known.

Also to the faculty we bequeath the memory of the high school career of the Class of 1946.
