FALL

And the leaves that are green  
turn to brown  
And they wither with the wind  
And they crumble in your hand

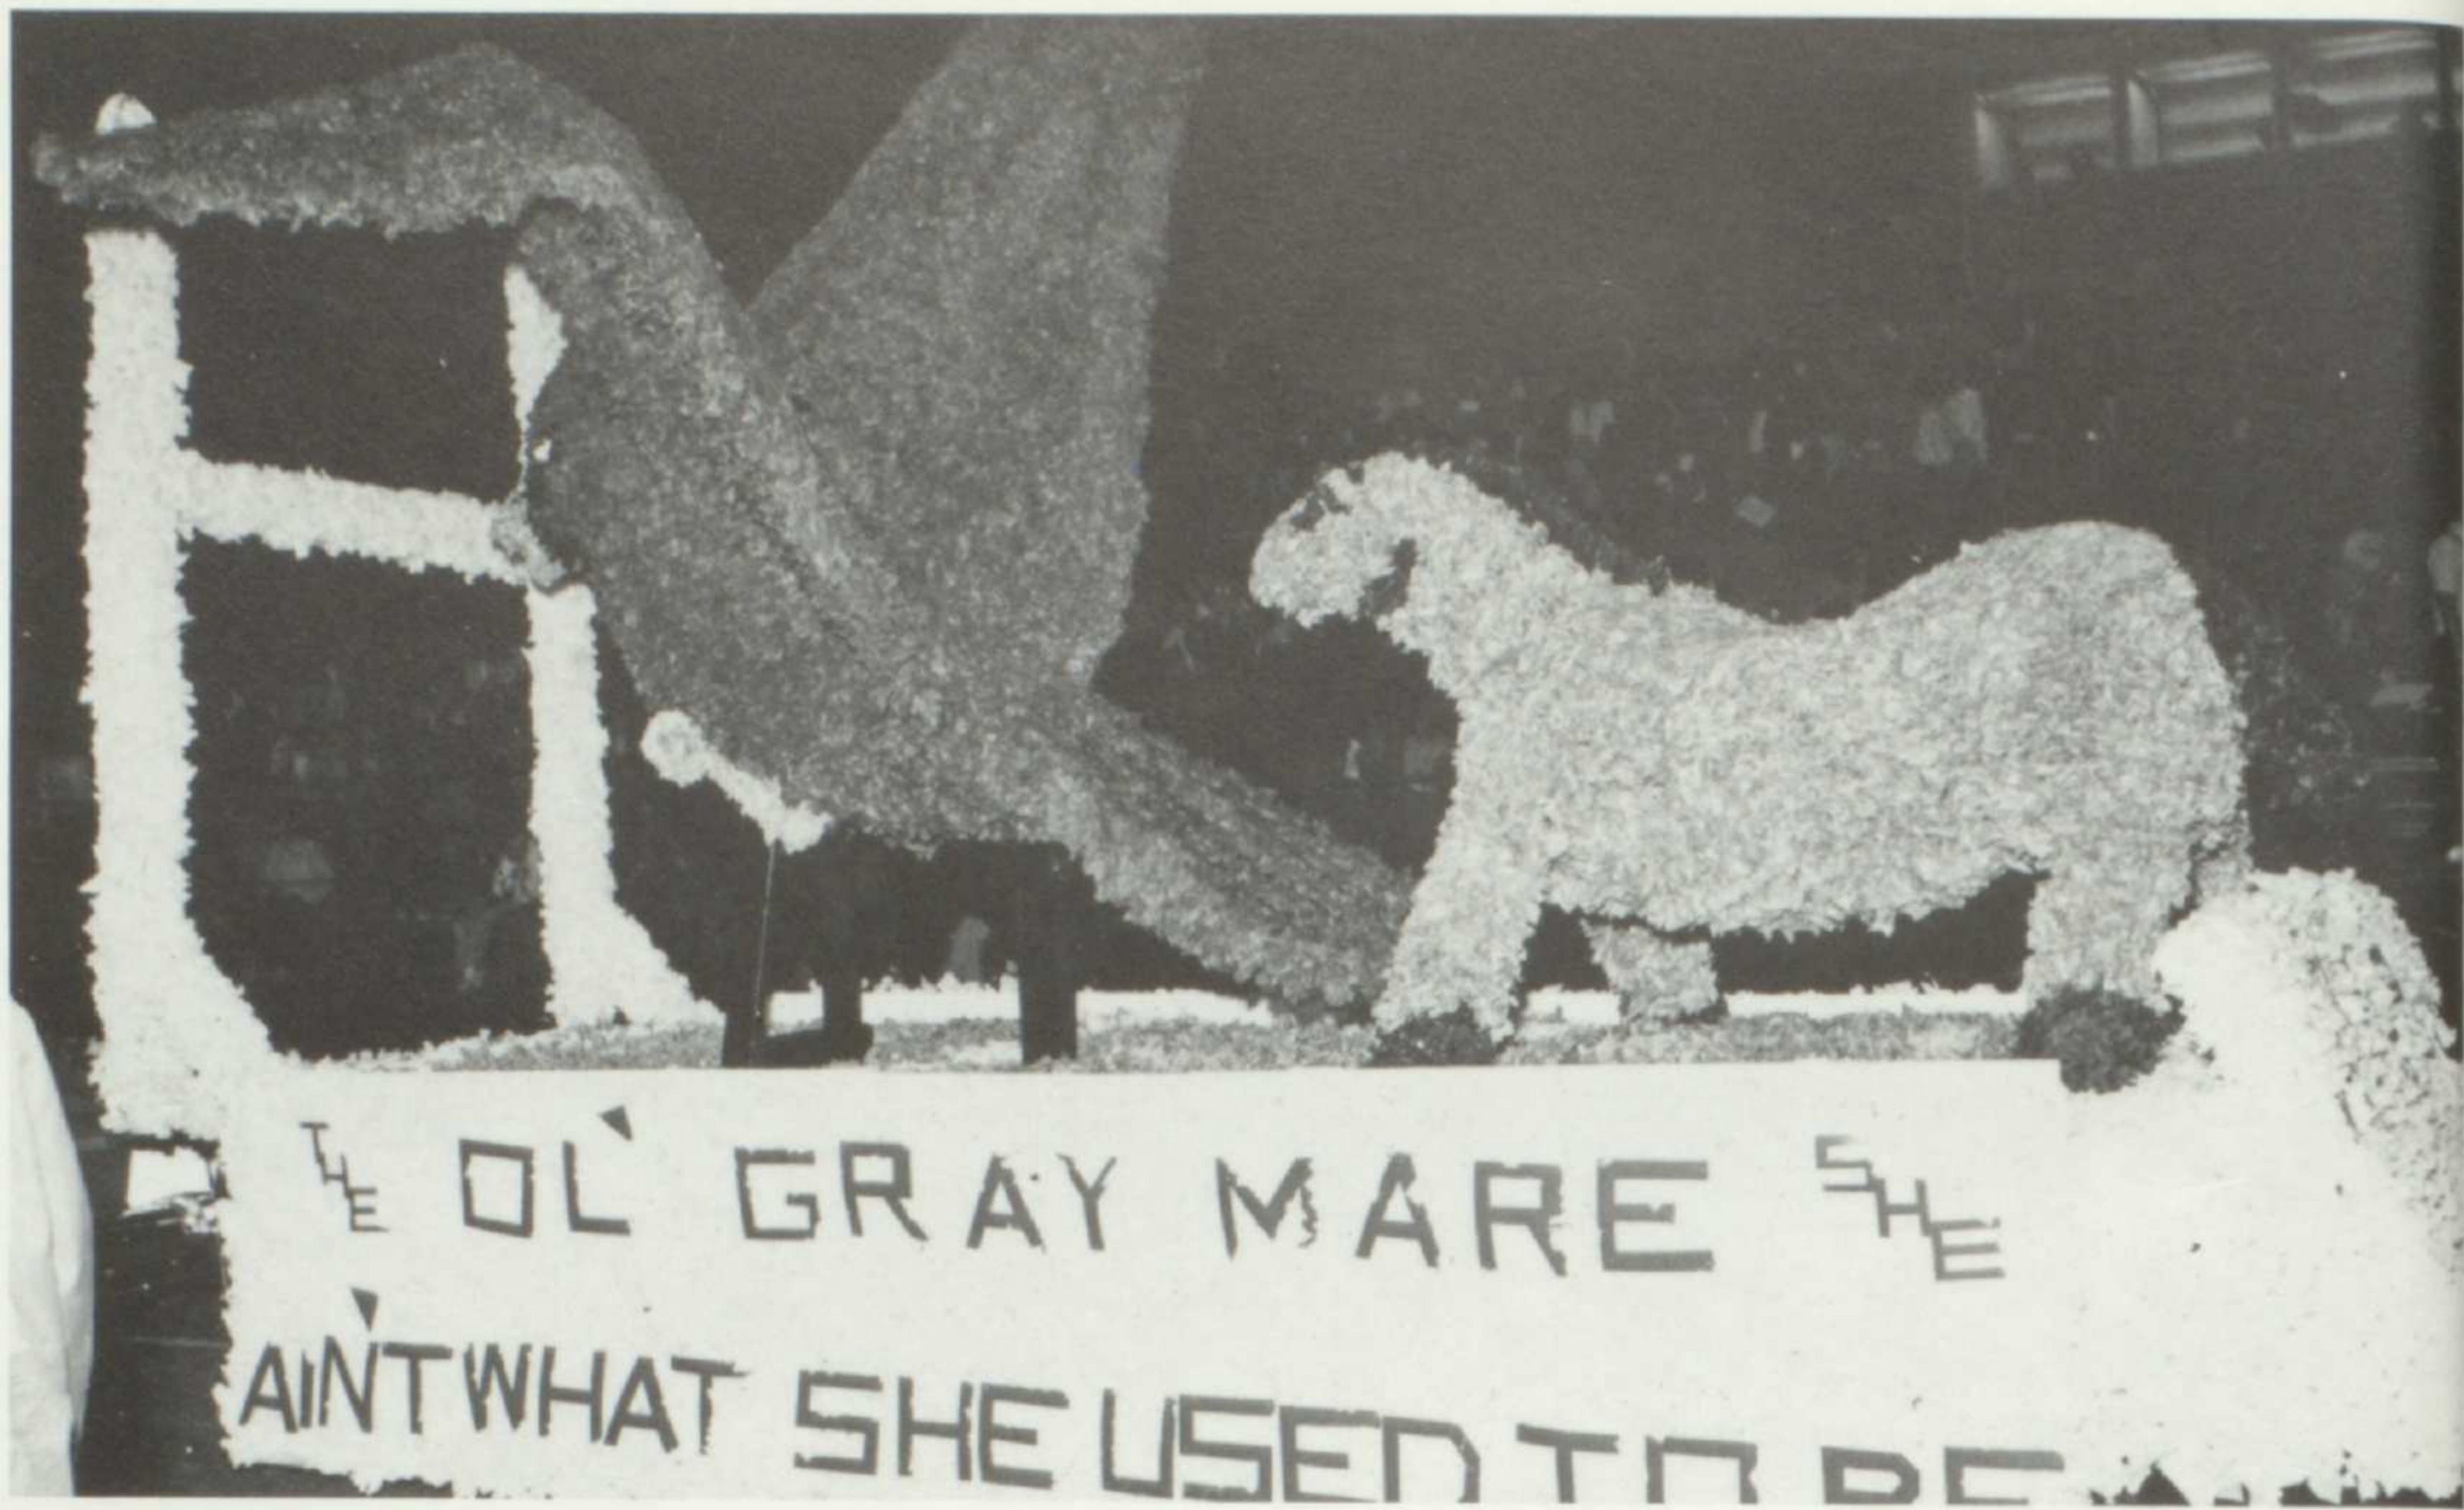

Paul Simon

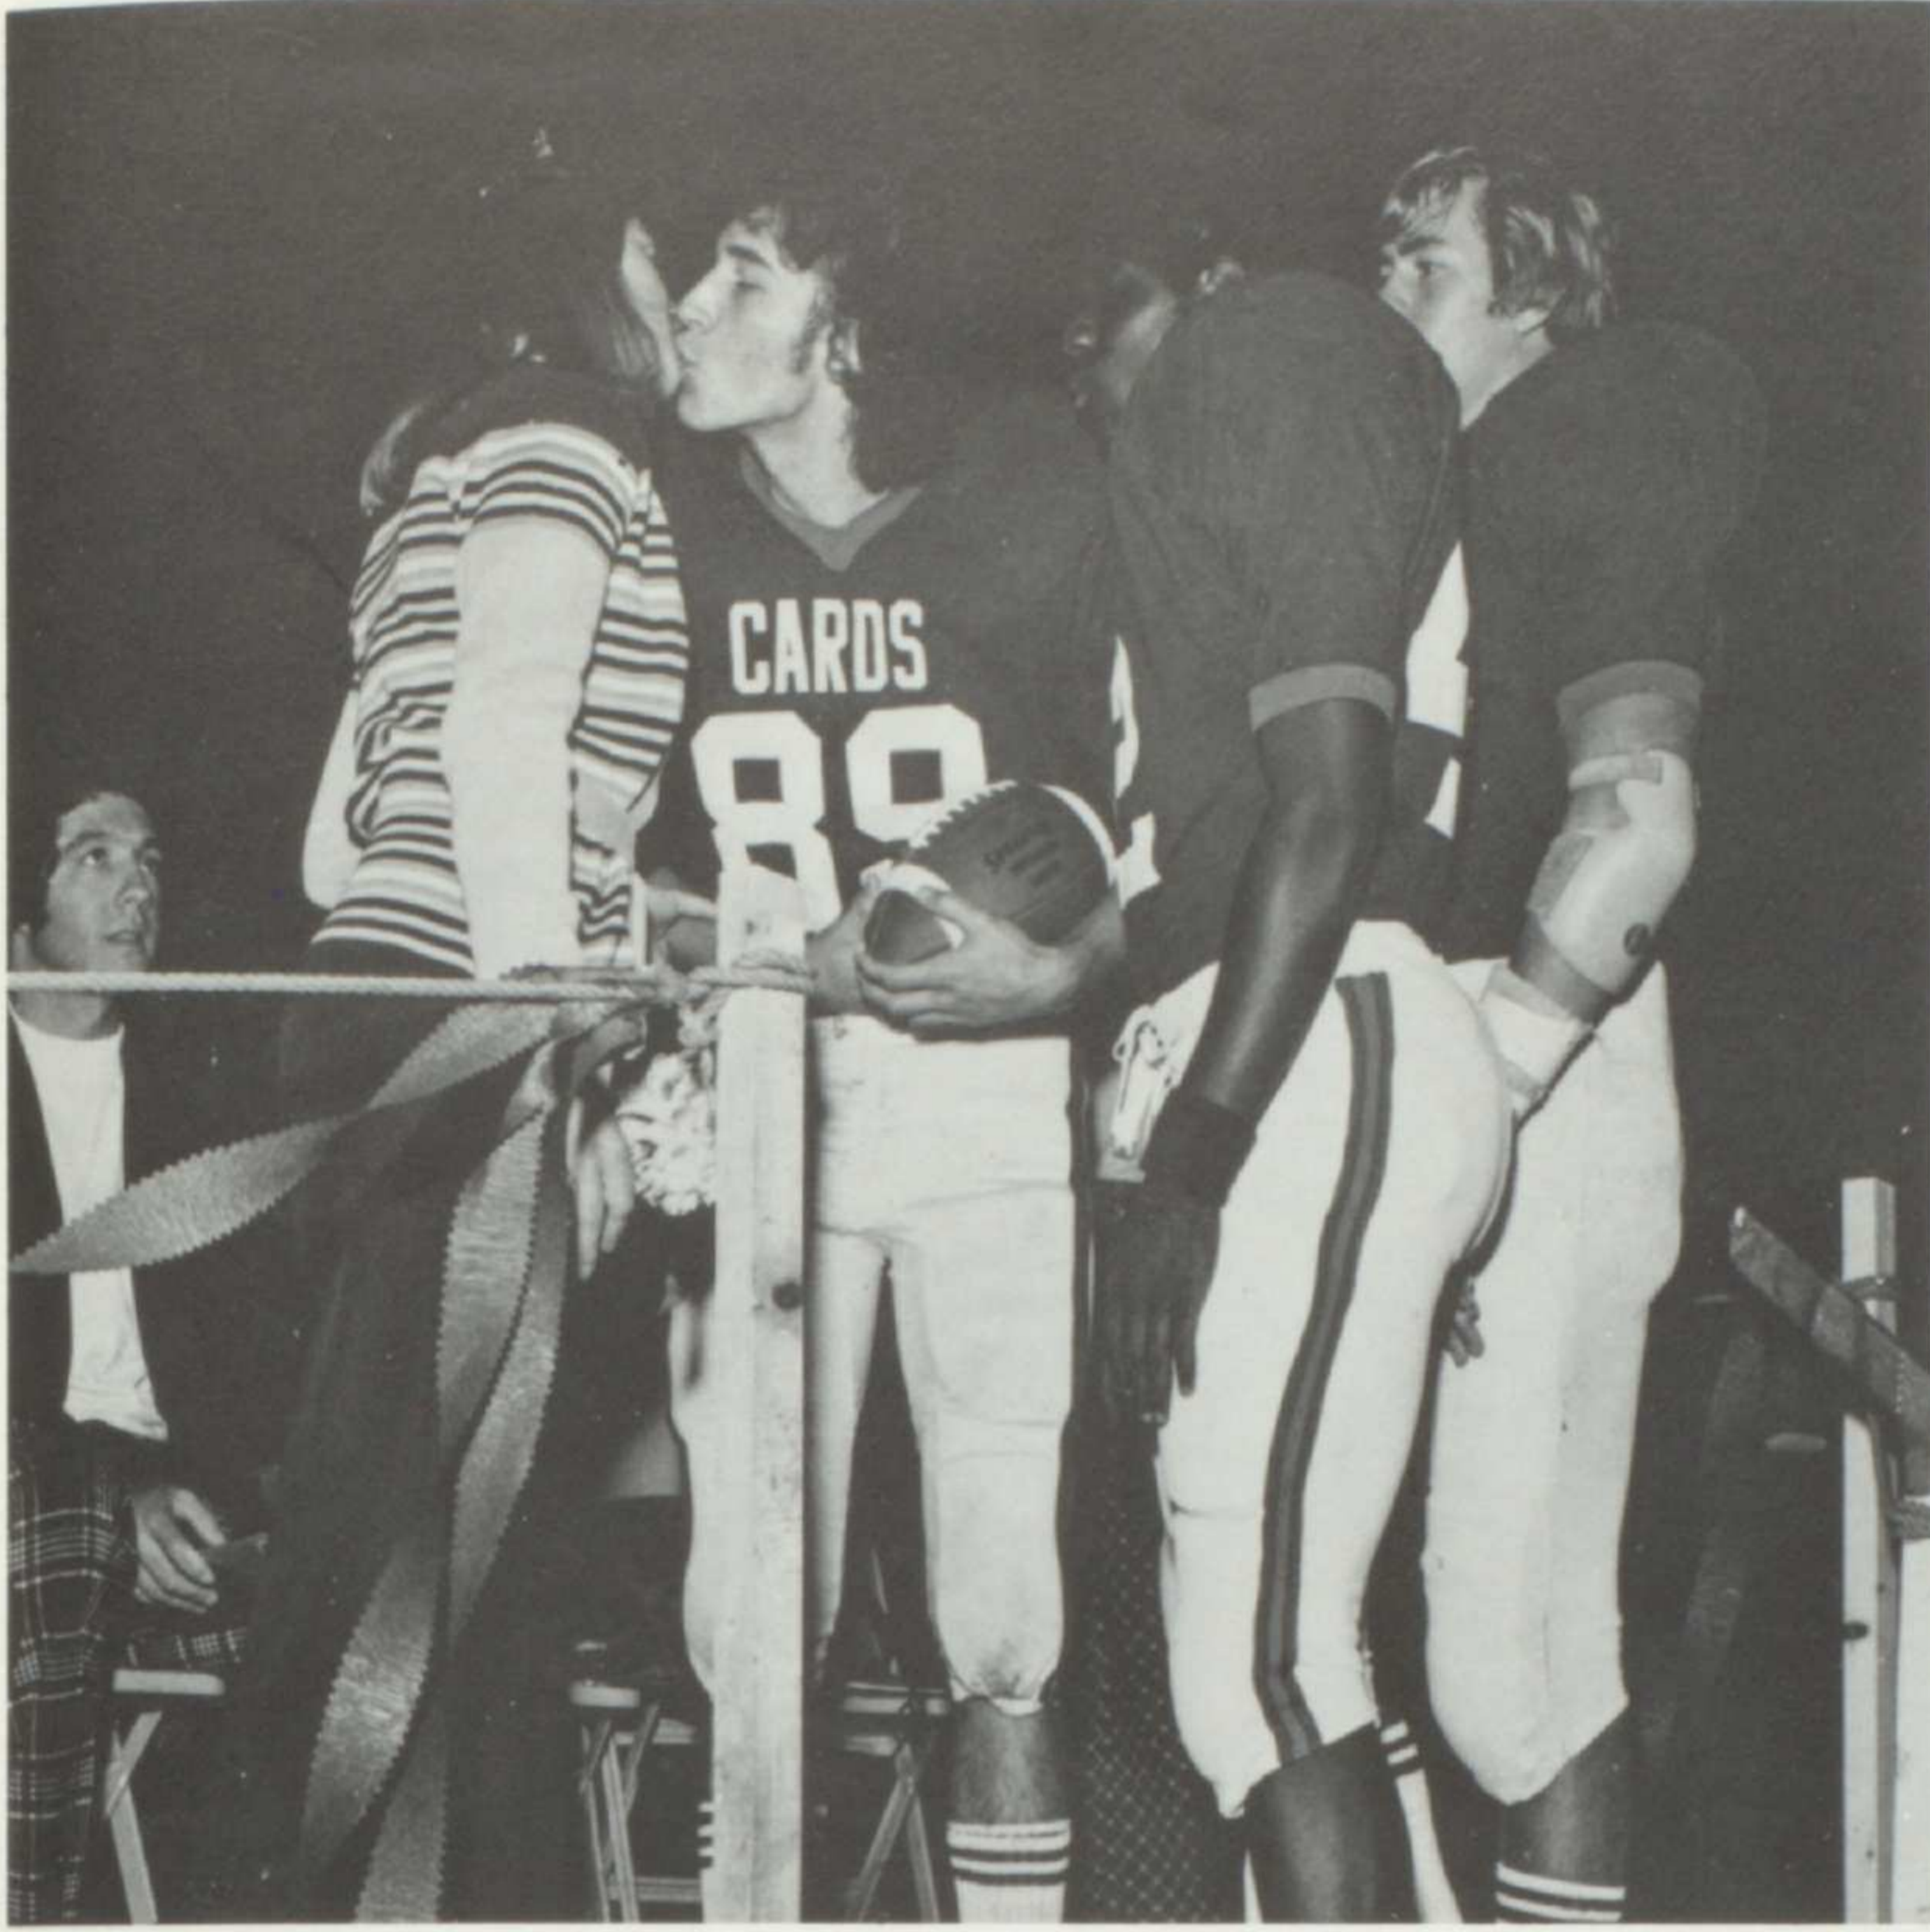

In October, we counted leaves—  
not stars,  
Loving the snap, crackle, and pop  
That whispered “dust to dust”.  
A million tiny deaths—  
This was the prelude to our  
beginning.

# Homecoming

*“Those Were  
the Days”*

This year's homecoming festivities took on a nostalgic air. The Marching Band, remembering last year's victory, came up with another blue ribbon float. The Junior Class captured a first place for their Homecoming Dance decorations. Kelly Sheahan was queen-for-the-day and helped cheer the Cards on to a win over Groveport.

## Field Hockey—

*A fast aggressive game for girls*

Captained by Sharon Spung and T.G. Haire, the Field Hockey team had a victorious 7-2 season, the highlight of which was the coronation of Angie Galipault as Ms. Hockey Homecoming. This year, outstanding Field Hockey players became the first girls at WHS to receive varsity letters.

## Fall Play

### *"Kind Lady"*

The Fall Play was an entertaining suspense story about a wily crook who preys upon a soft-hearted dowager and bleeds her of her riches. Kathleen Randles was excellent as the "Kind Lady" and Jim Dale, properly sinister as the clever scoundrel. The set featured a wealth of Victorian furniture kindly loaned the Thespians. Karen Pratt, as student director, was credited with a fine production.

## Mock Trials—

*“I’ll see  
you in court”*

The semiannual Mock Trials are an exciting climax to the Personal Law course designed by Miss Shirley Nault. Students, using the knowledge they gained in class, enact a trial based on an actual case. The courtroom drama is complete, from the judge’s entrance to the jury’s decision. Mary Sue Highmore made history this year as she became the first female judge on the Mock Trial bench.

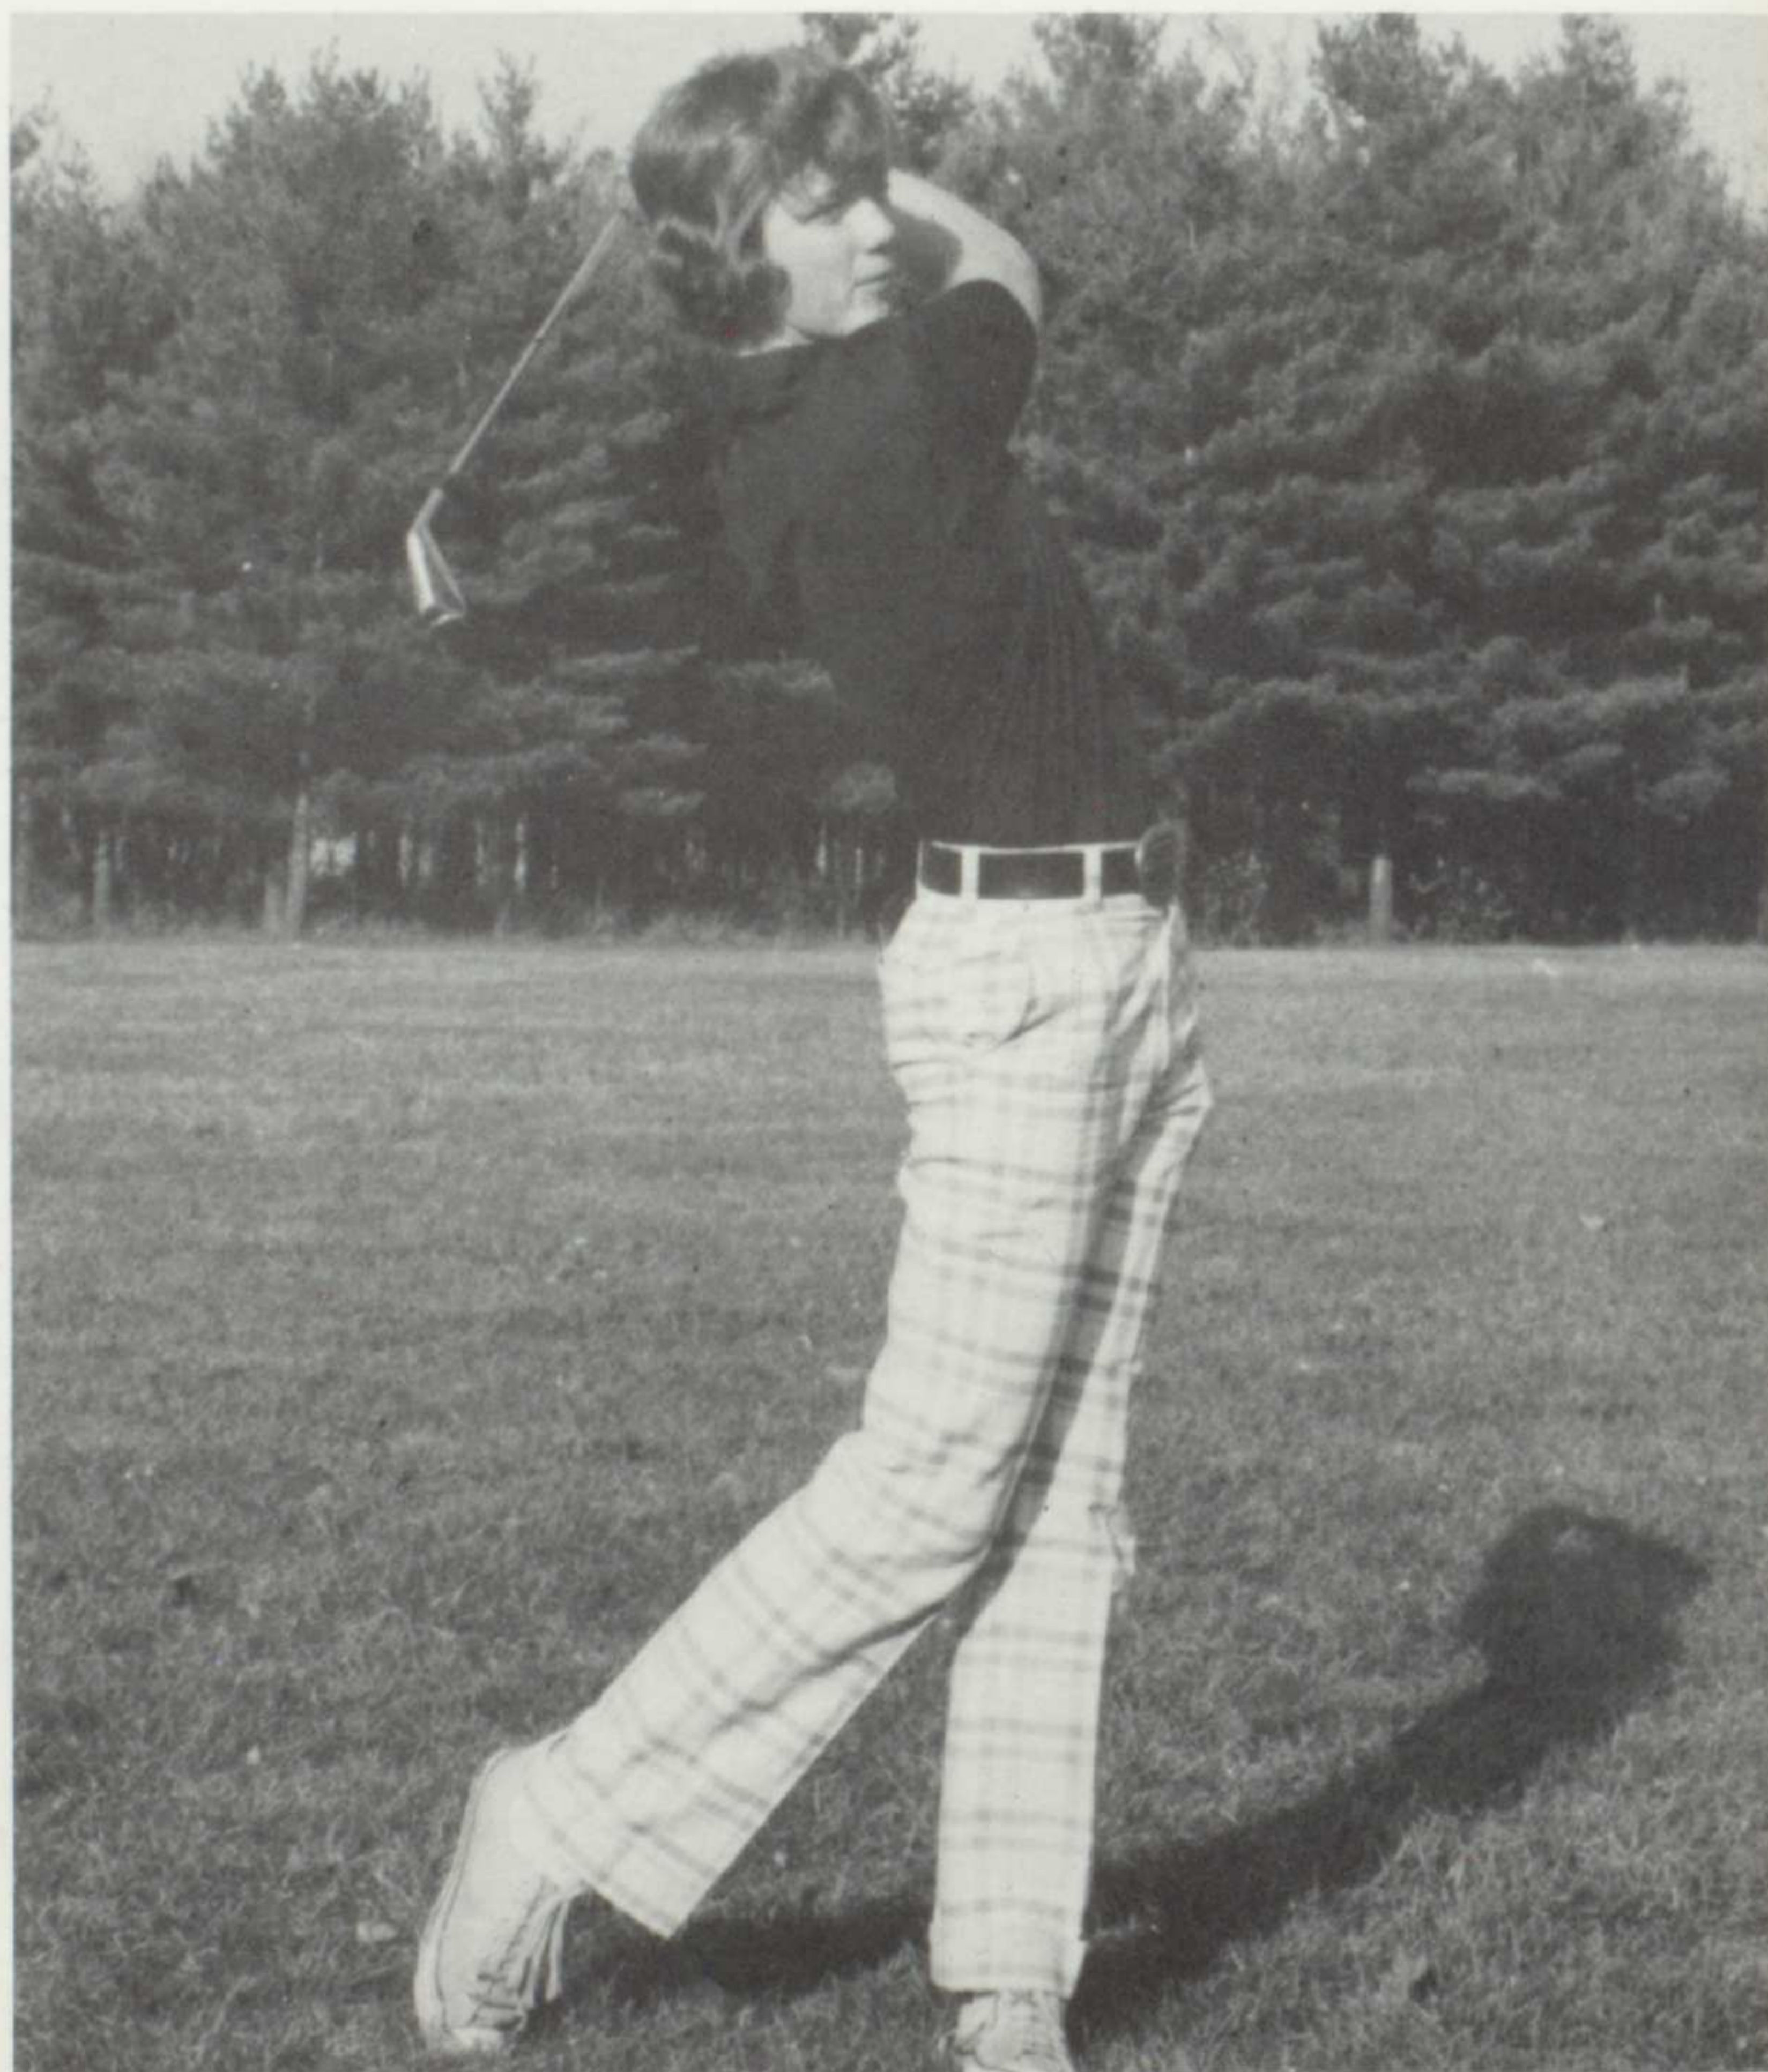

# Golf—

*for real swingers who  
like tea parties*

The Golf team had a fine record this year. Tom Truitt had the lowest stroke average in the league.

### *“The Twelve Days of Christmas”*

What's better than a partridge in a pear tree or seven swans a-swimming? The Christmas Formal, of course! Tania Voss may not have received the menagerie mentioned in the song but she did become the 1975 Cardinal Queen. Annual favorites at the yuletide dance included Santa Claus, the Mixed Ensemble, and Mr. Pees' band.

*for children of all ages*

Each winter the versatile gym becomes a marketplace and playground visited by the youngsters of the community. The Winter Carnival offers every WHS club or organization a chance to make a little money. The French Club was a big winner again this year with their goldfish game and for other clubs who did not reap riches, well, it was fun.

**SPRING**

Arise, my love, my fair one,  
and come away;  
For lo, the winter is past,  
the rain is over and gone.  
The flowers appear on the earth,  
the time of singing has come.  
Solomon 2:10-12

When the sun came out of hiding  
We could see the light at the end of  
the tunnel  
And passed beneath the flowering  
crabs  
With broad smiles and imported  
tans,  
Singing summer's prelude.

## Lacrosse—

*“Oh give me a home”*

The Lacrosse Club won important victories on and off the field this year. They finished second in a tournament in Sewickley, Pennsylvania, and won three out of four games against tough opposition in Maryland. The Club also succeeded in convincing the Board of Education in their need for a home field.

## Sophomores—

### *Class of '77*

Facing yet another new environment, sophomores adapt quickly to East-end living. There is a new importance, new responsibilities, but they are soon a part of just one more routine. Counting calories and surveying traffic are favorite sophomore activities and 16 is the magic number.

## Class of '76

The Junior class has spring fever all year and dollar signs on the brain. Juniors are uniquely energetic, reliable, having reached a happy medium between inexperience and indifference. They work feverishly to pave the way for a relaxed senior year.

Seasons flow one into the other,  
today inexorably toward tomor-  
row and we cannot keep even  
the most enchanted hour.

Best wishes for every success—from your senior portrait  
photographer.

P.S. We take wedding pictures.

The yearbook is an overwhelming extra-curricular activity. Its degree of success depends upon the contributions of its staff and the cooperation of the faculty and the students with the staff. A few people have made things difficult for the yearbook this year, but many others have been of invaluable help. The project has been a unique learning experience for everyone involved and we sincerely hope that you are satisfied with the results.
