WORTHINGTON HIGH SCHOOL

NORTHINGTON HIGH

Dedicated To The Memory Of

Harold C. McCord

Superintendent of schools from 1938-1973.

He that is thy friend indeed,

He will help thee in thy need:

If thou sorrow, he will weep;

If thou wake, he cannot sleep

Thus of every grief in heart

He with thee doth bear a part.

These are certain signs to know

Faithful friend from flattering foe.

CARDINAL 1977

WORTHINGTON, OHIO

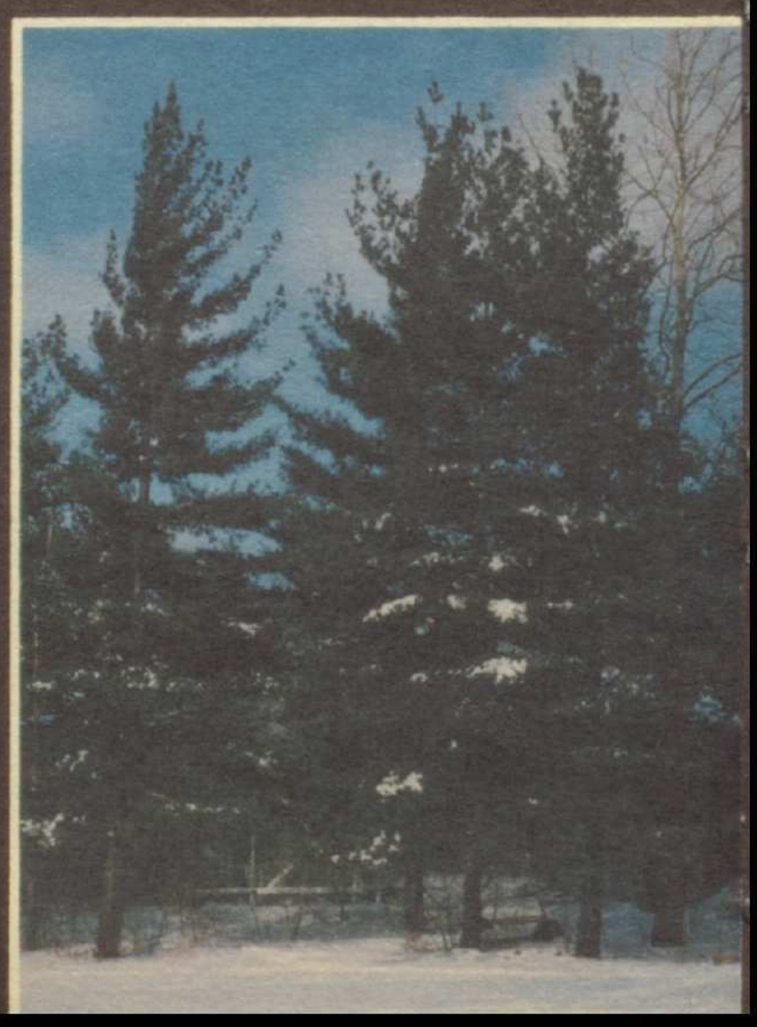

VOLUME XXXVI

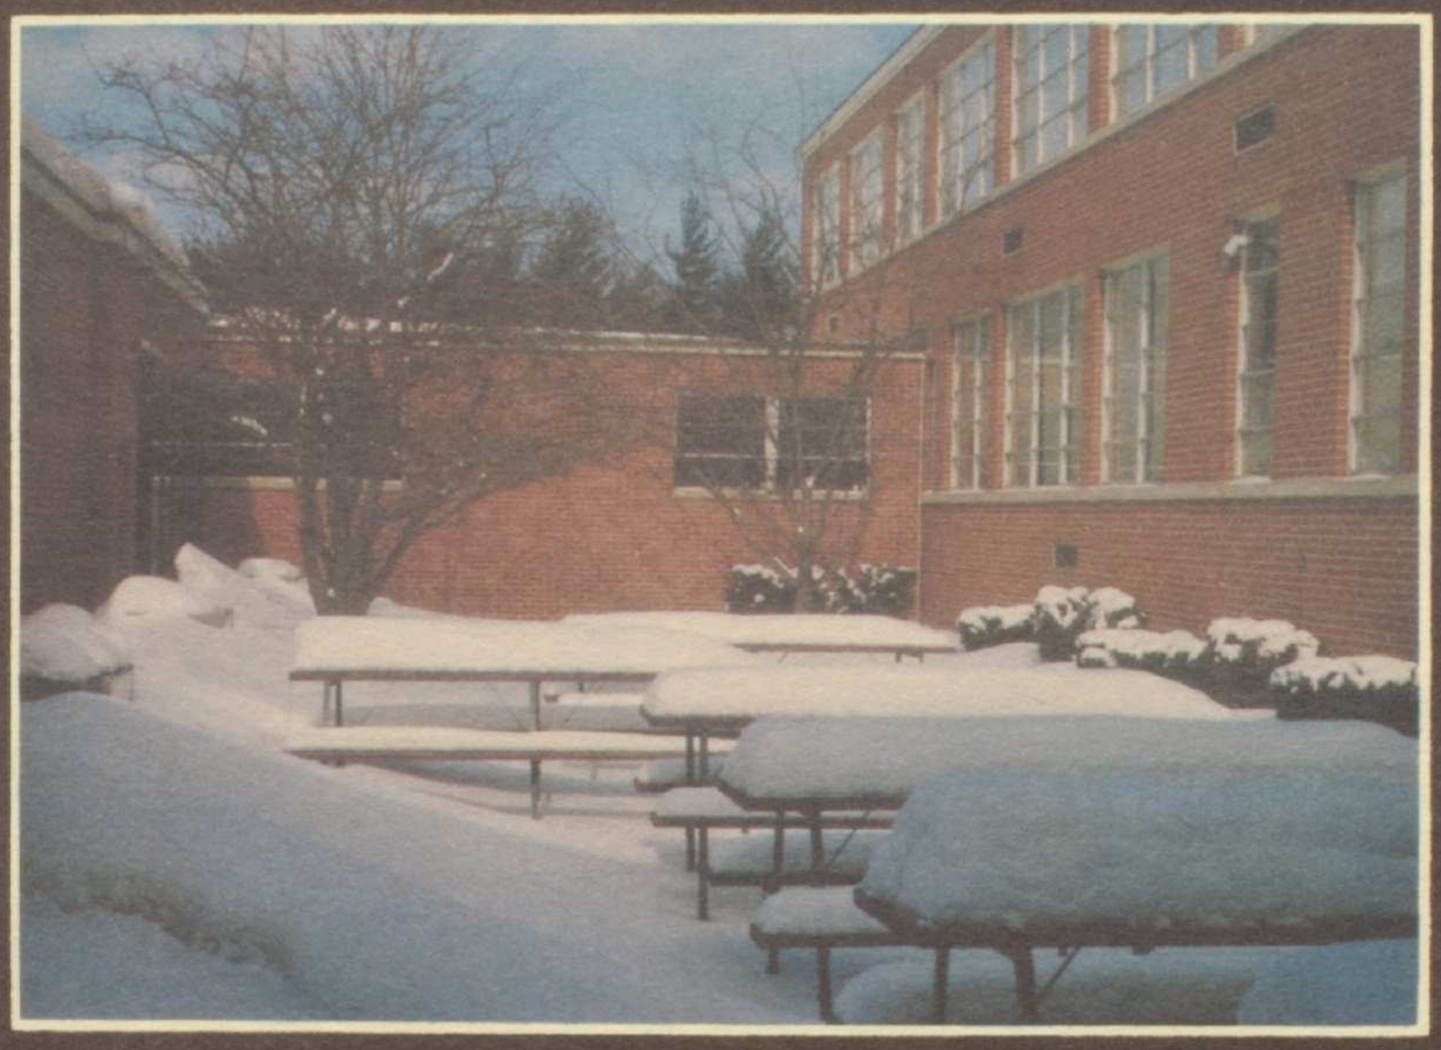

Ah, when to the heart of man
Was it ever less than treason
To go with the drift of things,
To yield with a grace to reason,
And bow and accept the end
Or a love or a season?

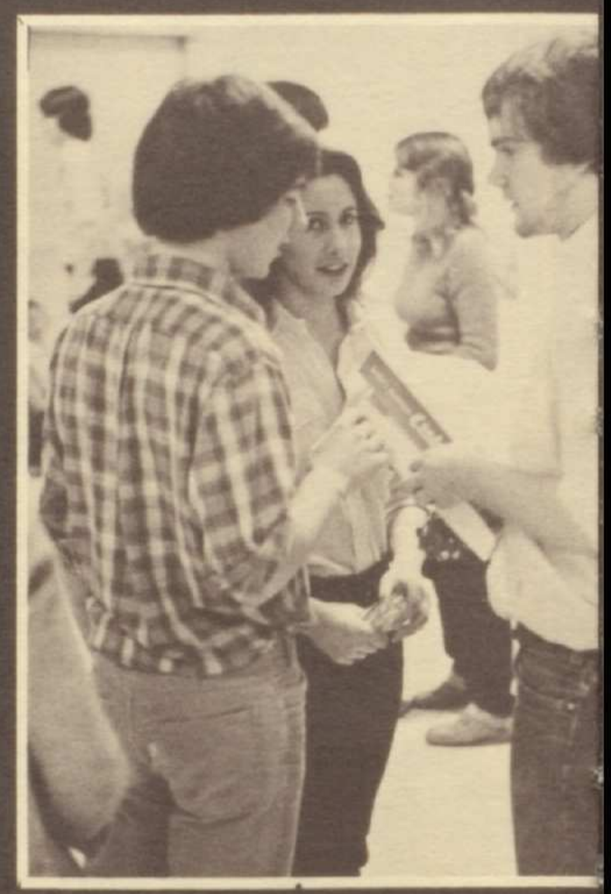

Robert Frost

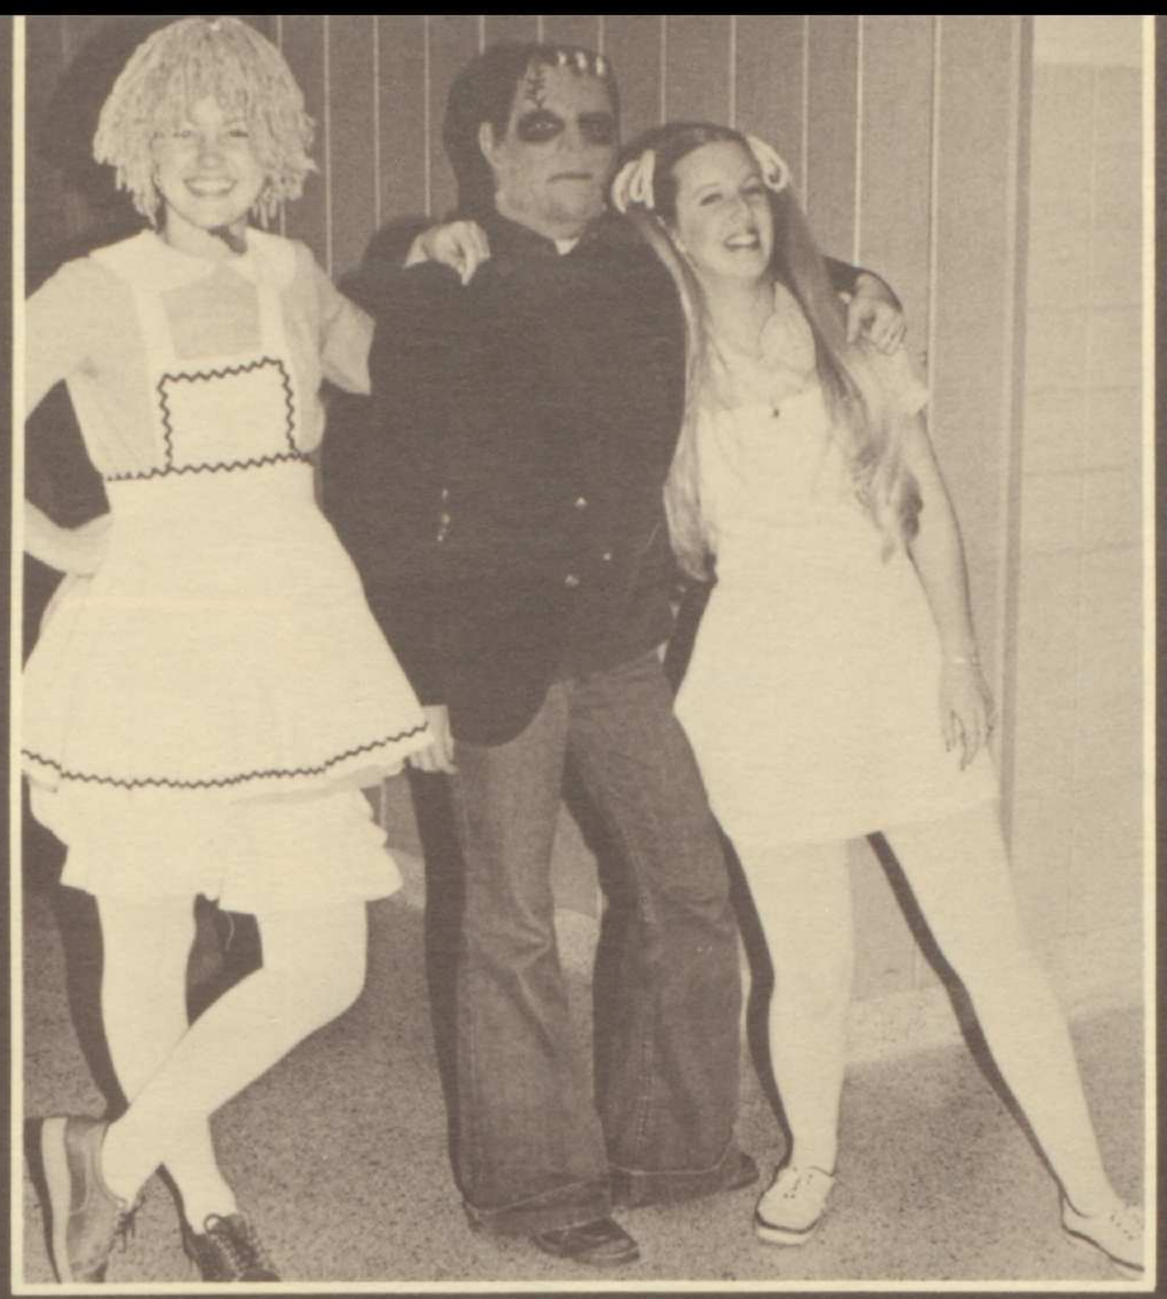

WORTHINGTON

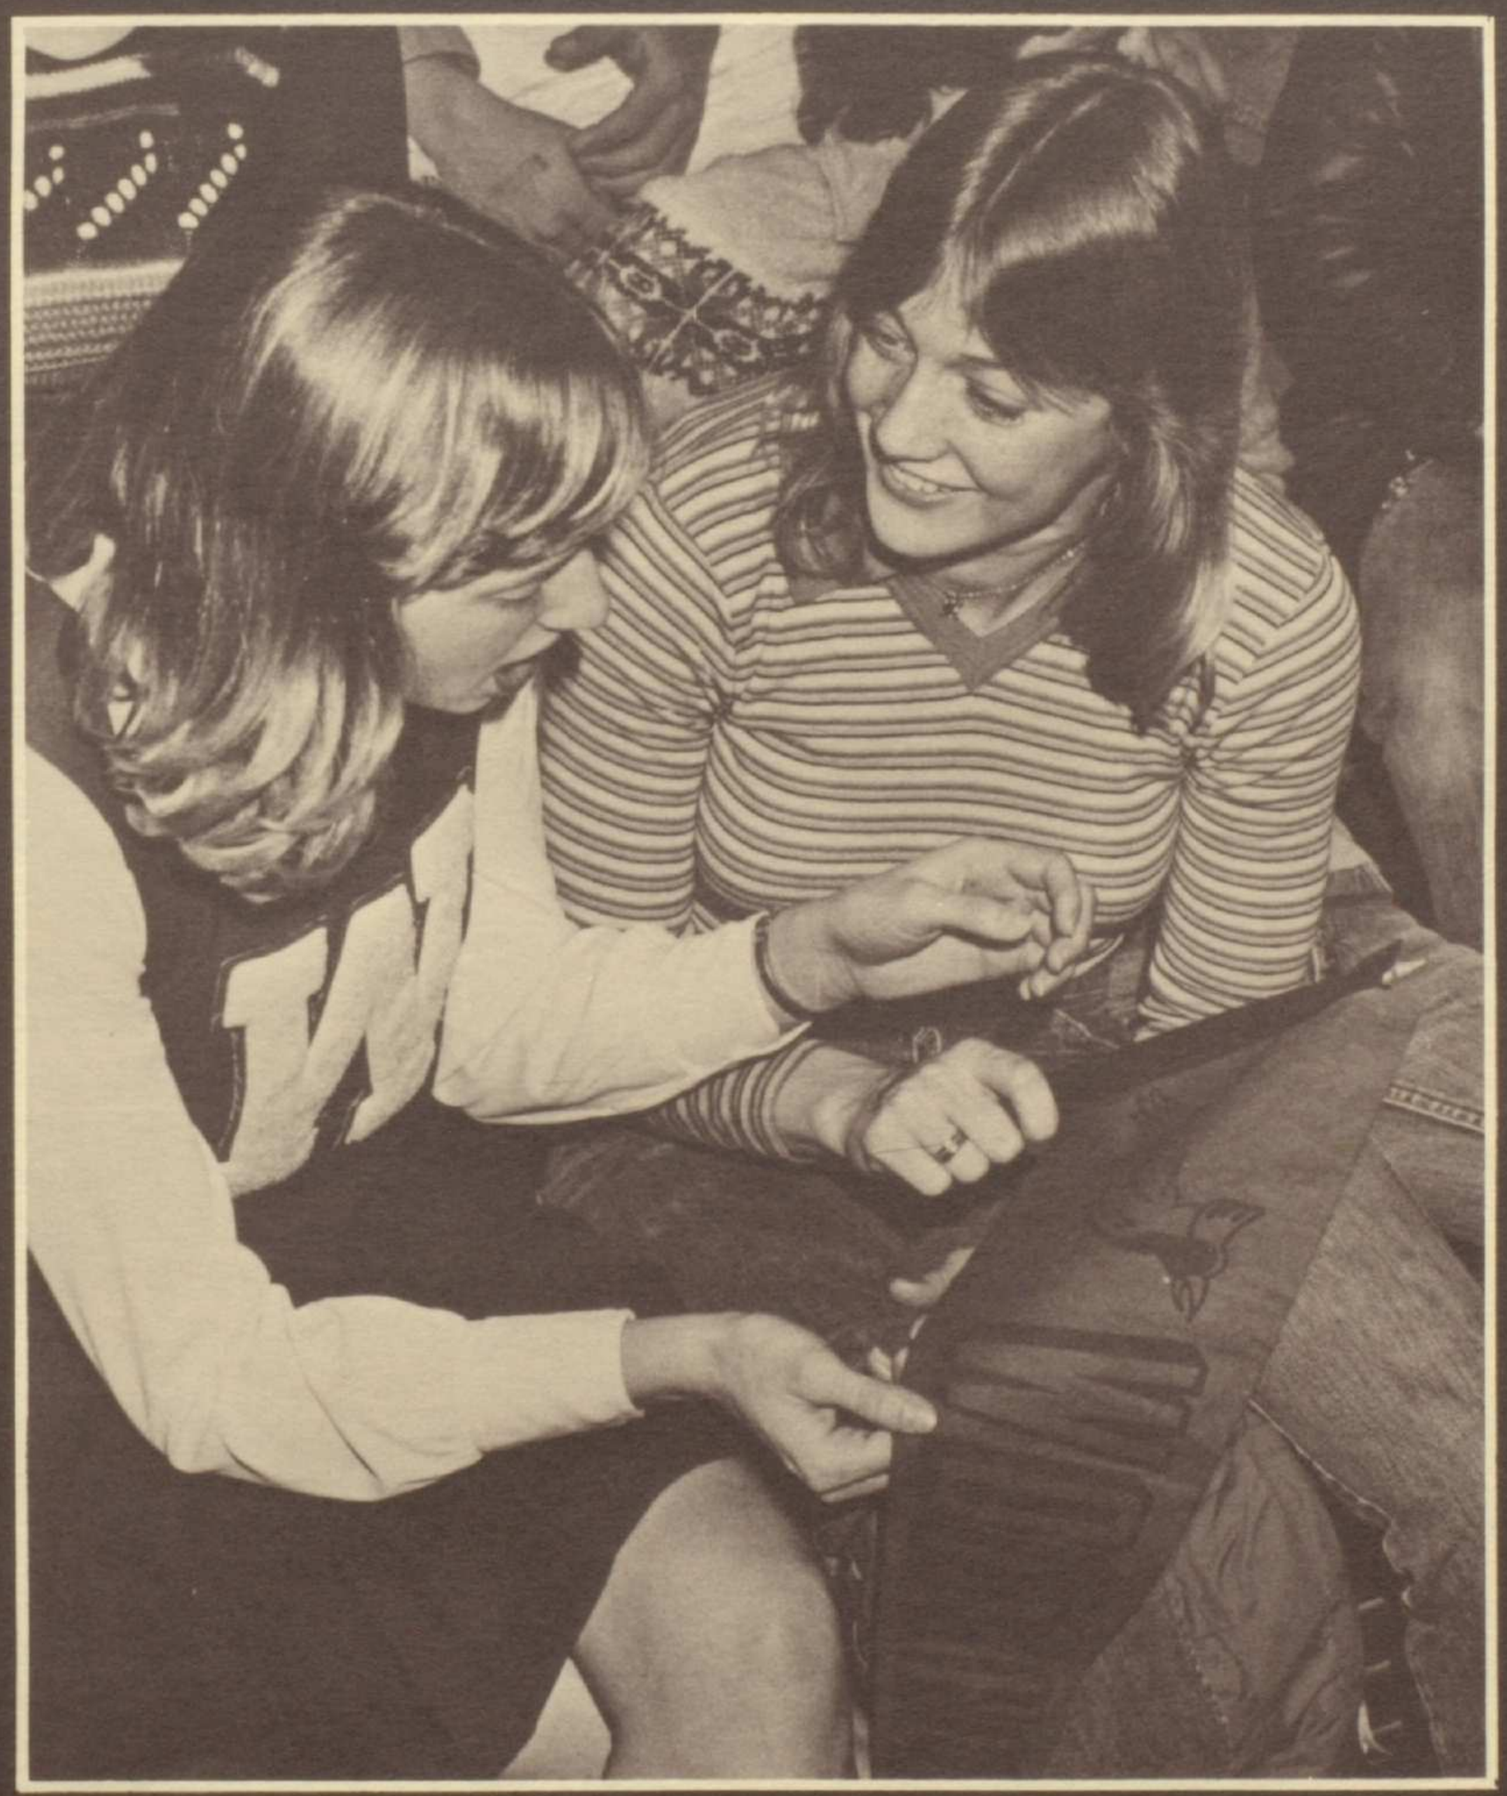

I love you, my friend
You're quite dear to me,
A true friend you are
And always will be.
But you're leaving me soon
And going your own way,
Perhaps we will meet
In the future some day.
You've left me with memories
Of good times we've had,
To treasure forever
And make me feel glad.
I wish you good luck
In all that you do.
May all of life's pleasures
Come your way too.
Farewell now, my friend
And please may you find
Some thoughts of me
Always in your mind.

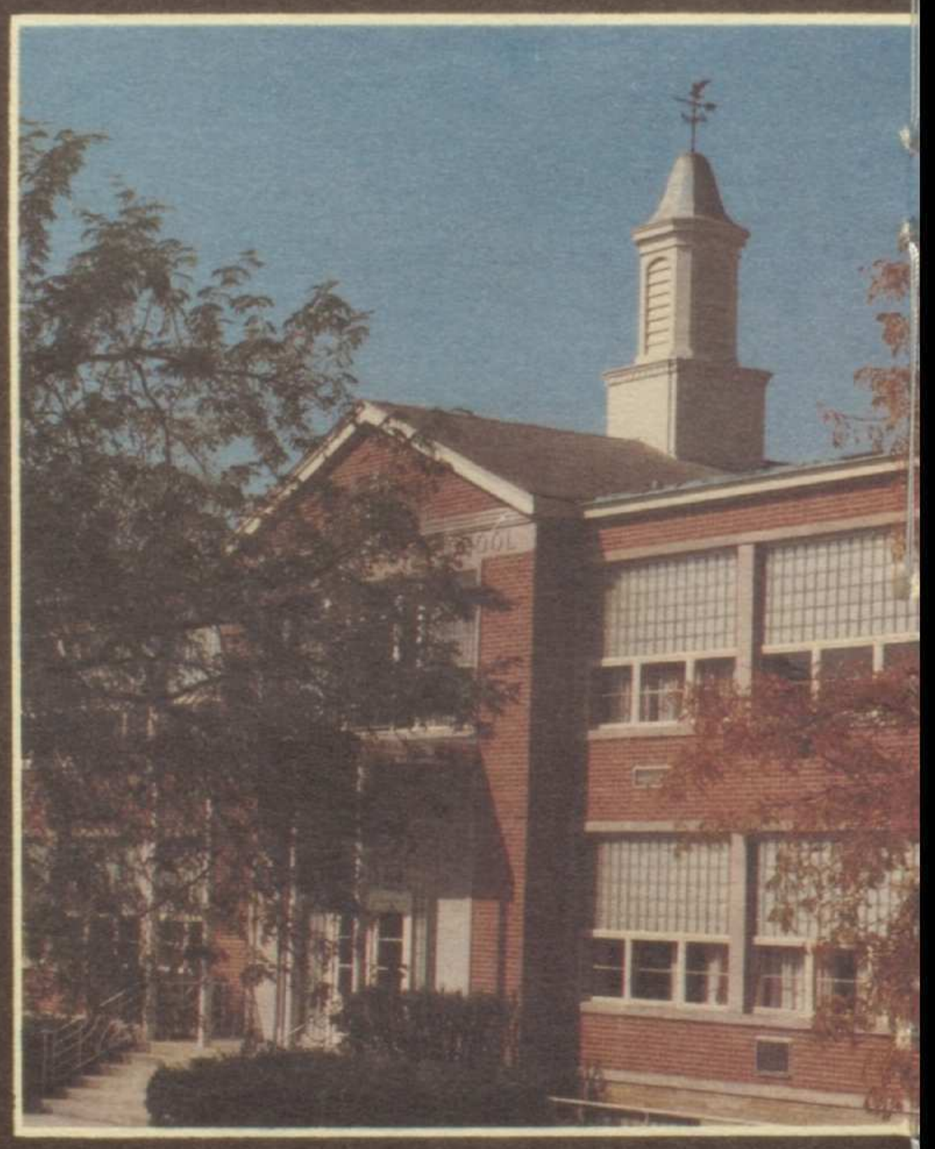

Some are born great,

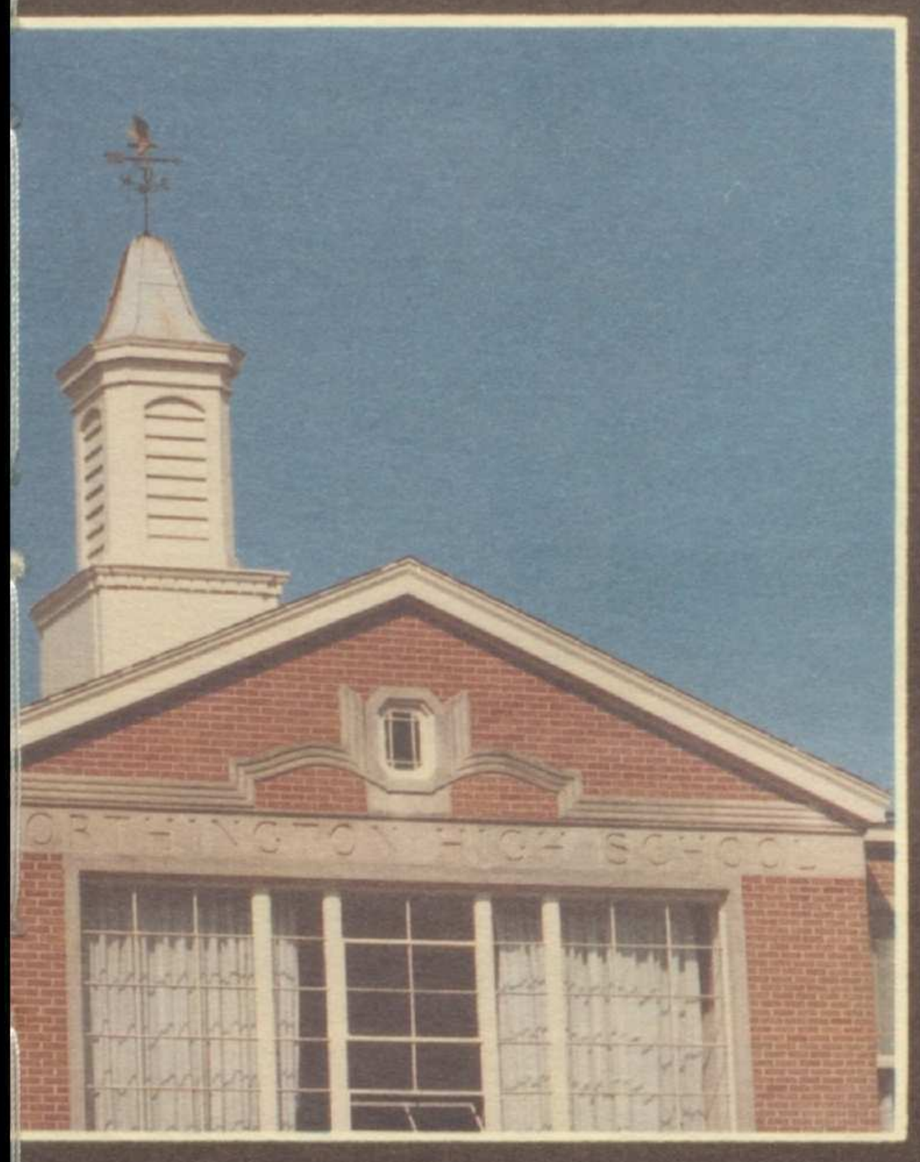

Some achieve greatness,

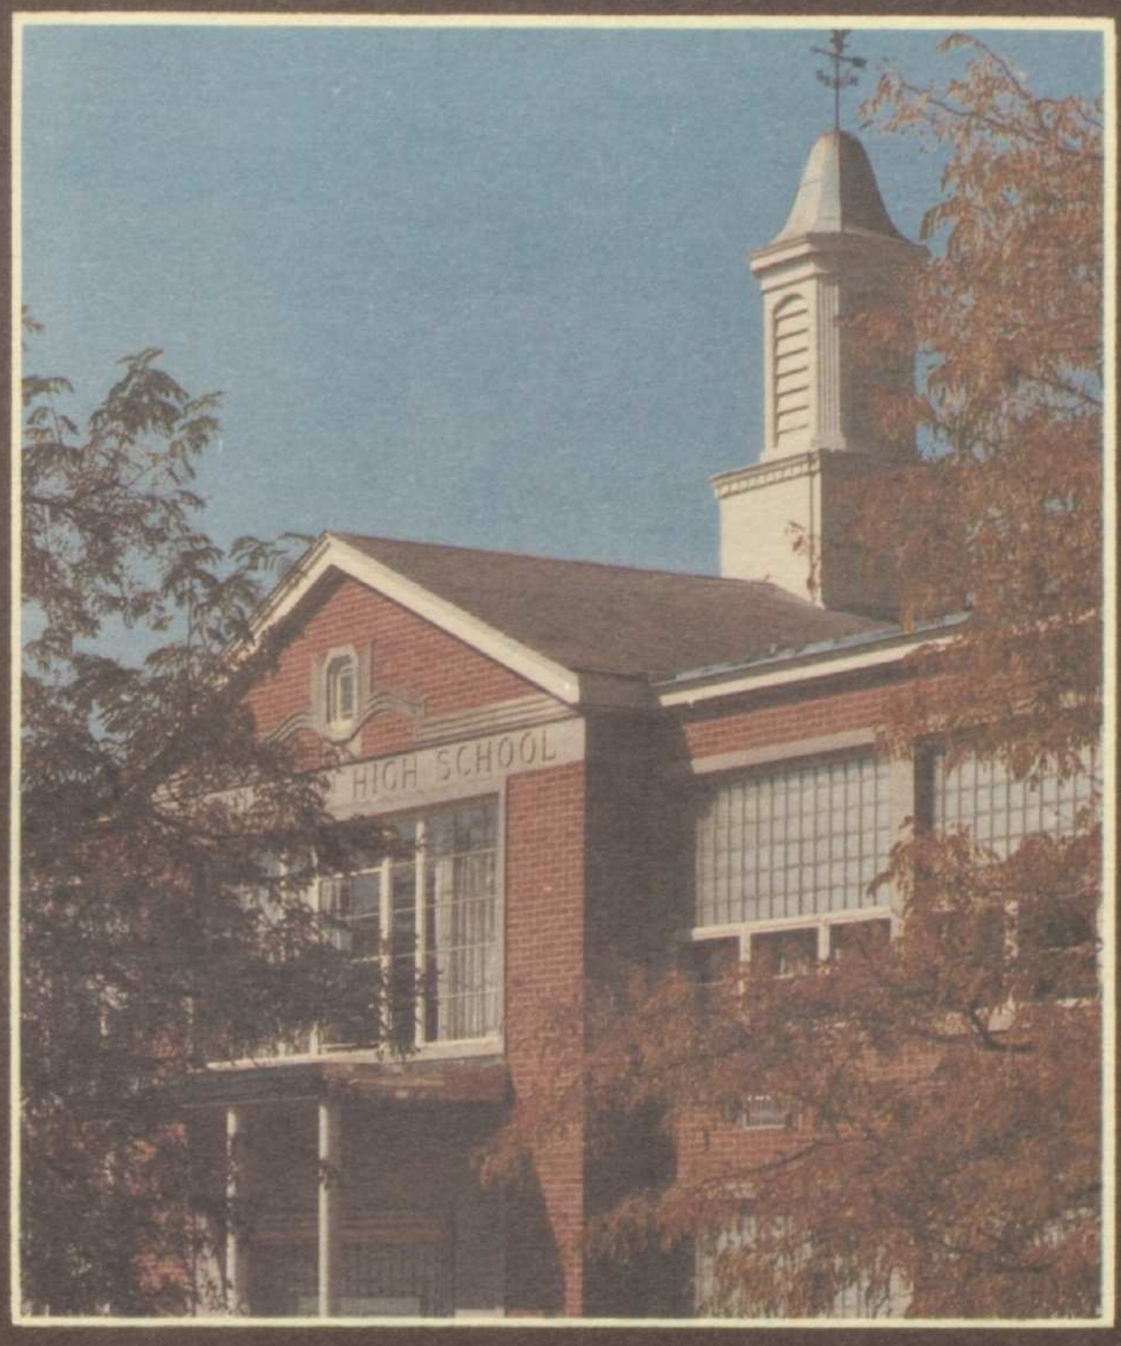

and some have greatness thrust upon them.

Now I lay me down to study,

I pray the Lord I won't go nutty.

And if I fail to learn this junk,

I pray the Lord that I won't flunk.

But if I do, don't pity me at all,

Just lay my bones in the study hall.

Tell my teacher I've done my best,

Then pile my books upon my chest.

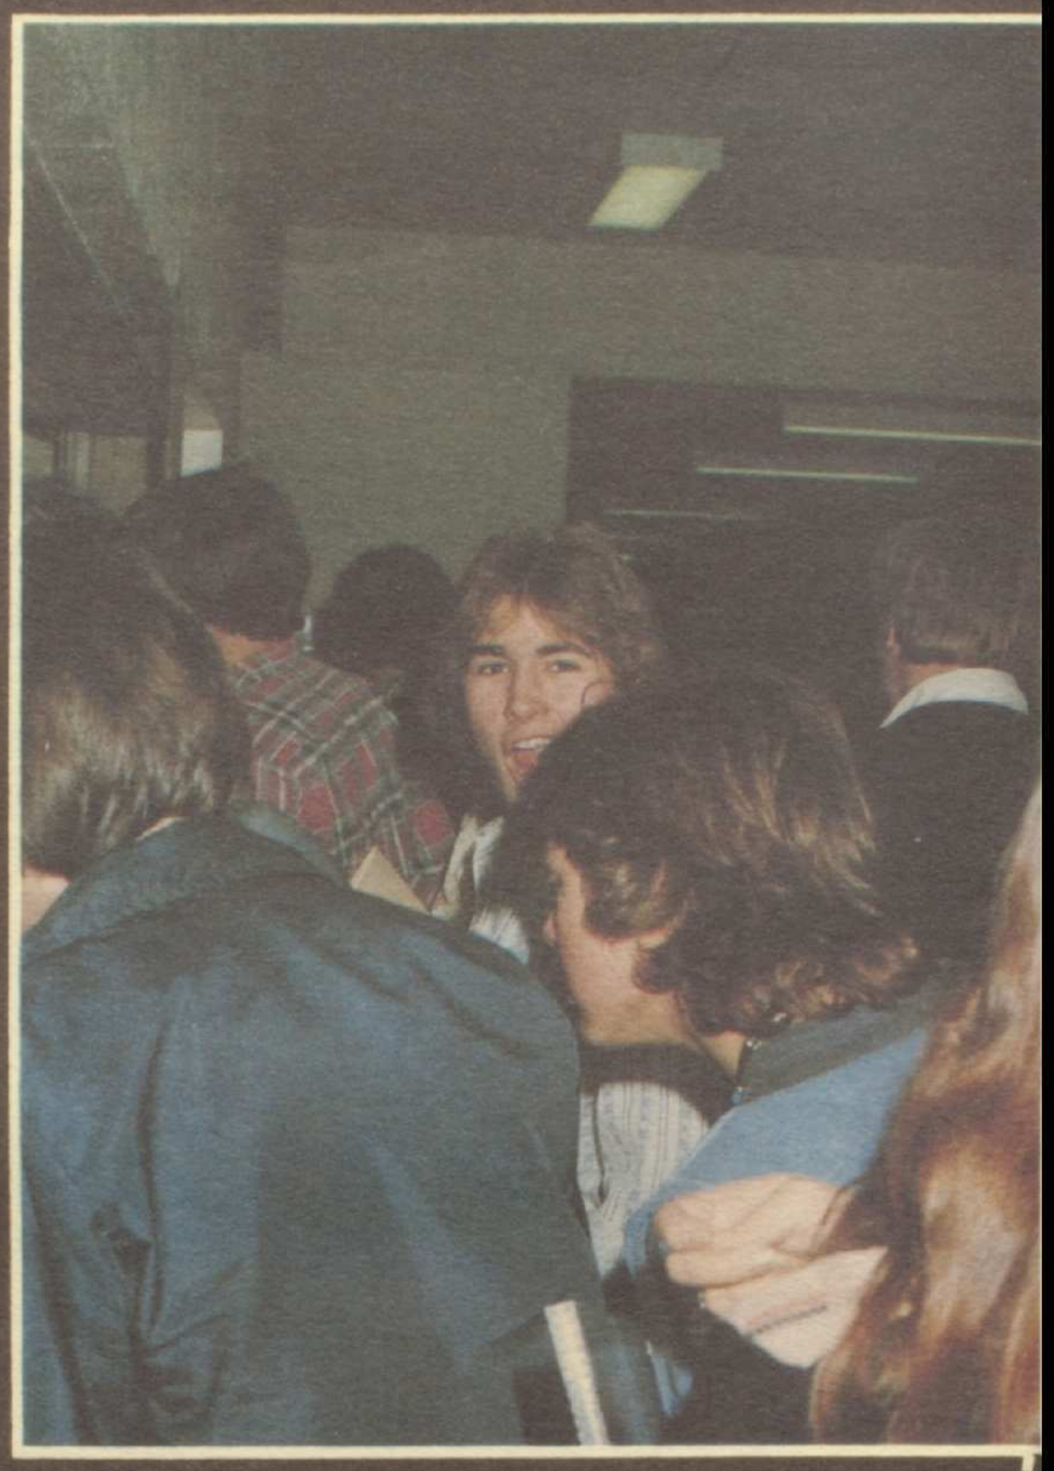

Now I lay me down to rest,

To pray I'll pass tomorrow's test.

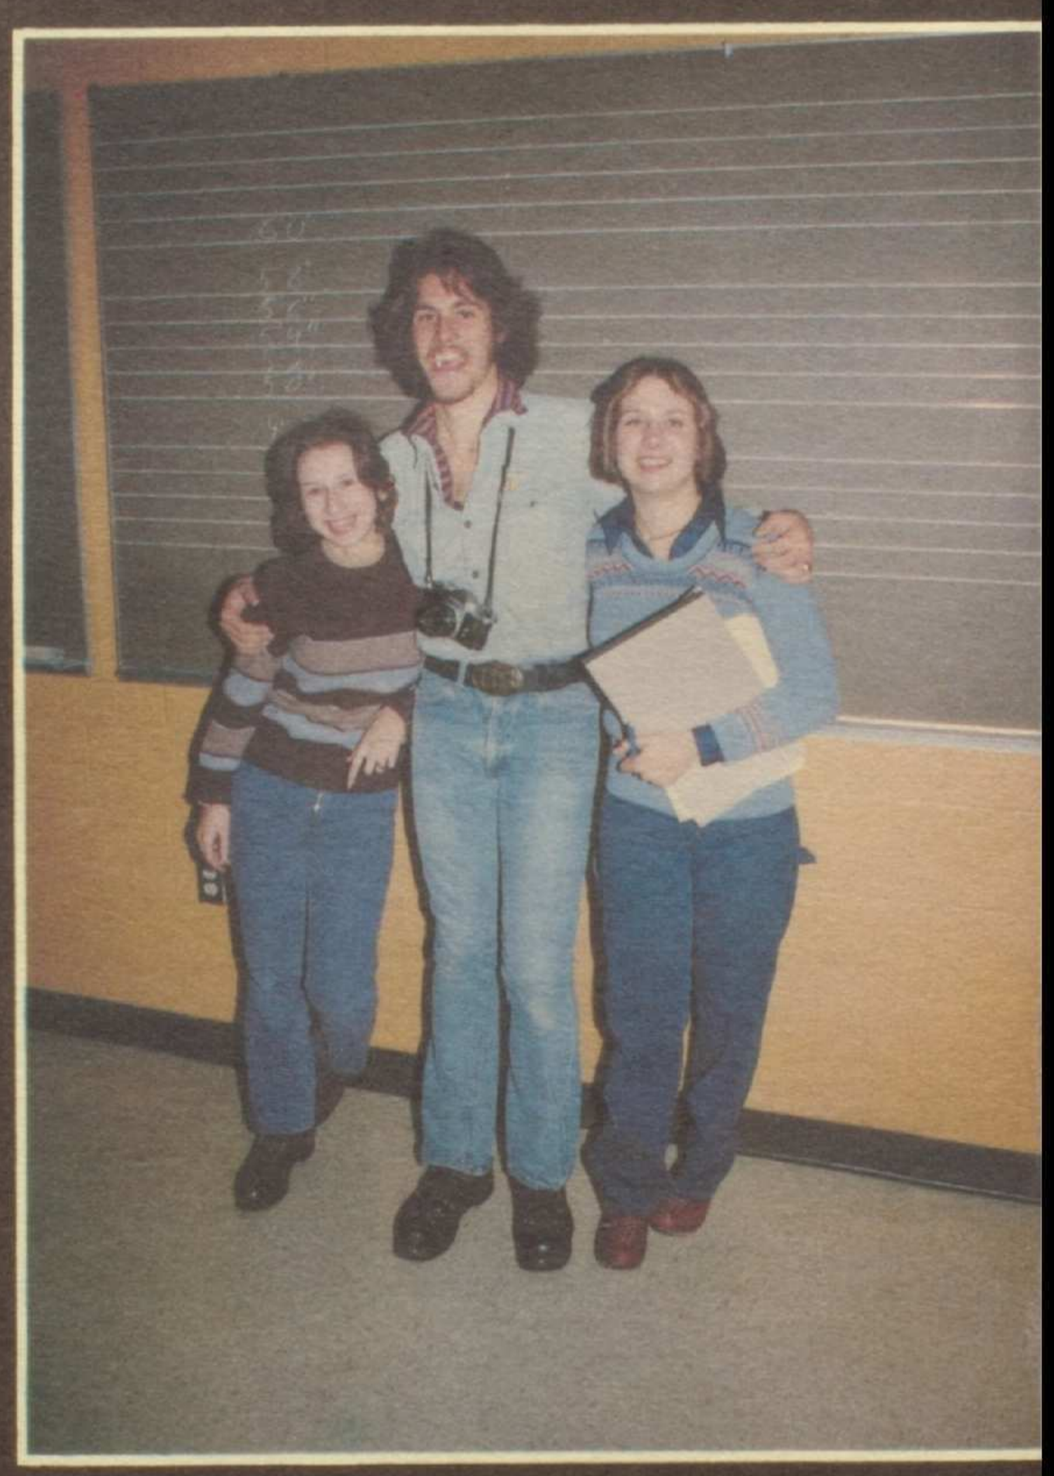

If I should die before I wake,

That's one less test I'll have to take.

Dear Worthington Class of 1989, June, 1989

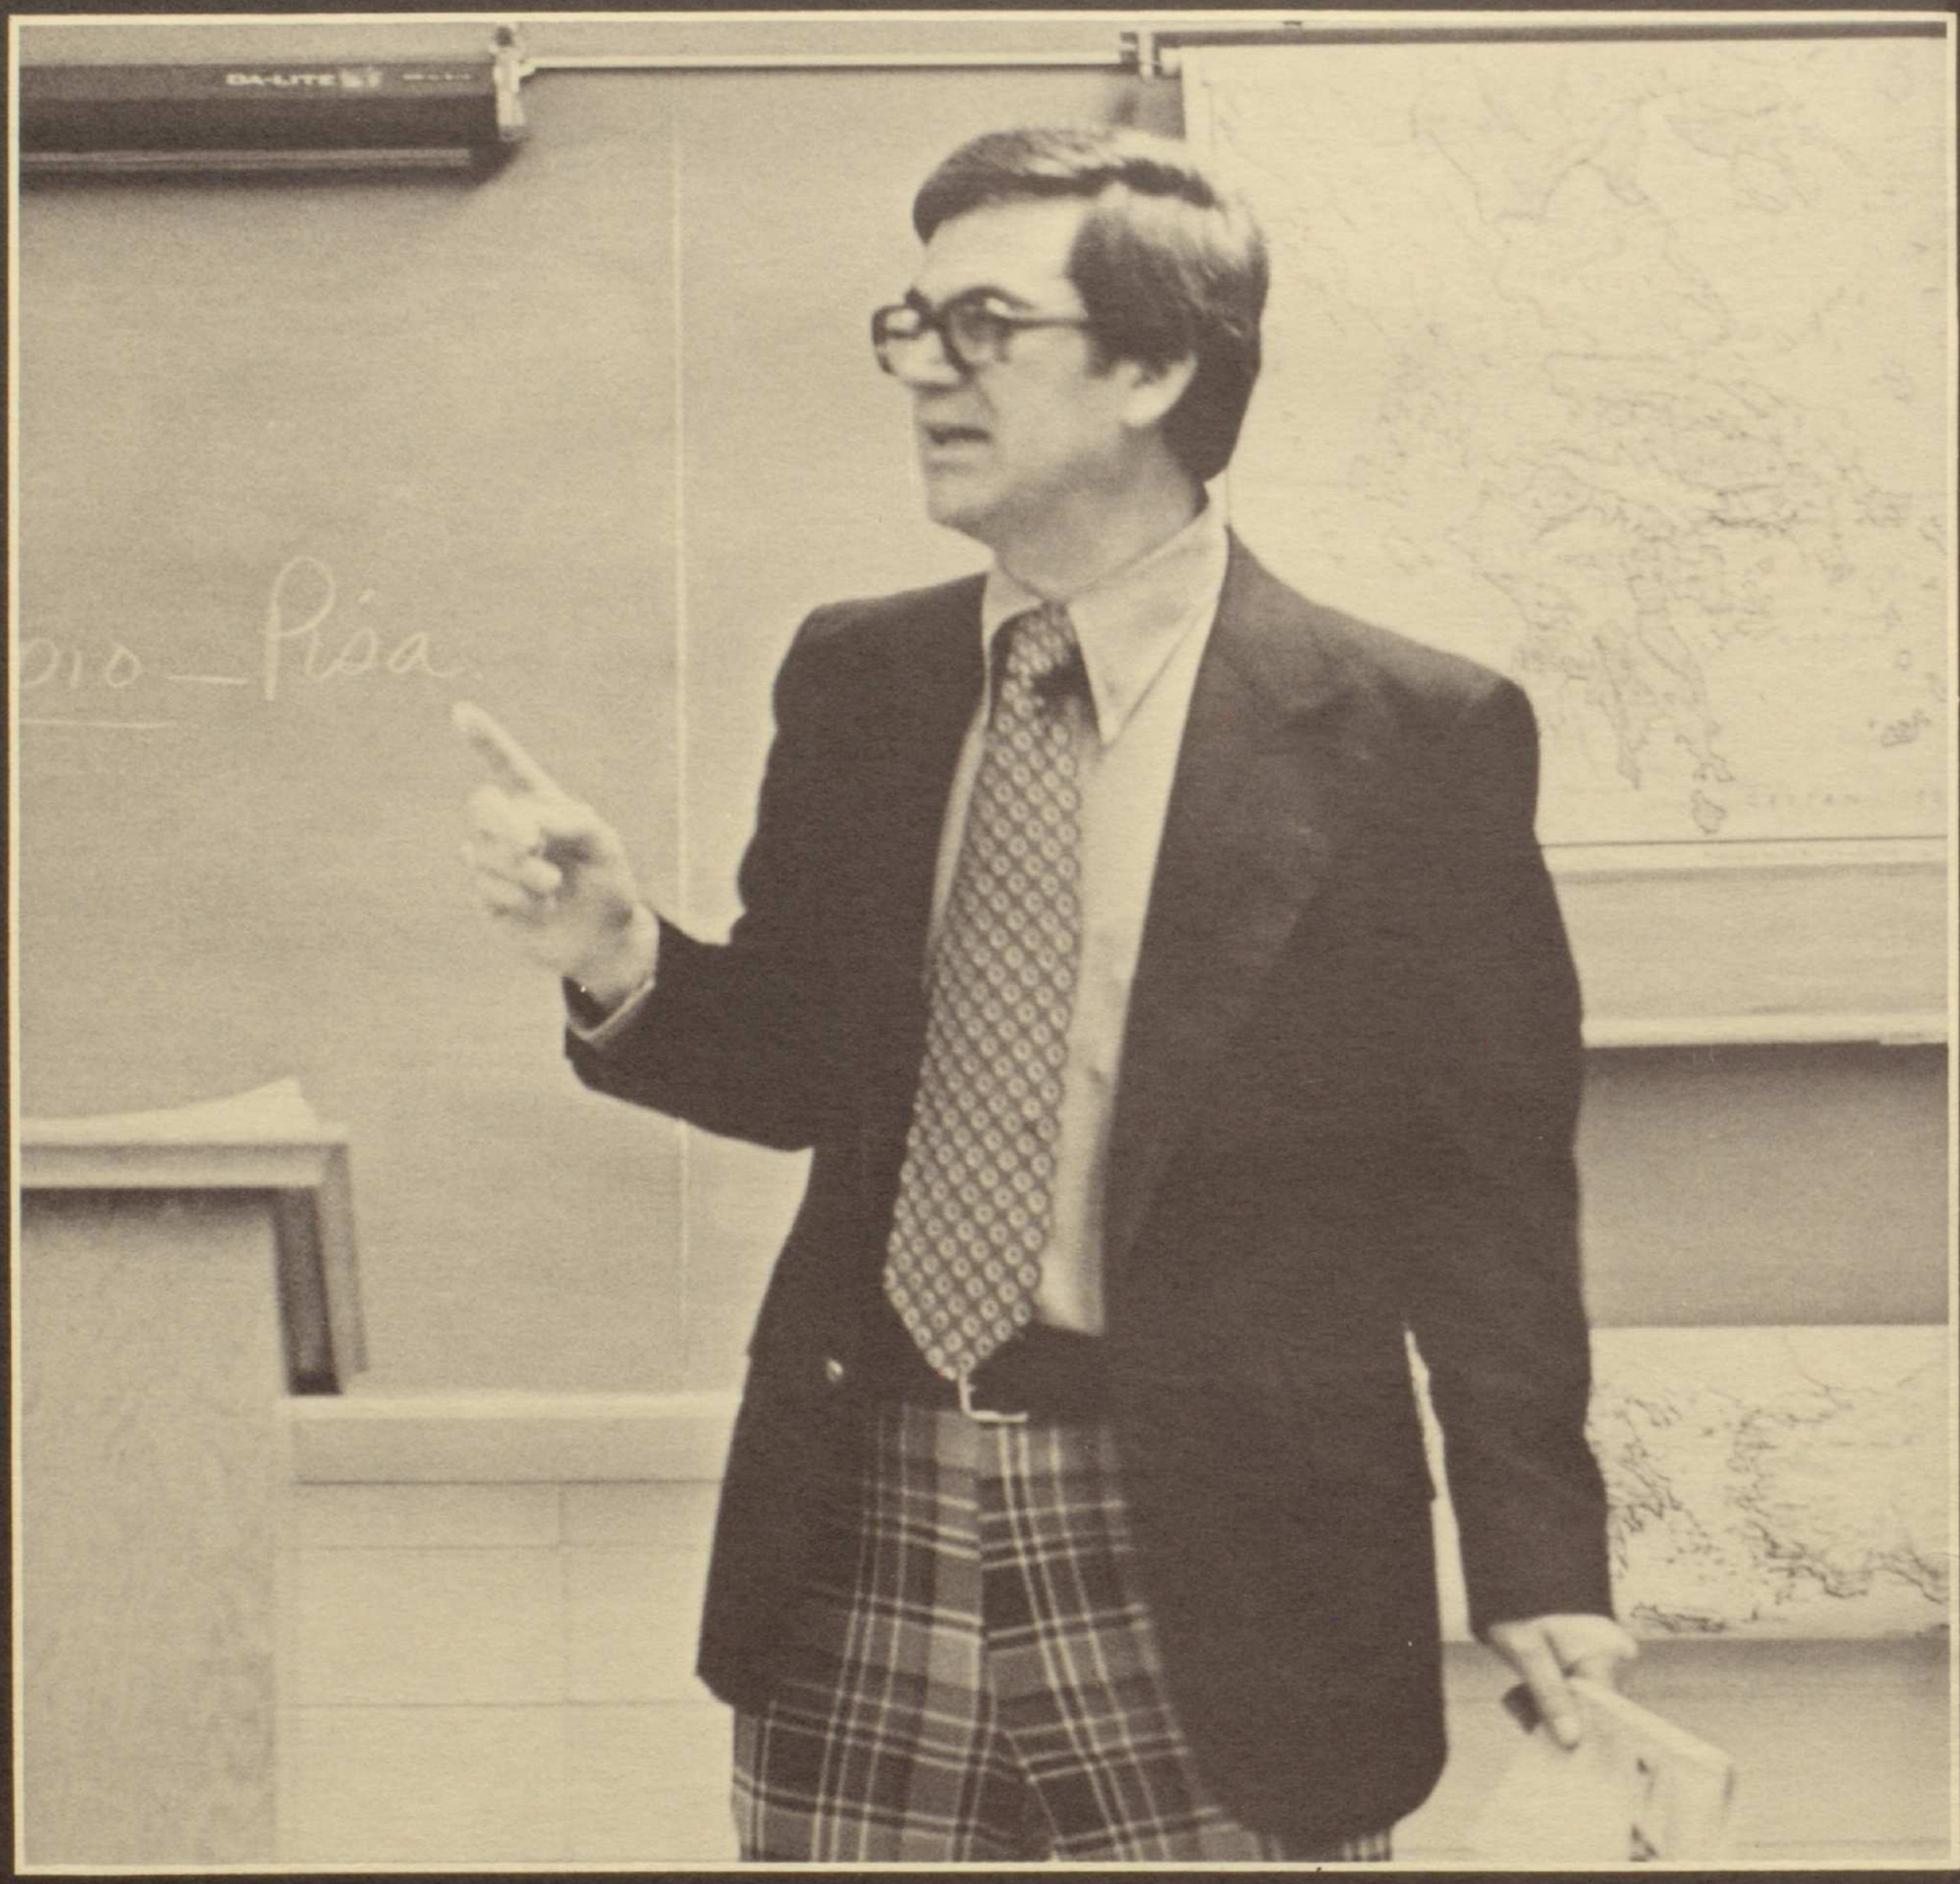

Sorry to interrupt you during this big time in your life, but please bear with some people who've been there and know. We are the great class of 1977, the biggest and best class ever to come out of Worthington. Remembering back to that final high school year we first came across you — just starting the long road of the twelve-year journey. Think back to your kindergarten days, back when you were five years old and the biggest thing in your life was nappy time with a graham cracker (oh, we forgot, that's still important up through the sophomore level). Well, it was during that winter, the winter of the century, that we met you. No matter how many pairs of long johns we wore or trips to Knapps or Wine-arts we made we still could not warm our buns. We had always said that school wouldn't close until hell froze over, and we were right. Satan got his bags packed in a hurry and made the Mass Migration to Worthington's Fort Lauderdale Southern Alternative Program. Believe me, many alternatives were available, including "sunstroke methods and treatment", "201 Amusing Highway Games", and "How to get Noticed on the Beach", to mention a few.

It was during this time that you made your first appearance on the hallowed "Main Campus" grounds. The building was ready for you, in fact the teachers had practiced talking down to us for years now. We're sure the librarians were caught off guard when you were able to walk under their expensive fail-safe security system.

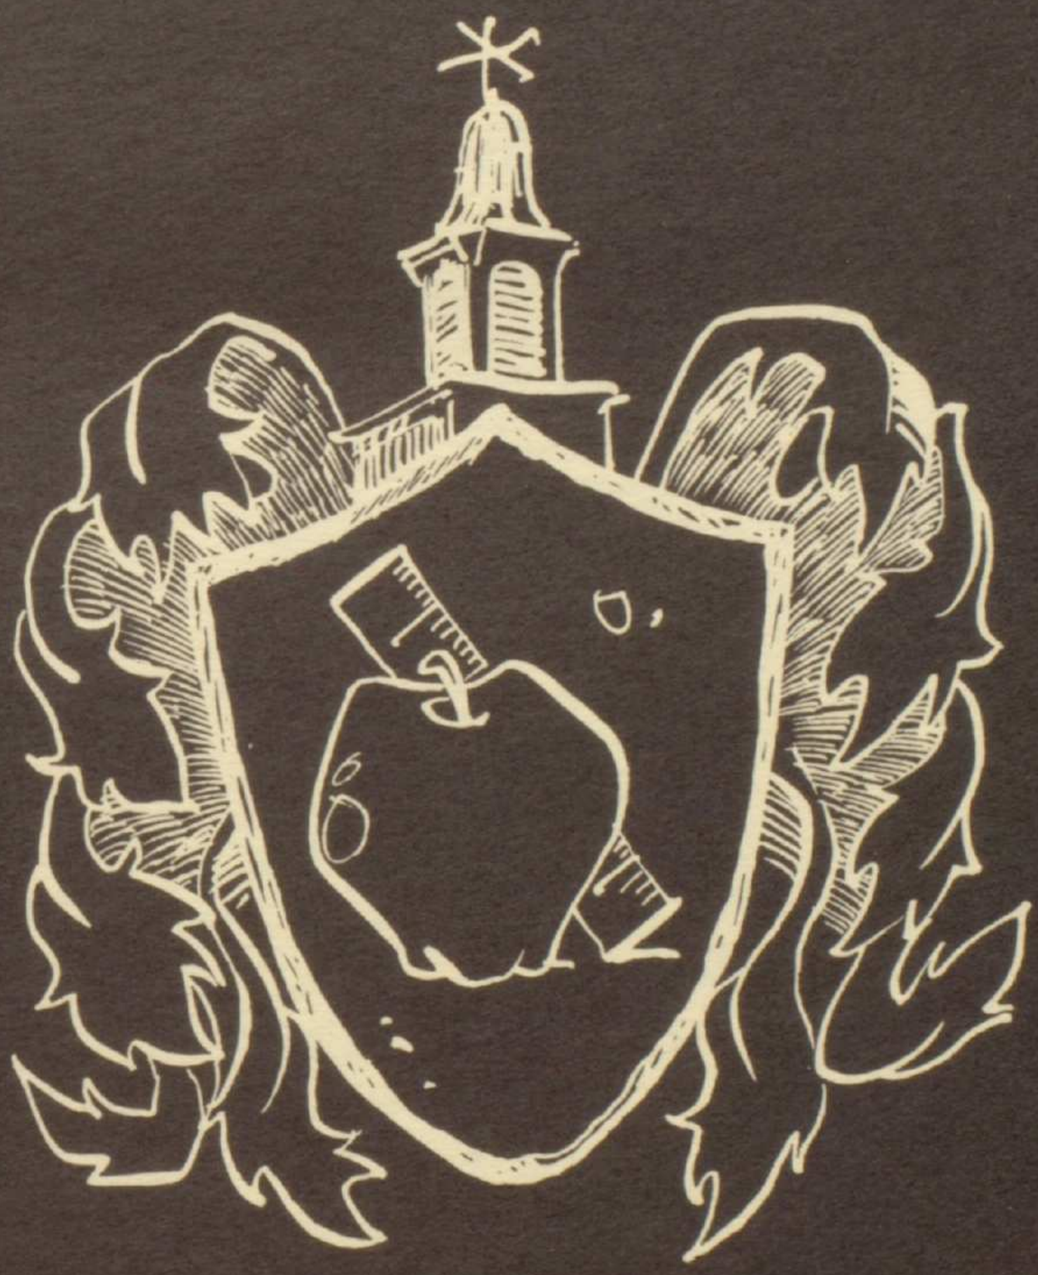

Well, now you are there — it's the clubhouse turn with Commencement on the home stretch. With college acceptance and concern for grade points behind you, terminal senioritis sets in. The mad Prom rush excites this condition, on which Mr. Pees has surely given his two cents. Some advice for this period: be nice to the people with the right kind of I.D., they can come in very handy.

Reminiscently,

The 1977 Graduating Class

adapted rather quickly to the new surroundings of main campus. They seemed to be steadily progressing through reports in health, traffic surveys, and the noncompos jokes from the upper classmen that are seemingly a part of being a sophomore. Most everyone had a great year and we all struck it rich when our lucky number — 16 — rolled around.

CHIVALRY

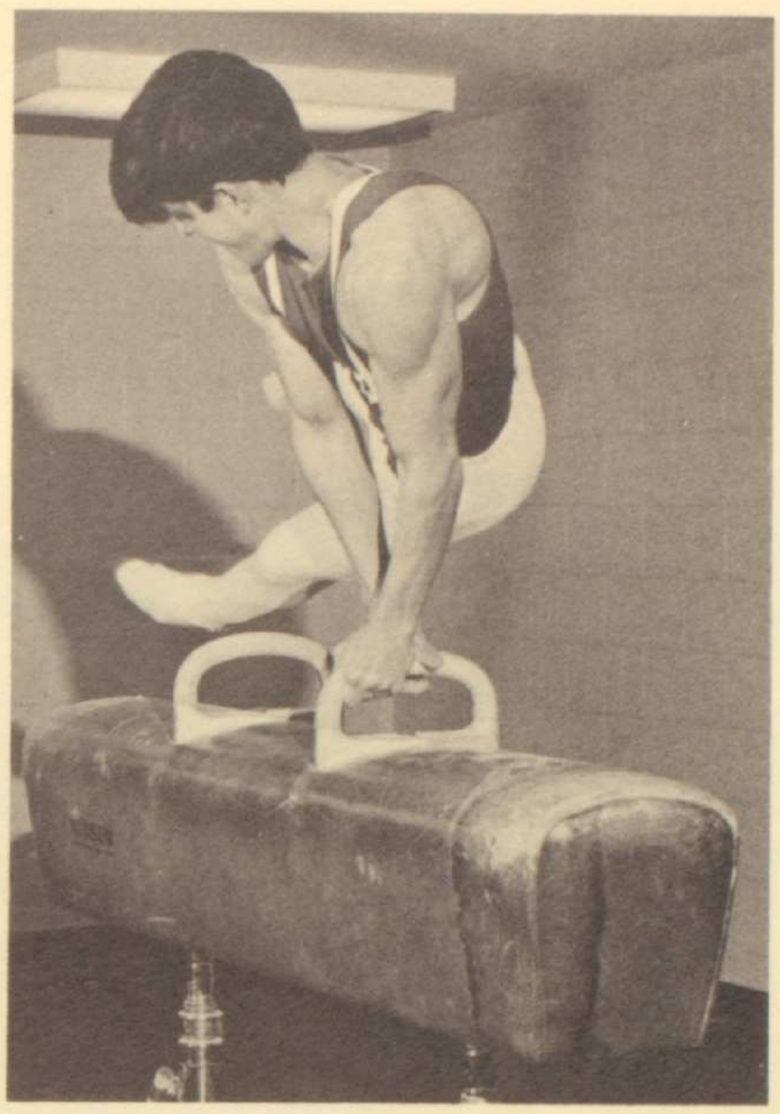

...all for one, one for all, that is our device.....

In the days of knight errantry and the pursuit of meek maidens stood Chivalry, the code of morals for knighthood — the ideal qualities that were expected from each warrior. In the battle of sports this year, all of Worthington's sports teams displayed these sought-after characteristics.

ABILITY

Perhaps the fair maidens of the medieval times did not prove their abilities by participating in sports, but this year's Softball team certainly showed a power to perform. Each girl played to the best of her ability. Although the season was discouraging, the young team has great hopes for success next year.

ACCURACY

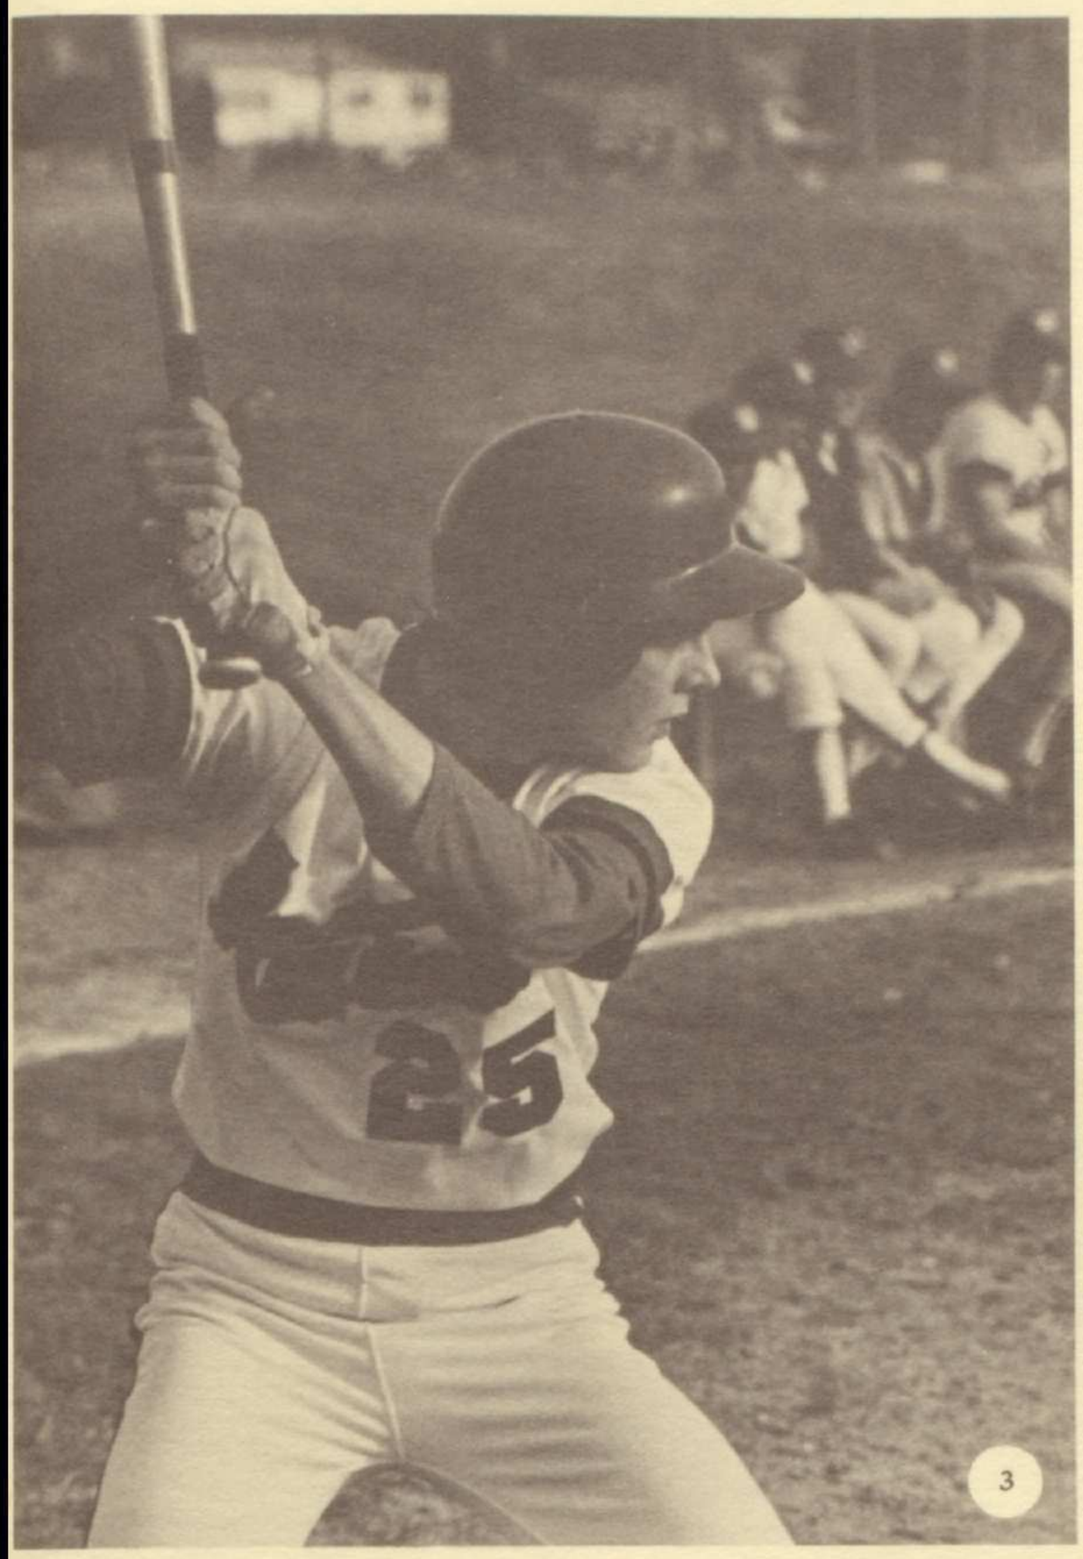

Precision and accuracy are needed to make exact pitches, catches, and hits in baseball, and this year's Baseball team used theirs. After a challenging season, they ended with a good record. The young team shows promise for next year.

AUDACITY

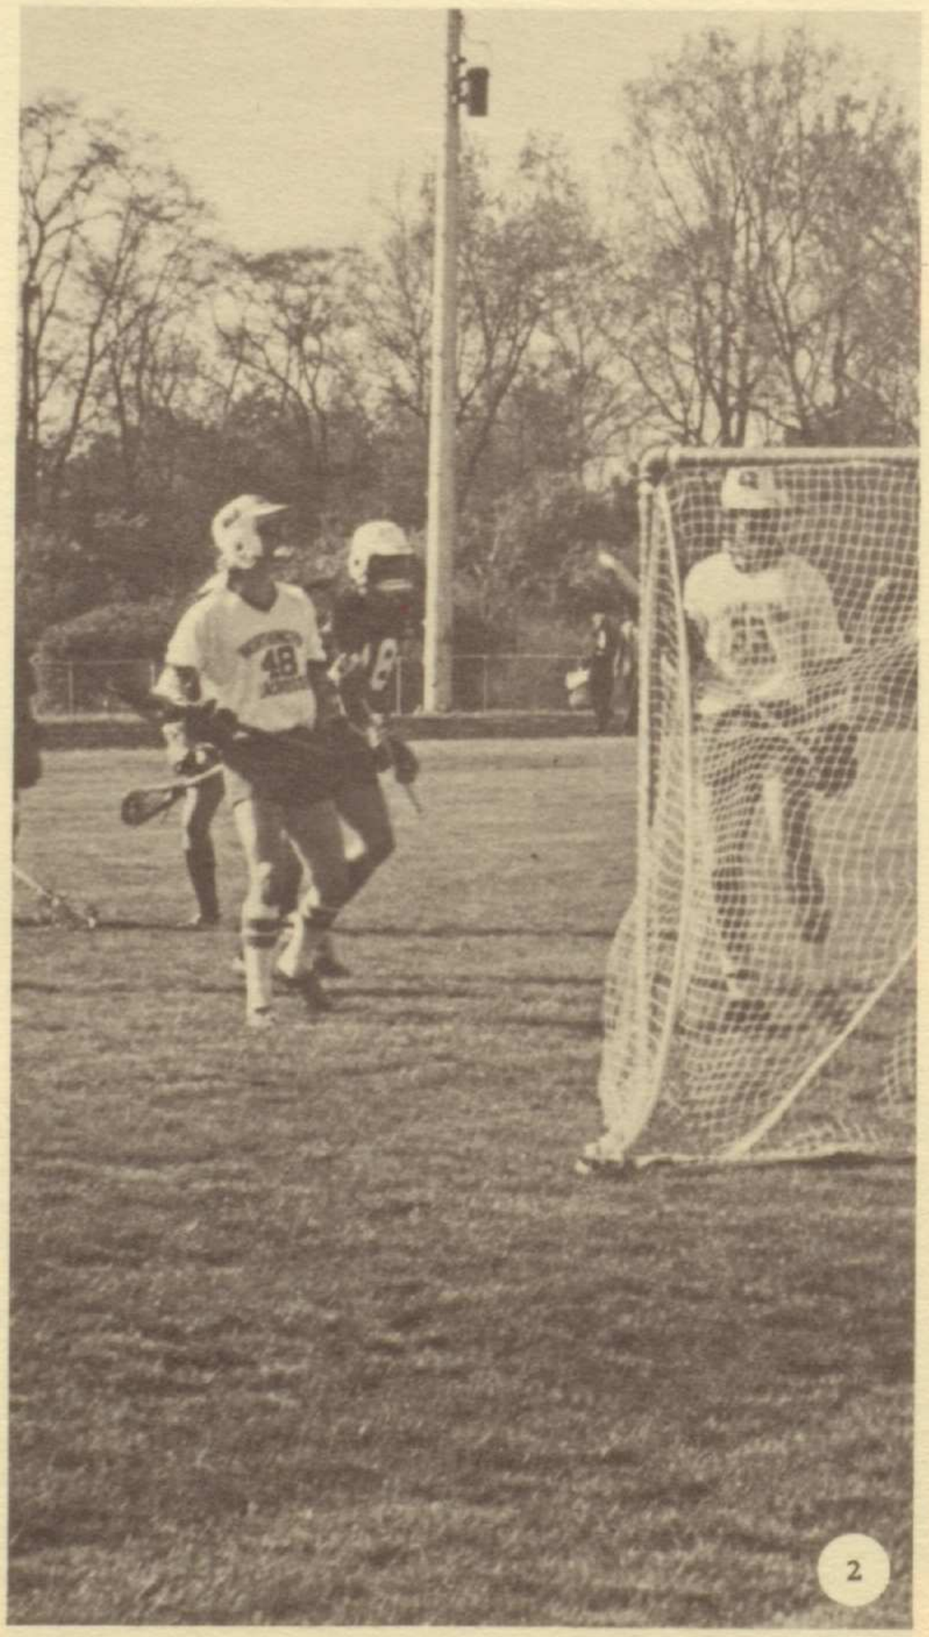

With spirited daring, the Girls Lacrosse team got the best of opposing teams. Their audacity carried them all the way to the Mid-West Lacrosse Finals, where they became co-champions.

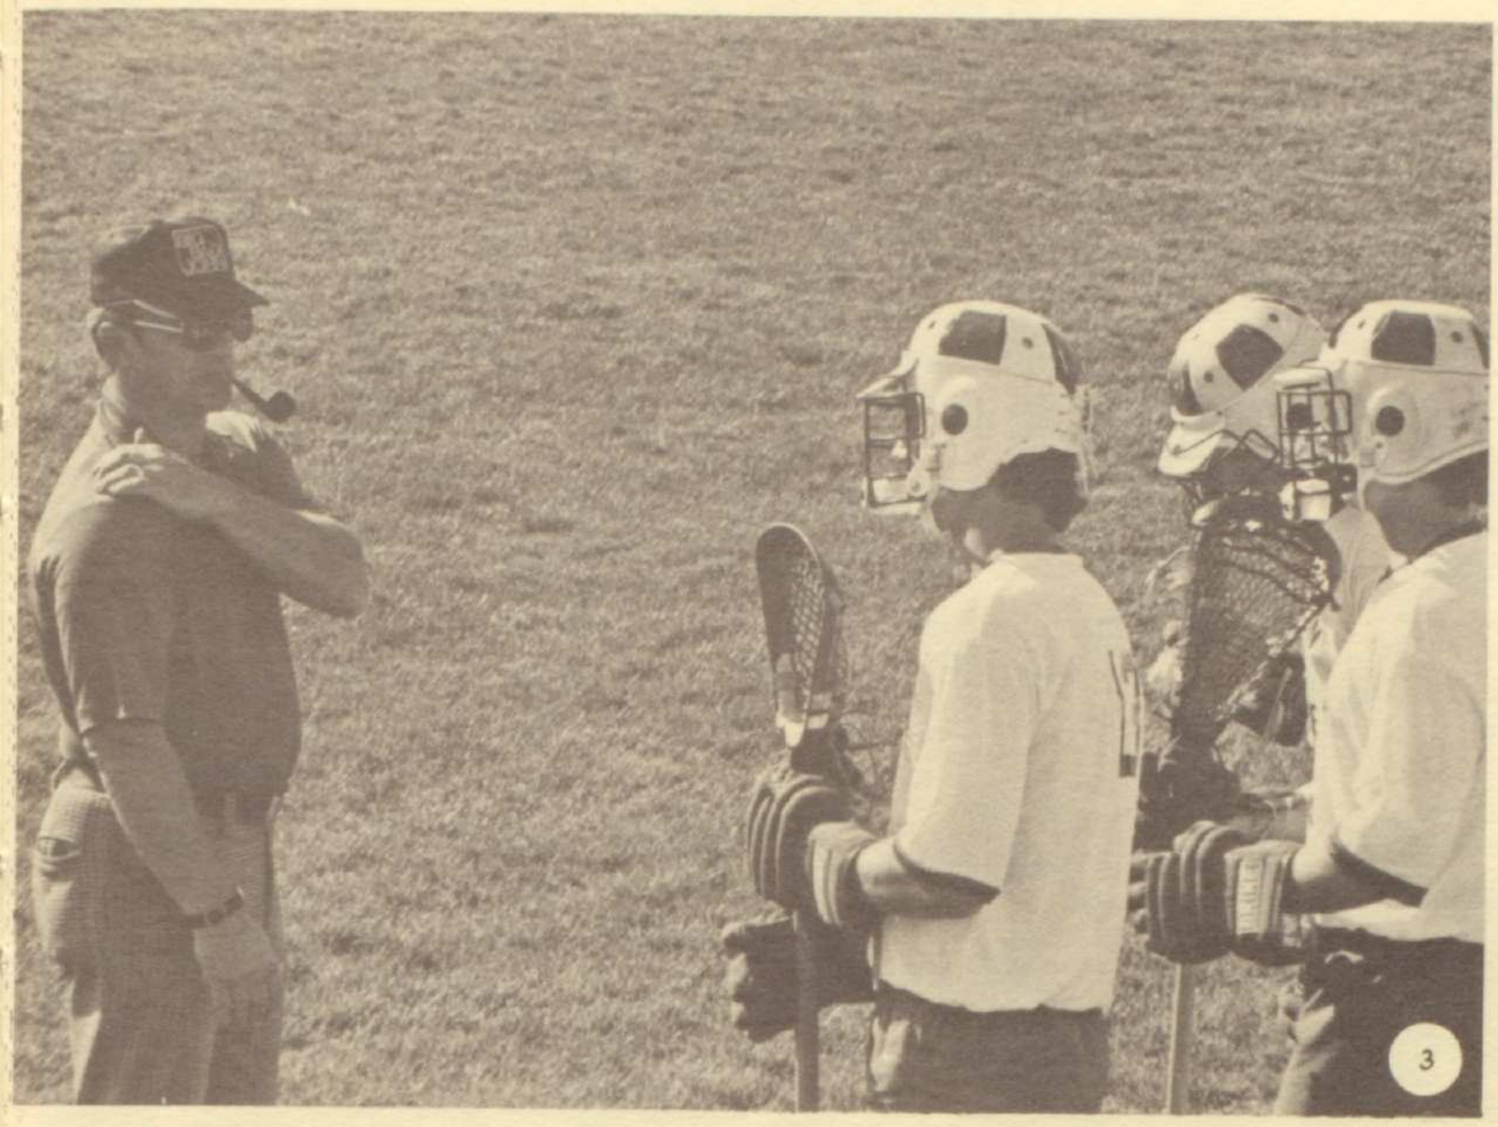

1

With a daring disregard of danger, the Boys Lacrosse team met each game with confidence and self-assurance. The strong team travelled far to many games, and their name went far, too, as they won the Mid-West Lacrosse Association championship.

COURAGE

The girls gymnastics team displayed courage in many situations this year. COURTESY

While playing on the courts, the Girls Volleyball team offered a bit too much courtesy in games played with other teams. They were successful, though, as they earned third place in the League. In the OCC, Sara DeBoer gained honorable mention, and Laurie Swiger made all-OCC team.

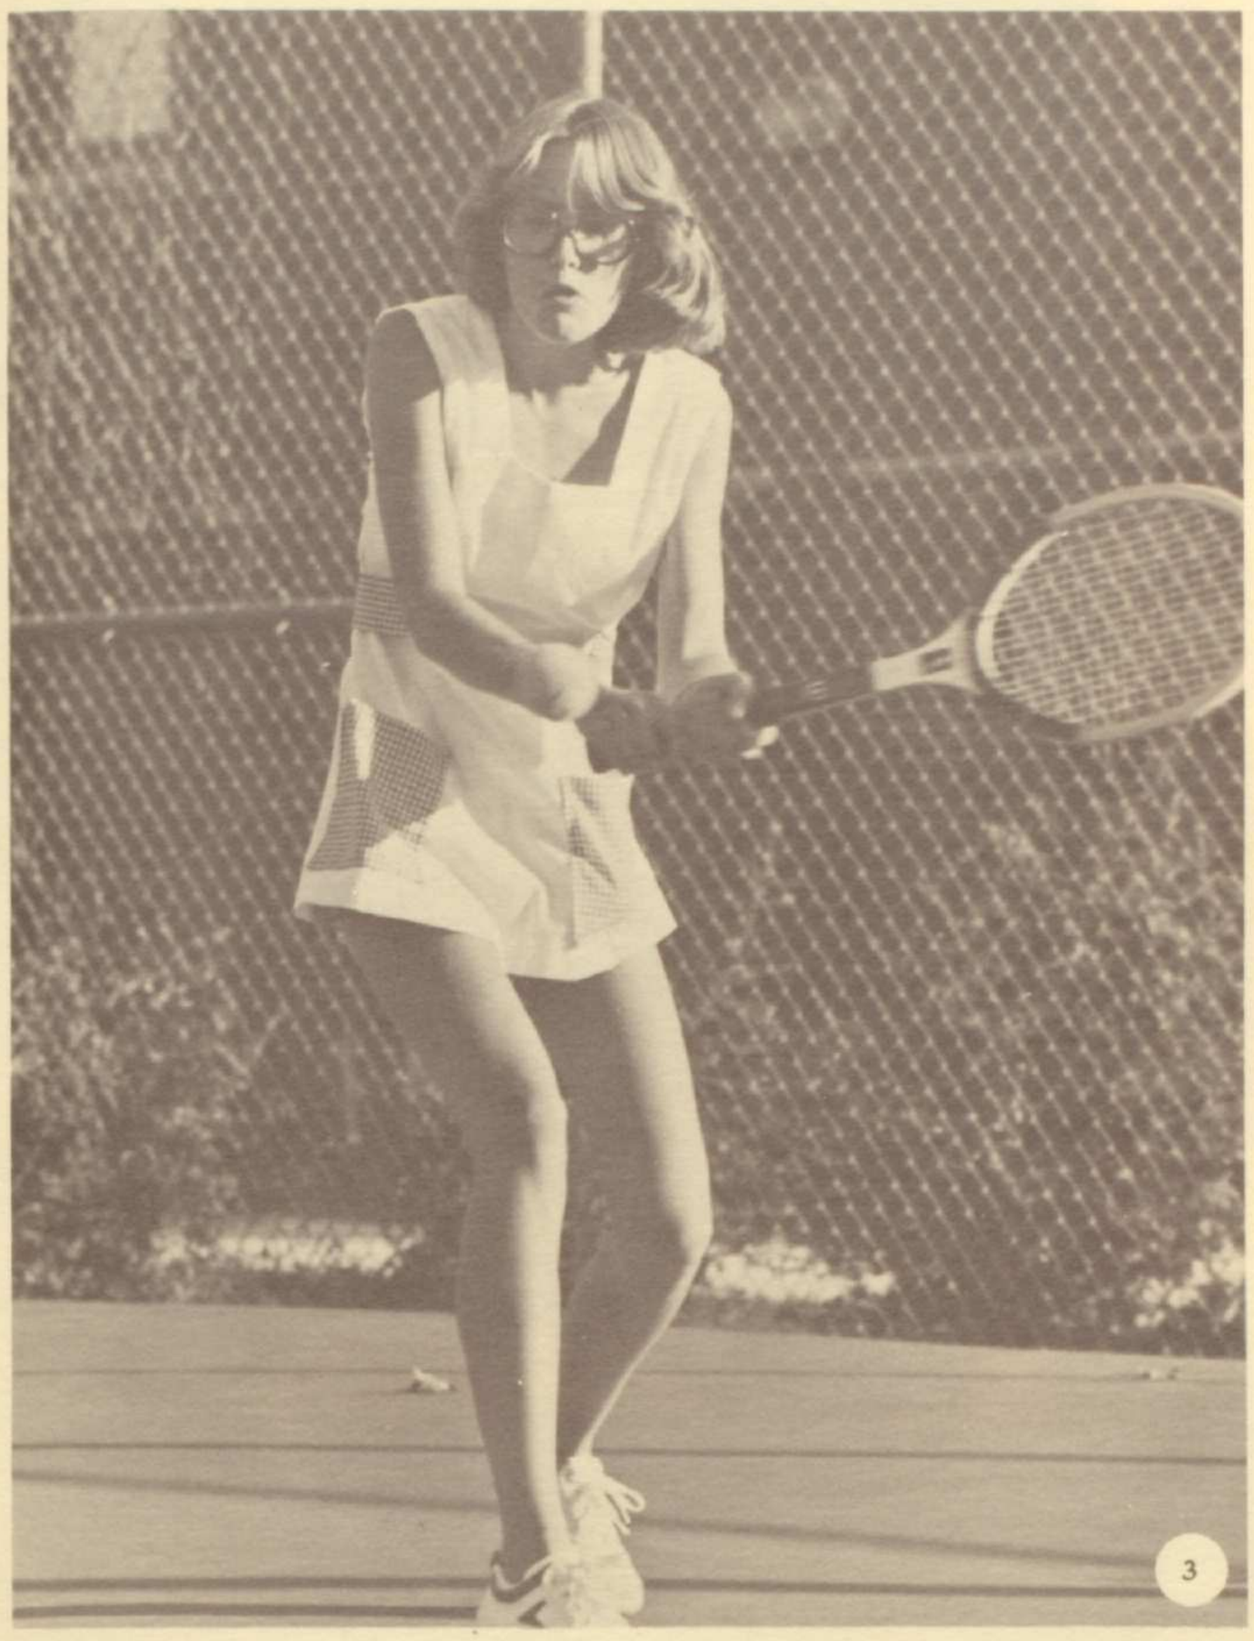

1

COURTLINESS

The Girls Tennis team, a group of dynamic "ladies of the court", really packed a punch this year. They became the OCC champs, with many team members winning the highest titles. Betsy Gast won the singles title in the OCC; Cindy Sperling and Jenny McGann won the doubles title. Betsy Gast and Carolyn Paxton went on to win the districts.

On the courts, the Boys' Tennis team beat their adversaries in a dignified and "court"ly way. Under Coach Neil Walter's direction, they finished the season on top, with Tim Young and Glenn Haller winning the OCC doubles, and Captain Charles Douglas winning third place in the state match.

4

...a hard beginning maketh a good ending...

ENDURANCE

With the knightlike quality of endurance, Worthington's Cross Country Team outlasted their opponents to the finish. This endurance gained for them 4th place in the District, 2nd place in the Sectionals, and 1st place in the OCC.

FAITHFULNESS

Faithfulness is a knightlike virtue that the Girls Track team had to have to succeed during their season this year. Steady practice, to build their stamina and endurance, paid off for them as they ended with a basically good record of wins.

Taking all of its track meets in stride, the Boys Track team was faithful in practice and competition throughout the spring season. Each team member seemed devoted to the sport, not only during their victories, but during their losses, as well. Bob Stainbrook broke the school record in the 440, and placed third in this event in the state meet.

The Boys Soccer team played all of their games with a skillful finesse, not unlike the knights of yore. The accuracy of their passes and maneuvers was a true sign of their skill. Worthington's kickmen should be commended for their talent.

Fall Play

"The Night Thoreau Spent in Jail"

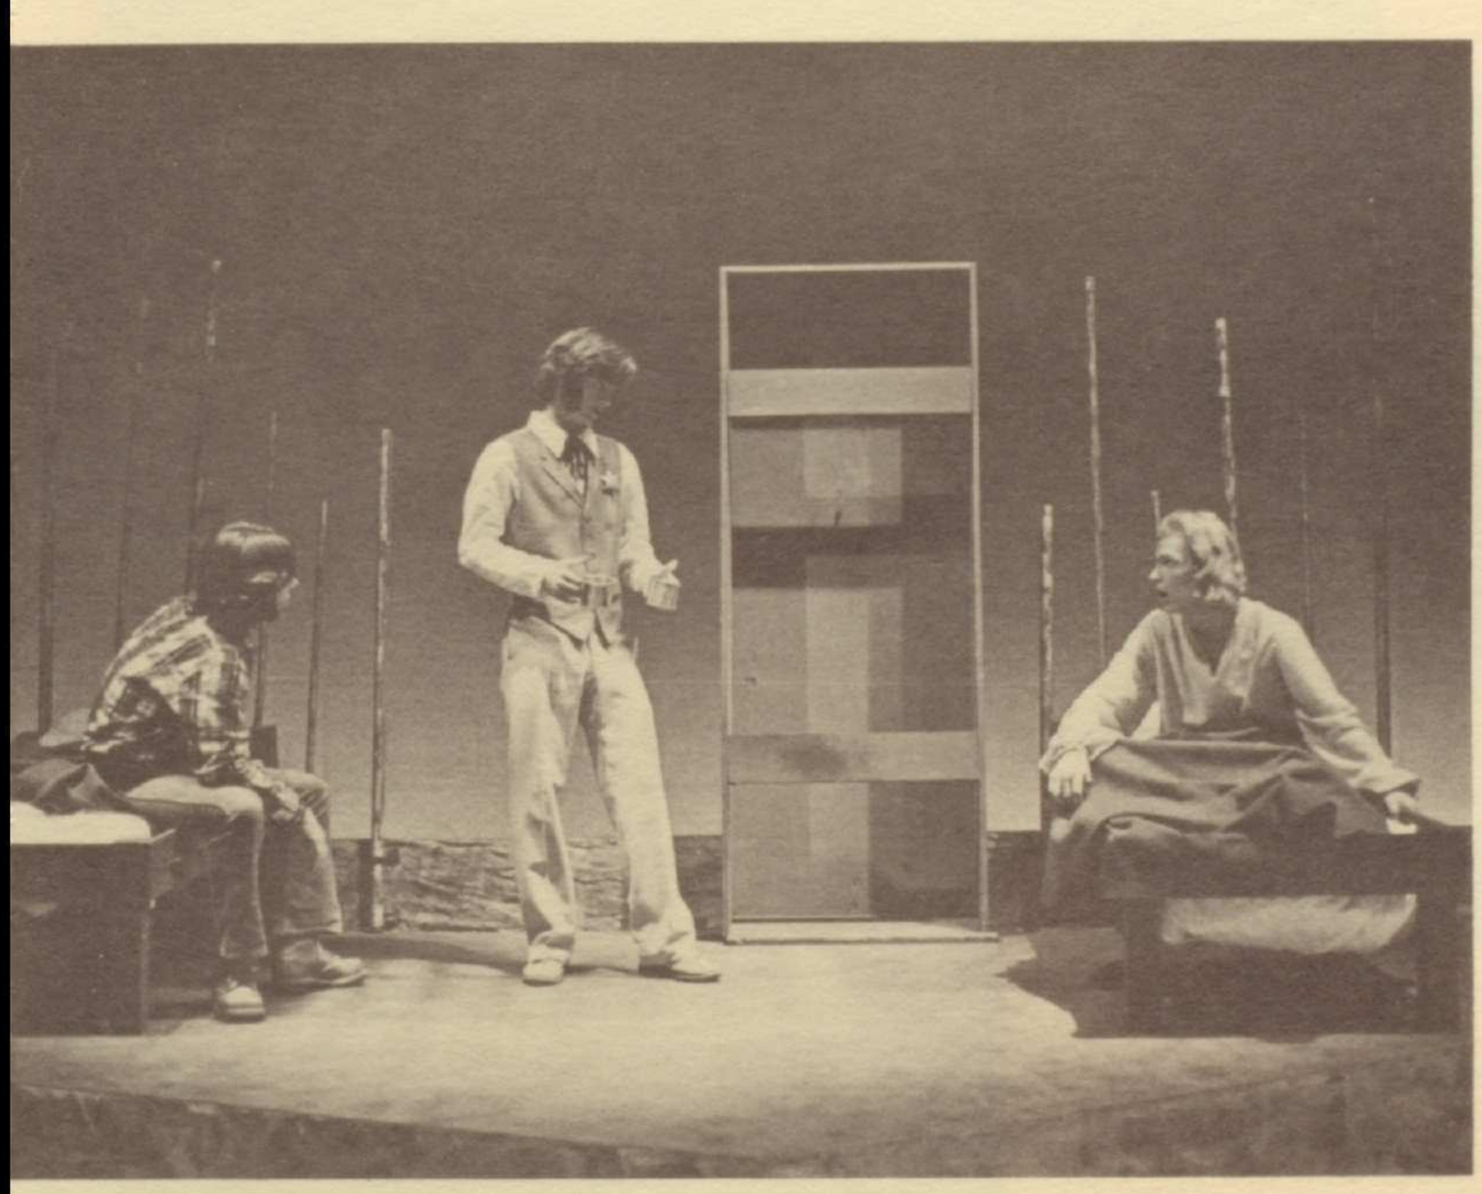

Worthington High School had a very successful opening of their new auditorium on December 2. "The Night Thoreau Spent In Jail" was presented by the Thespians with Mike Weld, Jim Kammerud and Jeff Smith in the leading roles. The event was an especially gala one as we were priviledged to have with us the playwrights, Jerome Lawrence and Robert E. Lee. A banquet was held in their honor on opening night. Special thanks to Mrs. Bronwynn Hopton for all of her outstanding efforts in directing this play.

EDUCATIONAL GUILDS . . . . Student Serfdom

E.L.P.

E.L.P. stands for Emergency Learning Program. It was enacted when Columbia Gas curtailed its supply of gas to schools during Ohio's cold spell. The Worthington School System pooled all their gas alotments in order to keep W.H.S. continually heated. E.L.P. allowed students from all Worthington schools to attend shortened classes at W.H.S. on their specific day each week. E.L.P. provided education while many other Ohio schools closed.

Along with the shortening of the school day came the shortening of lunch periods into the unpopular nutritional breaks. W.H.S.'s small gas alotment also cancelled or postponed some of its activities. The Winter Carnival and the Valentine's Dance were not held.

SENIORS...

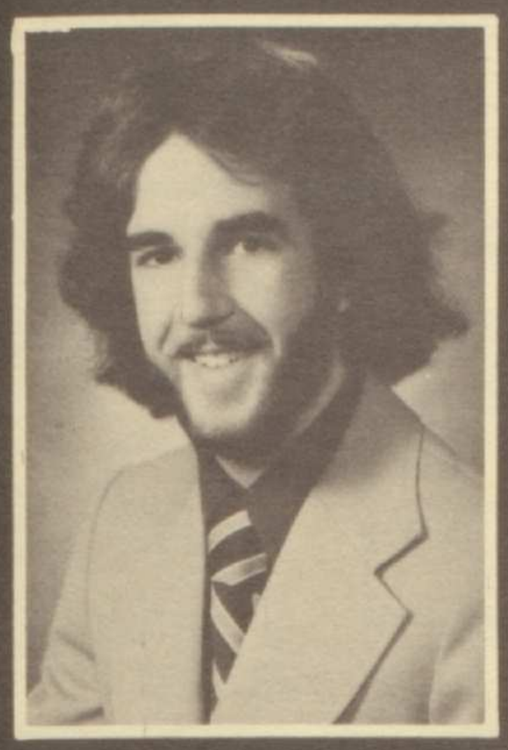

Do It became the slogan for our Senior T-Shirts this year, which in itself should exemplify the daring of this year's graduating class. This class will be remembered for bringing rock painting back into the limelight, many a Senior's reputation being brought down by statements made on WHS's marquee. The class will also be remembered for many surprise parties that weren't surprises, for our famous Senior drink — the Hairy Buffalo, for our fantastic Friday lunches, for a classy sendoff from the juniors in the form of an excellent prom, and a year with the fewest days ever because of the fuel crisis. But the Senior Class of '77 will be remembered best as a group of diverse students who came together to make the 1976-1977 school year worthwhile because we Seniors lived up to our reputations of doing it best, and made '77 **The** Year.

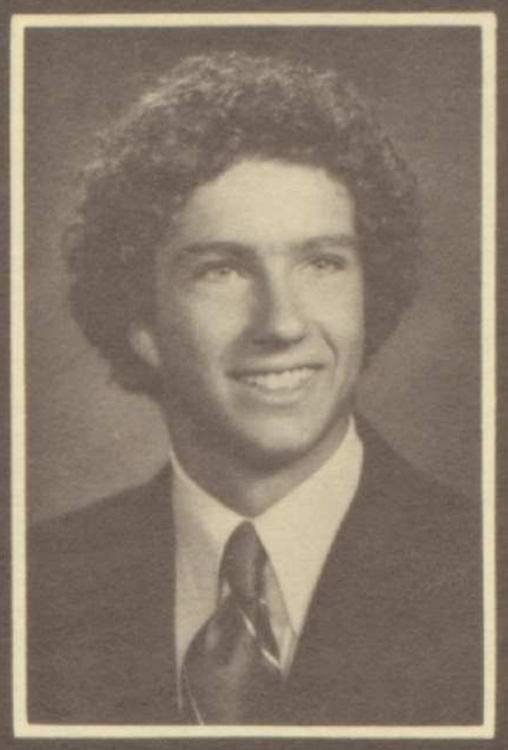

NO MORE POINT SYSTEM • NO MORE ALLOWANCE -- WAIT A MINUTE!• MAYBE I'LL COMMUTE!

She ran like a deer
She ran with some strife,
Without caution or fear,
Down the path they call life.

She ran even faster as she
neared the gate;
For she never tired, never grew
sore.
She had a date with the one
called fate,
And the young girl runs no
more.

set thy foot; and go forth

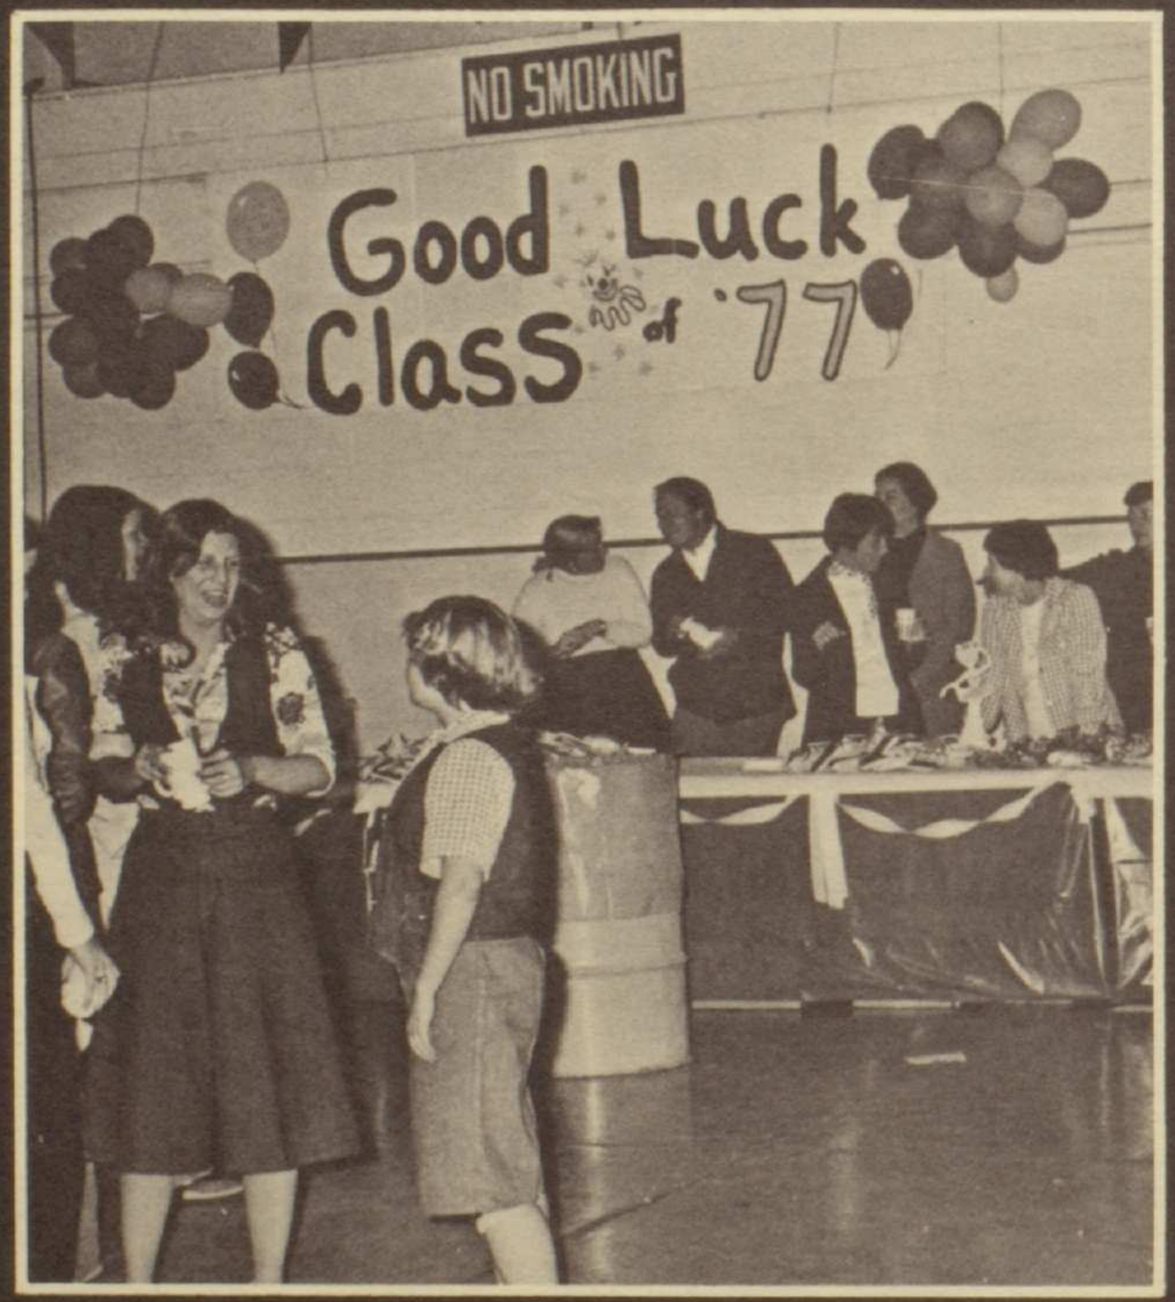

As commencement time drew near, all the excitement seemed to come to a climax for the few remaining days of the Class of 1977. The Senior Farewell Assembly was the best yet, with Gimbies, tricycle races and the added addition of the TMKB making a somewhat "unusual" entrance in two chauffered limosines and a motorcycle escort. The traditional decorations of the school involved more than 150 rowdy Seniors.

Our last few days saw smiles and tears. Topped off with an evening of surprises at the Senior Recognition Assembly, and the actual Graduation Ceremony, we visualized the rewards of our long years of struggle and looked forward to our future "footprints in the sand."

The 1977 CARDINAL has meant a lot to this year's yearbook staff. After finally deciding on a good (??) theme we all got down to the real work. Throughout the year I have often felt that no one could sympathize with the amount of work that has to be done on a 304 page book unless they have done it themselves. From start to finish the process takes a full year, involving hundreds of hours and tremendous mental pressure.

The yearbook, however, is something very special to a great number of people. But furthermore, it becomes a part of the people who work on it. Being Editor this year has been not only a challenge, but also a very meaningful experience. I have had opportunities to work with administration, faculty, fellow students, and the community that I would have missed otherwise. My work on the yearbook was a major factor in making my senior year great. I only hope that you will like the book and appreciate all of our hard work.

CREATIVITY

The man who follows the crowd, will usually get no further than the crowd. The man who walks alone is likely to find himself in places no one else has ever been before.

Creativity in living is not without its attendant difficulties, for peculiarity breeds contempt. And the unfortunate thing about being ahead of your time is that when people finally realize that you were right they'll say it was obvious all along.

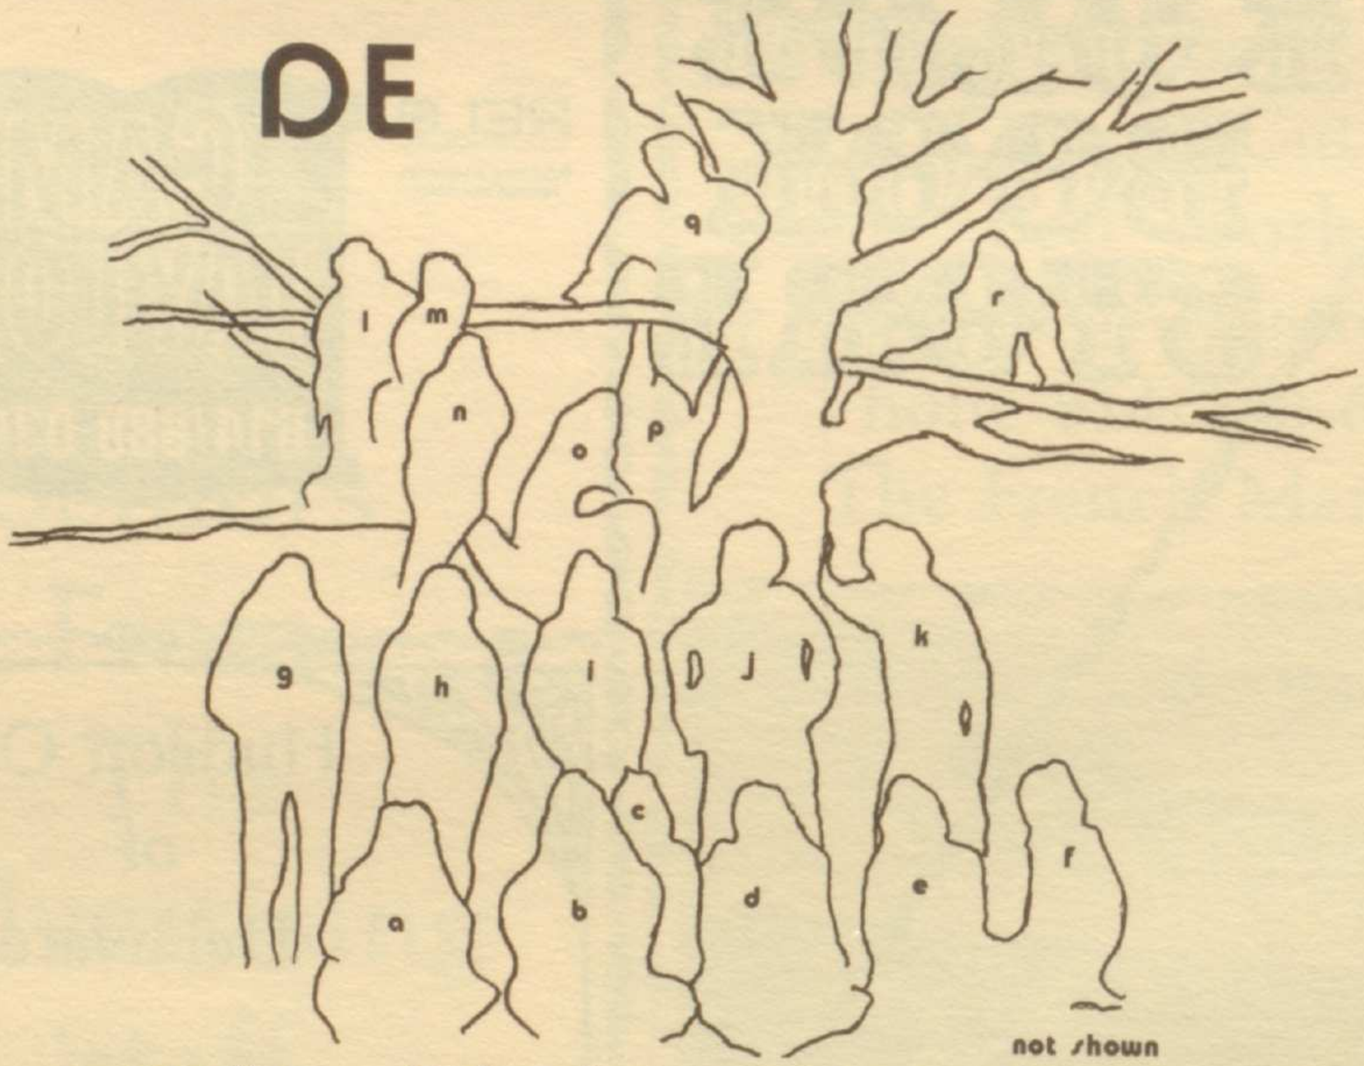

You have two choices in life: you can dissolve into the mainstream, or you can be distinct. To be distinct, you must be different. To be different, you must strive to be what no one else but you can be ....

And down in the canyon

The smoke starts to rise

It rides on the wind

Till it reaches your eyes

When faced with the past

The strongest man cries . . . cries

And here is a sunrise

To set on your sill

The ghost of the down

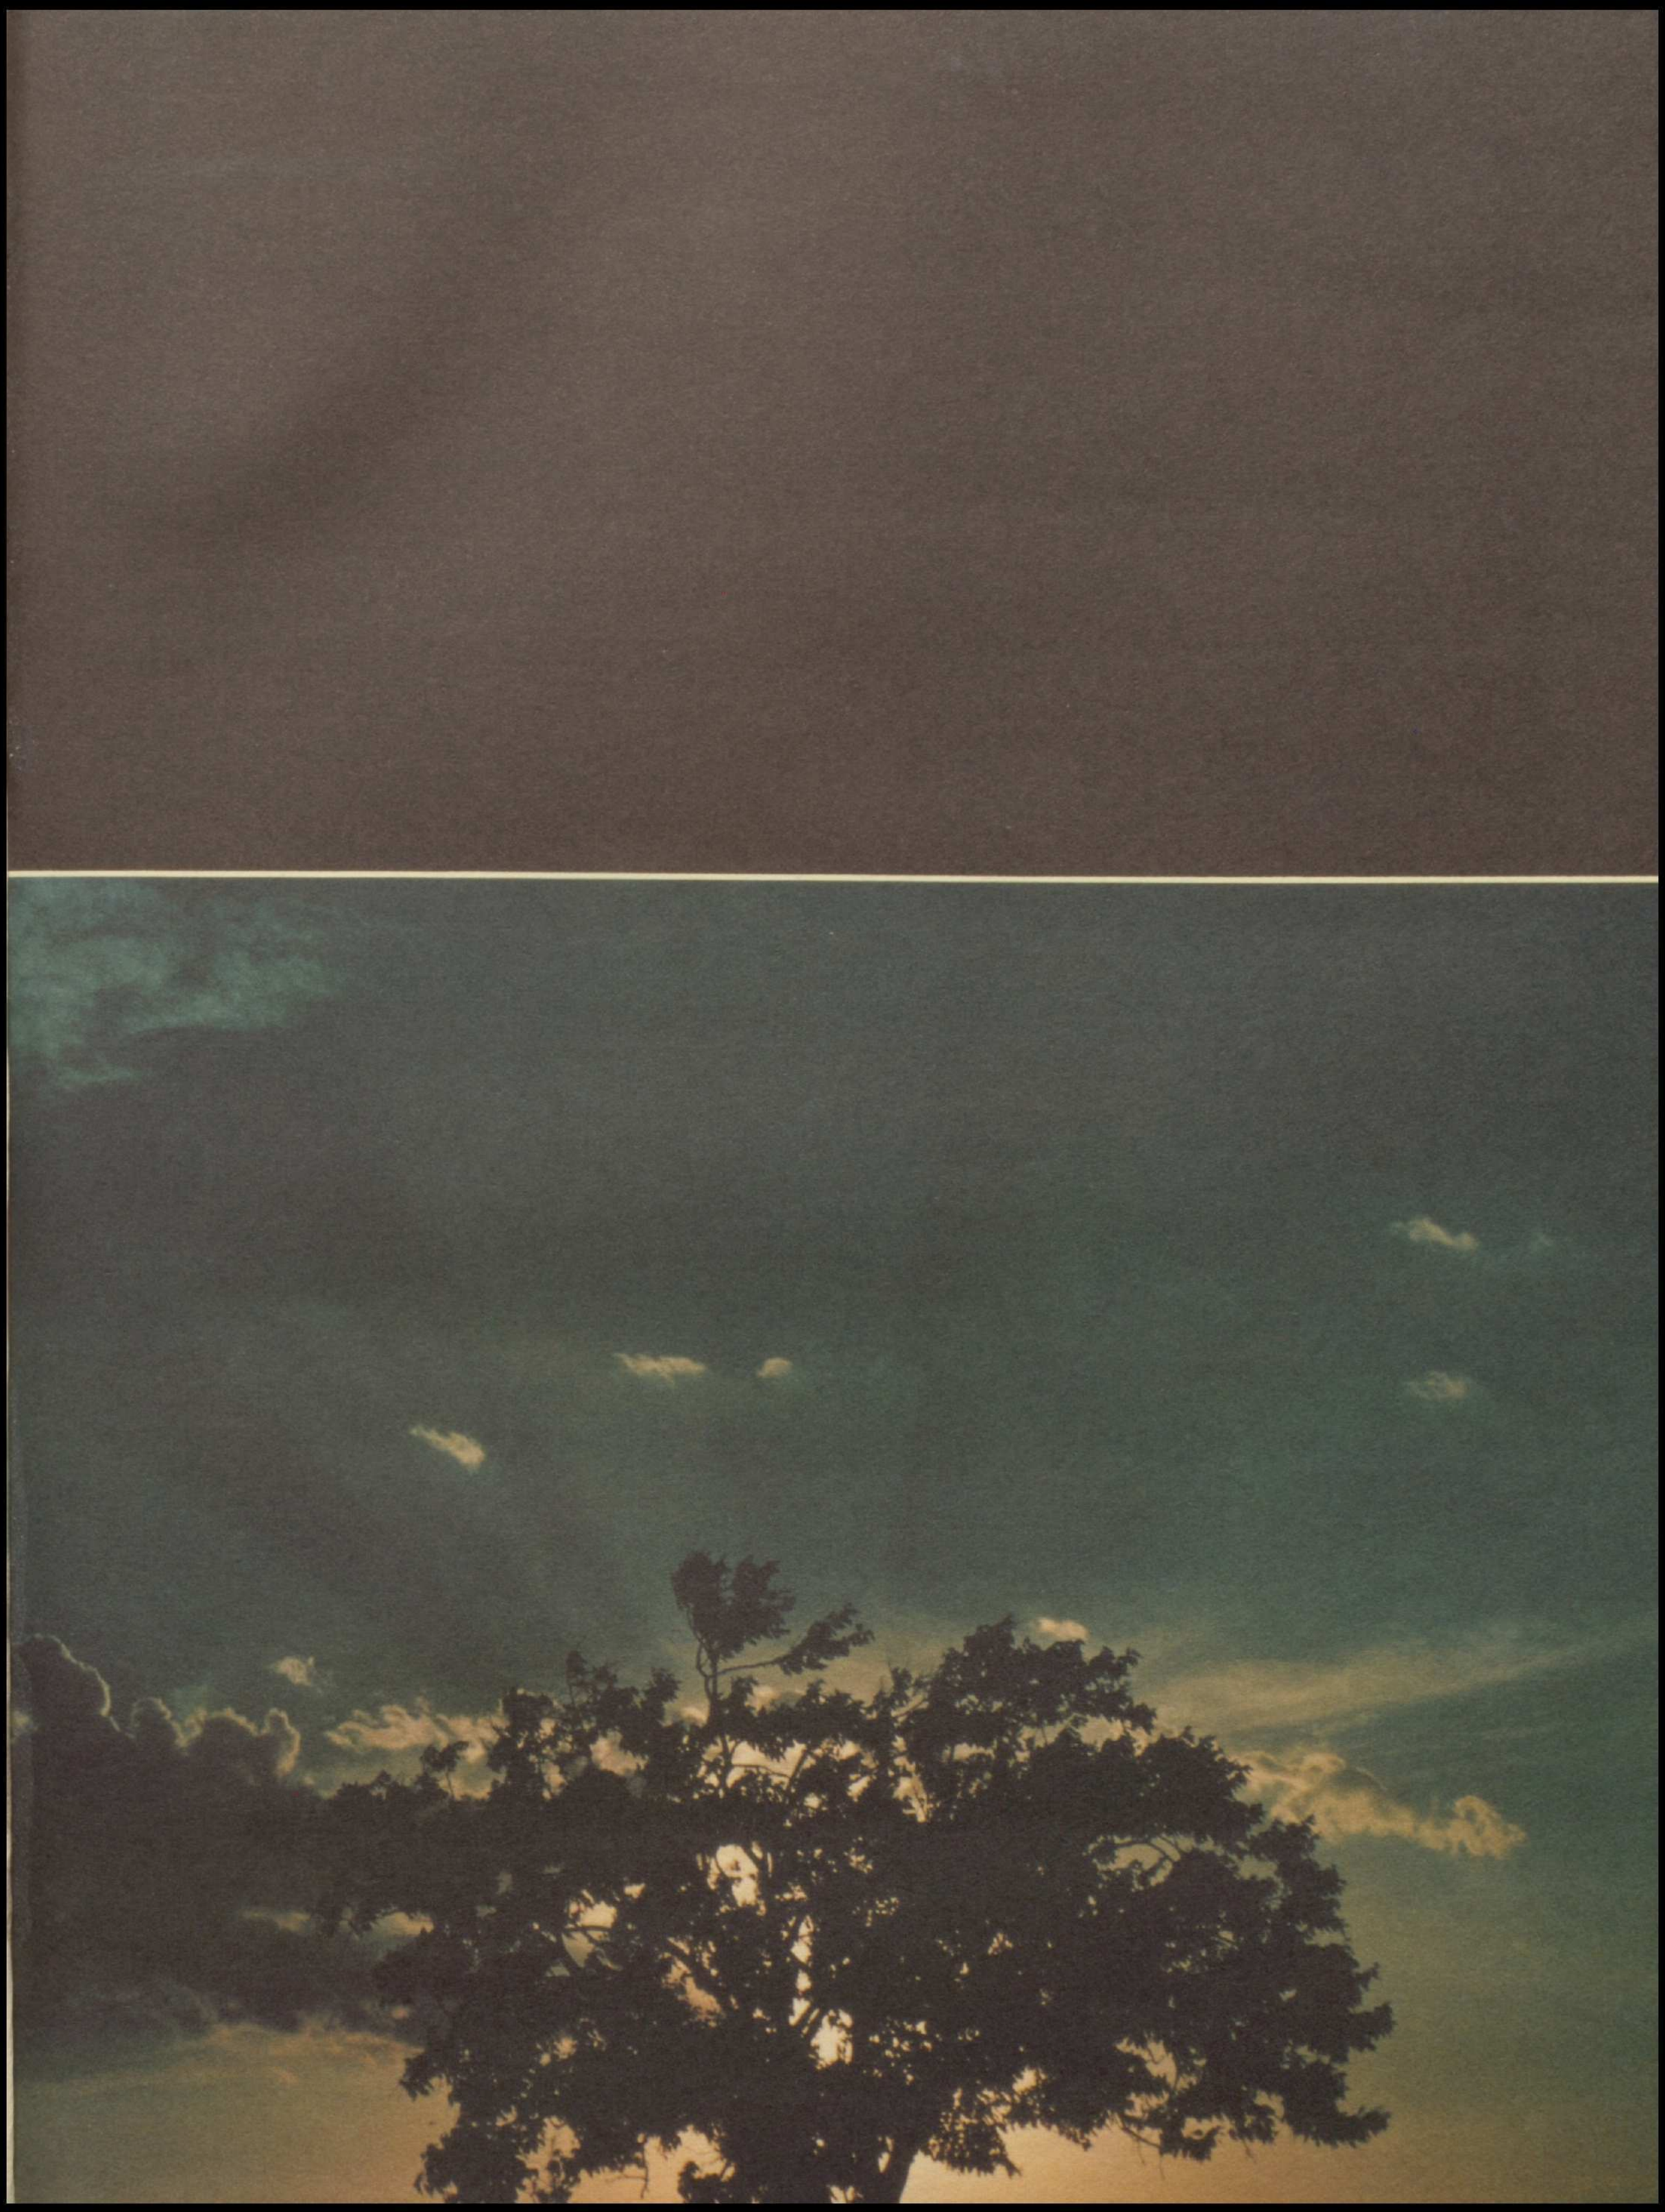

Moving near

They pass through your sorrow

And leave you quite still

Sitting among souvenirs.

Dan Fogelberg

What Is Love? 'Tis Not Hereafter;

Present Mirth Hath Present Laughter;

What's To Come Is Still Unsure.

In Delay There Lies No Plenty;

Then Come Kiss Me, Sweet And Twenty;

Youth's A Stuff Will Not Endure.

All the world's a stage,

And all the men and women

merely players.

They have their exits and their

entrances,

And one man in his time plays

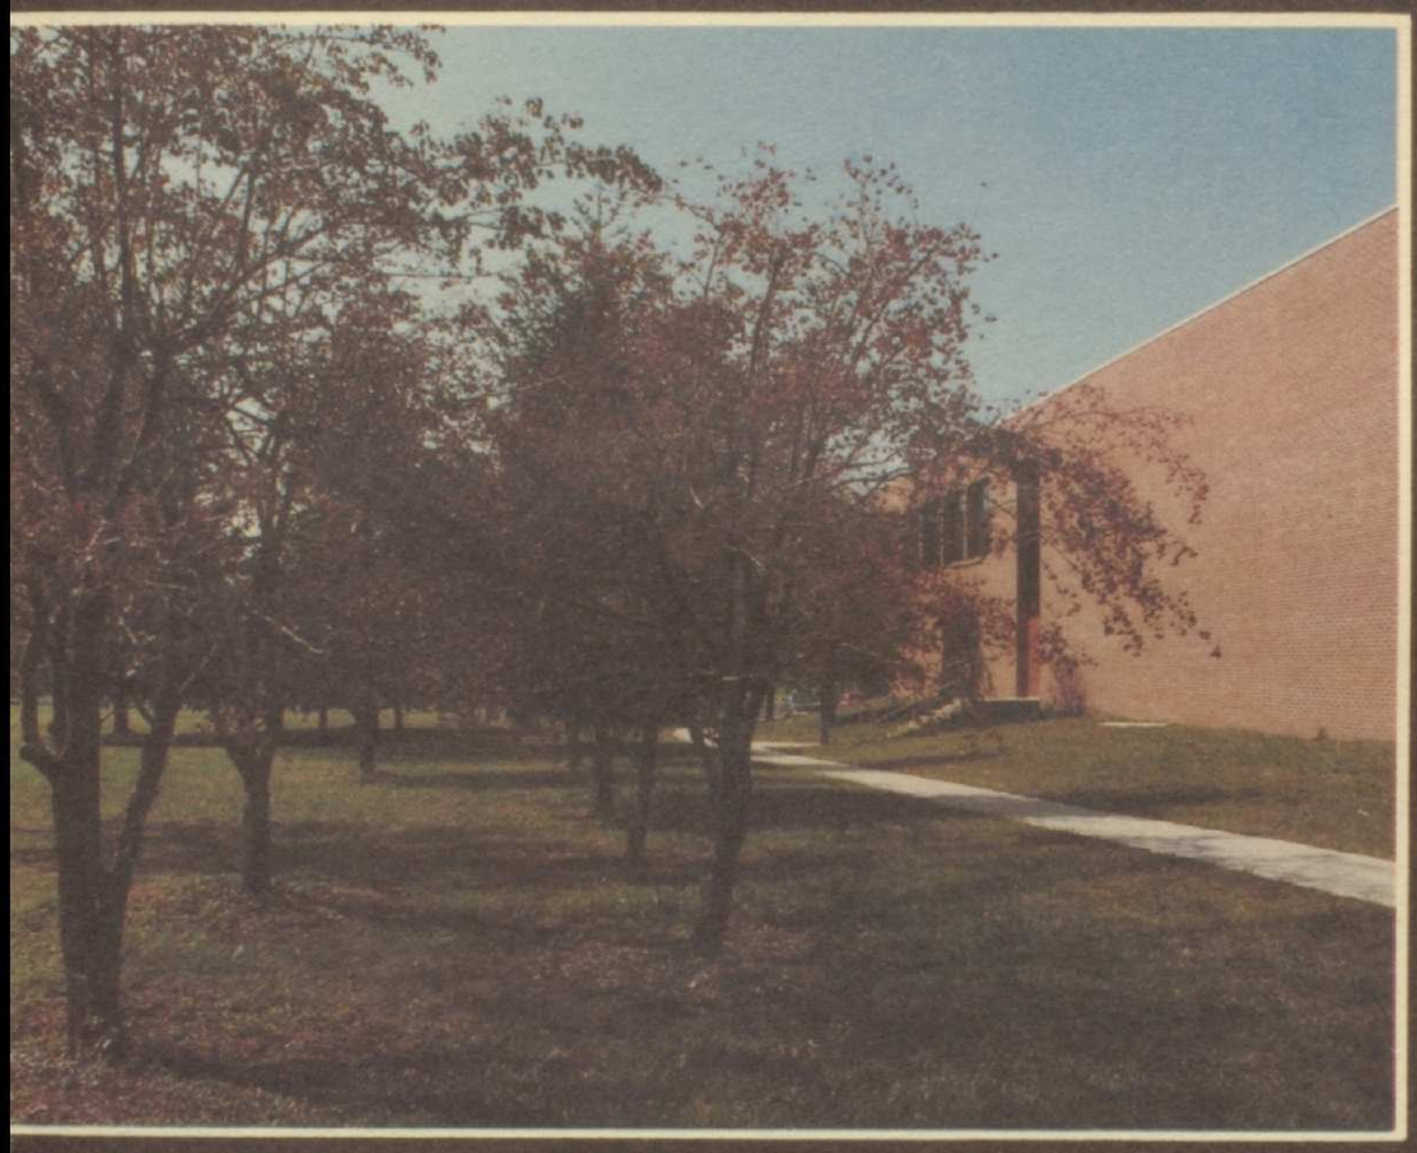

many parts,

His acts being seven ages . . .

A friendship is like

An old pair of blue jeans —

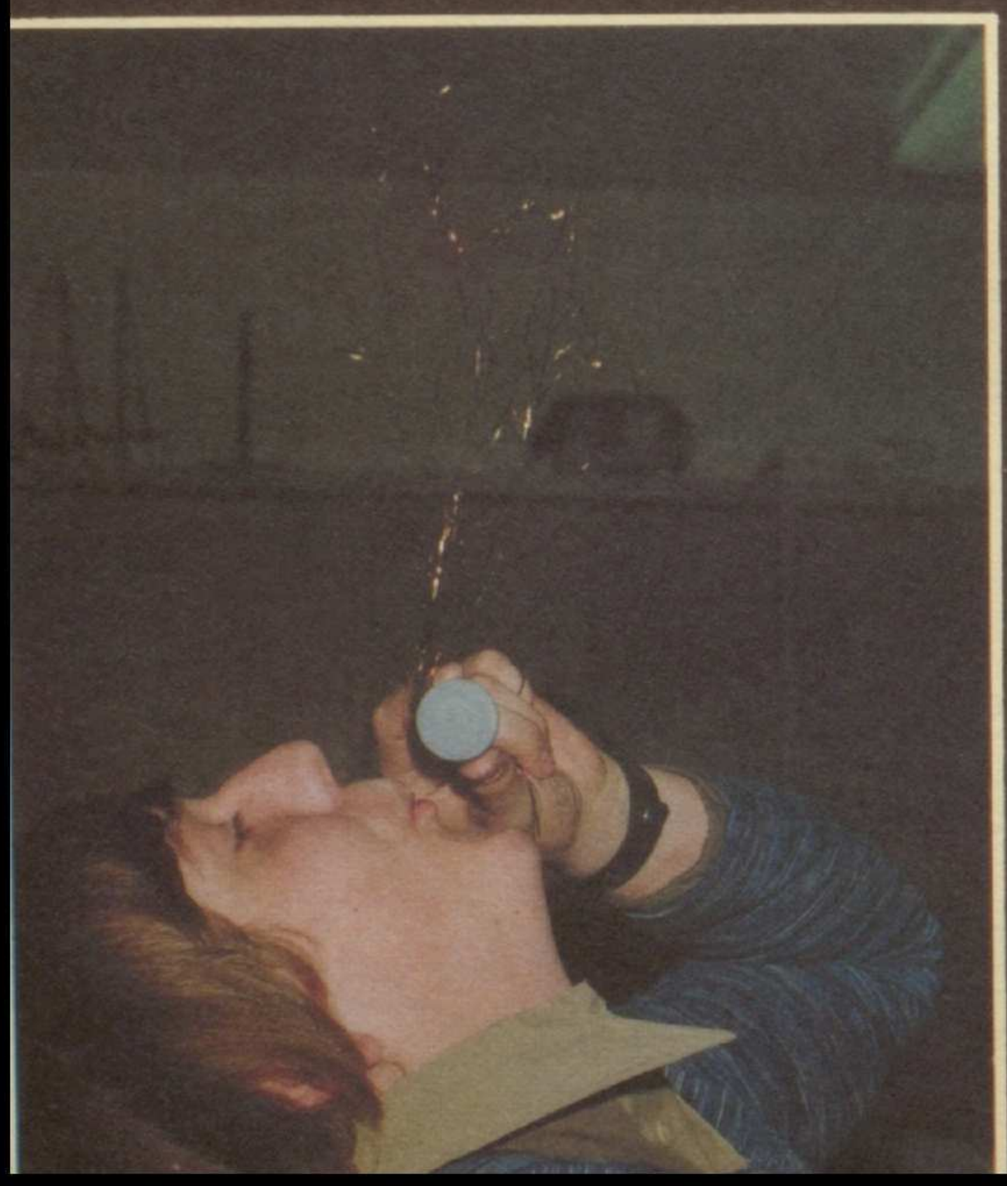

When there's a gap,

You patch it

Better three hours too soon than a minute too late.

Shakespeare

This above all; to thine own self be true.

And it must follow, as the night the day,

Thou canst not then be false to any man.
