All Aboard For The Big Apple

Start spreading the news, we're leaving today . . .". The news was definitely spread as the many students of Worthington caught the subway to the grandest of all cities — New York for this year's Homecoming events.

All of Worthington had a taste of the "Big Apple" when it made the transformation from a simple, mid-American high school to a bustling, complex city. The miraculous change of the usually quiet, serene track that surrounds the football field turned it a Fifth Avenue on which Worthington held its very own "Macy's Parade". The numerous floats, particularly those made by the Sophomores and Freshmen classes, brought countless "oohs and aahs" from the ever impressed crowd.

The crowd was equally impressed when the mighty Cardinals proudly protected their turf by defeating the hoods from Westland, 28-17.

Not a piece of New York was overlooked. Tessa Vaccaro joined that ever so famous symbol of New York city — the Statue of Liberty, when she was crowned this year's Homecoming Queen. Tessa proudly presided over the dance which changed the gym into a wild and crowded Time Square. The music of the Country Sunshine Band kept everyone dancing and proved that Worthington, too could be considered a city that never sleeps.

Whether the dance was followed by a casual stroll through "Central Park" or a hurried hailing of a taxi, the same thoughts were going through the minds of everyone: "I'm leaving tonight. I'll make a brand new start of it — New York, New York!!". JRD

Major in what?

More For Less

Two years ago Worthington High School set a precedent in college awareness: The College Fair. It was designed by Mrs. Stukenberg to help students from Worthington and other schools around Columbus in their post-high school decisions. To better involve other schools, the College Fair will be held at one of four high schools every year and will return to Worthington every fourth year. Participating schools include Westland, Upper Arlington, and Dublin. The latter will host the Fair next year. It should also be noted that Watterson and Worthington Christian help support the Fair through donations.

The rotation of the location only accounts for a part of what makes

the College Fair unique. Most events that host colleges for recruiting purposes charge astronomical fees to participate. This limits the number of colleges that are able to attend. The Worthington Activity Club felt they could attract a wider variety of Colleges and Universities by charging only a small fee to cover mailing expenses. This makes the College Fair one of the few places a College, University, or the Armed Forces may recruit without making a dent in their budget. The final result is that more options are made known to Worthington students and those in surrounding areas. LLL

Imagine this situation. It is a typical Tuesday night dinner with the family. Half way through the meal Dad casually inquires of your plans after graduation. You choke then pause before answering. Thinking to yourself, "It's been three whole weeks since he last brought it up. Why am I surprised", you take a deep breath. Before getting the chance to answer, Dad puts in a word about his alma mater. Finally having the opportunity to answer, you bravely look across the table and say, "Well . . . I really haven't given it much thought."

The Worthington Activity Club feared this was a common answer to those ever so important questions about your future. The Activity Club, along with the Worthington High School guidance counselors sponsored the second annual College Fair. Attending this year's Fair were close to 5,000 inquisitive students and parents. They came not only from Worthington, but surrounding areas too. 130 Colleges from as far west as Colorado sent representatives to answer questions and talk in general about college.

This year's College Fair offered much more than the opportunity to talk with college representatives. Spokesmen from the Armed Forces were available to inform students of the options offered in their fields. Scholarship/Financial Aid sessions were held to brief all that were interested in the whos, whats, and hows of financial assistance. One-to-one counseling helped students figure out how it all applied to them. Most of those who attended found that the Fair helped to ease some of the fears and anxieties provoked by the "What am I going to do after high school?" dilemma.

How will things turn out for a zany scatter-brained woman who lives by the philosophy that "Life is a banquet to be enjoyed by all"? The answer was found in this year's Fall Play, "Auntie Mame", written by Robert E. Lee and Jerome Lawrence.

The play opens with the news that Mame Dennis (J. Hollander) has just been named the guardian of her ten year old nephew, Patrick (B. Block). After meeting some of Mame's friends like Vera Charles (L. Tipshus), Patrick's trustee, Mr. Babcock (B. Brown), decides it would be best to send Patrick to a private school. Although she is very upset over this matter, Mame doesn't let it spoil her chance of enjoying life.

Following Mame from one bizarre happening to the next are her loyal servants, Ito (T. Lau) and Norah (H. Thompson). During the course of the play they see Mame through three very unique boyfriends.

Early in the show Mame discovers that Lindsay Woolsey (J. Hickman) is just reasonable and moves on to bigger and better things like Beauregard Jackson Pickett Burnside (T. St. Pierre) who takes her away to the deep south. Passing the inspection of Mother Burnside (T. Garvin) and the obstacles presented by Sally Cato Mac Dougal (T. Agnew), Mame becomes Mrs. Beauregard Burnside. After a tragic accident, Mame is left a widow.

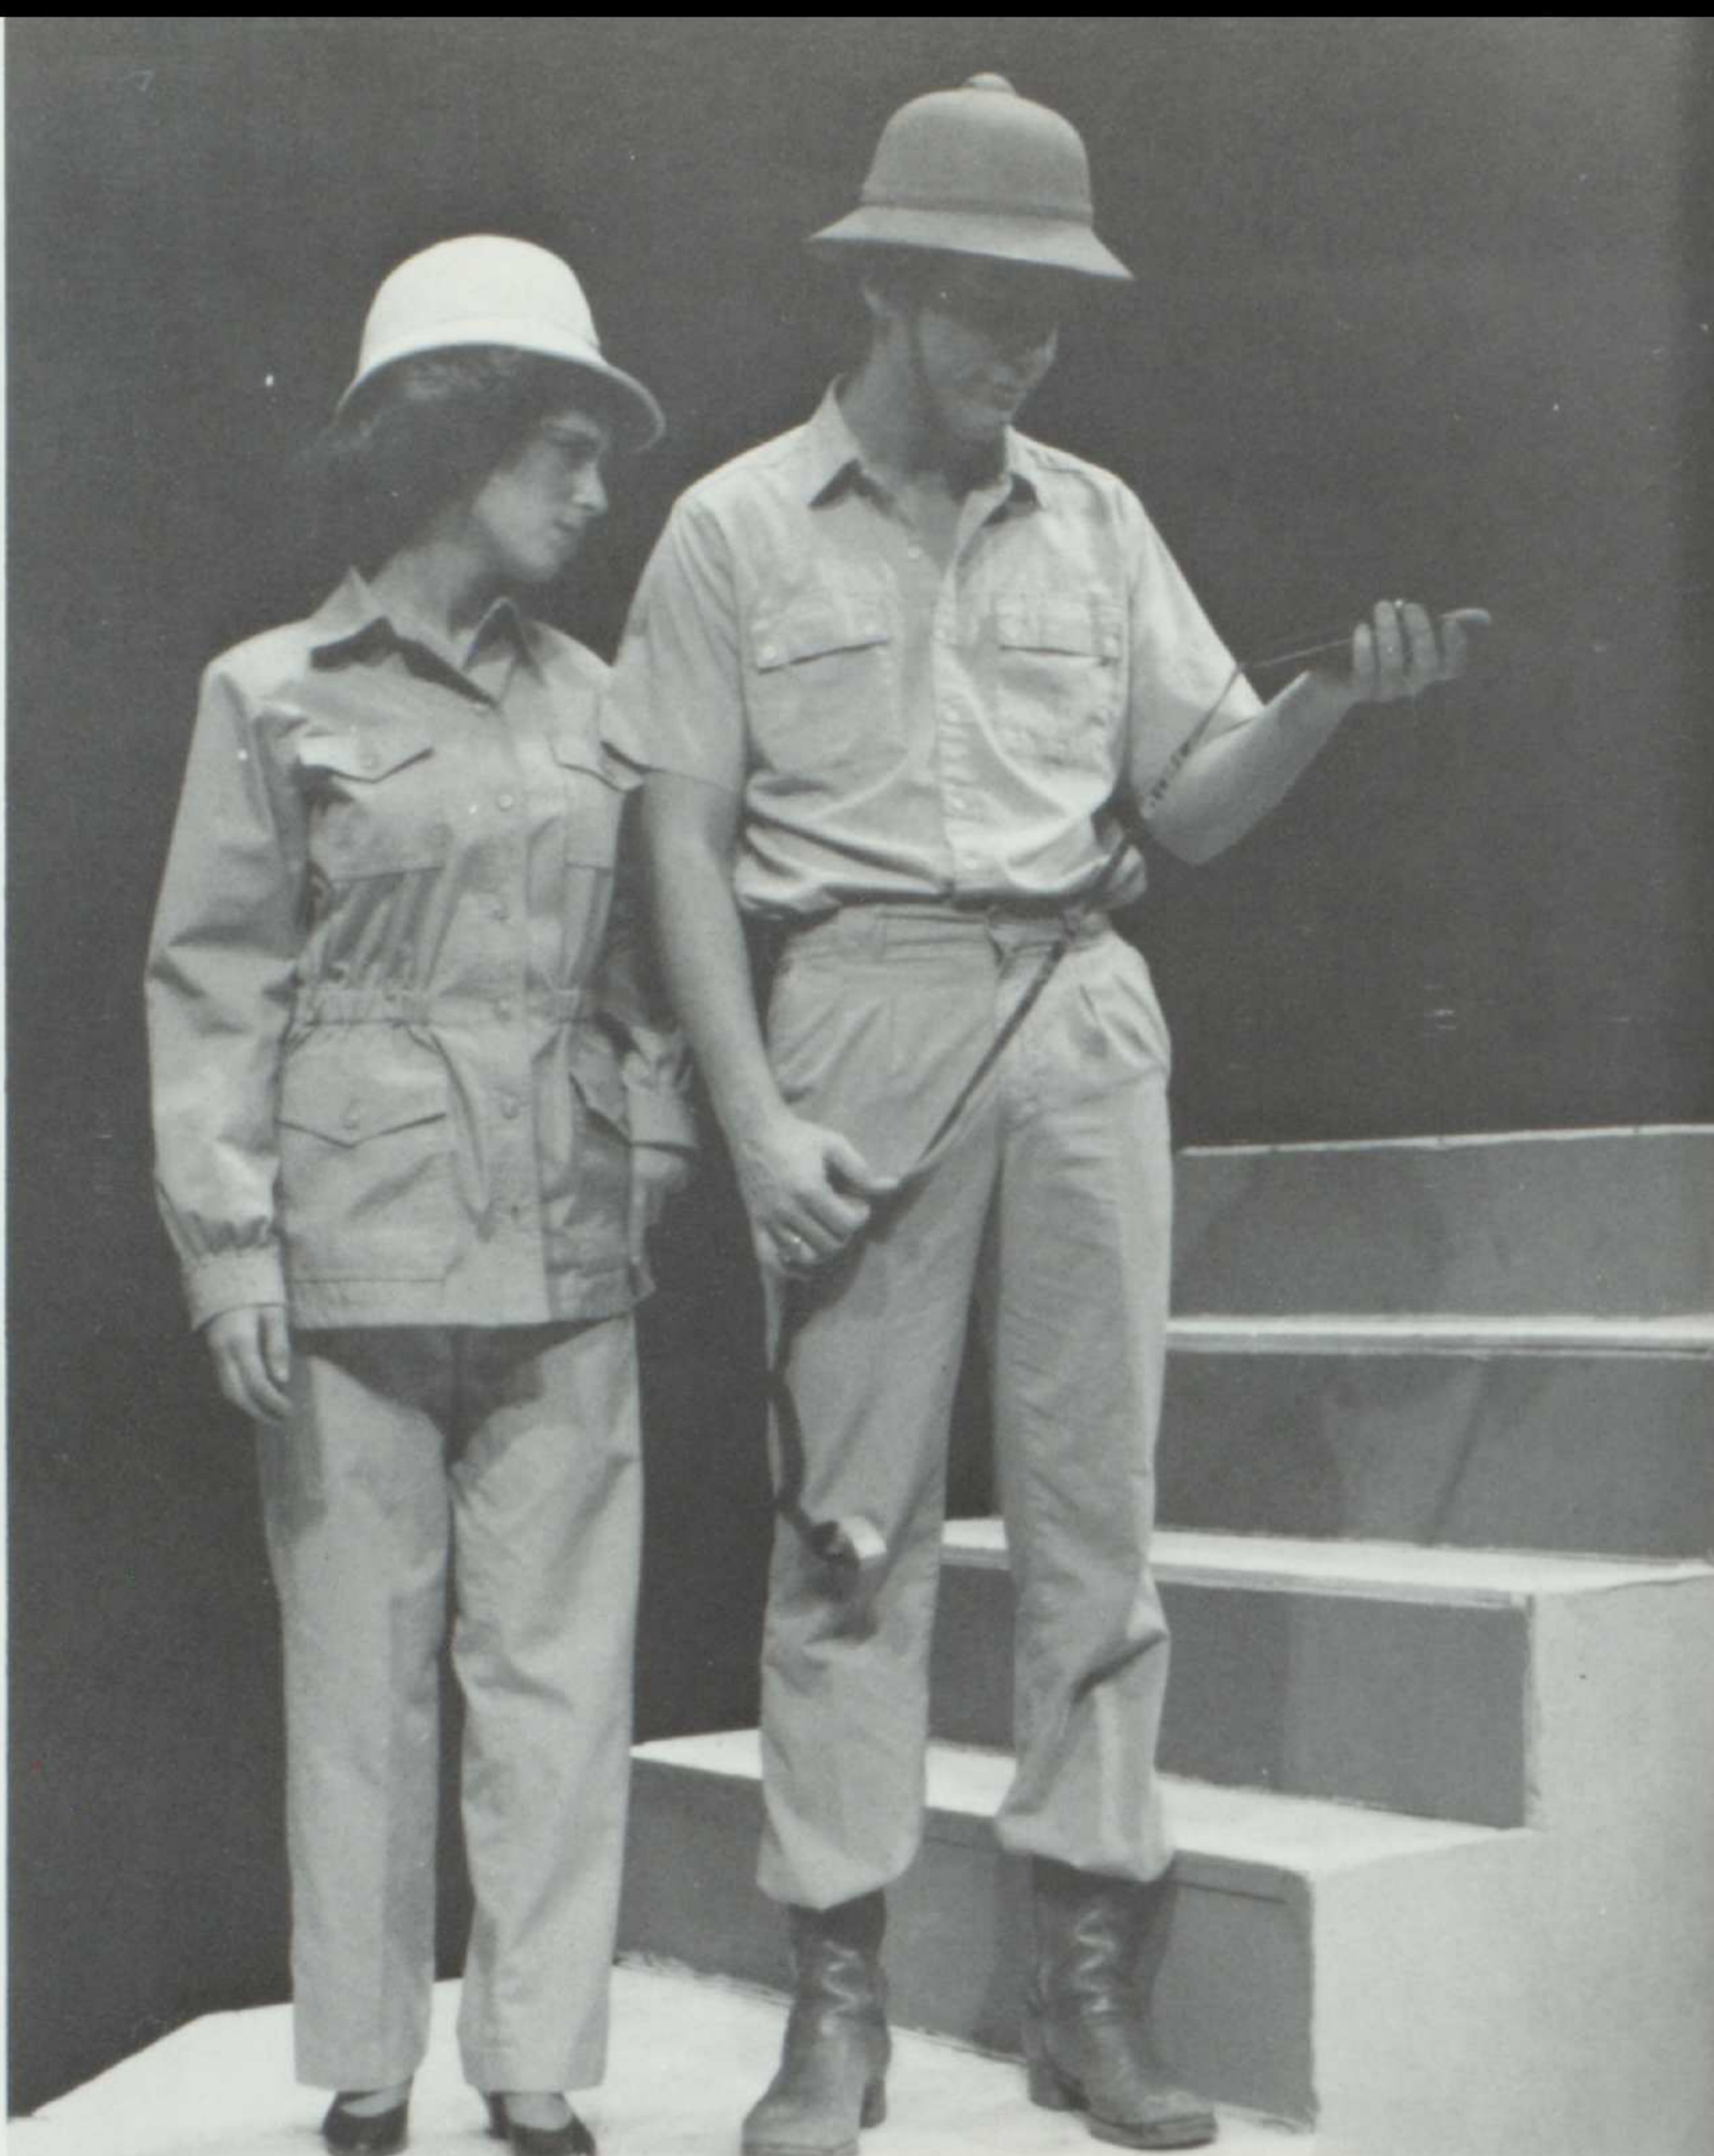

Returning home Mame decides to try her hand at writing a novel of her past adventures. Helping with this new project is her new found poetic beau, Brian O'Bannion (D. Nelson), who has captured the attention of Mame's secretary, Agnes Gooch (C. Meese).

Mame's problems do not end there. Patrick (B. Brown) has returned home to tell Mame of his engagement plans with Gloria Upson (C. Wilson). Mame disapproves and plans a scheme to end the relationship by embarrassing Mr. and Mrs. Upson (R. Szulewski and M. Shutter).

Patrick realizes that he has been disolutioned and soon falls for the pretty decorator, Pegeen Ryan (J. Gahman).

This eccentric play not only displays the talent of the actors and actresses, but the knowledge and skill of the technical crews and directors. Much thanks should go to Mrs. Hop-ton, Chris Lau, Mr. Scowden, and Miss Hottenroth for all of their extra time and effort that made this production the success that it was.

The life-guards have arrived, but are the beaches safe?

Worthington High School's own Gidget and Moondoggie go Hawaiian featuring Cardinal Queen and King, Heidi Campbell and Zack Napier.

Surfin' Safari

I thought this was the Christmas Formal.

The waves were breaking and so was tradition as hundreds of Worthington students traded their usual suits and heels for birdwells and flip flops and headed for the beach instead of the gymnasium.

Since previous Holiday dances resulted in poor attendance and just general apathy, Student council decided that there was definitely a need for changes. What they came up with was met with much enthusiasm and was an instant success — a beach party in December!

Students came to the party loaded with suntan lotion and beach towels. They were ready and expecting a good time. All expectations were met as the ballads of Don Ho and the magical music of the Beach Boys traveled up and down the beach and kept everyone dancing.

By the end of the wild party, most beachgoers had either be-bopped their flip flops off or were burned to a crisp, but one and all agreed that it was a great time! JRD

The Jury Finds In Favor Of . . .

Right: "I would like order in this courtroom."

These words were the culmination of the (98) Fall Mock Trails, a great tradition at Worthington High School. The students of the Personal Law classes heard an actual civil case in front of a full auditorium as Shirley Nault proudly looked on. The trails provided exciting entertainment for the school and valuable experience for the participants in handling themselves in a pressure packed courtroom.

The members of the classes received their cases only days before they had to present them. Hours upon hours were spent digging through the books in the OSU Law Library so that all would be thoroughly prepared. All of the hard work paid off, for they were able to perform admirably before many noted attorneys and dignitaries from the community. These trials were both rewarding and educating to the Law classes and will no doubt be remembered for a long time to come. JJK

Council prepares for a rough day in court.

Top: 'noted attorneys and dignitaries from the community.'

Left: "The Franklin County Court of Common Pleas will now hear civil case 436."

The King of Hearts, Freddie McClelan, and his court

Heart To Heart

A long standing tradition at Worthington High School has been the Sadie Hawkins dance held on Valentine's day. It provides an opportunity for the girls to ask out the guys that they've had their eye on.

The week before the dance the courting begins with the nomination of the King and his court. Through out the week the nominees campaign for money donations and the guy with the most amount of money wins his place on the court. All donations are then given to the American Heart Association.

The carnation sale, also a tradition at WHS, brought the warmth of friendship, the reassurance of love, and the mystery of a secret admirer to the girls as well as the guys.

The week of courting payed off, for this year's dance brought a record breaking crowd who never stopped dancing even when the band quit playing.LLL

Harold and Marianne at the lover's bridge

The thunder of rolling drums and the glitter of crashing cymbals all came to Worthington High school with the performance of Meredith Willson's **The Music Man**, which was performed by the WHS music department.

The story revolves around a salesman, Harold Hill (D. Brown), and his efforts to swindle the River City citizens out of their hard earned money. Marion Paroo (L. Lemon) and Mayor Shinn (T. St. Pierre) attempt to thwart his plan. Instead of destroying Harold Hill, Marion falls in love with him. For the first time Harold discovers that he has "got his foot stuck in the door" and fallen in love, too. Harold brings much happiness to the small Iowa town with his plans for the "boy's band"; however, when Charlie Cowell (N. Senhauser) exposes his scheme the happiness is close to ruined. The people of River City realize that the happiness that Harold brought to the town was worth the money they lost, and the band played on.

The Music Man was a triumph and drew a larger crowd than last year's operetta. Part of the operetta's success during the past 20 years is due to Elaine Hottenroth's help as drama director. Her involvement has helped make the operetta what it is today.

Thanks is also owed to Joel Haney, Bronwynn Hopton, and James Scowden for the many hours of work they spent producing this play. CK

Winter Carnival

From "Our Ice Cream Has No Bones" to Goldfish Swallowing, the 1982 Winter Carnival was an overwhelming success.

On February 20th over 17 clubs and organizations set up in the gym for the annual Winter Carnival sponsored by student council. A week of visits to elementary schools by Senior "clowns" paid off. Many young students came to play games and enjoy the delicious food the clubs had prepared.

A new feature of the carnival was the cafe where parents and other weary carnival visitors could rest and enjoy their snacks.

The cake walk sponsored by Writerspatch was one of the most popular events this year. Their luscious baked goods attracted many patrons and they ended up with the largest profit of all groups.

Hopefully, the Winter Carnival will continue to be an annual event that all can enjoy! MM

May I take your order?

The Honored

Anually the Academic Honors banquet is held to recognize outstanding students of Worthington High School. Attending this year's banquet were over three hundred key recipients.

Keys are given to students who have maintained a 3.5 for three, five, or seven consecutive semesters. Bronze keys are given to sophomores, silver keys go to the juniors, and seniors receive gold keys.

The guest speaker of the twenty-second annual Academic Honors Banquet made a 'brief' presentation on "life as a Rubic's Cube". He left all present with a sense of accomplishment and a feeling of success. LLL

"Life is like a Rubic's Cube."

"Oh, no! My slip is showing."

"Only Gold will do."

"Look! Alan Funt."

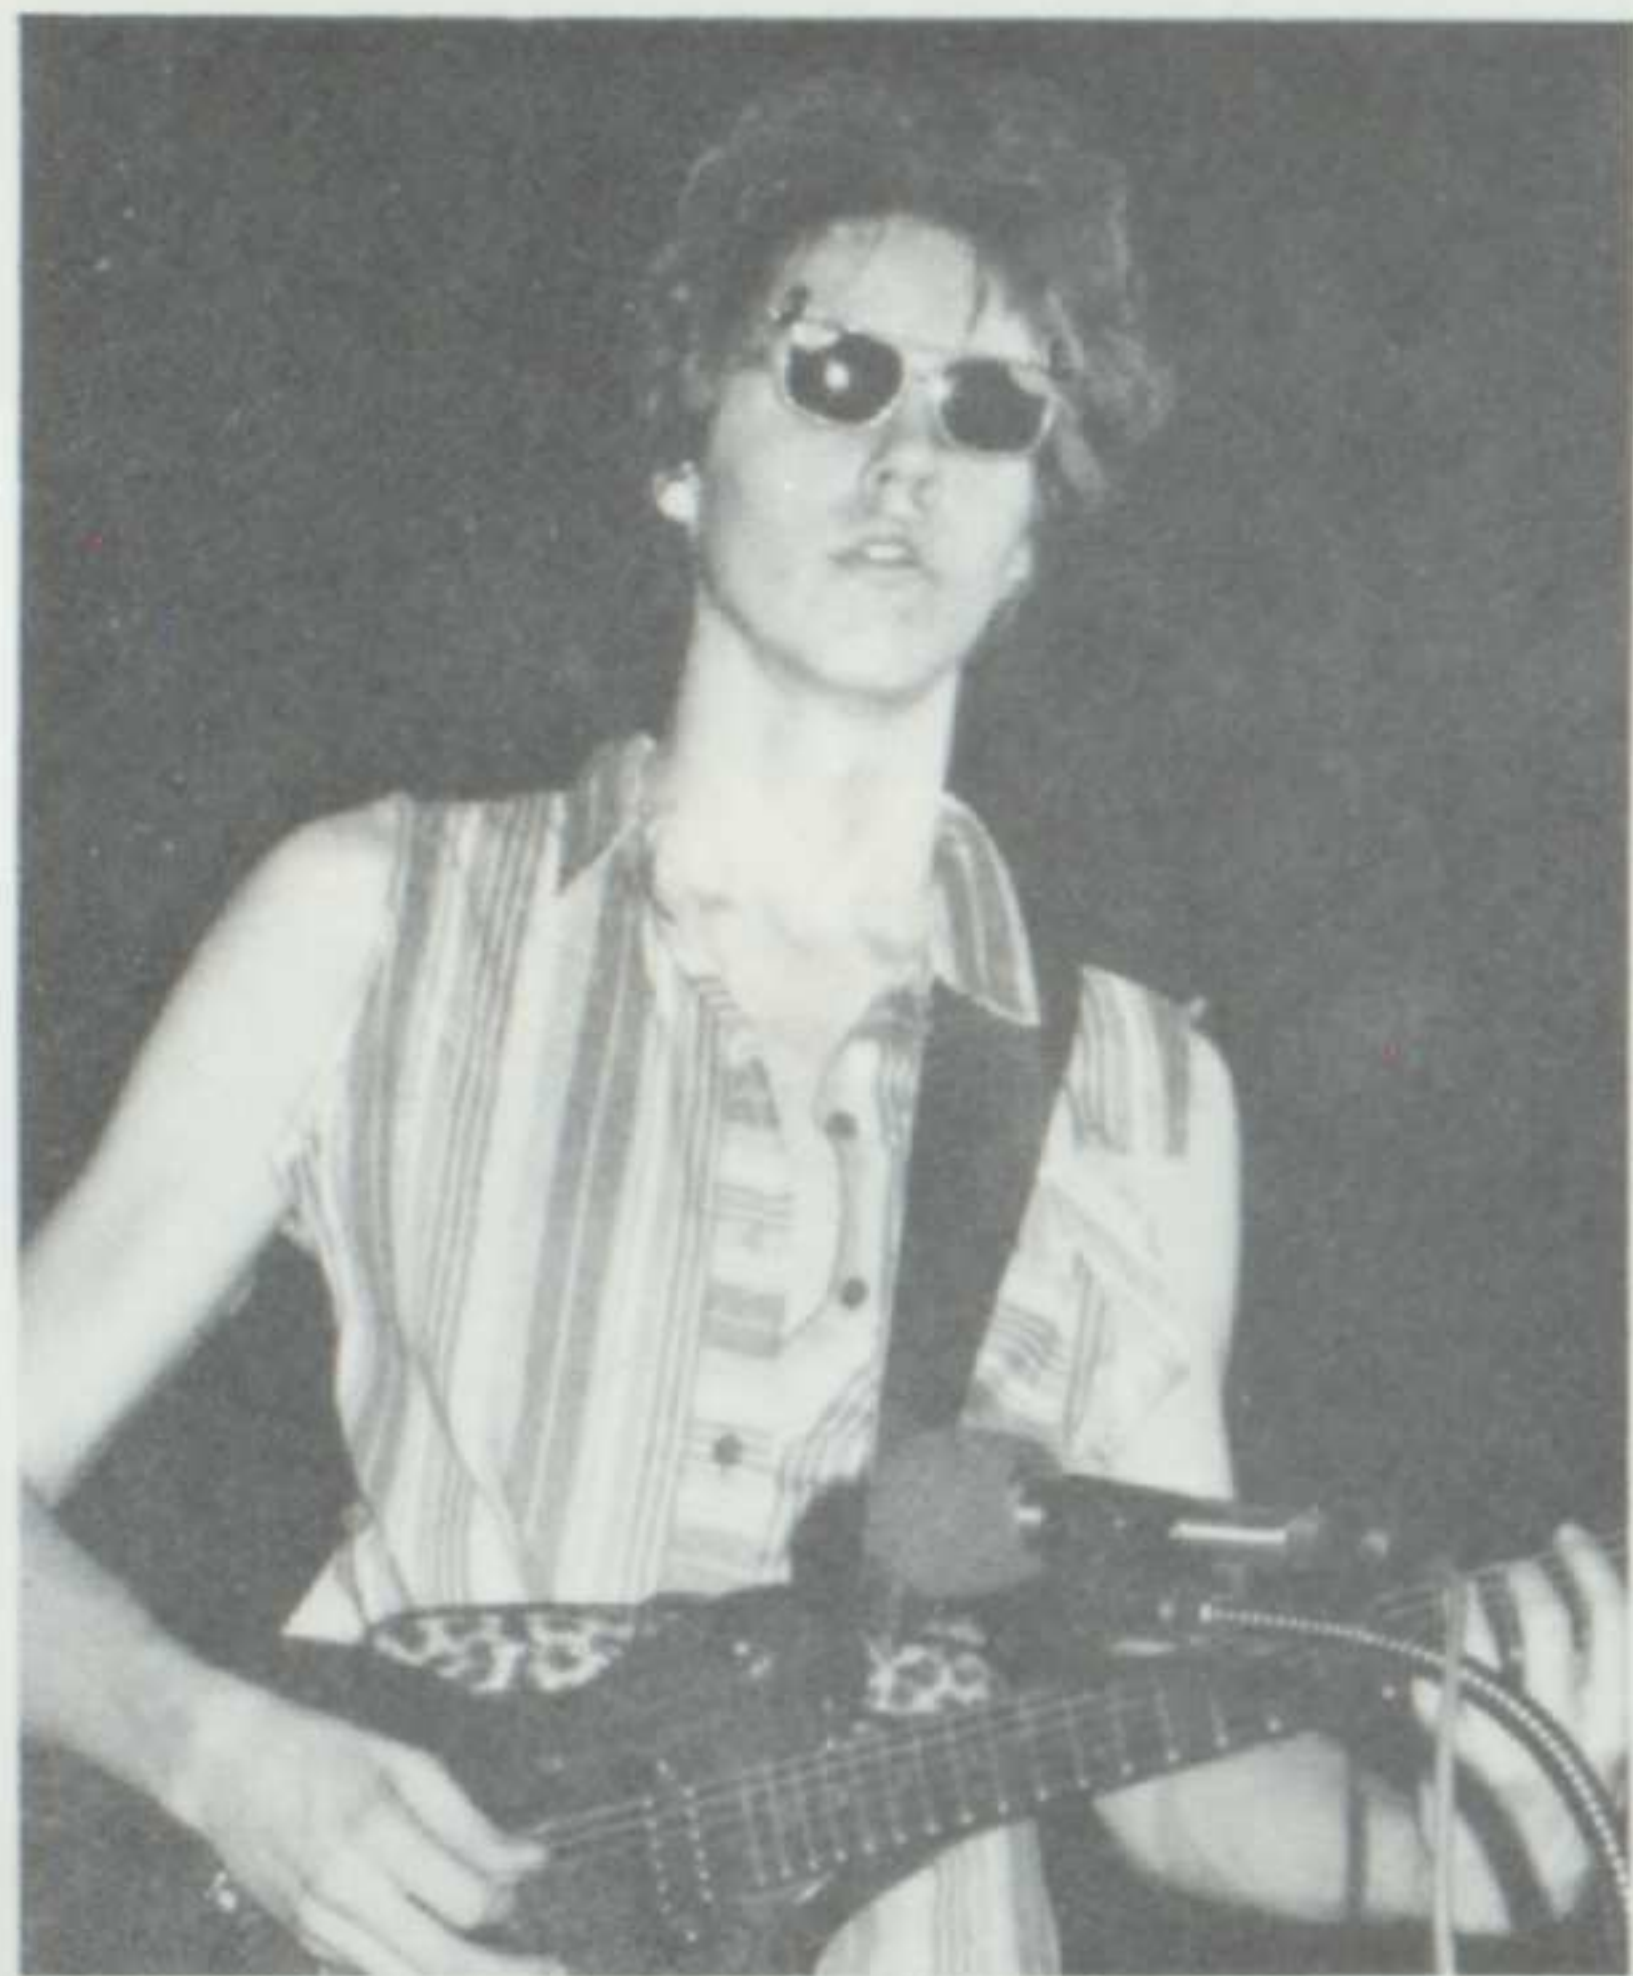

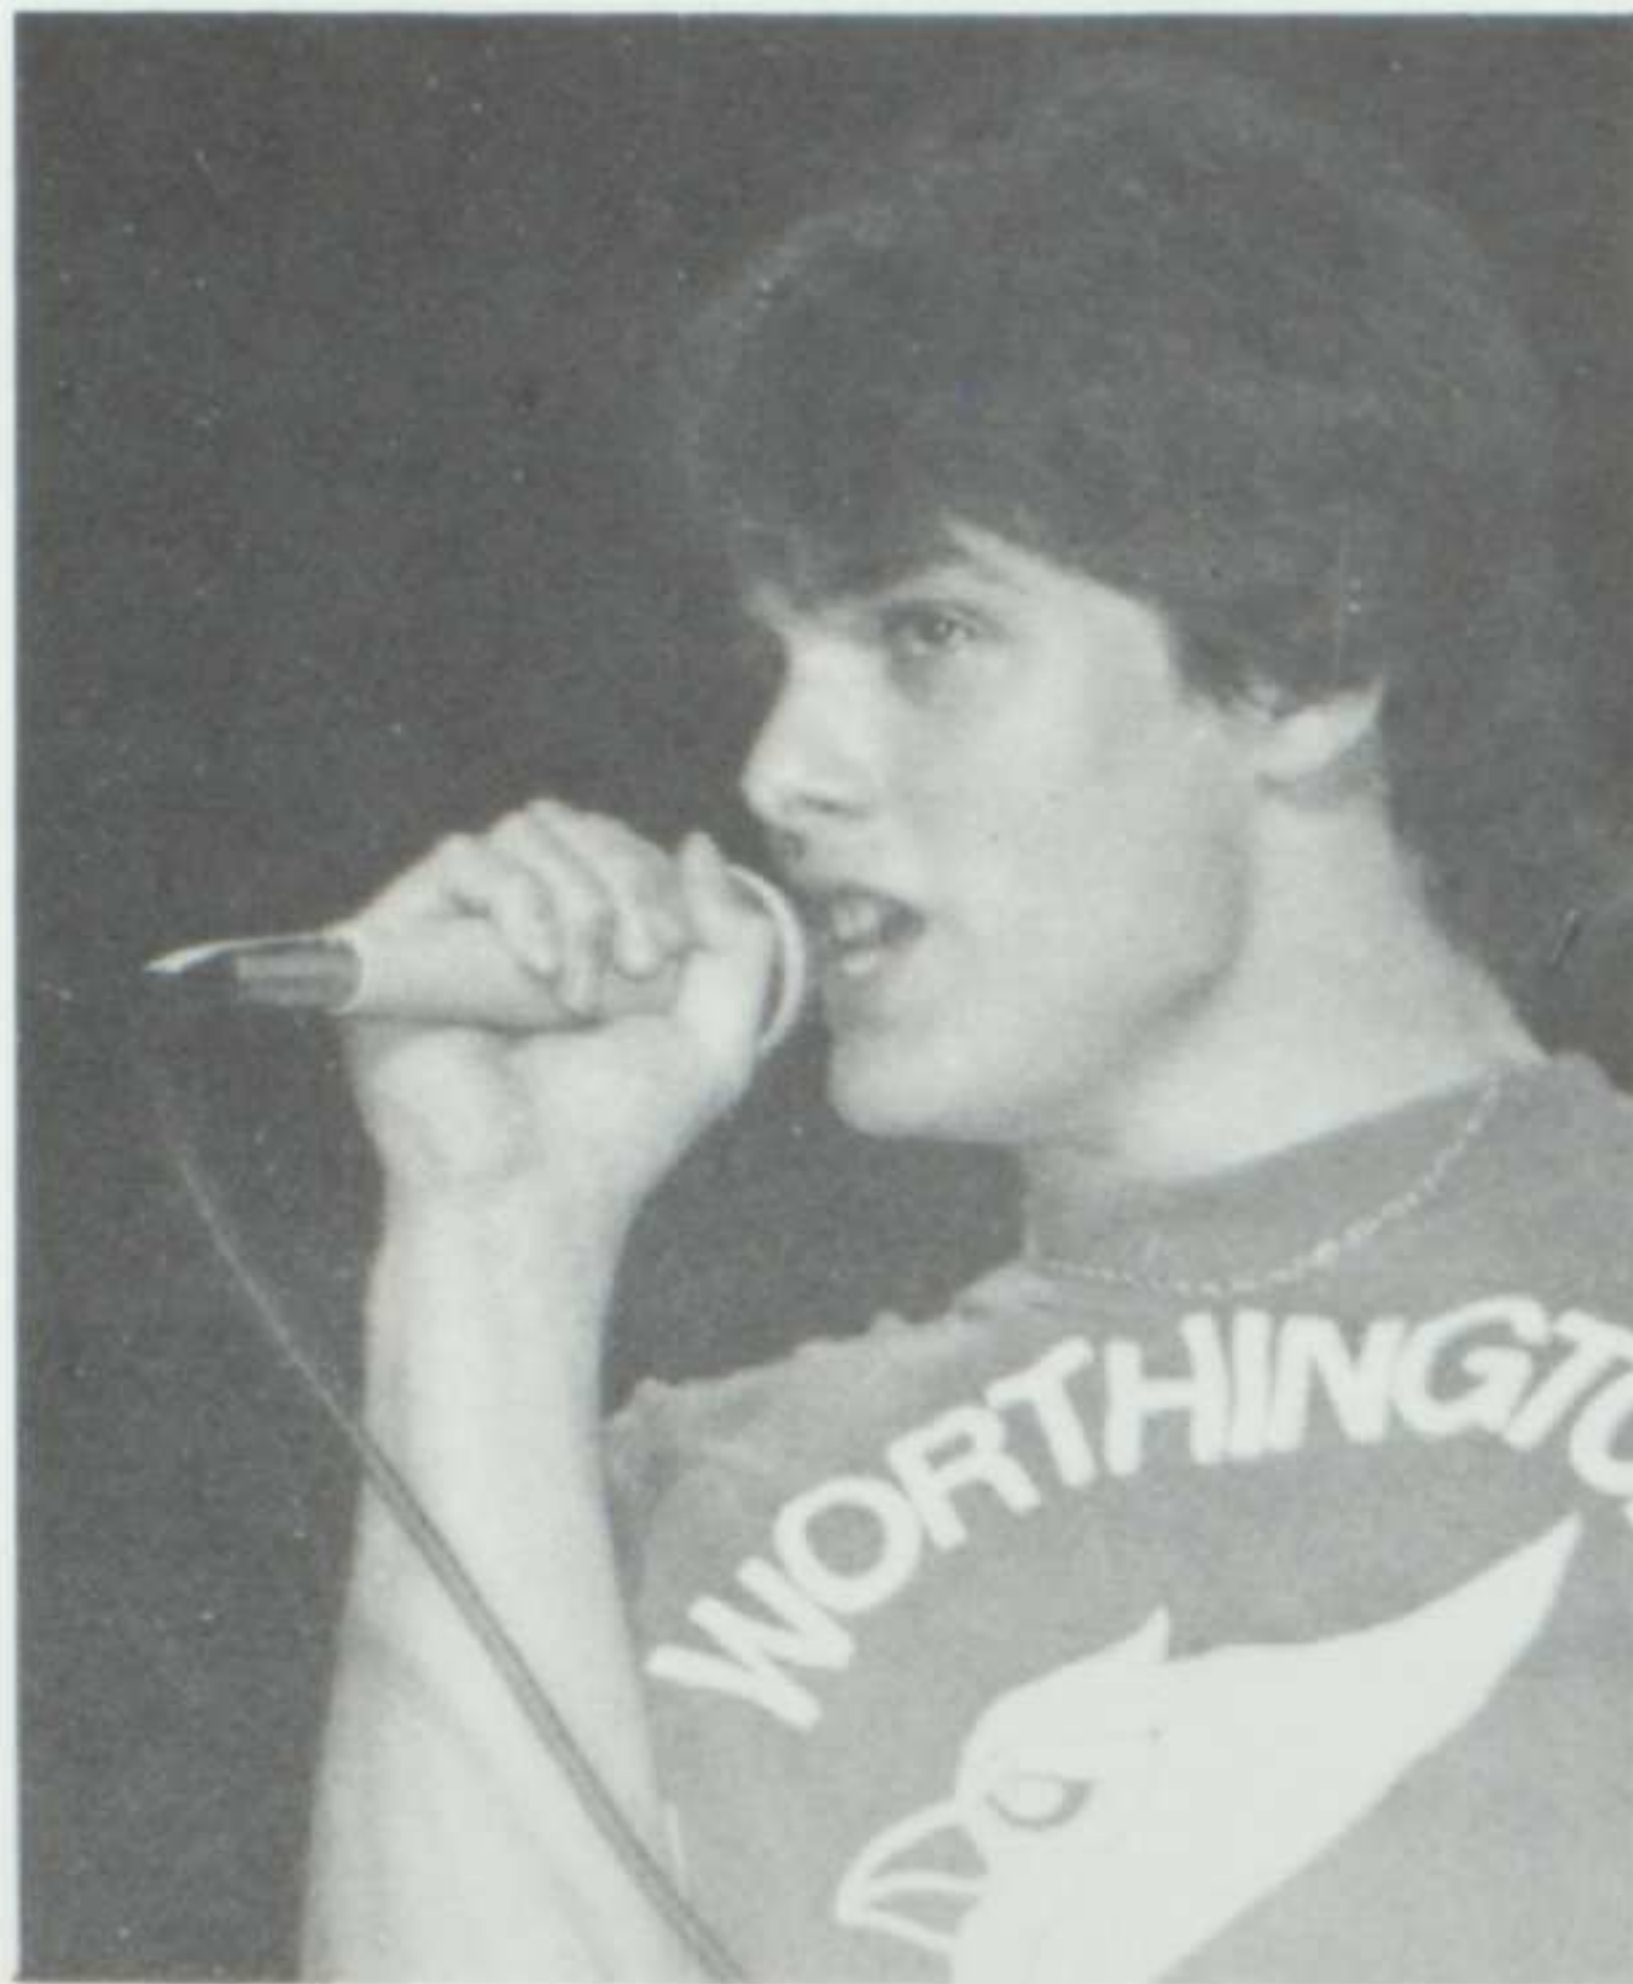

Worthington Talent

After many weeks of practicing in garages, basements, and living rooms, the big day arrived. The 1982 Talent Show gathered together more than two dozen people who wanted to display their talents. Due to the multitudes and diversities of the acts, the show was divided into two parts.

The first part was composed of non-rock acts. Bill Stillwell, dressed as a policeman, played the theme to Hill Street Blues. Geoff Gee played an accompaniment to a duet sung by two girls. The only rock set in this part was the band Septor. They performed a melody of songs.

The second part marked the unleashing of six rock bands. Among the groups were Venture, Torn Curtain, Xanthus, and the Generics. The last set was performed by Fusion. They received a tumultuous applause from the already rowdy crowd.

A lot of time and effort went into the production of the Talent Show and thanks is given to all involved, especially Mr. Fuller. TDM

Ready, Steady, Go

Worthington High School experienced an enchanted evening when this year's Children's play, "Ready, Steady, Go" was performed.

As the play opens five dolls, a mountie, a spider, a horse and a bear are enjoying a somewhat peaceful life. Their enjoyable life is disturbed when three rats manipulate the dolls to give them the power over the attic. The mountie, Ready Steady, manages to fight back and rescue the dolls with his complicated plan. In the mean time he finds his true love, Miss Mumbles, and the others watch on as they fall in love.

All of the parts were double cast so that all of the elementary schools could see the play. Much gratitude is owed to Bronwyn Hopton, James Scowden, and Chris Lau. CK

NHS Induction

On Tuesday May 18 seniors and juniors were inducted into the National Honor Society. These students were elected by their teachers. An eligibility list was posted showing all juniors and seniors who have met the scholarship requirements for N.H.S. Teachers were then able to assess each eligible student on the basis of leadership, character, and service. After the teachers have cast their votes the nominees are tapped on the Tapping ceremony. Formal invitations are then sent out for the Induction ceremony.

The night of the ceremony each of the four officers gives a speech on the different aspects of N.H.S. Each of the nominees are called up on stage and asked to sign the official register. The nominees are then formal members of the N.H.S. KJM

The seemingly calm night of May 8, caused a massive migration to the East, as students escaped to the Orient for this year's prom activities.

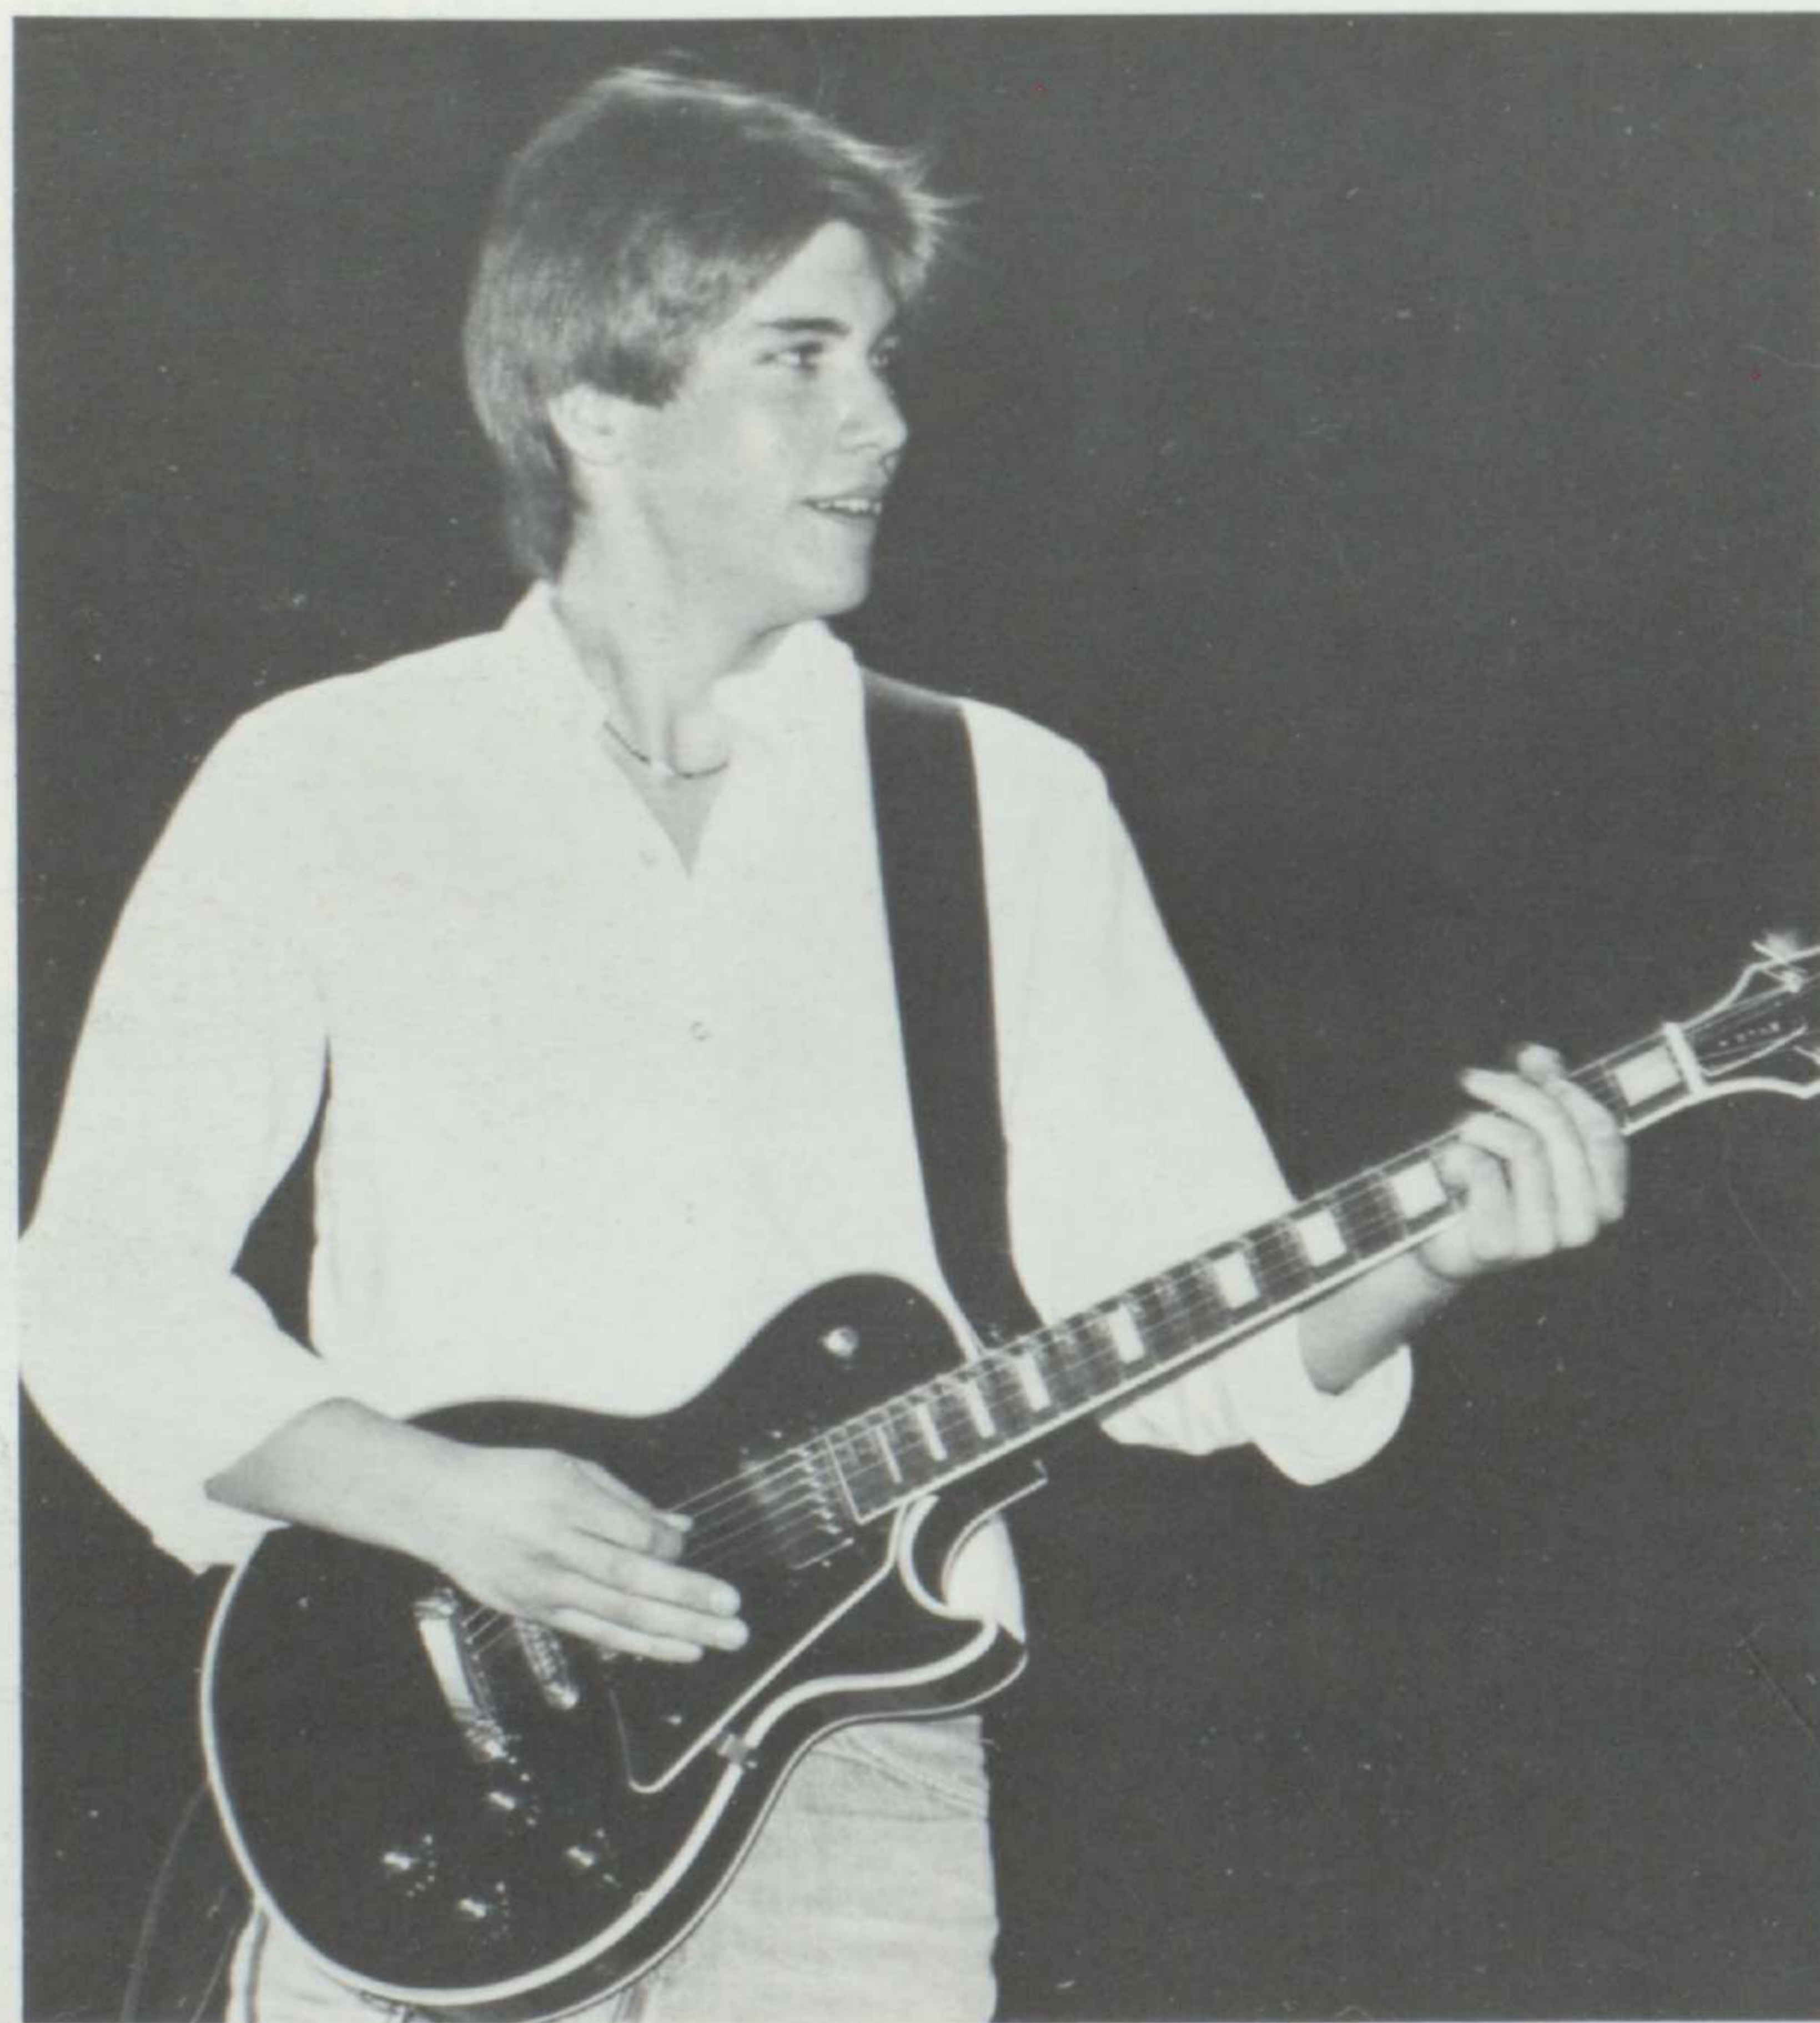

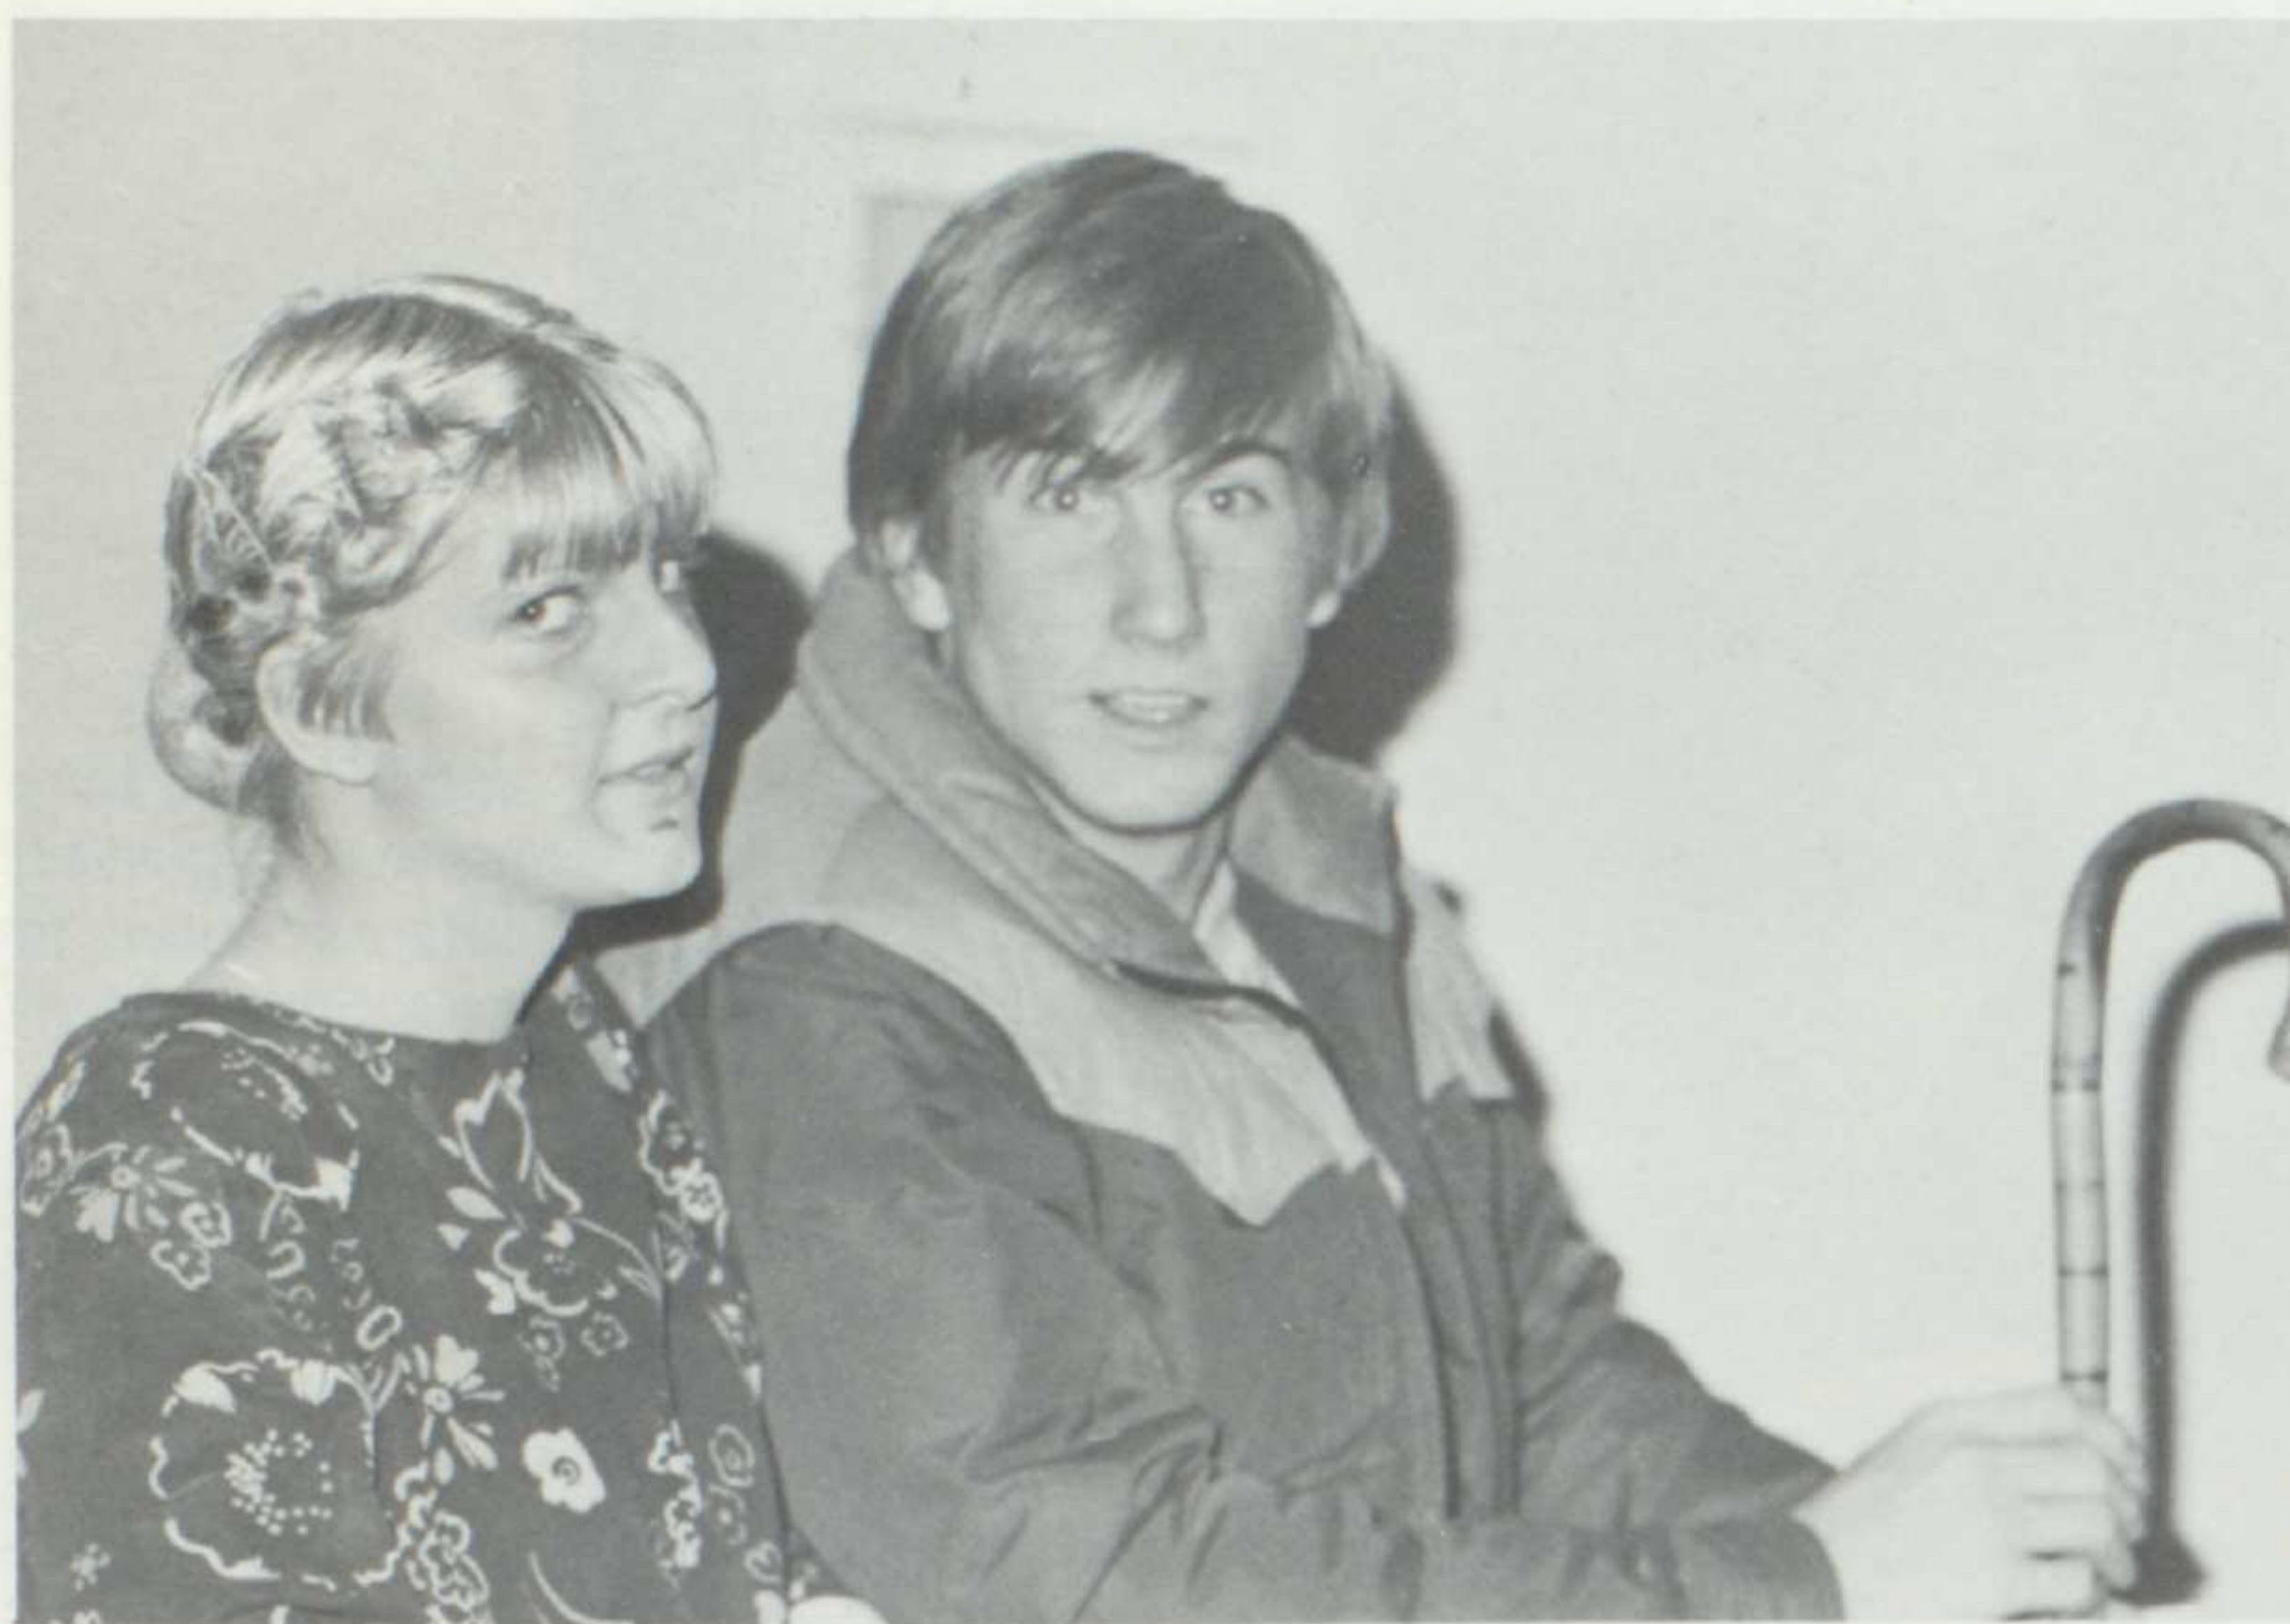

Every year the Junior class slaves, toils, and puts in countless agonizing hours to produce the dance of all dances — the Junior-Senior Prom. "Escape to the Orient", this year's theme truly was quite an experience since the persistent Junior class succeeded in holding the prom at the luxurious Hyatt Regency Ballroom.

The elegance and convenience of near by restaurants plus available night coach rides of the Hyatt Regency made this a prom — Utopia.

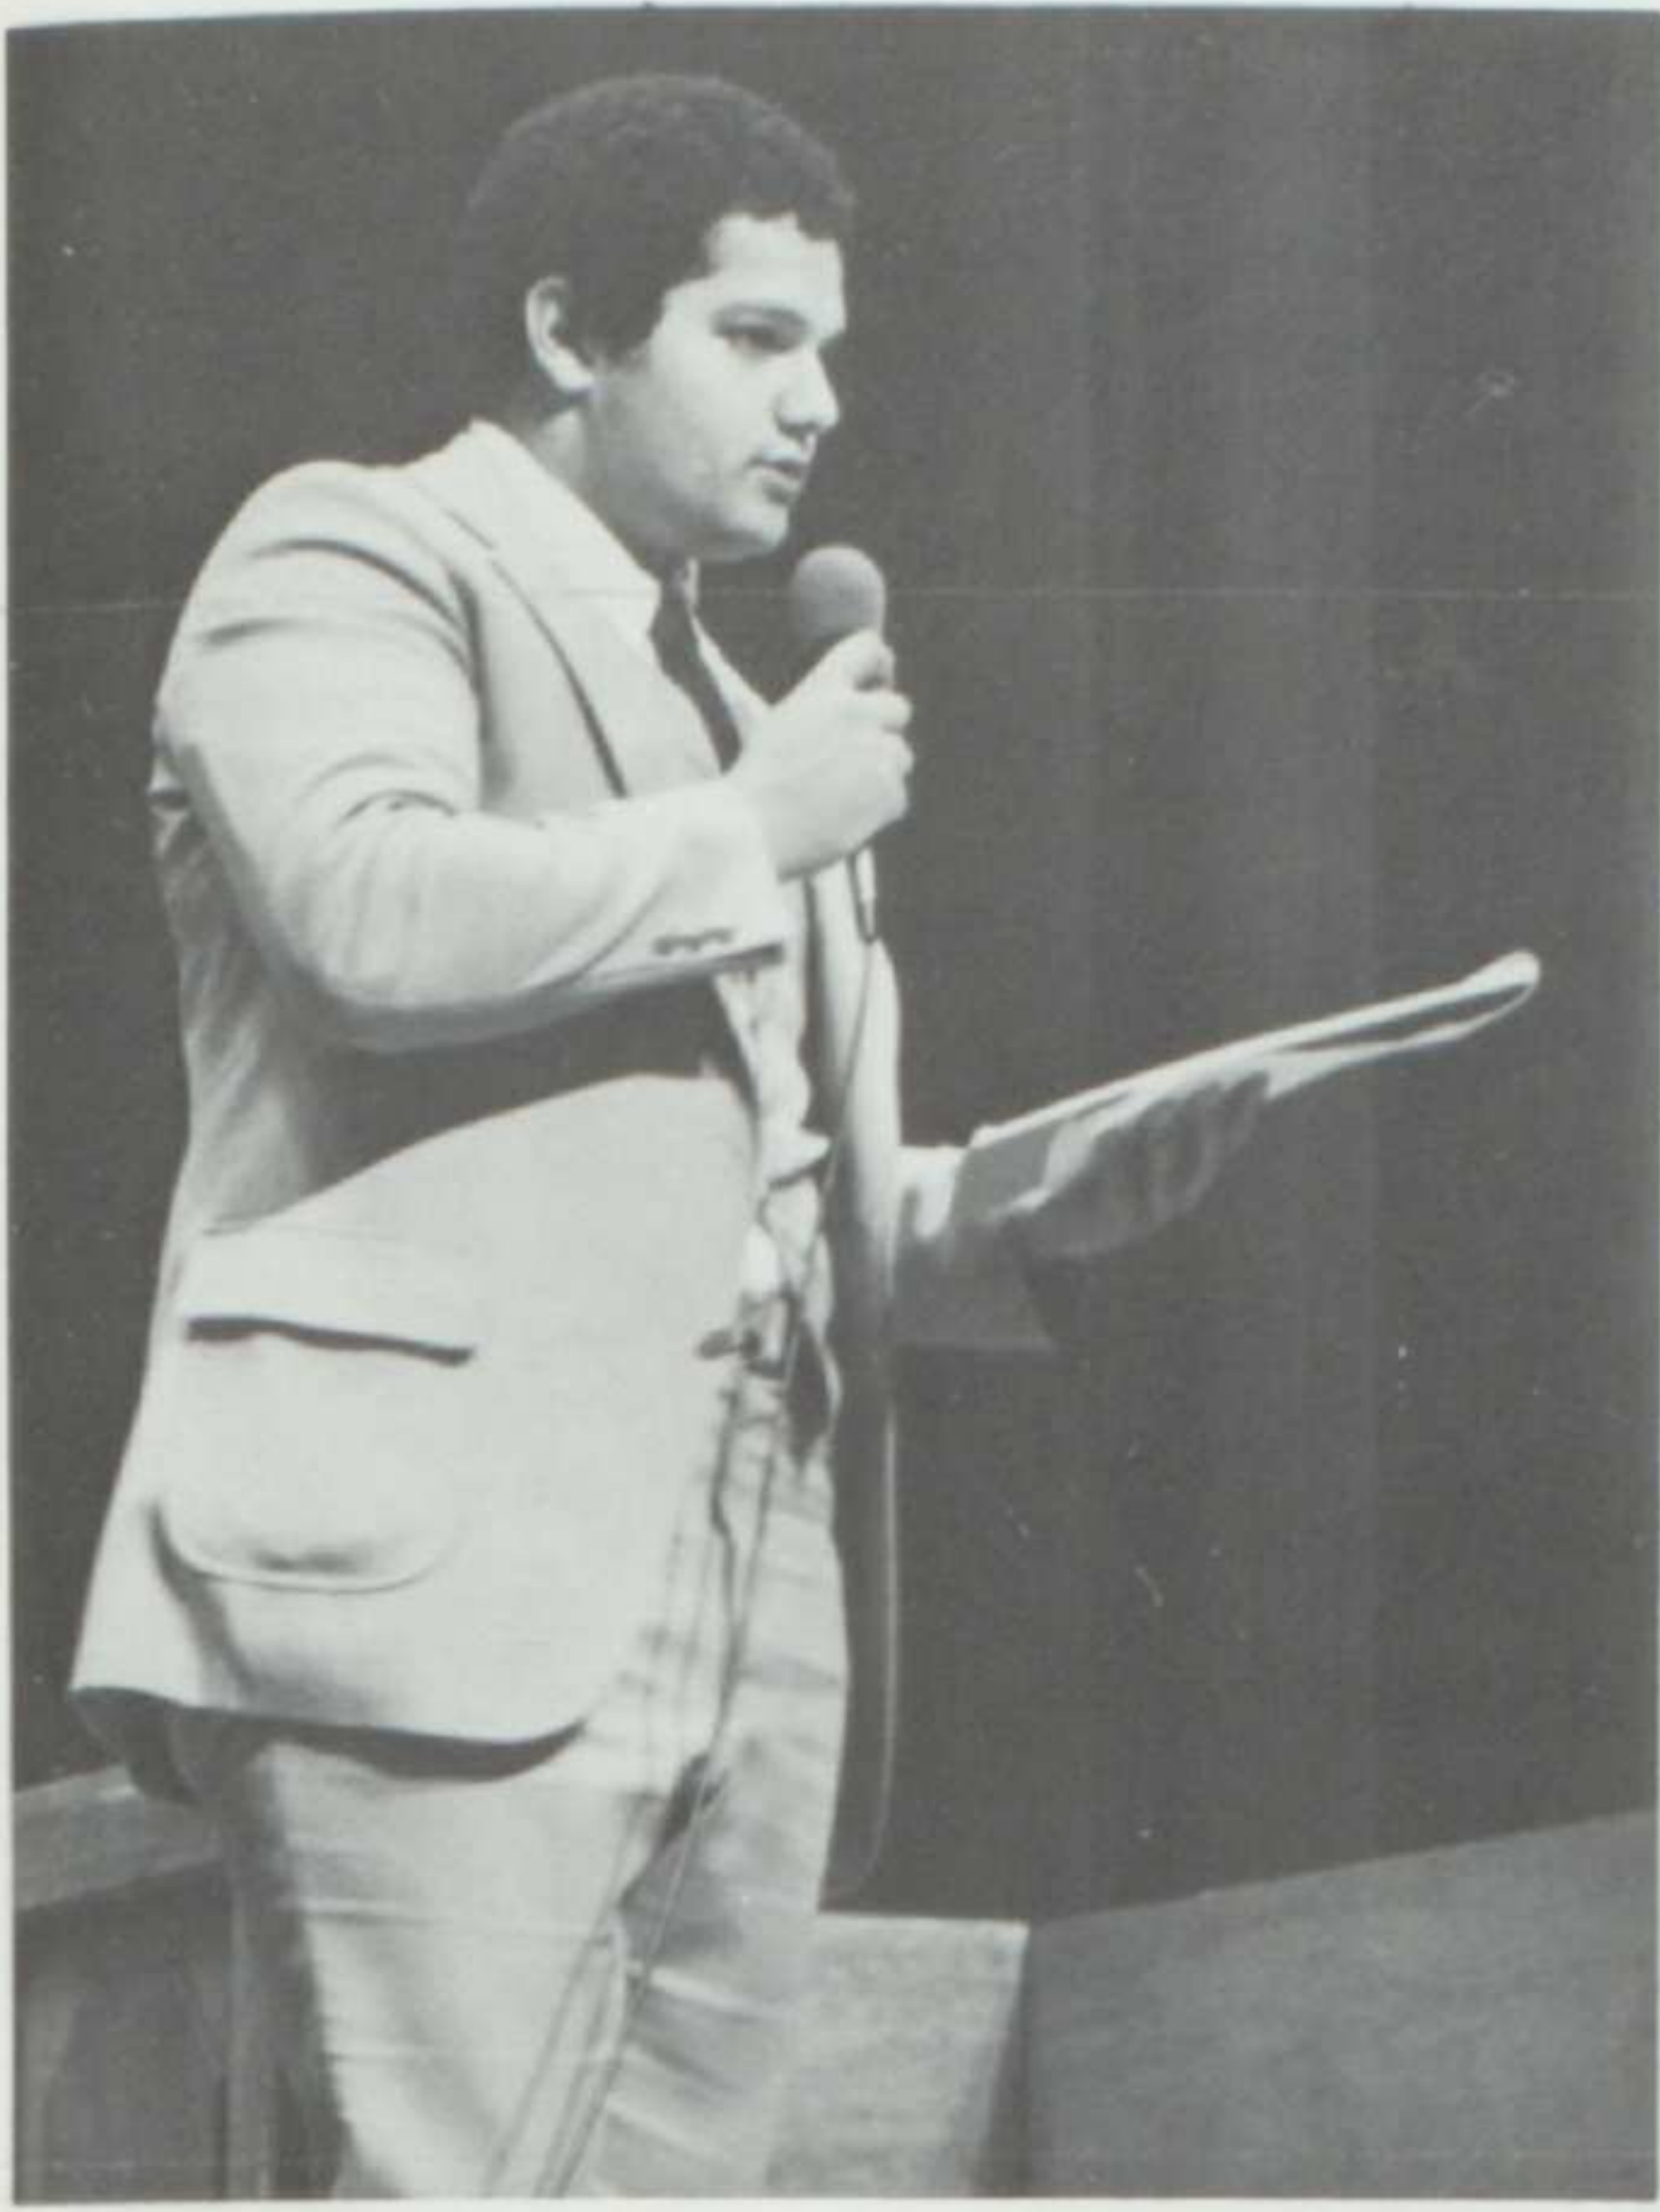

For the third time in the last four years, the Diamond Brother's Band put on an excellent performance as they provided the music that kept everyone dancing.

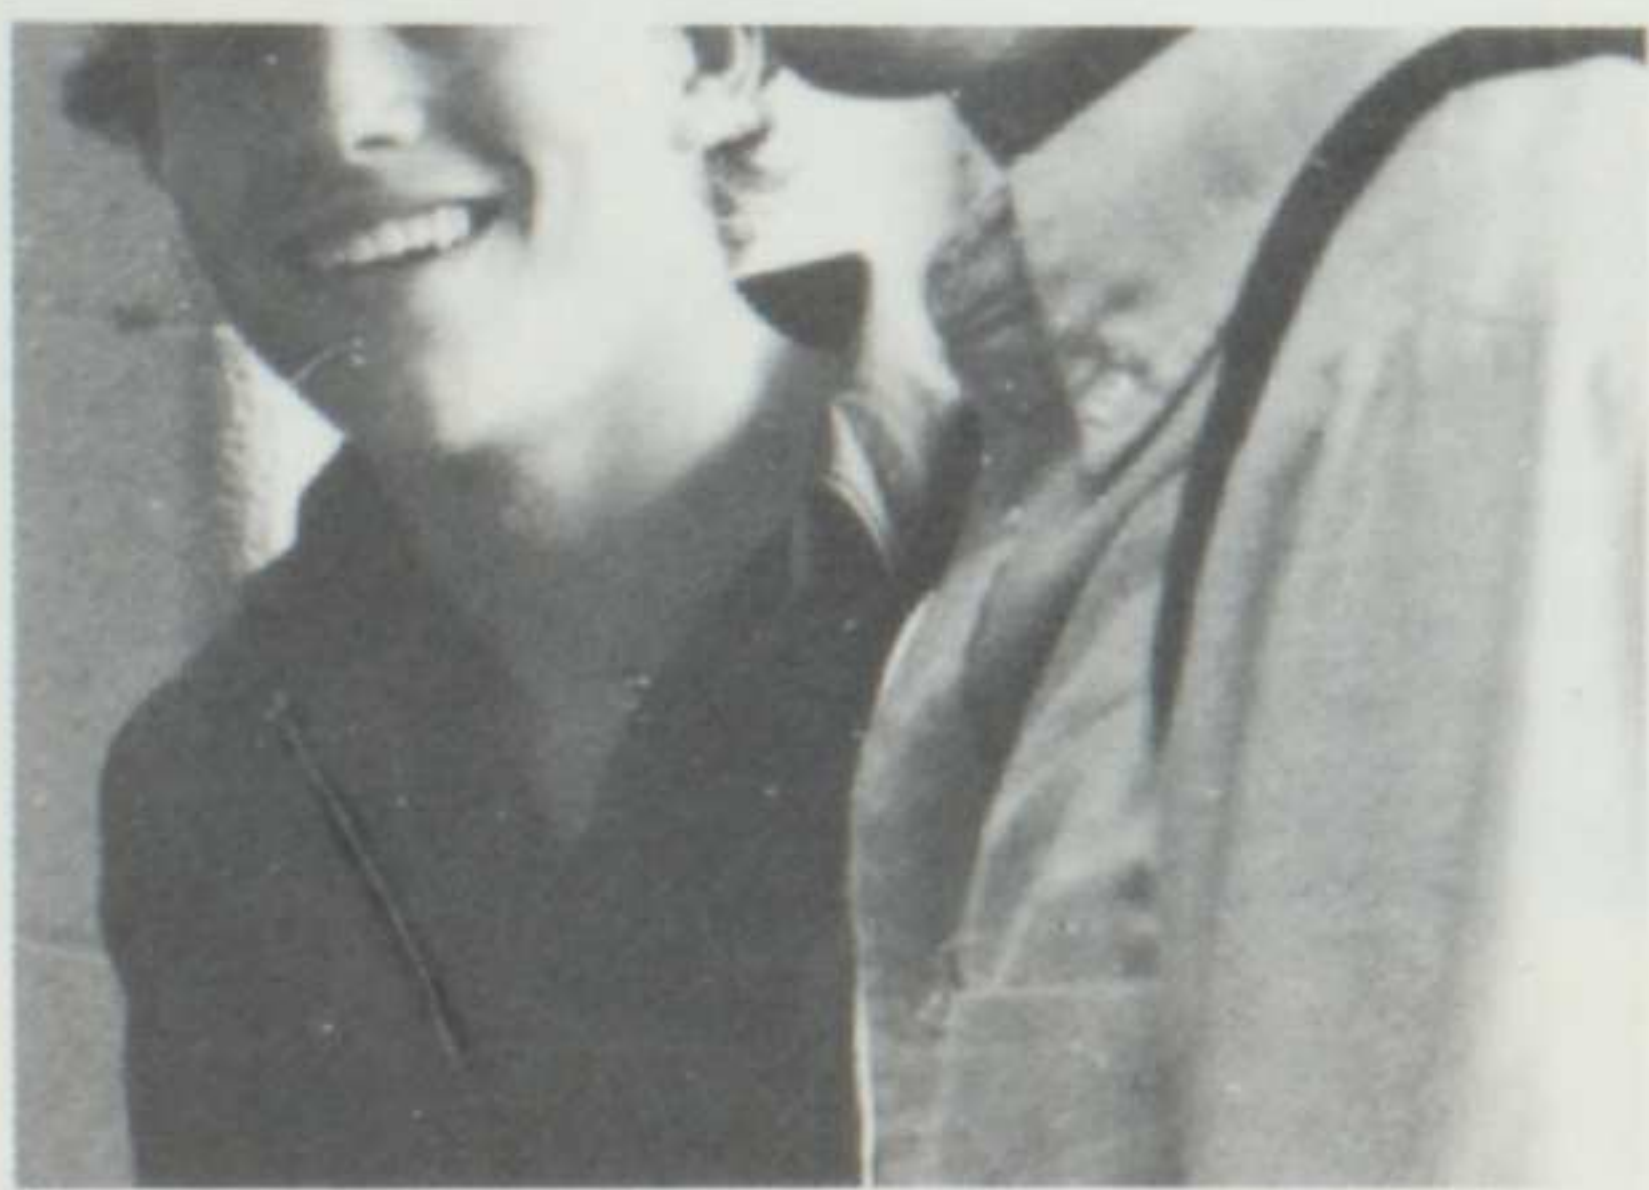

The fortune cookies all read — "a good time for all", and it definitely was a good time. The Junior class truly succeeded in making this year's prom the dance of all dances. JRD

Cardinal Club Cardinal Club Cardinal Club Cardinal Club

Cardinal Club was created to promote spirit, enthusiasm, and support for the Worthington Football Team. The 1981-82 season was fantastic and the near 75-member Cardinal Club was equally great in lending their time, effort and support. This was exhibited by the making of locker signs every week, decoration of the team locker room, hall signs, organization of pep rallies, not to mention the long involved task of putting

together "Spirit Boxes"

The Club as a whole also participated in various other activities and fund raisers. This year Cardinal Club sold ribbons and shakers at main campus, Kilbourne, and even at the middle schools. The profits from these sales helped finance the annual team dinner in which enough fried chicken was purchased to feed the entire team, coaches, and club members after a football

practice. The last and probably most important activity was the organization of Parents Night which was held at the last home football game. Its purpose was to honor the parents' patience and support throughout the season. The 1981 Football Season was indeed one of the best seen in years and the participation and accomplishments of Cardinal Club rated just as high.

Boys Soccer players were supported well this year. Promoting interest in soccer and supporting the players were the main purpose of the club. The girls ran the concession stand and were ball girls during the games aside from the usual locker signs and spirit boxes. The guys had a soccer marathon to raise money for the team. This supplemented the bake sales

held by the girls. The officers were: Kathy Blackford (Pres.), Louise Wigney (Tres.), and Karen Ferguson (Sec.)

Though wrestling may be one of those off beat sports that may go unnoticed by some of the regular sports fans, it is well known by the members of the WHS Wrestling Club. The club was organized to do the stats for the

tournaments and locker signs to support the players. They raised money for themselves by selling cleaners and by parent's donations. They also raised money for the heart fund by Kinder Key caroling at Christmas. The leading supporters were: Paula Scheaf (Pres.), Karen Holtz (V. Pres.), Kelley Wilson, (Tres.), and Sharon Kline (Sec.)

Track Club — Swim Club — Track Club — Swim Club

This year, swim club again supported the boys swim team by timing at meets, making locker signs, and making scrapbooks for the graduating seniors. Although swim club was not involved in any major fundraisers, several bake sales were conducted, and the club was also supported by dues. This year's president was

Leanne Lemerich, vice-president — Kelly Cellar, secretary/treasurer — Karen Ollila. Next years president will be Karen Ollila, vice-president — Leanne Lemerich, secretary/treasurer — Lisa Hampshire.

The girls track club was alive and working well this year. During boy's home track

meets, they could be found at the track doing their various tasks: raking sand at the long jump; measuring the bar at the high jump; playing with stop watches at the finish line; and sounding sexy over the PA. Their efforts were appreciated by the staff of coaches and the entire team.

The Worthington Girl's Lacrosse Club, 50 strong, had a very successful season in fund raising and in their matches. Combining the monies made through the concession stand, their "Fish Pond" booth at the Winter Carnival, and the individual selling of coupon books — they were able to raise over \$1500. The club consisted of three teams which all travelled to Brooklyn, Michigan for a weekend lacrosse clinic in April.

Basketball Club — Baseball Club — Basketball Club — Baseball — Club

WHS Basketball Club works long and hard to make basketball season a success. The little sis' work all year round from car washes in spring to selling programs at football games in the fall, to counting buckets at the shoot-a-thon in mid December.

The girls each chose one player who will be their big brother for the season. The girls make locker signs, bake

cakes, and decorate rooms for their players.

The club members are responsible for annual dues and helping at fund raisers such as the pizza sale in January.

The club does a lot of work which the parents club, the coaches and most importantly the players are thankful for.

Whistles, spirit boxes, locker signs, crowded bleachers are

all a big part of the Cardinal Baseball Club. The Baseball club was designed to support the Varsity and Junior Varsity Baseball Teams, and to promote Baseball in our high school. The club begins working early in October with fund raising — pizza and bake sales, which support our team during the season and Sponser the end of the season banquet.

Gymnastics Club — Tennis Club — Gymnastics Club — T

Looking back at the Boy's Tennis team season, the tennis club members remember many things: the late hours spent at making locker signs, cheering at matches with 30° weather, and trying to keep up with the stat sheets. However, it was well worth it for all the fun times and memories that were shared. This was the first year for WHS to have a tennis club. It was formed by a group of girls interested in supporting the team. The members attended matches, made locker signs, and kept stats. This has been a very

successful club and hopefully it will be more so in the years to come.

The Gymnastics Club of 1982 was a great success. After having lost three quarters of it's members to the graduating class of '81, there was plenty of recruiting to be done. President Kim Epstein, Vice President Suzy Baker, Secretary Gigi Pecek, and Treasurer Tara Garvin all worked hard to make up the largest club that there has been these past four years. Projects included bake sales, a Flipathon, and selling

Christmas tree ornaments. Because of this year's club, the gymnasts received much more publicity than previous years. This was accomplished by the gymnasts performing at half-time during a basketball game and having a pep rally to recognize them. The girls ran all the home meets, provided locker signs, went to the away meets for Regional and State, hosted a club and team party, and organized a banquet at the end of the season at the La Scala Restaurant. Congrats girls for a job well done.

Tradition has continued another year. The confrontation of the fighting Juniors and Seniors was well prepared for. Practices started in early October as the girls prepared for Battle. Bruises and even broken bones were felt but the game activities were well worth the

effort. Nearly everyone was aware of the excitement felt by players and enthusiasts the day of the game. Unfortunately some activities were felt to be too destructive by the school authorities. Never the less, the day was enjoyed by all.

The game itself was exciting to

the players but maybe a little less so to supporting spectators. The seniors finally pulled off a 28-8 win. Though the defeat was not close, the Juniors achieved the honor of being the only team ever to have scored against a Senior team.

Cheerleaders Cheerleaders Cheerleaders Cheerleader

The childhood dream of most little girls has become a reality for 24 WHS students. All the glory of cheerleading is much to be admired but hard work is an essential element for preparation. The girls attended a summer clinic for three days from 9:00-2:00. This served as a workshop to get them ready for the on-coming season.

All appreciated how nice the girls looked in their new uniforms. They were paid for by a Pizza Sale fund raiser.

The girls are guided this year by a new advisor, Sandy Weaver. According to Captain Jenni DeBord, she did great this season. This definitely paid off at the O.S.U. Clinic where our own WHS cheerleaders

took first vs. all of Ohio.

When April comes, it will be sad for the girls to see new faces taking their spots for the next year. It was an enjoyable experience for all.

The girls were lead by JV co-captain Kim Kerscher, captain Wendy Kalinowski, Varsity Co-captain Shannon Timperman, and captain Jenni DeBord.

The Cardinal Cadettes are a school spirit and support group that performs at all football games, as well as basketball games, and boy's and girl's soccer games. They annually participate in

the Memorial Day Parade and perform for an OSU basketball game. The team also successfully competes against other drill teams during the summer and during competition season.

Behind our football team stands a crowd of enthusiasts, devoted to their music and our team cause. Their music can be heard ringing through the campus two weeks before school is in session at 7:30 A.M. and after school until 4:45 P.M. The time that some students take for granted is well spent as the performances show.

If you listen carefully, the sounds of our bands can be into the winter and spring. Concert band consists of

Freshmen and Sophomores and meets 2nd period. Symphonic band consists of Juniors and Seniors and meets 3rd period. The bands have two concerts in the winter and the spring.

Some of the students also participate in Stage band which plays for the school and at other invitational performances.

Band Boosters is a supporting group of parents who raise money for the bands. They raise money for

instruments on "Tag Day" this past fall. Members of the band collected money for which they gave a tag of recognition to the donor. The money which is raised also helps support the annual trip to "Kings Island".

The members of our band truly involve their entire lives with music and all the activities that surround the club. Band is not just a club; its an adventure.

1981-82 was another outstanding year for the W.H.S. Orchestra. Meeting every day during fifth period, the orchestra worked diligently to prepare for the winter and spring concerts. The winter concert included a solo on the bass by Steve

Ullery. The spring concert included a viola solo by Rob Roth and a piano concerto by Harold Picken. Both Concerts, held in the Worthington High School auditorium, proved that even among high schoolers, classical music lived on.

Many of the members also participated in the pit orchestra for the musical, "The Music Man." These unseen performers are better known as Haney's Heroes.

"Oui." "Sil vous plait."
 "Excusez-moi." Do you recognize these expressions? These words, which translate respectively into "yes", "please", and "excuse me" were made familiar to many Worthington students during the weeks of April 5-8 and April 12-16.

During this period, Worthington experienced a "Normandy invasion" of its own as French exchange students from Caen, Normandy arrived to spend two fun-filled weeks of living

and learning in the homes of Mr. Robert Ballinger's French IV class.

The exchange students, who attend Mal-Herbe (Bad Grass) High School in Caen, made the annual trip on April 2, under the leadership of Madame Danielle Le Quere. The American French IV students had earlier made the trip to Caen during the last three weeks in February.

Everyone involved agreed that the exchange was a wonderful and exciting experience. Mr. Ballinger,

organizer of the program, was very supportive of it. "... Language is the most important thing (since) language is part of culture, (and) culture is a part of people." He also observed that the subtle details which make each culture different were contacted by both Americans and French during the exchange and contributed to its importance. This year Mrs. Larson led the WHS students to Caen for the exchange.

The purpose of Spanish National Honor Society is to recognize high achievement in Spanish and to promote interest in Hispanic Studies. A student must be currently enrolled in, or completed Spanish III to be enrolled in SNHS. He/she must also have at least a 3.5 grade point average in Spanish and a 3.0 overall average. One of

the major activities is the initiation ceremony in the Fall. This year the club's other activities included having dinner in a Mexican restaurant, and operating a booth at the Winter Carnival, where they sold nachos and mexican cookies.

Any WHS student studying Russian is automatically a member of the Russian Club.

This year the club went to see cultural films, had a Russian chef cook lunch for them, and saw the Yugoslavian dance troupe, "Zivili" perform. Mr. Pasovich is the club's advisor. Officers were Karen Sorenson (Pres.), Mark Richardson (V. Pres.), and Matt Sobolewski (Treas.).

Backpacking Club — Backpacking Club — Backpacking Club — Backpacking Club

As in past years, members of the WHS Backpacking Club convened in the fall with a common purpose: further enjoyment of the outdoor world. Under the direction of club advisor Jim Immelt, the group made several weekend-long excursions into southern Ohio's Hocking Hills region. In addition to offering weekend backpacking trips, during the bi-weekly meetings the group sponsored equipment and technique talks, and planned upcoming events. The Backpacking club, also sponsored its famous "Ice Cream Has No Bones" Ice Cream Booth at the winter carnival. The Financial success of the Ice Cream sale helped contribute funds to the long awaited climax of the year, the annual memorial day weekend trip to West Virginia. The Club encourages new membership from all those who enjoy outdoor recreation.

The Archaeology Club is a small club who's main activity is going on field searches to look for American Indian artifacts. This year the club also provided support for the native Americans in this area through a canned-food drive at Christmas. Where else can one find a link with the past worth up to \$180 in an afternoon?

Archaeology Club — MGA — Archaeology Club — MGA — Archaeology

As a take-off from one of last year's clubs, P.S.B.C., a new club was founded. This club, M.G.A., or Minority Groups in Action, was created to help the minorities in our school enrich not only themselves, but the entire student body as to the activities of minorities in our area.

The activities of M.G.A. this year included an obstacle course at the Winter Carnival and Christmas caroling. In the Spring, they traveled to East High School to see culture variations.

The 1982 Cardinal Yearbook staff has worked long and hard to prepare a memory book that we all could treasure with pride. Though we have all had our trying moments, through lost negatives, broken cameras, no-show picture days, color section deadlines, whiny editors and a host of other trivial matter; we still

appreciate the work we all accomplished together creating a product worth sharing with the entire student body.

If we had our chance, each member would surely enjoy expressing our gratitude toward all who helped make our individual jobs a little easier. The staff

would especially like to recognize Joan DeWitt and Ken Melching, our blindly fearless leaders, for helping us rookies through a trying year.

Those of us who are graduating would also wish the staff for the up coming year the very best of luck in their endeavor.

National Honor Society — National Honor Society — National Honor Society

The National Honor Society is a service organization which provides valuable assistance to the school. The most important aspect of the NHS is the tutoring program. Students in the NHS sign up at the beginning of each year to provide tutoring assistance

to students needing help. This year members of the NHS went Christmas Caroling to area retirement homes. Besides tutoring and Caroling, the NHS's largest activity is the election and induction of members.

Each year approximately

10% of the Junior Class and 5% of the Senior Class is elected into the NHS by the basis of character, leadership, and service. The inductees are then officially registered into the NHS during the induction ceremony.

The 1982 Worthington *Writerspatch* Staff was dedicated to the worthy principle of literary excellence. Throughout the year, this small but highly competent staff, under the guidance of Mrs. McDonald and under the direction of editor Lisa Tipshus, gathered and organized the many fine contributions to the school's literary magazine. Extra revenue was raised through bake sales and a Winter Carnival booth. The staff ended its year with a banquet.

Thespians Thespians Thespians Thespians Thespians Thespians Thespians Thespians

Why is it that annually, one day in May, at least fifteen people are willing to make fools of themselves by wearing costumes and doing minute-long monologues at the flash of a yellow card? This rite is commonly known as Thespian Initiation. The yellow, International Thespian Society Membership Card is their goal.

In order to be privileged

enough to go through this torture, a person must have earned at least 10 Thespian points — the equivalent of approximately 100 hours of work, either backstage, props, costumes, make-up, stage crew, lights, or set construction; or on stage; acting or student directing.

Activities that Thespians participate in during the year include the Fall play and attending the State Thespian

Conference, held annually at the sponsoring high school. Conference usually takes place in April over one weekend and features skits by other high school Thespian troupes as well as various acting, make-up, and technical workshops.

The largest task that WHS Thespians sponsor, is the Spring Children's Play. Although it usually does not last longer than an hour, the

s Thespians Thespians Thespians Thespians Thespians Thespians Thespiars

show takes more time to coordinate than a regular production. Not only must sets and lights be designed for the show, but they must be created simply enough for the cast to easily take it down to be moved a total of eight times. The children's play tours all seven elementary school's giving a total of 15 performances plus three additional public performances. (For those of

you who are counting, that is 18 shows.) Even though the children's play may be very demanding, the cast and crews usually find the time and energy after the final performance at the last elementary school to relax by having a picnic at Highbanks and reflecting back on past shows and experiences.

This year's hard work is

behind us now. The sets for the shows have been struck and the curtains slowly shut on these as another WHS Thespian production season comes to an end. Through all of the lack of sleep, sweat, and worry we have done our best to live up to our motto: Act well your part, there all the honor lies.

Goal

1981 was to have been a rebuilding year for the boy's varsity soccer team. After the loss of thirteen valuable seniors, this seemed an almost herculean task. The young team, led by co-captains Jeff Insell and John Weixel had only seven returning lettermen, yet still played an outstanding season. Faced with a tough season, and set back with numerous injuries, they finished with a 14-3 record and a shared O.C.C. title.

For the seniors of 1982, the last four years will be remembered as quite an eventful high school soccer experience, this year offered no exception. Welcoming the third coach of their soccer history, the girls eagerly anticipated the season ahead of them. John Cutbush, a native of London, England, was in America teaching the Goal Soccer Camps, and decided to coach for Worthington. Ron Acuma, studying at Ohio State University, offered to coach the Junior Varsity team.

As the season progressed, Coach Cutbush received an offer to play for the M.I.S.L. Wtchita Wings, an indoor soccer team. With some help from Herb Hoffenbeck, Ron Acuma was left to finish off the 8-3 season. Though disappointed that the Worthington Invitational was cancelled, the girls exhibited tremendous effort and played every game to the best of their ability. Four of the seven Varsity seniors were awarded their fourth varsity letter, something quite uncommon.

HIKE

The 1981 football team rolled through one of the state's toughest grid schedules enroute to a highly commendable 8-2 season. The schedule included eight opponents who were at some point in the season rated in Central Ohio's top ten. The Cards finished the year rated fifth, according to the final Columbus Dispatch poll.

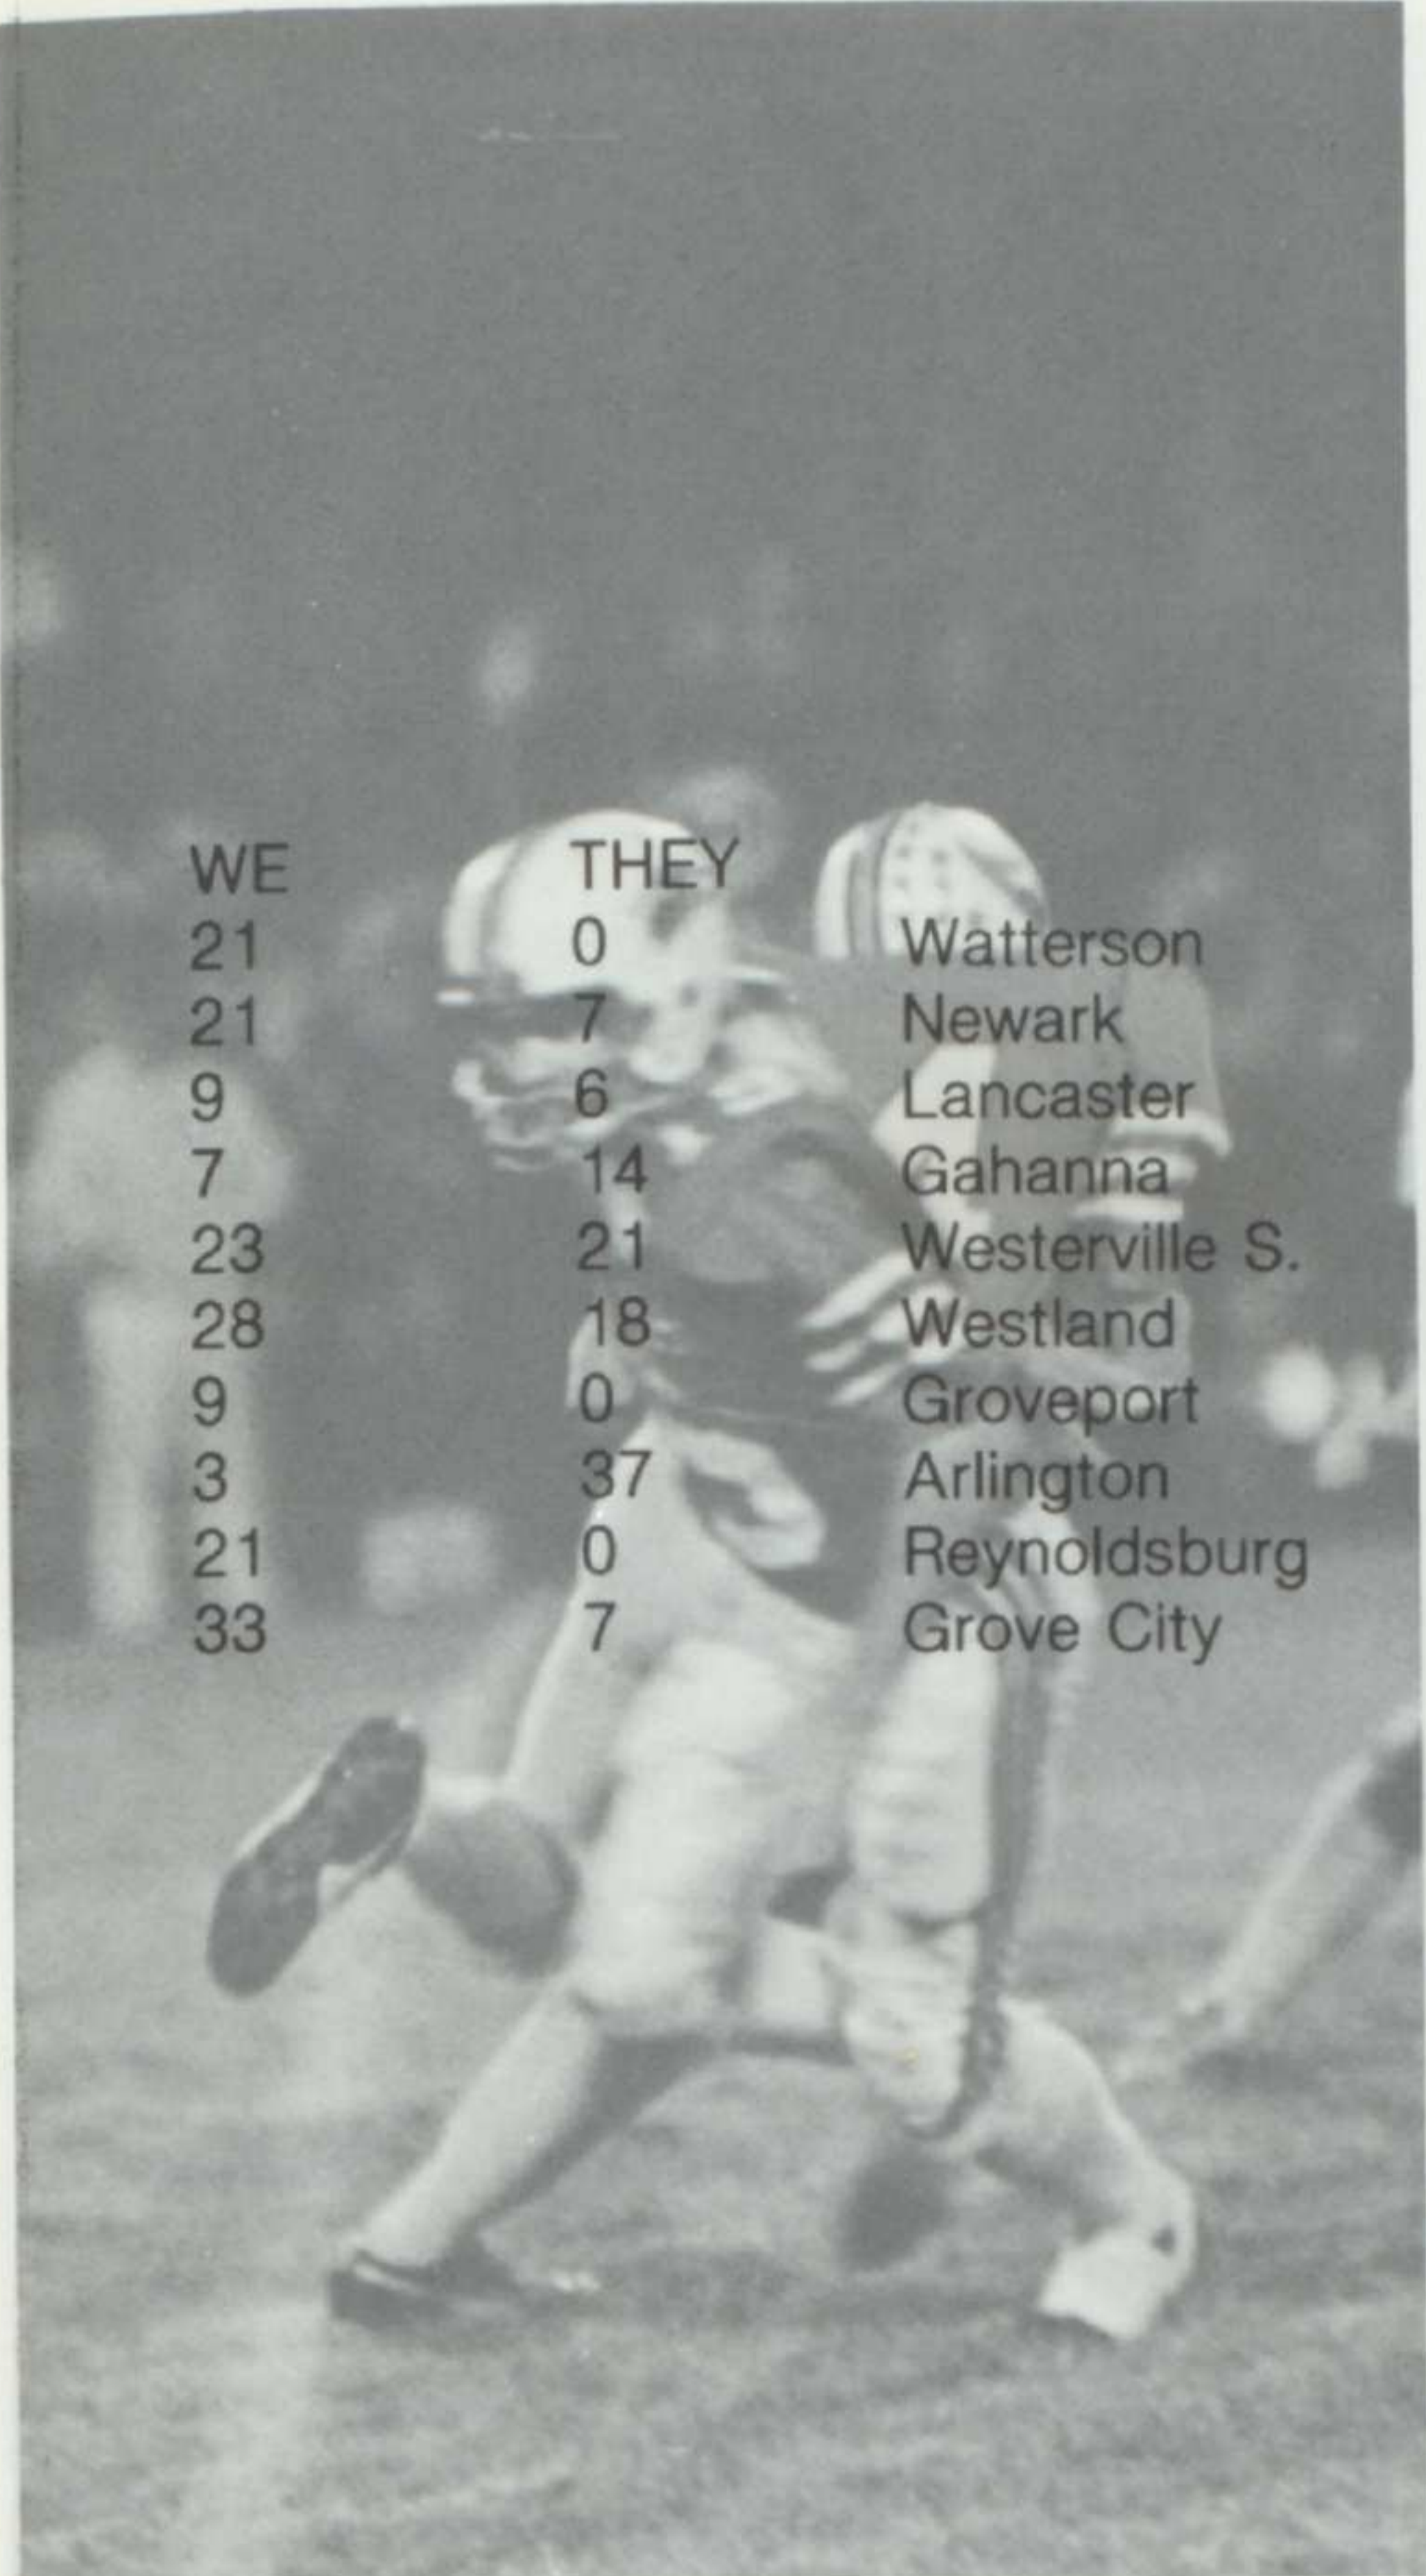

All-district linebacker, and co-captain Dan Jurkowitz paced the Cardinal defense, setting a new school record for tackles. David Wagner also received all-district honors, and Tim Meeks was named all-OCC defensive guard. Quarterback and co-captain Judd Betts' brilliant passing and inspired leadership helped the offense, including all-OCC tackle Zack Napier and honorable mention tight end Billy Miles, move the ball when it really counted.

The student body showed great support for the gridgers this year, especially a group of black-clad seniors, affectionately known as "The C.P.", and the newly formed T.W.K.B.

Betts takes the kickoff.

Sticks

With growing enthusiasm for the program, Worthington's field hockey team of thirty-five strong surpassed their own expectations for the season. Although their record was not outstanding, when tournament play began, they looked like champions. Showing more determination and desire, they took the first two games, giving them their first sectional championship. The season ended with many tears, many good memories, good friends, an excitement about the future, and a district runner-up title.

Top Row: Mike Tedrick, Brent Perkins, Mark Frick, Kevin Stichter, Sean Hart, Coach Gary Smith.

Endurance

This year's crosscountry team, led by senior captain Adam Miller, finished the season undefeated in dual meets. The season included two defeats over upper Arlington, and top places in large invitationals.

The team was not without disappointments though, early in the season Steve Griffith severely sprained his ankle, which, along with many other problems, led to a third place in the district meet

Once again Worthington High School's volleyball team was as successful as any team before it. With an over-all record of 14-6 the team had much to be proud of. They ended the season as sectional champs, after losing to Westland in the districts.

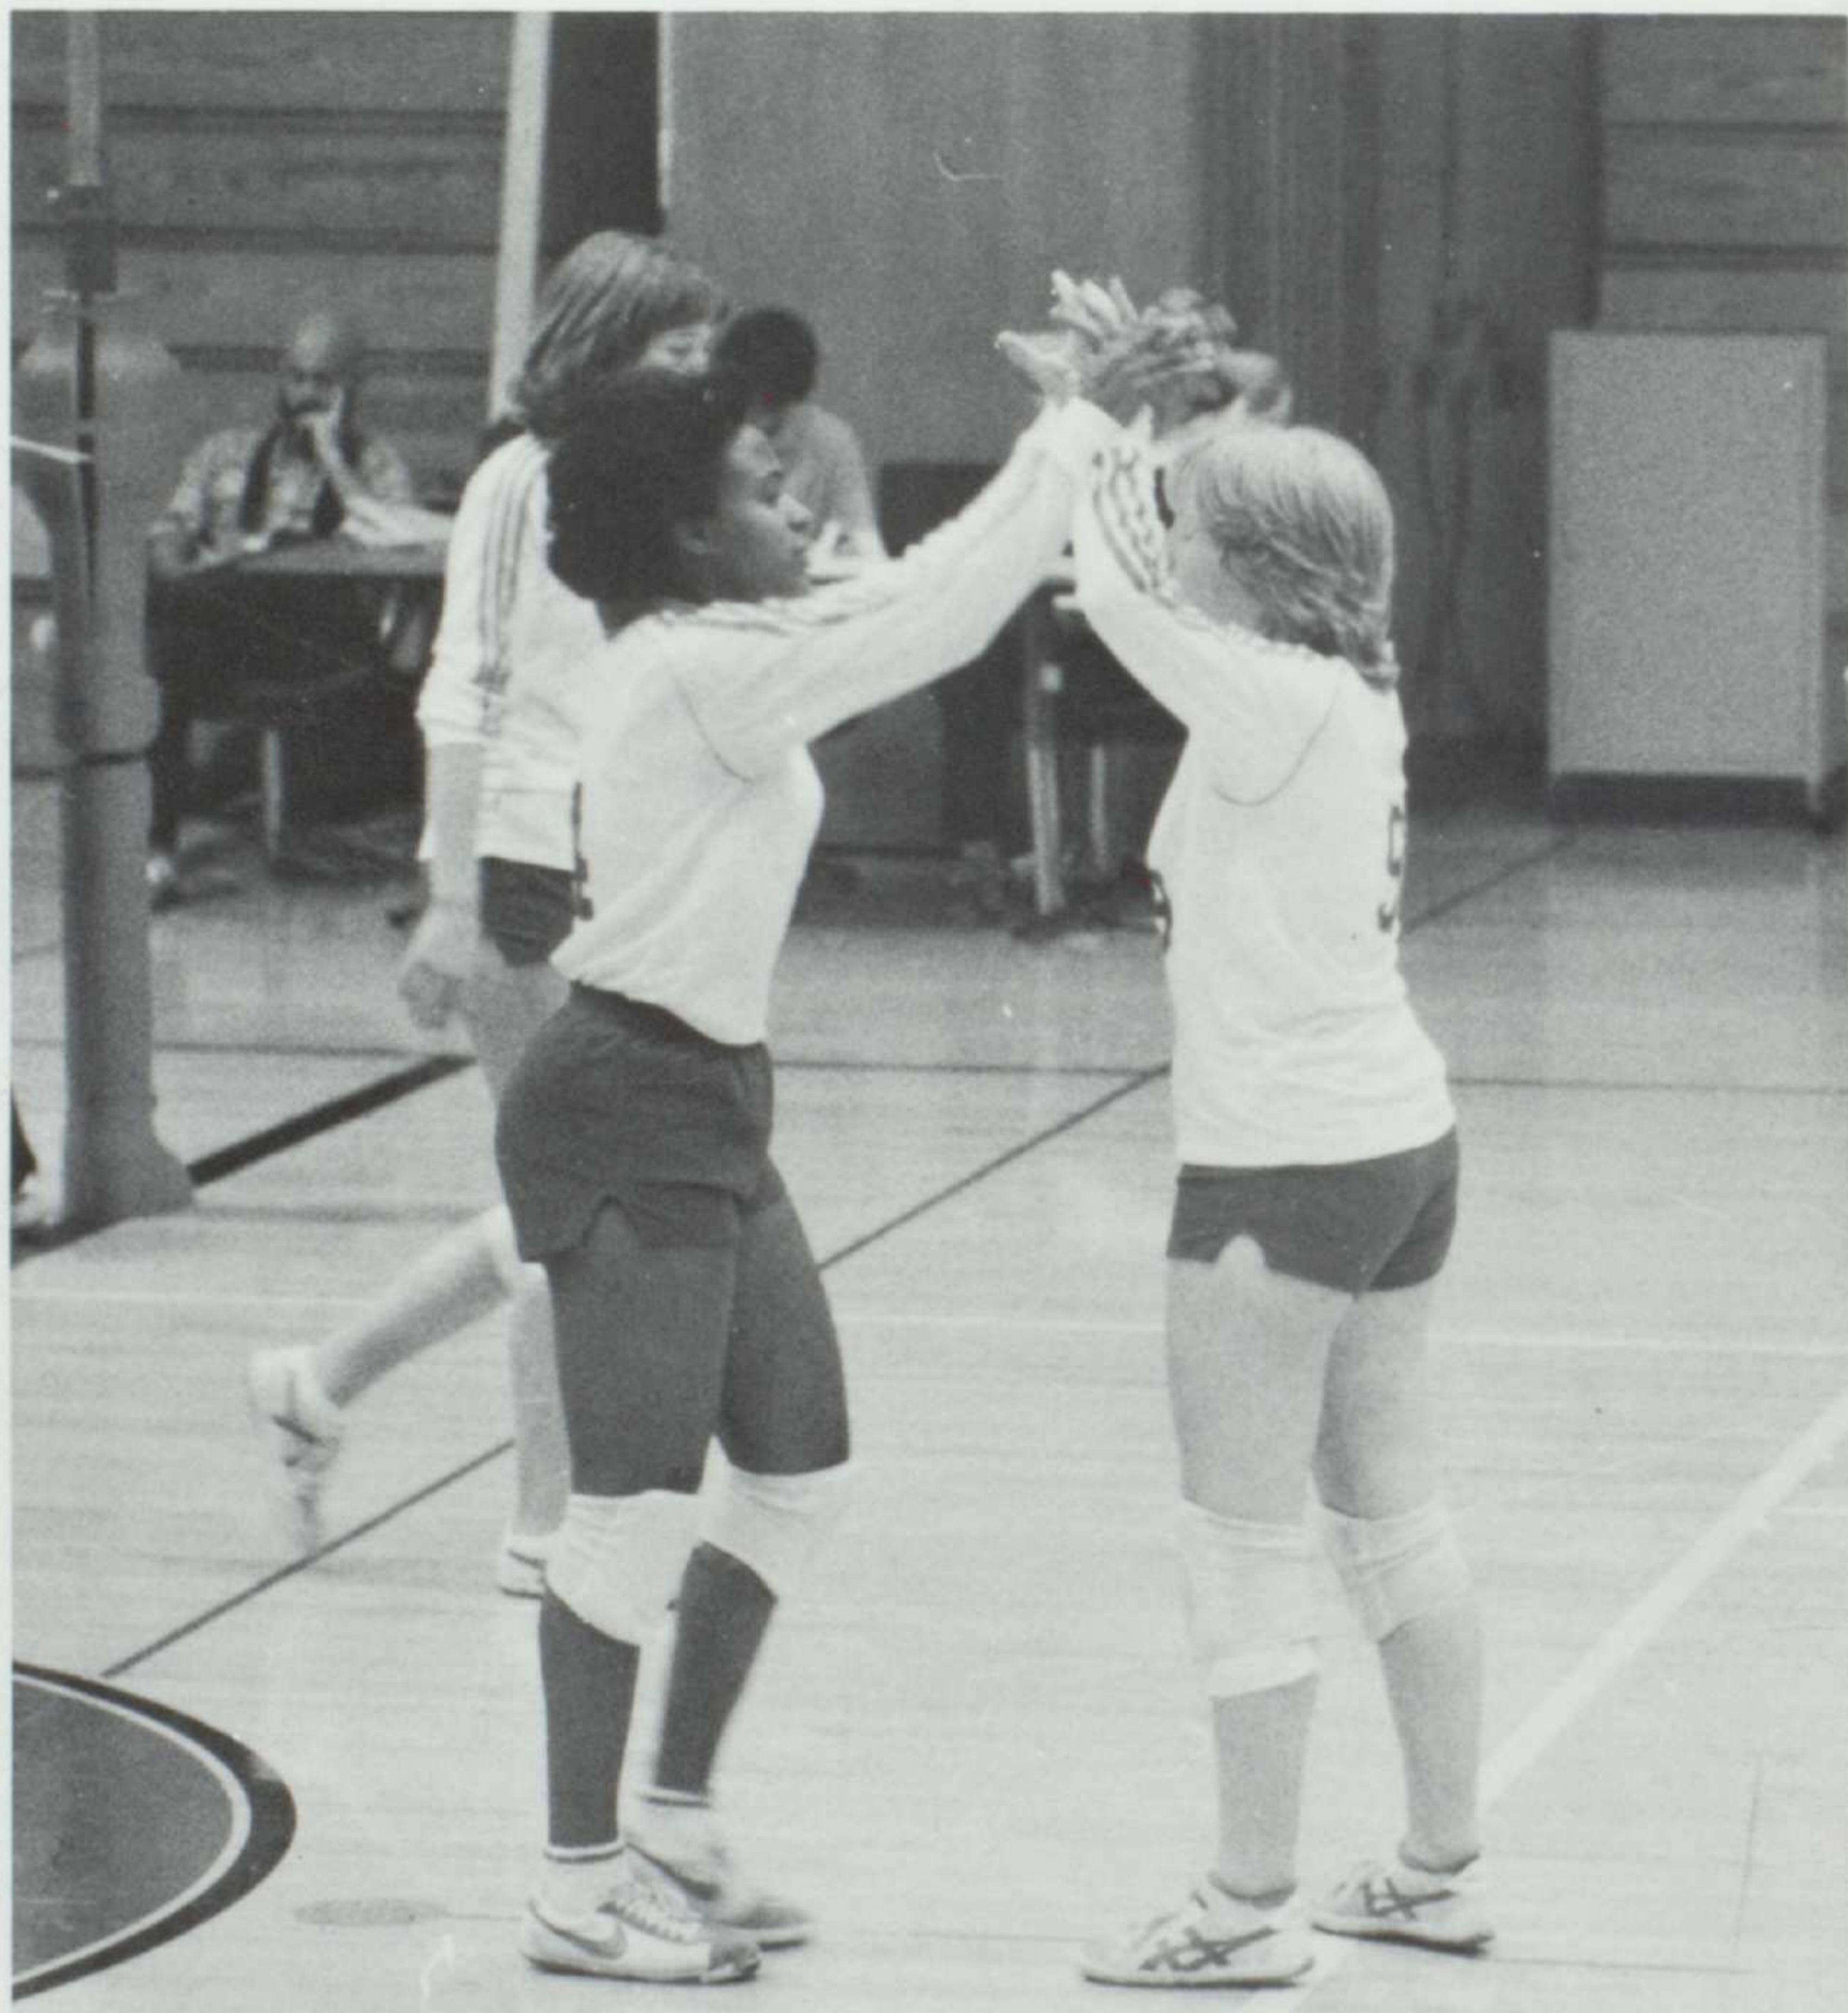

The team was lead by six seniors, including captains Lynette Macer and Peggy Kirwan. Next year's squad will include five returning lettermen, including Junior, Lynne Steele, who, along with Senior, Lynette Macer were named to the All-League team. Senior Peggy Kirwan received honorable mention.

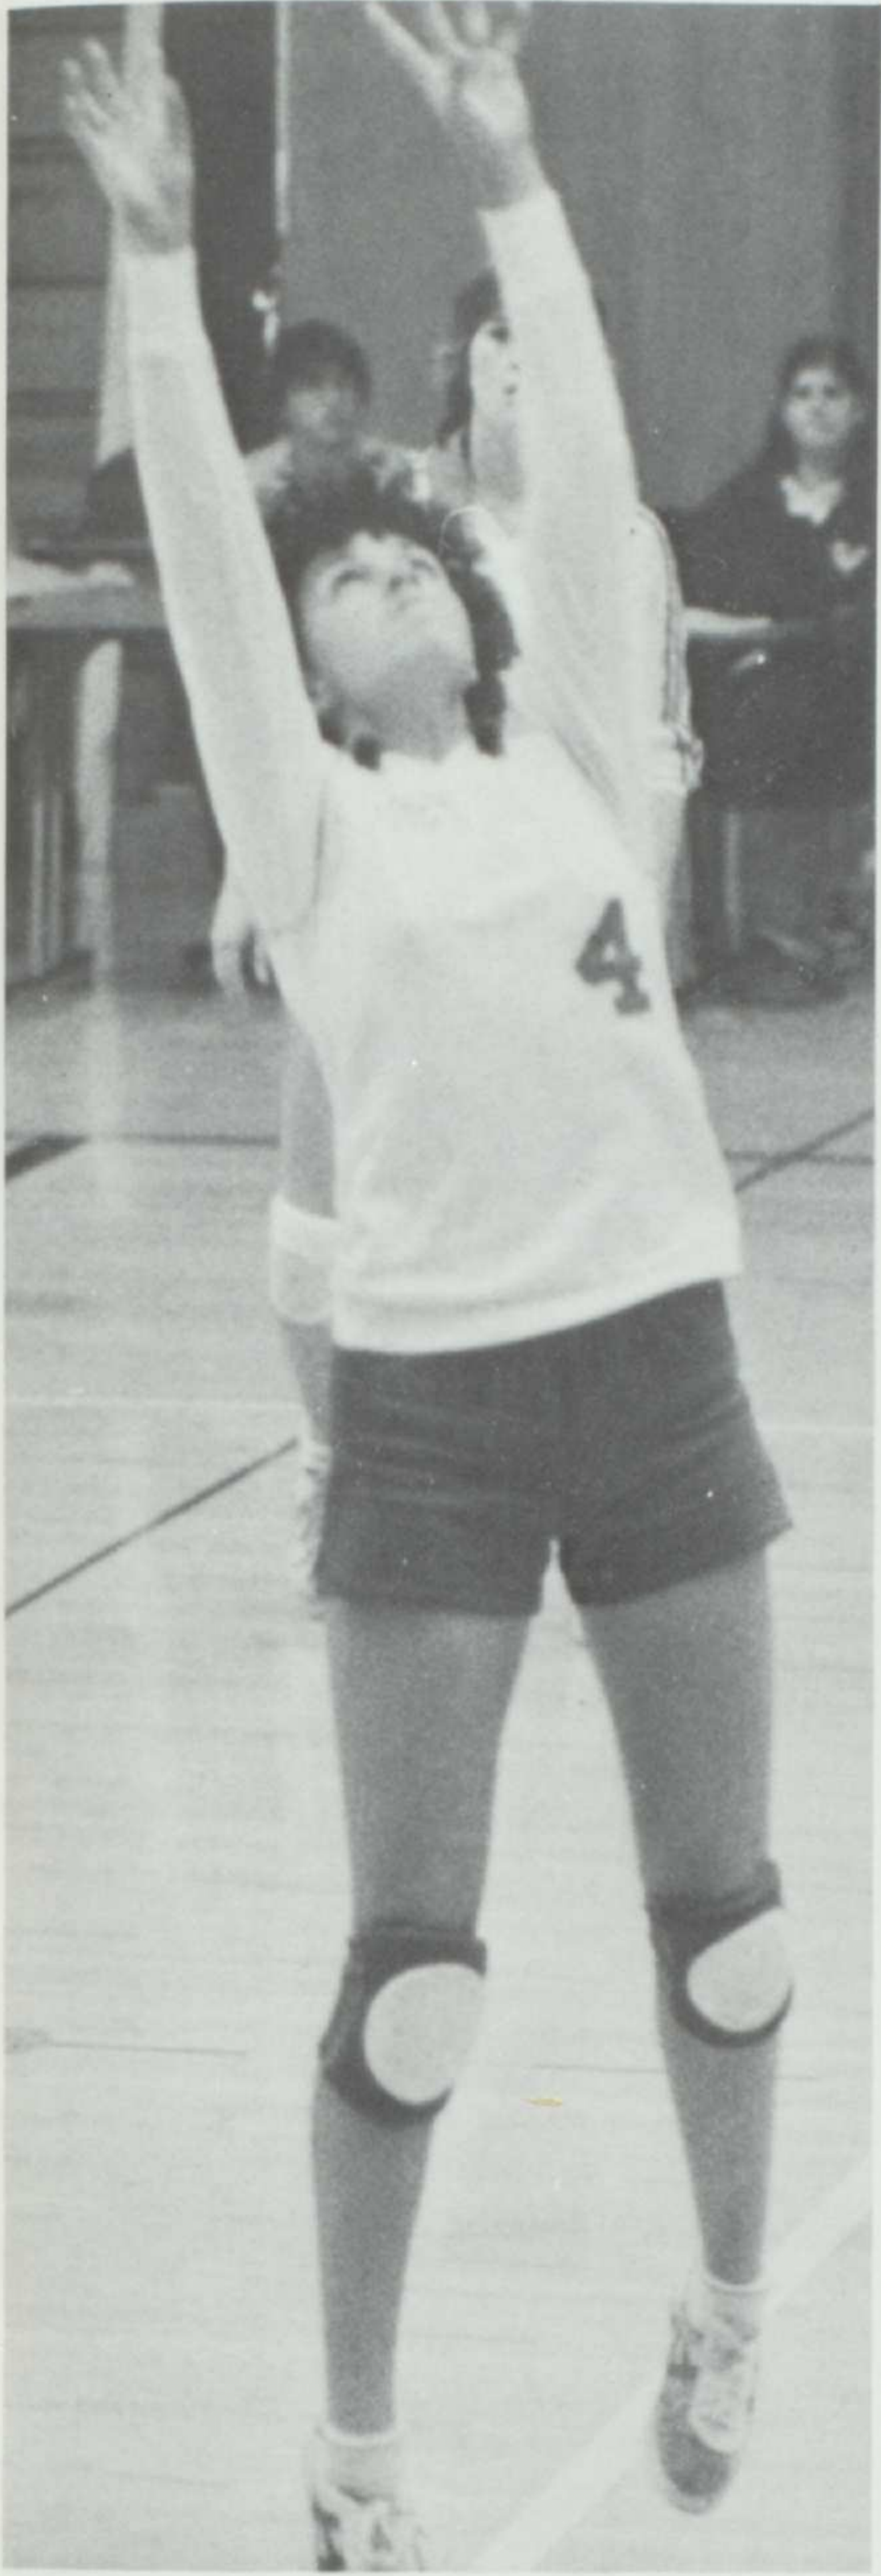

Front Row: Sheri Barber, Debbie Cotter, Peggy Kirwan, Karen Sorenson.
Back Row: Coach Elin, Lynne Steele, Lisa Burns, Lynnette Macer, Lynn Speilman, Debbie Dowling.

Smash

The Boy's Tennis Team, under the direction of Coach Allan Fuller, was finishing the season. The best individual record on the team was 9-2, held by Senior Greg Brooks who played first and second team doubles.

The Team was balanced with five seniors, four Juniors, three Sophomores, and four Freshmen. Even though there are five seniors leaving, "it shouldn't hurt the team so bad if the Freshmen work hard and improve," states Senior Greg Brooks.

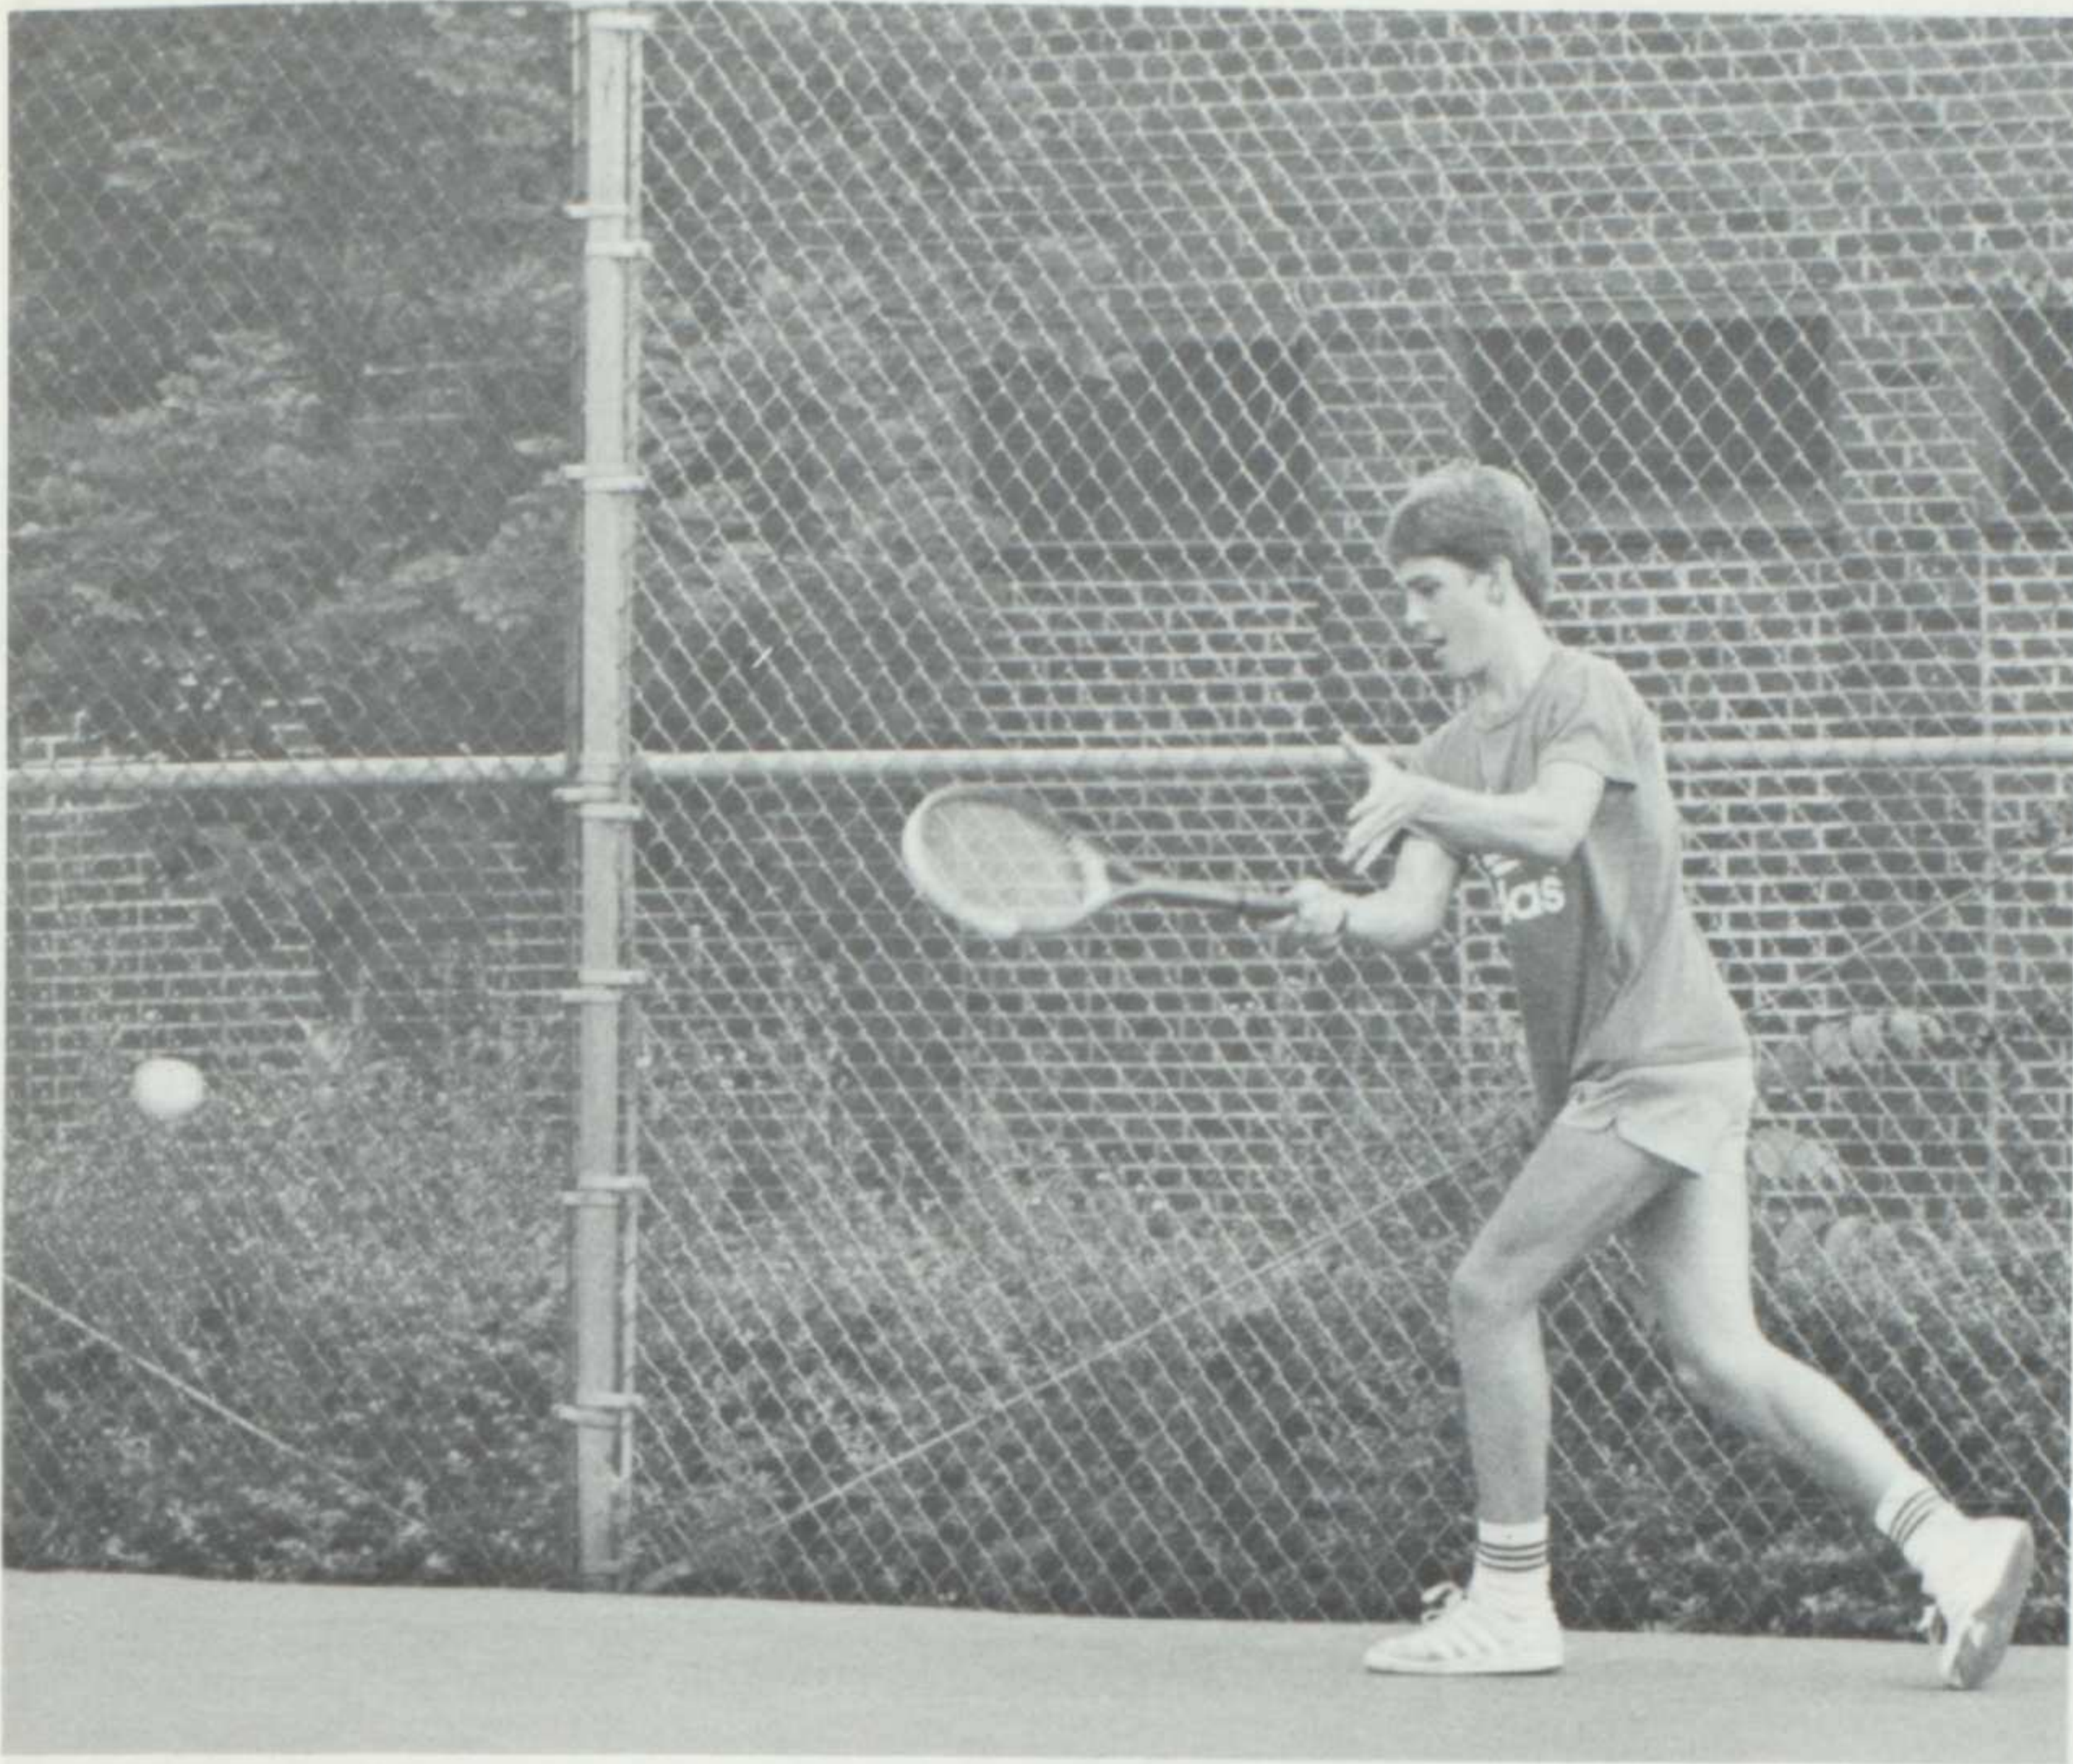

Coach Fuller is also emphatic in stating that the underclassmen will carry the team in '83. The Seniors leaving the team are Greg Brooks No. 1 singles player, John Scott, Chris Parker, Mark Susi and Glen Hagler.

Smash

With a swing, lob, and ace, the Worthington tennis team ended another smashing season. The spirit of new and old players alike, added enthusiasm and energy through the months on and off the court. The Varsity Team, with coach Jeri Stephen, consisted of Kristen Peterson, Korey Kersher, Michele Stephenitch, playing singles positions 1, 2, and 3 respectively. Mary LaFontain and Anne Fisher doubled up to form a strong duo. Lynn Hillock and Charlene Evans alternated the number 2 position with Debbie Lee and Claire Fleming. Although the Varsity Team took second at the O.C.C.'s this year, being overcome by Upper Arlington, they made up for it with their success in sectional, district, and state competitions. Kristen Peterson, Korey Kersher, Michele Stephenitch, Anne Fisher, Mary LaFontaine, and Lynn Hillock won sectionals, and qualified to advance to district competition. At districts, Kristen Peterson displayed her skills by taking second place, and Michele Stephenitch doubled up with Korey Kersher to receive third place. All three players qualified to compete at state. Triumphant, Kristen Peterson finished third and the doubles team Michele Stephenitch and Korey Kersher took fourth. The Varsity's season record proved the strength and talent of each player. Likewise the J.V. Team, with coach Karla Young, played an outstanding tennis season. The J.V. Team consisted of hardworking and devoted members. Their 10-1 record reflected these admirable qualities. The Coaches and players had a smashing season and are anticipating an even stronger team next year!

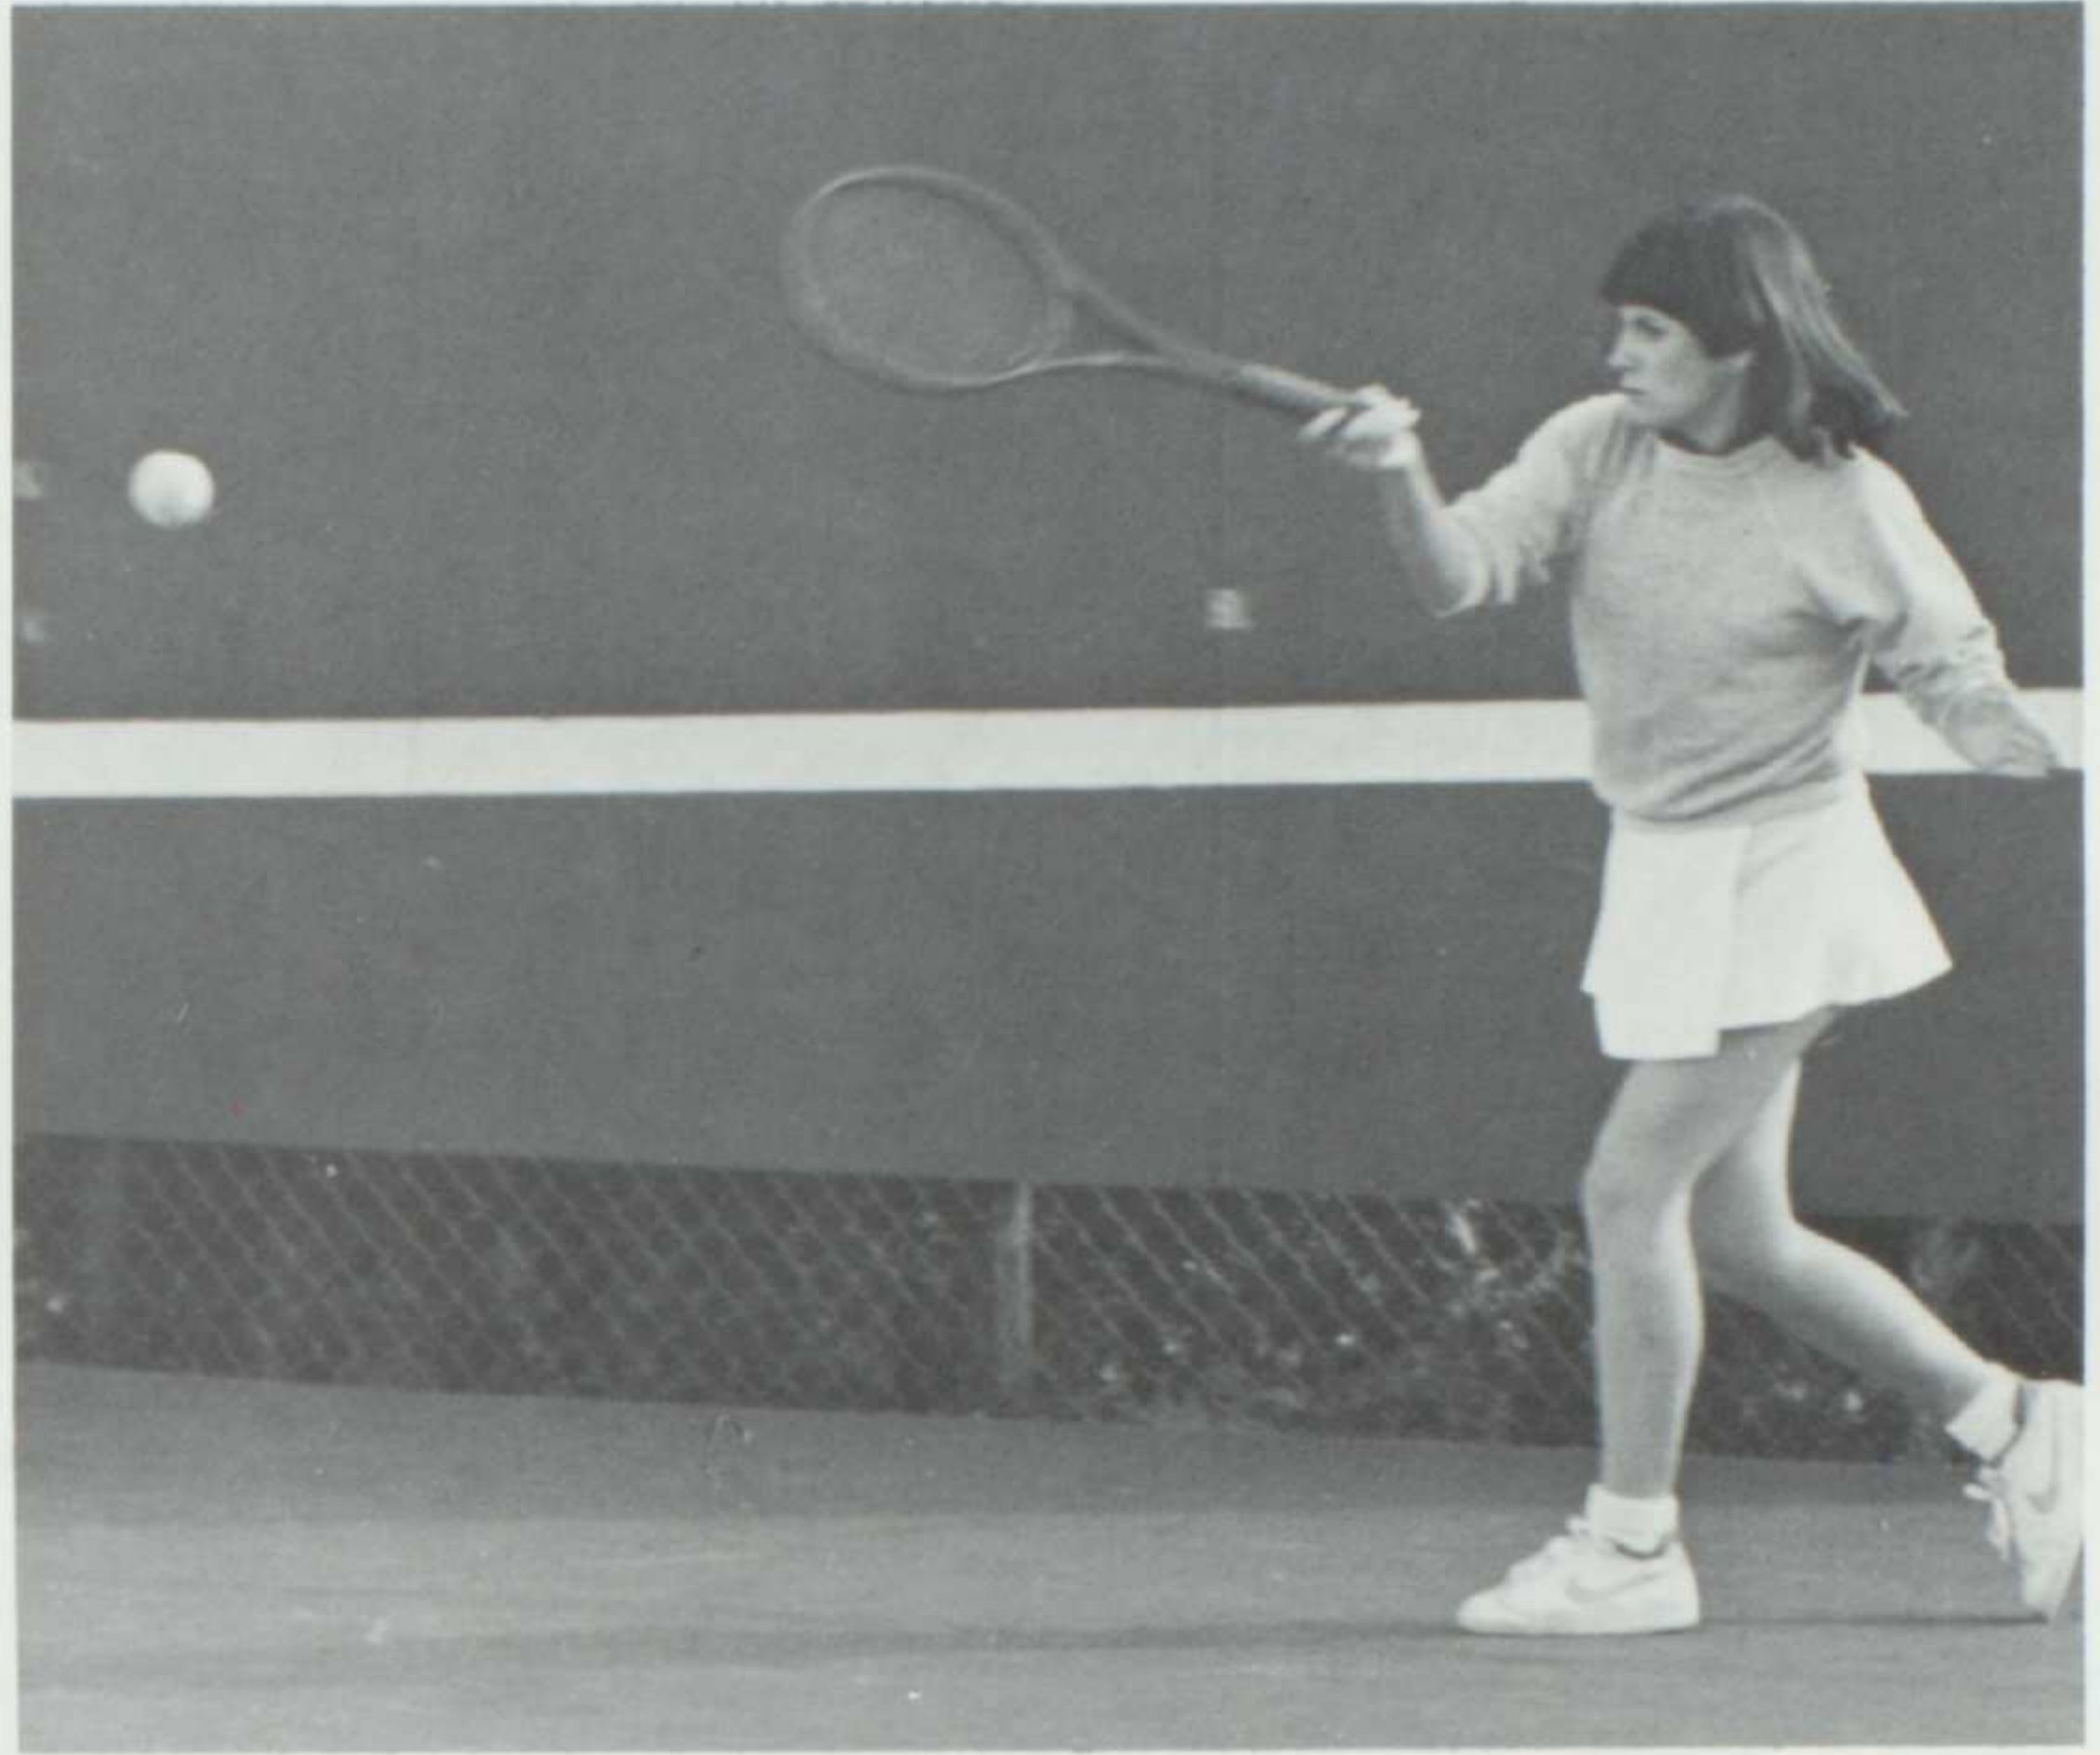

Front Row: Anne Fisher, Debbie Lee, Mary LaFontaine, Kristen Peterson.
Back Row: Clair Flemming, Charlene Evans, Lynn Hillock, Michelle Stephenitch, Korey Kersher, Coach Stephan.

Hoop

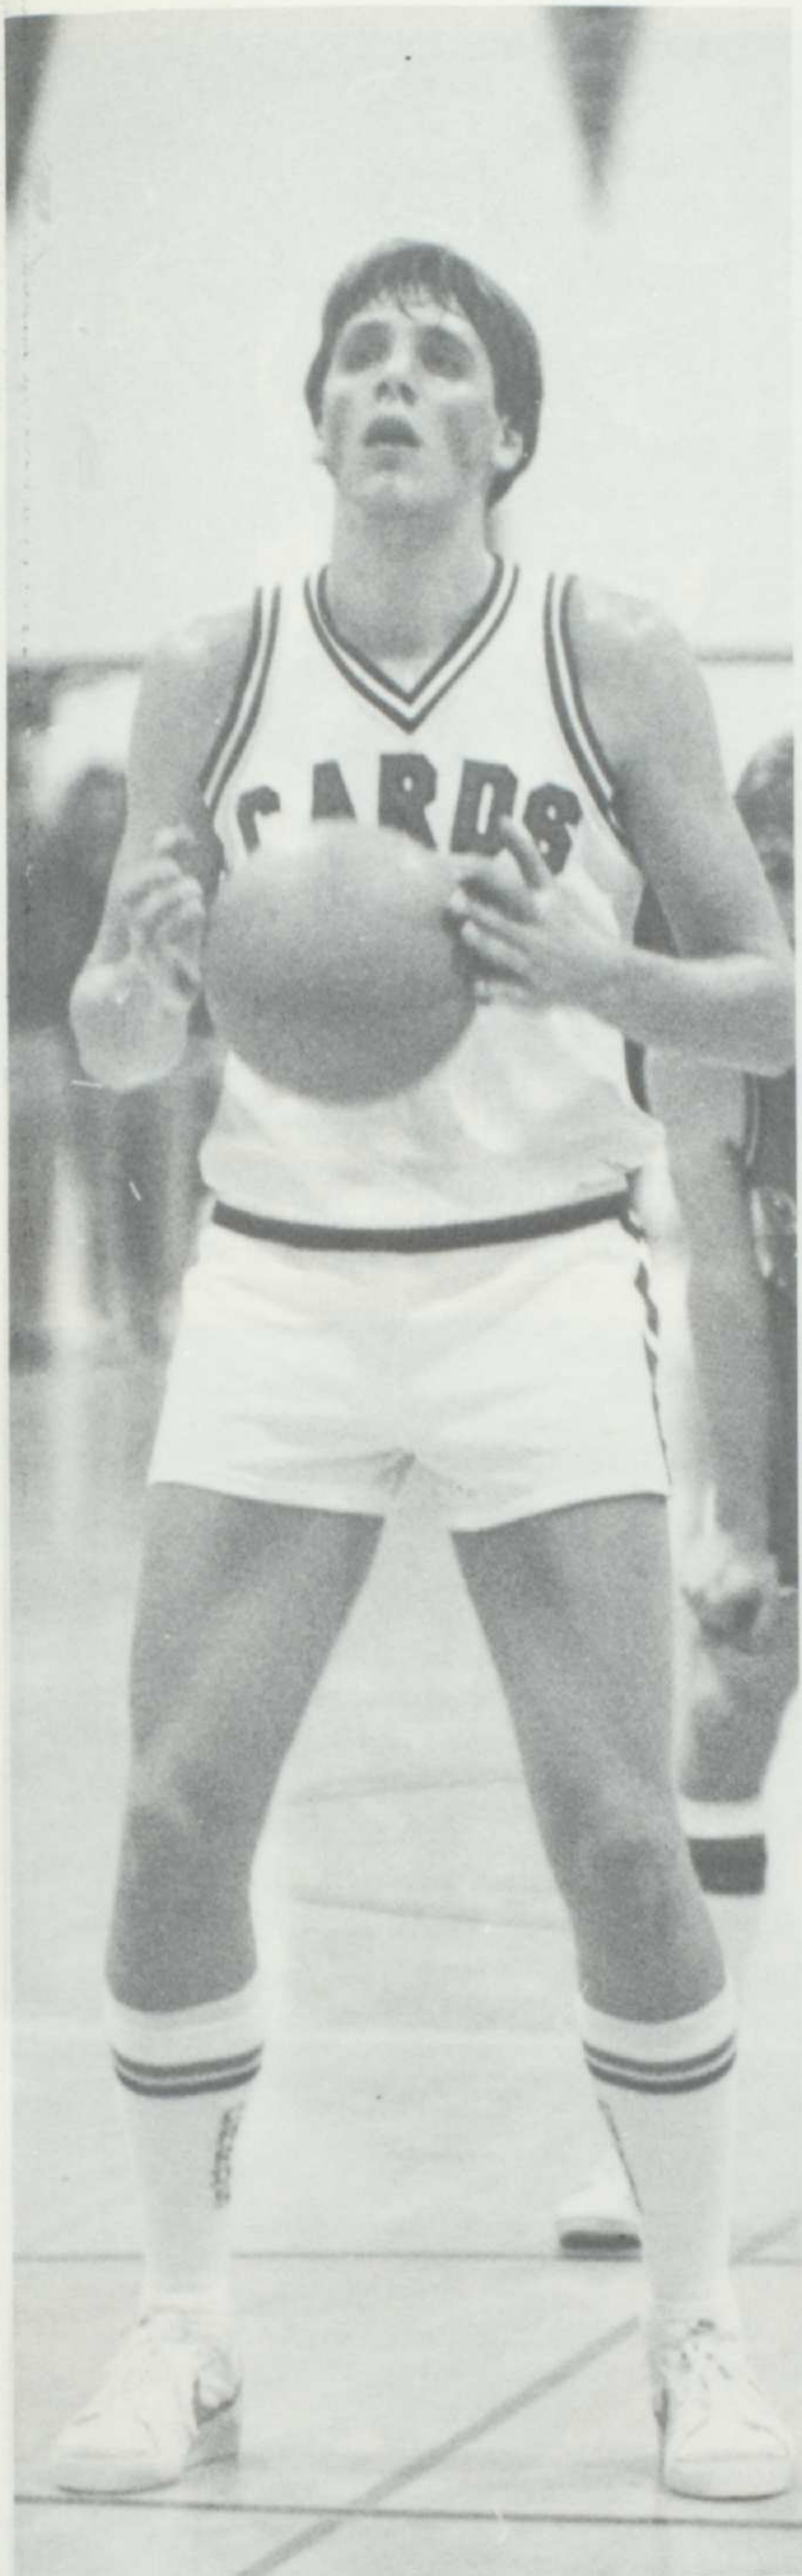

The WHS Boys Basketball Team had a highly successful season this year. Coach Jon Daup's cagers compiled a 17-5 overall record, including a 16-4 regular season record, which left Worthington tied for the OCC championship with Groveport. After defeating Brookhaven in the tournament opener, the highly ranked Cardinals were upset by Westerville South wiping away any hopes for a state championship. The team still had an excellent season with the help of the following graduating seniors: Co-captains Andy George and Casey Close, Kevin Haynes, Ken Donham, Bryan Urban, Steve Gregory, and Brett LaFevers. With five returning varsity players and an excellent performance by the reserve team the future for the WHS Boys Basketball Team looks bright.

Front Row: Art Varner, Brad Wentz, Bill Routzong, Bob Biel, Scott Cheek, Tim Mattox, Mike Bassani. Back Row: Coach Greg Phillips, Peter Lothes, Lars Schmidt, Judd Rupp, Jim Letizia, Mike Salvino, Len Kempt, Asst. Coach David Clinger.

Basket

This year's WHS Girls Basketball Team was one of the more successful teams in the past few years at Worthington. The Lady Cardinals finished with a 10-8 overall record. The girls finished third in the OCC. Even with six graduating Seniors the team will still have plenty of power on the court next year. The graduating Seniors are: Kathy Burd, Peggy Kirwan, Janet Luebbe, Lynette Macer, Melanie Putz, and Lynn Handschmidt. Six underclassmen will return after seeing varisty action this year.

Front Row: Lynette Macer, Peggy Kirwan, Kathy Burd, Michelle St. Pierre. Back Row: Melanie Putz, Danielle Blazer, Lynn Hanschmidt, Jill Hitt, Lynn Steele, Coach Wallace Chander.

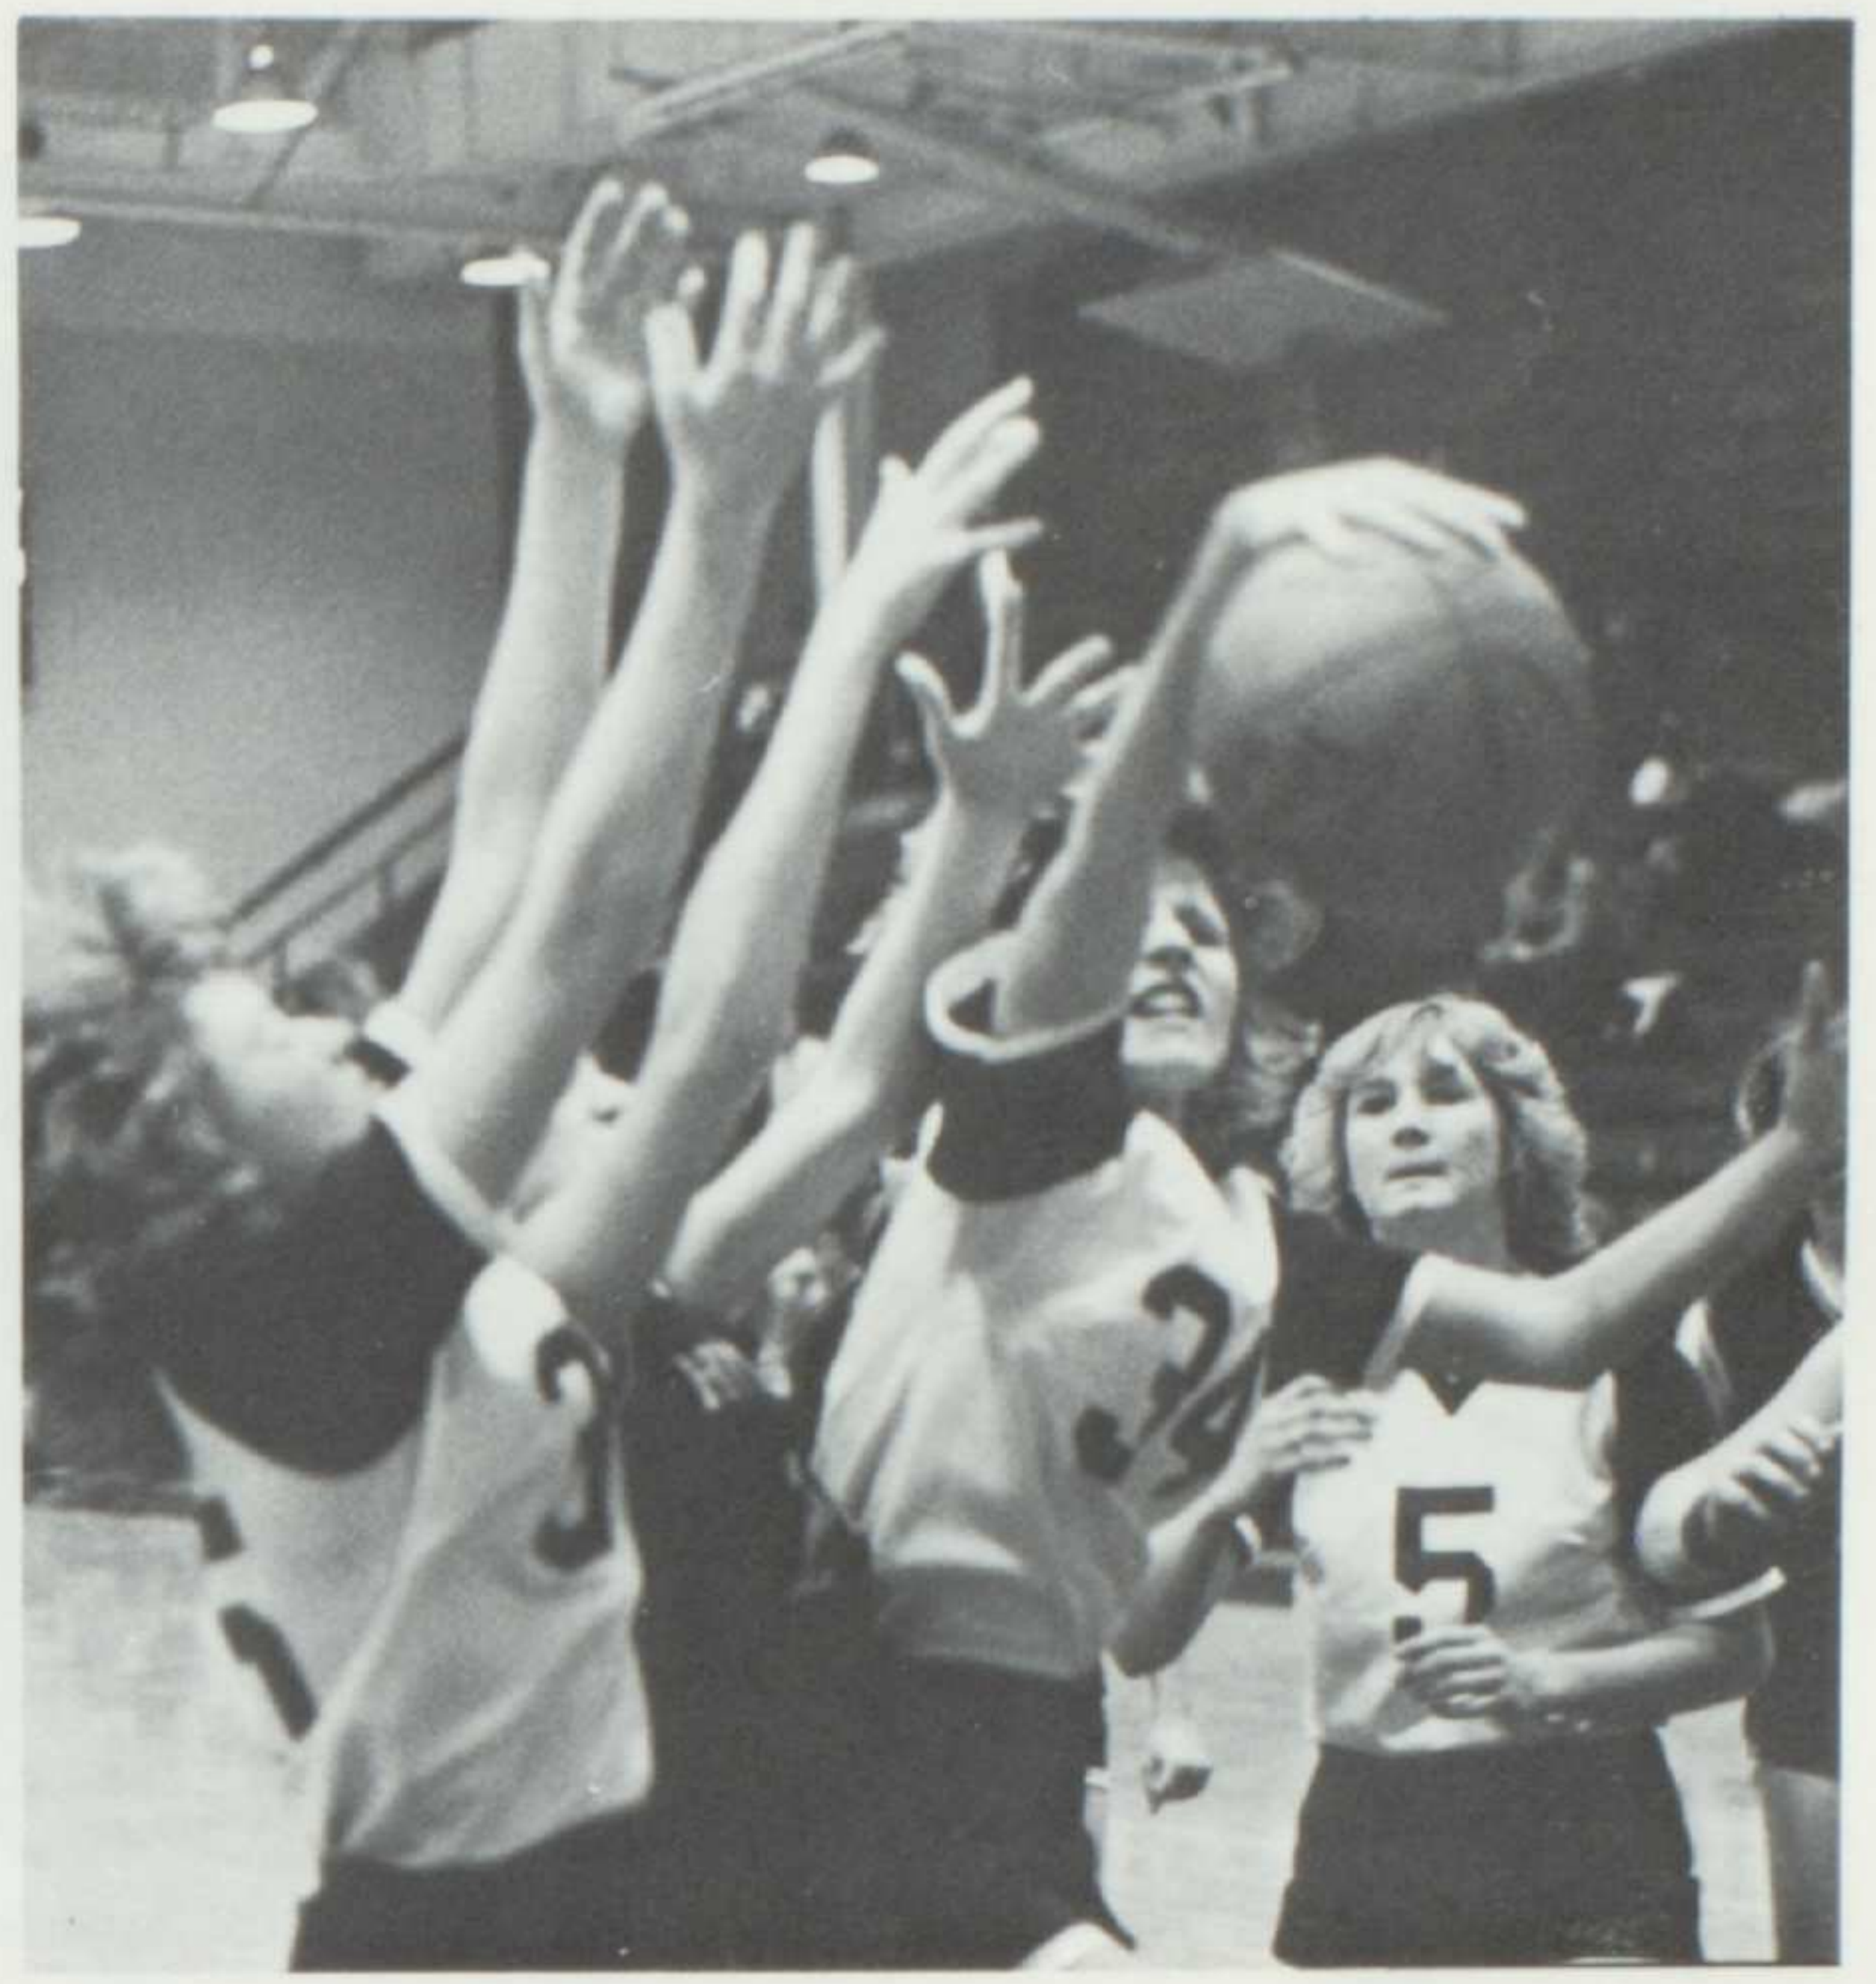

Front Row: Jenny Wiegleb, Karen Emery, Martha Schmidt, Glenda Oury, Amy Miller, Back Row: Coach Sunny Spung, Marnie Lambert, Alison Brewton, Christy Demery, Julie Justice, Stephanie Schupp.

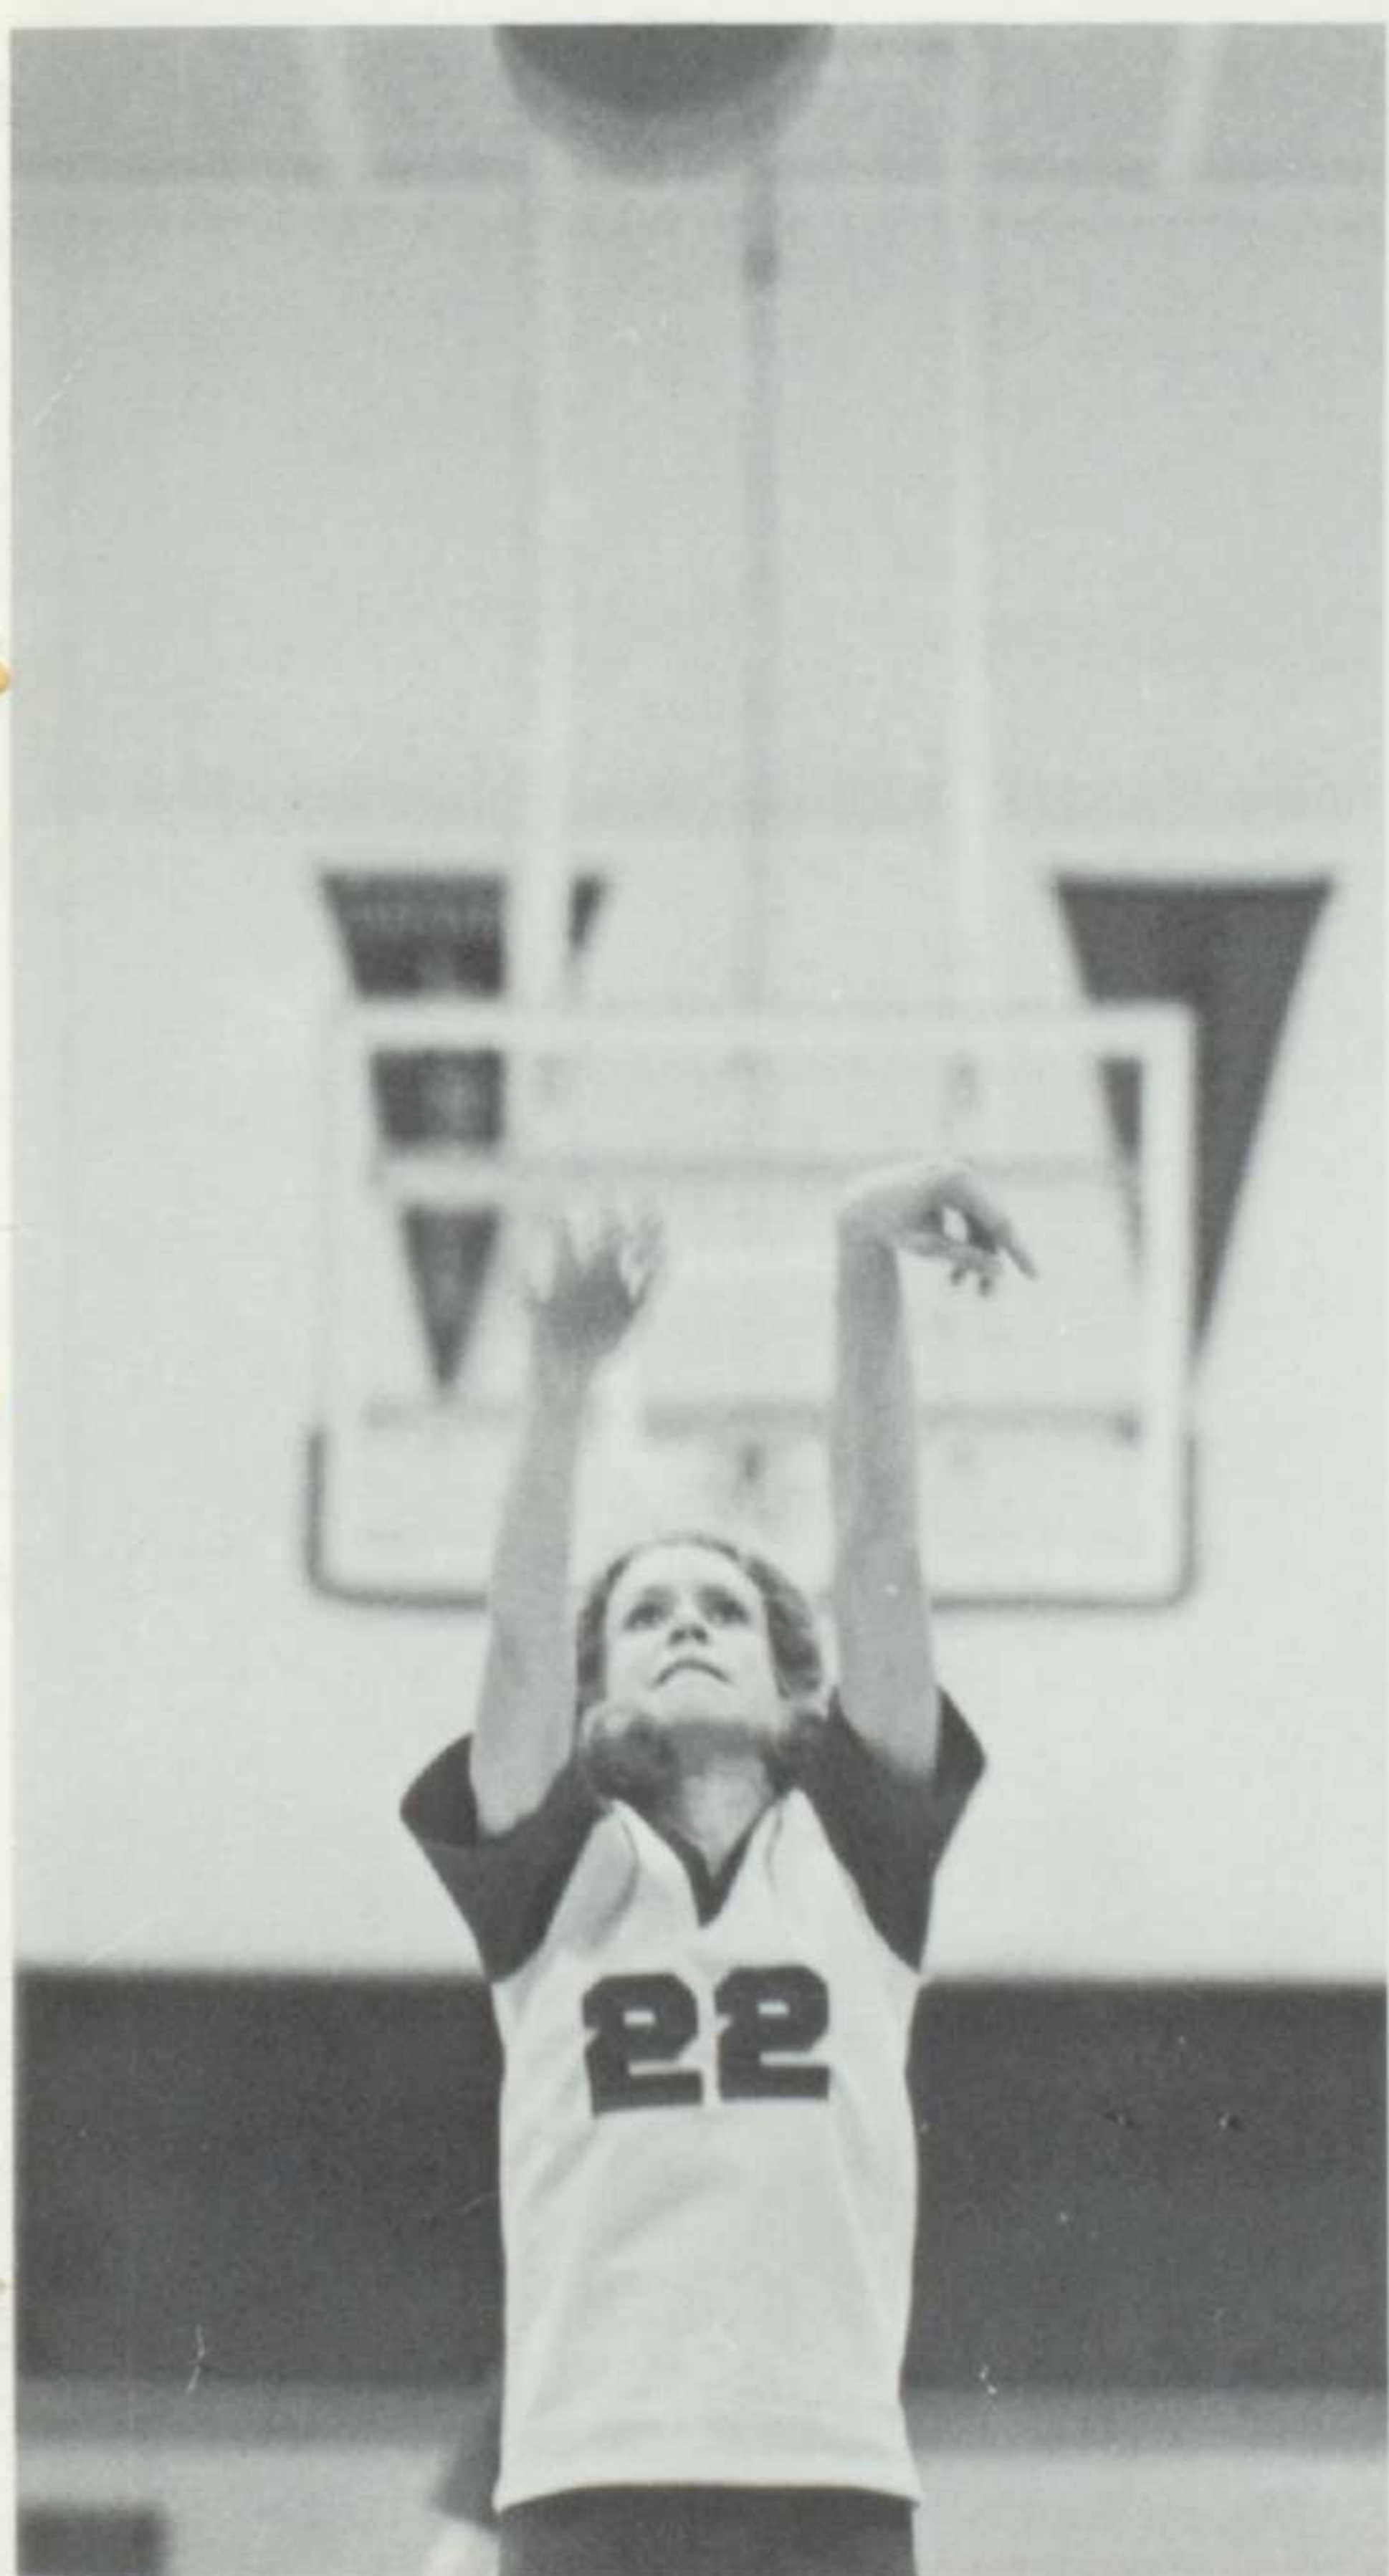

Front Row: Cathy Maher, Cathy Grant, Kelly Kirwan, Heather Stillwell. Second Row: Jane Byrne, Laura Moye, Sara Wilson, Marty Whiteman, Susan Luke. Back Row: Coach Wright, Lauren Borgquist, Jenny Wilson, Jenny Duff.

Vault

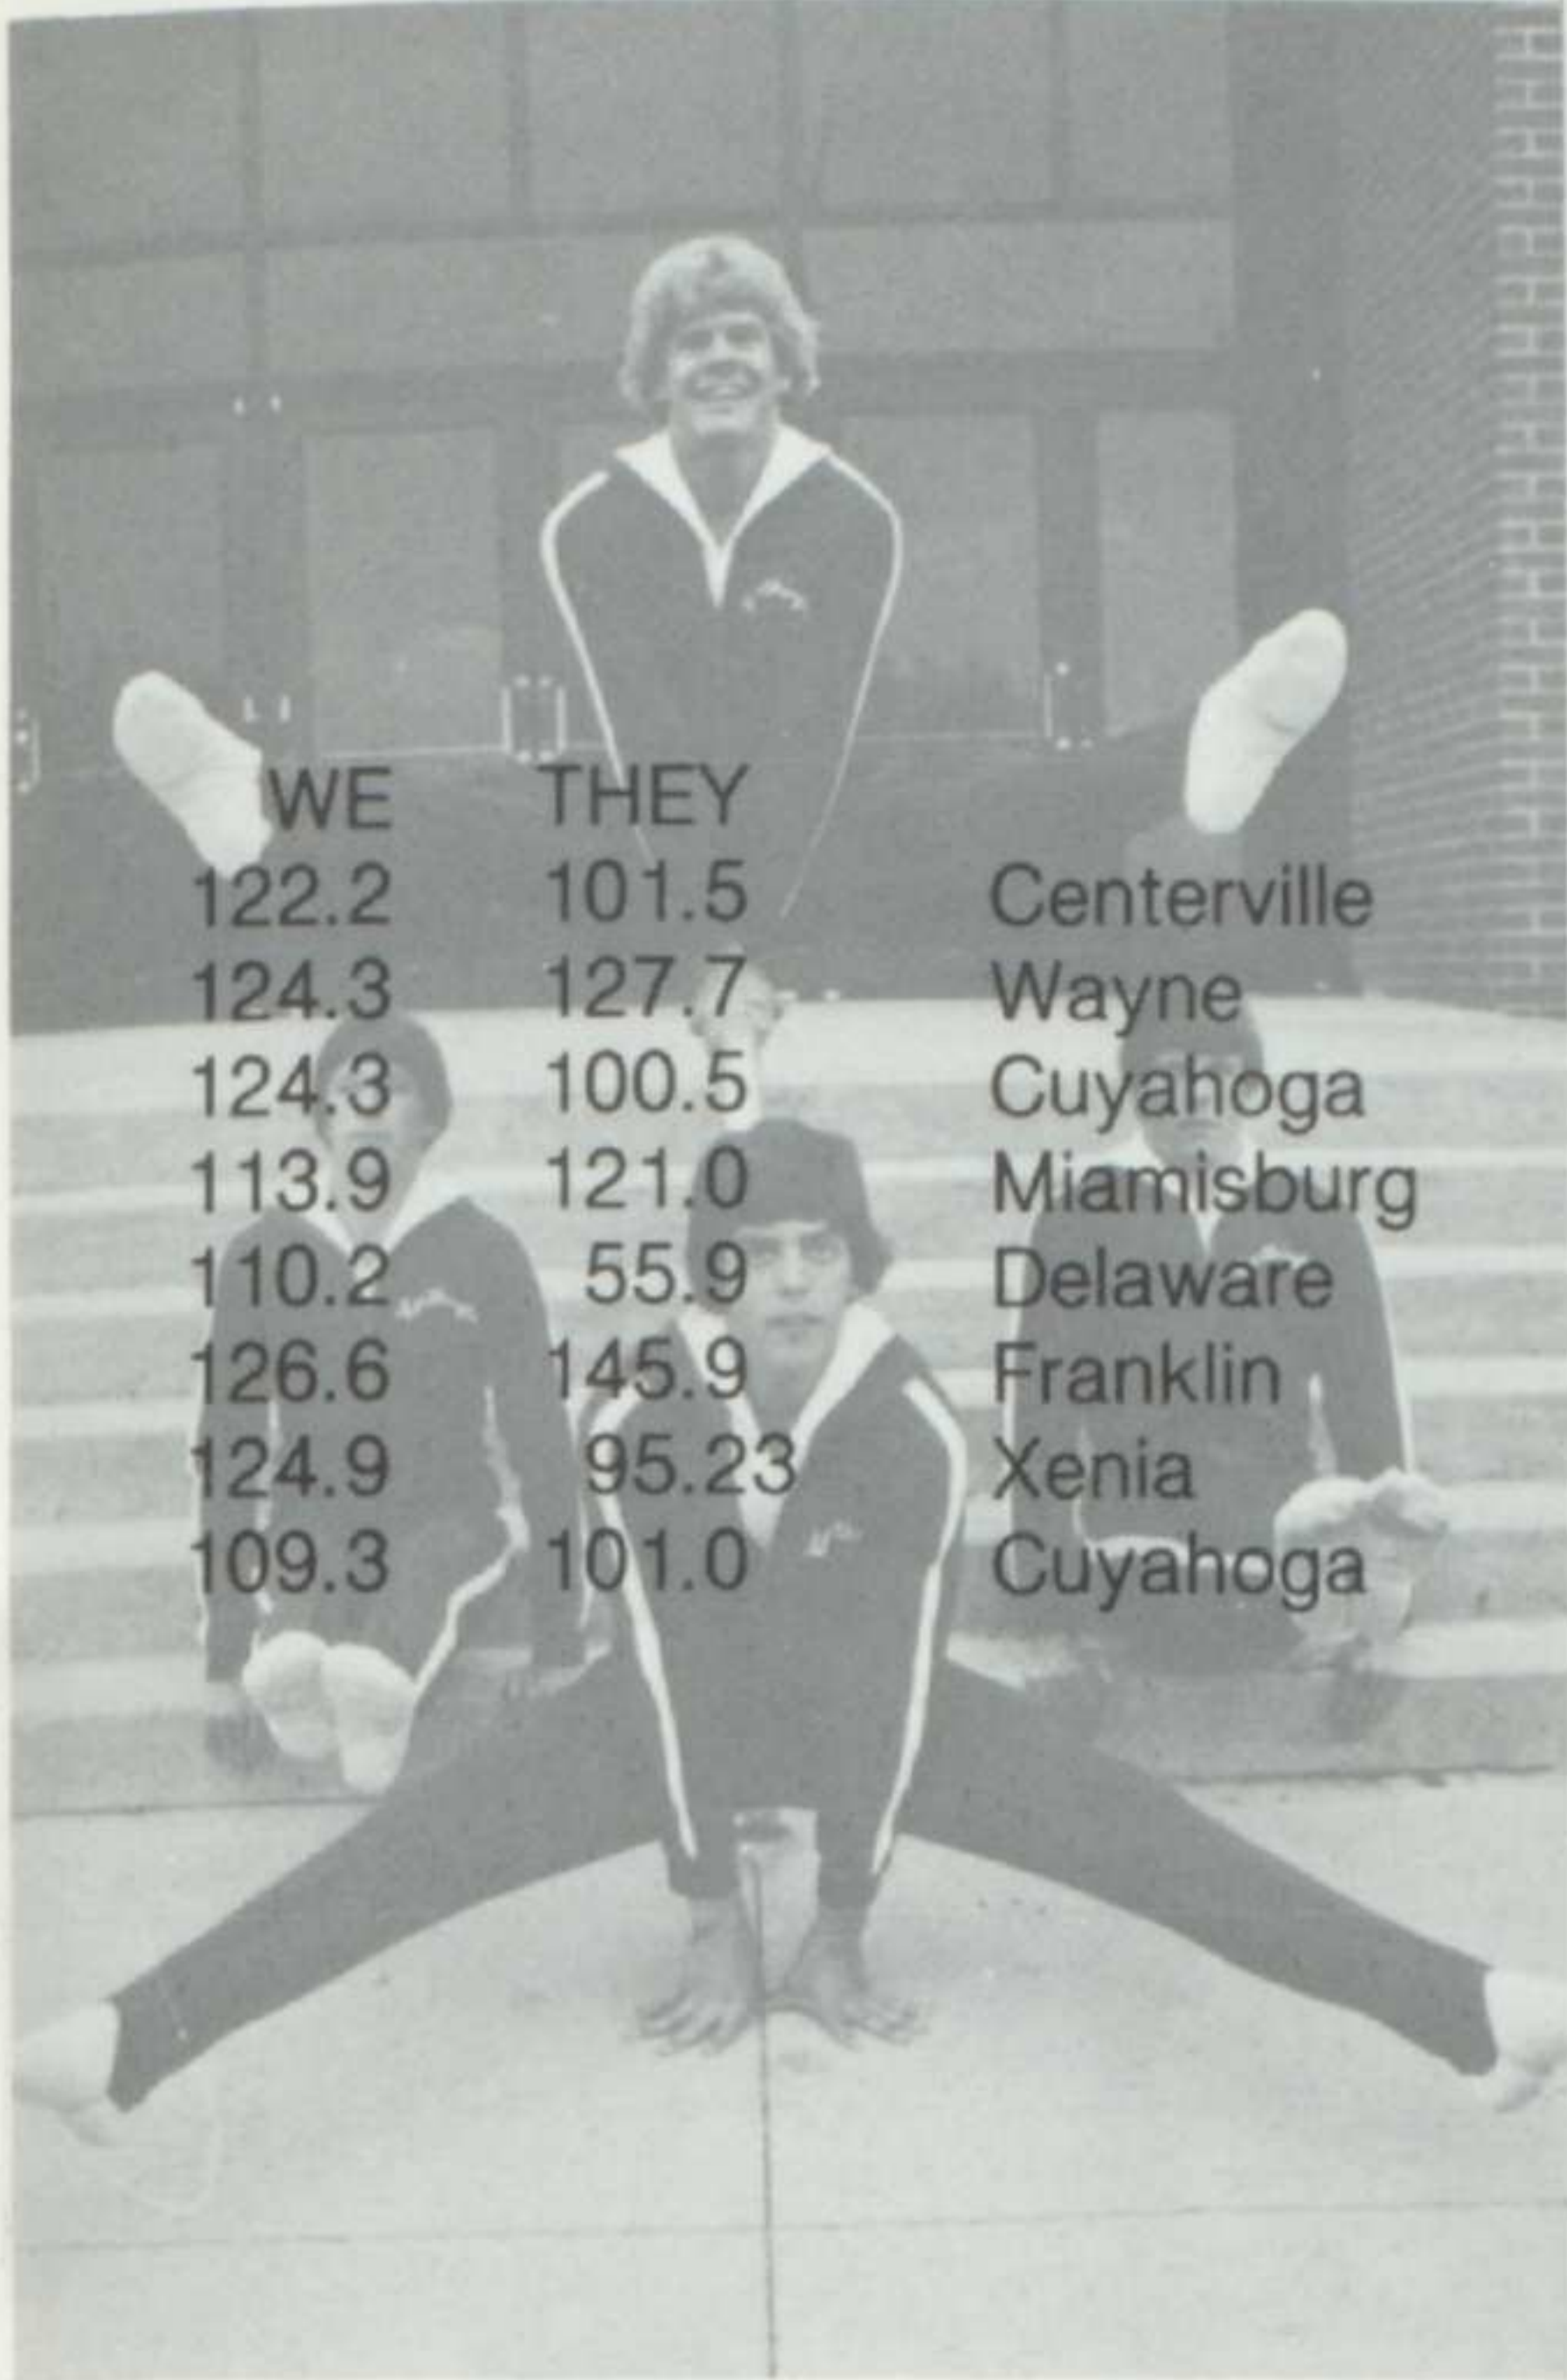

The men's gymnastic team kept up its winning tradition, the fourth time in five years. The boys took the district title with an exceptional score of 132.55. There was much concern among the team after losing four strong Seniors from the Class of '81. But the new coach, Marc Small, a Worthington graduate, turned out quite an outstanding team.

This year's team centered around Seniors Bill Klunk, Matt Hower, Dave Bulford, and captain Dave Kinnick. Junior, Tim Wilson contributed much to the team, including a new WHS vaulting record. Again this year, the Cards competed at the state meet with a score of 138.71, which earned them third place.

Next year's team, which will include Joe Moss, Mike Sickeler, Eric Kuwana, Tim Wilson, and Todd Price, is sure to keep up this winning tradition.

Senior, Dave Bulford

Senior, Dave Kinnick at the State meet.

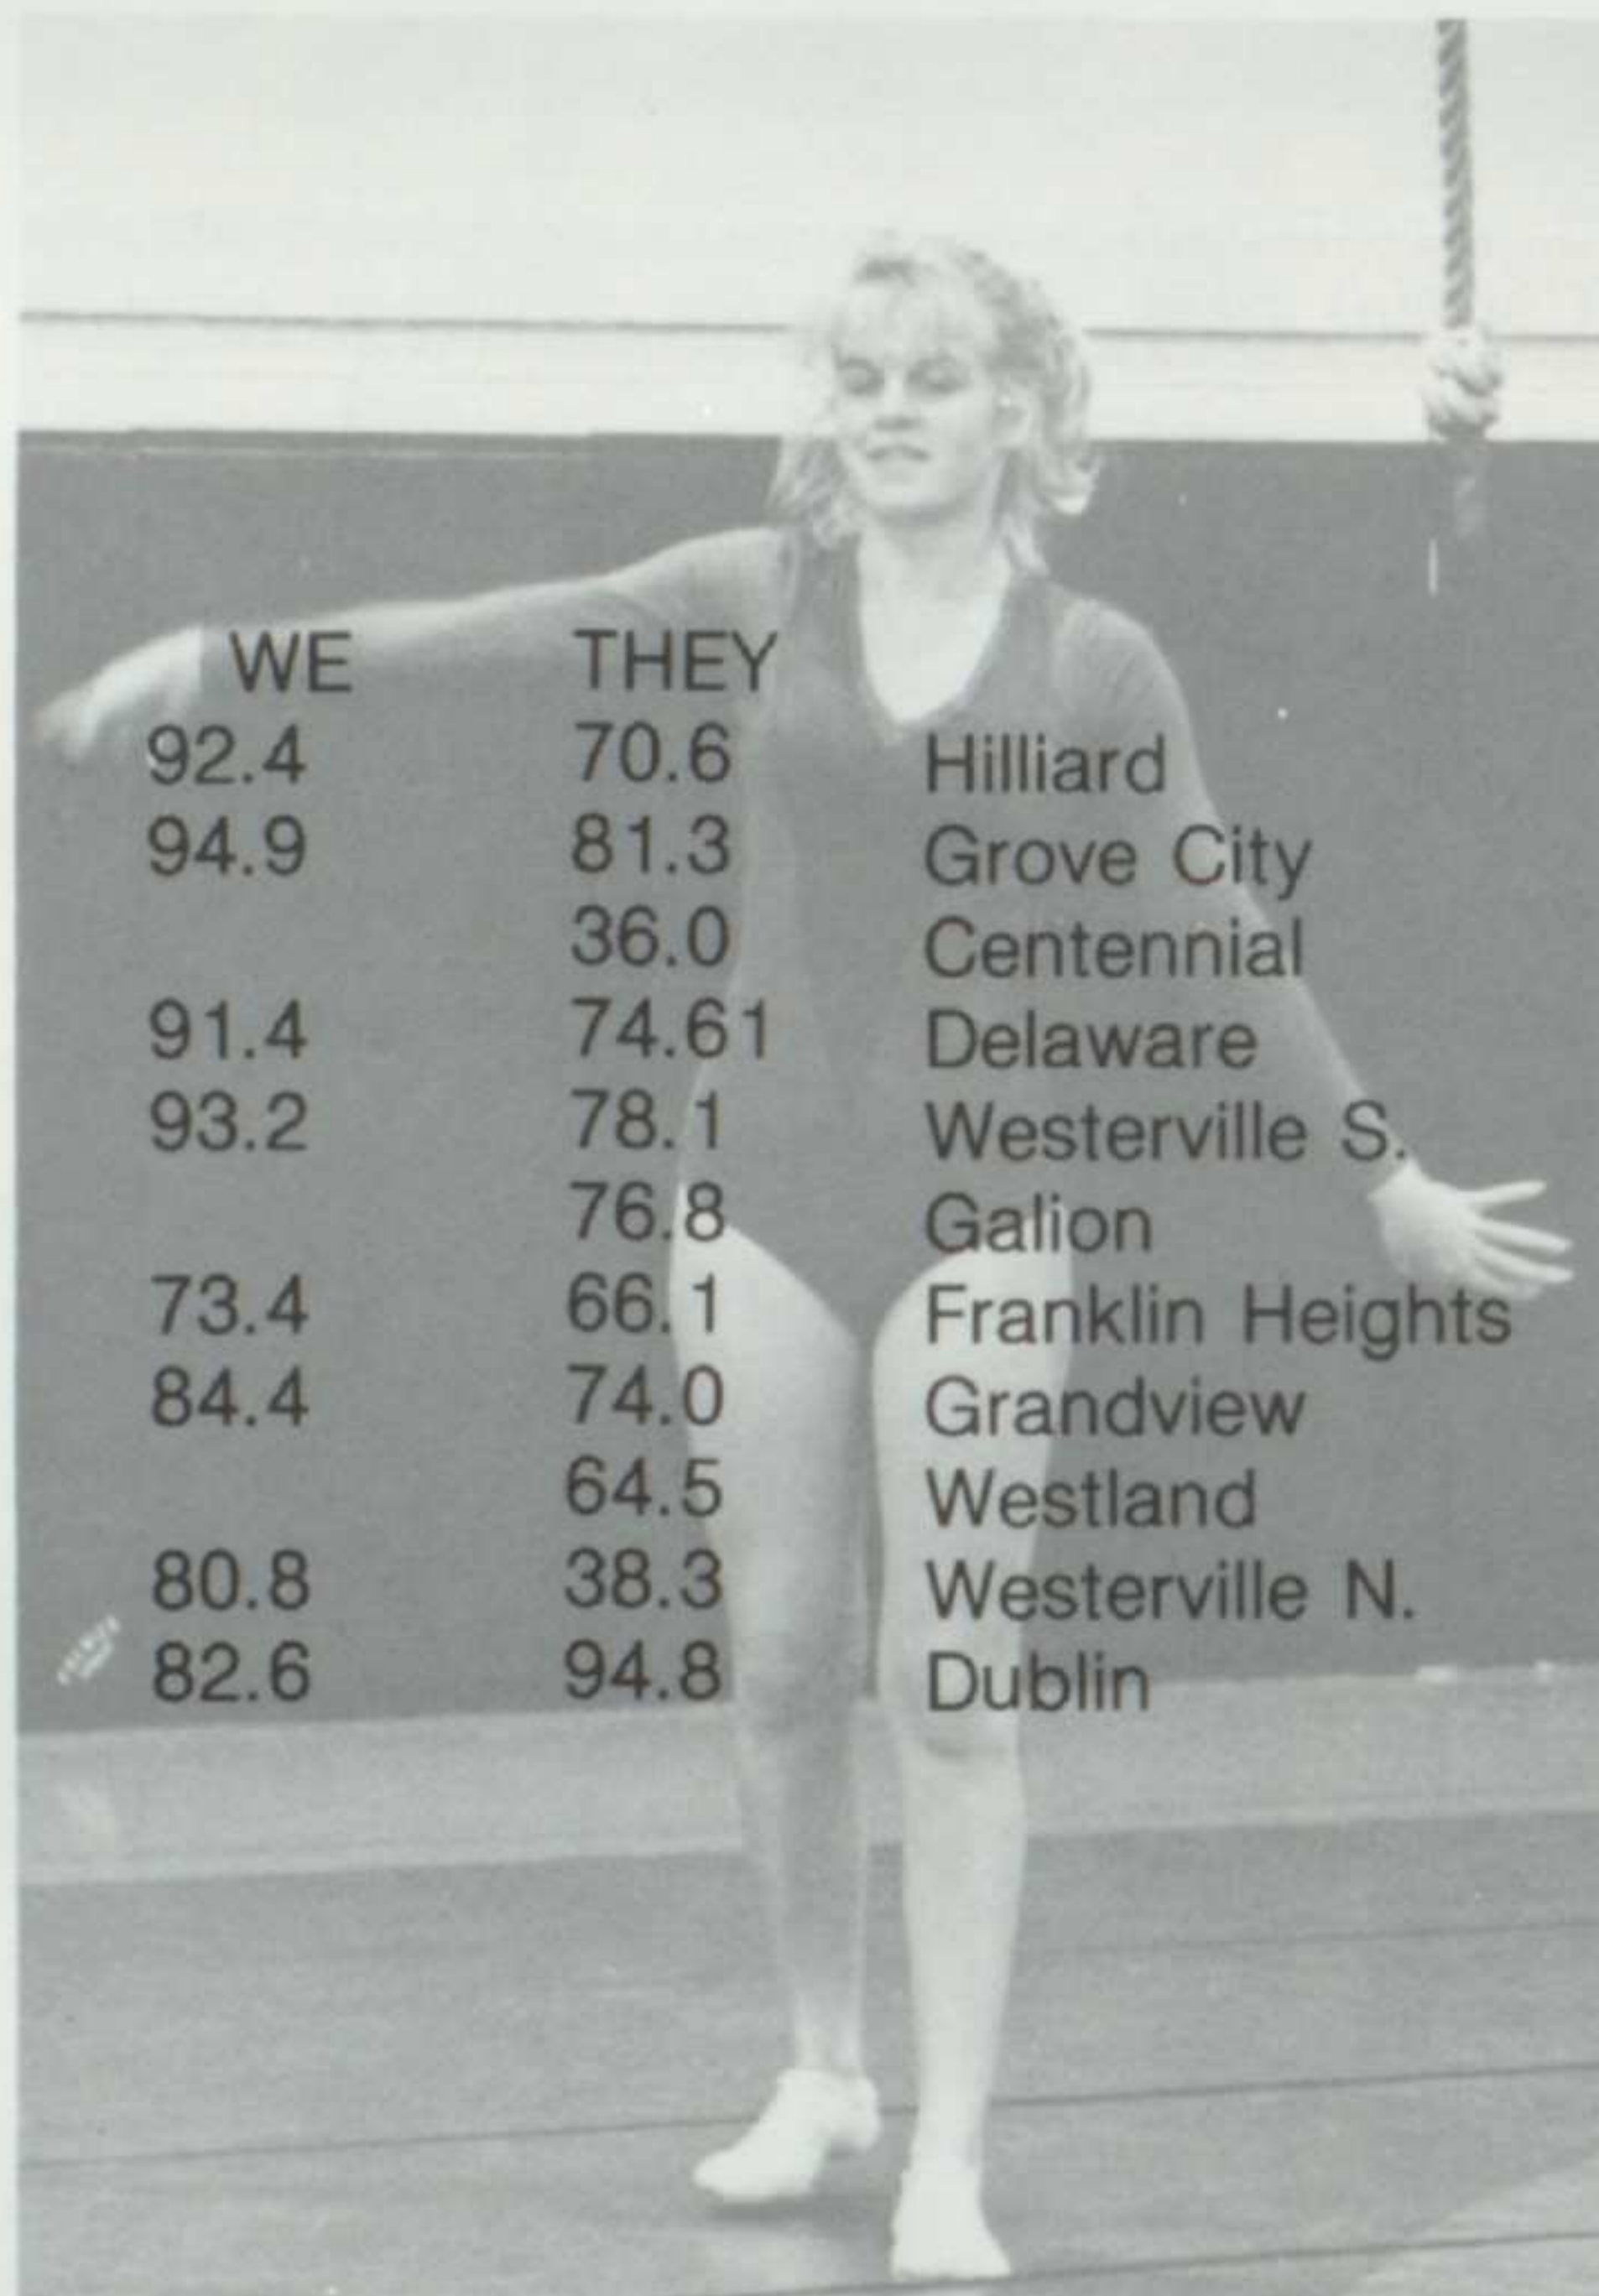

Front Row: Mrs. White, Julie McBride, Maryellen Foley, Heather Thomas, Julie Roemmele, Lee Lambert, Cindy Barnes, Lynn Zalac, Christy Mack, Chelle Loudermilk, Miss McLain. **Second Row:** Marcie Arsenault, Kathi Pfriem, Kathy Poss, Meagan Demko, Betsy Patchen, Shana Stewart, Alyson Poirier, Laura Roemmele, Debbie Dean, Vanessa Holmes, Krista Ford, Sharon Graham, Rob Strohl. **Back Row:** Sally Swartzmiller, Ann Sessler, Jill White, Ann Luke, Teri Willson, Michelle James, Karen Jeffries, Darcy Loos, Courtney Desando, Rose Hallam, Susan Ford.

Balance

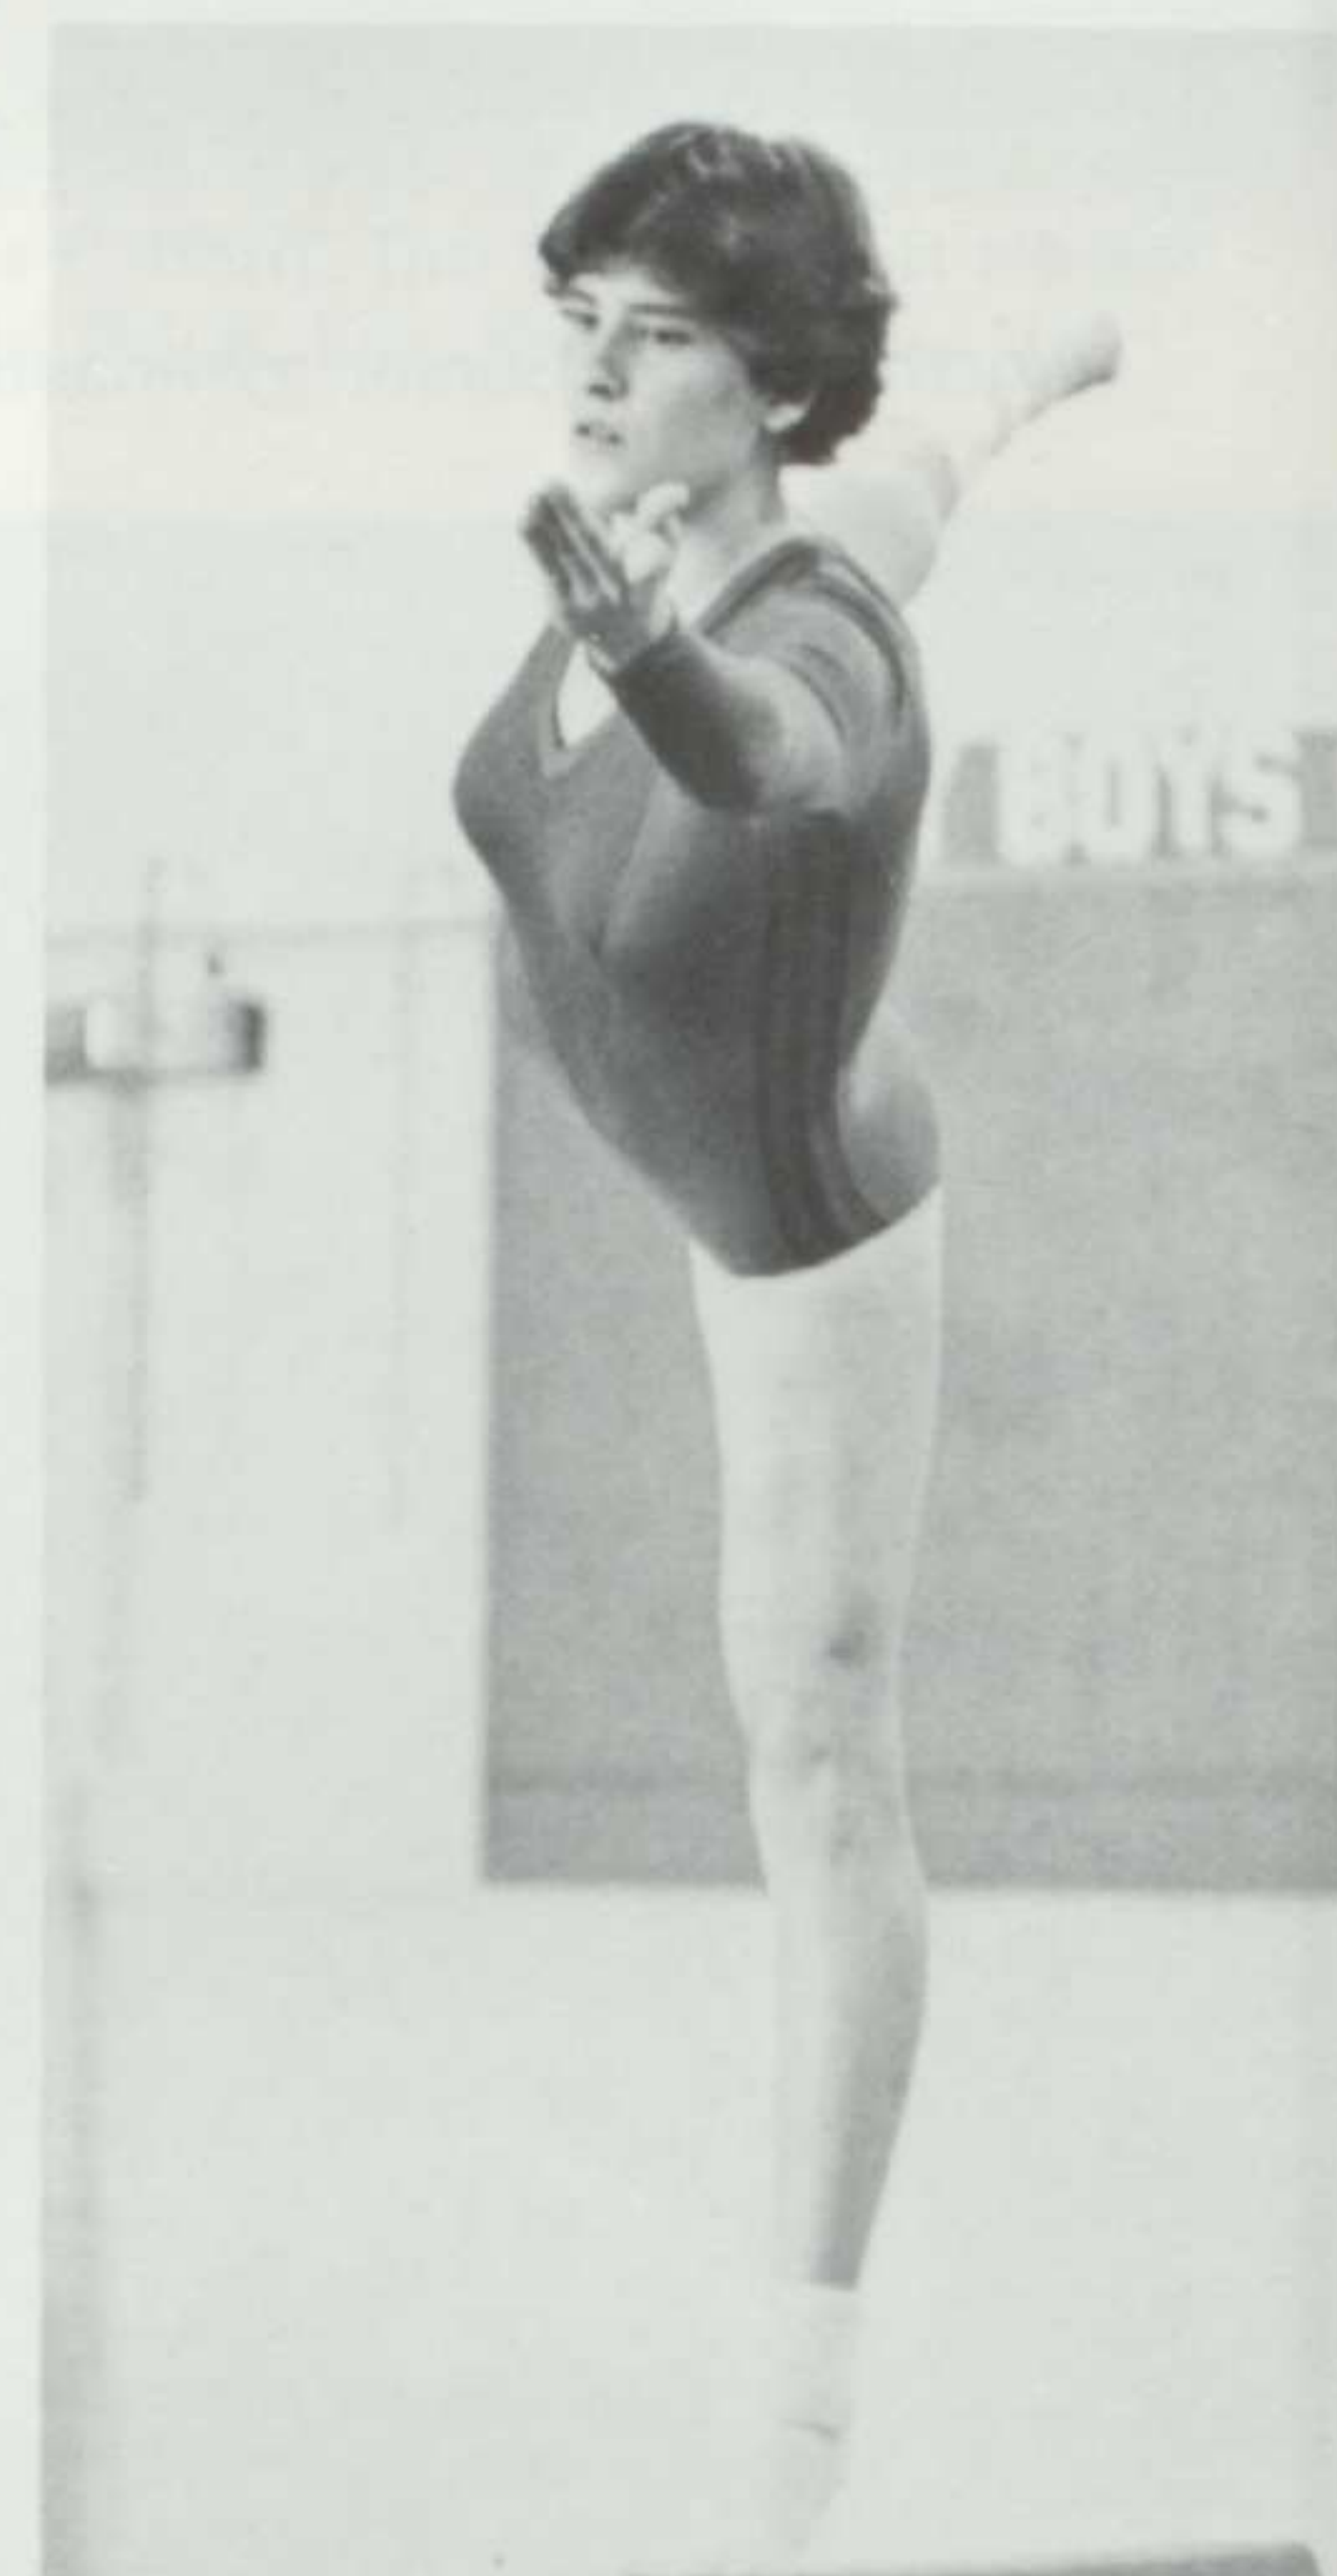

The Worthington girl's gymnastics team was again, as usual, excellent. Senior captains, Laura Roemmele and Cindy Barnes led the outstanding girl gymnasts to another OCC title. The team proved their superior balance by placing extremely high in the strenuous Class II districts, and by losing only one league meet. Also, Junior Khrista Ford represented the lady cards at the state meet on beam.

For the first half of the season, the girls were lucky enough to have the contributions of Heather Thomas, an outstanding Freshman gymnast. According to Cindy Barnes, Heather is most definitely Olympic material. She had to leave the team in midseason, however, for intense, individual instruction with a private coach.

The team lost eight Seniors at the end of this season, but there will be another strong team again next year.

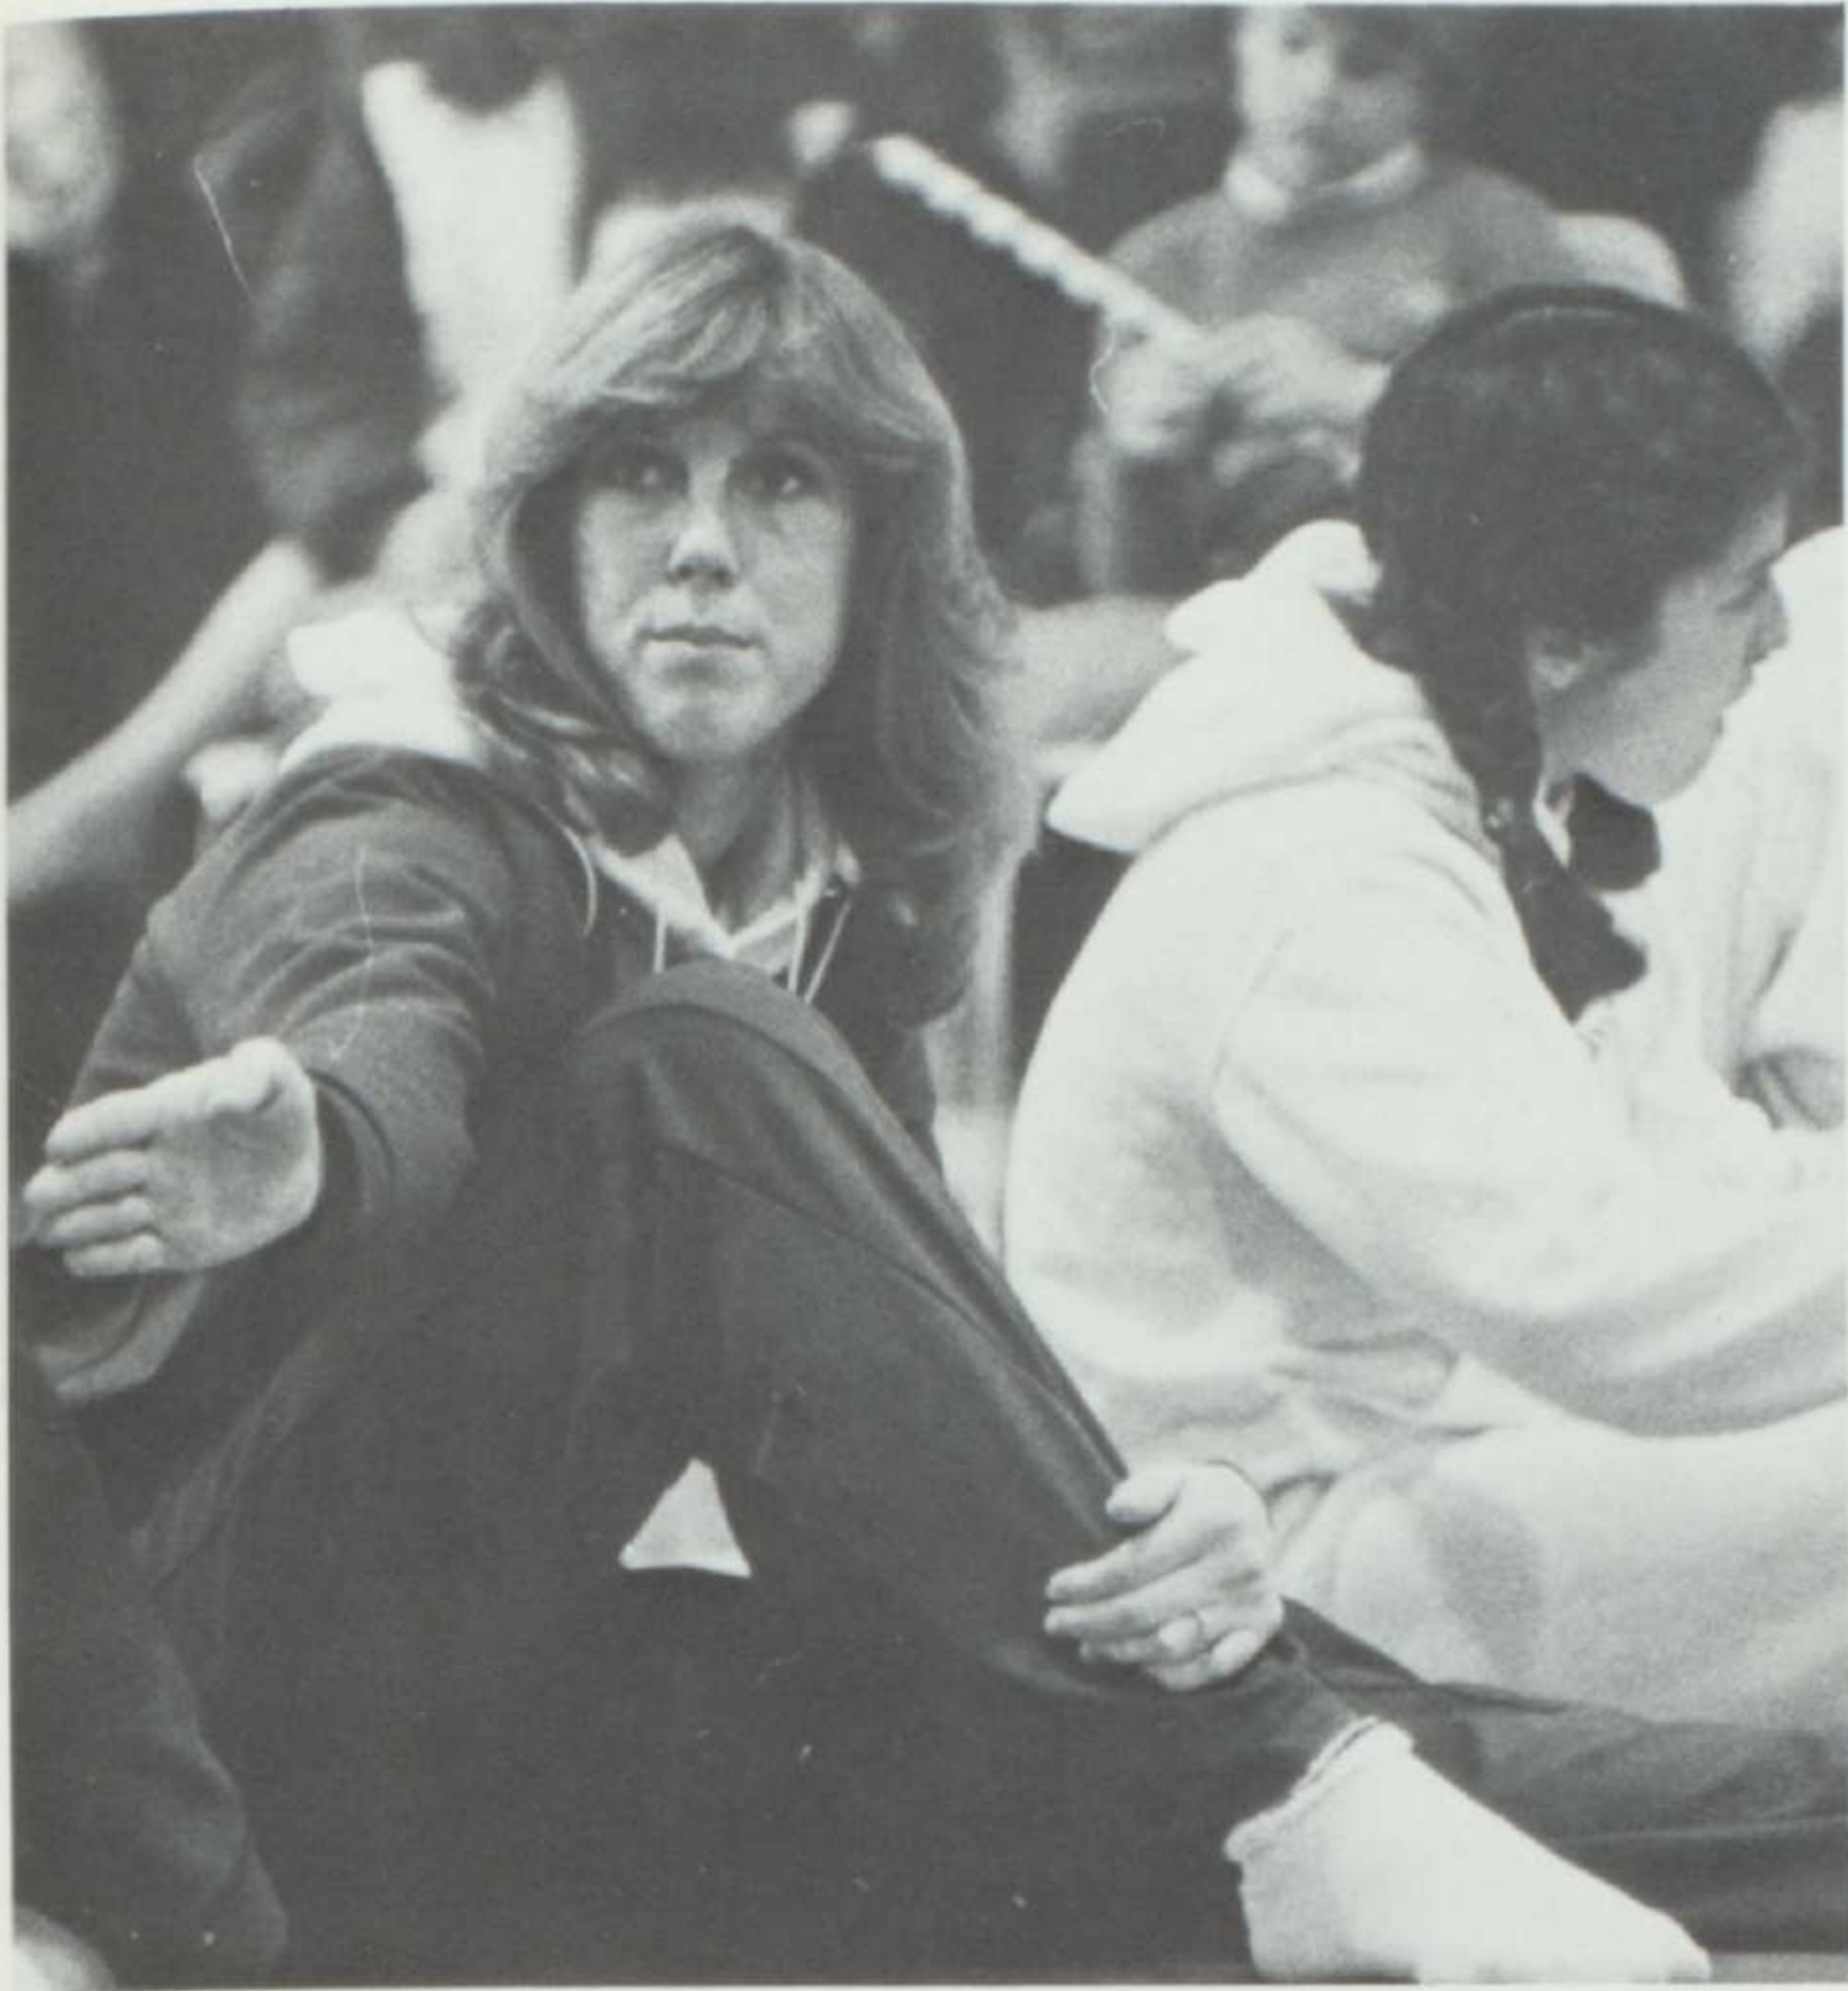

Susan Ford begins a floor exercise.

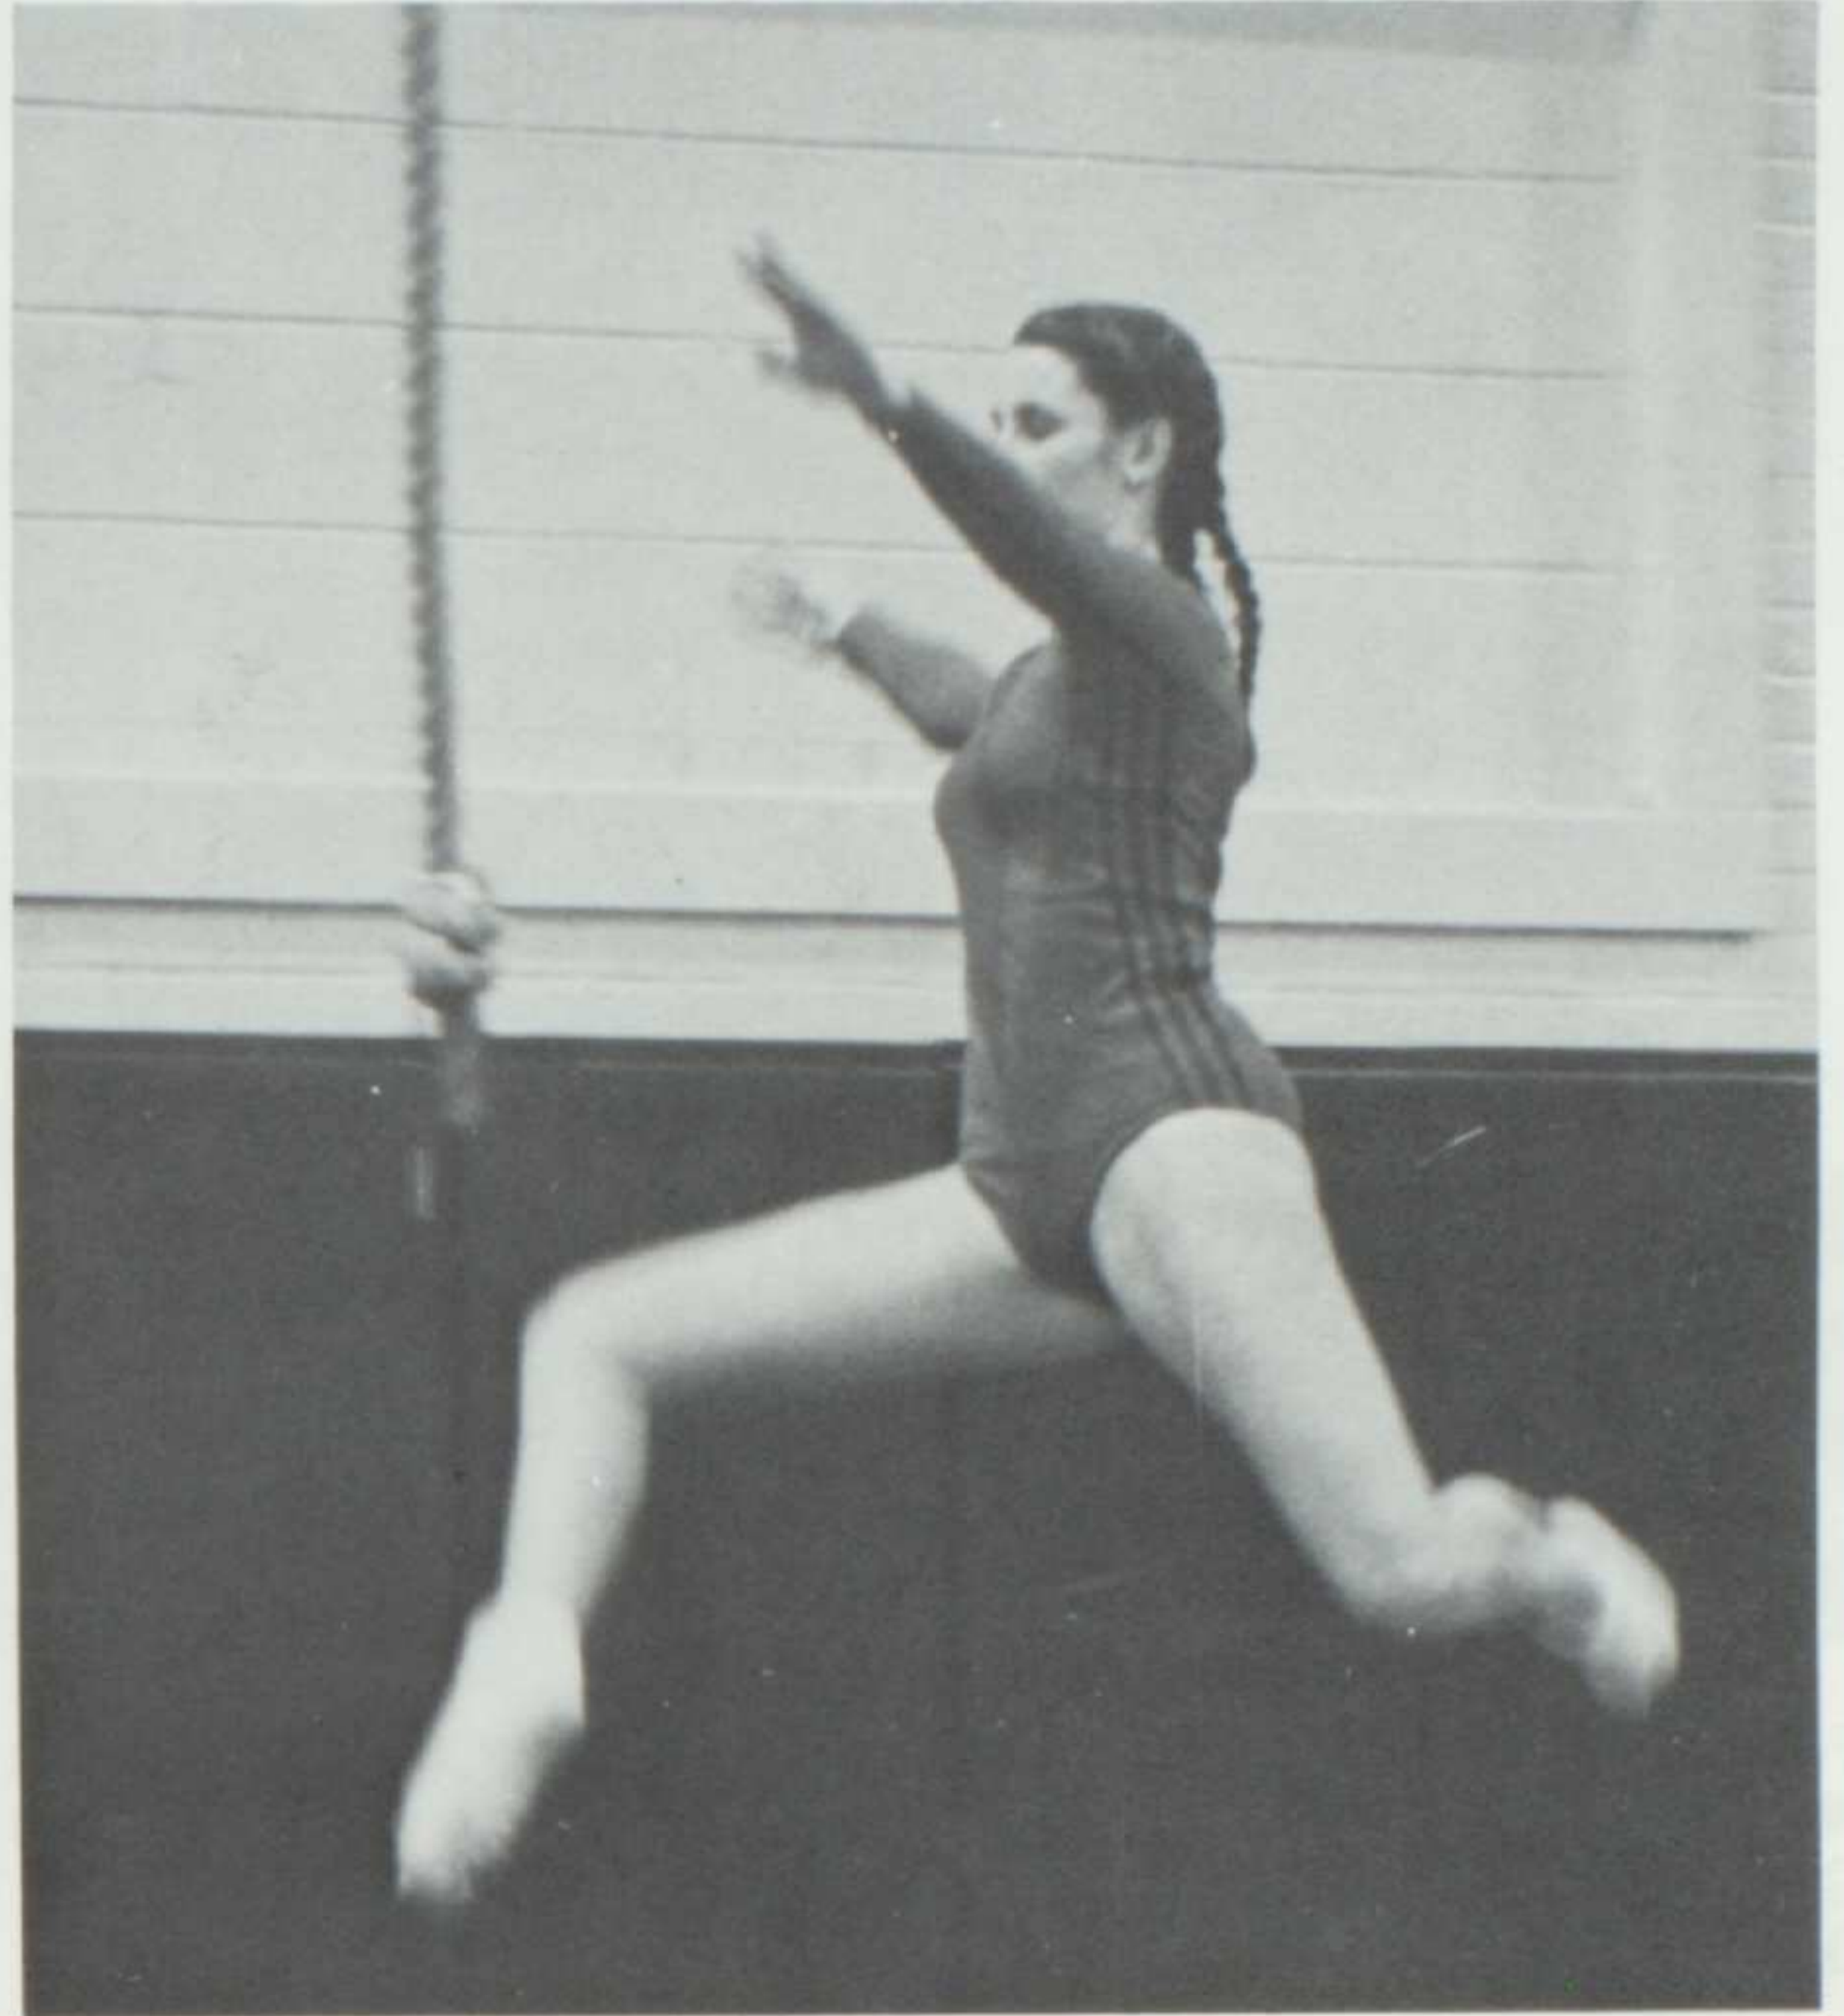

Lee Lambert on the beam.

Ann Sesler and the judge.

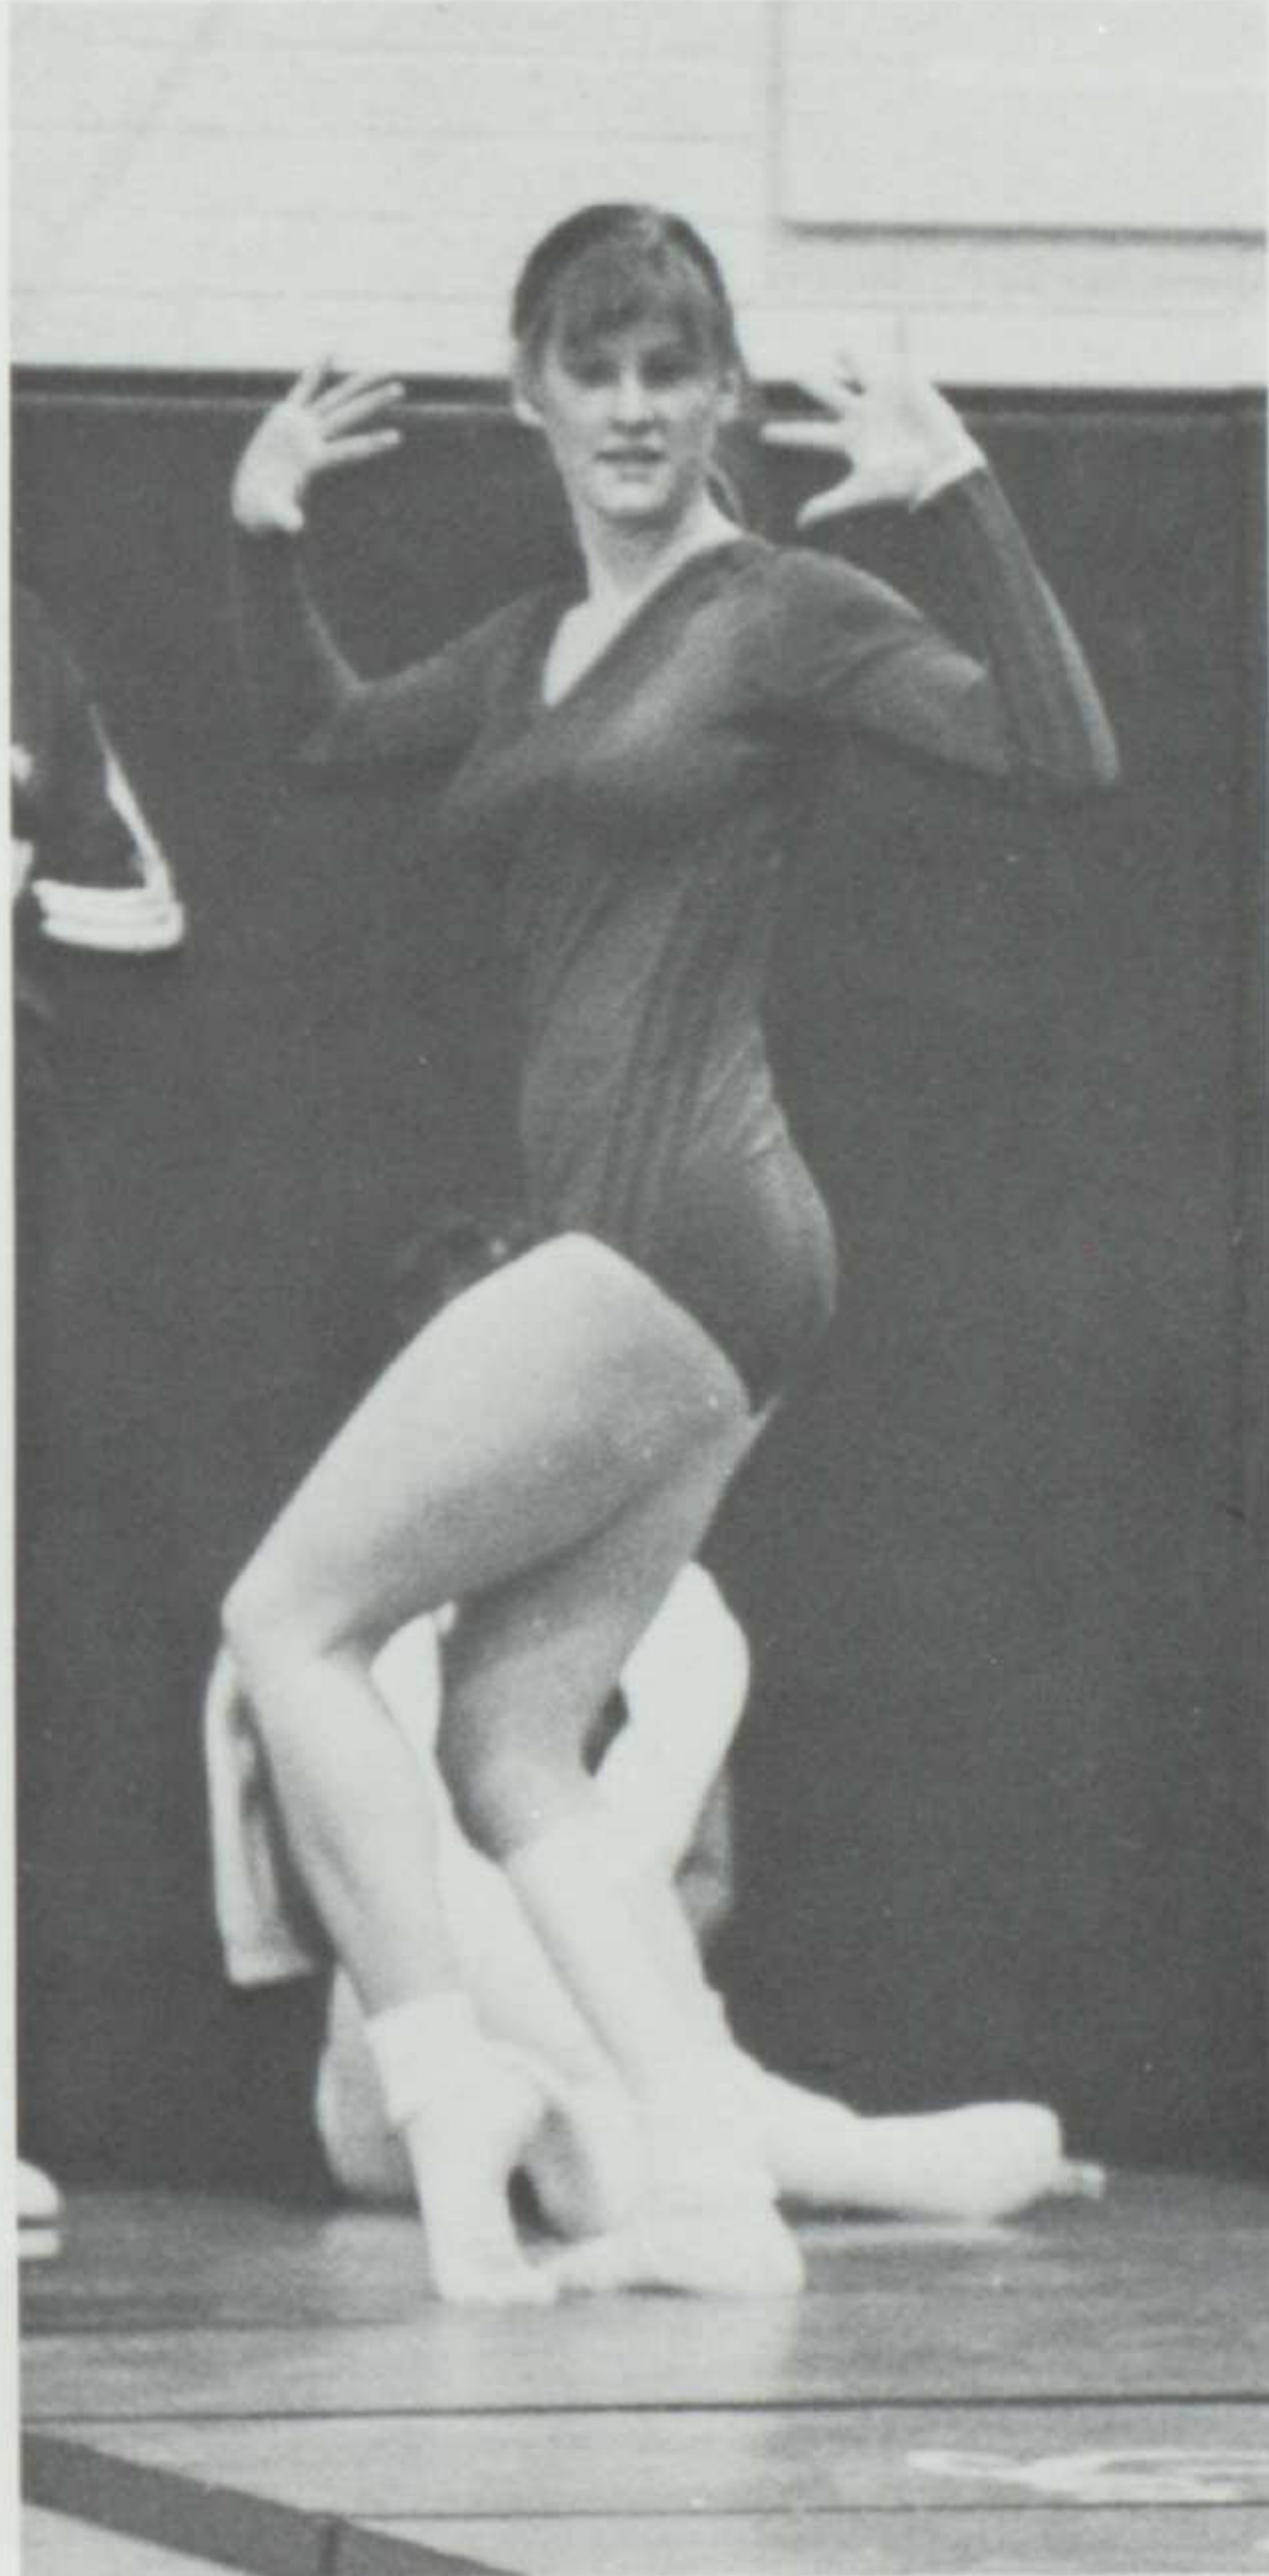

Captain, Laura Roemmele helps a teammate.

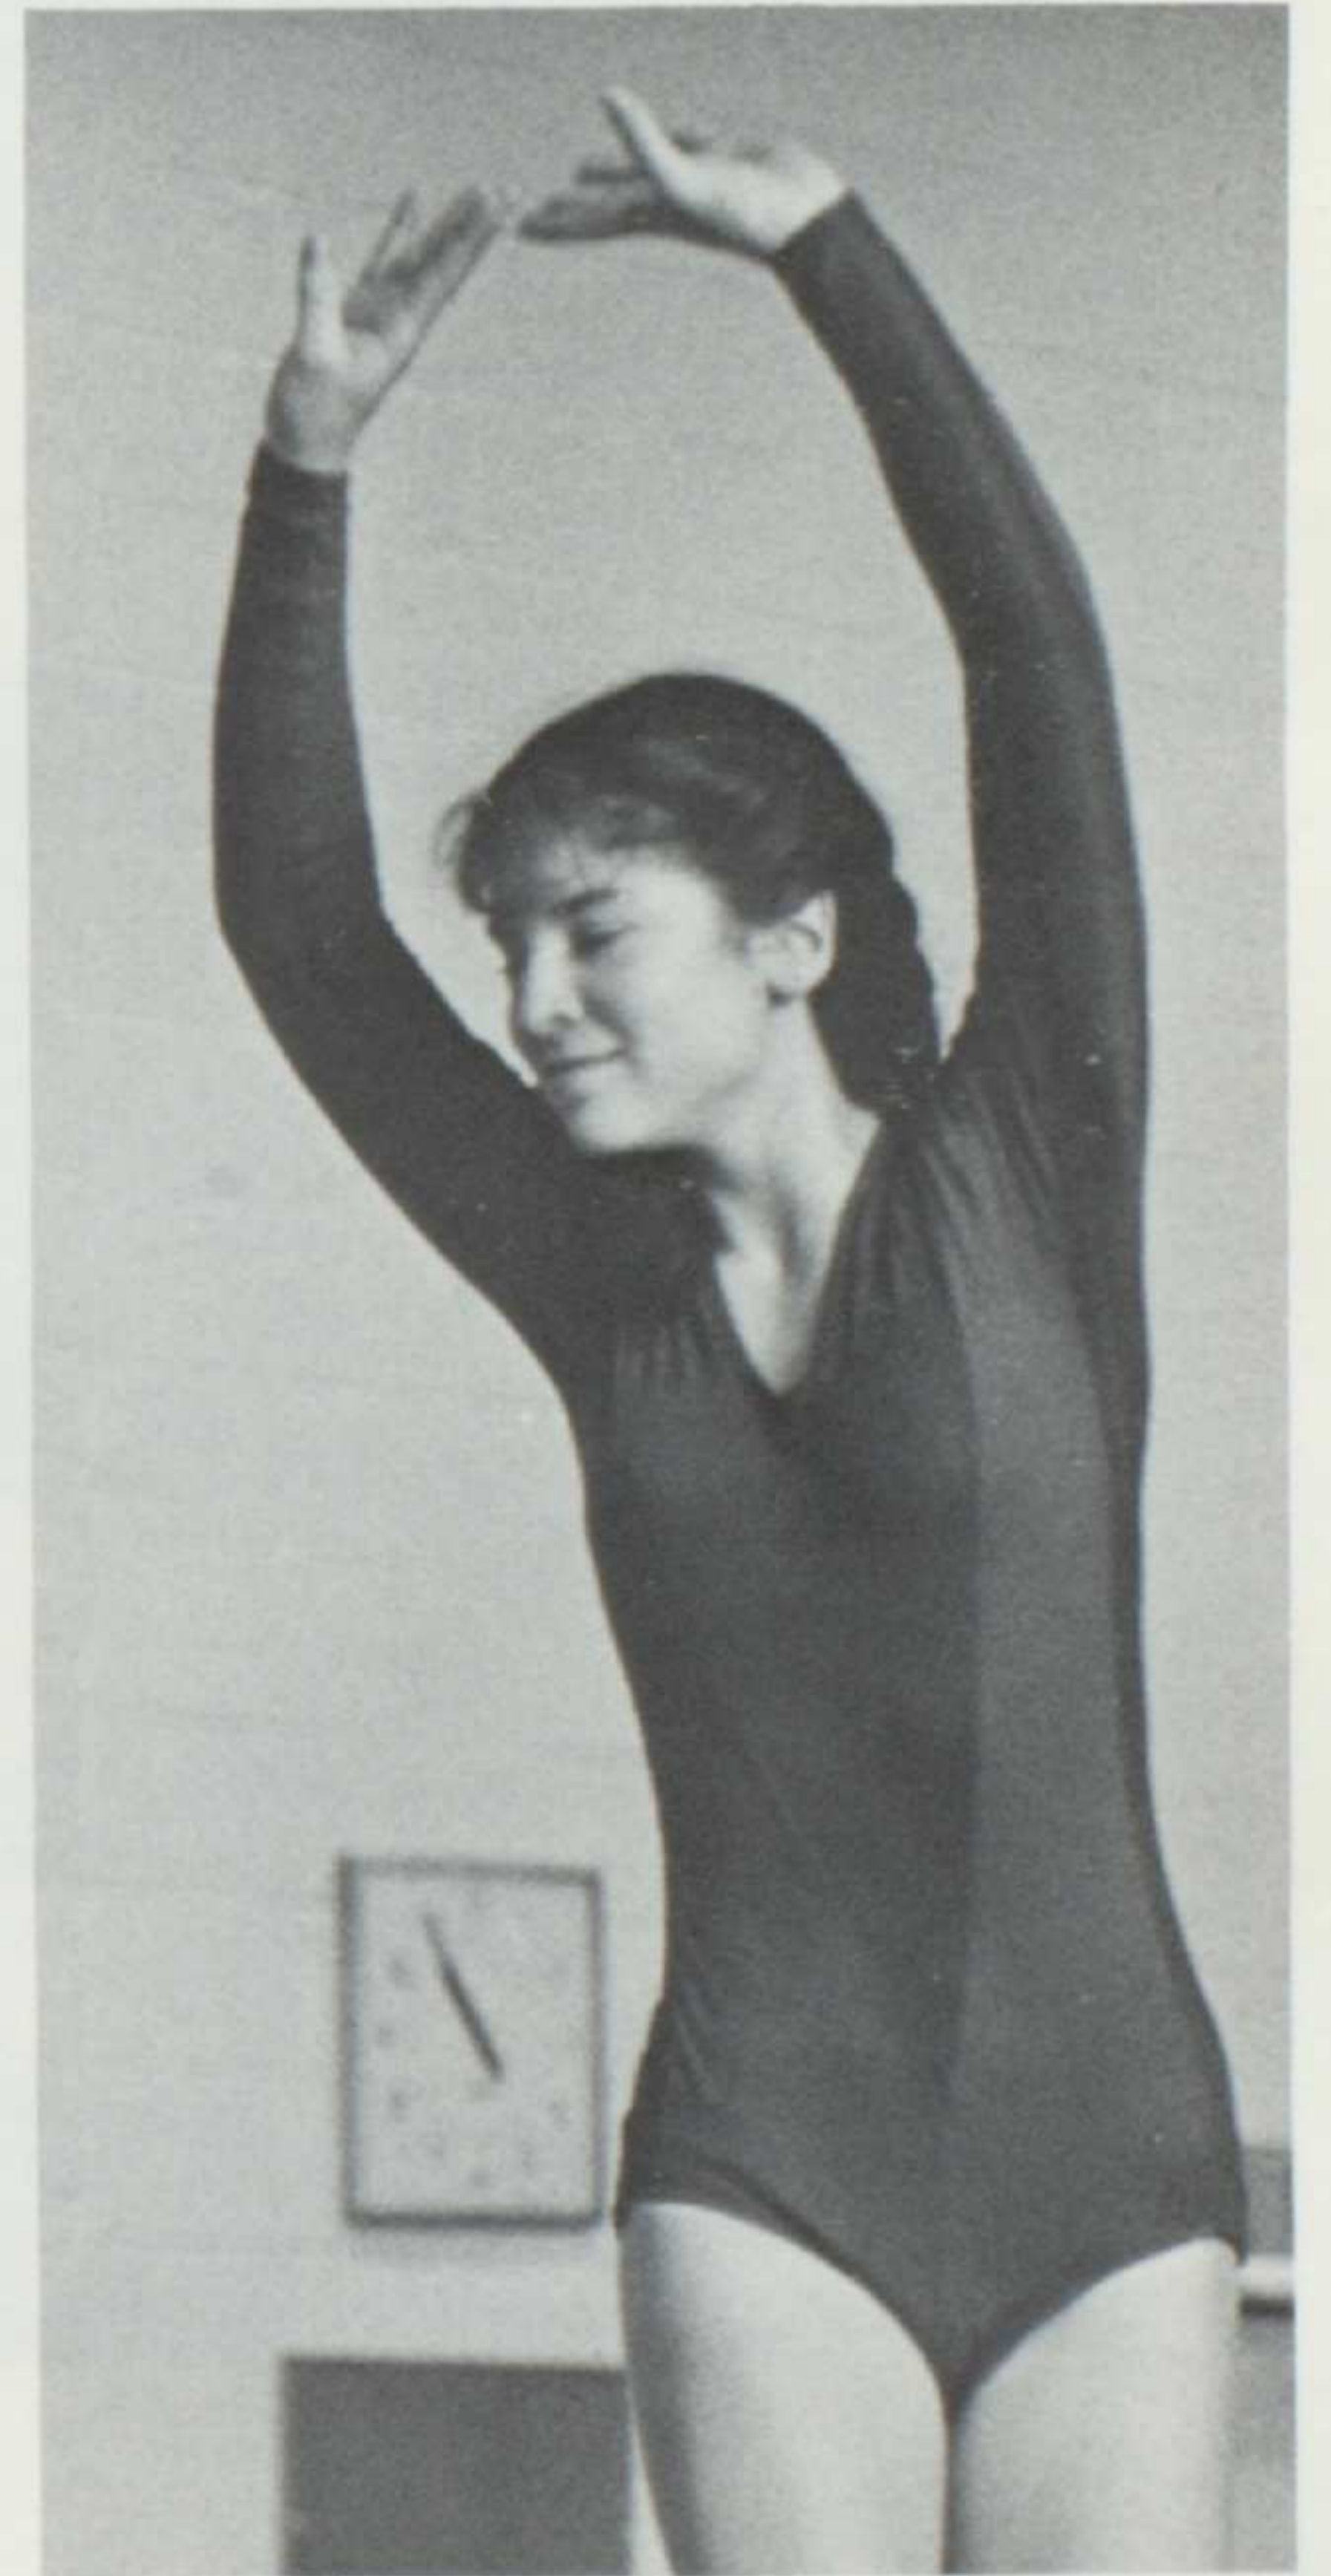

Graceful gymnast.

I'M a little teapot!

Dive

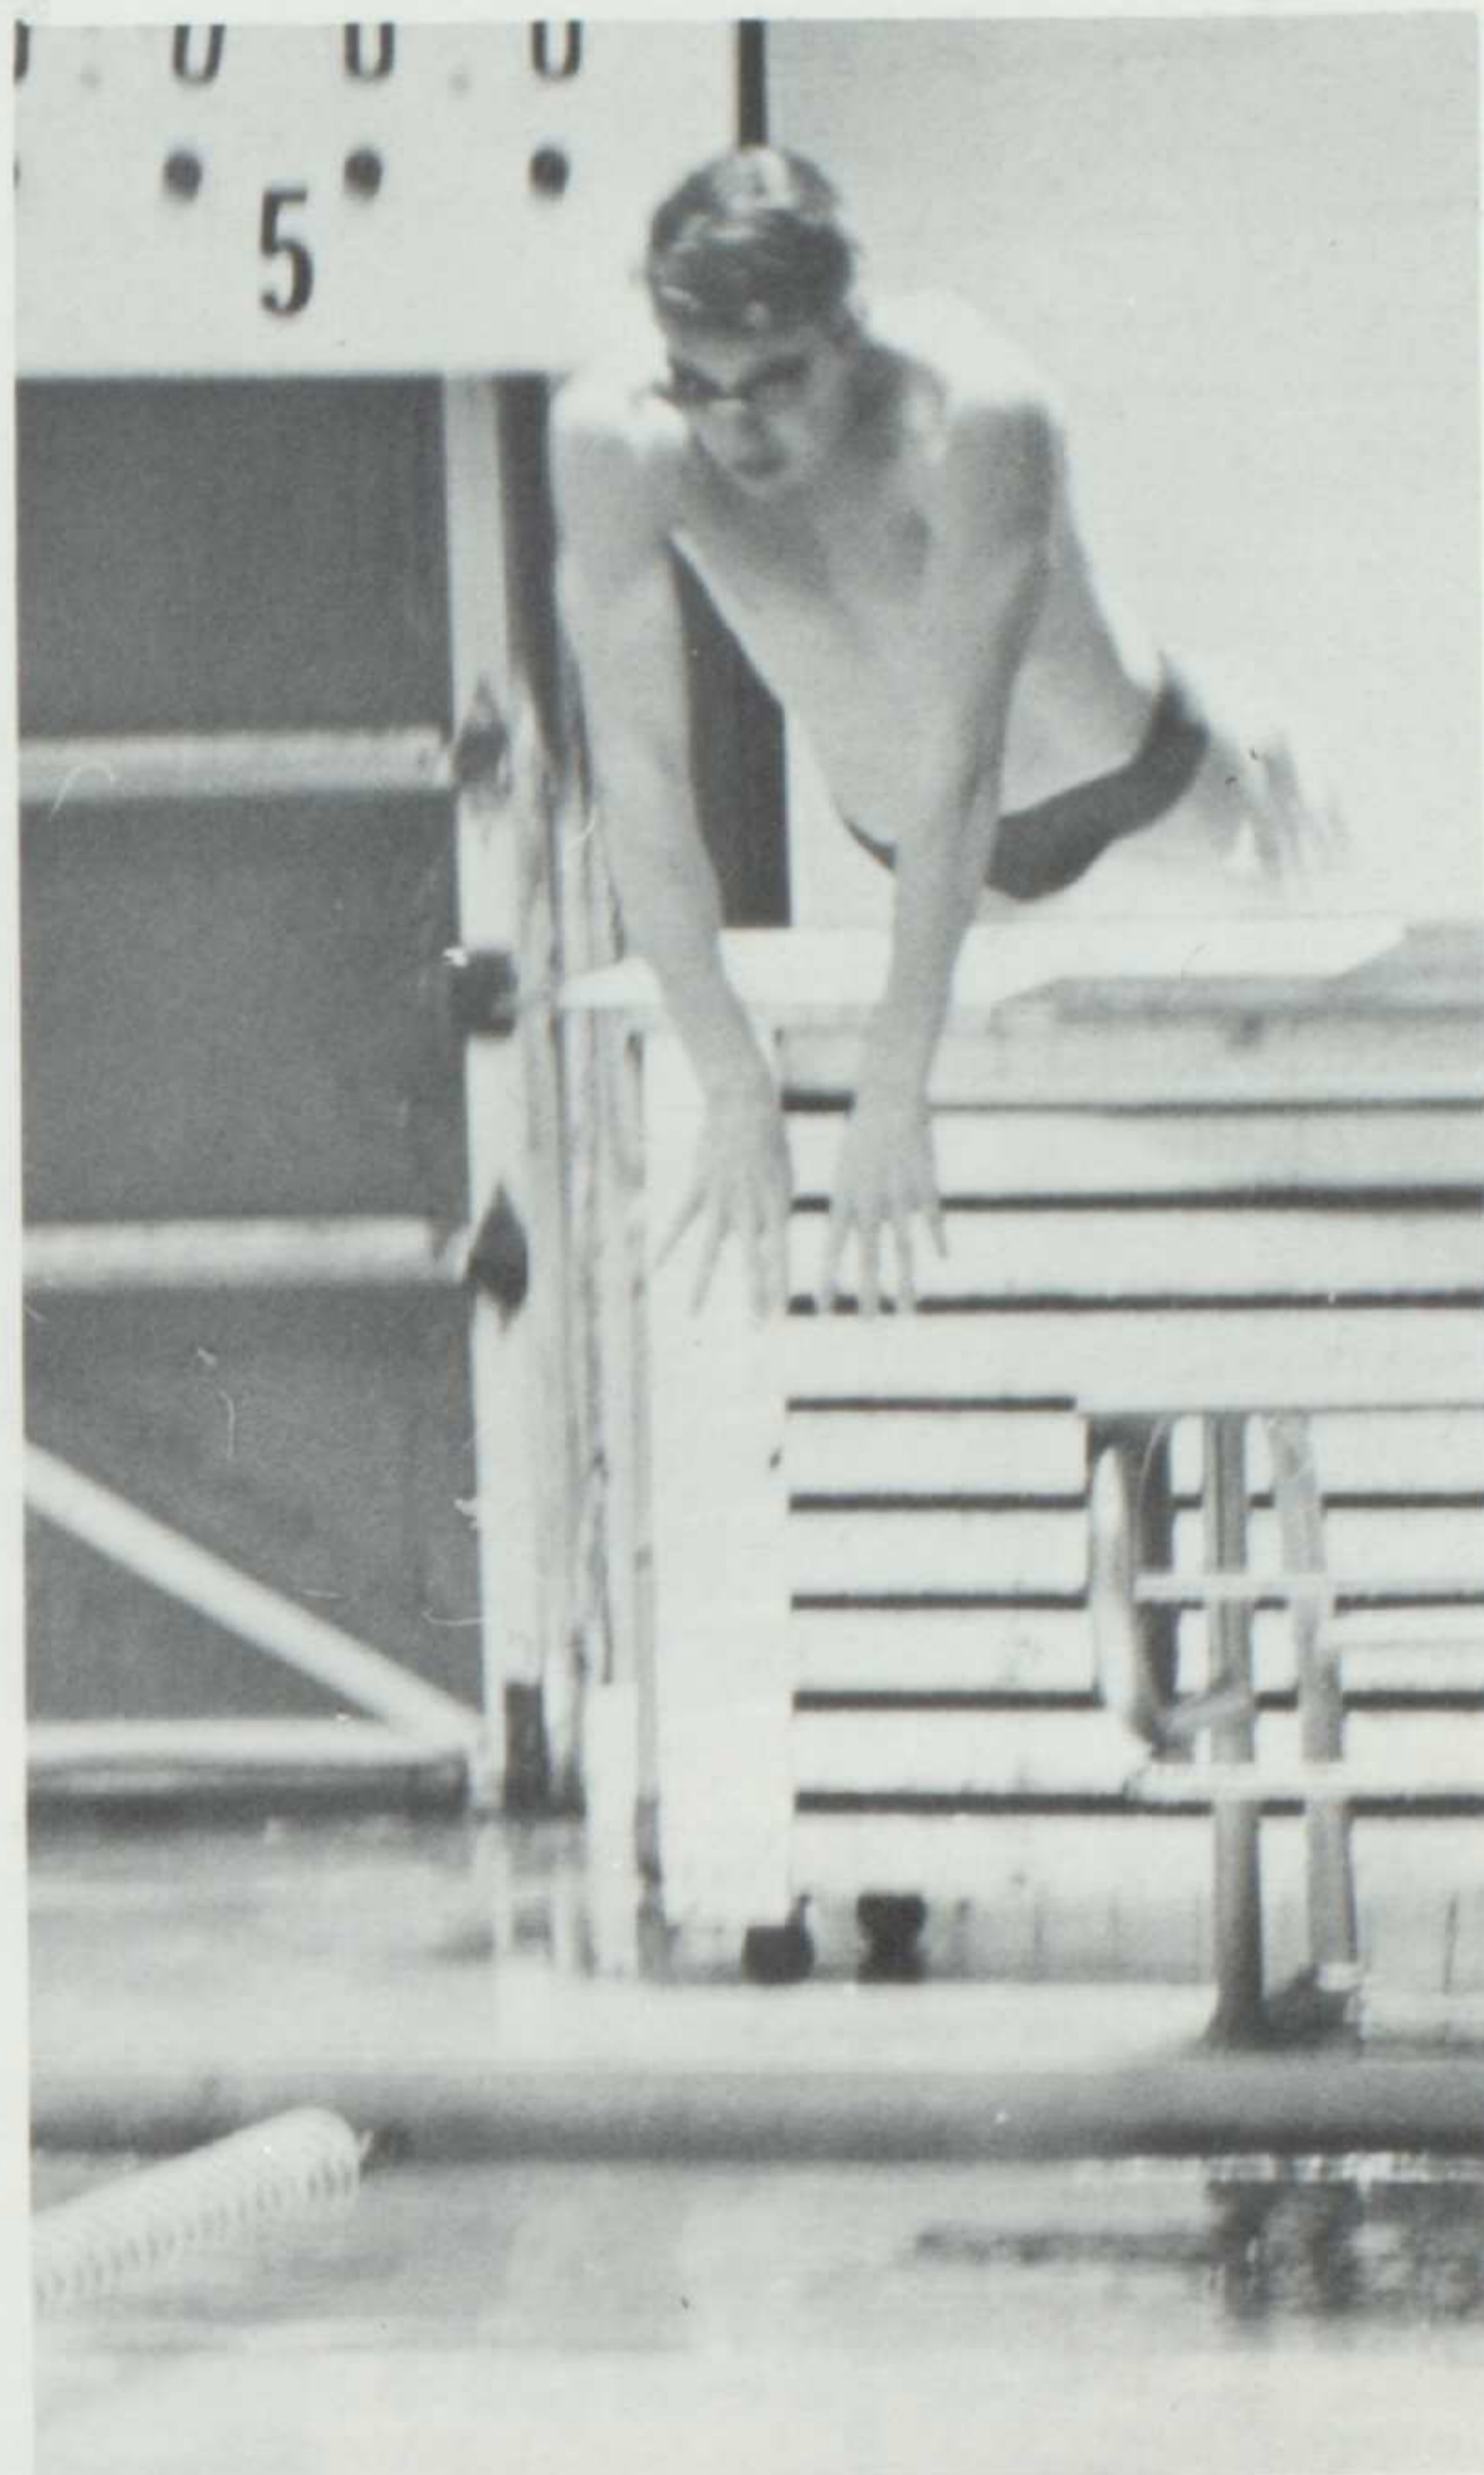

The WHS Boys Swim Team was again, as usual, excellent. They lost only one dual meet all year, and that was to the National Prep School Champs from Pennsylvania. Next year, because of the graduating Seniors, "they'll have a lot of outstanding swimmers, but not great depth," according to Senior Scott Van Steyn. Some outstanding returners to look for will be Matt Topper, coming back as a Senior, Tim Jurrs, Brad Ruess.

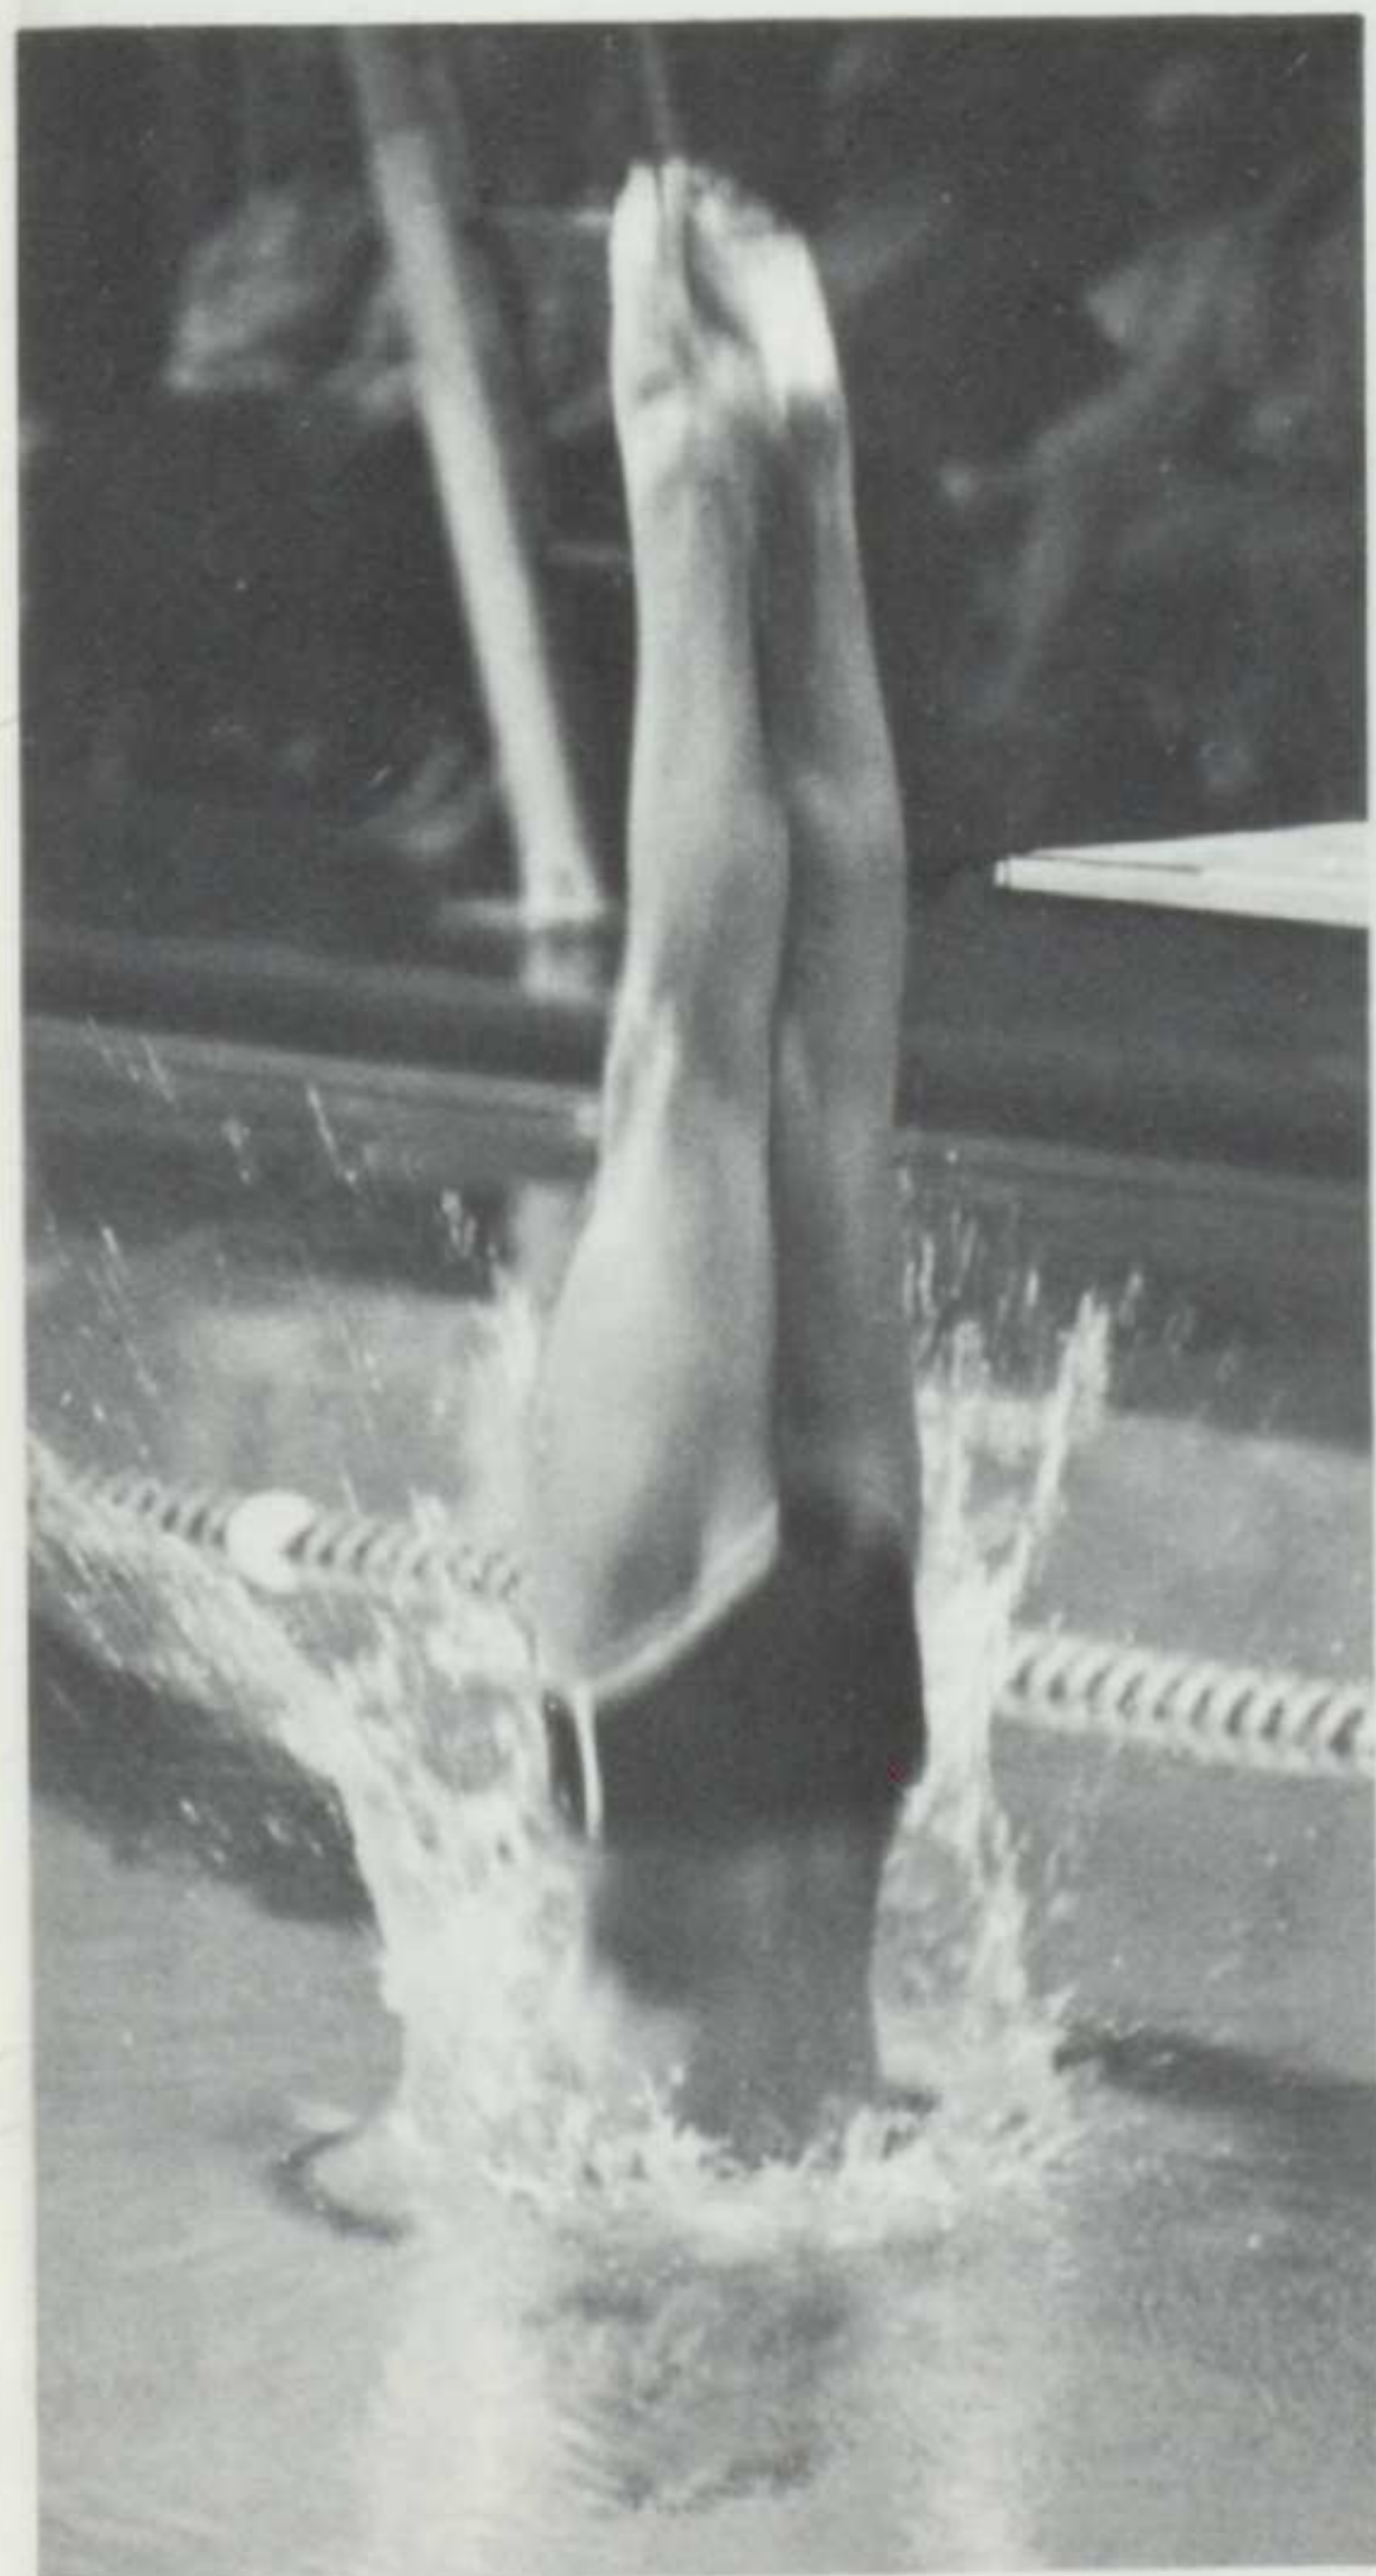

Senior Chris Spellacy

Steve Busch

Splash

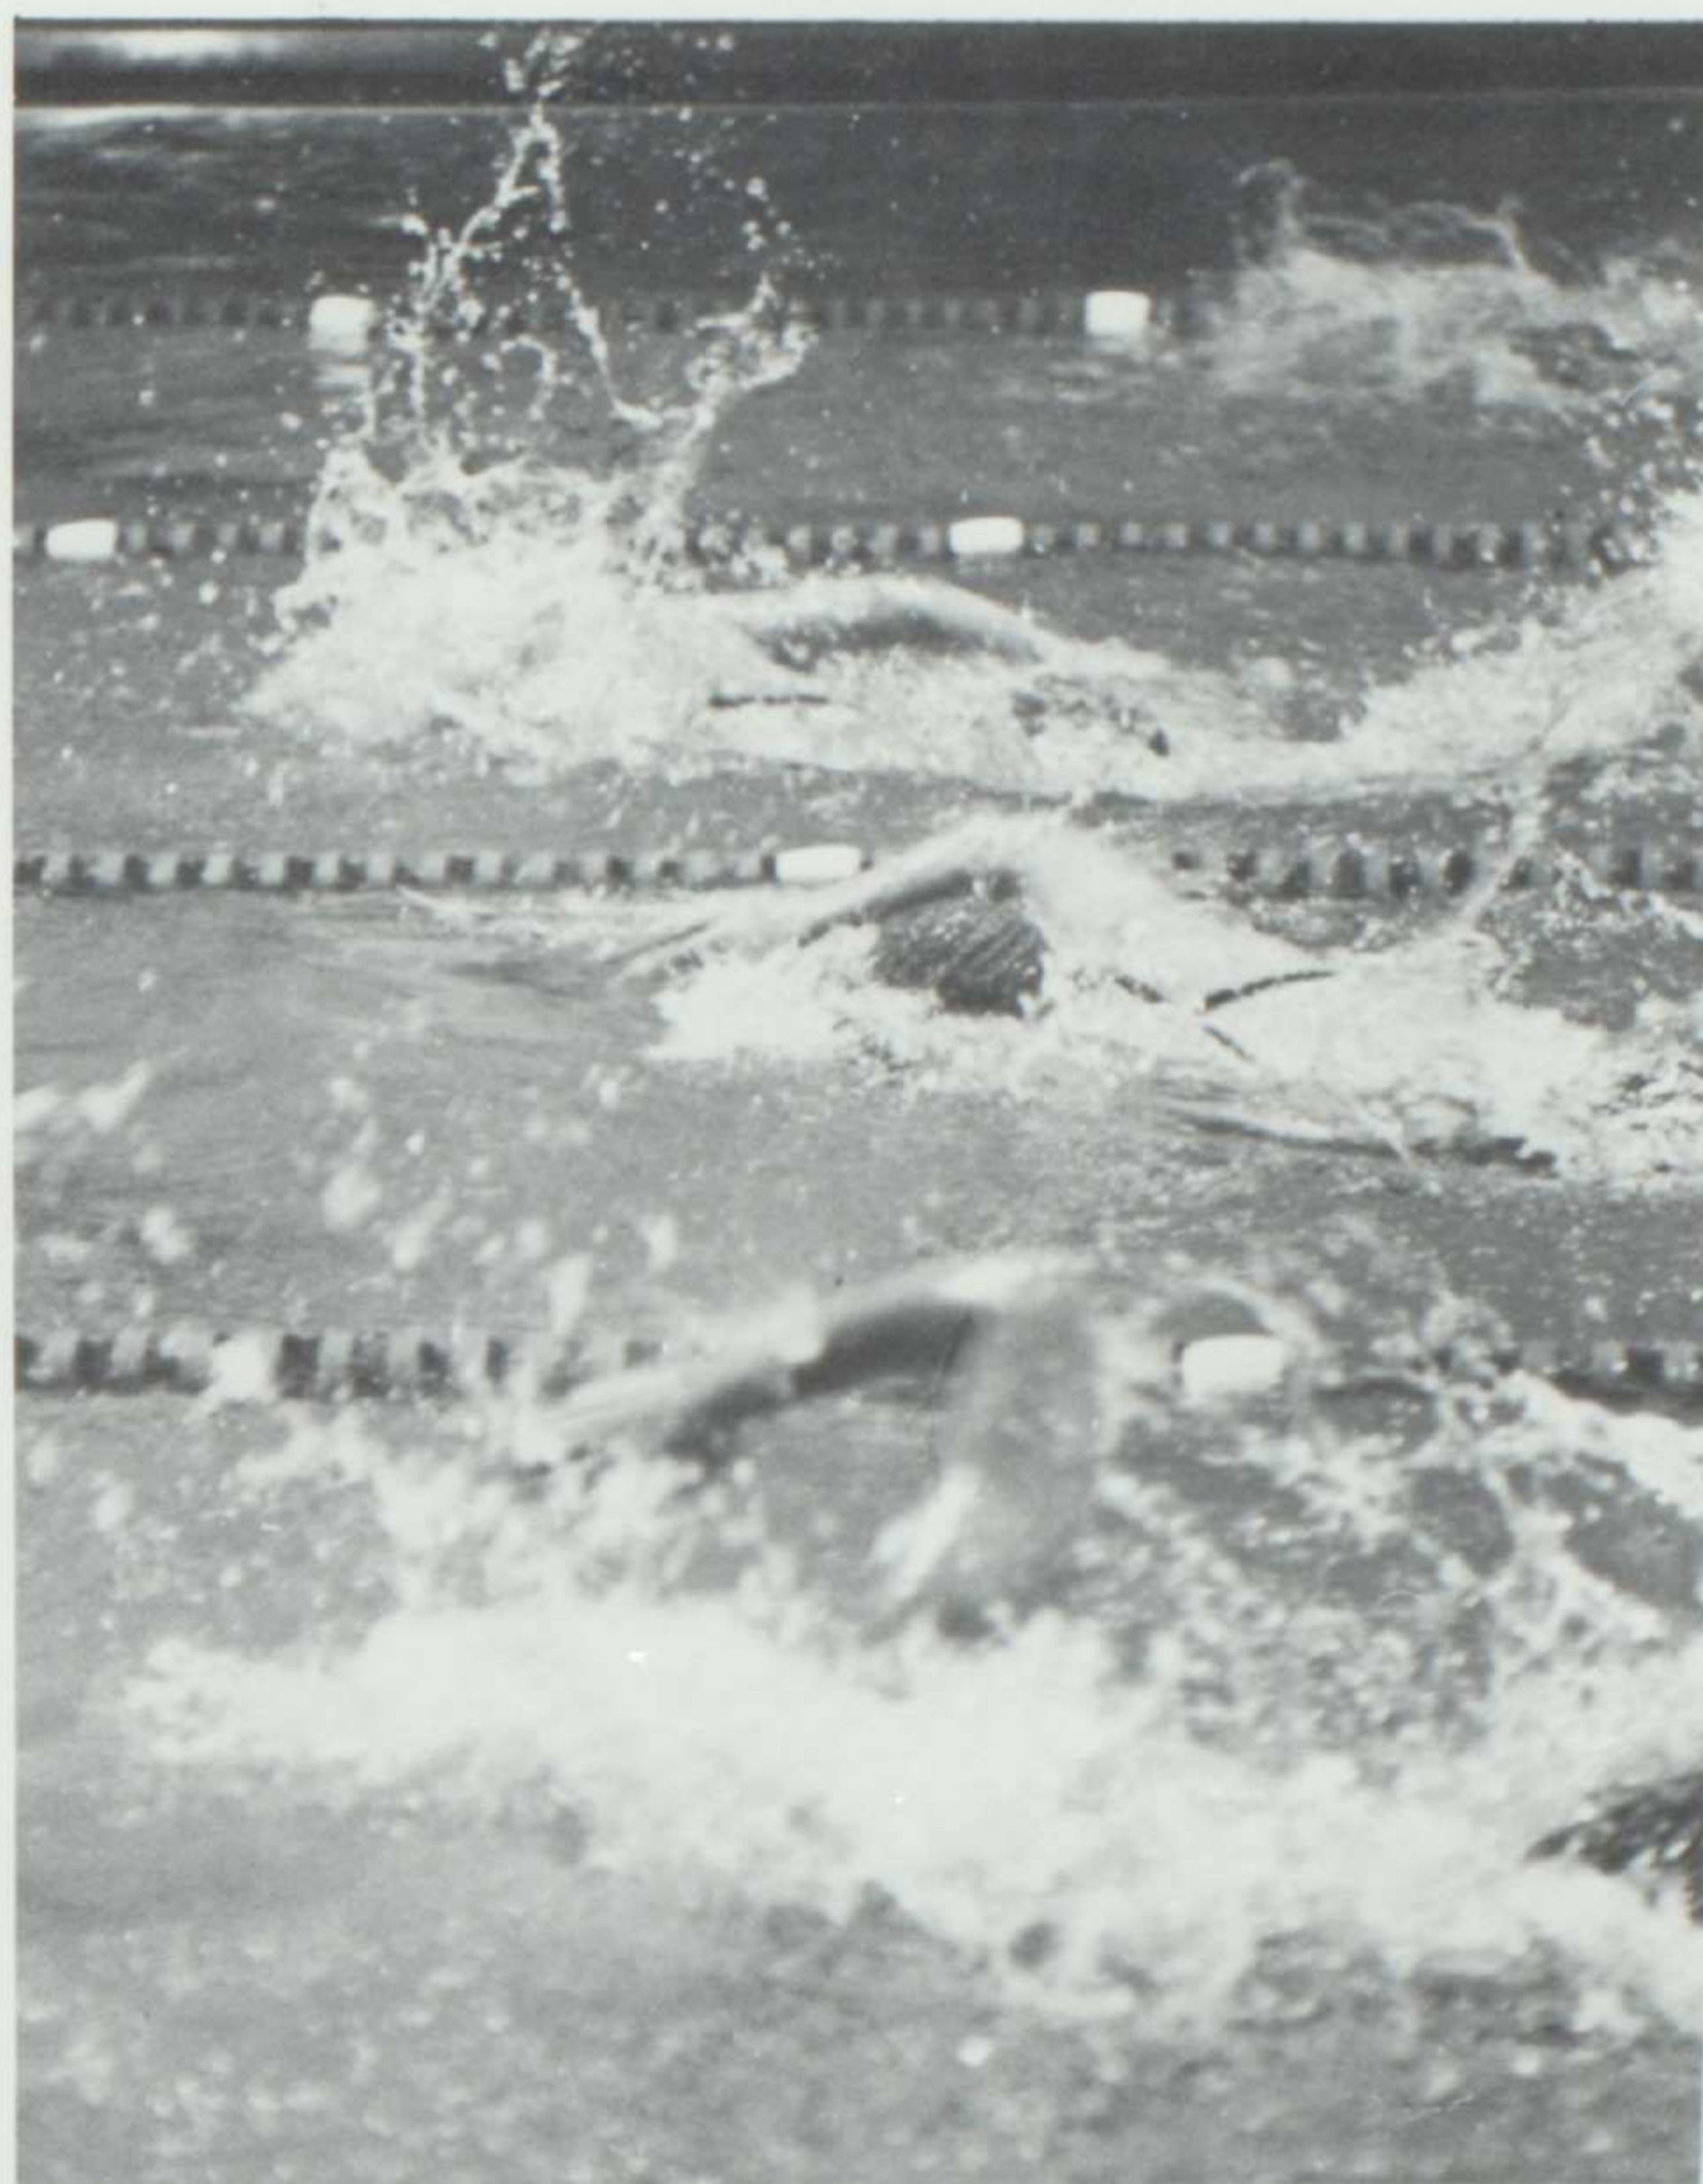

Swimming — that is one word which is a standard of excellence here at Worthington. It demands getting up at 5:00 a.m. for a practice at 5:30 plus another practice after school — but the girls swim team met these demands and struggles. Led by captains Lisa Hampshire, Beth Baur, Sue Milburn, and Kelli Callar the girls ended up with only one loss in the regular dual meet season (a large part of the team was away at an AAU meet). They went on to win districts and place fourth team wise at the state competition with 11 girls qualifying. The girls were also successful in breaking four school records. These four records broken were Kelli Davis in the 500 free, Lisa Hampshire in the 100 fly, Karen Taylor in the 200 I.M., and Jill Wolfram in the 100 back. The determination and hard work of the team has paid off this year and they have their sights set on regaining the state championship title back in 1983!!

Worthington swimmer finishing strong.

Worthington diver gaining points in competition.

Taking the lead in the 100m. freestyle.

Kelly Davis taking the lead.

Finishing strong in the relays.

Pin

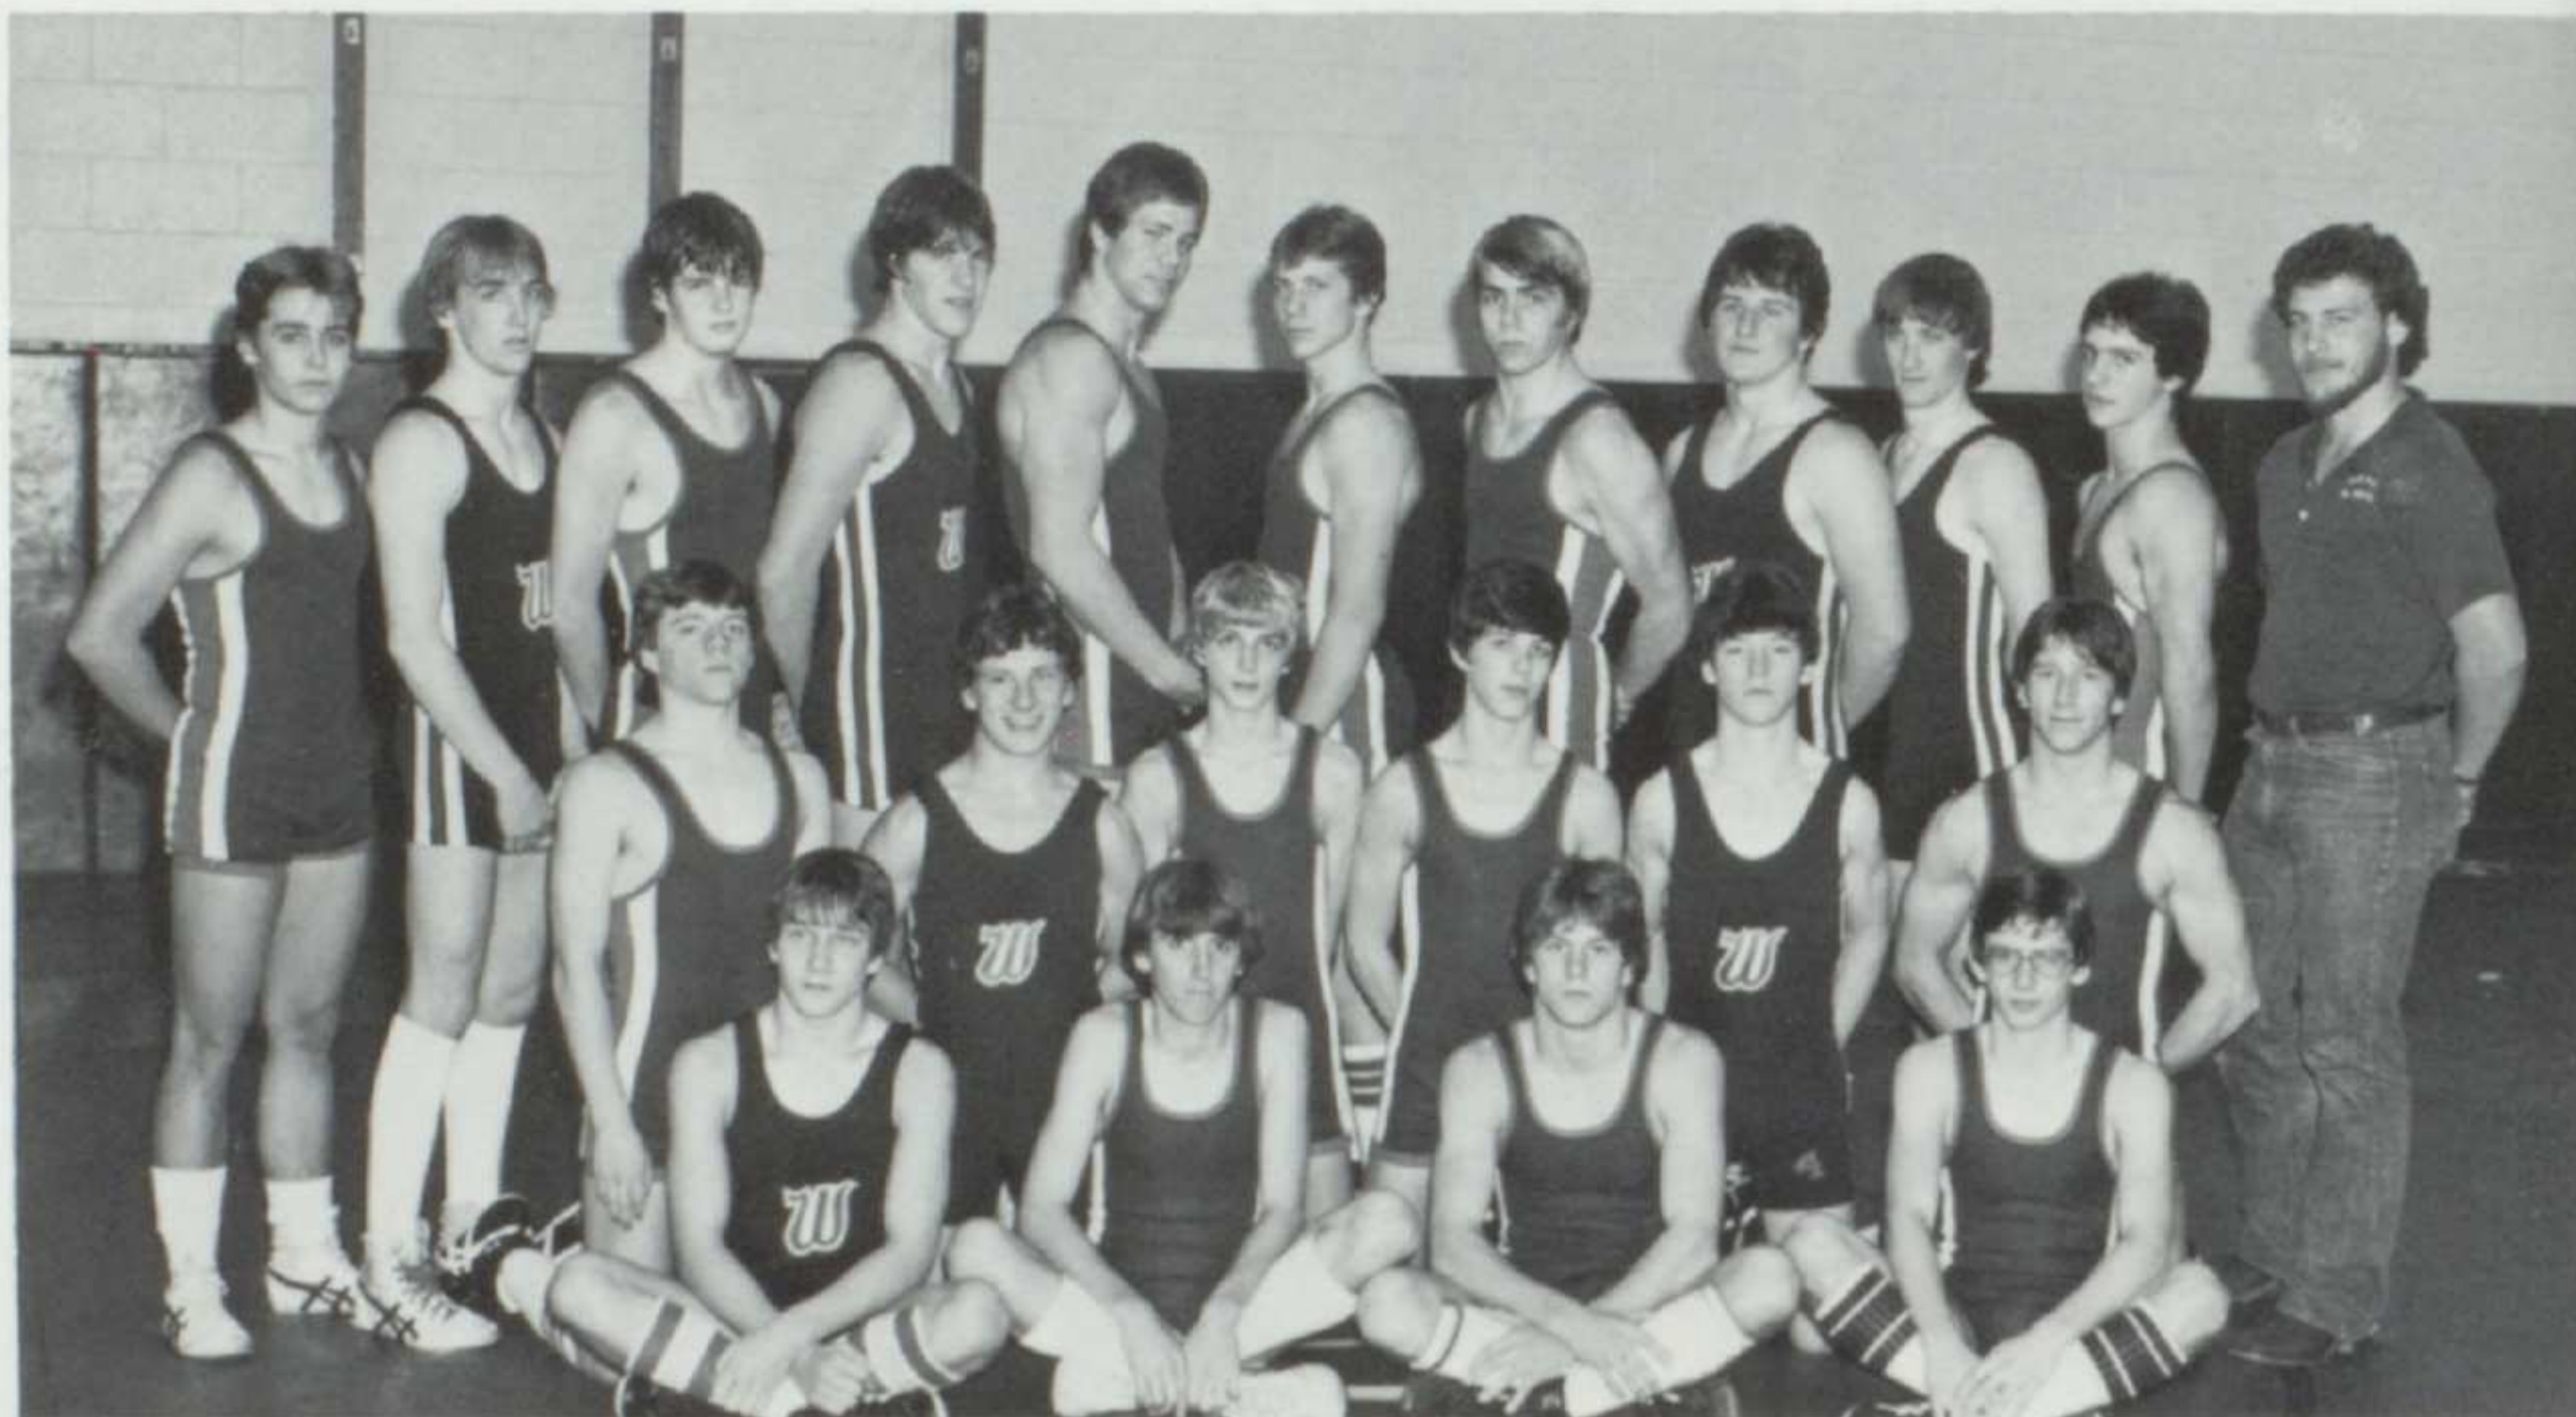

The 1981-1982 Wrestling Team could well be the best overall team Worthington has ever had. There were 5 tournament championships (including Sectional and District championships), 2 closely contested 2nd place finishes, one 3rd place finish to St. Eds, North Canton, who were one and two at State, and finally, a 10th place finish at State, that was just 8 points short of a solid 3rd place finish.

Team leadership was utmost in their success, with Mark Gundling and Dave Ramirez as team co-captains. They, along with the support of the other valuable and experienced seniors, Fred McClellan, Bob Bauman, Mike Woods, Brian Allen, Anil Rastogi, Leroy Bray, J.R. Ward and Dave Snyder, helped keep the Cards rolling.

A great team with great athletes, Juniors, Haimerl, Hamilton, Hitzeman, Gharbo, Gundling, Furnas, Fister, Lennon, Josslyn, and Ubert have their work cut out for them, maybe the best is yet to come!

Front Row: Anil Ratogi, Tim DeWitt, Mark Gundling, Matt Gundling, Andy Furnas, J.R. Ward. **Back Row:** Coach Bucky, Dave Ramirez, Mike Woods, Gary Hitzemann, Brian Allen, Bob Bauman, Ron Gharbo, LeRoy Bray.

STX

The 1982 Boys Lacrosse Team finished with an excellent 12-3 record. They were again Co-Champions of the MSLA. This year the team had a very early start with conditioning and practicing because the team was invited to participate in the Hall of Fame tournament in Baltimore, Maryland. Worthington was the first team from the Midwest Scholastic Lacrosse Association to be invited to this prestigious tournament. Another milestone for the team occurred this year. For the second time in the history of the team Worthington defeated Upper Arlington three times in the same season. Winning the MSLA tournament was extra special this year for it was held on the stickers home field. League honors this year went to Glenn Alban, Rex Lynne, Pat Patterson, Mike James, and Jeff Horton. With many returning starters the hope for another championship looks bright.

Run

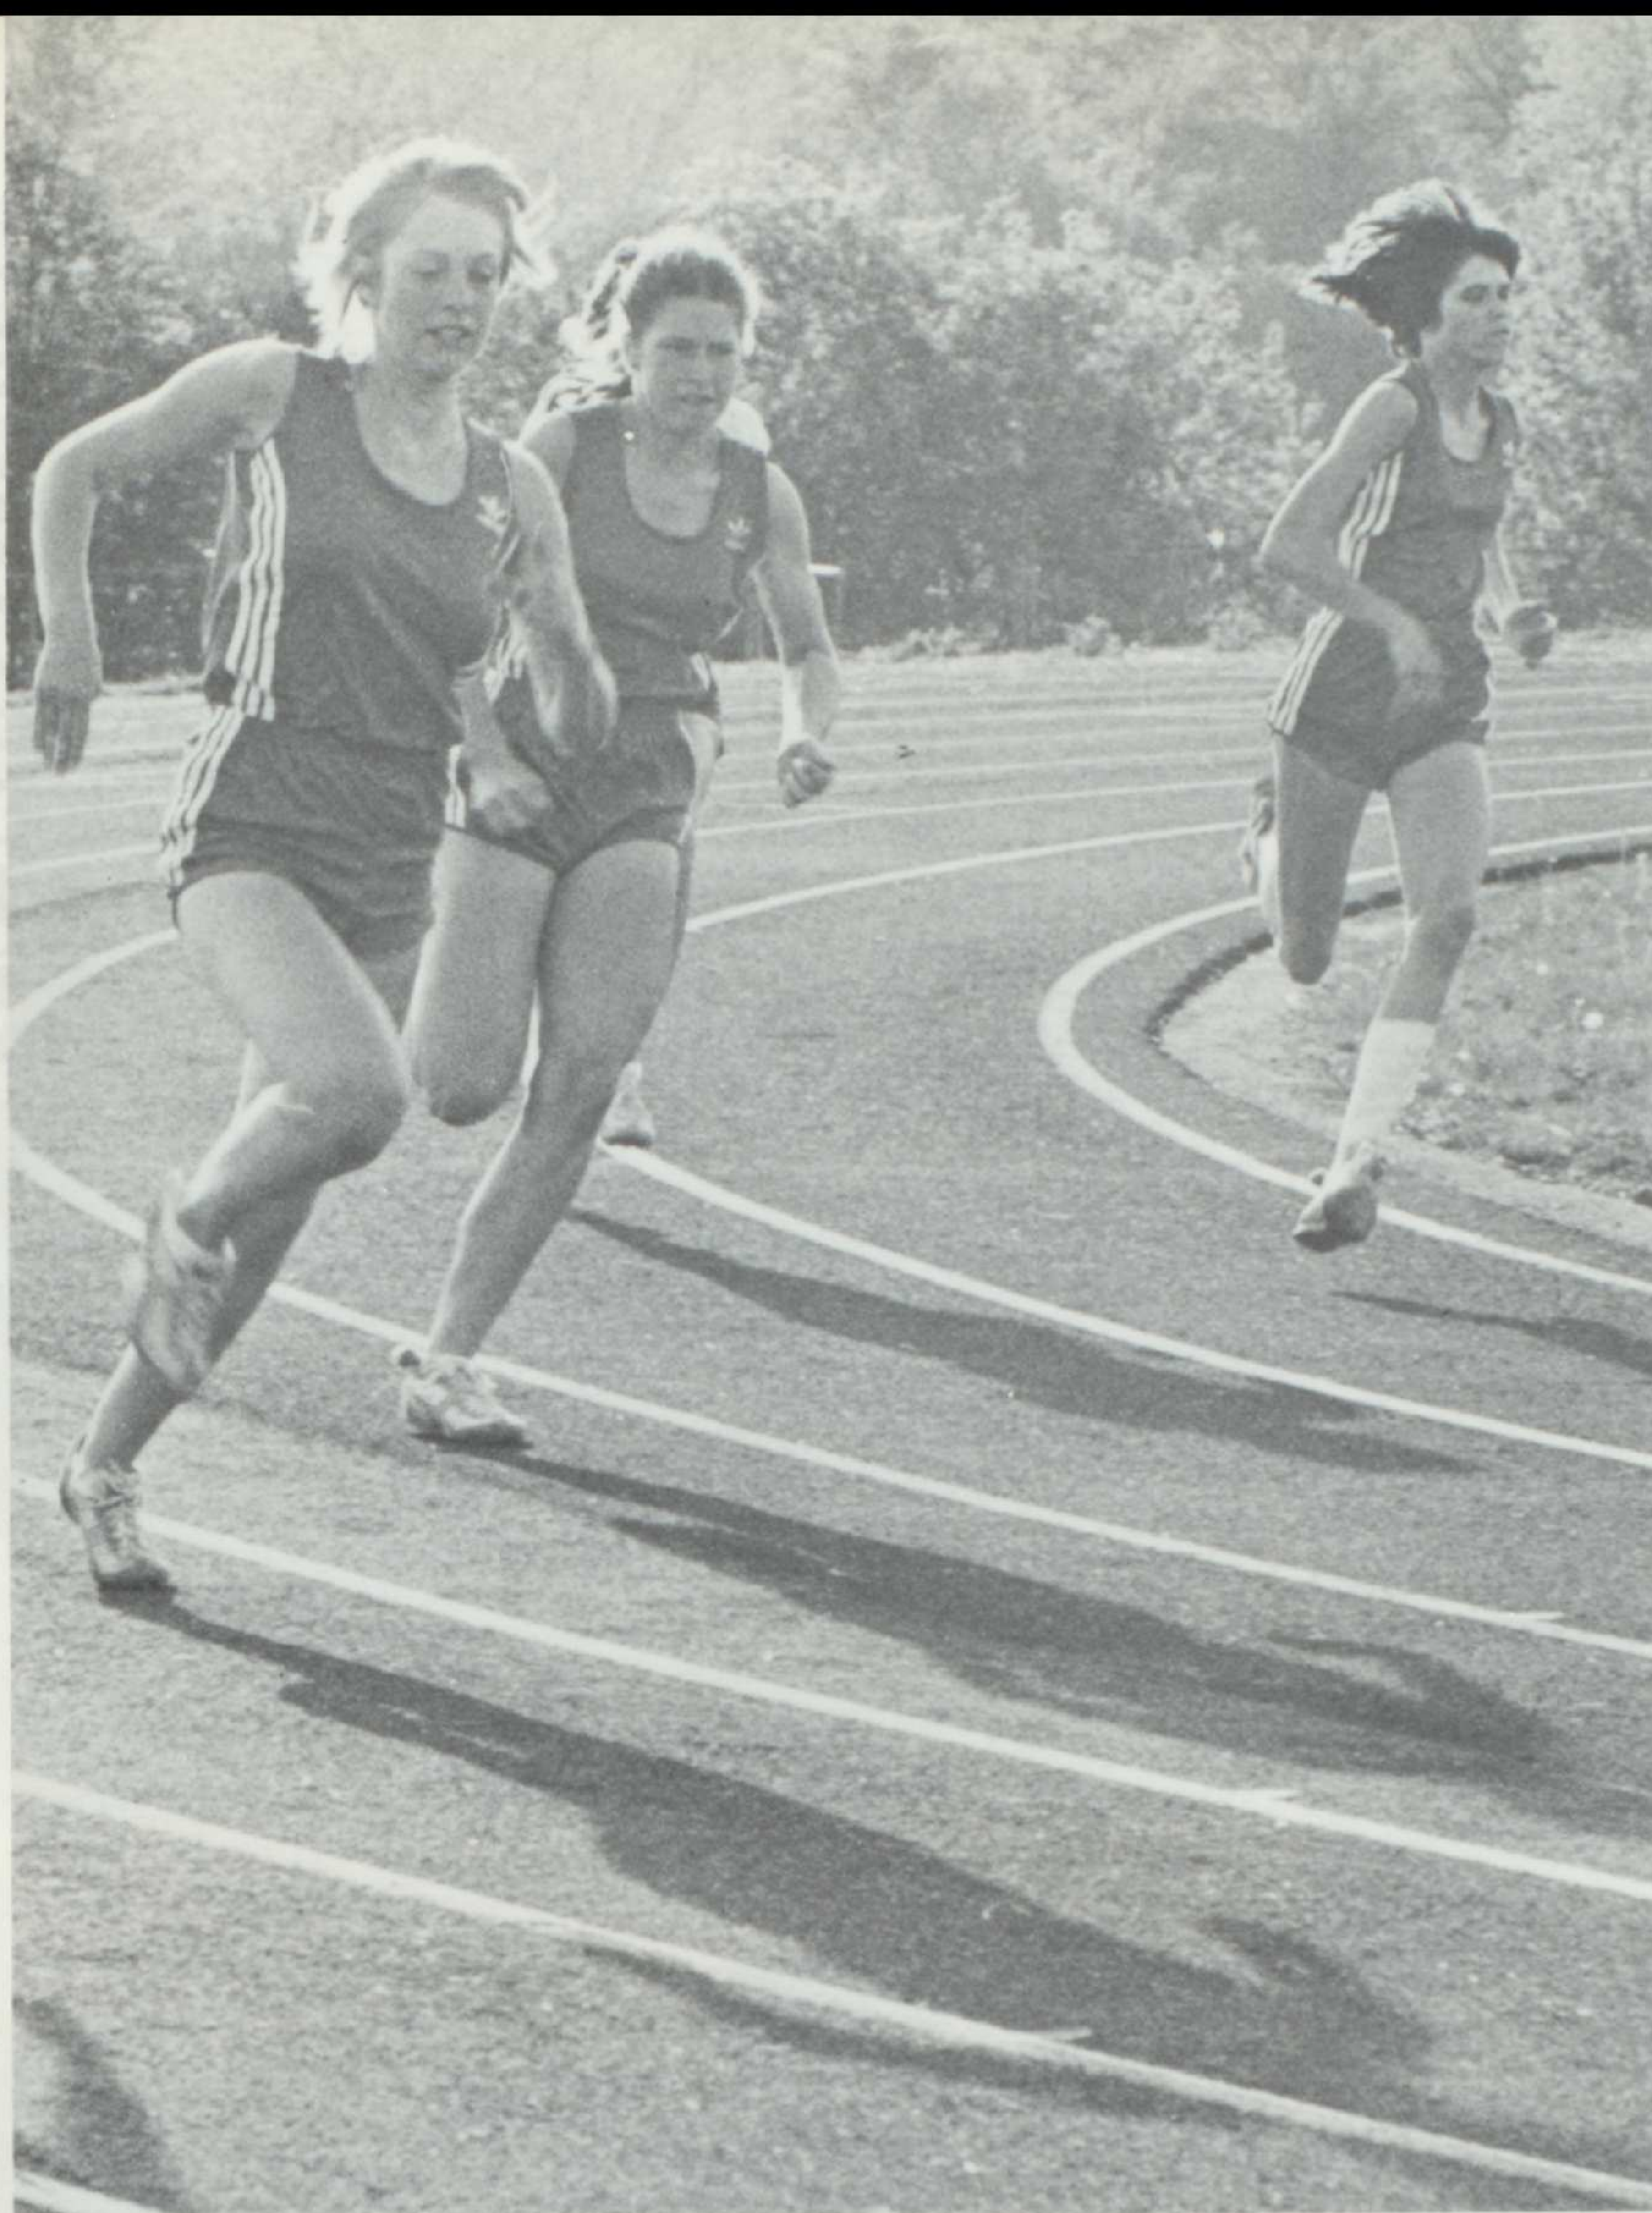

The 1982 Worthington Girls Track Team, led by Head Coach Jennifer Elin, finished the season with a fine record. The team defeated Upper Arlington in an invitational meet but lost to them in a dual meet. Strength for the team was provided by Graduating Seniors Lynette Macer, Kathy Burd, Elizabeth Arnold, and Danielle Blazer. Next years team should be pretty good because of freshman who "make up for in leg strength what they lack in brainpower," according to a joking Lynette Macer. So the overall picture for next years team does indeed look promising.

Worthington sprinter taking first.

Michelle St. Pierre

Worthington tracksters easily take lead.

Kathy Poss

Stephanie Schafer

Faster

The 1982 Boys Track Team had an excellent season losing only one dual meet the entire season. The Track Team finished third in the OCC meet behind Gahanna and Arlington. Gahanna, Arlington, and Worthington all had identical records in the OCC league contests. Worthington defeated Arlington in a dual meet, and lost only one dual meet all year and that was to Gahanna. With a lot of young blood on the team hopes for next year are high.

Worthington clears the bar. Sprinter leads Grove City.

A strong showing!

Dave Langhout clears 5'7".

Bob Bauman gains points for Worthington.

Hayden Humphrey.

Len Kemp.

Worthington takes the lead.

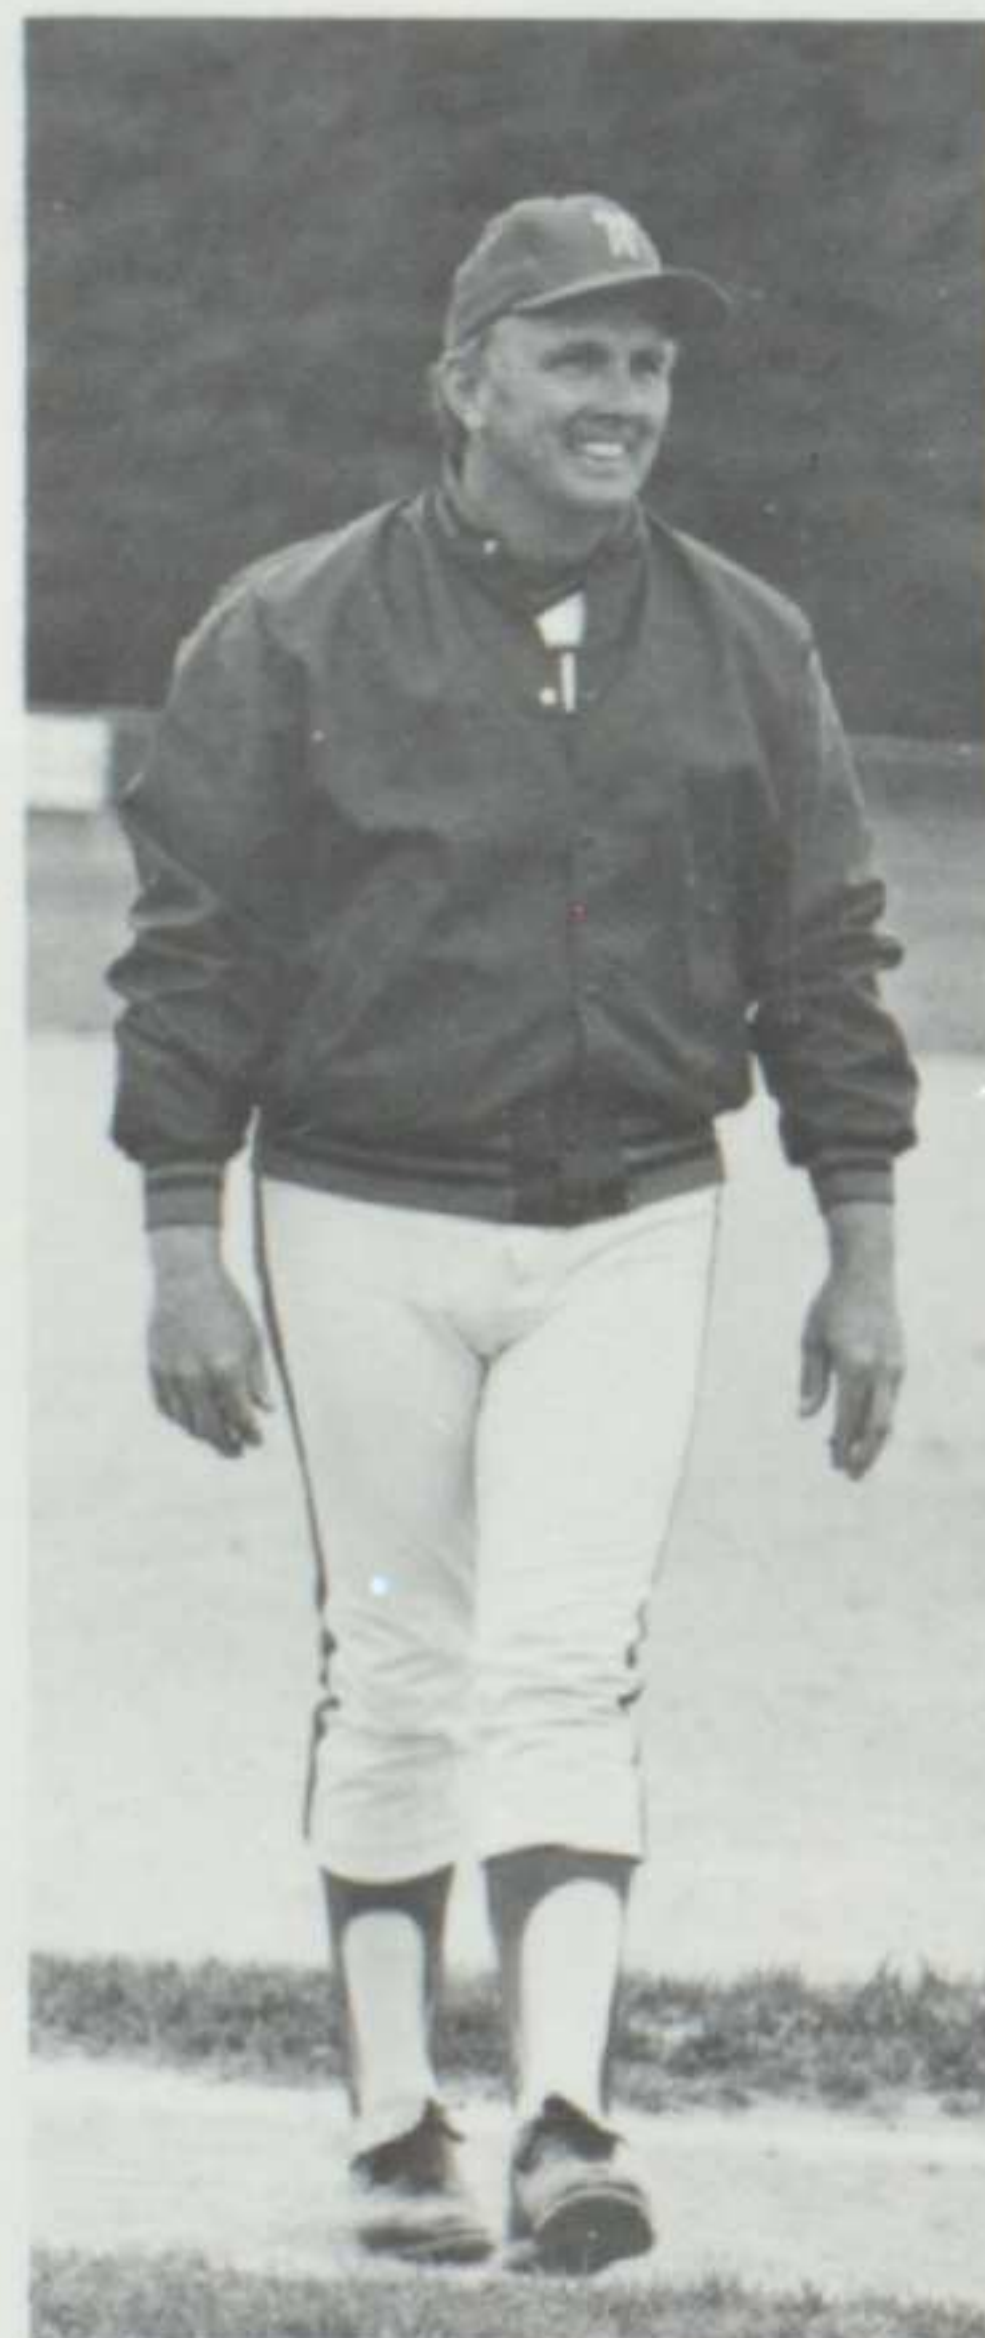

Chris Sagar

Safe

The 1982 Boys Baseball Team had an excellent season this year. Although unable to repeat their feat of winning the state championship of one year earlier, they were able to take the OCC title again. There are quite a few graduating Seniors on the team this year including Casey Close, Dave Wagner, Pat Doyle, Jeff Jarrett, Chris Sagar, Dave Ollila, Bill Basom, and Judd Betts. Next years Cards look very promising due to such outstanding remaining players as Jay Marzano, Greg O'Hare, Mark Hertel, Jay Hammond, Ken Kaplan, Mike Denney, Kevin Ubert, and Jerry Berkheimer. Hopes are high for the 1983 Worthington Baseball Team.

Another Worthington Homerun.

Take your base!

Pat Doyle

Strike

Outstanding enthusiasm is a big part of the Girls Softball team's success. Winning is now becoming second nature to them.

With Sophomore pitcher Jennifer Singer leading the team, they have enjoyed a winning season. Singer has thrown a one-hitter against Westerville South and a two-hitter against Upper Arlington.

Heading the offensive barrage at the plate for the Lady Cards is Junior Lynn Steele. Along with her consistent batting, the shortstop has a grand slam to head her long list of credits.

Another intense player is Senior Captain Sherri Barber. Leading the team from third base, she is also a very consistent hitter.

All of the team, with the exception of Seniors Sherri Barber and Janet Luebbe, will be returning next year. The Cards hope to lead the OCC then.

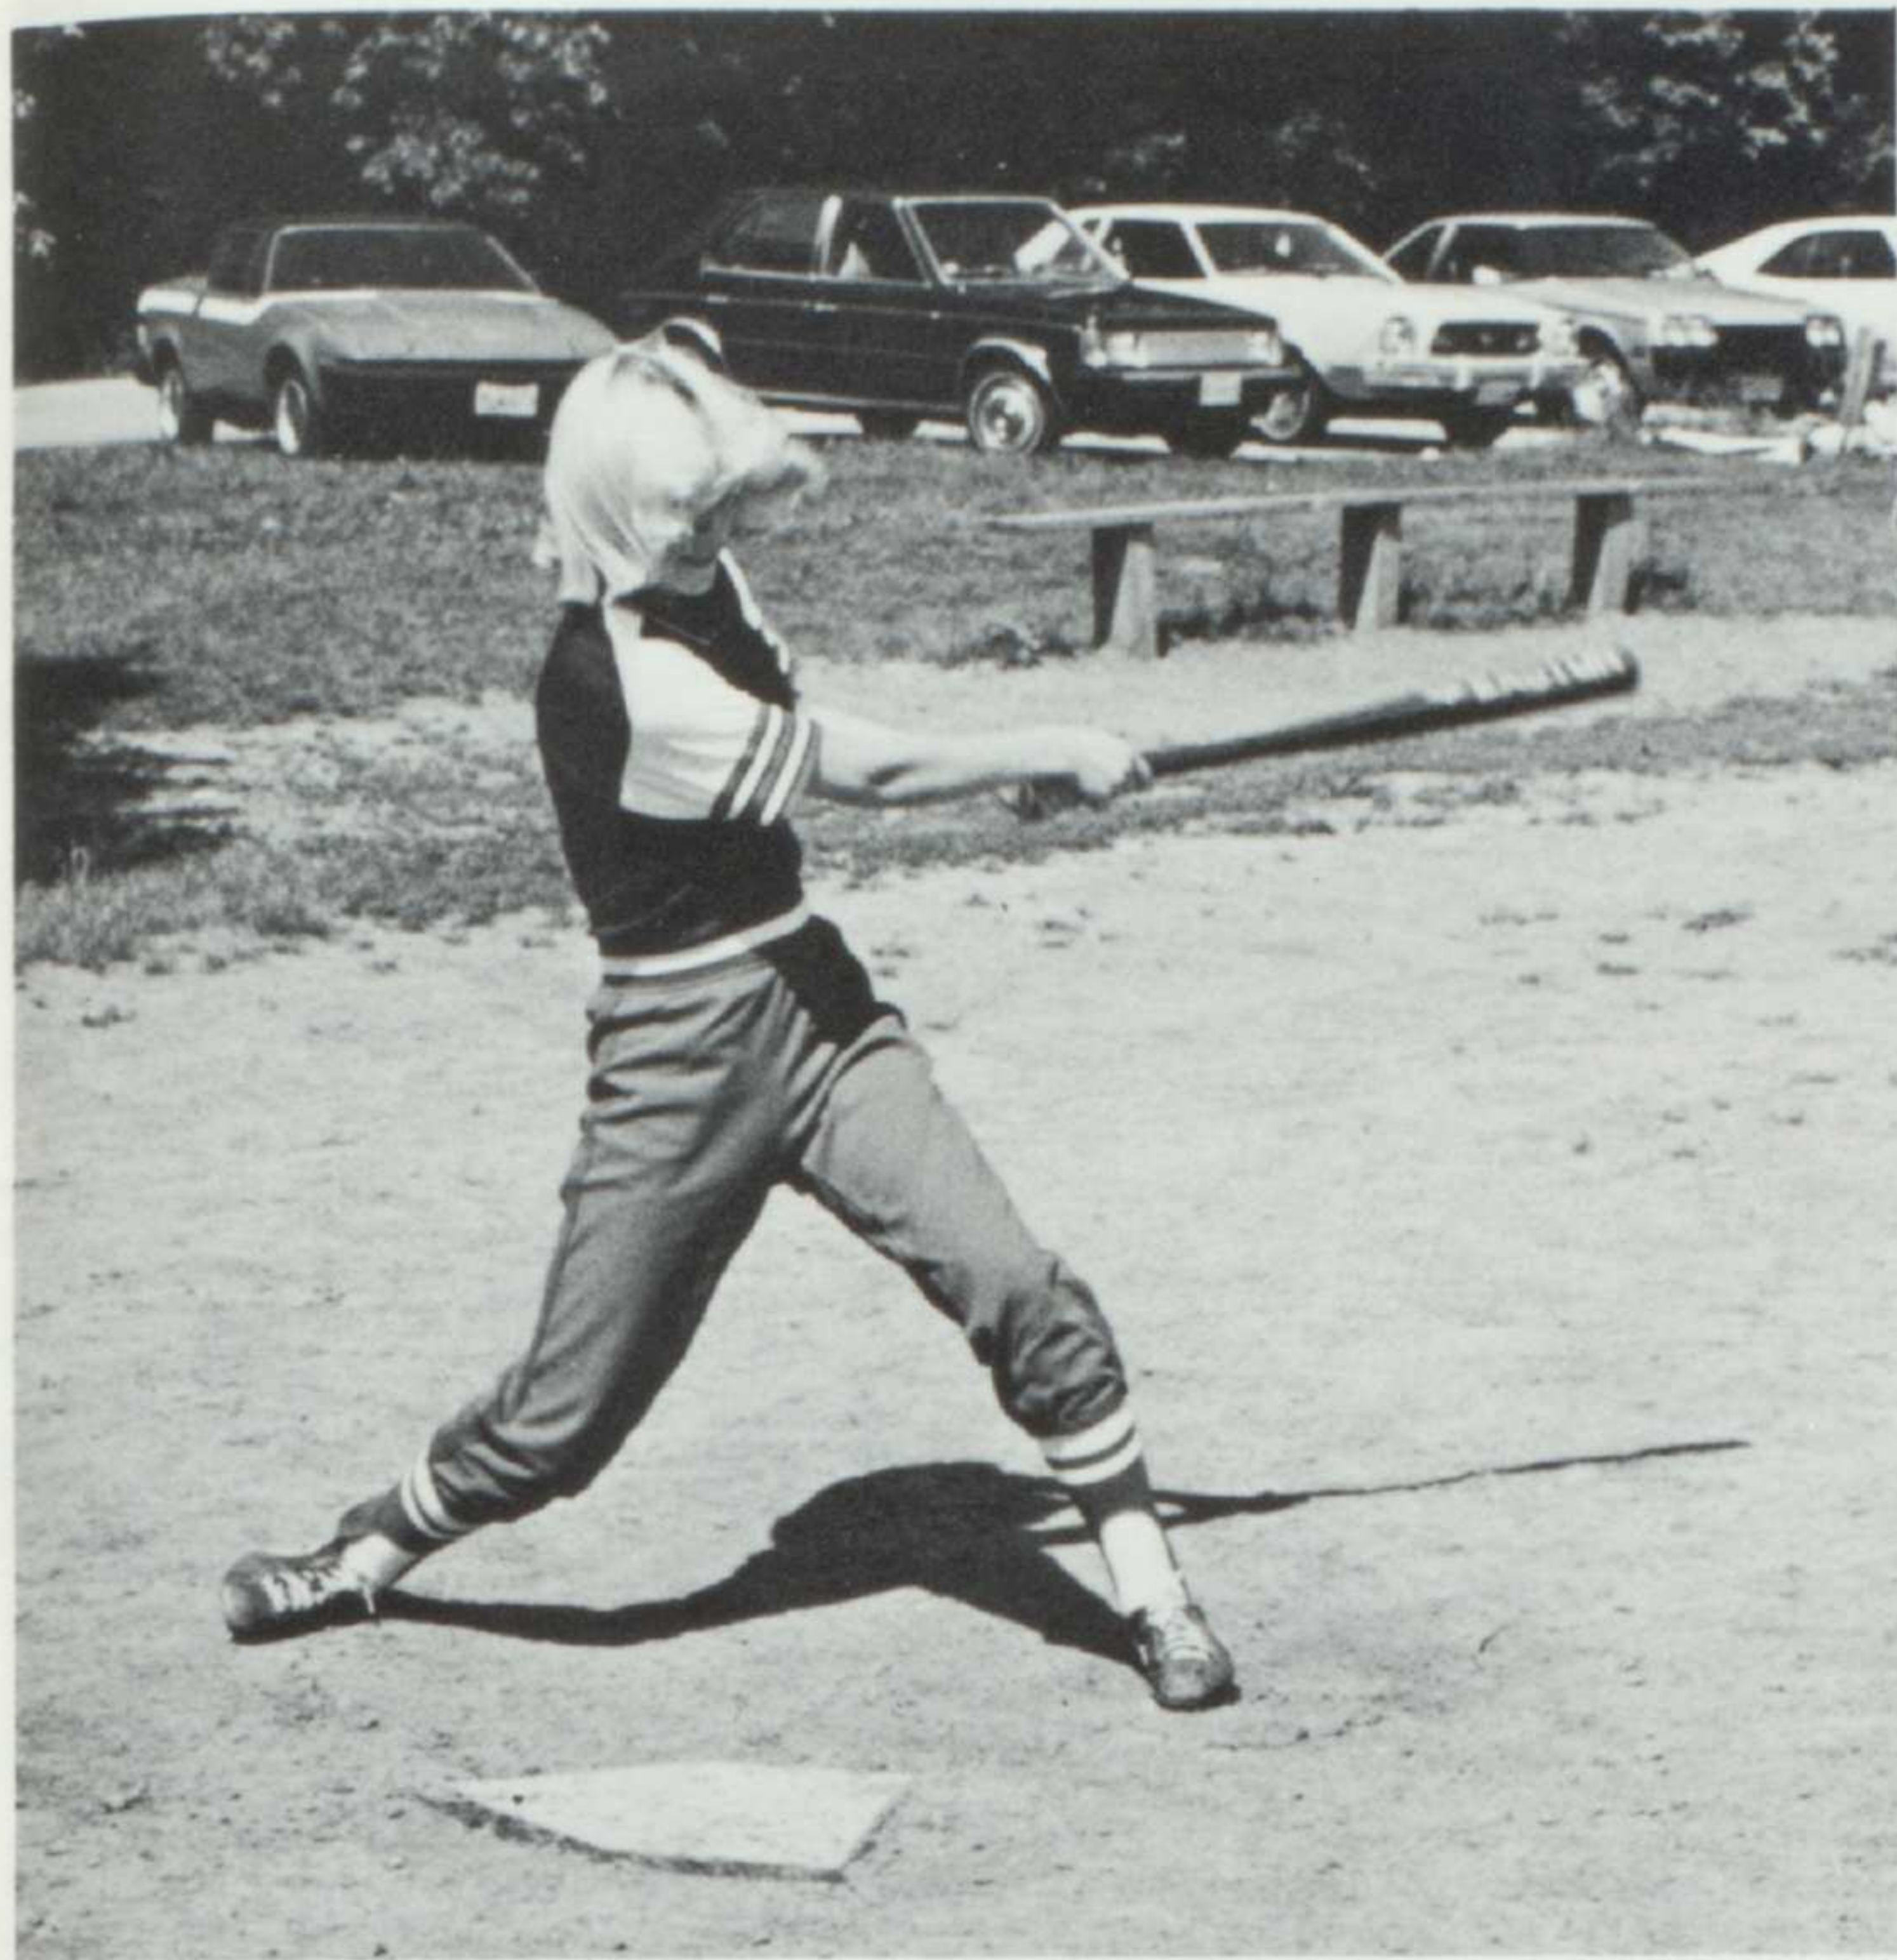

Front Row: Erin Lambert, Sherri Barber, **Row 2:** Katie Heitman, Kristin Johnson, Lynne Steele, Lisa Burns, Marnie Lambert, **Row 3:** Coach Wallace Chandler, Jennifer Singer, Glenda Oury, Sonya Napier, Amy Parsons, Caroline O'Leary.

James Gooding

Elaine Hottenroth

David Howell

Barbara Laird

The Visible Principal

When it was learned that former principal Dr. Cavanaugh would not be principal at Worthington High School this year, everyone wondered who would replace him. Students in the classes of '82 and '83 were pleased with the choice of John W. Hoeffler. As freshmen these two classes met Mr. Hoeffler when he was principal of Kilbourne. Those who knew him knew that he would make a good principal at the high school.

Mr. Hoeffler started his career at Worthington as an English teacher at Kilbourne in 1969. He taught for six years including his last year as chairman of the English department at the main campus. In 1976 he took a job as assistant principal at Lima Shawnee. This was his first step into Administration. After one and a half years in Lima he returned to Worthington for three years as principal at Kilbourne. In 1980 Mr. Hoeffler attended Ohio State full time to earn his doctorate degree in Educational Administration. This is a goal he is still working at, along with his many duties as principal of Worthington High School.

Mr. Hoeffler has set many goals for himself and the school during his first year back. He thinks it is very important that he get close to the students and staff he works with. Mr. Hoeffler's presence in the halls at

school, and at extracurricular activities definitely does bring him closer to others at the school. Mr. Hoeffler also feels that parents and the community must become involved with the high school. "Everybody involved in the educational process should be able to respect and like each other. It is important to build close relationships between everyone involved."

Mr. Hoeffler, like every principal, wishes to continue improving Worthington's academic program. He feels that Worthington has an outstanding teaching staff and curriculum. Our instructional program includes fine basics plus a wide variety of electives. Mr. Hoeffler feels that students don't realize how much Worthington High School has to offer in terms of its facilities. "We tend to take everything we are provided with for granted."

School spirit is an important part of any school. Mr. Hoeffler wants to expand school spirit beyond athletics. He wants students to recognize activities such as the forensics team and theatrical productions. Mr. Hoeffler has high standards set for Worthington High School, and is working hard toward a school unified in all aspects. He is extremely dedicated to his job, and cares about the people at Worthington High School.

Bill Sickinger

Business continues to stand as one of the most popular career choices. Worthington High School offers a fine business program for both students interested in business as a career, and those taking it for personal use. The Business Department at Worthington High School has grown from three teachers ten years ago to the present staff consisting of eight teachers. Currently,

over 1,200 students are enrolled in business courses which represents a 50 percent increase during the last five years. The Business Department staff is well trained and dedicated to their profession.

The last ten years have brought many changes to the Business Department. Originally it was composed of three courses — Bookkeeping, Typing, and Shorthand. Today, Personal Law, Personal Finance, Economics, and Accounting II have been added to the curriculum. Also, a new course at the ninth grade level has been established. This course, Business Education Preview, is designed to give students a broad sampling of the courses offered at the high school. Another change occurred when electric typewriters were bought for the Personal Typing class. This purchase makes it possible to teach all typing classes with electric typewriters.

Through the 1980's business will be one of the more popular areas for college students. The Business Department at Worthington High School should continue to meet the needs of the students with a broad elective program that not only serves the college bound student, but also the student that plans to use their skills vocationally upon graduation from high school. One big challenge is to incorporate the use of the computer into the business curriculum.

Stephan Starts New Program

A new, and much needed, Drug Education program was begun at Worthington High School this year. Jerry Stephan, former Quest and Health teacher, who had a major part in developing the program, is its coordinator. The program provides help and information for everyone; from the person who needs help, all the way down the ladder to each teacher in the district. A network of people keep the program alive by continuing to learn more and more about the kind of help that people may need. For any program to work, there must be cooperation and trust between everyone involved. Mr. Stephan provides an opportunity for students to discuss their use or other's use of drugs each Tuesday. The "Support Group" gives students a chance to talk in confidence about their own use of mood altering substances. These students may be beginning to feel a concern toward their own well-being, but not quite ready to make a commitment to stop. Another group, the "Serenity Group," is for those who have decided that they want to do something about their problem. They actually formulate a personally designed plan of altering or recovery that resists use of mood altering substances. The final group, the

"Peer Group," provides students with an opportunity to discuss the use of drugs by friends or relatives. They talk about how use by other people has and is affecting their life.

Although the initial commitment must be made by the student, teachers play an important part in the program. Mr. Stephan has set up a network throughout the district to educate every teacher about chemical involvement. A teacher inservice committee meets with Mr. Stephan to discuss special concerns and problems, then each member educates a larger group. Many teachers have shown concern by attending various workshops, internships and lectures. With their knowledge, teachers are well aware of individuals who may need help. A teacher may refer a student to Mr. Stephan after observing specific habits. The staff is not trying to get users into trouble, but just trying to help. With Mr. Stephan's guidance, a student may find that he wants help and is willing to make a commitment. Jerry Stephan fills the position of Drug Education Coordinator well; he is a wonderful person, and he cares about each individual he talks to.

Computering

Worthington High School has always tried to keep up with the ever changing trends in education. So, of course, when people's interest in computers started to grow, so did Worthington's interest in having some sort of computer program. According to Dr. Eberle, head of the mathematics department, computers had their start at Worthington in 1974. That year, Worthington leased the current computer and two terminals, and made one class in basic language available to students. Interest grew so rapidly that by the second semester of that same year Worthington increased their number of terminals to four.

Today, just eight years later, we have the same computer with three additional terminals — a total of seven. From the small beginning of that one course Worthington's program has expanded to contain not only eight times as many classes in basic, but also four classes in fortran language. The LRC has a new Apple computer, and so does the science department. According to Eberle "growth in this area has been so great we are bursting at the seams in terms of computer facilities." There are hopes of purchasing a new computer sometime in the near future.

The Graduating Class of 1982
Worthington High School
Worthington, Ohio 43085

Dear Graduating Seniors,

The future is bright and rewarding! Your attempts to do your best in your chosen endeavor will greatly contribute to a healthy and stable society. The difference in being good and being great is a little more effort.

Best of luck to each and every one of you.

Very truly yours,

STAR LEASING COMPANY

P.S. We are a transportation company that hauls freight in both intrastate and interstate traffic, and we lease, sell, and repair over-the-road trailers for all industries.

YEARS OF FADS

Fads — they have become an American way of life. Thousands of students have passed through the halls of Worthington High School and with them have passed thousands of fads. However, as the students leave the endearing halls of the high school, the fads have vanished with them. Although many fads have gone and new ones have taken their place, many of the fads cannot be forgotten.

The 1950's was a decade of white bucks, blue suede shoes, and duck tailed hair cuts. It was a decade that gave birth to rock and roll, and the decade brought fame to the originators of this new kind of music. It was a time when students did the bunny hop. The girls wore their boyfriend's letter sweater, poodle skirts, and bobby socks. Cares were light, and the worries of students were seldom.

The 1960's was a time of rapid change. The controversial Vietnam War brought forth many fads of rebellion and resentment. Guys wore their hair long and "grunge" clothes seemed to be the "in" style for everyone. In fact, the entire war movement was a fad in itself. At no other time in the history of America did rebellion against one's own country seem to be the thing to do. However, with the end of the Vietnam War, the fads of rebellion and protest began to fade.

The 1970's seemed to be a new beginning for fads. Fads no longer seemed to be rooted in anger. Students became more care free, and the fads reflected this. A craze of pet rocks (the candy that pops in your mouth) preoccupied the time of the students. Although much of the fashion world turned back to the basic style of the fifties, the seventies had a distinguishing style that uniquely its own.

Although only two years old, the 1980's have brought forth more of a variety of fads than any other decade in history. Fashion has given people the preppy look, the anti-preppy look, and the western style. Fashion has also brought the bazaar look of the Go Go's complete with metallic headbands, gold mini-skirts, and metallic shoes. The punk rock craze has entered the halls of Worthington High School, and punk hair cuts are crawling out of no where. Many other fads have come to life in the eighties, and will continue to grow as the decade continues.

For as long as the walls of Worthington High School stand, fads and crazes will continue to prosper. Students will come and go, and fads will come and go, but the memories of fads that have long since gone will linger on.

WORTHINGTON.CAEN: PART III

For the past three years French IV and V students at Worthington High School have been given the opportunity to actually test their French skills by living in France. This school exchange program is sponsored by the National Association of Secondary School Principals (NASSP) and The Council on International Educational Exchange (CIEE). Under the guidance of a different French teacher each year, approximately 20 Worthington students have travelled to France over the past three years. The students leave in early February, fly to Paris, where they spend a few days sight-seeing and shopping, and then travel north to Caen, French where the remainder of the three-week trip is spent. Caen is a city of about 200,000 inhabitants which is located in the northern French province of Normandy. Each of the students live with a family while in Caen. During the stay the student learns to fit in with the French family. In doing so, he or she gets to experience a taste of the French way of life — from French food to a trip to the Alps or the Riviera! The Americans

also find out what a French high-school is really like. They can attend and observe classes to find out, for example, what it is like to learn Algebra or Chemistry in another language.

A few weeks after the American students return home and have time to re-adjust to their everyday life, the Caen students come to try their hand at living in a different culture. Usually they live with the same students whom they hosted in France. With this American student they attend Worthington High School and discover what it is like to be a teen-ager in the United States. Other activities which help them to experience the "American lifestyle" are trips to movies, to a shopping mall, to museums, to historical sites (including a trip to Greenfield Village), to sporting events, and even to a rock concert.

Both the French and American students benefit greatly from their three week stay in each other's country. Not only do they have the chance to perfect their French and English skills, but they have learned a little more about another culture and another lifestyle.

Robert Benham French

Emerson "Scott" Cheek

Death is not the end
It is only the beginning
As a small bud, beginning to bloom
Death is the flower to life
For it is eternal life that blossoms
And grows into a perfect splendor
Death is not the end
It is a rest after a hard day's life
Oh! how I envy thou who has seen
Immortal sleep
Our friend's new life has just begun
Yet, we weep?

by Patricia L. Agnew
in memory of
Emerson "Scott" Cheek and
Robert Benham French

A-POWER (Angelic Procrastinators of Worthington's Regions) congratulates the members of the class of 1981 on their graduation, and all other classes on completing another year of their educational climb. May you all live long and successful lives through the Power of Procrastination.

A-POWER also extends heartfelt thanks to our faculty adviser, Mr. Herbert K. Linzell, for his caring support of our group during its three years of existence. Not only does he understand the club and the people in it, but he knows how to advise the faculty. Anyone interested in continuing A-POWER at W.H.S. should contact him.

A-POWER also salutes EVERYONE who ever helped us out or enjoyed one of our ideas. A special note of attention goes to Sherman Bierly, our trusted fundskeeper.

“A-Power . . . Tomorrow”

“See not, hear not, care not”
